Marriage of Popular Couple at Bethel.

There are occasions and scenes now and then in life that are as bright and joyous enough to gladden the hearts of the world. Bethel furnished such a scene Wednesday. It was the occasion of the marriage of Mr. Fred J. Forbes, of Greenville, and Miss Blanche Mayo, of Edgecombe.

It was one of the prettiest marriages we have ever seen. The Baptist church had been as beautifully decorated as it was possible for the artistic skill of woman to conceive. Ribben lattice work, ferns and palms, ivy and carnations vied with each other in giving a pleasing aspect to the surroundings. Suspended from the arch just above the heads of the bride and groom were two large, beautiful hearts with each entwined in the other, a fit emblem of the union of two hearts that beat as one under them.

By the time for the marriage every available foot of space in the house had been crowded with people. Bethel and the surrounding community had turned out en masse to attest their regard for these two young people.

At the appointed hour the bridal party entered the church in the following order and passed down each aisle, crossing in front of the altar in the rear end of the church: The ushers, Messrs. C. B. Mayo and W. H. Ragsdale, the groomsmen, Messrs. John Shaton and Harry Singer Jr., the bridesmaid, Misses Lizzie Brown Stokes and Pattie Davenport, the ring-bearer, sweet little Frances Mark Cherry, the bride leaning on the arm of her uncle Mr. James Cherry and the dame of honor, Mrs. W. J. Little, sister of the bride.

The groom with his brother, Mr. C. S. Forbes, entered from the door of the pastor's study on the side of pulpit and met the bride at the altar. The ceremony was performed by Rev. W. E. Cox, rector of the St. John's church, Wilmington, N. C. In an impressive manner, using the beautiful ceremony of the Episcopal church he united these two young people in the holy bonds of wedlock.

The bride was beautifully gowned in an Empire Princess gown of Airline elaborately trimmed in Mechlin lace wearing the veil and orange blossoms worn by her aunt on her wedding day of twenty years ago. Her only ornament was a diamond brooch, the gift of the groom, and necklace which was an heirloom of one of her girl friends. Her bridal bouquet was a shower of bride roses and lilies of the valley.

The bridesmaids carried white carnations tied with blue tulle and were gowned in white radium silk.

Miss Novella Bunting in her usual graceful manner presided at the organ, playing "Shubert's Serenade" as the guests of honor entered, "Lohengrin's March" as a processional and "Mendelssohn's" as the recessional, then playing "the Flower Song" as the friends were leaving the church.

The guests of honor were Misses Sydney Davenport, Pattie Davenport, Sophia Jarvis, Hennie Ragsdale, Elizabeth Jones, Effie Grimes, Miss Veal, Bertha Patrick, Mrs. Carey Mayo.

The out of town guests present were W. H. Ragsdale, C. S. Forbes, Harry Skinner Jr., Carey Mayo, Misses Hennie Ragsdale,

Bertha Patrick and Sophia Jarvis of Greenville, Mr. James Cherry, of Cincinnati, Messrs. Allsbrook and Kittell, of Tarboro, Mr. and Mrs. Mark Cherry and daughter of Mount Olive, Mrs. Cherry, Mr. Mayo Worsley, Mr. Frank Cherry and sister, of Conetoe, Mrs. Allie G. Little, of Robersonville, Mr. and Mrs. W. J. Little, of Robersonville, Mr. Sherrod Salisbury, of Hamilton, Miss Lizzie Brown Stokes, of Windsor.

The bridal presents at the home of the bride were numerous and lovely. Rarely have we seen such a beautiful collection of lovely things given by the numerous friends both of bride and groom.

The groom, Mr. F. J. Forbes, is cashier of the National Bank of Greenville, and few young men have been raised in the town who were more popular than he. The bride, Miss Blanche Mayo, the daughter of Mr. John Mayo, of Edgecombe county, is easily one of the prettiest, most attractive, and winsome young women this old county has ever produced.

