A Commercial Preacher.

An old colored preacher just over the South Carolina line has the commercial idea or financial consideration down in a fine point. A few days ago he was called on to preach two funerals at one service, but it was stipulated that there should be two separate discourses. The old colored brother preached one funeral and then passed around the hat. The returns were not at all satisfactory, and he walked out of the church, mounted his horse and rode away in disgust and to the chagrin of the parties who had arranged for the second funeral discourse.—Waxhaw Enterprise.

Two Marriages.

The popularity of Squire C. D. Rountree as a joiner of those on matrimony bent continues to increase. Sunday morning several buggies drove up to his door and he was informed that two couples were in waiting to be married. He was not long in obliging them and sending them on their way rejoicing. The couples were Mr. Daniel Lockamy and Miss Ella Jones, and Mr. Howell Jones and Miss Lula Jones, all of whom live about four miles from town.

Goes Back to Saloons.

The town of Pactolus that has been dry for a year will go back to saloons. The last board of commissioners there having granted licenses the matter came up before the county commissioners and that body also granted licenses. There was quite a contest over the question before the county commissioners.

MENS COOL OXFORDS.

Are your feet still wearing their Spring Overcoats? Poor feet! How easy it is to forget them, particularly if they are good natured.

There's little use in wearing a cool hat and coat, if you are dragging heavy shoes around. The light, cool, easy

MONDAY AFTERNOON, JULY 4, 1904.

The charge that Dumont cut the bag himself sounds gassy.

Now we will look to the West until St. Louis is heard from.

Marion Butler has given populism a parting kick and joined in with the republicans.

Is the hundred dollars salary worth the rumpus some people are making to hold on to it?

There is a spirit of lawlessness in Greenville that is not good for the community and the sooner it is corrected the better will be the result.

The prohibitionists have nominated a ticket and left miles off. They named Silas C. Swallow for president and George W. Carroll for vice president.

Some people in Greenville who do not attend Sunday school might get some good points from the golden text of the past Sunday. Hear it: "Pride goeth before destruction and an haughty spirit before a fall"

We had almost forgotten that the republicans had nominated a candidate for governor until reminded of it by the announcement that their man Harris has challenged Bob Glenn for a joint canvass. How foolish it looks for a man to be trying to throw himself in the way of cyclone.

There is a way to do things right and a way to do them wrong, and those who have been attempting to run an illegal dispensary in Greenville the last few days have seemed to want to make it as odious as possible. Not being legally established it might have been expected that its conduct would be at variance with the law.

A man who has been persistently following Roosevelt was arrested at the White House and locked up the other day on the allegation that he was crazy. The grounds of insanity are admitted, gentlemen. A man who would follow Roosevelt is surely nutty.—Wilmington Star.

First Duty of the School.

From the common school of the country district to the highest university in the land, the fundamental idea of American education is to make American citizens. There is no thought of making soldiers or officeholders or merchants or traders or inventors; make citizens first, then let each young American choose for himself the line of life he deems best suited to his capacity; he does choose, and that commonly without bias, what he shall be, for your young American has ideas of his own and is ready to aid them, too, on appropriate and even sometimes on inappropriate occasions. After all, however, the best method of judging of any system of education is in its results, and, without saying a word in disparagement of the people of any other nation, it may be said that in every essential quality the American citizen has demonstrated his efficiency in life and action the value of his training.—St. Louis Globe-Democrat.

THE PLATFORM.

Adopted by the Democratic State Convention.

The Democratic party of North Carolina, in convention assembled, declaring anew its allegiance to the fundamental principles of government as expressed in former platforms, congratulates the people of the State that a Democratic administration has again established throughout their borders the reign of law and liberty and the reign of peace and progress. Radical rule with its nightmare of horrors, has passed away. Our people are no longer employed in guarding their homes and protecting their lives, liberty, and property as they were under Republican rule; but safe in the protection of the law, breathing the air of liberty and enjoying the freedom which comes from security, our men and our women are devoting their energies to the peaceful pursuits of honest industry, to the education of their children, and to the care of the hopeless and unfortunate. Agriculture, manufacturing, and commerce are bounding forward in helpful rivalry, neither receiving nor desiring subsidies or protection except that afforded by a stable and honest government. No where in North Carolina is there riot or disorder; nowhere is there suffering or destitution. Such are the fruits of peace and order, of honesty and efficiency, of intelligence and patriotism, of Democratic administration under leadership of the peerless orator, statesman, and educator, Charles Brantley Aycock, and the other honest and efficient public officials associated with him in the State administration in all three departments of government.

North Carolina has again come into her own. She stands in the forefront of Southern States, leading all in educational and industrial progress. Her sons are looked to at home and abroad for educational, industrial, and commercial leadership. What a contrast to conditions existing recently when the delegation of our educational, charitable and penal institutions, through the vices, incompetency, extravagance and corruption of Republican boards of management caused the State to hang her head in shame and stand an object of pity among her sister States.

RACE PROBLEM SETTLED.

The Democratic party points with pride to its settlement of the race problem in North Carolina—a settlement that depends upon Democratic supremacy for its permanency. The constitutional amendment furnishes to all the people of the State safeguards of peace and order, of life, liberty, and happiness, and guarantees educational, religious, and social progress as well as industrial prosperity and development.

EDUCATION.

