Winterville Commencement.

The public will be admitted free to all the exercises of the Winterville High School commencement this week, except the closing concert Friday night. For admission to the latter there will be a small charge of 25 cents for adults and 15 cents for children. No one will be admitted without a ticket.

Each member of the families represented in the school and the Tar Heel band will be given tickets. All others will be charged. This method of admission by tickets is adopted so as to prevent overcrowding like the past commencements and to give those who get seats a chance to enjoy the exercises without being disturbed by people standing up.

AYDEN ITEMS.

AYDEN, N. C. May, 10, 1904.

Julius Lyon, a student in the military school at Kinston has been on a visit to his parents here.

Mrs. Jesse Stocker came home Monday morning from a visit down the road.

Mrs. Aza Ellis, who has been visiting in Kinston, has returned.

The amount of proceeds realized for the Free Will Baptist Seminary from Henry Blount's lecture last Wednesday night was about ten dollars which goes toward paying for a piano for the seminary. Much credit is due Misses Annie Joyner and Myrtle Moon for their zeal manifested in this noble cause.

J. A. L. Templeton read an interesting paper at the Free Will Baptist Seminary last Sunday afternoon, illustrating the steps from the Alpha to the Omega of a drinking course. We have heard it very highly complimented.

Mrs. D. G. Berry and Miss Olivia Berry returned Friday evening from an extended visit to Scotland Neck and other points.

E. G. Cox and Fred Buhman left Saturday for Kinston and Raleigh from whence they will go to Durham as representatives to the Grand Lodge of Odd Fellows now in session. Mr. Buhman will visit Greensboro before his return.

Mrs. Edward Carman had garden peas and new Irish potatoes for dinner the first Sunday in May.

Strawberries were in abundance on our streets Saturday at ten cents per quart. They were fine too.

Miss Annie Dudley went to Greenville Saturday to visit friends.

J. E. Green, of Winterville, greeted us from the train Saturday on his return home from Grifton.

Advertising Pays—E. G. Cox says while he was riding along through Greene county last week a gentleman hailed him and said "I see in the Ayden department that you represent certain insurance companies which I consider the best. Come up to the house, Mr. Cox complied and had the gratification of writing two policies for a nice sum each, one for the gentlemen and one for his wife. Mr Cox is a strong advocate of printer's ink, as are all other good business men.

J. L. Keene, of Grifton, was here Monday on business.

Mrs. Jesse Quinerly and Miss Rosa Quinerly, of Centerville, were here yesterday.

Had if we are not mistaken, there is a whispering and the sound thereof is the consideration of a cotton seed oil mill.

Miss Daisy Carman and Mrs. J. E. Cannon were in town Monday.

MEMORIAL DAY.

Reunion of Confederate Veterans.

One of the lessons learned by old soldiers on the battle field was "never mind the weather." Men who feared not to face cannon, would not be likely to flinch before a thunder storm and rain, hence the old soldiers gathered in large number here today, even though the morning brought both storm and rain.

At 10 o'clock Bryan Grimes Camp of Confederate Veterans met in the court house and called the roll and transacted such business as was before them. At 11 o'clock they formed in line and marched under the command of Maj. H. Harding to the new opera house in Masonic temple where the public exercises were held. There was a large number of veterans in line and each wore an appropriate badge.

The stage in the opera house had as a background a large United States flag, and in front was a pyramid decorated with Confederate flags. The Daughters of the Confederacy had preceded the veterans to the opera house and occupied seats reserved for them.

At the opera house the program as previously published was carried out, the only change being that Mayor H. W. Whedbee who was to welcome the veterans had been called out of town and Solicitor L. I. Moore delivered the address in his stead. Both his welcome, and the introduction of the speaker by Mr F. C. Harding were couched in eloquent and beautiful language.

The opera house was filled to its full capacity, and all present enjoyed the excellent speech of Gen. W. B. Cox. In his speech he paid glowing tribute to the valor of the Confederate veterans, and also the part taken in conducting the affairs of the nation by men coming from the ranks of the Confederacy. The administration was never so well managed, he said, as when this country was represented in the court of every prominent foreign nation by a man from the South and two Southern men were members of the cabinet.

At the conclusion of Gen. Cox's speech, Mrs. T. J. Jarvis, in behalf of the daughters of the Confederacy, presented him with a magnificent bouquet.

After the exercises in the opera house the procession formed and marched to the cemetery to decorate the graves of soldiers, then returned to the court house lawn where dinner was prepared for the veterans.

The Osceola Band furnished music for the day's exercises.

