#### AYDEN ITEMS.

AYDEN, N. C., Aug. 16 1904.

W. E. Hooks left for Fremont last night.

Miss Daisy Johnson left on the train yesterday morning.

Mrs. J. W. Brown, of Greenville is visiting Mrs. J. J. Edwards.

J. W. Brown, of Greenville, was a visitor here from Saturday until Monday.

H. A. Timberlake and Herbert Edwards, of Greenville, was here Saturday.

Miss Joyner, of LaGrange, is visiting Misses Lizzie and May Anderson.

Miss Emma Brown left on the train Saturday morning for a visit up the road.

A. H. Coward, of Raleigh, has been on a visit here to friends for the past week.

There was a very large crowd in town Saturday and our merchants had a fine trade.

Mrs. A. D. Cox and Miss Annie Stox, of Winterville, were visiting here yesterday.

W. B. Allen, general agent for the Prudential Life Insurance Company, is in town.

Wouldn't our town be a daisy if some people could run it who don't hold office? We all know how.

Stancel Hodges and wife went to Washington Saturday and returned yesterday from a visit to their parents.

Henry E. Biggs, N. G., of the grand lodge of Odd Fellows of this state, is here in the interest of his order and insurance.

Miss Verna Whichard, of Staton Mill, after spending some time with Miss Dessie McKinney, has returned to her home.

J. T. Smith, Jr., went to Kingston Saturday evening to meet his family, who have been away visiting for quite awhile and returned with them yesterday.

Don't forget the handkerchief party and conundrum supper to morrow night. There is going to be a nice time in the old town and you had better be there.

A new telephone line has been put in from Hookerton via Ormondsville and Kidge Spring to Ayden. This will prove a great convenience to all along the line.

Miss Ida W. Edwards, who has been away several weeks in attendance upon the summer school at Raleigh and visiting in various sections of the state, has returned home.

Capt. D. G. Berry and family have moved from South Ayden up in Ayden proper. They occupy the Ross house on Second street. For several reasons there are lots of us glad that it so.

J. A. L. Templeton, Dr. Louis Skinner, A. P. Lunceford and David Gibb went to Ocracoke Saturday and returned Monday. Our friend Mr. Templeton was delighted with the trip and with several other special attractions he met.

The young people of Ayden are a thorough-going, happy, full of pleasure seeking lot. This summer they have availed themselves of every means and measure to gratify their desires and to judge from the number of goings and comings their efforts have been fully realized.

This way some people have of talking just to hear their mouths make a noise denotes a tip top fool. If they would only work more and talk less the world would be much better for their having been in it. We know some great talkers. Funny, too!

The Ayden Milling and Mfg. Co. made a fine job of putting in the telephone line from here to Hookerton. They are contracting for several other lines. This is a first class firm and all they do is tip top and all they say can be relied on. See their ads and then try them.

#### SELL YOUR TOBACCO WITH THE FARMERS CONSOLIDATED TOBACCO CO.

Because it is a business owned, controlled and handled in the interest of the farmers.

Because on any of our floors you are guaranteed the highest legitimate market price at all times and under all circumstances.

Because the profits derived from the business are returned direct to the farmers.

Because the enemies of this organization are uniting and combining every effort within their power to prevent its success and development.

Because so certain as night follows day we know we can make and save you money by selling with us.

Because by co-operating on this plan a better and more perfect understanding can be reached and maintained between the seller and the buyer, kindlier and friendlier relations established and on account of such higher and more satisfactory prices for your tobacco can be had.

The houses composing the Farmers Consolidated Tobacco Co. are the Farmers, formerly run by Joyner & Dail, the Star, formerly run by Coward, Hooker & Co and the Jeffress run last year by Foxhall & McDowell.

Mr. H. A. Timberlake, who for a number of years has been connected with the Star as auctioneer, (and no better one ever sung to the bids of buyers) will have personal charge of the Star. Mr. S. B. McDowell who was one of the firm of Foxhall & McDowell last year at the Jeffress, will have charge of that house this year, while Mr. O. L. Joyner will be at the Farmers.

All these gentlemen will follow the different sales and see to it that your interest is not neglected or overlooked.

Very Respectfully Yours,  
THE FARMERS CONSOLIDATED  
TOBACCO CO.

#### MR. ALLEN TO LEAVE.

Greenville to Loose a Good Citizen

Mr. M. A. Allen, who for the last three years has been buyer for the American Tobacco Co. on the Greenville market and director of their large plant here, has been transferred to Danville, where he will be in charge of larger interests of the company, and will go to his new position about Sept. 1st. Greenville will give up Mr. Allen and his excellent family with sincere regret. No people ever made more friends here or have been held in higher esteem.

The confidence all have in Mr. Allen is shown in the fact that a few months after coming here he was elected superintendent of the Baptist Sunday school and holds the position until now; in the spring of last year he was elected one of the trustees of the graded school, and in June of this year was elected one of the aldermen of the town.

