## JUSTICE CLARK ON BIG PENSION

### If Sherwood Bill Passes it Sounds Death Knell of Tariff Reduction

### IMPOSES ADDITIONAL TAX ON SOUTH

#### MORE ANNUALLY IN TAXES. THE PENSION BILL THAT PASSED THE HOUSE WILL MAKE NORTH CAROLINA PAY \$2,000,000

There is much discussion everywhere over the service pension bill that passed the house on Tuesday. It carries an appropriation that will be in the neighborhood of seventy million dollars, making the aggregate annual appropriations for pensions in the future about \$225,000,000. This burden falls on all the state and will impose heavier taxes on North Carolina than the state levies for state government. Chief Justice Walter Clark, who has a habit of speaking plainly his views on public questions, discussing the matter yesterday, said: "If this bill should also pass the senate it ends all discussion of tariff reduction. Revenue must be raised for the additional \$75,000,000 required by the new act. The present tariff has been maintained by a combination between the protected industries and the thousands of pension agents, since it is always urged that if the tariff is reduced the government will be unable to pay its expenses without a reduction of the pensions."

"The government reports show that since the war we have paid for Federal pensions and soldiers' homes 4,500 million dollars, of which the South, having about one-third of population, has paid 1,500 million dollars as a 'war indemnity.' Of this North Carolina, being about one-fourth in population of the Union, has paid about 112 million dollars. The taking from this state and the South of these enormous sums has been the prime cause of the poverty which has repressed the development of the South. The money for pensions collected from the North has been spent mostly in those states plus that collected from the South."

"The proposed addition now of 76 million dollars to the pension fund means an additional levy upon the South of 25 million dollars annually, as an additional war indemnity, for uncounted years. If any one is bold enough to say the South ought to have paid this enormous fine in the past, it is certainly unjust to levy it upon this generation of Southerners, not one in ten of whom was living during the war. It will be observed that of this proposed addition of 75 million dollars, North Carolina will pay nearly 2 millions annually. If there was a suggested appropriation of 100 thousand dollars by our state legislature for our own benefit it would cause great discussion, but here is a proposition to add 2 million annually to taxes raised out of North Carolina, which can be of no possible benefit to her, and there is hardly a voice raised to denounce the crime. Shall North Carolina and the South always be dumb in the presence of such imposition, as a sheep before its shearers?"

"The pension list of the United States for service, largely fictitious, in 1861-1865 to soldiers from one section of the country is larger than that which Germany pays to maintain an army of 500,000 men and it is now proposed to add to that half as much again. We know that the pension list reeks with fraud. We know that the United States pension commissioners, at the very head of the pension bureau, drawing \$7,500 per year salary, at that very identical time were drawing a pension of \$72 per month for total disability incurred in the war! Also that a judge of the Supreme court of one of the northern states, with a salary of \$6,000, was at the same time drawing a like pension for total disability! Competent authority has said that at least one-third of the pensions now being paid are fraudulent. That these frauds are connived at is due to the fact that the protected interests wish a big pension list as tariff puts as many times as much an excuse to maintain the tariff. The money into the pockets of the interests as it raises for the government, so the people are plundered first for fictitious pensioners and then many

### Cutting Alray Saturday Night.

James Allen's condition on Saturday night seemed to be a forerunner of holiday celebration. He strolled into W. S. Fleming, Jr.'s store and as his manner was somewhat boisterous, Fleming tried to oust him, but Allen got out a knife and left a souvenir of his short visit on Fleming's head. Said souvenir, consisting of a 4-inch cut, which called for 9 stitches at the hands of Dr. Laughinghouse. Allen will be tried in the January term.

## GERMANY CALLS KNOX'S BLUFF

### TARIFF LETTER OF SECRETARY OF STATE INEFFECTIVE.

#### Threat Of Tariff Hostilities Between United States And Germany Contained In Secretary Knox's Letter To Congressman Underwood.

