WRECK ON A. C. L.

Long Section of Track Torn Up.

Late Friday afternoon the south bound freight train between Weldon and Kinston was wrecked about 6 miles south of Grafton and near Graingers. The wreck was caused by the breaking of a truck on a coal car. About 500 feet of the track was torn up, but none of the cars were damaged to great extent. Several passengers were in the coach attached to the train but they all escaped injury. A wrecking train went down early Saturday night and finished clearing and repairing the track by noon Sunday.

When news of the wreck first reached Greenville it was feared that it might be the passenger train, and there was some uneasiness because of several Greenville people being on that train. But the passenger train was safe and while it could not get by when it reached the scene of the wreck the passengers were transferred to another train and taken on to Kinston.

A Sad Disappointment.

Ineffective liver medicine is a disappointment, but you don't want to purge, strain and break the glands of the stomach and bowels. DeWitt's Little Early Risers never disappoint. They cleanse the system of all poison and putrid matter and do it so gently that one enjoys the pleasant effects. They are a tonic to the liver. Cure biliousness, torpid liver and prevent fever. John L. Wooten.

for 30 days only. It is needless to give any outline regarding the merit of the "Stieff" Piano further than to say that for the past 60 years of its existence it has been enjoying an undisputed international reputation having won the prize medals in Philadelphia 1876, at the Paris (France) international exposition in 1878, Atlanta in 1881, New Orleans 1884-1885, Chicago world fair 1893, and at the late Charleston, S. C., exposition 1902.

Do You Contemplate Buying a Piano?

Greensboro is woefully short on her water supply, but it is safe to say this will not frighten some of her citizens.—Durham Herald.

How is that, son? Isn't there a laundry in Greensboro?

THE GREENVILLE REFLECTOR say's independentism should be discouraged. Well, are not the leaders doing all they can in this direction?—Durham Herald.

Certainly but that's discouraging.

A dispatch from Stroudsburg, Pa., credits Carrie Nation with the statement that she has abandoned saloon smashing as a livelihood. "All saloon men are not bad," she said, "and there are lots worse who pose as pillars in the churches." "Good morning Carrie."

The collision of a trolley car a few days ago with President Roosevelt was a—er—quite a strenuous affair. We are pleased to note that the President's plans suffered no material disarrangement. The trolley company, of course, is short one car, until extensive repairs can be effected.

The Durham Herald, thinks "it should not be a hard matter for the people of Greensboro to find a substitute for water." We dare say. However, they might send a committee to Kentucky. The Herald intimates further, that "the people of Greensboro may live to regret that they contracted the water habit." It would be interesting to know whether the Herald would undertake to sustain the point with a dissertation on a favorite blend.

THE CABLE COMPANY, OF CHICAGO.

Capital \$2 000.000

Piano Manufacturers.

1902 Business Estimated by "The Musical Courier," New York at \$4,000,000, Four Million Dollars.

We give no idle talk, but are ready to prove to any prospective customer that the volume of the Cable business is unequalled by any other of the large Chicago, New York or Boston factories. We calmly assert that we make all our different makes of Pianos including the entire action. That therefore we are truly piano manufacturers in its true sense. We claim there are "whys and wherefore" for our immense business. We plainly brand our different grades with distinct and separate names, and do not make several grades and sell under one name and at different prices. We deal plainly and squarely with the public and back every guarantee with our two million dollars capital. We will tell you more "whys and wherefores" when you call at our store

At Five Points, next door to D. W. Hardee's Brick Store where we are showing a full line of the Celebrated "Cable" Piano, which has the largest sale of any high grade artistic Piano in America.

Also we show the well known and honestly made "Kingsbery" and "Wellington" Pianos. We have no cheap stained cases, but all fine natural woods.

WE ACCEPT CHALLENGE

of any competitor and agree to prove that our Pianos embody every requisite of the higher grade pianos including tone, volume, action, finish, and improvements. Our immense business is a proof that we give the most for the money. All piano buying countries have accepted the Cable goods in such mammoth quantities because our prices are the lowest known—high grade and quality considered. It did not take 60 years for us to reach the top, but only 20 years. We have sold more goods in the last two years than a 60 year old antique firm has in their entire career.

