TUESDAY AFTERNOON, JUNE 7, 1904.

How quiet it has become in North Carolina now. Three days without a new sensation,

The board of county commissioners made a good step in the interest of tax payers. A reduction of 2 1/2 cents on each \$100 of valuation, 8 cents on each poll, and 10 cents on each \$100 in stock law territory south of the river, was made at their meeting Monday. Good for the commissioners! We expect to give some more good news of this character when the new board of aldermen levy taxes for the town.

The result of the election for aldermen removes the last straw at which the whiskey advocates caught in their efforts to prevent the establishment of a dispensary in Greenville. They were defeated at the dispensary election in March, they were again defeated in the injunction brought to restrain the town from establishing the dispensary, and now they have been defeated in an effort to elect a board of aldermen favorable to open saloons. So it goes without saying that the dispensary will be established and be given a fair trial under an administration favorable to it.

One of the smallest things in which opponents of the Watts law are engaged is their effort to array the people of the country against it by telling them that wherever dispensaries are established they are only for the benefit of towns having them and that the county gets no part of the proceeds. Such statements are made only for the purpose of deceiving the people. It is well known to all who are informed on the law that it provides that one half the profits arising from a dispensary go into the general fund of the town in which it is established, while the other half is turned into the county treasury to be used for the public schools. Thus it is seen that one half the profits of a dispensary go to the county and the entire county gets the benefit of it. Any statements to the contrary are false and made with a purpose to deceive.

Do the Birds Cease From Labor on the Lord's Day?

A story, the truthfulness of which is vouched by a number of reputable witnesses, come from Currituck county will make a good text for some one who wishes to preach on Sunday observance.

Mr. A. J. Davis relates the story which is as follows: Last Thursday his sister, Mrs. Edward Forbes who lives near Jarvisburg, in Currituck county noticed a little wren in her dining room evidently in search of some place to build its nest. Finally she selected a place on a shelf near the table and at once commenced industriously to work on the nest. The work she continued all day Friday and on Saturday two other little wrens came in to assist Miss Jennie in her work and the three of them labored hard all day to complete the work. It was not completed Saturday and when the evening shade fell the work stopped. The nest was watched all day Sunday and whether it was a coincident or not is not known, but not a single one of the birds appeared and not a straw was laid in the nest all during Sunday. Nothing was thought of it at the time and it was supposed that the birds had become frightened and decided to build elsewhere. On Monday morning, however, bright and early the three birds appeared and commenced their work on the nest and never stopped until it was completed.

Mr. Davis says the truthfulness of this can be substantiated by several persons who were present. He says he does not pretend to say that the birds knew it was Sunday and stopped on that day, but gives the actual facts and allows the public to draw their own conclusions.—Elizabeth City Economist.

Lots of people in this region still believe that Captain Kidd's treasure is buried on this coast. It has been dug for many a time by some folks but they got nothing out of the ground. In the meantime others have picked up \$1,500,000 this Spring by searching among the strawberry vines.—Wilmington Star.

The secretary of state finds that since 1900, when the present administration came in more charters have been granted than during all the time previous to that date. Up to 1900 the total number was only 1,157. The number now is 2,825. The secretary is very much gratified at this fine showing.

Cleanliness our Motto.

There was an excursion from Concord to this place the other day and doubtless a number of the country people of that section took advantage of the opportunity to come to Greensboro at reduced rates of fare. As the excursionists filed up Elm street from the railway station some one asked the question, "Where did all these strangers come from?" A smart young man answered, "They look like country hobs to me." It is more than probable that this six dollar clerk either came from the country himself or his parents did, and it is doubtful if upon examination he would be found to be much credit to his country origin, although he may wear store clothes, a Panama hat and passionate socks. It is true that some of our country friends have deep furrows in their sun-browned faces, their trousers may be a little too short (some town merchant probably told him they were just a fit), and the coat and hat may not be such as a Beau Brummel would wear. The girls, frocks may not be of the latest creation of a Parisian modiste. But for all these little non-essential defects, the mainstay of the whole business is the country people and their products. The business life of the cities gets and maintains its vitality by means of the infusion of fresh young healthy blood from the country. God bless you, country people. Come to town whenever you can and enjoy yourselves. You have the respect and good wishes of all right-minded citizens.—Greensboro Record.

