ALL SUMMER GOODS MUST WALK.

We are anxious to sell—yes, but we are not so anxious for money that we will jeopardize our business by offering stuff we cannot stand back of. We are as jealous of our good name as we are proud of our business. Come this week and see how far a dollar bill will travel.

Mr. Wilkinson is in the northern markets buying Fall and Winter goods, and all summer goods must suffer great cuts. We mean carry over.

SUPERIOR COURT.

September Term in Progress.

The September term of Pitt Superior court opened this morning with Judge George H. Brown, Jr., presiding, Solicitor L. I. Moore representing the State. The following were selected as the grand jury:

W. R. Horne, Foreman, W. J. Mumford, A. C. Holloman, G. W. Crawford, J. T. Whitehurst, W. L. House, E. S. Mumford, J. M. Nelson, W. W. Thomas, Calvin McLawhorn, Henry Dixon, C. B. Hardee, Franklin Edwards, B. T. Tugwell, W. S. Moye, J. S. Mooring, J. T. Nelson, B. E. Moye.

The charge of Judge Brown to the grand jury was very able and of unusual interest. He began by saying it gave him pleasure to be again in Pitt county with whose people he had been closely associated for years. No county is superior to it, and it is the finest agricultural county in the State. The county seat being so near the centre is of advantage to all sections. Pitt has a population of natural intelligence, men of unusual independence of character and thought. It is something to be proud of it to be a citizen of such a county.

Yet, he said, it is a lamentable fact that the county has a reputation for crime that is not in keeping with its intelligence. Pitt county is noted for large criminal dockets. An absence of four years from holding a court in the county shows that instead of a decrease there has been an increase in the the number of criminal cases on the dockets.

However, Pitt county is not alone in this, for throughout the United States the increase of crime has largely exceeded the growth of population. This may in a measure be due to the large influx of foreign population who are imbued with the idea that liberty means license. While these have settled principally in the western States, yet staid old North Carolina, the most conservative of the States, shows a large increase of crime. Take the record of homicides—in the year 1900 there were 285 in North Carolina, 330 in Virginia, over 500 in New York, 302 in Kentucky, over 1100 in Texas, and above 11,000 in the entire United States, making a larger number of deaths by violence than those killed in the Spanish American and Philippine war.

A failure to enforce law has a tendency to increase crime. The law cannot enforce itself but requires human agency. There is no fault in the law, for we have the best code known in the history of the world. But men shirk the discharge of their duty and allow criminals to go unpunished.

The best remedy against crime is to enforce the law, for respect of the law is the beginning of civilization. We respect morality and religion, but fear of the law is the corner stone of society.

Judge Brown gave some instances as to how the law miscarries and referred to the responsibility upon jurors. He also pointed out the duty of the grand jury in looking after reports of overseers of roads and of Magistrates, of examining the records of the county officers and of inspecting the jail

An Imposing Street Pageant.

The Norris & Rowe's Big Trained Animal Shows have always had the reputation of presenting a better and larger street demonstration than any other similar tented exhibition. This year the announcement is made that when this stupendous aggregation of performing animals appears here next Wednesday the public will witness a street carnival even more elaborate than anything ever before offered by these enterprising managers. Throughout the respective states where the shows have been exhibiting with great success, their street pageant attracted particular attention, and was the occasion of many columns of commendation in the leading newspapers. The thing that impresses the public most forcibly was the novel manner of the display combined with richness and splendor which is not in evi-

dence with other exhibitions.

It is not merely a collection of ponies and other trained animals but is an elaborately planned processional display that forms the most original, complete and resplendent pageant that human ingenuity and artistic taste has ever conceived. There are many special features that are introduced to delight the children; the tiny dwarf elephants holding to each others tails in tandem style are ludicrous in the extreme, the grotesque camels, the almost extinct Buffaloes, and numerous cages of performing animals are the cause for unbounded praise. This grand display of wealth and grandeur will take place at 10 A. M., Wednesday, Sept. 3rd, and will serve to introduce this the largest trained animal show in the country.

## AYDEN NOTES.

AYDEN, N. C., Sept. 2, 1902.

Your itemizer has been too busy for the past few weeks to write any Ayden news, nevertheless there has been lots of coming and going.

The noise of the hammer and saw has been heard for some months past, and we can begin to see a decided improvement in the town.

