#### AYDEN ITEMS.

AYDEN, N. C., July 26, 1904.

The patent medicine man didn't fail to ply his calling here Saturday and many were the suckers who swallowed his bait.

Marshall Tripp went to Fort Barnwell Saturday and returned Sunday.

Elder D. W. Davis filled his regular appointment at Rountree Sunday morning and preached here at night.

Regular prayer meeting services in the Baptist church next Wednesday night. All invited.

Our ball team don't converse very fluently on that Epworth trip. Strange, very.

A fellow with a new set of teeth feels as if had fallen in a brick bat yard, about hash time.

Our girl didn't go on the excursion. We didn't go either. Do you catch on?

Miss Abbie Smith, of Greenville, is spending some time with Miss Delta Smith and Mrs. Bilbro.

J. H. Tripp returned from Morehead yesterday.

There seems to be no cessation to the number of buggies daily run out by the Ayden Milling & Mfg. Co. Employing only skilled labor allowing no shoddy goods to leave their factory we are not surprised at the result and that too when they pay their workman prices in conformity with their labor. Naturally good and good alone must redound to the credit of such a firm. Proper appreciation all around is generally recognized everywhere.

Mrs. J. E. Brown, of Kelford, is visiting her son, E. L. Brown, our clever depot agent.

Fred Allen and wife, of Farmville, have been spending several days with W. L. Tucker.

E. G. Cox went to Greenville Saturday.

Preaching at Rountree was the attraction for many from this point Sunday.

Mrs. M. M. Ellis, of Gardnersville, who has been spending some time at Seven Spring and Morehead, is visiting Mrs. J. F. Dixon.

Last Friday morning a little negro boy while passing along First street was attacked and seriously bitten in several places by a vicious dog. The cries of the boy attracted a number of people to the scene, among them being our excellent mayor, J. J. Stokes, who promptly dispatched his dogship by shooting him through the head. The condition of the boy at present is as good as could be expected. Only the timely arrival of Mr. Stokes saved the child's life.

Misses Agnes Dixon and Gladys Sutton and Master Clifton Sutton spent last week with friends in the country.

Master Floyd Dixon who has been sick for some time is still improving.

M. G. Taylor spent Sunday in the country.

#### Epworth League Meeting.

A call meeting of the Epworth League was held in the Methodist church here last night. A large number of the members were present, and business of importance was transacted.

Among other things that were brought before the League, was the final report of the picnic committee.

This committee recommended that the league have a moon light excursion down the river, which was adopted by the league, and it was decided that the excursion boat leave the Old Dominion wharf at seven o'clock p. m. Thursday, July 28.

#### FOR THE LEGISLATURE.

MR. EDITOR:—As the time is fast approaching that there will have to be a selection made for the legislature. I wish to present to the voters of Pitt county, a man who is well known all over the county, a man who, in my opinion if nominated would be elected by a large majority and a man who could be fully relied upon to represent us with credit to himself and county. That man is D. G. Berry of Contentnea. W. F. H.

Carl Schurz, who lays claim to being entirely independent in politics, has written a letter to Judge Parker endorsing his candidacy. This is a good sign, for it is the independents—or the mugwumps, as they are generally called—who choose every president. The voters without a party are the ones who say who shall be elected. —Charlotte Observer.

## Public Sentiment and Law.

Charity and Children, published at Thomasville, starts a ringing editorial with this statement: "The temperance sentiment, thank God, is determined in North Carolina." This is a just estimate of the situation in the State. Hand in hand with the great educational sentiment that has grown up during the past half a decade has come the sentiment for temperance.

Law without public sentiment to support it is worse than no law at all, for it will be disregarded, and become a mere farce ingendering a disregard for all law.

But it is poor argument to say that the prohibition laws should not be adopted simply because there will be some who will violate them. If the majority ignores the laws and they are adopted, then the majority is either insincere or cowardly if the laws are not enforced.

