WINTERVILLE ITEMS

WINTERVILLE, N. C., June 11th.

Mrs. Sarah Taylor has returned from Greene county. She says she had a very pleasant visit.

Mrs. J. H. C. Dixon has returned from LaGrange.

W. F. Burch of THE REFLECTOR force was here Friday taking orders for job work. As our people know he always does his work well it was no trouble for him to get several nice orders here.

Major H. Harding, of Greenville, and Mr. Pate representing the Liddell Co. of Charlotte, were here Friday.

Dr. Cox has moved to the new drug store. It is the most tastily furnished store in the new brick block.

The 30th is Greenville's Day.

There must be a hitch somewhere. Some days ago it was announced that the laying of the corner stone and dedication of the new Masonic temple in Greenville will take place on Thursday, June 30th, and that the Grand Lodge officers will be present to conduct the ceremonies. Now the announcement is made in the Kinston Free Press that a big Masonic rally will take place in the Kinston on the 30th and that the Grand Lodge officers will be there. It is hardly probable they will be in both places on the same day.

Since writing the above we see in the Free Press that the Masons of Kinston were at the time unaware of this conflict in dates and have changed the day for their celebration to the 29th.

Teachers' Assembly.

County Superintendent W. H. Ragsdale returned this morning from the meeting of the teachers' assembly at Morehead. He reports the meeting a most successful one with a good attendance of teachers. We see from published reports of the meeting that Prof. Ragsdale was chairman of the committee on resolutions and took prominent part in the general proceedings of the assembly.

Six Games Soon.

The base ball team is preparing a good field for play out near the railroad and the fun will soon begin. Six games are scheduled for the next two weeks—three with Kinston and three with Washington.

SATURDAY AFTERNOON, JUNE 11, 1904.

When the government gets through with boll weevils and mosquitoes, we suppose there will still be boll weevils and mosquitoes.

This is a time when it matters not which man gets the nomination for governor, the people will not be afraid to vote for him.

If the next legislature does not take steps to check the divorce evil and make divorces harder to obtain in North Carolina it will fall short of its duty.

The discovery by the secret service department that a new counterfeit \$100 certificate is in circulation, need not alarm the newspaper fraternity. They are not troubled with change of that size.

We had hoped that the contest for the gubernatorial nomination would go through to a finish without the friends of one candidate having a word of disparagement to say about another. But the thing kept too close and Wake county started the mud-slinging. The candidates are all good men and the state would be well governed with either one of them in the executive chair.

Recent statistics show that seven million acres have been added to last year's cotton crop. This would, if properly cultivated, and the cotton promptly harvested and ginned, mean an addition of a million and a half bales to the present crop. With the present condition of labor, it is exceedingly doubtful if this addition of acreage can be cultivated, and, if cultivated, it will be impossible to gather the cotton and get it to the gin. However, all the bad effects of a big cotton crop will be felt and the price sent to the bottom before the cotton season is fairly opened.—Raleigh News and Observer.

The North Carolina hotels have been falling into line with the movement to displace colored waiters with white help. The hotels that have made the change have found it satisfactory in every way. On this line, The Hotel Worlds says: "Time was when the colored man was the only safe, sure waiter for the commercial hotel and the imported waiter was the choice for the fashionable place. Now waitresses are displacing the colored waiters in many places where formerly the service of the farmer would have been deemed totally impracticable. You ask any hotel proprietor or manager why it is that he employs girls, and you are told that the guests prefer their service, and here (wages also considered) is the sum total of the argument why waitresses are now so much employed." White girls are taking the place of the negro in the hotels and white barbers are crowding him out of business in the tonsorial art. Thus his field of opportunity is gradually being narrowed and the time is coming when the negro must make himself competent in other lines, for only competency is going to count.—Charlotte Chronicle

The most natural place for the negro is in the field as a farm laborer, and the sooner he learns that his most useful occupation is hoeing corn and chopping cotton the better for him. There is no room for him in the trades and professions.

A NEGRO WHIPPED.