WASHINGTON LETTER.

WASHINGTON, D. C., MAY 7, 1904.

Secretary Taft, in an interview with your correspondent a few months ago, attempted to justify the subjugation of the Philippines by "the seizure of Louisiana under the purchase," as he termed it. I suggested that the Louisiana province was not seized, but was appropriated with the full consent of the people who dwelt there. I see that the Governor is out again exploiting the Louisiana Purchase as a justification of our criminal aggression in the east. Does he not remember that Jefferson refused to use force in Louisiana and that he sent Governor Claiborne as a commissioner to ascertain the wishes of the people? Governor Claiborne went to New Orleans and consulted the population, and, after obtaining authority to exchange the French flag for the American; reported to President Jefferson, "we raised the stars and stripes yesterday amid the acclamations of the inhabitants." Governor Taft knows perfectly well that that is not the way the stars and stripes were raised in various sorts of the Philippine Islands while he was governor there. Acclamations in stead of execrations! Does he really think there is at least a resemblance between the two?

There is no doubt that the tariff question in its various phases will be prominent in the platforms of both parties and in the fall campaign. The republicans will exclaim, "We stand pat! But when we think the tariff needs revision, we'll revise it." The democrats will retort that a party which has maintained an unjust law is not a party to the Senate leader of finance, was greatly annoyed by Charles M. Schwab's letter demonstrating that steel rails sold to Americans for \$28 a ton were, under the tariff, delivered in England for \$19 a ton, a clear perspired, quibbled, and even denied but made no effort whatever to disprove the assertion. This revelation will enter into the campaign as well as the potency of the tariff as a trust-breaker.

The Hearst boomers met with a Waterloo defeat yesterday at the precinct election here. It seems odd that in the capital of this great republic that is the only kind of election that is ever held—an expression about as valuable as the straw vote taken on railroad cars. Self government does not exist in this district. We are taken care of like helpless children by three nurses called commissioners appointed by the president who tax us and spend ten million dollars every year ostensibly for our health and comfort. There are signs of a revolt against this state of things as a good many of our people are willing to face the perils of self government rather than to continue the meek and helpless subjects of an oligarchy.

It is very curious that, although Porto Rica is said to belong to the United States, a Porto Rican has none of the privileges of a citizen of the United States. A native of Porto Rico who is a graduate of Cornell University and Law School, writes me that he is denied the right to be examined for the New York bar on the sole ground that he is not a citizen of the United States. Neither a Porto Rican nor

Filipino can be admitted to the bar in this city. I inquired at the State Department yesterday if a Porto Rican could get a passport to enable him to travel in Europe and they said no; the only protection he could have would be a passport from the governor of Porto Rico—about as much protection in Russia or Turkey as a passport from the governor of Arizona would be. And this is justice!

Newspaper Loyalty.

If all the people of the country were as loyal to every interest that affects them as the newspapers are to their towns, counties and state, there would be a wonderful difference in things. The newspapers of North Carolina, and of other states as well, daily and weekly, city or country papers, show more genuine loyalty to the communities, towns and cities in which they labor than any other institutions or enterprises that have to do with the public interest. When did one ever read anything in a local or state paper that reflected on the locality or the state except in the purpose and hope of doing good? Sometimes papers have to print news that is unpleasant but the editors and managers bear more of such unpleasantness than any one else.

Every worthy enterprise is encouraged by the paper or papers of the town or city, and in many cases the papers take the lead in promoting good enterprises even when there is no difference to the paper, in matters of dollars and cents, whether such enterprise succeeds or not. If as many persons would say good things for a local paper, for the people in the town and community they would take more interest in reading and supporting the paper themselves. There is no question about the fact that newspapers are more loyal to towns and communities than towns and communities are to papers. There are many ways in which the public could be helpful to papers without cost of sacrifice, and in view of the loyalty of papers to their communities they ought to do it. Above all, every man in the community ought to keep his accounts square with his newspaper.—Scotland Neck Commonwealth.

BENSONIZER LUNG CURE.

NO MORE EXILE FOR CONSUMPTIVES.

A Cure at Last Obtained, After a Searching Investigation, by St. Louis Interests.

A few months ago the attention of a few scientific and philanthropic gentlemen of St. Louis was directed to an entirely new method of combating that most dreadful of all diseases, tuberculosis, commonly called consumption. Out of 115 test cases, 77 were completely cured and 28 have shown such improvement that their ultimate recovery is but a question of a few weeks.

