Tell us About Them.

The Scotland Neck Commonwealth gives the following timely expression:

Sometimes people are thoughtful enough to let us know when they have visitors; and sometimes it looks like some people try to hide their visitors from every possible avenue of intelligence to the newspaper man and then berate us furiously for not printing their names. * * *

But seriously, the editor of the Commonwealth, and any other editor who runs a personal mention column, feels under obligations to any one who will give him the name of any visitors to the community.

It is nothing wrong to call the editor's attention to any visitors you may have. Indeed it is much more reasonable and sensible than to say nothing about it until after the visitor has gone and then blame us because we didn't mention such visitor. * * *

This is a season of much visitation, and pray don't abuse us when we don't know it all, but help us and gratify those who wish to know the news by letting us know when you have any visitors, or when any one goes away.

TOWN MATTERS.

Proceedings of Board of Aldermen.

The Board of Aldermen had a labored session Thursday night, being together until 1 o'clock, and then adjourned to a special meeting to be held Monday night, 11th.

Upon the recommendation of the finance committee the tax on real and personal property was increased to 66½ cents on each \$100 valuation and the poll tax to \$2.

The reports of the regular standing committees contained nothing of general importance.

O. Hooker submitted a proposition to erect a large water tank near the mill on corner of Cotanch and Fifth streets and furnish water to the town for sprinkling streets or for fire purposes at \$2.50 per day for each day the tank is used. The matter was deferred for consideration at the next meeting.

A motion was made that the town proceed at once to build a new market house, but consideration of this went over to next meeting.

The tobacco auctioneers of the town petitioned to be released from the payment of a special license tax, which was rejected.

The druggists also presented a petition to be released from a special license tax, which was granted.

The Rough & Ready Fire Co. asked for a contribution to send a delegation to the meeting of the State colored firemen's association. This went over for consideration at the special meeting Monday night.

Applications for one liquor license and several restaurant licenses were granted.

A petition from the Greenville Supply Co. for permission to extend the railroad sidetrack from the American Tobacco Co's factory to their building was referred to the street committee with full power to act.

A motion was offered to refund the special taxes collected for bonds and graded schools. This motion was lost and resolutions adopted to hold the taxes until the matter of legality is finally settled.

A committee was appointed to look after the suit brought against the town by M. G. Bryan.

H. L. Carr, Treasurer, presented his official bond which was accepted.

The Tax Collector, Policemen and Chief of Fire Department made their monthly reports.

The Board ordered that notice be given that they would hear complaints as to listing taxes at the regular meeting in September.

Accounts amounting to \$415.37 were allowed and ordered paid.

First Church to Administer the Sacrament.

Grassy Creek Presbyterian Church, in Sassafras Fork township, Granville county, is the oldest Presbyterian church in the State. The records show that in 1750 the first celebration of the Lord's Supper in North Carolina was celebrated in this church. Efforts are now being made by the earnest christian ladies of this church to raise funds with which to repair and preserve this old historic building which should be held in sacred remembrance by Presbyterians as well as by all other christians. May they be successful and may this grand old church stand ever as a beacon light to point the people upwards.—Oxford Ledger.

Dear Sir:—I beg to acknowledge receipt of check for \$5,000 and wish to extend to the Penn Mutual Insurance Company, through you their Agent, my sincere thanks for the very prompt manner in which they settled the death claim of my late husband, John Flanagan.

The Penn Mutual was the first of the three companies in which he carried a policy to settle. It has only been ten days since proofs were mailed your Company, and such a prompt settlement as this should commend the old Penn Mutual to the insuring public.

Cabbage Snakes.

Last year considerable was said in the press of the State in regard to cabbage snakes, especially in the cabbage sections of the western part of the State. Recently an item has been going the round of the newspapers concerning a supposed poisonous "cabbage snake" found in a head of this popular vegetable by a lady in Swain County, North Carolina. The alleged snake was sent to the North Carolina Department of Agriculture for identification, and proved to be a common and inoffensive "Hair Snake" or water worm—*gordius variabilis*.

This is not a snake but a nematode worm which during some part of its life is an intestinal parasite of the cabbage caterpillar, grasshopper and some other insects. It is often found in samples of water from shallow wells, horse troughs and ponds. Its presence in water indicates that the water is not fit to drink, but the worm itself is not poisonous nor in any way dangerous to human beings. The popular name "Hair Snake" is given to this worm on account of its great slenderness, which has given rise to the fanciful idea that a horse hair has been transformed into a worm or "snake." Though this worm is often a foot in length it is never as thick as a knitting needle. Its color in water is usually drab, but when it lives secluded from the light it is generally white, hence the specific name, *variabilis*.

