WHY DEMOCRATS OUGHT TO WIN, 1912

Election of Democratic President Almost Certain

ORGANIZE AND PULL TOGETHER

Indiana is Hopelessly Lost to Republicans—An Indication of How Iowa Stands—How Violators of the Pure Food Law are (not) Punished.

WASHINGTON, D. C., Oct. 27.—The Democrats, according to even Republican newspapers, ought to win in 1912.

All they have to do is to organize and pull together. The Republican party can not defeat the Democratic candidate for the presidency. The only possible thing that can prevent the election of a Democratic president in 1912 is the Democrats themselves.

There seems to be no way for the Republicans to avoid defeat if the Democrats get together and work, as they are now starting out to do.

Indiana Will Go Democratic.

The Philadelphia North American, Republican, sent its Washington correspondent, Angus McSween, to Indiana to report impartially on the conditions there.

Indiana is hopelessly lost to President Taft and the Republicans. From no indications is it possible to reason that they will be as strong as they were in the last election, when they lost every congressional district but one, and control of the legislature.

The Way The Wind Is Blowing.

A canvas of Green county, Iowa, made by mail, may be accepted as a thermometer showing how the political wind is blowing in that section.

If Mr. Taft should be nominated, will you support him? Yes, 21; No, 64; blank, 12.

Do you approve of the Payne-Aldrich bill? Yes, 12; no, 85.

Do you approve of Taft's action in the Balingger matters? Yes, 2; no, 91.

Do you approve of the attack of Dr. Wiley? Yes, 3; no, 81.

Do you approve of Taft's veto of the woolen schedule as passed by the last congress? Yes, 18; no, 70.

Do you believe the Taft administration favors the farmer and laborer or the trusts? Farmers, 6; trusts, 58.

A Staggering Blow.

The department of agriculture frequently issues a small pamphlet, telling of the outcome of suits filed by the department against violators of the pure food laws. One of these pamphlets, No. 1103, tells of a New York concern having plead guilty to using arsenic in the manufacture of a food product known as 'Light Shade Egg Color.'

LECTURE TONIGHT BY DR. RANKIN

IN GRADED SCHOOL AUDITORIUM

On The Subject "Relation of Health to Education."

The lecture tonight by Dr. Rankin on the "Relation of Health to Education," will be given in the auditorium of the graded school building at eight o'clock.

If there are any who doubt the wisdom of what we are trying to do to improve health conditions, especially among the children, I ask them to compare the number of absences from school here, caused by sickness, with the number of absences caused by sickness in orphan asylums.

Mr. Parent and Mrs. Parent: I know yours is a hard task, but our comparisons with the asylums seem to indicate some needs. The facts show conclusively that a large number of your children are frail and delicate.

Every child has a right to grow up with a strong body and a good mind. These most of them can have if they are properly cured in childhood.

The motive that has prompted us to undertake some work in behalf of the health of the children arises from a sense of duty. We hope the parents and the public will respond heartily.

the sugar trust. Were it not for the sugar tariff this package would cost 2 cents a pound less. Urge your congressman to repeal the tariff on sugar."

This is not an extract from a political speech. It is a statement of fact by Pittsburg grocers to their customers to show the latter who is not to blame for their robbery charges on sugar.

President Taft's Defy.

President Taft again defies anyone to name a single monopoly that ought to be condemned as a violation of the anti-trust law which "could" not be reached under the decisions of the Supreme court.

NEW CONTESTANTS IN TODAY'S LIST; BETTER LATE THAN NEVER

Prospective Candidates Had Better Join in the Race Today and Receive the Extra 10,000 Votes on First Yearly Subscriptions.

REMEMBER THAT IF YOU DON'T ENTER YOU CAN'T BE A WINNER!

Don't Delay, Send In Your Nomination Today.

Saturday is still another day nearer. This means that if you have not sent in that yearly subscription you will have lost the 10,000 votes that have been offered all this week.

The Early Bird.

In all races of life, those who get away to a better start are sure to be crossing the tape way ahead of the ones who stop to watch that start.

Schedule of Votes.

REAL GRIDIRON CONTESTS DUE.

Practically all The Leading Teams Have Finished Their Practice.

NEW YORK, Oct. 27.—The mid-season football games are now at hand. Practically all of the leading teams have finished their so-called practice contests and will have harder propositions to encounter with each game to come.

Yale is the only team that will have a comparatively easy time, meeting Colgate at New Haven. Harvard will have a formidable opponent in Brown and Princeton will have to play some against Holy Cross.

Some pretty evenly balanced teams will line up tomorrow in the middle west. Missouri will journey to Lincoln for a game with the strong Nebraska team and Minnesota and Iowa will play their annual game at Minneapolis.

Among the Southern colleges some interesting contests are in prospect. One of the most promising is that of Georgia Tech and Alabama at Atlanta.

to see that they get their subscription vote when paying their subscription at the office.

The Ten Vote Coupons.

That contestants fully realize the value of these ten vote coupons is attested by the fact that they are coming into the office of the Contest Manager at all times, from all quarters of the territory covered by the contest, and in all numbers.

The Daily List.

A careful daily perusal of the daily list will give a pretty good idea of what contestants think as to their standing. Quite a good many seem to have made up their minds to keep a steady position and by means of the ten vote coupons they are succeeding in their intention.

