Woman to be Hanged.

Trenton, N. J., June 8.—By one dissenting vote the court of pardons, after two hours of deliberation, refused today to commute to life imprisonment the sentence of Anna Valentine, the Bergen county woman, convicted of the murder of Rosa Sosna. She will be hanged June 15 unless the case is carried to the court of errors and appeals. It is said to be more than twenty-five years since a woman has been hanged in New Jersey.

This is the way a Kentucky judge charged the jury the other day: "If you believe what the counsel for the plaintiff have told you, your verdict will be for the plaintiff, but if on the other hand, you believe what the defendant's counsel has told you, you will give your verdict for the defendant. But if you are like me and don't believe what either of them said, I don't know what you will do. The jury disagreed.—Exchange.

LOOK AT COWARD.

EDITOR REFLECTOR:

There seems to be much difference of opinion as to who shall be the nominee for sheriff this year.

I think it will be easy to settle this question. I have just learned that H. L. Coward, one of our retired warehousemen, will serve if he is nominated. All whose good fortune it has been to meet him know that he is blessed with a good nature, is rather good looking, and will make a capital good officer. He can make a good canvas and has lots of time. So gentlemen, when you come down to the convention, if you don't know the man look him up and look at him, and I am sure you will like him.

VOTER FROM F.

Log Cabin Philosophy.

What's the use cryin' over spilled milk? 'Twould have got sour anyhow, and, ten to one, it was half water.

If we spent less time in growlin' at the world, and more in trying to make it better, we'd pull through like a railroad train on smooth rails.

Half the trouble in this world is in thinking that it's comin'. When it does come, it's never so great but we can bear it, with the hope of shouting halleluia by and by.

There's no use in looking on life as a dream. The fellow that spends it dreaming has to dodge the bailiffs and never has enough cash for the gas bill.—Atlanta Constitution.

Four Days of Battle.

Chefoo, June 9.—The Chinese, both merchants and coolies, are leaving Port Arthur with the permission of the Russian authorities. Fifty junks which left Port Arthur yesterday with Chinese passengers are now arriving here. The reports of the latest arrivals vary in minor details, but agree in a general statement that a battle has been raging for four days within ten miles of Port Arthur. All the Russian soldiers have, it is said, left Port Arthur for the front and only three large ships and a number of small ones remain in the harbor. The Chinese are unable to explain what has become of the other large ships.

It is further reported that all the forts at Port Arthur have been more or less damaged by recent bombardments, and that a number of mines recently laid in the entrance to the harbor were exploded during a thunderstorm.

Another Convention.

The county convention Saturday is not to nominate county officers, but only to select delegates to the state and congressional conventions. The nominating convention will be held later.

THURSDAY AFTERNOON, JUNE 9, 1904.

Glenn ahead, Steadman ahead. These are headings read in the newspapers in the same day. It is going to take the Greensboro convention to show which one is really ahead.

We see in the Charlotte papers that Mr. W. F. Harding, formerly of Greenville, is among the speakers who are making a vigorous canvas in the anti whiskey campaign now in progress in that city. You can always count on Will Harding being in the forefront of the fight for moral issues.

"Because the democrats can elect anybody they put up it no reason why they should put up anybody," is the way the Durham Herald expresses a truth. Something in this the democrats of Pitt county should consider when they go to nominate candidates for county officers.

The anti-saloon campaigns in Charlotte and Wilmington will be watched with much interest throughout the state. In nearly all towns where such elections have been held the moral forces have been victorious, and the result in these two largest cities of the state will indicate to what extent the temperance sentiment prevails in them. We believe the time is fast approaching when there will be no open saloons in North Carolina.

Something good is coming out of the efforts of the retail merchants' associations in this state. The associated railways, an organization composed of the Southern Railway, the Atlantic Coast Line and the Seaboard Air Line, had proposed an increase in freight rates on staple goods in less than car lots, the rate to go in effect July 1st. A storm of protest was raised against the proposed advance in freight rates; this protest coming chiefly through the retail merchants' associations, and the result the railroads have postponed the idea indefinitely. This is one instance that shows what can be accomplished through organization and concert of action. Other things could as easily be brought about. The REFLECTOR believes the association in Greenville could get better train schedules and better service if they went at the matter right.