Always faithful in every trust, he merits any promotion from his employers, and while we congratulate him upon this promotion, it is nevertheless with regret that we see it is to take him away from Greenville.

Mr. Allen will be succeeded on this market by Mr. F. W. Clare.

TUESDAY AFTERNOON, AUGUST 16, 1904.

It is not likely that any other name but John H. Smill will be mentioned for nomination at the congressional convention at Edenton tomorrow.

L. L. Smith, of Gates, has the endorsement of his county for the nomination for judge of the first district. The convention will meet in Edenton tomorrow.

For a year past a negro professing to be a prophet has been predicting that Wilmington would be destroyed by fire August 15, 1904. So superstitious had the negroes become over this prediction, that on Sunday they poured out of the city by train loads to get away from the coming doom. But the "city by the sea" goes on doing business at the same stand and the deluded negroes would like to run up with the prophet.

The primary idea wherever it has been tried falls far short of being satisfactory. We fail to see the wisdom of holding two or three elections to elect candidates once. It has been the good old custom for years to hold conventions and nominate candidates, then go to the polls on election day and vote for them. But some of the present day day plans say first hold an election to see who gets the most votes then hold the convention to nominate the candidates, then hold another election to elect the candidates. Looks like a round-about way to reach a result.

There is no danger of "race suicide" in one branch of the Potet family, in Burke county. On Tuesday, August 2nd, Mr. and Mrs. Sydney Potet, of Enola, Burke county, celebrated their 56th wedding anniversary. This date was also the old gentleman's 79th birthday. Mrs. Potet is 73 years of age. They have reared eleven children to manhood's estate, all of whom are living, together with 65 grand-children and 54 great-grand-children, making a grand total of 130 descendants. A majority of these were present at the family reunion Tuesday. Dinner was spread under the trees near the old home place, old-time songs were sung by the aged couple, and every one present had a good time generally.—Charlotte Observer.

#### Japs Win Sea Fight.

Tokio, Aug. 14, 4 p. m.—Vice Admiral Kamimura encountered the Russian Vladivostock squadron at dawn to day, north of Tsu island, in the Strait of Korea, and attacked the enemy at once. The battle lasted for five hours and resulted in a complete Japanese victory. The Russian cruiser Ruric was sunk and the cruisers Rossia and Gromoboi fled to the northward after having sustained serious damage.

Admiral Kamimura cables the Navy Department that the injuries inflicted upon his vessels were slight.

The fate of the crew of the Ruric is not known. It is presumed that many of them were killed or drowned. The strength of the fleet under Vice Admiral Kamimura is not known, but it is presumed that he had the Aduma, Idsumo, Iwate, Takashihō and other light cruisers.

Tokio is joyous over the news, as it gives Japan mastery of the sea and restores commerce.

#### Port Arthur Fallen Again.

Ft. Petersburg, Aug 15, 5:49 a.m.—Aside from the official reports of the Ryshitelni affair and the flood of belated telegrams from Liao Yang and Anshanshan, no actual news from the front has been received.

There is a persistent rumor that Port Arthur has fallen, but it cannot be confirmed.

There is no additional news regarding the whereabouts of the vessels of the Port Arthur squadron save that contained in foreign telegrams.

There is a general belief, which is borne out by the latest dispatches, that the situation at Port Arthur is a desperate one. Apparently the Japanese are concentrating all their energies towards the reduction of the fortress in order to release heavy reinforcements for the operations against General Kuropatkin, and it is thought that until this has been accomplished the advance on Liao Yang will be suspended.

#### Hears His Mother's Praise.

When Alton B. Parker spoke the last words of his speech of acceptance on the lawn at Rosemount on Wednesday afternoon there was a rush toward him of politicians and neighbors to shake his hand. Behind the pioneers of congratulation there was a roar of applause.

The Presidential candidate had spoken for 40 minutes. He quickly stepped forward to grasp a hand out stretched toward him—the hand of his mother, a trim, white-haired little old lady who had been following him every word.

"We'd done, my boy," spoke the proud mother, beaming with tears. "You have encouraged your party, and, with God's help, you will win a victory for it."

"I hope, mother," responded the candidate, "your forecast will be as all your old ones in my life have been."

Then the applause, which regard for the domestic picture had stilled, burst forth afresh, and the candidate became the centre of a gathering, every unit of which sought to be next with its personal congratulation.—Ex.

#### An Officer's Unprovoked At Attack.

About supper time Friday evening W. A. Hardy, of Conetoe, was shot through the thigh by W. E. Whitehurst, a policeman of that town.