A dormitory for C. C. College is being erected in the grove between the College and the street. It will contain twenty rooms and when finished will present a neat appearance. Prof. Manning hopes to have it completed in a few weeks.

School opened this morning. We haven't learned the number of students entered, but the prospect is bright for a larger attendance than last year. Another teacher has been added. Miss Bertha Dawson, of Littlefield, will take charge of the primary department and the latin class.

Fall term of the F. W. B. T. S. opened last Monday. Miss Emma Cooper came from Kenansville to take the music class and help with the primary grade. Miss Cooper made many friends while here last

spring and we gladly welcome her back.

J. R. Smith & Bro. moved to their new stores last week. They occupy two of the stores, and Ed. Tripp the other.

Miss Abbie Smith came down from Greenville Thursday night to visit relatives at the hotel.

Mrs. W. T. Mason, of Whichard, came Thursday to see her parents at the hotel. Mr. Mason came Saturday night, and they returned home Sunday afternoon.

J. R. Smith, W. C. Jackson, Claud Quinerly and Mrs. J. A. Davis are now in the northern markets purchasing their fall stock.

Mrs. W. C. Jackson and children are visiting in the country.

Forrest Taylor, a clever insurance agent from Whitakers, is in town.

Miss Lizzie Anderson returned last week from an extended visit to LaGrange. Her many friends are pleased at her return.

Prof. Stancil Hodges arrived Saturday afternoon to resume his duties at C. C. College. We are always glad to have Prof. Hodges in our midst.

Mr. and Mrs. M. M. Sauls are in Richmond, Va.

Mr. and Mrs. R. W. Smith and Larry spent Sunday afternoon in the country.

Miss Myrtle Taylor, of Kinston, arrived Monday. She will take elocution under Miss Anderson at C. C. College. Miss Taylor has many warm friends in Ayden, who wish her a pleasant stay in town.

Prayer meeting is conducted in the Baptist church every Wednesday night. The crowd has increased each night.

Miss Myrtle Moore, the music teacher at C. C. College came Saturday. We are always glad when the time comes for Miss Myrtle to return.

Mrs. Pattie F. Smith and family, after spending the summer at Rochdale, returned to Ayden last week.

Rev. J. R. Tingle preached in the Baptist church Sunday night.

The Baptist Sunday School had the fullest attendance Sunday afternoon it has had for some time.

Mr. and Mrs. Mills Smith, of Rochdale, spent Sunday with Mrs. Pattie F. Smith on Third street.

It is the pianist who always plays at his work.

Cut this out and take it to Wooten's Drug Store or Farmville Pharmacy and get a free sample of Chamberlain's Stomach and Liver Tablets, the best physic. They cleanse and invigorate the stomach, improve the appetite and regulate the bowels. Regular size, 25c. per box.

# Slow Starvation

is the fate of sufferers from dyspepsia and indigestion. If your food remains undigested it can't build up the body. In fact, it does actual damage by decaying in the stomach and poisoning the system.

## KODOL Digests What You Eat.

Kodol is the sensible remedy. By digesting what you eat it strengthens the body and at the same time rests the stomach. This rest soon restores perfect health. Cathartics and stimulants only reach the symptoms. Kodol cures. It is Nature's tonic.

Five years ago a disease the doctors called dyspepsia took such a hold on me that I could scarcely go. I took quantities of peppin and other medicines, but nothing helped me. As a drowning man grasps at a straw I grabbed at Kodol. I felt an improvement at once, and after a few bottles am sound and well. GEORGE S. MARSH, Attorney-at-Law, Nocona, Tex.

It can't help but do you good.

The 51 bottle contains 2 1/2 times as much (actual measurement) as the trial size which sells for 25c. Prepared by E. C. DeWitt & Co., Chicago. Sold by all dealers.

## Take Care of the Stomach.

The man or woman whose digestion is perfect and whose stomach performs its every function is never sick. Kodol cleanses, purifies and sweetens the stomach and cures positively and permanently all stomach troubles, indigestion and dyspepsia. It is the wonderful reconstructive tonic that is making so many sick people well and weak people strong by conveying to their bodies all of the nourishment in the food they eat. Rev. J. H. Holladay, of Holladay, Miss., writes: Kodol has cured me. I consider it the best remedy I ever used for dyspepsia and stomach troubles. I was given up by physicians, Kodol saved my life. Take it after meals. Jno. L. Wooten.