It appears that while Judge Parker is not talking he is working. From more than one reliable New York source The Washington Post learns that Parker is personally managing his presidential campaign and that he is doing it in a manner which commands the admiration of Democratic politicians privileged to know what the moves on the political chess board are. He makes frequent trips to New York city, is in consultation with leading politicians there, in fact, has regular places of rendezvous with his lieutenants. Furthermore, he resents the talk of his being Hill's man. A few days ago he remarked to a prominent Democrat who called to see him: "I am no man's man." This was said with much spirit when the subject of Hill's connection with his campaign was mentioned.—Charlotte Chronicle.

MORE FITTABLE TO BE A BRICK LAYER.

The New York Herald estimates that the annual income in this country averages, for doctors, \$1,500; preachers, \$1,200; lawyers, \$1,500; teachers, \$700; college professors, \$1,200; newspaper men, 1,200; musicians, \$1,000 architects, \$1,200; actors, \$1,800; bricklayers, \$2,000 a year when they work steadily. Notice that the bricklayers head the list.—Biblical Recorder.

WRITTEN ABOUT WOMEN.

A man never so bountifully shows his own strength as when he respects a woman's weakness.—Douglas Jerrold.

One can, to almost a laughable extent, infer what a man's wife is like from his opinion about women in general.—A. R. H.

They govern the world, these sweet voiced women, because beauty and harmony are the index of a larger fact than wisdom.—O. W. Holmes.

The best thing I know of is a first rate wife. And the next best thing is a second rate one.—Josh Billings

All women are good—good for something, or good for nothing.—Cervantes.

Unhappy is the man to whom his own mother has not made all other mothers venerable.—Richter.

A beautiful woman is the only tryant man is not authorized to resist.—Victor Hugo.

They say man was created first. Well, suppose he was—ain't first experience always failures.—Amon.

A curious fact—Satan deprived Job of everything except his wife.—Observer.

A good book and a woman are excellent things for those who know how to appreciate their value. There are men, however, who judge of both by the beauty of the covering.—Dr. Johnson.

For sick headache take Chambrin's Stomach and Liver Tablets and a quick cure is certain. For sale by Wooten's Drug Store, Greenville; R. L. Davis & Bro, Farmville.

ask the readers of this paper to
test the value of Kodol Dyspepsia
cure. Those people who have
had it and who have been cured
by it, do not hesitate to recommend
it to their friends. Kodol digests
what you eat, cures indigestion,
dyspepsia and all stomach troubles.
Increases strength by enabling the
stomach and digestive organs to
contribute to the blood all of the
nutriment contained in the food.
Kodol Dyspepsia Cure is pleasant
and palatable.

Every old woman likes to tell how
beautiful she was when she was a
girl.

If you want to get up early and
feel good all day take a Little Early
Riser or two at bed time. These
famous little pill relax the nerves,
give quiet rest and refreshing sleep
with gentle movement of the bow-
els about breakfast time. W. H.
Howell, Houston, Tex., says "Early
Risers are the best pills made for
constipation, sick headache,
biliousness, etc." Sold at Wooten's

Sued by His Doctor

"A doctor here has sued me for
\$12.50, which I claimed was ex-
cessive for a case of cholera mor-
bus," says R. White, of Coachella,
Cal. "At the trial he praised his
medical skill and medicine. I
asked him if it was not Chamber-
lain's Colic, Cholera and Diar-
rhoea Remedy he used as I had
good reason to believe it was, and
he would not say under oath that
it was not." No doctor could use
a better remedy than this in a
case of cholera morbus, it never
fails. Sold by Wooten's Drug
Store, Greenville, R. L. Davis &
Bros. Farmville.

Thrown From A Wagon.