The statement of an eye witness to the occurrence is in substance as follows: Mr. Hardy accompanied by two other men was on his way to supper when Whitehurst called him off and began, it is said, to abuse him for talking about him. After cursing him he struck twice before Hardy returned a blow. Hardy then went at Whitehurst with so much vigor that he had decidedly the best of it. Hardy then said to his antagonist, "I know you have a gun, but when I let you go don't you shoot me." He then desisted and started to leave when Whitehurst drew his pistol, Hardy called out not to shoot and ran off about twenty steps, when Whitehurst fired. The ball struck the thigh in the rear, ranged downward somewhat and came out in front.

Mr. Hardy says that Whitehurst struck him with brass knucks, and Dr. R. L. Savage, who attended him says that the wounds on his face have the appearance of being inflicted by such an instrument.—Tarboro Southerner.

## BENSONIZER LUNG CURE

NO MORE EXILE FOR CONSUMPTIVES.

A Cure at Last Obtained, After a Searching Investigation, by St. Louis Interests.

A few months ago the attention of a few scientific and philanthropic gentlemen of St. Louis was directed to an entirely new method of combating that most dreadful of all diseases, tuberculosis, commonly called consumption. Out of 115 test cases, 77 were completely cured and 28 have shown such improvement that their ultimate recovery is but a question of a few weeks.

So astonishing have been the results and absolute cures in cases pronounced incurable by all old methods that a company has been formed and is now prepared to furnish at a normal cost this cure to all sufferers of the "White Plague." One of its chief features is that patients can remain at home, surrounded by friends and relatives, and in a great many instances, especially the incipient or early stages of the disease, pursue their daily vocations and still become completely cured.

Patients receiving the same treatment here in St. Louis have completely recovered as rapidly as those in Colorado, New Mexico and Texas. The wonderful results in question have been accomplished by the Bensonizer, and the company which controls this marvelous medical device have located their main office at 417 North Seventh street, St. Louis. They have also located a factory on Easton avenue and a laboratory has been built at Hillside, Mo. The cure will be known as the Bensonizer Lung Cure, and Mr. C. P. Benson, the discoverer of the fluid inhalants which are used, will personally have charge of the affairs of the company. Mr. Benson will personally meet all who call at the office of the company on Seventh street, and will answer all communications from sufferers who are unable to make a personal call.—From the St. Louis Globe Democrat.

Free booklet on request.

FOR CONSUMPTION.

## A Sure Thing

It is said that nothing is sure except death and taxes, but this is not altogether true. Dr. King's New discovery for consumption is a sure cure for all lung and throat troubles. Thousands can testify to that. Mrs. C. B. Van Meter of Shepherdstown, W. Va. says: "I had a severe case of Bronchitis and for a year tried everything I heard of, but got no relief. One bottle of Dr. King's New Discovery then cured me absolutely. It's infallible for Croup, Whoop Cough, Grip, Pneumonia and Consumption. Try it. It's guaranteed by J. L. Wooten, Druggist. Trial bottles free. Regular 50c \$1.

## Sick Headache

"For several years my wife was troubled with what physicians called sick headache of a very severe character. For sale by Wooten's Drug Store, Greenville.

Nothing on the Market Equal Chamberlain's Colic, Cholera and Diarrhoea Remedy.

This fact is well known to druggists everywhere, and nine out of ten will give their customers this preparation when the best is asked for. Mr. Obe Witmer, a prominent druggist of Joplin, Mo., in a circular to his customers, says: "There is nothing on the market in the way of patent medicine which equals Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowels complaints." For sale by J. L. Wooten

## A Warning to Mothers

Too much care cannot be used with small children during the hot weather of the summer months to guard against bowel troubles. As a rule it is only necessary to give a child a dose of castor oil to correct any disorder of the bowels. Do not use any substitute, but give the old fashioned castor oil, and see that it is fresh, as rancid oil nauseates and has a tendency to gripe. If this does not check the bowels give Chamberlain's Colic, Cholera and Diarrhoea remedy and then a dose of castor oil, and the disease may be checked in its incipency and all danger avoided. The castor oil and this remedy should be procured at once and kept ready for instant use as soon as the first indication of any bowel troubles appears. This is the most successful treatment known and may be relied upon with implicit confidence even in cases of cholera infantum. For sale by J. L. Wooten.

## THE ULTRA SHOE

The salient features of The Ultra are its fine workmanship, excellence of material, desirability of style, and elegance of fit and consequent comfort to the wearer. These form the unequalled of desirable footwear.

In addition The Ultra is equipped with our patent cushion insole, a device which gives the shoe flexibility and durability, insuring a maximum of ease and comfort to the wearer, and protecting the feet from the ill effect of the hot sidewalks of summer as well as from the dampness of wet weather. This feature alone is well worth the price of the shoe.

We present a wide range in styles and finish, and are able to meet the requirements of the most fastidious as the more conservative patron and we invite a thorough inspection of our line. Ultra in name, Ultra in character, Ultra in every feature that contributes to fit, comfort and style. In finish, material and workmanship we are proud to present to all lovers of good taste in footwear a shoe for which we have never yet had to make an apology.
