## BOARD DECIDES TO NOT HEAR STRIKERS IN WAGE QUESTION

Representatives to Employees to Enter Protest Almost Immediately.  
HEARINGS WILL BEGIN TODAY IN CONTROVERSY  
Railway Labor Body Will Proceed With Dispute as to Wage Demands.

Washington, D. C., April 19.—Under-terred by the refusal of the Railroad labor board to hear them today, Representatives of the railroad strike announced that they would present written complaints together with demands for a "living wage" to the board which tomorrow will begin formal hearing of the big wage controversy.

The board flatly declined to "receive, entertain or consider" complaints from strikers, declaring it would only hear those who were adopting every reasonable means of avoiding interruption of railroad service.

The board will proceed with the wage dispute involving claims of nearly two million men which failed of adjustment when the bi-partisan board ceased to function April first. Heads of the four brotherhoods and the chairman of the association of railway executives, all of whom were present today, will attend.

Timothy Shea, president of the Brotherhood of Railway Firemen and Enginemen, said tonight that speedy settlement would be urged. Refusal of the board to hear strikers, Shea said, was tantamount to sending all of the strikers back to work, many of whom had been led astray he thought in the belief that the board might recognize them.

Delegations claiming to represent railroad men of all crafts in various cities who have "quit work" appeared at the offices of the board today demanding assurances of a "substantial guarantee of increased wages," which they said would send strikers back to work. They composed an unorganized association, they said, known as the "Railroad Workers of America," insisting that they still retained their membership in the recognized unions, since they had not struck, but had only "gone on a vacation."

After adopting rules of procedure for hearing disputes, the board admitted several delegations.

Immediate protest was entered by W. N. Deak, vice president of the Brotherhood or Railroad Trainmen, who contended that the officers of the 18 railroad organizations present, represented the men unless they had quit their jobs, in which case they were no longer employees of the railroads, or members of the recognized unions.

General dissatisfaction with the board's action was expressed by the railroad workers. Edward McHugh, representing strikers in New York and New Jersey, declared that he would continue his efforts to obtain some assurance of an increase from the board, adding that 8,000 men in the New York district would not go back to work until such assurance was received.

EFFORT BEING MADE TO SECURE CHAIR CAR ON N. S. RAILROAD  
An effort is being made to secure a chair car on the Norfolk Southern railroad to run between Washington and Raleigh. As a result of this effort, which has been on foot for quite while, representatives from Washington, Wilson and Raleigh will meet in this city tomorrow in the Chamber of Commerce rooms, to draw up resolutions to submit to the corporation commission. This will be quite an addition to service on this road, and make traveling so much easier. The Chamber of Commerce is to be congratulated upon the interest which they have taken in the matter, and it is hoped that the undertaking will be a successful one.

Mr. E. K. Bryan, of New Bern, was numbered among business visitors in Greenville Monday.

## SEVERAL CASES IN MONDAY'S SESSION OF CRIMINAL COURT

Henry Brown Given Maximum Sentence in Two Charges of Manslaughter  
TRUE BILL RETURNED IN ANOTHER MURDER CASE  
Several Minor Cases Also Disposed of During the Day's Activities.

The opening of the criminal term of Pitt county superior court here yesterday morning featured principally in the hearing of a number of important actions, including two murder charges in which the participants were given maximum sentences of thirty years following the return of true bill by the jury. In practically every case unusual interest was evidenced by the court, and as a result the day possible was one of the most auspicious, in disposition of cases, of many past sessions. Judge Connor, of Wilson, who has been presiding in this district for the past three terms displayed his usual splendid judgment in all matters coming before the court and this fact, it is believed, had much to do with the number of actions being cleared from the docket throughout the day.

In the case against Henie Brown, colored, charged with the murder of Martha Hemby, in this county last winter, the defense pled guilty of manslaughter and submitted to the maximum sentence of 30 years in prison at hard labor. Two separate and distinct charges of murder were entered against Hemby, the latter being for the murder of Adam Hemby, husband of Martha Hemby, who was killed by the defendant at the same time the wife was slain. In the later case the court (Continued on page two.)

## DR. HURT DELIVERS INITIAL SERMON IN BAPTIST SERVICES

Wilmington Minister Preaches to Splendid Audience Here Last Night.