We re-affirm our constitutional declaration that "religion, morality, and knowledge being necessary to good government and the happiness of mankind, schools, and the means of education shall for ever be encouraged," and "that the people have a right to the privileges of education, and that it is the duty of the State to guard and maintain that right," and we express our hearty approval of the educational work of the present administration, and our gratification at the great improvements made in our educational conditions under the present Democratic administration. For a Hundred Years.

For a hundred years or more Witch Hazel has been recognized as a superior remedy, but it remained for E. C. DeWitt & Co. of Chicago to discover how to combine the virtues of Witch Hazel with other antiseptics, in the form of a salve. DeWitt's Witch Hazel salve is the best salve in the world for sores, cuts, burns, bruises and piles. The high standing of this salve has given rise to counterfeits, and the public is advised to look for the name "DeWitt" on the package, and accept no other. Sold at Wooten's Drug Store.

A Sure Thing

Triumphs of Modern Surgery.

Wonderful things are done for the human body by surgery. Organs are taken out and scraped and polished and put back, or they may be removed entirely; bones are applied; pipes take the place of diseased sections of veins; antiseptic dressings are applied to wounds, bruises, burns and lacerations before inflammation sets in, which causes them to heal without maturation and in one-third the time required by the old treatment. Chamberlain's Pain Balm acts on this same principle. It is an antiseptic and when applied to such injuries, causes them to heal very quickly. It also allays the pain and soreness. Keep a bottle of Pain Balm in your home and it will save you time and money, not to mention the inconvenience and suffering which such injuries entail. For sale by Wooten's Drug Store, Greenville, R. L. Davis & Bros. Farmville.

A Startling Test,

To save a life, Dr. T. G. Merritt of No. Mehoopany, Pa., made a startling test resulting in a wonderful cure. He writes, a patient was attacked with violent hemorrhages, caused by ulceration of the stomach. I had often found Electric Bitters excellent for acute stomach and liver troubles so I prescribed them. The patient gained from the first, and has not had an attack in 14 months." Electric Bitters are positively guaranteed for Dyspepsia, Indigestion, Constipation and Kidney troubles. Try them. Only 50c at Wooten's Drug Store.

A Strong Heart

is assured by perfect digestion, indigestion swells the stomach and puffs it up against the heart. This causes shortness of breath, palpitation of the heart and general weakness. Kodol Dyspepsia Cure cures indigestion, relieves the stomach, takes the strain of the heart and restores it to a full performance of its function naturally. Kodol increases the strength by enabling the stomach and digestive organs to digest, assimilate and appropriate to the blood and tissues all of the food nutriment. Tones the stomach and digestive organs. Sold at Wooten's Drug Store.

John L. Wooten

ask the readers of this paper to test the value of Kodol Dyspepsia Cure. Those people who have had it and who have been cured by it, do not hesitate to recommend it to their friends. Kodol digests what you eat, cures indigestion, dyspepsia and all stomach troubles. Increases strength by enabling the stomach and digestive organs to contribute to the blood all of the nutriment contained in the food. Kodol Dyspepsia Cure is pleasant and palatable.

For sick headache take Chamberlain's Stomach and Liver Tablets and a quick cure is certain. For sale by Wooten's Drug Store, Greenville; R. L. Davis & Bros. Farmville.

Sued by His Doctor

"A doctor here has sued me for \$12.50, which I claimed was excessive for a case of cholera morbus," says R. White, of Coachella, Cal. "At the trial he praised his medical skill and medicine. I asked him if it was not Chamberlain's Colic, Cholera and Diarrhoea Remedy he used as I had good reason to believe it was, and he would not say under oath that it was not." No doctor could use a better remedy than this in a case of cholera morbus, it never fails. Sold by Wooten's Drug Store, Greenville, R. L. Davis & Bros. Farmville.

Chamberlain's Stomach and Liver Tablets Better than a Doctor's Prescription.

Mr. J. W. Turner, of Truhart, Va., says that Chamberlain's Stomach and Liver Tablets have done him more good than anything he could get from the doctor. If any physician in this country was able to compound a medicine that would produce such gratifying results in cases of stomach troubles, biliousness or constipation, his whole time would be used in preparing this one medicine. For sale by Wooten Drug Store, Greenville; R. L. Davis & Bros. Farmville.

Thrown From A Wagon.

Mr. George K. Babcock was thrown from his wagon and severely bruised. He applied Chamberlain's Pain Balm freely and says it is the best liniment he ever used. Mr. Babcock is a well known citizen of North Plain, Conn. There is nothing equal to Pain Balm for sprains and bruises. It will effect a cure in one-third the time required by any other treatment. For sale by Wooten's Drug Store Greenville, R. L. Davis & Bros. Farmville.

C. S. FORBES,
THE MAN'S OUTFITTER,

THE ULTRA SHOE

The salient features of The Ultra are its fine workmanship, excellence of material, desirability of style, and elegance of fit and consequent comfort to the wearer. These form the sine qua non of desirable footwear.

In addition The Ultra is equipped with our patent cushion insole, a device which gives the shoe flexibility and durability, insuring a maximum of ease and comfort to the wearer, and protecting the from the ill effect of the hot sidewalks of summer as well as from the dampness of wet weather. This feature alone is well worth the price of the shoe.

We present a wide range in styles and finish, and are able to meet the requirements of the most fastidious as the more conservative patron and we invite a thorough inspection of our line. Ultra in name, Ultra in character, Ultra in every feature that contributes to fit, comfort and style. In finish, material and workmanship we are proud to present to all lovers of good taste in footwear a shoe for which we have never yet had to make an apology.