So astonishing have been the results and absolute cures in cases pronounced incurable by all old methods that a company has been formed and is now prepared to furnish at a normal cost, this cure to all sufferers of the "White Plague." One of its chief features is that patients can remain at home, surrounded by friends and relatives, and in a great many instances, especially the incipient or early stages of the disease, pursue their daily vocations and still become completely cured.

Patients receiving the same treatment here in St. Louis have completely recovered as rapidly as those in Colorado, New Mexico and Texas. The wonderful results in question have been accomplished by the Bensonizer, and the company which controls this marvelous medical device have relocated their main office at 417 North Seventh street, St. Louis. They have also located a factory on Easton Avenue and a laboratory has been built at Hillside, Mo. The cure will be known as the Bensonizer Lung Cure, and Mr. C. P. Benson, the discoverer of the fluid inhalants which are used, will personally have charge of the affairs of the company. Mr. Benson will personally meet all who call at the office of the company on Seventh street, and will answer all communications from sufferers who are unable to make a personal call. -From the St. Louis Globe Democrat.

Free booklet on request.

When The Sap Rises

Weak lungs should be careful. Coughs and colds are dangerous then. One Minute Cough Cure cures coughs and colds and gives strength to the lungs. Mrs. G. E. Fenner, of Marion, Ind., says, "I suffered with a cough until I ran down in weight from 148 to 92 lbs. I tried a number of remedies to no avail until I used One Minute Cough Cure. Four bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my normal weight, health and strength." Sold by J. L. Wooten.

A Cure For Piles

"I had a bad case of piles," says G. F. Carter, of Atlanta, Ga., and consulted a physician who advised me to try a box of DeWitt's Witch Hazel Salve. I purchased a box and was entirely cured. It is splendid for piles, giving relief instantly, and I heartily recommend it to all sufferers." DeWitt's Witch Hazel Salve is unequalled for its healing qualities. Eczema and other skin diseases, also sores, cuts, burns and wounds of every kind are quickly cured by it. Sold by J. L. Wooten.

Joe L. Wooten

Whooping Cough

"In the spring 1904 my children had whooping cough," says Mrs D. W. Capps, of Capps, Ala. "I used Chamberlain's Cough Remedy with the most satisfactory results. I think this is the best remedy I have ever seen for whooping cough. This remedy keeps the cough loose, lessens the severity and frequency of the coughing spells and counteracts any tendency toward pneumonia. For sale at Wooten's Drug Store, Greenville; R. L. Davis & Bro., Farmville.

A Sure Thing

It is said that nothing is sure except death and taxes, but that is not altogether true. Dr. King's New discovery for consumption is a sure cure for all lung and throat troubles. Thousands can testify to that. Mrs. C. B. Van Metre of Shepherdston, W. Va. says "I had a severe case of Bronchitis and for a year tried everything I heard of, but got no relief. Whiskey and Beer Habit

PERMANENTLY CURED BY "ORRINE,"

A SAFE, SURE AND HARMLESS SPECIFIC

Physicians pronounce drunkenness a disease of the nervous system, creating a morbid craving for a stimulant. Continued indulgence in whiskey, beer or wine eats away the stomach lining and stupefies the digestive organs, thus destroying the digestion and ruining the health. No "will power" can heal the inflamed stomach membranes. "ORRINE" permanently removes the craving for liquor by acting directly on the affected nerves, restoring the stomach and digestive organs to normal conditions, improving the appetite and restoring the health. No sanitarium treatment necessary; "ORRINE" can be taken at your own home without publicity. Can be given secretly if desired.

CURE GUARANTEED OR MONEY REFUNDED.