BERLIN, Dec. 17.—The German government sees no occasion to concern itself with the threat of tariff hostilities between Germany and the United States contained in the letter written by Secretary Knox to Representative Oscar W. Underwood, chairman of the ways and means committee of the house of representatives in which the secretary suggests that the tariff act should be amended so as to provide additional duties or to prohibit importations of food from any nation which places restrictions on the entry of American goods.

The authorities will await action by congress.

The government has received nothing in the way of preparation for action, either through the embassy here or through Count von Bernstorff, the German ambassador at Washington. A report, however, has been asked for from the German ambassador.

Public opinion is very little concerned about the matter, particularly in view of Representative Underwood's declarations in the house of representatives taking an unfavorable view of Mr. Knox's proposal. What additional comment appears in the newspapers takes an unfavorable tone.

NEW YORK, Dec. 18.—Dr. Lyman Abbott, the noted clergyman, author and editor, received many congratulations today on his seventy-sixth birthday anniversary. Dr. Abbott was born in Roxbury, Mass., December 18, 1835.

## STOKES' TRIAL IS ENDED

### Both Girls Are Set Free By the Jury— Verdict Reached in 58 Minutes

### EXCITEMENT REIGNS IN COURT ROOM

#### ETHEL CONRAD SOBS HYSTERICALLY WHEN THE VERDICT IS BROUGHT IN—MISS GRAHAM MORE BRAVELY.

NEW YORK, Dec. 17.—Lillian Graham and Ethel Conrad were freed late yesterday of criminal charges on which they had been held since last June for shooting the millionaire sportsman and hotel proprietor, W. E. D. Stokes. The jury reached its verdict in 58 minutes.

The "shooting show girls" were tried on an indictment of three counts, the first charging an attempt to murder Stokes. Of consideration of this count, however, the jurors were relieved by Justice Marcus, at the request of the district attorney. The court restricted the jury to the second and third counts, which charged respectively, assault in the first degree, with intent to kill, and assault in the second degree, with intent to do bodily harm.

While the jury was deliberating the two defendants were held prisoners in an adjoining room. Waiting was obviously a severe ordeal for both. When summoned to hear the verdict, Miss Graham appeared completely unstrung and was assisted into the court room trembling in every limb. The more spirited Miss Conrad came unassisted, but she seemed very nervous.

When the foreman announced the words, "Not guilty," Miss Conrad cried, "Thank God" and went into violent hysterics. She sank to the counsel table, then jumped up again, shrieking and tearing her hair and throwing her arms about wildly. It was a surprise to the spectators, for Miss Conrad had kept much the better nerve of the two defendants throughout the trial. On the other hand, Miss Graham, who continually wept during the trial and sobbed the more when she heard the verdict, recovered herself when she saw her companion so affected and acted as the comforter to her younger friend.

It was at first thought Miss Conrad had misunderstood the verdict and her companion tried to assure her that they were free. "Oh! I know," she said. "Tell mother we are free. Tell her we are coming home." The girl's hysteria continued ten minutes before her friends succeeded in quieting her.

She recovered as suddenly as she was attacked, and with Miss Graham on her arm, left the court room to be greeted with cheers by a large crowd gathered outside.

The jurors took four ballots. Three resulted 11 to 1 for acquittal, the one man dissenting being in favor of a conviction on second degree assault.

The summing up argument, Assistant District Attorney Buckner made against the girls, was a dramatic feature of the trial. He flourished the revolvers with which the girls had shot Stokes and punctuated his recital of the shooting and his scorching denunciation of both Stokes and the girls by frequent snaps of the trigger.

"Law must be enforced to be ennobled, not to be laughed at, giggled at, spat upon, and danced upon, and

### Centenary Of Noted Merchant.

NEW YORK, Dec. 18.—The dry goods trade in the metropolis joined today in a suitable observance of the centenary of the birth of Horace B. Clafin, one of the greatest merchants America ever produced. Mr. Clafin was born in Milford, Mass., December 18, 1811, and engaged when a boy in the dry goods business. From a humble beginning his business grew to the largest in the country. The organization which he perfected is still one of the largest in the world and its sales in a single year have aggregated more than \$75,000,000. Mr. Clafin's claim to fame rests largely upon his shrewd financing during the panics that disturbed the business world during the greater portion of his life. He not only weathered every panic, but his financial stability supported many of the largest mercantile enterprises in the country.

sung in the vaudeville stage," were some of Mr. Buckner's words.

