ALL SUMMER GOODS MUST WALK.

We are anxious to sell—yes, but we are not so anxious for money that we will jeopardize our business by offering stuff we cannot stand back of. We are as jealous of our good name as we are proud of our business. Come this week and see how far a dollar bill will travel.

Mr. Wilkinson is in the northern markets buying Fall and Winter goods, and all summer goods must suffer great cuts. We mean carry over.

A CARD.

To the People of Pitt County:—

Four years ago by your votes you made me your Register of Deeds. I have tried as best I could to serve you faithfully. If I have not done as you desired it has been a failure of the head and not of the heart. By your will I am soon to retire from the office. I accept your verdict as willingly as I gladly obeyed your call to the office. I want to assure you all that it has been a great pleasure as well as a privilege to be associated and to mingle with the people of Pitt county. I desire in this card to thank all of you heartily for the support you gave me in putting me in the office, for the kind and courteous treatment you have given me while serving you, and for the good will which I believe you bear me as I leave the office. I wish also to express my appreciation of the courtesies extended me by the members of the Greenville bar, my associates in the Court House and the most excellent Board of County Commissioners whom I have served as Clerk. In fact my association and work has been pleasant with all with whom I have come in contact and to one and to all my thanks are heartily tendered.

You have selected as my successor a gentleman in every respect, well qualified to fill the office and worthy of your heartiest support. He and all the Democratic ticket will receive the active support of myself and all of my friends. In future as in the past, in office or out of office, I am ready to serve the Democratic party and my friends in any capacity.

Again with due appreciation and thanks to all for every act of kindness shown me while I have been serving you, I am your obedient servant,

T. R. MOORE.

The Future of Domestic Service.

It is only a question of time when domestic service will be put on a plane with other trades, because man shall have so simplified the housework that the duties will not vary as they do to-day in different homes. With the leisure which is inevitably coming to her, and through her attainment of economic equality with man (who is unconsciously doing so much for her), woman is in a fair way to develop race characteristics which will set the psychologists pondering anew upon her problems, which are not long to be entirely in the home.—Everybody's Magazine.

Notice.

The Board of Aldermen at their meeting Thursday night, 4th, will hear and pass upon any complaints of excessive valuations on the tax list. Any persons having such complaints to make are notified to be present.

Clever Animal Actors Next Wednesdays.

Norris & Rowe's Big Trained Animal Shows will appear in this city next Wednesday, Sept. 3rd, giving two performances at 2 and 8 p. m. The show this year is greater than ever before. Besides the trained goats, ponies and monkeys which have delighted the juvenile heart in years past, they are presenting as features for the season of 1902 the only trained elks in existence who work in conjunction with two Siberian camels Fargo, Duke and Hero, the dwarf elephants, a \$10,000.00 school of educated seals and the only trained lions which are known to perform on horse back. Human and animal clowns make merry throughout the performance and add mirth and zest to the entertainment.

A new and novel parade, a mile in length, will be given at 11 o'clock the morning of the exhibition at which time the costly aggregation of animals will be seen in all their glory. The mammoth waterproof tents will be located at the corner of 12th and Evans streets.

The man who has never faced danger can not answer for his courage.

Lived in Three Centuries.

Luke Norfleet, an aged colored man, died Thursday night near Conetoe. He claimed to be 108 years old. There are no means to verify this. Undoubtedly he was a very old man. Capt. Orren Williams, who knew him well, says that if he is not a centenarian he is very near it; that he has known him over 60 years. He belonged to the late Robert Norfleet.—Tarboro Southerner.

Hon. R. B. Glenn has withdrawn from the race for United States Senator. His county, Forsyth, had two candidates, and in the interest of harmony he withdrew in favor of Hon. C. B. Watson.

To My Friends.

It is with joy I tell you what Kodol did for me. I was troubled with my stomach for several months. Upon being advised to use Kodol, I did so, and words can not tell the good it has done me. A neighbor had dyspepsia so that he had tried most everything. I told him to use Kodol. Words of gratitude have come to me from him because I recommended it.—Geo. W. Fry, Viola, Iowa. Health and strength of mind and body depend on the stomach, and normal activity of the digestive organs. Kodol, the great reconstructive tonic, cures all stomach and bowel troubles, indigestion, dyspepsia. Kodol digests any good food you eat. Take a dose after meals. John L. Wooten.

People would be happier if they could find it possible to borrow trouble.

Not Over-Wise.

There is an old allegorical picture of a girl scared at a grass-hopper, but in the act of heedlessly treading on a snake. This is paralleled by the man who spends a large sum of money building a cyclone cellar, but neglects to provide his family with a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy as a safeguard against bowel complaints, whose victims outnumber those of the cyclone a hundred to one. This remedy is everywhere recognized as the most prompt and reliable medicine in use for these diseases. For Sale by Wooten's Drug Store, Greenville, and Farmville Pharmacy Farmville, N. C.

The opera singer who reaches the high notes evidently has the soar throat.

Dysentery Cured Without the Aid of a Doctor.

"I am just up from a hard spell of the flux" (dysentery) says Mr. T. A. Pinner, a well known merchant of Drummond, Tenn. "I used one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. I consider it the best cholera medicine in the world." There is no need of employing a doctor when this remedy is used, for no doctor can prescribe a better medicine for bowel complaint in any form either for children or adults. It never fails and is pleasant to take. For sale by Wooten's Drug Store, Greenville, and Farmville Pharmacy, Farmville.

Armor plates are probably the best on which to serve hot cannon balls.

Boy Cured of colic After Physician's Treatment Had Failed.

My boy when four years old was taken with colic and cramps in his stomach. I sent for the doctor and he injected morphine, but the child kept getting worse. I then gave him half a teaspoonful of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and in half an hour he was sleeping and soon recovered.—F. L. Wilkins, Shell Lake, Wis. Mr. Wilkins is book keeper for the Shell Lake Lumber co. For sale by Wooten's Drug Store, Greenville, and Farmville Pharmacy, Farmville.

The world never sits down twice on the man who has any point about him.

His Sight Strengthened.

"While picnicking last month my 11-year-old boy was poisoned by some weed or plant," says W. H. Dibble, of Sioux City, Iowa. "He rubbed the poison off his hands into his eyes and for a while we were afraid he would lose his sight. Finally a neighbor recommended DeWitt's Witch Hazel Salve. The first application helped him and in a few days he was as well as ever." For skin diseases, cuts, burns, scalds, wounds, insect bites, DeWitt's Witch Hazel Salve is cure. Relieves piles at once. Beware of counterfeits. John L. Wooten.

Kisses are always taken at their face value.

It Needs a Tonic.

There are times when your liver needs a tonic. Don't give purgatives that gripe and weaken. DeWitt's Little Early Risers expel all poison from the system and act as tonic to the liver. W. Scott, 531 Highland ave., Milton, Pa., says: "I have carried DeWitt's Little Early Risers with me for several years and would not be without them." Small and easy to take. Purely vegetable. They never gripe or distress. John L. Wooten.

A load of vexation is lifted by strength of character.

A Necessary Precaution.

Don't neglect a cold. It is worse than unpleasant. It is dangerous. By using One Minute Cough Cure you can cure it at once. Always inflammation, clears the head, soothes and strengthens the mucous membrane. Cures coughs, croup, throat and lung troubles. Absolutely safe. Acts immediately. Children like it. Jno. L. Wooten.