There is a law constantly broken, on every statute book in the land against murder, but none but anarchists would advocate the repeal of this law simply because there are degenerates who break the law.

No, the sentiment for law and order, for good citizenship and temperance is growing, already the light is breaking and with a strong sentiment backed up by strong manhood there will be a minimum of law breakers.

There are many of us who do not like Mr. Bryan, but all would agree that he is a hard man to down.

The associated press states that several members of the Democratic National Committee arrived in New York last week, among them being W. H. Martin, of Arkansas; J. C. Dohlan of Nebraska; R. M. Johnson, of Texas; T. E. Ryan, of Wisconsin and R. L. Williams of Indian Territory. These gentlemen seemed to be unanimous in the opinion that if the legislature was Democratic, W. J. Bryan would be elected United States Senator from Nebraska.

Not a great deal is being said just now about prosperity and the full dinner pail, but Pitt county crops are good, rains are abundant and the farmers wear a good humored smile. They are "sawing wood" and "saying nothing," and are not greatly disturbed by the political upheaval. This is real prosperity, and not the cry of the politician for political ends.

The Watts Law operates in Elizabeth City, Greenville, Newberne, Beaufort, Craswell, Kinston and many other towns in Eastern Carolina, yet Hon. Harry Skinner, Federal office seeker, and Federal office holder, is authority for the statement that the sentiment in the eastern part of the state is unfavorable to the law.

During the absence of Editor D. J. Whichard the Editorial management of THE DAILY REFLECTOR is in the hands of F. M. Hornaday, who is personally responsible for all that is found in the Editorial columns.

The chances of the candidate's election should not be measured by the number in the kindergarten department who have been named after him.

## L. W. TUCKER FOR SHERIFF.

Editor Reflector:

As the time is drawing near for primaries and county conventions to be called for the selection of candidates to the various offices of Pitt county and also a legislative tielet, I therefore beg your indulgence for a few unsolicited remarks in behalf of L. W. Tucker for sheriff.

He is a young man of high intellect and of a great business capacity, which his public career of the past four or five years abundantly proves, and stands without contradiction. Some may say that he is rather young to shoulder the responsibilities of the office of high Sheriff of Pitt county, but I declare unto you, that it is not right, adequate, or just, that a man who by the height of his ambition, skill and self-perseverance has reached the goal of maturity in physical, mental and business capacities earlier than the average man, that he should be haltered and tied, so to speak, that his inferiors might reach his equal.

On the contrary, Mr. Editor and friends, I do say and verily believe, that a man of such eminent character and broad business qualifications as Mr. Tucker, having served the office of sheriff as deputy for four or five years with such a marked degree of success, makes him thoroughly competent and qualified to serve the office itself to the entire satisfaction of the people of Pitt county, and thereby be honored himself and an honor to Pitt county. And when the Democratic county convention is called upon to name a candidate for sheriff, I believe the people will be glad to show him the honor of rising as a unit and with one accord say, nominate L. W. Tucker by acclamation.

M. T. SPEIR.

The Spartanburg, S. C., Herald makes the following explanation in its issue of Sunday morning:

"Whenever the ruling power whether it be man or party—seeks to draw to itself all other forces, as in a great centripetal whirlpool—that is imperialism. Whenever the ruling power seeks to ally itself in sectional animosity and exalt one part of the country at the expense of the other—that is imperialism. Whenever the party in power seeks to expand its influence and extend its ideas to foreign soil by might of swords—that emphatically is imperialism. And whenever the ruling power endeavors to remove all political obstacles to its continuance in power—that is imperialism with a crown upon it."

That's bad enough, to be sure, but we had an idea that it was much worse—had horns, for instance, and went about seeking whom it might devour—eating 'em alive in fact.—Charlotte Observer.

No, the fact of the business is that it has prominent front teeth and wears Eye glasses and yellow spell the Name "Teethy dore."

