Roosevelt's Physicians Discovered That Bullet Fractured One of His Ribs in its Course Through Chest

His Condition Unchanged, Doctors in Attendance Will Not Pronounce Him Out of Danger, Providing Complications Do Not Set in by Next Friday

X-Ray Photograph Determines its Location

COLONEL DOES NOT FEEL ANY PAIN AND KEEPS BUSY READING AND DICTATING

CHICAGO, Ill., Oct. 16.—After a day of ceaseless vigil, Colonel Roosevelt's physicians tonight could say no more than that his condition was virtually unchanged. Indications, they said, pointed to the speedy recovery of the ex-President from the effects of the bullet which struck him down in Milwaukee on Monday night.

A rise in temperature late in the day, however, made his condition for the time being somewhat less favorable. The Colonel's temperature went to 99, but soon receded to 98.8.

The fact that a rib was fractured which was not disclosed until today, adds to the feeling of uncertainty.

The first X-ray plate, which definitely shows the bullet in Colonel Roosevelt's chest was developed late this afternoon. The bullet is shown partly imbedded in the fracture in the fourth rib, about four inches from the sternum. The bullet is much flattened and spread out of shape. It is crushed into the upper edge of the rib. Several smaller pieces of bone project near it. The radiograph shows an extraordinary spread and arch to the uninjured ribs, indicating the unusual size of the colonel's lungs developments of the chest.

Not before Friday, if all goes well, will the physicians be prepared to say that their patient is out of danger. The intervening period will be required to determine whether blood poisoning or other complications are to be feared.

Theodore Roosevelt, Jr., after a talk with his father and a consultation with the physicians expressed the feelings of those about the ex-president today.

"It will be four or five days," said he, "before we can breathe easily."

Colonel Roosevelt spent an apparent quiet and carefree day, seemingly the less concerned of all. He was cheered by the appearance of Mrs. Roosevelt, who arrived early in the day from New York and remained with him constantly. He felt no pain, he said, and moved about at will on his bed reading or dictating telegrams or talking with members of his family. In the afternoon he slept for a time.

Dr. John B. Murphy, who is in charge of the case; Dr. Arthur Dean Bevan and Dr. Terrell, Colonel Roosevelt's physician, held three consultations during the day. Aside from the official bulletins which they issued, which gave little indication of any change they would say little of the condition of the patient.

Why it was that the fracture of Colonel Roosevelt's rib was not discovered until today was not made known, although it was said that there was no cause for alarm on this account.