Economy is simply the art of getting the worth of your money.

## Not Over-Wise.

There is an old allegorical picture of a girl scared at a grass-hopper, but in the act of heedlessly treading on a snake. This is paralleled by the man who spends a large sum of money building a cyclone cellar, but neglects to provide his family with a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy as a safeguard against bowel complaints, whose victims outnumber those of the cyclone a hundred to one. This remedy is everywhere recognized as the most prompt and reliable medicine in use for these diseases. For Sale by Wooten's Drug Store, Greenville, and Farmville Pharmacy, Farmville, N. C.

The best friend any man has is his own conscience.

## Dysentery Cured Without the Aid of a Doctor.

"I am just up from a hard spell of the flux" (dysentery) says Mr. T. A. Pinner, a well known merchant of Drummond, Tenn. "I used one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. I consider it the best cholera medicine in the world." There is no need of employing a doctor when this remedy is used, for no doctor can prescribe a better medicine for bowel complaint in any form either for children or adults. It never fails and is pleasant to take. For sale by Wooten's Drug Store, Greenville, and Farmville Pharmacy, Farmville.

There are some men on whom praise has no effect.

## Boy Cured of colic After Physician's Treatment Had Failed.

My boy when four years old was taken with colic and cramps in his stomach. I sent for the doctor and he injected morphine, but the child kept getting worse. I then gave him half a teaspoonful of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and in half an hour he was sleeping and soon recovered.—F. L. Wilkins, Shell Lake, Wis. Mr. Wilkins is book keeper for the Shell Lake Lumber Co. For sale by Wooten's Drug Store, Greenville, and Farmville Pharmacy, Farmville.

Sudden wealth is very apt to made a man foolishly profuse.

## Beware of the Knife.

No profession has advanced more rapidly of late than surgery, but it should not be used except where absolutely necessary. In cases of piles for example, it is seldom needed. DeWitt's Witch Hazel Salve cures quickly and permanently. Unequalled for cuts, burns, bruises, wounds, skin diseases. Accept no counterfeits. "I was so troubled with bleeding piles that I lost much blood and strength," says J. C. Phillips, Paris, Ill. "DeWitt's Witch Hazel Salve cured me in a short time." Soothes and heals. Jno. L. Wooten.

Patience is more frequently the result of numbness than of principle.

## A Sad Disappointment.

Ineffective liver medicine is a disappointment, but you don't want to purge, strain and break the glands of the stomach and bowels. DeWitt's Little Early Risers never disappoint. They cleanse the system of all poison and putrid matter and do it so gently that one enjoys the pleasant effects. They are a tonic to the liver. Cure biliousness, torpid liver and prevent fever. John L. Wooten.

Try and understand your neighbors; don't let them cultivate you.

Nothing is really worth working for that is not worth struggling for.

## Lingering Summer Colds.

Don't let a cold run at this season. Summer colds are the hardest kind to cure and if neglected may linger along for months. A long sledge like this will pull down the strongest constitution. One Minute Cough Cure will break up the attack at once. Safe sure acts at once. Cures coughs, colds, croup, bronchitis, all throat and lung troubles. The children like it. John L. Wooten.

## School Announcement.

On Monday, Sept. 15th, MRS. PEARLE SUMMERELL and MISS MARY LOU TUCKER will open a select school in Mrs. Forbes' school rooms on Evans street.

Tuition from \$1.50 per month up, according to grade. Languages extra. Thorough, faithful work is promised and your patronage is solicited.

Lynchings are bad and it is a pity they ever occur, but the negro Tom Jones, near Seven Springs came as near getting what he deserved as ever did a criminal.—Greenville REFLECTOR.

As a rule the victims of mob violence may be said to actually receive only the punishment they deserve. The manner of its infliction, however, does violence to the law of the land and therefore works injury to all good citizens. Lynchings tend to create a feeling of contempt for the law, which is worse for the State than the failure to enforce the statutes. The fact that a criminal's act justifies his punishment has nothing to do with the question. A legal execution, which is absolutely certain to follow such crimes as that in Wayne county last week leaves the mob without a semblance of an excuse for its work.—Charlotte Observer.