Snakes properly so called, belong to the backbone or vertebrate series of animals; whereas the true worms belong to the backboneless or invertebrate series. We have no snakes as slender as a knitting needle, or in any way resembling a slender worm. We have no nematode worms which are visible to the unaided eye that are parasitic on human beings. Neither are they venomous or poisonous.

They are, in fact, useful, in so far as they destroy noxious insects like cabbage worms and grasshoppers. Even should such a worm be left in a cabbage, cooking would render it unnoticeable, and as it is not poison no one need be afraid to handle or eat cabbage on account of the mythical "cabbage snake."

GERALD MCCARTHY,
Biologist,
N. C. Department of Agriculture.

NOTE.—The Station will be pleased to identify further specimens, and would be glad to have any assistance or suggestions that will enable it to obtain definite information regarding cases of poisoning from "Cabbage Snakes."

GRIFTON ITEMS.

GRIFTON, N. C. August 8, 1902. Abe Einstine was here Saturday.

R. L. Gardner left on the cars Wednesday.

J. L. Keene, Jr., went to Kinston Tuesday on business.

R. C. McCotter and O. W. Gaskins returned home Thursday from Norfolk, Washington City and Baltimore after a week's stay.

Will Mewborn, of Kinston, was here Monday.

The Nottingham and Wrenn Co's. mill shut down Wednesday for no telling how long. The water in the river is so low they can't get any timber down.

Arthur Jackson was here Thursday and says a terrible whirl wind passed through his neighborhood Wednesday evening and destroyed everything. A new school house recently built was completely destroyed. Some of the ceiling was found eighty yards from where the building stood. Tobacco barns and other buildings were served the same.

J. L. Patrick returned from a trip to Norfolk, Washington and Baltimore where he has been purchasing goods for the firm of Patrick & Tucker.

Rev. Mr. Hoyle, a Methodist minister, is here assisting Rev. Lowder in a protracted meeting at the Methodist church.

Those who have lost tobacco barns by fire near Grifton are E. S. Laughinghouse, two; L. B. Mumford, one; O. J. Tucker, four. Mr. Laughinghouse was doubly unfortunate by losing two filled with good tobacco, which with barn means something like two hundred dollars.

The farmers are having it busy now. Their tobacco is crowding them and fodder is ripening and some are pulling this week. They are in good spirits over the opening sale of tobacco. The prices were satisfactory in every respect, if we could know it would hold out.

According to a recent census bulletin North Carolina farmers increased their investment in live stock during the last ten years 17.8 per cent.; improved farm implements 26.3 per cent.; in use of commercial fertilizers 55.4 per cent., while the value of farm products increased 58.1 per cent. The increase in the value of farm products is attributable in good measure to a larger and more judicious use of commercial fertilizers, and improved farm implements and machinery, thus supplying a loss otherwise resulting from irregular or unreliable labor.—Raleigh Post.

Not Over-Wise.

There is an old allegorical picture of a girl, scared at a grass-hopper, but in the act of heedlessly treading on a snake. This is paralleled by the man who spends a large sum of money building a cyclone cellar, but neglects to provide his family with a bottle of Chamberlain's colic, cholera and Diarrhoea Remedy as a safeguard against bowel complaints, whose victims outnumber those of the cyclone a hundred to one. This remedy is everywhere recognized as the most prompt and reliable medicine in use for these diseases. For Sale by Wooten's Drug Store, Greenville, and Farmville Pharmacy, Farmville, N. C.

Many shun the brook and fall into the river.

Dysentery Cured Without the Aid of a Doctor.

"I am just up from a hard spell of the flux" (dysentery) says Mr. T. A. Pinner, a well known merchant of Drummond, Tenn. "I used one small bottle of Chamberlain's colic, cholera and Diarrhoea Remedy. I consider it the best cholera medicine in the world." There is no need of employing a doctor when this remedy is used, for no doctor can prescribe a better medicine for bowel complaint in any form either for children or adults. It never fails and is pleasant to take. For sale by Wooten's Drug Store, Greenville, and Farmville Pharmacy, Farmville.

The man in the moon is blushing red, because he sees so many queer things.

To My Friends.

It is with joy I tell you what Kodol did for me. I was troubled with my stomach for several months. Upon being advised to use Kodol, I did so, and words can not tell the good it has done me. A neighbor had dyspepsia so that he had tried most everything. I told him to use Kodol. Words of gratitude have come to me from him because I recommended it.—Geo. W. Fry, Viola, Iowa. Health and strength of mind and body depend on the stomach, and normal activity of the digestive organs. Kodol, the great reconstructive tonic, cures all stomach and bowel troubles, indigestion, dyspepsia. Kodol digests any good food you eat. Take a dose after meals. John L. Wooten.