Stokes was shot when he called at the apartments of the show girls on the night of June 7. He said he had gone there at the invitation of Miss Conrad with the expectation of getting letters he had written to Miss Graham and that when he got there the girls demanded money with a flourish of revolvers and a threat to shoot. The girls declared Stokes attacked them and that he seized their revolvers long enough to fire two shots, and they shot also, into the millionaire's legs.

More favorable word as to Mr. Stokes' condition was given out today. The attending physician said his patient was progressing favorably.

"Mr. Stokes is ignorant of the acquittal of Lillian Graham and Ethel Conrad," added Dr. Thornley, "and did not even know that the case had gone to the jury. I don't care to jeopardize the chances of my patient's recovery by discussing the case with him or allowing anyone else to do so."

### EXTEND HAWLEY LINES.

#### Three Railroads Are To Be Combined.

MINNEAPOLIS, Minn., Dec. 18.—Stockholders of the Minneapolis and St. Louis railroad met here today to approve the new financial plan by which the Minnesota and St. Louis and the Iowa Central roads are to be combined. The Iowa Central stockholders are called to meet in Chicago tomorrow for the same purpose.

The combining of the Minneapolis and St. Louis and the Central lines is a part of the plans of the Hawley interests which aim to have a through system from the Canadian border to the Gulf of Mexico to be in operation by the time the Panama canal is completed. At present the northern terminus of the Iowa Central is Albert Lea, Minn., and southern terminus Albia, Iowa. It is planned to extend the Minneapolis and St. Louis to the Canadian line and to build another 115-mile road from the southern terminus at Albia into St. Louis. At the last-named point connection will be made with the Missouri, Kansas and Texas road, also controlled by the Hawley interests, which will afford through service to the gulf.

### On Trial At Carlville.

CARLVILLE, Ill., Dec. 18.—Henry Smith, accused of causing the death of his wife, was placed on trial today in the Macoupin county circuit court.

## ANGLO GERMAN WAR IMMINENT

### ENGLISHMAN SAYS TWO NATIONS WILL FIGHT WITHIN 6 YEARS.

#### John Norton Griffiths, Conservative Member of Parliament Says That England And Germany Will Have It Out Before Half Dozen Years.

NEW YORK, Dec. 18.—John Norton Griffiths, conservative member of parliament for Wednesbury believes that within the next six years England and Germany will be at war and all of Europe will feel the effects of the conflict. He made this prophecy without qualification following his arrival in New York from the Canadian northwest. In saying it he gave what he believed to be the reason for Canada's refusal to accept reciprocity at recent election.

"The people of Canada," said Mr. Griffiths, "realized in their election that a far graver problem than trade comity with the United States confronted them and that problem was the bringing together of the English empire in unity to confront the menace of a war which would soon threaten the existence of the mother nation."

"I believe that there is no doubt," he continued, "but what within the next six years—maybe much sooner—England and Germany will be at war and all Europe will be shaken by the conflict."

"Yes, and America, too, for America could not help feeling keenly the existence of so great conflict that will assuredly be. Why do I think this? Because the whole German nation is seeking a war with us at every turn of the road and when a whole nation is behind a thing like this there is no stopping it. The bankers stopped war at the time of the recent crisis but war is very near and the bankers cannot always stand in the way of a whole people."