Dr. John Jeter Hurt, of Wilmington, who is to conduct a series of services in the Memorial Baptist church, arrived in this city yesterday and preached his first sermon last night. He took for his subject, "How to have a successful revival," taking his text from the fifth chapter and sixteenth verse of Thessalonians, "Rejoice Evermore." Dr. Hurt based his entire sermon on this chapter taking the 16th, 17th and 19th verses for the three main points in which to have a successful revival. First, "Rejoice Evermore," second, "Pray without ceasing," and third, "Quench Not the Spirit." Many points showing how the business man can carry God into his business were brought out and a direct appeal was made to every Christian to pray without ceasing, and to let the world realize that they are Christians.

Dr. Hurt conducted his morning service at 8 o'clock this morning on the following subject "New Testament Revival." A large crowd went out to hear him, even if it was early and inclement weather. His sermon was splendid and contained many valuable suggestions along the line of Christian living. He will preach on the following subject tonight, "If Christ comes to Greenville, will he find room?"

Dr. Hurt is one of the State's strongest Baptist Preachers. His sermons are plain enough for even the smallest child to understand and his attractive personality and simple faith have won for him a place in everyone's heart. He will preach twice daily 8 A. M. and 8 P. M. Mr. W. F. Taylor has charge of the music. The public is cordially invited to attend each and every service.

## ELEVEN COLLEGES ARE REPRESENTED IN FLYING EVENTS

American Flying Club to Stage Several Big Programs for the Year.  
CROSS COUNTRY FLIGHT TO FINISH ACTIVITIES  
Arrangements Also Are Being Made for Long Island Seaplane Races.

New York, April 20.—Air events planned for 1920 promise to make it a big aviation sport year, according to the American Flying Club. The first event of importance will be the flying day of the Intercollegiate Flying Association at Mineola Field, (N. Y.) May 7. Eleven colleges and universities will be represented in a varied program of flying stunts, which will be concluded with a cross country flight. In this race each will be permitted to enter two airplanes and a cup will be awarded to the winner. The start will be made at Mineola Field, where the race also will end after a circuit that probably will include Philadelphia and Princeton.

Arrangements also are being made by the club for a seaplane race around Long Island. This probably will be held early in the summer. The club is cooperating with the training and operations group of the United States Army Air Service in planning for a trans-continental air race between New York and Alaska, a distance of 4,870 miles.

In the tentative plans the course is planned out from Mineola across United States territory to Minot, N. D., crossing to Saskatchewan, Can., and across the Dominion to Fort Egbert on the Alaska border. In Alaska the route runs to Circle, Fort Yukon, (Continued on page six.)

## PENNSYLVANIA TO BEGIN PRACTICE IN FOOTBALL SHORTLY

University Candidates Will Begin Spring Practice in Short While.

Philadelphia, April 20.—The University of Pennsylvania football candidates will start spring practice on April 26. They will be under the guidance of John W. Heisman, the newly-elected coach and his full staff of assistants until May 15. This will be the longest spring practice in the history of University of Pennsylvania football. In commenting upon the 1920 prospects, former coach George Woodruff said it was his opinion that football at Pennsylvania will be successful under Heisman, despite the fact that Heisman's pet shift play will be difficult to execute under the new rules.

Speaking of the shift play, Woodruff said its effectiveness under the present rules depended entirely upon the attitude of the umpire, and therefore, was not desirable.

"While I do not know Mr. Heisman very well personally," he declared, "I do know that he has been successful in the past and feel sure he will continue his success with Penn teams in the future. He is very enthusiastic and has a keen insight of the game. Enthusiasm is necessary for a successful coach. It is the spur for origination effort in bringing forth new plays. Heisman has this desirable quality."

"Shift plays usually give the team using them a tremendous advantage. But, under the rules, they have a great drawback. That drawback is the umpire. If that official strictly adheres to the rules after the first time or so the play is worked, he will be bound to penalize the team."

"It is almost impossible in working a 'shift play' to have the players execute it and still be within the present rules. Signals for it are

## ROCKY MOUNT AND WILSON WILL PLAY IN VIRGINIA LEAGUE

Season to Open Thursday When Wilson Will Play Rocky Mt. Aggregation  
PRESIDENT BRADLEY TO WITNESS OPENING GAME  
Both Cities Have Formidable, Well Trained Set of Base Ball Artists.

