Reversible Disc Harrow

The Best All 'Round and Most Serviceable Harrow for Orchard and Vineyard Work Ever Made.

It has a low frame, which will clear overhanging branches and vines. The gange can be set close together or graduated at intervals of two inches until they spread to their extreme width on the ends of the frame.

Two levers-one for each gang-and the gangs can be operated at any angle. The gangs can also be reversed to an inthrow.

Everything about it is simple and strong, and it is backed by an "nqualified guarantee.

This season we are especially strong on Farming Implements and Machinery. We cordially invite your inspection.

THE PRESIDENTS WESTERN TRIP

WASHINGTON, March 7.- There vias a constant stream of callers at the White House today. The most of them were close political associates of the president and they dropped in a the executive offices to talk over house. matters in connection with Mr. Taft's vestern trip. In his speeches to be and in Chicago the following day the president will make the first public utterances to be heard from him since Colonel Rosevelt made his formal announcement as a candidate for the presidential nomination. As a consequence the politicians are looking forward to the speeches with eager anticipation.

Although no announcement has dent's speeches, it is regarded as al- Dyke, H. C. Edwards. most certain that he will make clear his own views on many of the doc- S. Spain, C. O'H.