Our Challenge is for "any" competitor to show he makes a single complete piano in his own factory. He dare not rub the New York action makers name off his action. It's there to show. The small manufacturer is practically out of the race, and no dealer in it at all when it comes to the "most for the money."

We invite you to call, and we will prove our every claim. Thanking the public for their past as well as future business and confidence, we beg to remain,

Most courteously yours,

The

Cable Company

The man or woman whose digestion is perfect and whose stomach performs its every function is never sick. Kodol cleanses, purifies and sweetens the stomach and cures positively and permanently all stomach troubles, indigestion and dyspepsia. It is the wonderful reconstructive tonic that is making so many sick people well and weak people strong by conveying to their bodies all of the nourishment in the food they eat. Rev. J. H. Holladay, of Holladay, Miss., writes: Kodol has cured me. I consider it the best remedy I ever used for dyspepsia and stomach troubles. I was given up by physicians, Kodol saved my life. Take it after meals. Jno. L. Wooten.

There is nothing more costly than experience, and yet everybody has to have it regardless of the price.

Not Over-Wise.

There is an old allegorical picture of a girl scared at a grass-hopper, but in the act of heedlessly treading on a snake. This is paralleled by the man who spends a large sum of money building a cyclone cellar, but neglects to provide his family with a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy as a safeguard against bowel complaints, whose victims outnumber those of the cyclone a hundred to one. This remedy is everywhere recognized as the most prompt and reliable medicine in use for these diseases. For Sale by Wooten's Drug Store, Greenville, and Farmville Pharmacy Farmville, N. C.

The reason that chickens are the most religious fowls in the world is because so many of them enter the ministry.

Dysentery Cured Without the Aid of a Doctor.

"I am just up from a hard spell of the flux" (dysentery) says Mr. T. A. Pinner, a well known merchant of Drummond, Tenn. "I used one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. I consider it the best cholera medicine in the world." There is no need of employing a doctor when this remedy is used, for no doctor can prescribe a better medicine for bowel complaint in any form either for children or adults. It never fails and is pleasant to take. For sale by Wooten's Drug Store, Greenville, and Farmville Pharmacy, Farmville.

There are some men on whom praise has no effect.

Boy Cured of colic After Physician's Treatment Had Failed.

My boy when four years old was taken with colic and cramps in his stomach. I sent for the doctor and he injected morphine, but the child kept getting worse. I then gave him half a teaspoonful of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and in half an hour he was sleeping and soon recovered.—F. L. Wilkins, Shell Lake, Wis. Mr. Wilkins is book keeper for the Shell Lake Lumber Co. For sale by Wooten's Drug Store, Greenville, and Farmville Pharmacy, Farmville.

Leave your relatives plenty of money if you want their flowers on your grave.

Beware of the Knife.

No profession has advanced more rapidly of late than surgery, but it should not be used except where absolutely necessary. In cases of piles for example, it is seldom needed. DeWitt's Witch Hazel Salve cures quickly and permanently. Unequalled for cuts, burns, bruises, wounds, skindiseases. Accept no counterfeits. "I was so troubled with bleeding piles that I lost much blood and strength," says J. C. Phillips, Paris, Ill. "DeWitt's Witch Hazel Salve cured me in a short time." Soothes and heals. Jno. L. Wooten.

The tongues of some people become younger as they grow older.

Lingering Summer Colds.

Don't let a cold run at this season. Summer colds are the hardest kind to cure and if neglected may linger along for months. A long sledge like this will pull down the strongest constitution. One Minute Cough Cure will break up the attack at once. Safe sure acts at once. Cures coughs, colds, croup, bronchitis, all throat and lung troubles. The children like it. John L. Wooten.

If you are right you needn't tell everybody about it.

A Liberal Offer.

The undersigned will give a free sample of Chamberlain's Stomach and Liver Tablets to any one wanting a reliable remedy for disorders of the stomach, biliousness or constipation. This is a new remedy and a good one. Wooten's Drug Store Greenville, Farmville Pharmacy, Farmville.