Rocky Mount, April 20.—With a half holiday called for Thursday afternoon by Mayor T. T. Thorne, assurance from all the stores and banks of the city that they will be closed for the occasion and information from Wilson that every person in that city who can walk or fly will be here, the formal opening of the 1920 season of the Virginia League Thursday afternoon at 7 o'clock when the Tar Heels meet the Wilson Tobacconists at Tar Heel park promises to be the most auspicious occasion in local baseball history.

In addition being the opener, the game Thursday will be especially important as it will mark the induction of the two North Carolina cities back into the Virginia League. So important is this return to league officials that President Bradley will journey down from Richmond for the fray, will toss the first ball from the new grounds at Tar Heel park and formally welcome the Down Home clubs into the Old Dominion organization.

Manager Al Bridwell, of the locals, has gathered together an aggregation of youngsters who have shown in the exhibition clashes that they play a fast, snappy brand of baseball, while all reports from Wilson say indicate that Manager Johnny Castle has likewise assembled a likely crew. The entire population of both cities are already on edge for the opener, and reports from all other nearby cities and town in (Continued on page two.)

## HOUSE SHORTAGES SERIOUSLY AFFECT EVERY TERRITORY

Delay in Relieving Shortage Greater Than Any Other Construction.

New York, April 20.—Delay in relieving the housing shortage all over the country is greater than in any other form of building construction, according to a review of contracts issued today by the F. W. Dodge company. Public works, industrial buildings and public utilities are being constructed much faster than residences and are less affected by high prices, high wages and shortage of material.

Contracts awarded for residential buildings in the first three months of this year vary from 14 to 29 percent of total building contracts in different sections of the country. Normally residences account for about 30 percent of the contracts, and in view of existing needs, the review says, residences should represent about 40 percent of the total construction.

In New York state and northern New Jersey 14 percent of the contracts in the first quarter of the year represented residential buildings, "a matter of serious concern," says the review, "as it is probable that the housing shortage is more acute in this territory than anywhere else."

In the territory east of the Missouri river and north of the Ohio residential construction was 19 percent of the total, in New England 23 percent in the district of Philadelphia, Baltimore and Washington 28 percent in the Pittsburgh district 19 percent in the central west 18 percent and in the northwest 29 percent.

In no district is contemplated building construction as high as 30 percent.

## ALLIED TROOPS TO MAKE HUNS DISARM IN RUHR DISTRICTS

Allied Premises Are Considering Occupation of Ruhr Basin Region.  
FRANCE AND BELGIUM DEPRIVED OF GUARANTEE  
Millerand Says Governments Should Support France Against Germany.

Paris, April 19.—Allied occupation of the Ruhr basin in Western Germany is being considered by allied premiers gathered at San Remo, says the Petit Parisien. Premiers Lloyd George, Millerand and Nitti held a brief meeting last night and agreed in principle on the necessity of forcing Germany to disarm, the newspaper declares, but were not agreed as to the best means of procedure.

There was a certain coolness between M. Millerand and Mr. Lloyd George at the opening of the meeting, but it vanished in a short time and utmost cordiality prevailed at the close, according to the Matin.

Demands that the allies, during the San Remo meeting, resist all attempts to revise the terms of the Versailles treaty with Germany are made by Raymond Poincare, former president of the French republic, in an article published by the Matin.

France and Belgium have been deprived of guarantees by the failure of Great Britain and the United States to put the tri-partite convention into operation, he says, and the league of nations is as yet without means of action.

Premier Millerand is congratulated by M. Poincare for the wisdom he showed in pursuing a "wise policy in view of the necessity of stopping the fatal movement leading the allies to the precipice.

M. Millerand says the allied governments (Continued on page four.)

## DR. SHAMHART TO CONDUCT SERVICES AT CHRIST CHURCH

Delivers Initial Sermon of Revival Services Here Last Evening.