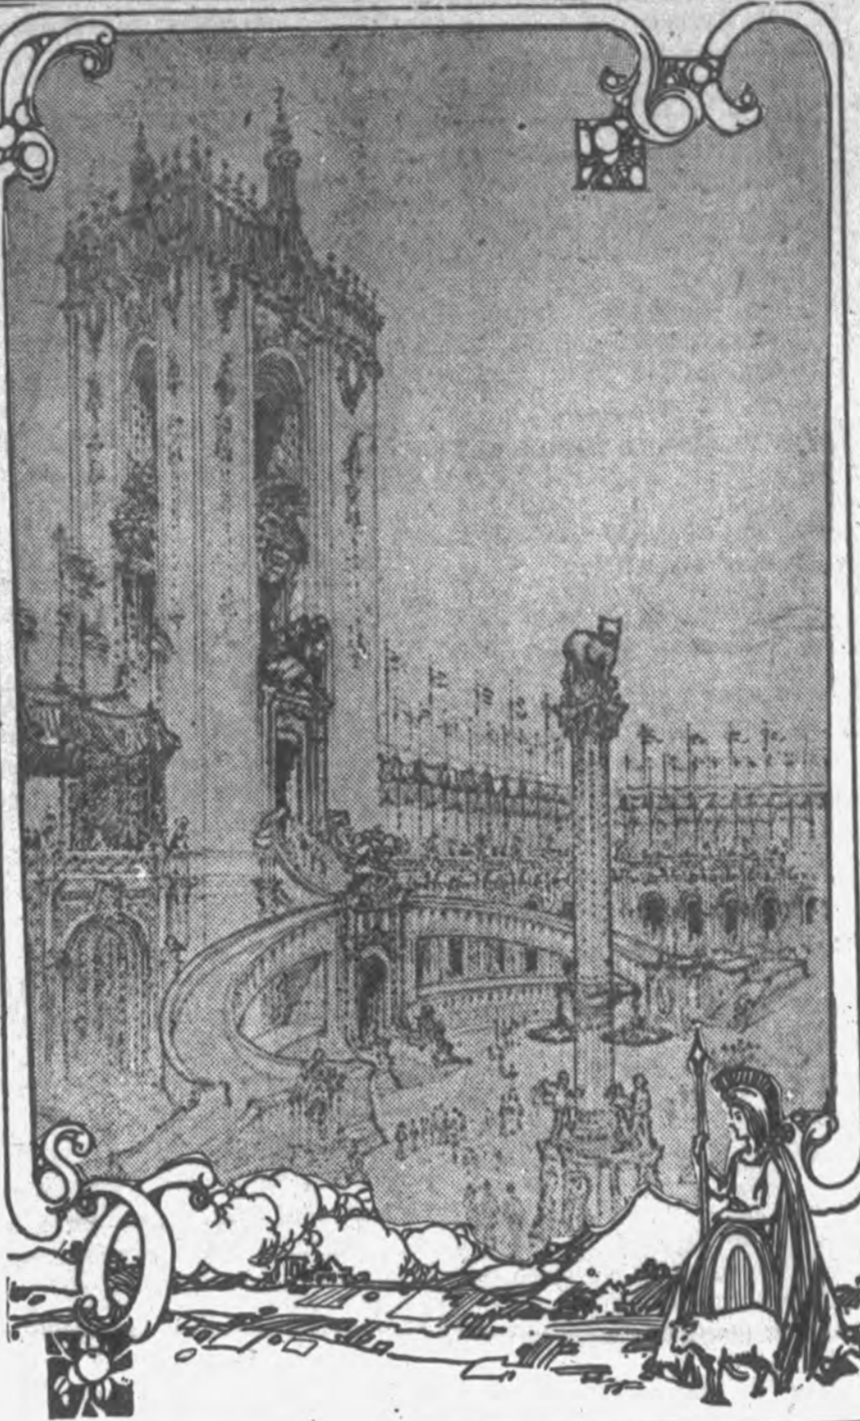

As soon as Mr. Roosevelt reached the hospital this morning she took charge of affairs. She was accompanied by Theodore Roosevelt, Jr., Mrs. Nicholas Longworth and Miss Ethel Roosevelt. Later in the day Congressman Longworth arrived. Mrs. Roosevelt installed herself in a room adjoining that of her husband and during the day seldom left his bedside.

Mrs. Roosevelt's first move was to decree that the Colonel must see no visitors except members of his family. Once or twice during the day she made exceptions, but otherwise she adhered firmly to her resolution. The colonel was "feeling fine" and ready to receive visitors, but Mrs. Roosevelt gave him no opportunity to pass upon her ruling, for she made it on her own authority and saw to it that it was enforced. She received the cards and messages for her husband and sent back her replies with the result that the Col-

Another Batch of Post-Masters Signed into Civil Service

NEW YORK, Oct. 15.—President Taft today signed an executive order putting fourth-class postmasters in the classified service. Execution of this order will put every fourth-class postmaster in the United States under the civil service, 25,000 having previously been placed in the classified list by the president. While postmasters in the designated class will be taken care of under the order, unless proved unfit, yet vacancies in the future will be filled by the civil service commission upon reports of post office inspectors in the case of offices paying less than \$500 a year. For offices paying more than \$500 a year one of three applicants of the highest standing will be chosen.