Mr. George K. Babcock was
thrown from his wagon and
severely bruised. He applied
Chamberlain's Pain Balm freely
and says it is the best liniment he
ever used. Mr. Babcock is a well
known citizen of North Plain,
Conn. There is nothing equal to
Pain Balm for sprains and bruises.
It will effect a cure in one-third
the time required by any other
treatment. For sale by Wooten's

Chamberlain's Stomach and Liver Tablets Better than a Doctor's Prescription.

Mr. J. A. Turner, of Truhart,
Va., says that Chamberlain's Stom-
ach and Liver Tablets have done
him more good than anything he
could get from the doctor. If any
physician in this country was able
to compound a medicine that would
produce such gratifying results in
cases of stomach troubles, bilious-
ness or constipation, his whole
time would be used in preparing
this one medicine. For sale by
Wooten Drug Store, Greenville; R.

Triumphs of Modern Surgery.

Wonderful things are done for
the human body by surgery. Or-
gans are taken out and scraped
and polished and put back, or they
may be removed entirely; bones
are spliced; pipes take the place
of diseased sections of veins; anti-
septic dressings are applied to
wounds, bruises, burns and life
injuries before inflammation sets
in, which causes them to heal
without maturation and in one-
third the time required by the old
treatment, Chamberlain's Pain
Balm acts on this same principle.
It is an anti-septic and when ap-
plied to such injuries, causes them
to heal very quickly. It also al-
lays the pain and soreness. Keep
a bottle of Pain Balm in your
home and it will save you time
and money, not to mention the in-
convenience and suffering which
such injuries entail. For sale by
Wooten's Drug Store, Greenville,

BENSONIZER LUNG CURE.

NO MORE EXILE FOR CON-
SUMPTIVES.

A Cure at Last Obtained, After
a Searching Investigation,
by St. Louis Interests.

A few months ago the attention of a
few scientific and philanthropic gen-
tlemen of St. Louis was directed to an
entirely new method of combating that
most dreadful of all diseases, tuber-
culosis, commonly called consumption.
Out of 115 test cases, 77 were comple-
tely cured and 28 have shown such im-
provement that their ultimate recovery is
but a question of a few weeks.

So astonishing have been the results
and absolute cures in cases pronounced
incurable by all old methods that a
company has been formed and is now
prepared to furnish at a normal cost,
this cure to all sufferers of the "White
Plague." One of its chief features is
that patients can remain at home, sur-
rounded by friends and relatives, and
in a great many instances, especially
the incipient or early stages of the
disease, pursue their daily vocations
and still become completely cured.

Patients receiving the same treat-
ment here in St. Louis have comple-
tely recovered as rapidly as those in
Colorado, New Mexico and Texas.
The wonderful results in question have
been accomplished by the Bensonizer,
and the company which controls this
marvelous medical device have located
the main office at 417 North Seventh
street, St. Louis. They have also lo-
cated a factory on Easton avenue and
a laboratory has been built at Hill-
side, Mo. The cure will be known as
the Bensonizer Lung Cure, and Mr. C.
P. Benson, the discoverer of the fluid
inhalants which are used, will person-
ally have charge of the affairs of the
company. Mr. Benson will personally
meet all who call at the office of the
company on Seventh street, and will
answer all communications from suf-
ferers who are unable to make a per-
sonal call.—From the St. Louis Globe
Democrat.

Free booklet on request.

The salient features of The Ultra are its fine workmanship, excellence of material, desirability of style, and elegance of fit and consequent comfort to the wearer. These form the sine qua non of desirable footwear.

In addition The Ultra is equipped with our patent cushion insole, a device which gives the shoe flexibility and durability, insuring a maximum of ease and comfort to the wearer, and protecting the foot from the ill effect of the hot sidewalks of summer as well as from the dampness of wet weather. This feature alone is well worth the price of the shoe.

We present a wide range in styles and finish, and are able to meet the requirements of the most fastidious as the more conservative patron and we invite a thorough inspection of our line. Ultra in name, Ultra in character, Ultra in every feature that contributes to fit, comfort and style.