Dr. William P. Shamhart, pastor of the Eighth street Christian church, who is conducting his own services during the series of services now going on in the city, preached to a large congregation last evening on the subject "Limitations and Fullness of the Scriptures," taking as his text, John 17:31. Dr. Shamhart was for several years state evangelist of Iowa, and also National Secretary of the Y. M. C. A. He is a strong preacher, filled with the spirit of Christ and always delivering a sermon that will be of benefit to everyone.

Mr. Wallace Tuttle and sister, of Springfield, Ohio, will arrive this afternoon to take charge of the music. Mr. Tuttle is a talented singer, with a strong baritone voice, and has sung from ocean to ocean. Miss Tuttle, his sister, is an accomplished musician.

Dr. Shamhart will preach tonight on the following subject, "Foundations of Faith." The public is cordially invited to all services. The church has recently had a telephone installed and anyone wishing the services of the pastor can call 115 or his home 545.

## MARRIAGE LICENSES ISSUED SINCE REPORTS YESTERDAY

The following marriage licenses have been issued by the register of deeds since reports of yesterday evening:  
Colored—Vanessa Vines, of Farmville to Charlie Witherspoon, of South Carolina.  
Ella Braswell to Sylvanus Barnhill, both of Bethel.

## PEOPLE OF MEXICO AGAIN ON BORDERS OF BIG REVOLUTION

Approaching Election Brings Forth Charges Against President Carranza  
POLITICAL CLASH NOW CONSIDERED IMMINENT  
Factions Discontented and Display Unusual Spirit of Belligerency.

Washington, April 19.—Mexico is experiencing a recurrence of the trouble that started the present era of revolution ten years ago. After a reign of three decades of peace under Porfirio Diaz, the latter assumed to use his presidential office in the elections of June, 1910, to defeat Francisco Madero and the country took up arms and drove out the dictator.

Now after five years of painful reconstruction under Venustiano Carranza, the presidential elections are again scheduled and this time the supporters of General Alvaro Obregon, one of the principal candidates, and a hero of the revolution, are outspoken in their charges that President Carranza is manipulating the machinery of the government in the interest of Ignacio Bonillas, his candidate.

The secession of Sonora—General Obregon's home state—from the Mexican union is a symptom of widespread revolt, thought not necessarily conclusive evidence that civil war and bloodshed will follow. The people in Mexico don't want another era of destruction, and the effort to conduct a fair election will be supported by all the business elements as well as the influential citizenry who are not under the thumb of the government officials or candidates.

The realization that the cards have been stacked against Obregon has driven his supporters to extremes. Stories of high-handed tactics in suppressing electoral freedom have reached here and done no end of damage to Mexico, for there is always a party in our national capital who accept every cloud that hangs over Mexico as justification for American interference. Friends of Mexico have not lost hope that she will go through the election crisis without a revolution.

But from Mexico City itself come advices that a manifesto has been issued to the nation, signed by forty-eight members of the House of Deputies and sixteen members of the Mexican Senate, bluntly charging President Carranza with having exceeded his constitutional powers and with

## HON. AUBREY BROOKS SPEAKS IN COURT HOUSE

Hon. Aubrey Brooks, candidate for the U. S. Senate, spoke in the court house today during the noon hour.

There were just three things which he would offer as accomplishments of the National administration, he said. They were in order of Chronology, the farm loan bank, the Federal Reserve act, and the peace labors of the "greatest intellectual genius of the age, Woodrow Wilson." The world moves, he said, "It is just as unthinkable that a man should cease growing as that a tree should." He said "I invite all you forward looking men to a contemplation of the future."

He gave a fine promise as senator. He declared that he had no ambition to sit in a mighty seat for any purpose than to hold a vantage point for greater service. He admitted that he had heard complaints that is a progressive. He confessed inability to stand still with a world that moves with marvelous rapidity away from old things. He pledged himself to preaching in all seasons against the continuing bureaucracy in Washington. He agreed that it was a necessary concomitant of war, but the war would have ended had the Republican senate not doomed world peace before Mr. Wilson returned home. Mr. Brooks spoke less than an hour but rapidly and at times with marked eloquence. Many Pitt people went up and pledged him support in the coming race.