The marriage had been preceded by a house party for several days consisting of: Messrs. Lizzie Brown Stokes, Pattie and Sydney Davenport, Sophia Jarvis and Hennie Ragsdale.

Few couples have married who started life's wedded journey with more hearty good wishes from a larger circle of friends than does this one.

ROOSEVELT POSITIVELY WILL NOT RUN AGAIN.

His Announcement a Big Surprise to Politicians on Both Sides.

Washington, D. C., December 12.—Although President Roosevelt's third term statement was expected to be made some time before the convention should meet it came today as a big surprise to politicians on both sides of the fence.

Hotel lobbies filled today with little groups of republicans and democrats and the general belief expressed is that the president has been smoked out, but opinions differ widely as to who or what is responsible for the smudge.

Whatever may be the immediate cause of the announcement all the friends of the various candidates are quick to claim an instant increase of strength for the booms they are promoting.

The president's announcement is to the effect that he positively will not accept a renomination for the presidency.

Greenville's Banks.

In The Reflector today will be found the statements of Greenville's three banks as made on the call of the corporation commission for a showing of their condition at the close of business Dec. 3rd.

During the late financial stringency many banks in the State, as elsewhere, because the money they had on deposit in New York banks was held and would not be sent on demand, had to resort to the issuance of script to meet drafts upon them. The banks of this town were among those adopting this measure for the protection of their customers and themselves until the New York banks turned loose the money that belonged to the local banks. By this action all interests here were well cared for and business kept running smoothly, and the showing the banks make is highly creditable to them. Look over these statements and you will see that they are entitled to your fullest confidence.

SENATOR JEFF DAVIS

Tradition has said that new comers in the United States Senate were expected to observe a degree of silence, be seen but little and heard less, letting the older heads have the floor and give the new ones lessons. But Senator Jeff Davis, the new member from Arkansas, gave precedence a jolt, and waded in for a speech when he had been there only a few days that made the old heads sit up and take notice. He waded in to trusts and extravagance in high places, and took a fall out of the president for getting \$50,000 salary, (that alone not being considered excessive) and in addition getting \$25,000 for traveling expenses and \$113,000 annually for living expenses. Too much for a family with five children to be blowing in for living expenses, thinks Senator Davis, and he is right.

These two quotations from his speech are something to think over:

"This is an age when men have gone mad in their frenzied efforts for the dollar. This is an age when money is placed above man; when gold is placed before God. When we would sell our souls, our government, our all for one bright smile from the god of Mammon. What is money, Mr. President, that it is held so priceless? You cannot eat it, you cannot wear it, your shroud has no pocket in it and St. Peter's will not receive it for admission into the golden gates."

"In this day and time money is king, money is God. Without it the doors of opportunity are closed, the doors of society are shut. Yes, even in some instances the doors of the church do not welcome so enthusiastically the man in rags and tatters as the man with millions."

Senator Tillman, of South Carolina, expressed himself as ashamed of the spectacle the new senator of Arkansas made of himself in his maiden speech. Perhaps the South Carolinian does not consider how often he himself has brought a blush. Maybe he is jealous that the Arkansan will take his laurels.

As President Roosevelt has again reiterated the fact that he positively will not accept a renomination, perhaps the matter will rest, and the hot headed third term advocates should keep quiet.

President Roosevelt has appointed a commission to investigate the recent horrible West Virginia mine disaster. What's the use now? Better to have had the investigation before half a thousand people lost their lives. That is usually the order, however, investigate after a disaster has occurred instead of looking into conditions beforehand to prevent it.

It is said that the Southern and Seaboard Air Line railways and Governor Glenn have reached an agreement, but that the Atlantic Coast Line will likely block a compromise of the rate matter.

Thousands of men and women in all walks of life are suffering from kidney and bladder troubles. Don't neglect your kidneys. Delays are dangerous. DeWitt's Kidney and Bladder Pills afford quick relief for all forms of kidney and bladder trouble. A week's treatment 25c. Sold by J. L. Wooten's drug store.

