TAMMANY THE ISSUE IN NEW YORK

ELECTIONS FOR NEXT TUESDAY.

A Sheriff, Four Judges, Members of General Assembly to be Elected.

NEW YORK, Nov. 4.—A sheriff, four judges of the state supreme court and members of the general assembly are to be elected in New York county next Tuesday.

The principal reasons why the public and the politicians regard the campaign as of more than the usual off-year importance are to be found in the intensified bitterness of the old fight against Tammany under the rule of "Boss" Murphy.

The charge that Murphy is striving at this time to nationalize his control of politics has given the fight more than a state-wide interest.

William R. Hearst evidently sizes up the situation in about the same way as does Mr. Murphy. He has heretofore taken time by the forelock with the intention of first defeating Murphy and then becoming a candidate for the Democratic presidential nomination.

Tammany is making its strongest fight for the office of sheriff, with Julius Harburger, a well known politician, as the organization candidate.

SATURDAY, NOVEMBER 4, 1911

The next big event is Thanksgiving Day.

This is the day after, and it is our tired day.

All the folks are happy that the Pitt county fair was such a great success.

Yes, The Reflector is proud of it, for it is the greatest event Pitt county has ever had.

The successful fair Pitt county has just held gave the people something to talk about for a long time.

The visitors from the outside are ready to join with the home folks and say that Pitt county is the best in the state.

The children from the rural schools who came to participate in the parade, made a splendid impression by their fine appearance.

If there is a citizen of Pitt county who attended the Pitt county fair and does not feel proud of it, he is—well, anything you may call him except a loyal Pitt countian.

Everybody is praising everybody over the success of the Pitt county fair. Really, everybody who had a hand in planning it and carrying it out is entitled to praise.

The fair and everything connected with it has just been so immense that it is going to take the Reflector several days to tell all about it, as in the rush many things that should be mentioned escaped us now.

As soon as the officers can go over and classify the list of premium winners in the different departments of exhibits at the Pitt county fair, the names of the winners will be published. This will be done one day the coming week.

Our Orphan Children.

The annual proclamation by our president, calling upon all people to give thanks to Almighty God for His manifold mercies and blessings during the past year should draw the minds of our people more than ever to the needs of the great work which is being done for the dependent orphan children of our state.

This work is growing each year and the number of applications for admission to destitute, homeless children, who have been deprived of their natural protector, is constantly increasing. Most nobly have our people responded to the increased needs, caused by advance in cost of living and expansion of the work. We look with pride at the various institutions where these little ones are being cared for and trained for greatest usefulness to God and the world. There is every reason to believe that the investment which has been made has already paid rich returns in an educated, Christian manhood or womanhood of former inmates, who but for these institutions, would have remained in ignorance and want.

The needs of the work are constantly increasing as the cost of living ad-

vances, the number cared for grows larger, and their education and training takes a broadened scope; therefore, in order to do the greatest good to the greatest number these institutions must have increased and larger gifts. In the good state of Georgia, a plan has been inaugurated to get all friends of the work to give one day's salary or wages to aid this cause. The result was an offering of \$150,000. Will not each of our readers follow this example and give their income for one day out of three hundred and sixty-five and thus help the homeless children of our state? We desire to publish a list of those who will make this contribution. Send us the amount and state what orphanage you desire it sent to, and we will forward the contribution and credit same in the published list. If you prefer to send it direct to the institution of your choice, you may do so. What we desire is to get each man or woman who feels it in their heart to aid this cause to

THIS LADY'S GOOD APPETITE

Mrs. Hansen, in a Letter From Mobile, Tells How She Gained It.

Mobile, Ala.—"I suffered for seven years, with womanly trouble," writes Mrs. Sigurd Hansen in a letter from this city. "I felt weak and always had a headache and was always going to the doctor. At last I was operated on, and felt better, but soon I had the same trouble.

My husband asked me to try Cardui. I felt better after the first bottle, and now, I have a good appetite and sleep well. I feel fine, and the doctor tells me I am looking better than he ever saw me."

If you are sick and miserable, and suffer from any of the pains due to womanly trouble—try Cardui. Cardui is successful because it is composed of ingredients that have been found to act curatively on the womanly constitution.

For more than fifty years, it has been used by women of all ages, with great success. Try it. Your druggist sells it.