## DENNIAL OF RUMOR THAT RYAN IS TO SELL

### List of Late Trust Officials to Remain Unchanged

### BUCK DUKE AS THE PRESIDENT

#### THE REPORT THAT THOMAS FOR- TUNE RYAN WAS GOING TO LET GO OF HIS TOBACCO HOLDINGS FLATLY DENIED.

NEW YORK, Dec. 16.—It has been rumored for a week or more that Thomas F. Ryan was contemplating selling his large interest in American Tobacco securities and retiring from the company altogether. According to the rumor he planned to effect the sale through a general distribution and not by a lump transaction, as he is reported to have done with several large financial institutions.

This report was absolutely denied today by a close business associate of Mr. Ryan, who himself is one of the largest holders of American Tobacco common stock.

It is known that some of the other largest individual holders of that security have already filled out their warrants for the common stock of the Liggett & Myers and P. Lorillard companies, which, under the terms of the disintegration plan, they are allowed to buy from the American Tobacco company.

There is every reason for believing that its business, and that of its subsidiaries will be highly profitable under the new arrangements and that consequently it will be possible to declare as large dividends on American common as have ruled in the past.

So far as can be learned, no important changes have taken place recently in the directors and officers of the American Tobacco company.

It has been rumored that Percival Hill, vice-president, will succeed J. B. Duke as president.

It has been utterly impossible to get any verification of this rumor. But on the contrary, it is authoritatively stated that Mr. Duke has no intention of retiring from the company or from active business in general.

W. W. Fuller will retire as general counsel on December 31 and will be succeeded by Junius Parker, who has been his associate for some years.

A. H. Burroughs, who has looked after the patent interests of the company, will also retire.

It has been rumored that these three gentlemen will form a law firm and thus be able to act as counsel for all the companies in the tobacco combination.

Apparently there is no truth whatsoever in this rumor.

Frank Fuller, a brother of W. W. Fuller, will go to St. Louis as general counsel for the Leggett & Myers company.

### OZARD LAND CONGRESS.

#### Brings A Host Of Noted Agricultural Experts.

SPRINGFIELD, Mo., Dec. 18.—The second annual Ozard Land congress, which convenes in this city tomorrow for a four days' session, will bring together a host of noted agricultural experts, public officials and representatives of commercial and industrial organizations. Governor Hadley is scheduled as the speaker at the initial session tomorrow morning.

### John R. Walsh Will Probated.

CHICAGO, Ill., Dec. 18.—The will of John R. Walsh, the former Chicago banker, who died early in November following his release from the Leavenworth penitentiary, was admitted to probate today. Mr. Walsh left an estate of \$808,000. The will named his widow, Mrs. Mary L. Walsh the sole heir.

### New Hampshire Grange Meeting.

The regular business of the meeting will be taken up tomorrow morning and will conclude with the installation of officers next Thursday.

### FOGLER-CLARK GAIN ONE LAP IN LAST OF SIX DAY RACE

NEW YORK, Dec. 18.—The last of the six-day bicycle race in Madison Square Garden began with a terrific burst of speed, which resulted in the lapping of three teams and this was followed at 2 o'clock in the morning by a wonderful spirit which gave the Fogler-Clarke combination a lap lead on the field. The early morning hours were full of sensational spurts and spills and an audience of nearly 10,000 stuck to their seats until daybreak watching sensational scenes.

By 5 o'clock every rider showed the effects of the exhausting morning's work and the pace fell to little more than a crawl.

Score at 9 o'clock, 123 th hour:

Fogler-Clarke, 2,477 miles, 8 laps.

Kramer-Moran, Halstead-Drobach, Prye-Collins, Cameron-Magin, Demara-Lawrence and Lorenzo-Saldow, 2,477 miles, 7 laps.

Hill-J. Bedell, 2,477 miles, 6 laps.

Lapiz-VanHuwert, 2,477 miles.

Record, 2,489 miles, 6 laps, by Hill Demara, in 1908.