Women are as changeable as men are monotonous.

Jack and Jill were both quite ill, Now each is well and wiser, For blues and headaches have to go, When they take an Early Riser, DeWitt's Little Early Riser Pills are sold by J. L. Wooten's drug store.

Love is blind therefore it can't see its finish.

Whenever you feel that your stomach has gone a little wrong, or when you feel that it is not in good order as is evidenced by mean headaches, nervousness, bad breath, and belching, take something at times, and especially after your meals until relief is afforded. There is nothing better offered the public today for stomach troubles, dyspepsia, indigestion, etc. than Kodol. This is a scientific preparation of natural digestions, combined with vegetable acids and it contains the same juices found in every healthy stomach. Kodol is guaranteed to give relief. It is pleasant to take; it will make you feel fine by digesting what you eat. Sold by John L. Wooten, druggist.

A girl doesn't mind having red hair unless you call it that.

DeWitt's Carbolized Witch Hazel Salve—don't forget the name, and accept no substitute. Get DeWitt's. It's good for piles. Sold by J. L. Wooten's drug store.

When a man isn't ashamed to talk of earning his bread and butter it amounts to a lot more than that.

Are you having trouble with your kidneys? There are lots of people today who wonder why they have pains across the back, why they are tired and lacking in energy and ambition. Your kidneys are wrong. They need relief without delay. Take DeWitt's Kidney and Bladder Pills; they are a week back, in animation of the bladder, backache and weak kidneys. Sold by J. L. Wooten's drug store.

A man can endure most any disaster better than having a lot of boys laugh at him when he falls down on an icy sidewalk.

Trial Catarrh treatments are being mailed out free, on request, by Dr. Shoop, Racine, Wis. These tests are proving to the people without a penny's cost—the great value of this scientific prescription known to druggists everywhere as Dr. Shoop's Catarrh Remedy. Sold by Bryans Drug Store.

One of the most unreasonable traits of a woman is the way she can think it isn't her fault when her husband cuts himself shaving.

A tickling cough, from any cause, is quickly stopped by Dr. Shoop's Cough Cure. And it is so thoroughly harmless and safe, that Dr. Shoop tells mothers everywhere to give it without hesitation, even to very young babies. The wholesome green leaves and tender stems of a lunghealing mountainous shrub, furnish the curative properties to Dr. Shoop's cough cure. It calms the cough, and heals the sore and sensitive bronchial membranes. No opium, no chloroform, nothing harsh used to injure or suppress. Simply a resinous plant extract, that helps to heal aching lungs. The Spaniards call this shrub which the Doctor uses, "The Sacred Herb". Always demand Dr. Shoop's cough cure. Bryans Drug Store.

Give the average man a chance to make money out of the misfortunes of others and he will make it.

The finest coffee Substitute ever made, has recently been produced by Dr. Shoop, of Racine, Wis. You don't have to boil it twenty or thirty minutes. "Made in a minute" says the doctor. "Health coffee" is really the closest coffee imitation ever yet produced. Not a grain of real coffee in it either. Health coffee imitation is made from pure toasted cereals or grains, with malt, nuts, etc. Really it would fool an expert—were he to unknowingly drink it for coffee. J. E. Hooker & Co.

For Coughs and Colds

Nearly all other Cough Cures are constipating, especially those containing opiates. Kennedy's Laxative Cough Syrup moves the bowels. Contains no opiates.

Kennedy's Laxative Cough Syrup

"A Cold or a Cough nearly always produces constipation—the water all runs to the eyes, nose and throat instead of passing out of the system through the liver and kidneys. For want of moisture the bowels become dry and hard."

Kennedy's Laxative Cough Syrup relieves Colds by working them out of the system through a copious action of the bowels.

CHRISTMAS GREETINGS

When you buy your gifts for Christmas you should endeavor to give something nice however small. Quality not quantity should be your motto. We kept this in view when we bought our holiday line and we have the daintiest and most appropriate gifts that can be given.