## DANIELS PRAISES ARMY.

Warmest appeals for support of the Salvation Army and hearty commendation for the work it is doing along the home sector are found in letters written to Miss Evangeline C. Booth, commander of the Salvation Army forces in the United States, by Josephus Daniels, secretary of the navy, and Wm. C. Sproul, governor of Pennsylvania. Secretary Daniels says:

"The Salvation Army is dear to the heart of every American who has heard the tales of their sacrifices for the fighting men on land and sea. The young years of service in their battle with evil gave to the Salvation Army a quiet steadfastness of soul; a happy courage which smiled serenely in the face of death and cheerily met every hardship with a song. They are still singing their brave songs as they wage their never ceasing war. Peace has come, the fighting men have laid down their swords, the soldiers of the Salvation Army never rest, but battle on.

"Their cause is the cause of every true American—their forgetfulness of self in service is for us to emulate—their cause is for us to support."

Governor Sproul says in part:

"I like the Salvation Army because of its quality rather than its quantity. It is an organization which has been working quietly at the root of trouble. It is an army which never has sounded a retreat, which has known no armistice, and which has been prepared to face every hardship known to man, be it spiritual or material.

"Let me take this opportunity, my dear commander, to express to the Salvation Army, through you, the hope that it may continue to maintain its wonderful standards and ideals. America today needs the Salvation Army to help in the greatest problems of all history. I know the people of this state always will respond generously to any appeal for assistance whereby the Salvation Army may continue and enlarge the scope of its great work for mankind."

## NEW ALLOTMENTS.

In order to answer the innumerable questions as to insurance, compensation and allotments that come up from time to time, the office of the assistant to the Secretary of War, in charge of soldier re-employment and welfare, has issued a pamphlet designed to help ex-service men solve their individual problems. It is known as Bulletin No. 66, and may be had from army, Navy and Marine recruiting offices, employment agencies, welfare organizations, public health officers, local posts of the American Legion, Army and Navy hospitals, and chambers of commerce. This pamphlet will also be supplied free of charge to anyone who will address the office of the assistant to the Secretary of War, Council of National Defense Building, Washington, D. C.

In this booklet government insurance for men who were in the service is fully explained—how premiums are to be paid after discharge; how pres-

ent insurance is converted into the six different forms of permanent policies now provided; how lapsed policies are reinstated.

The more difficult subject of compensation is described. This is a government allowance paid to ex-service men and women for injury or disability in line of duty, and is entirely separate and apart from any benefits of war risk insurance. The ex-soldier is shown how to apply for compensation through the United States Public Health Service or any American Legation post. The difference between compensation for temporary and permanent disability is described at length and so-called partial permanent disability, as well.

## SEVERAL CASES IN MONDAY'S SESSION OF CRIMINAL COURT

(Continued from page one.)  
returned a true bill of murder, and although no decision was rendered late yesterday evening, it is very probable that another maximum manslaughter sentence will be decided upon making a total of sixty years in prison at hard labor for both crimes.

A true bill was returned late yesterday evening in the case of Lewis Forbes and William Jones, for the murder of J. Clegg Smith, colored, of the Farmville district, during this year, and while judgment was withheld until sometime today it is generally conceded that the maximum sentence of manslaughter, 30 years in prison, also manslaughter, 5 years in prison, also will be imposed in this case.

The murder charge against Moses Lewis, of Ayden, charged with the murder of his father, Bill Dew, was deferred by consent until Wednesday session of the approach of the approaching August term. John Arent, charged with trespass, was found not guilty. No proceedings were taken in the case against R. F. Butts, charged with false pretense.

In the case against W. J. McGlohon, non suit proceedings were taken on account of insufficient evidence. Similar action also was taken in the bigamy charge against Duncan Berry. The case against the Greenville Publishing Co., and J. L. Mayo, recently returned by supreme court, was continued.

Jasper Harrington and Jack Blount were found guilty of receiving more than one quart of intoxicating liquors at one time and were fine \$10 each, and one-half costs. Annie Bell and Delzora Fleming were required to forfeit bonds of \$100 each for failure to appear in court when called. Both were charged with vagrancy.

There were a number of minor matters receiving consideration during the day, a greater part of them being continued until the next session of superior court or either deferred for final consideration. Several other cases of importance probably will receive attention before this session terminates, and it is assured that work will be possibly as rapid as that yesterday.