"I wish to say a few words in praise of Chamberlain's Colic, Cholera and Diarrhoea Remedy," says Mrs. Mattie Burge, of Martinsville, Va. "I suffered from chronic diarrhoea for ten years and during that time tried various medicines without obtaining any permanent relief. Last summer one of my children was taken with cholera morbus, and I procured a bottle of this remedy. Only two doses were required to give her entire relief. I then decided to try the medicine myself, and did not use all of one bottle before I was well and I have never since been troubled with this complaint. One cannot say too much in favor of that wonderful medicine." This remedy for sale at Wooten's Drug Store, Greenville, R. L. Davis & Bros. Farmville.

**John L. Wooten.**  
Ask the readers of this paper who are suffering with indigestion or dyspepsia to call on him at once and get a bottle of Kodol Dyspepsia Cure. If you knew the value of this remedy as we know it, you would not suffer another day. Kodol Dyspepsia Cure is a thorough digestant and tissue-building tonic as well. It is endorsed personally by hundreds of people whom it has cured of indigestion, dyspepsia, palpitation of the heart and stomach troubles generally. Kodol Dyspepsia Cure Digests what you eat. It is pleasant, palatable and strengthening.

**Weak Hearts**  
are caused by indigestion. If you eat a little too much, or if you are subject to attacks of indigestion the stomach expands—swells, and puffs up against the heart. This crowds the heart and shortens the breath. Rapid heart beats and heart disease is the final result. Kodol Dyspepsia Cure digests what you eat, takes the strain off the heart, cures indigestion, dyspepsia, sour stomach, and contributes nourishment, strength and health to every organ of the body. Sold at Wooten's Drug Store.

**A Sure Thing**  
It is said that nothing is sure except death and taxes, but this is not altogether true. Dr. King's New Discovery for consumption is a sure cure for all lung and throat troubles. Thousands can testify to that. Mrs. C. B. Van Metre of Shepherdstown, W. Va. says "I had a severe case of Bronchitis and for a year tried everything I heard of, but got no relief. One bottle of Dr. King's New Discovery then cured me absolutely. It's infallible for Croup, Whoop Cough, Grip, Pneumonia and Consumption. Try it. It's guaranteed by J. L. Wooten Druggist. # OXFORDS.

## The Accepted Time.

Now is the accepted time to wear Oxfords and now is the accepted time to purchase a new pair. Our stock has been slaughtered but we recently bought a filling order, and bought too many, and we are overstocked, and in order to reduce our stock, we offer every pair at a bargain. Our stock comprises three lines, "Dorsch" "Banister" and "Crossett" made in all styles and in all leathers, in Tan or Black. Call in and examine our stock whether you buy or not. It is a pleasure to see you

C. S. FORBES,  
THE MAN'S OUTFITTER,

## THE ULTRA SHOE

The salient features of The Ultra are its fine workmanship, excellence of material, desirability of style, and elegance of fit and consequent comfort to the wearer. These form the sine qua non of de sirable footwear.

In addition The Ultra is equipped with our patent cushion insole, a device which gives the shoe flexibility and durability, insuring a maximum of ease and comfort to the wearer, and protecting the foot from the ill effect of the hot sidewalks of summer as well as from the dampness of wet weather. This feature alone is well worth the price of the shoe.

We present a wide range in styles and finish, and are able to meet the requirements of the most fastidious as the more conservative patron and we invite a thorough inspection of our line. Ultra in name, Ultra in character, Ultra in every feature that contributes to fit, comfort and style. In finish, material and workmanship we are proud to present to all lovers of good taste in footwear a shoe for which we have never yet had to make an apology.

# CLOTHING!

We give you not only the best you can buy, but the best the money paid can buy. Quality & value combined argue for your patronage

This is an agreeable sort of Store to patronize. You can recognize at once, from the way you are served, that your best interest is being studied. We study the fit of every garment you try on much more closely than you do, and when the purchase is completed there's not a line of a garment that isn't perfect. Two and three piece suits divide honors of patronage. Some want vests, some don't. We're able to offer each the widest possible variety of fabrics for selection.