Troutman, June 8.—Here's the way they do it in Ireland. About two weeks ago a negro man named Henry Neill went to the home of a highly respected white man during his absence and made improper proposals to his wife. The next night ten middle-aged, cool headed, determined men took the negro and gave him such a whipping as only men of this kind could administer to a negro for an insult to a white woman. After they had plied the whip until the guilty wretch was a quivering bundle of pains they told him to get. He got. They then quietly said goodbye to one another and went home to their families. Next morning as usual they were all out at work and not a word of this was known for some time.

We note that a large number of school districts are voting a special tax for the support of longer school terms. This is the best sort of evidence of their real interest in this matter. It does not require any spirit of sacrifice to vote away the money of others, but when a man deliberately votes to increase his own taxes for the purpose of adding to his school term, it may reasonably be aimed that his heart is in the right place.—Raleigh Times.

Mr. Thomas Funderburk, of Buford, reports a strange occurrence. The other day he hid near a guinea nest which he had found in the brush on his place. While there he was much surprised to see a partridge come, get on the nest with the guinea, and sit as laying. When it left another one came and did the same thing. When the guinea left the nest he found two partridge eggs in it.—Monroe Journal.

If this thing keeps on in the state we shall have to add a new one to our patented brands of liars, namely the Gubernatorial Estimate Brand.—Charlotte News.

A Strong Heart
is assured by perfect digestion, indigestion swells the stomach and puffs it up against the heart. This causes shortness of breath, palpitation of the heart and general weakness. Kodol Dyspepsia Cure cures indigestion, relieves the stomach, takes the strain of the heart and restores it to a full performance of its function naturally. Kodol increases the strength by enabling the stomach and digestive organs to digest, assimilate and appropriate to the blood and tissues all of the food nutriment. It is said by some authorities that Asia has over 700 languages. And not even these are as many as the Russians need when they attempt to express their opinion of the Japanese.

A Startling Test,
To save a life, Dr. T. G. Merritt of No. Mehoopany, Pa., made a startling test resulting in a wonderful cure. He writes, a patient was attacked with violent hemorrhages, caused by ulceration of the stomach. I had often found Electric Bitters excellent for acute stomach and liver troubles so I prescribed them. The patient gained from the first, and has not had an attack in 14 months." Electric Bitters are positively guaranteed for Dyspepsia, Indigestion, Constipation and Kidney troubles. Try them. Only 50c at Wooten's Drug Store.

One of the wisest philosophers of all modern times is the man who recently said that he had ten times as much respect for a \$5 bill as he had for \$4.95 in change.

John L. Wooten
ask the readers of this paper to test the value of Kodol Dyspepsia Cure. Those people who have had it and who have been cured by it, do not hesitate to recommend it to their friends. Kodol digests what you eat, cures indigestion, dyspepsia and all stomach troubles. Increases strength by enabling the stomach and digestive organs to contribute to be blood all of the nutriment contained in the food. Kodol Dyspepsia Cure is pleasant and palatable.

Howell, Houston, Tex., says "Early Risers are the best pills made for constipation, sick headache, nervousness, etc." Sold at Wooten's Drug Store.

A West Virginia youth undertook Friday to dislodge a ground hog by using dynamite. The youth's funeral occurred Sunday.

For sick headache take Chamberlain's Stomach and Liver Tablets and a quick cure is certain. For sale by Wooten's Drug Store, Greenville; R. L. Davis & Bros. Farmville.

It is noticeable that every time the Russians get in the neighborhood of Ping Yang, they begin to shoot just like they were playing ping pong.

Chamberlain's Stomach and Liver Tablets Better than a Doctor's Prescription.

Mr. J. W. Turner, of Truhart, Va., says that Chamberlain's Stomach and Liver Tablets have done him more good than anything he could get from the doctor. If any physician in this country was able to compound a medicine that would produce such gratifying results in cases of stomach troubles, biliousness or constipation, his whole time would be used in preparing this one medicine. For sale by Wooten's Drug Store, Greenville; R. L. Davis & Bros. Farmville.