New Bishop Consecrated
 MONTREAL, Oct. 15.—Rev. Heber J. Hamilton, who was elected bishop of Japan last June by the church of England in Canada, was consecrated in Christ Church Cathedral today with imposing ceremonies. The cathedral was filled to its capacity with church dignitaries who are now in the city in attendance on the session of the Provincial Synod.

EAST COURT, PANAMA-PACIFIC INTERNATIONAL EXPOSITION.

THE great East Court at the Panama-Pacific International Exposition is designed for pageantry surpassing the famous Durbar of India. It will constitute a suitable setting for oriental or modern drama upon a colossal scale. From a huge staircase from the tops of its encircling walls the visitor to this "Court of Joyousness" will be enabled to witness the pageants that will be a feature of the exposition. The main tower of the court will contain a great pipe organ, with echo organs in the smaller towers; within the center of the court will lie a basin containing groupings of classic statuary, dancing figures, fauns, satyrs and nymphs. Electric scintillators will play upon fountains at night. Tropical shrubs and flowers will contrast with the sterner effect of the colonnades, statuary and facades of the court. In its architecture the East Court, which will lie among the main group of exhibit palaces, will resemble the oriental phase of the Spanish-Moorish architecture.

World's Championship Series Goes Down in Baseball History as Hardest Fought and Closest Ever Played on the Baseball Diamond

Snodgrass' two Muffed Flies Lose Game for the Giants

BOSTON, Mass., Oct. 16.—The Boston Red Sox, penant winners of the American league, are the world's champions of 1912. Defeating the New York Nationals today by a score of 3 to 2 in 10-innings of a bitterly fought struggle, they captured their fourth victory of the world's series and carried off the premier honors in baseball.

The Giants won three games of the series that was played before more than a quarter of a million people and the contest was a tie. The total receipts for the eight games were \$490,833 and each Red Sox player received \$4,024 while the Giant's players each came in for \$2,566.

Today's was a game of excitement and changing emotions for the 17,000 spectators who went to Fenway park to see the teams which had struggled valiantly for seven games with honors even, meet in the deciding contest. Never was a ball game more hard fought, for it was not until twilight had fallen upon the 10th inning that the Red stockinged Yerkers flashed over the plate with the winning run.

Express Agents are Not Liable for Receiving Liquor Orders

RALEIGH, October 16.—That an express agent in forwarding orders for liquor is not violating the state prohibition law was decided by the Supreme court today in the case of State vs. J. L. Allen, from Wake. Mr. Allen, the express agent at Wake Forest, was found not guilty of violating the law, and a special verdict was rendered in Wake Superior court so that the state might appeal. This was done and an exhaustive opinion, written by Justice Hoke, finds no error in the verdict of the lower court. Great stress was laid on this case by the Wake Forest community, as it was contended that Mr. Allen even though he received no direct benefit from ordering the liquor, was making the express office a sort of receiving end for the Virginia Liquor houses. It was shown that the agent received no commissions other than the commissions attendant, on shipments of other classes of commodities.

Roosevelt's Assailant to be Tried After the Coming Election.

MILWAUKEE, Oct. 15.—State's Attorney W. C. Zobel, of Milwaukee county, tonight definitely announced that John Schrank, Colonel Roosevelt's assailant, would not be brought to trial until after the national election, November 5th. He said the trial would be opened some time between November 11 and 15. Mr. Zobel, who is said to be the only socialist state's attorney in the country, gave specific reasons for his decision to put off the trial for one month. He said, first, it was only reasonable to await the results of Colonel Roosevelt's injury; second, he had no desire to crowd the defendant, and third gave it as his opinion that it would be unwise to call it during the final struggle in the presidential campaign.