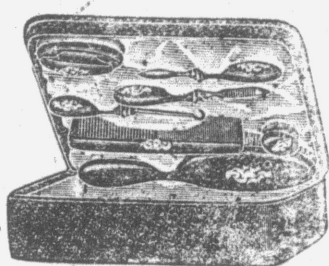

A gift should be something that gives to him who receives a better impression of your friendship, and also something that will keep that impression in mind. You surely will find the gift you want in our stock.

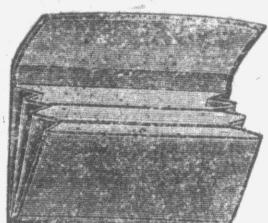

This space is too small to give you a list of everything we have. Suffice to say that we have the largest and most elaborate line of holiday goods we have ever had.

Our line of toilet and manicure sets is without doubt something

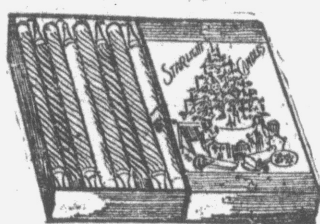

that will tempt you to invest. We have them from \$1 to \$12.50

We also have a line of men's pocket books and bill books to suit, and prices that are reasonable.

The use of candles at the Christmas season is as

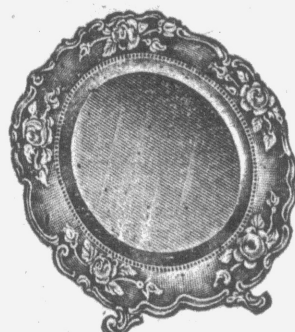

closely identified with the holiday as Santa Claus himself. We have a line without rival ranging from 30c to 3.00 per dozen

Bohemian glass sets are again stylish and we have them in every style and

in such pretty designs too. Our prices are from 1.50 3.50

Never before has such a gorgeous line of mirrors been displayed in Greenville

The line consists of French plate mirrors on gold and silver easels, and in triple mirrors with frames of the same materials. Our prices are very reasonable on this line

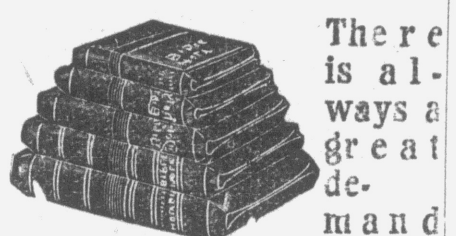

In leather goods we have a complete line of ladies shopping bags in all the popular colors of leather. Our prices range from 50c. to \$5.00

In bisque figures we have something that will appeal to your pocket book, however small or large it may be

toys, we have crums, rocking horses, dolls, tin toys etc.

There is always a great demand for Bibles at the Christmas season. The Bible makes a most appropriate gift for either young or old. We have them from 50c. 3.50

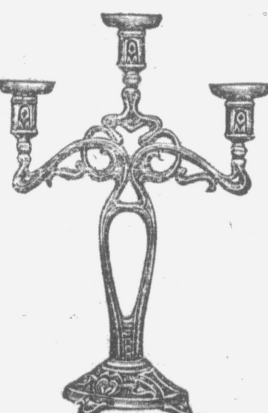

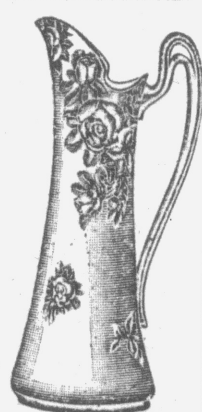

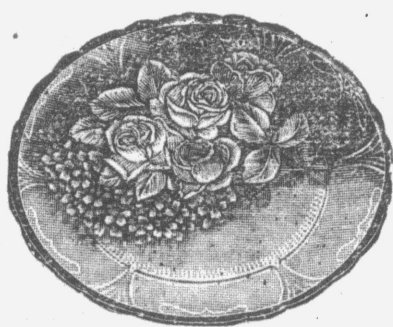

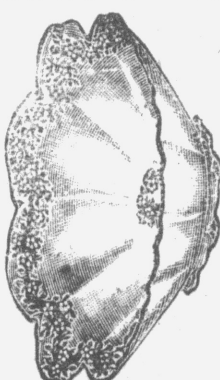

We especially call attention to our line of Christy, Fisher pictures, our calendars; Christmas and new year cards, and also to our holiday boxes for Christmas packages. We also have a complete line of holly tags and labels. No gift is complete without them