### Farmers' Union Officers.

The North Carolina Farmers' union, at Wilson, elected the following officers: President, H. Q. Alexander, of Matthews; vice-president, J. M. Templeton, of Cary; secretary and treasurer, E. C. Garris, of Charlotte; state organizer, J. Z. Green, of Marshville; business agent, J. R. Rives, of Sanford. Most of the morning session of the convention was consumed in the election of the executive committee. The following were elected: W. G. Crowder, of Wake; W. B. Gibson, of Iredell; C. C. Wright, of Wilkes; I. P. Coggins, of Catham, and W. H. Moore, of Pitt.

### Y. W. C. A. Services.

President Wright conducted the Christmas service of the Y. W. C. A. on Sunday evening. His theme was "Love." He said that real love does not develop until the human being begins to reach out beyond self. In young manhood or womanhood love comes in from a thousand different sources as the mental horizon broadens—love of money, fame, nature and other creatures and God comes to him. The brightest type of man is the man whose love reaches out in the most directions and who gives his ear to only the lightest and best calls. He understands love in its depest, broadest, truest sense.

The singing of Christmas songs was an enjoyable feature of the service.

## CONVENTIONS FOR GREENVILLE

### WOULD COME IF POSSIBLE TO ACCOMMODATE THEM.

Dame Rumor has it that conventions could be brought to Greenville and all the benefits that such gatherings bring with them, if only a convenient accommodation could be made ready no later than the coming April. It seems that if a modern hotel were to be built in Greenville, such conventions could be made to come our way.

Discussing matters of business with the secretary of the Carolina club, Mr. J. Benjamin Higgs, yesterday, and he showed us some personal correspondence which makes us believe that if a modern hotel were to be added to Greenville it would not be a hard matter to induce good business gatherings into our midst. We have in the court house seating capacity for 600, comfortable room for nearly 1,000 in the Training school auditorium. In either of these places conventions could take place. But where would the visitors be housed? Here is where the immediate need of a modern hotel makes itself felt. If, besides, an auditorium to be used as an opera house were to be built in conjunction with the hotel, then we would be in a position to make a strong bid for conventions.

Mr. Higgs showed us that he has friends that will use their influence in bringing conventions to our town. One organization will meet twice a year somewhere in the state, and at least 350 members are to gather. This is but one example. He showed us many.

It really seems that it is high time for such an addition as a large, modern hotel was built in Greenville.

Fair tonight and Tuesday; moderate northwesterly winds.

There is one thing that has been taken away from a Vanderbilt. Cornelius was operated on for appendicitis last week. Too bad some of them can't be operated upon for a chain of railroads, or something like that.

From the Asheville Board of Trade we have received the following news item:

That the mountains of Western North Carolina, and Buncombe county in particular, is one of the best corn growing sections in the country is evidenced by the fact that a sixteen-year-old boy, Corbett Alexander, of Farm School, near Asheville, has just harvested 156 bushels and 2 pounds of shelled corn from a measured acre of land. This was one of the demonstration acres entered in the contest of the United States Department of Agriculture, bureau of Plant Industry, of Washington, and the land was prepared and cultivated in accordance with the methods prescribed by the demonstrator in charge of the work in this county, Mr. E. D. Weaver, this demonstration work being done with the assistance of our energetic board of county commissioners.

The soil is of the black loam, about two feet in depth, with clay subsoil and has been farmed about a hundred years and during 1910 was planted to potatoes. The land was broken for the 1911 crop in December, 1910, 14 to 16 inches deep with a No. 40 Oliver chilled plow and four mules and a disc harrow three times. The corn was planted 12 to 18 inches apart in the row, the rows being four feet apart. There was used on this acre 1,100 pounds of commercial fertilizer and 15 tons of stable manure. The crop was harrowed and cultivated five times, using the ordinary cultivator with four feet.

It is stated that the former average yield for this land under the old methods of cultivation was 40 to 50 bushels, while under the new methods being promulgated by the Agricultural Department, the yield has taken no other.

**Ends Winter's Troubles.**

been increased to 156 bushels. This is the highest yield of any acre in the county and won first prize in the contest.

Corbett Alexander, who did the entire work on this acre, is a sturdy, active young lad, with plenty of energy and ambition, and has used his best efforts to make a corn record for the county, and states that he intends to increase this amount next year.