Strange Action Brought in Charlotte Against a White Woman

CHARLOTTE, N. C., Oct. 16.—One of the most unusual cases on record in Mecklenburg court was chronicled this week when an action was taken up in which a negro woman brought suit against a white woman alleging alienation of affection of the husband of the negro woman. More unusual still, was the jury verdict brought in late yesterday awarding the negress the amount of \$300 for the suffering she had undergone through the loss of her male partner's affection. The case consumed nearly an entire day before Judge M. H. Justice.

Large Crowd at Carnival

The good weather, though a bit airy, took a good crowd out to the Jones carnival Wednesday night. The shows were all open and well patronized. A feature never shown here in a carnival before was the swimming and diving girls. They were experts in the water and did many interesting aquatic feats. Prince Nemo is a remarkable human freak. Born deformed with his legs doubled up in front of his body, he walks around on his hands and has to use his feet for the ordinary functions of his hands. With a crayon between his toes he draws pictures very cleverly. No comfetti or whips are sold on the grounds and this does away with much of the boisterousness that usually prevails in a carnival crowd.

Small Fire.

The new fire alarm whistle down at the water and light station, gave its first real alarm this morning, and it was a screecher. It was caused by a little blaze on the roof of the Rives boarding house, corner Greene and Third Streets, that caught from sparks. There was a prompt response by the department and the fire was put out with but small damage to the building.

"Rosenthal's Slayer Will Be Pensioned" Says Becker

NEW YORK, Oct. 16.—"When this sensation blows over the public will give a pension for killing that crook Rosenthal." Those are the words attributed to Police Lieutenant Charles Becker, by James D. Hallen, a fellow prisoner in the toms at today's session of Becker's trial, on the charge of investigating the murder of Herman Rosenthal, the gambler, who "squealed" against him.

Hallen was one of the 15 witnesses who testified today for the state. Assistant District Attorney Moss announced when adjournment was taken tonight that he had only one or two more witnesses to call to complete the case of the people.

Mrs. Herman Rosenthal widow of the gambler, the first witness of the day, testified that Lieutenant Becker, her husband's alleged partner in his gambling house, had said to her on the occasion of a raid he had made on the establishment:

"It's either Herman or me." This is the so-called "fake" raid which the prosecution claims was forced on Becker by his superior officers. Mrs. Rosenthal testified that when she came to bury her husband she had only \$100 "to her name,"—all that had been left her by Rosenthal. This was a bit of testimony elicited by the state with intent to spike the guns of Becker's defense.

War on in Earnest Between Turkey and the Balkan States

LONDON, Oct. 15.—Turkey's refusal to reply to the note of the Balkan States will in all probability impel these states to address an actual ultimatum to the porte tomorrow before commencing hostilities. The ministers of Bulgaria, Serbia and Greece are still waiting in Constantinople although diplomatic relations are virtually ended because of the regall of the Turkish ministers from Sofia, Belgrade and Athens.

The conclusion of peace between Italy and Turkey removes much of the uneasiness felt in Europe as to the consequences of the Balkan war.

The only additional military news reaching here today told of the capture of the fortress at Houms by the Montenegrins.

Premier Venizelos, in the Greek chamber, announced that the Greek fleet was equipped for a war lasting a year.

Fort Surrenders to Montenegro

Podoritz, Montenegro, Oct. 15.—The fortress of Houms, the last between Tushi and Schutari surrendered today to the Montenegrins. Among the Turkish prisoners already captured are 62 officers, including a colonel and the commandant at Tushi.

Addressing the war correspondents at Arlen this afternoon, King Nicholas said he regretted the bloodshed, but hoped that it would result in a new and better era of freedom and civilization.

Turkey Wants Aeroplanes

Berlin, Oct. 15.—Turkey is negotiating with German manufacturers for the purchase of aeroplanes and has also engaged military aviators as trainers. Both Turkey and the Balkan states are making endeavors to buy war automobiles in Germany.

Two Swiss Aviators Drop 80 Feet and are Instantly Killed

NEUCHATEL, Switzerland, Oct. 16.—Aviators Cobcon and Hippert, flying together near Chaux-de-Fonds, fell from a height of 80 feet and were killed today. The aerplane was demolished. The accident brings the toll of deaths in air near the 200 mark.

