### ALL SUMMER GOODS MUST WALK.

We are anxious to sell—yes, but we are not so anxious for money that we will jeopardize our business by offering stuff we cannot stand back of. We are as jealous of our good name as we are proud of our business. Come this week and see how far a dollar bill will travel.

Mr. Wilkinson is in the northern markets buying Fall and Winter goods, and all summer goods must suffer great cuts. We mean carry over.

## Another Indiana Orator.

J. Frank Hanly of Lafayette, who was a candidate for United States senator against Mr. Beveridge, is a recognized orator. It is said of Mr. Hanly that several years ago he was attorney in a suit against Park Hunter of Warren county, who owns several thousand acres of good land. It was a minor case before a squire, but the conditions were admirable for a forensic display, and Hanly's effort was worthy of a greater audience and a greater occasion. Judgment went against Hunter. Afterward, upon being asked what attorney appeared against him, Hunter replied, with emphasis, "Demosthenes!"—Indianapolis News.

## Where and How Pansies Grow Best.

Give pansies, if possible, a place where they will be sheltered from the hot afternoon sun. Cut off the old flowers as they fade and keep the ground mellow and free from weeds. They will bloom well until the hot days of midsummer. Then their flowers will be small, and there will not be many of them. It is a good plan to cut the old plants back at that time and allow them to renew themselves for autumn.—Ladies' Home Journal.

## The Big Basin Forest.

In the northern part of San Jose county, Cal., and lapping over into San Mateo county lies the so called Big basin, a bit of the primitive forest. The exact area of the tract is about 2,500 acres. It contains one of the finest stretches of woodland which remain in the state. The characteristic tree is the giant redwood. It has been proposed to convert the basin into a forest preserve.

## To My Friends.

It is with joy I tell you what Kodol did for me. I was troubled with my stomach for several months. Upon being advised to use Kodol, I did so, and words can not tell the good it has done me. A neighbor had dyspepsia so that he had tried most everything. I told him to use Kodol. Words of gratitude have come to me from him because I recommended it.—Geo. W. Fry, Viola, Iowa. Health and strength of mind and body depend on the stomach, and normal activity of the digestive organs. Kodol, the great reconstructive tonic, cures all stomach and bowel troubles, indigestion, dyspepsia. Kodol digests any good food you eat. Take a dose after meals. John L. Wooten.

**BREAK INTO  
THE HOMES  
OF THE  
PEOPLE BY  
ADVERTISING  
IN THE  
REFLECTOR**

A REFLECTOR advertisement will walk into the  
homes every day and will let your wants be known  
to the people.

A REFLECTOR advertisement will bring custom-  
ers for your goods, find tenants for your house, find  
employment or employees, in fact fill any reasonable  
want you may have.

THE REFLECTOR goes into the homes of the  
people and is read for what it carries them, hence  
the place to tell your wants is in THE REFLECTOR.

The cost of an advertisement in THE REFLECTOR  
is the easiest part.
