WINSTON FOR LIEUTENANT GOVERNOR.

Other Officers Nominated by the State Convention.

The second day of the state convention at Greensboro put through business with a rush. The contest for governor being out of the way the balance was easy sailing. A little after 5 o'clock a. m. the convention took a recess until 10 o'clock to give the delegates time to get breakfast and take a little rest from the all night session.

There was not so much excitement during the remainder of the convention, practically no contest arising over any other nomination. With the exception of lieutenant governor and Supreme court justices all of the present officers were renominated. The nominations were as follows:

Lieutenant Governor—Francis D. Winston.

Secretary of State—J. Bryan Grimes.

Treasurer—R. B. Lacy.

Auditor—B. F. Dixon.

Superintendent Public Instruction—J. Y. Joyner.

Corporation Commissioner—S. L. Rogers.

Labor Commissioner—H. B. Varner.

Commissioner Agriculture—S. L. Patterson.

Associate Justice Supreme Court—George H. Brown, Jr., and W. A. Hoke.

Presidential Electors at Large—F. D. Spruill and W. A. Self.

Delegates at Large to National Convention—Loche Craig, J. E. Woodard, F. J. Hale and J. S. Carr.

DELIGHTFUL OUTTING.

Reported for Reflector.]

The Magazine Class of the Methodist Sunday school went on a picnic excursion to the pavilion below Washington Friday. About forty members of the Sunday school were present, and all report a very pleasant trip.

The boat Altelro left the Old Dominion wharf at nine o'clock, crowded with expectant young people, and many baskets of good things. The boat touched at Washington and reached the pavilion about one o'clock. Everybody was hungry, and soon there was spread a repast that should please a king. After dinner several enjoyed a plunge in the surf, while others were engaged in the more fascinating occupation of 'sweet nonsense.' Part of the return trip was taken in the moonlight, the boat reaching Greenville wharf about nine o'clock.

The chaperones were Mrs. H. C. Hooker, Mr. and Mrs. G. E. Harris, Mr. and Mrs. C. T. Munford, Mr. and Mrs. J. W. Brown and Mrs. Zahniser.

Much of the enjoyment of the occasion was due to the energy and efforts of Mrs. H. C. Hooker and Mr. G. E. Harris, whoseemed especially anxious to make the occasion a pleasant one.

T. M. Davenport, of Norfolk, is here to see his best girl.

Mr. and Mrs. Ossie Taylor returned to their home at Hugo Friday.

Mrs. McG Bryan and Benton Bryan left this morning to visit Mrs. Bryan's mother, Mr. Marina Rollins, near Whichards.

Some years ago I heard the following story:

The legislature of one of the northern states had under consideration several bills to remodel or build a penitentiary. The discussion had lasted for days, when an Irish member arose and said: Mr. Cheerman—I have listened to the illoquent speeches of the gentlemen on all sides; I now rise to introduce a Bill, that is exactly what we all want, and I feel sure that it will pass unanimously with only 15 or 20 dissentive voices.

1st B3 it enacted that we build a new penitentiary.

2d. That the new penitentiary be built on the site of the old one

3rd. That the new penitentiary shall be built out of the material of the old penitentiary.

4th. That the old penitentiary be not torn down until the new penitentiary be completed.

It would be as easy to do it as it seems for Greenville to straighten and keep straight her dispensary.

SATURDAY AFTERNOON, JUNE 25, 1904.

Lieutenant Governor Winston sounds all right.

Fairbanks got a tail hold on the rough rider's steed.

It is Roosevelt and Fairbanks on the republican ticket.

Butler shouting for Roosevelt! Just what was expected.

Glenn got it all right, even if the message did come to us fifty instead of five ballots.

Interest will next center in the democratic national convention at St. Louis July 6th.

The man who is not satisfied with the ticket nominated by the state convention is hard to suit.

The state savers who did not get it can go home and turn their attention to saving something else.

Durham is very much exercised over a lost man. There were several who got lost at Greensboro.

Don't jump up and say "I told you so." You hoped Glenn would get it but you were scared just the same.

The orators should not prepare any speeches for the next convention but save their efforts for the hustings.

From all reports it is not likely that any one in attendance at the Greensboro convention will forget it in a life time.

The boisterousness of the state convention and calling down of those who attempted to speak was not creditable to conservative democrats.

We hold to the opinion that an ice factory in Greenville would pay. There is much ice consumed here and the small towns near by could also be supplied from this point.

Christian Helper is the name of a new paper that has been started here by Rev. W. E. Powell, pastor of the christian church. It will be published monthly at 25 cents a year. The initial number is very interesting.

Messrs. Charles E. Johnson & Co. the well known cotton brokers of Raleigh, are quoted as saying: "Labor conditions throughout the South today are much worse than they have been for many years. They were worse last year than they were the year before. They are worse this year than they were last May." Senator Simmons after a recent trip through a part of eastern North Carolina, was quoted as reporting labor conditions in that section as almost desperate. These are parts of a general story. The South is short of farm labor and what remains is wholly unreliable. While present conditions exist a phenomenal cotton crop is not to be expected. It is not that the South's soil is not capable of producing an almost unlimited yield of cotton, but the labor to tend and to pick it is not at hand.—Charlotte Observer.