Well Deserved

The Praise That Comes From Thankful Greenville People

One kidney remedy has known merit.

Greenville people rely upon it. That remedy is Doan's Kidney Pills. Greenville testimony proves it reliable.

Mrs. Joseph Fornes, 111 S. Washington street, Greenville, N. C., says: "I have taken Doan's Kidney Pills with the most satisfactory results and I know that they are a good kidney medicine. About a year ago I was troubled by symptoms of kidney complaint. I suffered from dull, nagging backaches and I also had headache and pains through my kidneys. Dizzy spells annoyed me and I noticed that the kidney secretions were unnatural. Doan's Kidney Pills, procured from the John L. Wooten Drug Co. brought me prompt relief and a short time ago when I again used them, they acted as effectively as before. I know that this preparation lives up to the claims made for it."

Chapel Hill Notes of Special Interest to Tar Heels

(By A WINTERVILLE BOY)
CHAPEL HILL, Oct. 14.—Promptly at 10:45 o'clock Saturday morning when the bell from the South building began to peel out its melodious tones, the students gathered at the Alumni building where they formed into a line and marched to the Memorial Hall.
At the head of the procession marched chief marshal of the exercises, Dr. C. L. Raper, followed by the University band. Next in the marching line were ex-President Kemp P. Battle and President F. P. Venable and in succession members of the faculty. Then on came the classes following their respective banners. The graduate students were in the lead and then came the seniors, juniors, sophomores, freshmen, law, medical and pharmacy students, respectively.
This procession was led to Memorial Hall where the exercises continued. Divine guidance was invoked by Rev. T. D. Moss, pastor of the Presbyterian church. Following the invocation the University hymn was sung.
Dr. Venable in his introductory remarks expressed as a hope for the future of the University a marked growth in power, service and an exhibition of all that is fine worthy and high.
His annual report of registration of the institution showed that the total registration in all departments was 817. Divided into classes these figures represent the enrollment: freshmen 285, sophomores 157, juniors 87, seniors 75, graduates 23, law 119, medical 53 and pharmacy 13. He then read telegrams of congratulations from the various colleges and also a cablegram from our missionary in China.
The committee on arrangements were very fortunate in securing several of the distinguished alumni as speakers for the celebration of the 119 anniversary of the University.
The speakers were as follows: Mr. W. H. Swift of Greensboro, subject, "The Revelation of the Alumnus to the University"; Mr. W. P. Stacy, of Wilmington, subject, "The Things That Count in the Great University"; Mr. J. K. Wilson, of Elizabeth City, subject, "Complacency on Idealism"; Mr. G. G. Stephens, subject, "Athletics"; and Prof. W. S. Bernard, subject, "The Alumni Review". The speeches were short on account of having several speakers, but each man seemed to give his best the few minutes he had the need. These speeches were sifted, so the audience received only the finer part. The Song of the Alumnus was sung and the benediction by Rev. W. A. Stanbury, pastor of the Methodist church.

Wake Forest vs Carolina
The first foot ball game on the gridiron for this season took place Saturday between Carolina and Wake Forest. It was indeed very interesting throughout for the fact that the game seemed to be on the balance. Six times the Baptist boys were on the ten yard line and seemed determined to carry the ball on, but each time the Tar Heels fought them back amid the cheers from both sides. Even when the boys were not on the field there was plenty amusement furnished by the college yells and the college band.
The games were most over and yet it seemed that each side would be the victor, until Captain Tillet got the ball safe in his clutches, broke the opposing line and made a 70 yard dash for the goal. The game closed with Wake Forest 2, Carolina 9. Bingham school from Asheville plays here Saturday.