The above goes a long, long way to show what some cities in North Carolina are doing to succeed. Asheville realizes that it has a good thing and loses no time in letting it be known.

We, here in Greenville, have many good things. Pitt county is the best county in Eastern North Carolina. Why not let it be known?

**How A Greenville Citizen Found Complete Freedom From Kidney Troubles.**

If you suffer from backache—From urinary disorders—From any disease of the kidneys, Be cured to stay cured.

Doan's Kidney Pills make lasting cures.

Greenville people testify.

Here's one case of it: James Hardison, 411 Fifth street, Greenville, N. C., says: "I had trouble from my kidneys and the kidney secretions passed too frequently at night. In the morning when I got up, there was a lameness across my thighs and I also suffered from backache. Doan's Kidney Pills, which were procured from the John L. Wooten Drug Co., relieved all these symptoms of kidney complaint and restored my kidneys to a normal condition. At the present time I am free from backache and I have no hesitation in giving Doan's Kidney Pills the credit for bringing about this change." (Statement given January 14, 1908).

No More Trouble.

On December 17, 1910, Mr. Hardison said: "I take pleasure in confirming my former statement in praise of Doan's Kidney Pills. This remedy made a permanent cure in my case and during the past two and a half years I have had no need for a kidney medicine."

### RESTORE GRAY HAIR TO NATURAL COLOR.

**By Common Garden Sage, A Simple Remedy For Dandruff, Falling Faded, Gray Hair.**

The old idea of using sage for darkening the hair is again coming in vogue. Our grandmothers used to have dark, glossy hair at the age of seventy-five, while our mothers have white hair before they are fifty. Our grandmothers used to make a "sage tea" and apply it to their hair. The tea made their hair soft and glossy, and gradually restored the natural color.

One objection to using such a preparation was the trouble of making it, especially as it had to be made every two or three days, on account of souring quickly. This objection has been overcome, and by asking almost any first class druggist for Weyth's Sage and Sulphur Hair Remedy the public can get a superior preparation of sage, with the admixture of sulphur, another valuable remedy for hair and scalp troubles. Daily use of this preparation will not only quickly restore the color of the hair, but will also stop the hair from falling out and make it grow.

Get a bottle from your druggist today. Use it and see for yourself how quickly dandruff goes and gray hairs vanish.

This preparation is offered to the public at fifty cents a bottle, and is recommended and sold by all druggists. Special Agent, Moye's Pharmacy.

## Social and Personal

**A Tennyson Christmas Shopper.**  
You must wake and call me early,  
call me early, hubby, dear;  
For I've got to do my Christmas shopping  
earlier this year.  
Last Christmas even I finished with  
a feverish throbbing brow.  
And how to have the doctor, so I'm  
going to do it now.

You must call me early, hubby; it's  
tomorrow you begin,  
And you keep it up each morning till  
my gifts are all laid in;  
For I want to spare the shop girls and  
horses and men, too,  
For last Christmas, you remember, I  
was ill when I got through.

You must wake and call me early;  
that's a dear, good, nice boy—  
there!  
Yes, you'd better make the check out  
for as much as you can spare.  
I'd have needed lots more last year—  
all I had left was a dime—  
If I hadn't started late, so this year  
I'll begin in time!  
—By James Evenscroft.

### Lightning Kills Few.

In 1906 lightning killed only 169  
people in this whole country. One's  
chances of death by lightning are  
less than two in a million. The chance  
of death from liver, kidney or stom-  
ach trouble is vastly greater, but not  
of Electric Bitters be used as Robert  
Wadsen, of West Burlington, Ia.,  
proved. Four doctors gave him up  
after eight months of suffering from  
frulent liver trouble and pellow  
audience. He was then completely  
cured by Electric Bitters. They're  
the best stomach, liver, nerve and

## MUSICAL EVENING AT TRAINING SCHOOL

### YOUNG LADIES OF INSTITUTION ENTERTAIN.

The young ladies attending the  
East Carolina Teachers Training  
school gave a delightful concert at  
the school auditorium Saturday night.  
The musical numbers were rendered  
masterly and a very delightful even-  
ing was enjoyed. Most of the num-  
bers were made up of classical music.  
In fact, except for the two songs by  
Mr. Austin, all the other numbers  
rendered belonged to the exclusive  
class.