A Panama Canal is an expensive luxury. The plates are now being prepared at the printing and engraving bureau of the treasury department for the issue of panama Canal bonds amounting to \$130,000,000 authorized by congress. They will bear the portrait of the late Senator Hanna in grateful recognition of his service in getting the canal treaty through, and of his method of getting into the senate. When congress meets again the secretary will ask that they be rendered un-laxable and be called consols—this last, of course, being a delicate to adyism—refined in increase at the foot of the British throne. These bonds are not to be issued immediately; the secretary only wants the plates ready to pass when it is necessary to take up the collection.

Just before the Supreme court dissolved for the summer it decided the case of Dorr and Brien of Manila. They were convicted and sentenced for libel and were denied the right of a jury trial, though they were Americans born and reared. Five of the court confirmed that verdict; four opposed it. Justice Harlan held that the Philippines were part of the United States; that the constitution extended to those islands and that the right of a jury trial was a fundamental right and could not be taken away by congress. He declared that an amendment of the constitution by the Supreme court was a most dangerous step leading to unseen perils.

About nine-eighths of what people say doesn't amount to anything

A Sure Thing

It is said that nothing is sure except death and taxes, but this is not altogether true. Dr. King's New discovery for consumption is a sure cure for all lung and throat troubles. Thousands can testify to that. Mrs. C. B. Van Metre of Shepherdstown, W. Va. says "I had a severe case of Bronchitis and for a year tried everything I heard of, but got no relief. One bottle of Dr. King's New Discovery then cured me absolutely." It's infallible for Croup, Whoop Cough, Grip, Pneumonia and Consumption. Try it. It's guaranteed by J. L. Wooten, Druggist. Trial bottles free. Reg. ze 50c \$1

Most people can drive a bargain much easier than they can drive a nail.

Chamberlain's Stomach and Liver Tablets Better than a Doctor's Prescription.

Mr. J. W. Turner, of Trubart, Va., says that Chamberlain's Stomach and Liver Tablets have done him more good than anything he could get from the doctor. If any physician in this country was able to compound a medicine that would produce such gratifying results in cases of stomach troubles, biliousness or constipation, his whole time would be used in preparing this one medicine. For sale by Wooten Drug Store, Greenville; R. L. Davis & Bros, Farmville.

The mantle of charity is often made of gauze and soon wears out.

When The Sap Rises

Weak lungs should be careful. Coughs and colds are dangerous then. One Minute Cough Cure cures coughs and colds and gives strength to the lungs. Mrs. G. E. Fenner, of Marion, Ind., says, "I suffered with a cough until I run down in weight from 148 to 92 lbs. I tried a number of remedies to no avail until I used One Minute Cough Cure. Four bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my normal weight, health and strength." Sold by J. L. Wooten.

More men are ruined by foolish friends than by wise enemies.

A Startling Test,

To save a life, Dr. T. G. Merritt of No. Mehoopany, Pa., made a startling test resulting in a wonderful cure. He writes, a patient was attacked with violent hemorrhages, caused by ulceration of the stomach. I had often found Electric Bitters excellent for acute stomach and liver troubles so I prescribed them. The patient gained from the first, and has not had an attack in 14 months." Electric Bitters are positively guaranteed for Dyspepsia, Indigestion, Constipation and Kidney troubles. Try them. Only 50c at Wooten's Drug Store.

Opera glasses are those you go out for between the acts.

Thrown From A Wagon.

Mr. George K. Babcock was thrown from his wagon and severely bruised. He applied Chamberlain's Pain Balm freely and says it is the best liniment he ever used. Mr. Babcock is a well known citizen of North Plain, Conn. There is nothing equal to Pain Balm for sprains and bruises. It will effect a cure in one-third the time required by any other treatment. For sale by Wooten's Drug store Greenville, R. L. Davis & Bros, Farmville.

He jeests at scars who never turned a base ball game.

Triumphs of Modern Surgery.

