The first part of the program was recitations by the smaller children that would have done credit to those twice their age. Then there were songs and Santa ing for Pikeville. Claus marches by the larger pupils in which all acquitted themselves handsomely and showed that excellent training had been given them.

Elder Laughinghouse introduced Mr. and Mrs. Santa Claus Mount for Christmas. and there was a happy time as these took presents from the beautiful Christmas tree and delivered them to the pupils.

At the conclusion of the exer cises all departed for their homes wishing each other a merry Christmas and happy new year.

Chistmas is over with us now and it passed off very quietly. As the new year opens I hope we may all resolve to do better, and lets make next Christmas even a happier one than this has been.