WILMINGTON, Del., Nov. 3.—Though the sensational divorce case of John Bancroft, Jr., from his wife, Madeleine Bancroft, of the notable du Pont family and the counter suit of the wife for divorce, are scheduled for trial at the term of court beginning next Monday it is probable that both cases will be postponed until the January term, owing to the delay in securing testimony from witnesses now abroad.

Mrs. Elmer Harrington, wife of Mr. C. D. Harrington, died suddenly Friday evening at their home about four miles from town. Mrs. Harrington was a daughter of Mr. and Mrs. Ashley Whichard, of Greenville. The funeral will take place Sunday afternoon.

A Busy Booth at the Fair.

At J. Benjamin Higgs' Dunlop booth at the fair, where he kept a register for visitors, there were 1095 registrations on Thursday, and something like a thousand post cards and letters were mailed from there. These registrations did not include those of all who visited the booth. On Friday the number who registered was even much greater than the first day. His booth was kept busy all the time waiting on the general public, as it was headquarters for letter writing and sending telephone and other messages. This included local and long distance telephoning, handling Western Union telegrams, messenger service in town, page service around the fair, and a stenographer for business men; also desks with post cards and stationery for ladies, which with stamps were furnished free.

Mr. J. D. Cox came home Wednesday night to attend the Pitt county fair.

If you are in need of a good sewing machine it will pay you to examine the "Free" at A. W. Ange and Company.

One hundred and eighty-one of our people attended the Pitt county fair at Greenville Friday.

Remember Harrington, Barber and Company are still running a 10c counter and it is full of real bargains. Come and see them.

Laughing Theodore took his "laugh" up to the Pitt county fair but he failed to get any premium on it.

FRIDAY'S FAIR CROWD.

Largest Number of White People Ever in Greenville.

The crowd here at the Pitt county fair on Friday was something wonderful. Everybody is remarking on it and many declare that never on a former occasion were so many white people gathered in the town at one time. The crowd has been estimated from eight to ten thousand. The Reflector placed the number of school children in the school parade at twelve to fifteen hundred, and some who had the opportunity of noting the number in line more closely say that it was fully two thousand. It was certainly a great crowd and a great occasion, and reflected much honor on Pitt county.

Everything in this world is some use, although some of the inhabitants seem to be the exceptions to the rule.

A GREAT DISCOVERY.

Certain Ingredients That Really Promote Hair Growth When Properly Combined.

Resorcin is one of the most effective germ destroyers ever discovered by science, and in connection with Beta Naphthol, which is both germicidal and antiseptic, a combination is formed which destroys the germs which rob the hair of its natural nourishment, and also creates a clean, healthy condition of the scalp, which prevents the development of new germs.

Pilocarbin, although not a coloring matter or dye, is a well-known ingredient for restoring the hair to its natural color, when the loss of hair has been caused by a disease of the scalp.

These ingredients in proper combination, with alcohol added as a stimulant and for its well-defined nourishing properties, perfect perhaps the most effective remedy that is known for scalp and hair troubles.

We have a remedy which is chiefly composed of these ingredients, in combination with other extremely invaluable medicinal agents. We guarantee it to positively cure dandruff and to grow hair, even though the scalp in spots is bare of hair. If there is any vitality left in the roots, it will positively cure baldness, or we will refund your money. If the scalp has a glazed, shiny appearance, it's an indication that baldness is permanent, but in other instances we believe baldness is curable.

We want every one troubled with scalp disease or loss of hair to try Rexall "33" Hair Tonic. If it does not cure dandruff and grow hair to the satisfaction of the user, we will without question or quibble return every cent paid for it. We print this guarantee on every bottle. It has effected a positive cure in 93% of cases where put to a practical test.

Rexall "33" Hair Tonic is entirely unlike, and we think, in every particular, better than anything else we know of for the purpose for which it is prescribed. We urge you to try this preparation at our entire risk. Certainly we know of no better guarantee to give you. Remember, you can obtain Rexall Remedies only at our store—The Rexall Store, Moyes Pharmacy, Greenville, N. C.

SAGE AND SULPHUR.

Darkens the Hair, Gives Color And Lustre to Faded and Gray Hair.

From time immemorial, sage and sulphur have been used for the hair and scalp. Almost everyone knows of the value of such a combination for darkening the hair, for curing dandruff and falling hair, and for making the hair grow.