Wonderful things are done for the human body by surgery. Organs are taken out and scraped and polished and put back, or they may be removed entirely; bones are spliced; pipes take the place of diseased sections of veins; anti-septic dressings are applied to wounds, bruises, burns and life injuries before inflammation sets in, which causes them to heal without maturation and in one-third the time required by the old treatment, Chamberlain's Pain Balm acts on this same principle. It is an antiseptic and when applied to such injuries, causes them to heal very quickly. It also allays the pain and soreness. Keep a bottle of Pain Balm in your home and it will save you time and money, not to mention the inconvenience and suffering which such injuries entail. For sale by Wooten's Drug Store, Greenville, R. L. Davis & Bros, Farmville.

Sued by His Doctor

"A doctor here has sued me for \$12.50, which I claimed was excessive for a case of cholera morbus," says R. White, of Coachella, Cal. "At the trial he praised his medical skill and medicine." I asked him if it was not Chamberlain's Colic, Cholera and Diarrhoea Remedy he used as I had good reason to believe it was, and he would not say under oath that it was not." No doctor could use a better remedy than this in a case of cholera morbus, it never fails. Sold by Wooten's Drug Store, Greenville, R. L. Davis & Bros, Farmville.

A beautiful girl is one who is pretty and doesn't know it.

A Cure For Piles

"I had a bad case of piles," says G. F. Carter, of Atlanta, Ga., and consulted a physician who advised me to try a box of DeWitt's Witch Hazel Salve. I purchased a box and was entirely cured. It is splendid for piles, giving relief instantly, and I heartily recommend it to all sufferers." DeWitt's Witch Hazel Salve is unequalled for its healing qualities. Eczema and other skin diseases, also sores, cuts, burns and wounds of every kind are quickly cured by it. Sold by J. L. Wooten.

BENSONIZER LUNG CURE

NO MORE EXILE FOR CONSUMPTIVES.

A Cure at Last Obtained, After a Searching Investigation, by St. Louis Interests.

A few months ago the attention of a few scientific and philanthropic gentlemen of St. Louis was directed to an entirely new method of combating that most dreadful of all diseases, tuberculosis, commonly called consumption. Out of 115 test cases, 77 were completely cured and 28 have shown such improvement that their ultimate recovery is but a question of a few weeks.

So astonishing have been the results and absolute cures in cases pronounced incurable by all old methods that a company has been formed and is now prepared to furnish at a normal cost, this cure to all sufferers of the "White Plague." One of its chief features is that patients can remain at home, surrounded by friends and relatives, and in a great many instances, especially the incipient or early stages of the disease, pursue their daily vocations and still become completely cured.

Patients receiving the same treatment here in St. Louis have completely recovered as rapidly as those in Colorado, New Mexico and Texas. The wonderful results in question have been accomplished by the Bensonizer, and the company which controls this marvelous medical device have located their main office at 417 North Seventh street, St. Louis. They have also located a factory on Easton avenue and a laboratory has been built at Hillside, Mo. The cure will be known as the Bensonizer Lung Cure, and Mr. C. P. Benson, the discoverer of the fluid inhalants which are used, will personally have charge of the affairs of the company. Mr. Benson will personally meet all who call at the office of the company on Seventh street, and will answer all communications from sufferers who are unable to make a personal call.—From the St. Louis Globe Democrat.

THE ULTRA SHOE.

The salient features of The Ultra are its fine workmanship, excellence of material, desirability of style, and elegance of fit and consequent comfort to the wearer. These form the sine qua non of desirable footwear.

In addition The Ultra is equipped with our patent cushion insole, a device which gives the shoe flexibility and durability, insuring a maximum of ease and comfort to the wearer, and protecting the foot from the ill effect of the hot sidewalks of summer as well as from the dampness of wet weather. This feature alone is well worth the price of the shoe.

We present a wide range in styles and finish, and are able to meet the requirements of the most fastidious as well as the more conservative patron and we invite a thorough inspection of our line. Ultra in name, Ultra in character, Ultra in every feature that contributes to fit, comfort and style. In finish, material and workmanship we are proud to present to all lovers of good taste in footwear a shoe for which we have never yet had to make an apology.