Miss Arlene Joyner distinguished  
herself in several songs. She pos-  
sesses a most pleasing soprano voice,  
very rich and sweet. Miss Margurite  
Davis and Miss Jennie Williams, so-  
prano and contralto, respectively,  
greatly contributed to the success of  
the evening, while Miss Morrill's ren-  
dition of Narcissus at the piano was  
excellent. The chorus singing was  
very good, especially so in the Pil-  
grims' chorus.

Following is program of numbers:  
Chorus—"Lovely Appear."—Gounod.  
"Melody in F"—Rubenstein—Miss  
Margaret Ross Pianist.

"Haymaking"—Needham—Miss Ar-  
lene Joyner, Soprano.

Moore, Pianist.

"Gypsy Song"—Roumanian Folk Song  
—"C" Class.

"A Winter's Lullaby"—De Koven.  
"I'm Wearin' Awa"—Foote—Miss Mar-  
gurite Davis, Contralto.

"Narcissus"—Nevin—Miss Morrill,  
Pianist.

Chorus—"Pilgrims' Chorus"—Wagner  
"Irish Love Song"—Lang—Miss Jen-  
nie Williams, Soprano.

"Three for Jack"—Weatherly.—Mr.  
Herbert E. Austin, Baritone.

"La Cinquantaine"—Gabriel-Marie.—  
Miss Cassidey, Violinist.

"Wanderer's Night Song"—Ruben-  
stein—Miss Arlene Joyner, Soprano;  
Miss Margurite Davis, Contra'to.

Chorus—"Silly Night"—Franz Gruber  
"Garden Scene"—Duet from "Faust"

—Gounod—Miss Arlene Joyner, So-  
prano; Miss Jennie Williams, So-  
prano.

## JUSTICE CLARK ON BIG PENSION

times over for their allies, the steel  
and other trusts. The tariff, being  
based on consumption, and not on  
prosperity, is laid practically in pro-  
portion to population.

"The pension lists would never  
have been more than one-fourth or  
a fifth of what it is now, if the sen-  
ators and members from the South  
had had the courage to oppose this  
enormous abuse. But they were so  
anxious to get the presidency and the  
few post offices attached thereto, and  
so fearful that if they opposed the  
pension steals, the South would be  
charged with disloyalty that the pen-  
sion list has grown steadily. If, by  
this means, we had elected a Demo-  
cratic president every time still the  
return to the South in the salaries of  
the few offices would not have been  
one-fifth part of the burdens these  
senators and representatives have  
laid upon the South by voting for in-  
flated pension bills.

"A few determined Southern men  
in the senate and house with the aid  
of those from the North who were  
honest and bold enough to oppose  
these measures could have defeated  
such bills. These bills could have  
been defeated in the senate time and  
again by speaking against time, just  
as we defeated the 'Lodge Force' bill  
of infamous memory. That bill if  
passed would not have been as de-  
structive to Southern prosperity as  
this enormous pension robbery which  
we have endured for so many years.

"All honor to the glorious Tyler  
Bennett, of North Carolina, who on  
one occasion, when the Democratic  
party in a moment of folly, and in a  
vain bid for the presidency, voted for  
an increase of the pensions entered,  
solitary and alone, a ringing 'No.' One  
great moral of the situation is that  
we should elect our postmasters by  
the people of each locality so that  
members and senators shall not be  
tempted to lay enormous burdens up-  
on the people in the hope of getting  
patronage to re-elect themselves. If  
qure much space to tell of all the  
pretty things displayed there. The  
best thing is to pay the ladies a  
visit. There are a great many things  
that will appeal to you.