Pleasant and Profitable Work.

That this contest affords contestants a pleasant and profitable way to "put in" their spare time is quite apparent. Seven costly and beautiful prizes are being offered to the young ladies who by their energy stand higher when the votes are finally counted on Saturday, December 9.

Country Contestants.

For the convenience of contestants living in the country who are taking advantage of the 10,000 free vote offer closing tomorrow, their subscriptions will be accepted and credit will be given them provided the postmark in their letter is not dated any later than Saturday, 28, at 9 p. m.

KEEP TAFT BUSY IN CHICAGO.

From The Moment He Arrives Until His Departure.

CHICAGO, Ill., Oct. 27.—From the moment when President Taft arrives in Chicago tonight until his departure from the city next Monday afternoon, every minute is to be turned to account. His public appearances and his public addresses will be more numerous than in any other city visited on his present transcontinental trip.

TRADE REPORT.

Business Affected by The Low Price of Cotton.

RICHMOND, Va., Oct. 27.—Bradstreet's tomorrow will say for Richmond and vicinity: No new features are noted in trade conditions this week. Trading in all lines has been visibly affected by the low price of cotton, however, in lines not dependent on Southern consumption trade is in fair condition.

MYSTERIOUS MURDER OF MISS LINNELL

FOUND DEAD IN BATH ROOM.

Many Features of Interest in Connection With the Case.

BOSTON, Mass., Oct. 27.—Not for years has Boston been so thoroughly interested and stirred up as it is at present by the mystery surrounding the death, two weeks ago, of Miss Avis Linnell, a young and beautiful music student at the New England Conservatory of Music in this city, who died from poison in the bathroom of the Young Woman's Christian Association lodging house on Warrenton street on the evening of Saturday, Oct. 14.

But the sensational features which, at first, seemed to be lacking were soon supplied when the autopsy of the girl's body by the medical examiner disclosed the fact that the girl was in delicate condition at the time of her death.

From the very beginning, almost, there had been hints that possibly the Rev. Clarence V. T. Richeson knew more about the circumstances surrounding the death of Miss Linnell than he chose to admit. As the investigation progressed a strong suspicion arose that the young pastor had been in some way connected with the death of his former fiancée and few persons who had followed the developments of the case as reported by the newspapers, were surprised when, a week ago today, Rev. Richeson was arrested at the Edmonds mansion in Brookline upon the charge of murder.

The history of the case, so far as it is known at present, presents many features of uncommon interest. The Rev. Clarence Virgil Thompson Richeson was born in Rose Hill Va., about 35 years ago. He comes from a family of devout Baptists, many of whom are engaged in church and missionary work in various parts of the world.

Richeson was ordained at St. Louis in September, 1902. After having supplied a mission church at Kansas City for a while, young Richeson entered the William Jewel College at Liberty, Mo. A woman school teacher in Liberty, who took great interest in the bright and ambitious student, lent him the funds which he needed to complete his education at William Jewel College and later at the New-England Theological Seminary, where he completed his studies in the fall of 1909.

About one year before he had been called to the Yannis Baptist church and he remained in charge of that church until he resigned in April, 1910, to take charge of Immanuel Baptist church, Cambridge. When Richeson became pastor of the Yannis church Avis Linnell was a student at the Hyannis high school. She had a fine voice and used to sing in Richeson's church. The young and handsome minister became acquainted with the beautiful and charming school girl and associated a great deal with her.

When Rev. Richeson left Hyannis and became pastor of the Immanuel church in Cambridge, Avis Linnell followed him to Boston. She entered the Conservatory as a voice student and lived at the Y. W. C. A. home on Warrenton street. When she was informed that Rev. Richeson

was engaged to Miss Edmonds, the daughter of a wealthy family in Brooklyn, Avis Linnell did not lose her confidence in her lover. She said, it was a mistake and continued to meet the fickle minister. She frequently visited him at his lodgings and went out with him. On the evening of October 14, she returned to her lodgings and about an hour later she was found dead in the bathroom. Her death was caused by cyanide of potassium and the police are said to have positive proof that Richeson purchased a quantity of the poison the day before the girl's death.

Claim Paid Promptly.
GREENVILLE, N. C., Oct. 27, 1911. Mr. H. Bentley Harriss, Greenville, N. C.
My dear Sir:
I wish to express my appreciation for the courteous attention you have given, and the honest and generous action of your great company in the adjustment of claim No. 1925847, held by my wife, the late Mattie D. Fleming.

This policy was written on the 24th day of last July, with a special term premium of \$2.29 to October the first, at which time the regular annual premium of \$33.52 would have been due. This special premium of \$2.29 was paid on the 2nd day of September, and on the 3rd day my wife was taken with a congestive chill, from which she died on the 6th. Today I am in receipt of the Mutual Life's check for \$1000.00, which is in high testimony of the company's honest purpose to protect its policyholders and their interests. I had been told by others that the first annual premium of \$33.52 would be deducted from the claim, but I find it as you told me, that this was not done, as the whole amount is paid.

I shall carry my own insurance in this company, and advise my friends that there is none better.
Very gratefully yours,
JOS. D. FLEMING.