In olden times the only way to get a hair tonic of this sort was to brew it in the home fireplace, a method which was troublesome and not always satisfactory. Nowadays almost every up-to-date druggist can supply his patrons with a ready-to-use product, skillfully compounded in perfectly equipped laboratories. The Weyth Chemical company, of New York, put up an ideal remedy of this sort, called Weyth's Sage and Sulphur Hair Remedy, and authorize druggists to sell it under guarantee that the money will be refunded if it fails to do exactly as represented.

If you have dandruff or if your hair is turning gray or coming out, don't delay, get a bottle of this remedy today, and see what a few days' treatment will do for you.

This preparation is offered to the public at fifty cents a bottle, and is recommended and sold by all druggists. Special Agent, Moyes' Pharmacy.

Your Grocer Likes His Cup of French Market Coffee!

Perhaps he drank it in New Orleans before the war.

Perhaps his father had always stopped at the old French Market, when he was in New Orleans, to sip a cup of that delicious beverage.

Or his grandfather may have heard how well General Andrew Jackson liked this famous blend.

Everywhere in the history of this most historically interesting of all American cities—New Orleans—you find references to this marvelous coffee with a history—

French Market Coffee

Then—and for hundreds of years before—it could be had only at the old French Market in New Orleans. But now you are so fortunate as to be able to serve it, daily, on your own table.

For the rare old French blend is perpetuated in all its original smoothness and delicacy of aroma and flavor by

The Same Unique Hygienic Roasting Process

and since the establishment of the French Market Mills real old French Market Coffee is to be had

At All Grocers

in hermetically-sealed tins. All the natural aroma and delicious flavor is preserved in its full strength and purity. No human hand touches French Market Coffee from the roasters to the cup.

Try it, and you, too, will agree that there is only one French Market flavor.

THE PITT COUNTY FAIR.

As Viewed By a Farmer and Business Man.

"Breathes there a man with soul so dead,
Who never to himself hath said:
This is my own, my native land!"

Certainly, no citizen of Pitt county who attended the county fair, has gone away without a deeper feeling of patriotic pride for this great old county,—great in many ways—rich in natural resources; abundant in the products of the soil; particularly blest in climate, and with all, a most inviting place to live, but greater and richer than all these, is she, in the spirit of pride and progress that is gripping the hearts and heads of her citizenship.

The opportunity has not before been given to the people of Pitt county to especially show what they had, or what they could do. The people have merely been contented to do things, to create, to produce, and enjoy the fruits of their labors, without inviting, or attracting any great attention, but through the efforts of a few good farmers and public spirited citizens, farmers like Abe Moye, Greg Tyson, Bob Little, John Evans and others, who having faith in themselves and knowing the county's resources, began agitating only a short time ago for a public display of the county's products, that our own people might open their eyes to our own greatness, and that others also might have a look, and be attracted by our fruitfulness. Result, the Pitt County Fair Association was organized only a few months ago. The work of enlisting the co-operation of the whole county was secured by the election of competent and capable officers, and supporting them by the selection of a board of governors from every town and locality in the county. These men, promptly, from a sense of patriotic duty, went to work to pull off the first Pitt county fair. How the hearts of each man, woman and child who has had a hand in this noble work must swell with honest pride in the contemplation of this creditable exhibit of agricultural, live stock and household resources of Pitt county, creditable alike to the management and exhibitors. This writer does not know how to do credit to the exhibits in detail. It was simply great as a whole, lacking in no particular feature, but needing only a better place, more room and permanent grounds to make it as good as the best in the state. From expressions heard on every hand, these will be found ere another year, then there will be displayed in both quantity and quality, the products of the best county in the state.

Here Is Where The Draft Enters

The most perfect draft ever discovered is the patent Hot Blast Draft of the Wilson Heater. The only draft that secures perfect combustion and prevents waste. This draft is found only in the

Wilson NOT BLAST Heater

The air enters at the top, drives the combustible gases into the fire where they are burned—prevents the escape of heat up the chimney—doubles the heating power of the fuel. In other words, only half the amount of fuel used in ordinary heaters is necessary. The Wilson is air-tight, making perfect combustion possible and a fire can be held 24 hours. We sell Wilson Hot Blast Heaters for either wood or coal.