West Virginia Women's Clubs
MORGANTON, W. Va., Oct. 15.—Every train coming into Morganton this morning swelled the number of arrivals of delegates to the ninth annual convention of the West Virginia Federation of Women's Clubs. The opening session of the convention was held in the First M. E. Church this afternoon, Mrs. John Ruhl, of Clarksburg, the state president, presiding. Business sessions and entertainment features will carry the gathering over the remainder of the week.

Base Ball Items.

The Giants lost one series during the season, the Cubs beating them 13 to 9.

Handsome Harry McIntyre, the Cinder King, is free to sign and will listen to offers for his services.

Pitcher Pickett, of the Bloomington team in the Three-I League, pitched two no-hit no-run games this season.

The veteran player, Kid Gleason, who has been coaching the White Sox has several offers to become a manager.

Two brothers, Tom and Jim Drohan of the Keweenaw team, are the leading pitchers of the Central Association.

Ty Cobb has now hit for better than .400 in two seasons running, and declares that he can make the .400 class next year as well.

Manager George Stovall, who has gathered quite a bunch of promising players, believes that the Browns will travel in the first division next year.

Red Murray did not get a hit in the world series last year, but came across with the hit, in the big series this year, that scored the Giants' first run.

Walter Johnson, the great Washington pitcher, hit but one man all season. Martin, of the Highlanders, was the player. He stepped into one of Walter's fast ones and was beamed.

By keeping to his decision not to play with the Pirates the past season, Manager Fred Clark of the Pirates won several suits of clothes. Friends of the Pirate leader, who thought he couldn't keep out of the game were the victims.

Two old Brooklyn catchers, Bill Bergen and Lou Ritter, showed their big league training this season. Bill was a whale with the Baltimore team, and Ritter caught every game played by the Utica New York State League champions.

Baseball loyalty of Harry Ackerman, who recently purchased Frank Chance's stock in the Chicago Cubs, runs three ways from the deck. His home is in Cincinnati, but he is located in Pittsburg, is a Pirate rooter and owns stock in the Cubs.

Foot Ball Notes.

Darmouth's second team has been giving the varsity eleven hard jolts this season.

A younger brother of "Tad" and Howard Jones, the former Yale stars, is at Exeter Academy.

The Carlisle Indians are using their 1911 criss-cross again this year, but find the play harder to put over.

Coach Haughton allowed the Harvard football players a day off in order to attend the Red-Sox-Giants game in Boston.

MRS. LARAMORE TELLS TROUBLES

Lady in Goodwater Describes Her Distressing Experience and Tells How She Was Finally Relieved.

Goodwater, Mo.—"Ever since I was a little girl," says Mrs. Riley Laramore, "I was a great sufferer from dyspepsia. I suffered misery after eating, and had terrible heartburn.

I thought I had to suffer this way as long as I lived, but when I began to take Thedford's Black-Draught, in small doses, every night, the heartburn was all gone in a few days, and I could eat without distress.

I took two small packages in all, and although that was some time ago, the dyspepsia has not returned.

I speak a good word for Thedford's Black-Draught whenever I have the opportunity.

If eating causes distress, we urge you to try Thedford's Black-Draught. It cleanses the system, helps the stomach to digest its food, regulates the bowels, and stimulates the liver.

YOUR BANK IS YOUR MOST CONFIDENTIAL FRIEND

—The relation of a Bank to its depositors is most confidential and based upon implicit confidence. When you are thinking of a banking connection consider the prominent character and clientele of this Bank, with its history of six and one half years of practically the same management.

—Then think a little further and consider the standing directorate and its assets of \$450,000, and the fact that this is the only National Bank in Pitt County.

—Then think of its various kinds of Savings Accounts—its Trust Department—its Safe Deposit Department—and you are bound to realize that its equipment to serve is complete in every detail.

—Then the Conclusion: It is the Bank for you, the institution in which you are justified in placing your funds with the satisfaction that every confidence sacredly safeguarded.

—We have not mentioned our service. You will have to be personally acquainted with this to appreciate it.