The reason a hammock is so fascinating for two is that it is built for one.

His Sight Strengthened.

"While picnicking last month my 11-year-old boy was poisoned by some weed or plant," says W. H. Dibble, of Sioux City, Iowa. "He rubbed the poison off his hands into his eyes and for a while we were afraid he would lose his sight. Finally a neighbor recommended DeWitt's Witch Hazel Salve. The first application helped him and in a few days he was as well as ever." For skin diseases, cuts, burns, scalds, wounds, insect bites, DeWitt's Witch Hazel Salve is cure. Relieves piles at once. Beware of counterfeits. John L. Wooten.

It's funny that a girl in society to keep in must be continually going out.

Boy Cured of colic After Physician's Treatment Had Failed.

My boy when four years old was taken with colic and cramps in his stomach. I sent for the doctor and he injected morphine, but the child kept getting worse. I then gave him half a teaspoonful of Chamberlain's colic, cholera and Diarrhoea Remedy, and in half an hour he was sleeping and soon recovered.—F. L. Wilkins, Shell Lake, Wis. Mr. Wilkins is book keeper for the Shell Lake Lumber Co. For sale by Wooten's Drug Store, Greenville, and Farmville Pharmacy, Farmville.

It's generally the lazy chap who feels that he is too good for his job.

It Needs a Tonic.

There are times when your liver needs a tonic. Don't give purgatives that gripe and weaken. DeWitt's Little Early Risers expel all poison from the system and act as tonic to the liver. W. Scott, 531 Highland ave., Milton, Pa., says: "I have carried DeWitt's Little Early Risers with me for several years and would not be without them." Small and easy to take. Purely vegetable. They never gripe or distress. John L. Wooten.

It's the fellow with a pull who is generally pushed to the front.

A Necessary Precaution.

Don't neglect a cold. It is worse than unpleasant. It is dangerous. By using One Minute Cough Cure you can cure it at once. Always inflammation, clears the head, soothes and strengthens the mucus membrane. Cures coughs, croup, throat and lung troubles. Absolutely safe. Acts immediately. Children like it. Jno. L. Wooten.

Misses Vivian Parker and Alyce Harper spent Sunday in Snow Hill.

S. M. Pollard has gone to New Bern this week on business.

Miss Fannie Moore has been quite sick, but is now improving.

The country boy sighs for city life, and when he finally reaches the goal, he begins to wish himself again among the birds and flowers. With the coming of old age he regards himself lucky if he can get his feet back on mother earth. The strife is as great to acquire sufficient wealth to purchase land on which to spend the declining years as was the youthful struggle to get a foothold in the city. The smiling sky and the green earth seems to be the natural heritage of man, and no one feels this quite so keenly as the one who has had a taste in youth of the sweets of rural life.—Country Life in America.

It is well said that the real character of a man is shown when a woman is sick.

Big Month's Work.

For the first month of his term
in office Mayor H. W. Whedbee
turned over to County Treasurer
J. B. Cherry for the school fund
the sum of \$69.37, fines imposed
in the Mayor's court. The fines
and costs together during the
month footed up \$166.57.

New Firm.

B. Fleishman & Bro., of Balti-
more, are opening a general dry
goods business here in one store of
the Phoenix building, where
Baker & Hart formerly kept. This
firm, who have a large jobbing
house in Baltimore, have also re-
cently opened a branch store at
Dunn, this State. They do a large
business.

The King's Daughters.

The King's Daughters were very
delightfully entertained by Mr.
and Mrs. E. A. Moye at their
home Thursday evening. The
presence of Mrs. Cozart and Miss
Moye, of Wilson, added much to
the pleasure of the occasion.

Delicious grapes and peaches
were abundantly served and great-
ly enjoyed by all present.

150,000 Today.

The Greenville tobacco market
had another fine break today,
there being about 150,000 pounds
sold. All the warehouses had a
good share. A number of farmers
were heard expressing themselves
as greatly pleased with prices.
Every warehouseman and buyer
on the market feels an interest in
making tobacco bring high prices
and all work together to that end.
There is not a better market any-
where than Greenville.

BREAK INTO THE HOMES OF THE PEOPLE BY ADVERTISING IN THE REFLECTOR

A REFLECTOR advertisement will walk into the
homes every day and will let your wants be known
to the people.

A REFLECTOR advertisement will bring custom-
ers for your goods, find tenants for your house, find
employment or employees, in fact fill any reasonable
want you may have.

THE REFLECTOR goes into the homes of the
people and is read for what it carries them, hence
the place to tell your wants is in THE REFLECTOR.

The cost of an advertisement in THE REFLECTOR
is the easiest part.