A book of poems in a dainty binding. A Christy Book, a new novel, and all the regular holiday editions, bring delight and enjoyment to the recipient. We always carry a good line of picture books, novels illustrated books, holiday editions and everything usually found in the Book line

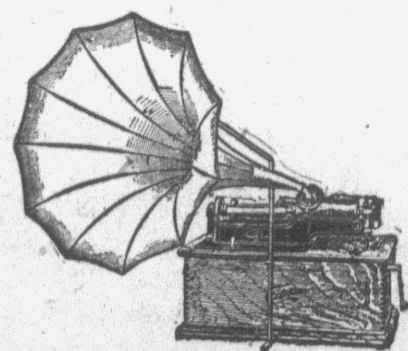

Be sure to see our line of Post Card Albums. Every post-card collector needs one, and nothing is more acceptable as a gift. Ask to see them

Our souvenir goods in silver, brass gun metal, and white metal are the most tempting of the whole line. We have hundreds of articles in silver, antique brass, gun metal and copper,

that will appeal to every holiday shopper in Greenville and the vicinity. Dainty and original, you may be sure the person to whom they are given has nothing like them. We have heard nothing but exclamations of delight whenever they have been shown. We also have articles of the same materials without the souvenir feature that are creations of beauty, jewelry cases, candelabras, puff boxes, pin trays, ink stands, pin cushions etc.

The talking machine is a gift to the family. Mr. Man you can do nothing better than buy one now. The whole family will enjoy it, and none of the family more than you. We handle both the Edison and the Victor machines and a full line of records for each

We have been very frugal in marking our line of Christmas goods and we believe the people of the community will appreciate the fact. You must come to our store if you see the real holiday line. All goods will be sold at prices marked

No where will you find such a collection in china goods as at our store. Our shelves are profuse with the world's china creations; the rich and modest line of hand painted Old

Ivory from Prussia, the delicate hand painted Nippon Art Ware from Japan, the brightly colored and artistically decorated pieces of our Tokio assortment, and the pretty creations from the German line. When you come to see us don't leave the store until you have seen our souvenir line of blue cobalt from Germany. This line consists of dozens of useful ornamental pieces containing views of Greenville. When you give a gift out of town give something that will give local touch to the one who receives it

The readers of this paper will be pleased to learn that there is at least one readable case that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease and giving the patient strength by building up the constitution and a sitting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimony. Address: F. J. CHENEY & CO., Toledo, O. TO MY FRIENDS.

Having been away for several
months I wish to announce to
my friends and patrons of the
"empire" of Pitt that I am still
connected with the firm of Chas.
M. Stieff, and if bachelors are
allowed to misuse the happy
term home as a synonym for a
"hanging out place" I still call
Greenville my home, and while I
intend to be away from Green-
ville a great deal of my time dur-
ing this fall a postal care of box
325, Greenville, will reach me
within a day or two. We now
have a number of slightly used
upright pianos, some of which
have been rented during the
summer months, others which
were temporarily used by artists
at the exposition and for orches-
tra work, at bargain prices.

We also offer a special school
piano for \$225 00 fully measuring
up in standard to any \$350 00
instrument. This piano is es-
pecially built for college and
school work for the special price
named above and is full guaran-
teed by my firm for 10 years.
Those interested in a school piano
or in a good slightly used piano
for the home should write
me at once and will profit
by it, and as ever I am always
mindful of my patrons' protec-
tion and interest as well as my
firm's interest. Grateful of past
patronage.
Very respt.,