A Sure Thing
It is said that nothing is sure except death and taxes, but this is not altogether true. Dr. King's New discovery for consumption is a sure cure for all lung and throat troubles. Thousands can testify to that. Mrs. C. B. Van Metre of Shepherdstown, W. Va., says "I had a severe case of Bronchitis and for a year tried everything I heard of, but got no relief. One bottle of Dr. King's New Discovery then cured me absolutely. It's infallible for Croup, Whoop Cough, Grip, Pneumonia and Consumption. Try it. It's guaranteed by J. L. Wooten's Drug Store. Trial bottles free. Reg. size 50c \$1."

One hates to try to lick the new postage stamp. It has run too large for a licking.

Thrown From A Wagon
Mr. George K. Babcock was thrown from his wagon and severely bruised. He applied Chamberlain's Pain Balm freely and says it is the best liniment he ever used. Mr. Babcock is a well known citizen of North Plain, Conn. There is nothing equal to Pain Balm for sprains and bruises. It will effect a cure in one-third the time required by any other treatment. For sale by Wooten's Drug Store, Greenville, R. L. Davis & Bros. Farmville.

One drink of elixir made a New York woman young again. Sometimes one proposal of marriage does the same thing.

Triumphs of Modern Surgery.
Wonderful things are done for the human body by surgery. Organs are taken out and scraped and polished and put back, or they may be removed entirely; bones are spliced; pipes take the place of diseased sections of veins; antiseptic dressings are applied to wounds, bruises, burns and life injuries before inflammation sets in, which causes them to heal without maturation and in one-third the time required by the old treatment. Chamberlain's Pain Balm acts on this same principle. It is an antiseptic and when applied to such injuries, causes them to heal very quickly. It also allays the pain and soreness. Keep a bottle of Pain Balm in your home and it will save you time and money, not to mention the inconvenience and suffering which such injuries entail. For sale by Wooten's Drug Store, Greenville, R. L. Davis & Bros. Farmville.

Now that the college has ball season is over, the college boys may find time to take a few minutes off and call for their diplomas.

BENSONIZER LUNG CURE.

NO MORE EXILE FOR CONSUMPTIVES.

A Cure at Last Obtained, After a Searching Investigation, by St. Louis Interests.

A few months ago the attention of a few scientific and philanthropic gentlemen of St. Louis was directed to an entirely new method of combating that most dreadful of all diseases, tuberculosis, commonly called consumption. Out of 115 test cases, 77 were completely cured and 28 have shown such improvement that their ultimate recovery is but a question of a few weeks.

So astonishing have been the results and absolute cures in cases pronounced incurable by all old methods that a company has been formed and is now prepared to furnish at a normal cost, this cure to all sufferers of the "White Plague." One of its chief features is that patients can remain at home, surrounded by friends and relatives, and in a great many instances, especially the incipient or early stages of the disease, pursue their daily vocations and still become completely cured.

Patients receiving the same treatment here in St. Louis have completely recovered as rapidly as those in Colorado, New Mexico and Texas. The wonderful results in question have been accomplished by the Bensonizer, and the company which controls this marvelous medical device have located their main office at 417 North Seventh street, St. Louis. They have also located a factory on Easton avenue and a laboratory has been built at Hillside, Mo. The cure will be known as the Bensonizer Lung Cure, and Mr. C. P. Benson, the discoverer of the fluid inhalants which are used, will personally have charge of the affairs of the company. Mr. Benson will personally meet all who call at the office of the company on Seventh street, and will answer all communications from sufferers who are unable to make a personal call.—From the St. Louis Globe Democrat.

THE ULTRA SHOE.

The salient features of The Ultra are its fine workmanship, excellence of material, desirability of style, and elegance of fit and consequent comfort to the wearer. These form the sine qua non of desirable footwear.

In addition The Ultra is equipped with our patent cushion insole, a device which gives the shoe flexibility and durability, insuring a maximum of ease and comfort to the wearer, and protecting the foot from the ill effect of the hot sidewalks of summer as well as from the dampness of wet weather. This feature alone is well worth the price of the shoe.

We present a wide range in styles and finish, and are able to meet the requirements of the most fastidious as the more conservative patron and we invite a thorough inspection of our line.