His Double Crime.

Weldon, N. C., June 23.—V. R. Valentine, a prominent farmer of Northampton county, committed suicide by shooting himself with a shot gun last night. He first attacked his wife and shot the back of her head off and she will die. The terrible tragedy causes widespread sorrow. Mr. Valentine was at one time a freight conductor on the Seaboard Air Line. He had been drinking heavily and was crazed from the effects of liquor.

Some very interesting relics have been placed in the Hall of History this week, among these being the artillery uniform of Major Thomas Sparrow, a loan from his grandson; the flag of the first company from Washington to enter Confederate service, a carbine which was taken from a Federal soldier by the late Dr. Charles J. O'Hagan, of Pitt county. The growth of the collection during the past three months has been extremely gratifying and some very valuable additions are soon to be made.—Raleigh Correspondent

The town of Durham is too large to make prohibition a success. It will not be long till they will abandon it and substitute the dispensary for it. There may be some unlawful sales of whiskey in Raleigh—it would be strange if there were not—but we believe the business done by "blind tigers" is at a minimum. We look for the sale of whiskey through the dispensary to get less and less every year. To get whiskey through a dispensary is not the most fascinating way to get it, and so, for this reason, many men will not use so much as they used to when the social pleasures were greater.—Raleigh Times.

The World's Fair is already a great success. The attendance is beyond the expectation of the management, now exceeding 60,000 paid admissions daily, with every indication that they will exceed 100,000 daily by July. The Pike concessionaires report their shows generally to be now on a paying basis, much to their surprise. The exposition is a thing of magnificence beyond all precedent or description and of the greatest possible educational value to all persons of inquiring mind. Every exhibit building is free and the gate admission pays to everything except the Pike shows and special entertainments. There are over two hundred acres of exhibits free to all. State and foreign buildings are also free except that parts of such buildings are in some cases reserved for official use.

A Startling Test.

To save a life, Dr. T. G. Merritt of No. Mahogany, Pa., made a startling test resulting in a wonderful cure. He writes, a patient was attacked with violent hemorrhages, caused by ulceration of the stomach. I had often found Electric Bitters excellent for acute stomach and liver troubles so I prescribed them. The patient gained from the first, and has not had an attack in 14 months. Electric Bitters are positively guaranteed for Dyspepsia, Indigestion, Constipation and Kidney troubles. Try them. Only 50c at Wooten's Drug Store.

For a hundred years or more Witch Hazel has been recognized as a superior remedy, but it remained for E. C. ORMONDSVILLE ITEMS.

ORMONDSVILLE, N. C., June 21.

W. A. Darden is in Greensboro attending the democratic state convention.

Elias Turnage and W. W. Ormond have gone to Seven Springs to stay several days.

A. D. Warren, one of the candidates for the office of sheriff of our county, was here a short while Wednesday. Mr. Warren seems very hopeful of his nomination.

Misses Palmetto and Vera Taylor, of Hookerton, Bessie Corbett, of Mebane and Mayme Galloway, spent several days in our neighborhood this week visiting Misses Fannie Hardae and Lucy Turnage.

J. M. Ormond made a business trip to Ayden yesterday.

Miss Nannie Frizzelle has returned home from a visit at Ayden and Kinston.

Our primaries are called for Saturday July 2nd. There are a good many candidates in the field and they are all good men. Candidates for sheriff, B. W. Edwards our present sheriff, A. D. Warren and F. A. Moseley, of Snow Hill. Walter E. Lane, of Bull Head township. Register of deeds, E. D. Little, of Ormondsville township. Treasurer, Will Carraway, our present treasurer and T. b. Barrow, of Snow Hill.

House of representatives, J. T. Frizzell, of Ormondsville township, W. A. Darden, of Willow Green township, and Parrott Mewborne, of Stine. It looks like our county might succeed in getting good officers from the number of candidates on the tickets.

C. L. Hardee went to Snow Hill Saturday.

Mrs. Elias Turnage and children have gone to Ayden today to visit Mrs. W. M. Edwards.

F. T. Carr and wife went to Morehead City this week. From Morehead Mr. Carr went to Greensboro to be present at the state convention.

Miss Fannie Hardee spent several days last week in Hookerton attending a house party given by the Misses Taylor.

A. S. Wooten, has withdrawn from the race for the office of register of deeds. Mr. Wooten was a strong candidate, and his chances were exceedingly good but for harmony's sake and for the interest of his party he felt it his duty to withdraw. He is a good man and would have made our county fine office. He has gained many friends by this action.

ask the readers of this paper to test the value of Kodol Dyspepsia cure. Those people who have had it and who have been cured by it, do not hesitate to recommend it to their friends. Kodol digests what you eat, cures indigestion, dyspepsia and all stomach troubles. Increases strength by enabling the stomach and digestive organs to contribute to the blood all of the nutriment contained in the food. Kodol Dyspepsia Cure is pleasant and palatable.