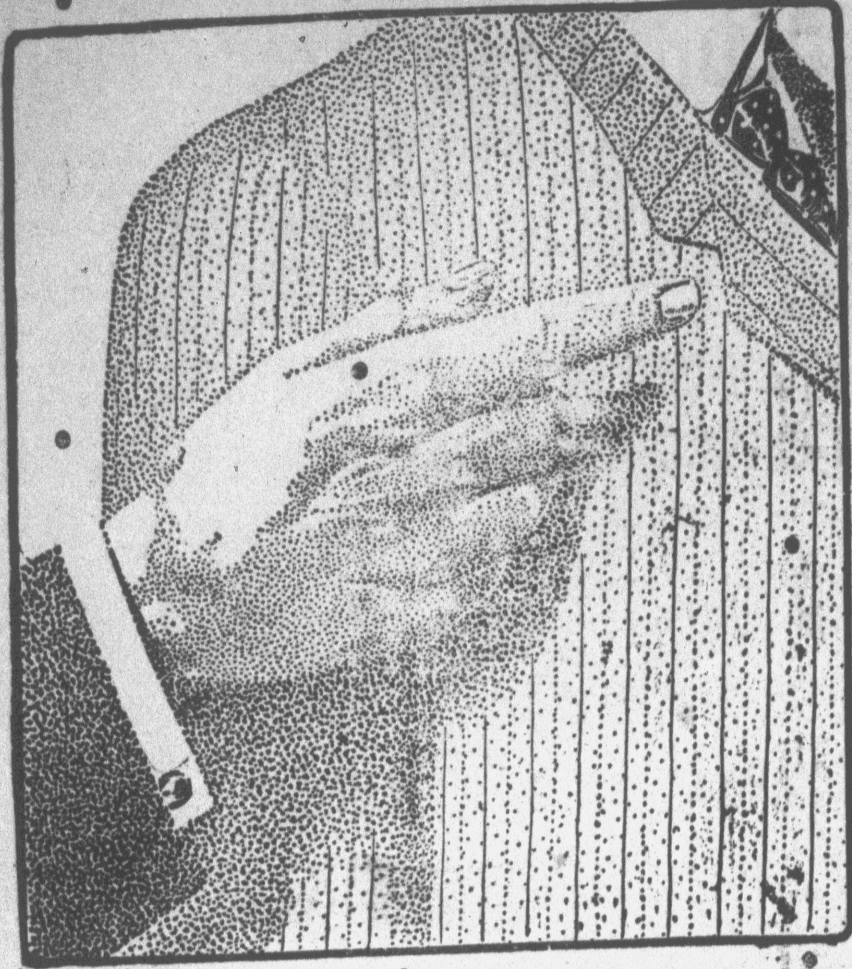

Mrs. E. Wycliff, New York City, writes: "ORRINE cured my husband, who was a steady drunkard for many years. He now has no desire for stimulants, his health is good and he is fully restored to manhood. He used only five boxes of 'ORRINE'."

Mrs. W. L. D., Helena, Mont., writes: "I have waited one year before writing you of the permanent cure of my son. He took sanitarium treatment, as well as other advertised cures, but they all failed until we gave him 'ORRINE.' He is now fully restored to health and has no desire for drink."

Mr. A. E. L., Atlanta, Ga., writes: "I was born with a love of whiskey and drank it for thirty-two years. It finally brought me to the gutter, homeless and friendless. I was powerless to resist the craving and would steal and lie to get whiskey. Four boxes of 'ORRINE' cured me of all desire and I now hate the smell of liquor."

Price \$1 per box. Mailed in plain, sealed wrapper by Orrine Company, 317 14th St., Washington, D. C. Interesting book - Treatise on Drunkenness, (sealed free on request. Sold and recommended by J. W. BRYAN, Druggist, Greenville, N. C.

What the Texas Farmer Forgot.

A story is going the rounds regarding a farmer who is greatly troubled with absentmindedness. On the way home from town, so the story goes, the thought came to him that he had forgotten something. He took out his notebook, went over every item and checked it off. He saw that he had made all the purchases he had intended. But as he drove on he could not put the feeling aside. When he arrived home and drove up to the house his daughter came to meet him, and with a look of surprise, asked, "Why, where is ma?"—Rice Rustler.

Meeting of Superintendents.

The District Association of county superintendents, embracing twenty counties, will meet in the graded school building tomorrow night at 8:15 o'clock. It will continue through Thursday and Thursday night. A cordial invitation is extended to every body to attend these meetings. Let the people in town especially be present and show their interest in the educational progress of the town and county. An interesting program has been arranged and you will be glad that you were present at the meetings.

How's This for Hard Luck?

A man was shaving himself and he accidentally cut off half of his nose; he dropped the razor, and as he did so, the razor cut off his toe. He was in such a hurry to stick his toe and his nose on, that he stuck his nose on the place where the toe ought to be, and stuck his toe where his nose properly belonged. Now, whenever he wants to blow his nose, he has to take off his shoe and stocking. He sneezed the other day and his shoe flew off and hit a lady in the face.

Caught a Fine Bunch.

J. G. Moyer and the editor spent Monday at Wharton's, and in company with W. R. Whichard and H. M. Dixon enjoyed a fishing trip in Tranter's Creek. Wind and tide were both contrary, making it what old fishermen call a bad day for bites, but by patiently sticking to it a good string was landed, most of them very fine specimens of the funny tribe. Tranter's Creek is an ideal place for fishing.