Sued by His Doctor

"A doctor here has sued me for \$12.50, which I claimed was excessive for a case of cholera morbus," says B. White, of Coachella, Cal. "At the trial he praised his medical skill and medicine. I asked him if it was not Chamberlain's Colic, Cholera and Diarrhoea Remedy he used as I had good reason to believe it was, and he would not say under oath that it was not." No doctor could use a better remedy than this in a case of cholera morbus, it never fails. Sold by Wooten's Drug Store, Greenville, R. L. Davis & Bros. Farmville.

A Strong Heart

is assured by perfect digestion, indigestion swells the stomach and puffs it up against the heart. This causes shortness of breath, palpitation of the heart and general weakness. Kodol Dyspepsia Cure cures indigestion, relieves the stomach, takes the strain of the heart and restores it to a full performance of its function naturally. Kodol increases the strength by enabling the stomach and digestive organs to digest, assimilate and appropriate to the blood and tissues all of the food nutriment. Tones the stomach and digestive organs. Sold at Wooten's Drug Store.

An Alarm clock for 25c.

If you want to get up early and feel good all day take a Little Early Riser or two at bed time. A Sure Thing

It is said that nothing is sure except death and taxes, but this is not altogether true. Dr. King's New Discovery for consumption is a sure cure for all lung and throat troubles. Thousands can testify to that. Mrs. C. B. Van Metre of Shepherdstown, W. Va. says "I had a severe case of Bronchitis and for a year tried everything I heard of, but got no relief. One bottle of Dr. King's New Discovery then cured me absolutely. It's infallible for Croup, Whoop Cough, Grip, Pneumonia and Consumption. Try it. It's guaranteed by J. L. Wooten's Drug Store. Trial bottles free. Reg. U. S. Pat. 500,651.

Triumphs of Modern Surgery.

Wonderful things are done for the human body by surgery. Organs are taken out and scraped and polished and put back, or they may be removed entirely; bones are spliced; pipes take the place of diseased sections of veins; antiseptic dressings are applied to wounds, bruises, burns and life injuries before inflammation sets in, which causes them to heal without maturation and in one-third the time required by the old treatment. Chamberlain's Pain Balm acts on this same principle. It is an antiseptic and when applied to such injuries, causes them to heal very quickly. It also allays the pain and soreness. Keep a bottle of Pain Balm in your home and it will save you time and money, not to mention the inconvenience and suffering which such injuries entail. For sale by Wooten's Drug Store, Greenville, R. L. Davis & Bros. Farmville.

BENSONIZER LUNG CURE

NO MORE EXILE FOR CONSUMPTIVES.

A Cure at Last Obtained, After a Searching Investigation, by St. Louis Interests.

A few months ago the attention of a few scientific and philanthropic gentlemen of St. Louis was directed to an entirely new method of combating that most dreadful of all diseases, tuberculosis, commonly called consumption. Out of 115 test cases, 77 were completely cured and 28 have shown such improvement that their ultimate recovery is but a question of a few weeks.

So astonishing have been the results and absolute cures in cases pronounced incurable by all old methods that a company has been formed, and is now prepared to furnish at a normal cost, this cure to all sufferers of the "White Plague." One of its chief features is that patients can remain at home, surrounded by friends and relatives, and in a great many instances, especially the incipient or early stages of the disease, pursue their daily vocations and still become completely cured.

Patients receiving the same treatment here in St. Louis have completely recovered as rapidly as those in Colorado, New Mexico and Texas. The wonderful results in question have been accomplished by the Bensonizer, and the company which controls this marvelous medical device have located their main office at 417 North Seventh street, St. Louis. They have also located a factory on Easton avenue and a laboratory has been built at Hillside, Mo. The cure will be known as the Bensonizer Lung Cure, and Mr. C. P. Benson, the discoverer of the fluid inhalants which are used, will personally have charge of the affairs of the company. Mr. Benson will personally meet all who call at the office of the company on Seventh street, and will answer all communications from sufferers who are unable to make a personal call. — From the St. Louis Globe Democrat.

C. S. FORBES,
THE MAN'S OUTFITTER,

THE ULTRA SHOE

The salient features of The Ultra are its fine workmanship, excellence of material, desirability of style, and elegance of fit and consequent comfort to the wearer. These form the sine qua non of desirable footwear.

In addition The Ultra is equipped with our patent cushion insole, a device which gives the shoe flexibility and durability, insuring a maximum of ease and comfort to the wearer, and protecting the foot from the ill effect of the hot sidewalks of summer as well as from the dampness of wet weather. This feature alone is well worth the price of the shoe.

We present a wide range in styles and finish, and are able to meet the requirements of the most fastidious as the more conservative patron and we invite a thorough inspection of our line. Ultra in name, Ultra in character, Ultra in every feature that contributes to fit, comfort and style. In finish, material and workmanship we are proud to present to all lovers of good taste in footwear a shoe for which we have never yet had to make an apology.