## ROCKY MOUNT AND WILSON WILL PLAY IN VIRGINIA LEAGUE

(Continued from page one.)  
dicte that Rocky Mount will be the mecca for every baseball enthusiast of this section of Eastern Carolina Thursday. According to the league schedule, the two Carolina teams open the season with the clash here, Journey to Wilson for the second game of the series Friday and then return to Tar Heel park Saturday for the final fray.

Tanned and hardened by several weeks of intensive field and "skull practice and emerging from a successful exhibition schedule, Manager Bridwell's charges are in toptop shape for the fray, and will give the crowd that attends the opener as fast an exhibition as they have ever seen in Class B baseball. Manager Bridwell has not yet announced who will occupy the mound for the locals in the Thursday clash, but the twirling will in all probability be done by either Fullenwider or Syder, and either twirler is capable of giving a classy exhibition of slab work. Fullenwider is a mound artist of Southern League fame, while Snyder has won a high place in local fandom by his excellent work in several of the recent exhibition frays.

## TURK PEACE PACT TO BE DISCUSSED IN PEACE MEETING

Great Britain Represented by  
Three Premiers at San  
Remo Meeting.

San Remo, April 19. Questions in connection with the peace treaty with Turkey will comprise the first business to be taken up by the Supreme council of the allies at its first formal session here tomorrow. This was decided upon at a conference today in the Duvachan Palace, where the sessions are to be held attended by Premiers Nitti, of Italy, Lloyd George, of Great Britain and Millerand of France. It was agreed that daily communiques should be issued, as upon the occasion of previous sessions of the council.

It developed definitely today that the United States would not be represented at the conference.

The Prime Ministers of the three great powers—Nitti, Millerand and Lloyd George, have expressed very decided regret that the United States government was taking no part in what is regarded as one of the final acts of the peace conference.

As far as it can be sensed, the feeling here is that the absence of America is only a temporary one and that the reason for her present detachment are likely to disappear.

For the present, however, the prime ministers, foreign ministers and Ambassadors of France, Great Britain, Italy, Japan, Belgium and Greece at the meeting are occupied with problems particularly affecting themselves and there is no disposition to dwell unduly upon the lack of American participation.

The first meeting of the conferees will be opened at 11 o'clock tomorrow morning.

Another subject which has not been much mentioned as yet, but which will be brought before the council before its close, will be the condition of international exchange and the position in which Italian industry has been placed by lack of coal. The Hungarian treaty will have to be passed upon finally, with the prospect ahead that he present Hungarian government may refuse to sign it. Then there is the vastly important question of compelling Germany to fulfill the treaty of Versailles, regarding which an early declaration by the conference is expected.

Sessions will be held morning and afternoon, with the possibility that evening meetings also may be arranged for.

The Jugo Slavs are not represented here and it appears doubtful if the Adriatic question will be taken up.

## Any Man Can Be A Capitalist

Some philosophers go to great lengths explaining why money is not the only thing to work for in life.

And their contention is a good one.

It is true that some wealthy men are miserable, but no man need be unhappy for having money. A man with money is an influence in his community. He can live well and die happy.

Poverty and misery go hand in hand. Choose your own fate—be a capitalist or a pauper.

The defendants above named will take notice that an action entitled as above was commenced against them on the 13th day of April, 1920, by the issuing of summons out of the justice court by B. F. Tyson, justice of the peace, and said action is brought by plaintiff against the defendants for the non-payment of the sum of eighty-two dollars and ten cents (\$82.10), on account of damages suffered by the plaintiffs by reason of a breach of contract had with the defendants.

The defendants will further take notice that they are required to appear before the undersigned justice of the peace at Greenville on the 13th day of May, 1920 at 11 o'clock A. M. and demur or answer the complaint of the plaintiffs; and they will further take notice that if they fail to appear and demur or answer at said time and place, that the relief demanded in the complaint will be granted.

The defendants will further take notice that a warrant of attachment was issued by the undersigned justice of the peace on the 13th day of April, 1920 against the property of defendants in the National Bank of Greenville, especially against certain funds in the hands of the National Bank of Greenville belonging to the defendants, which warrant is returnable before the said justice on the 13th day of May, 1920 at 11 o'clock A. M. in the town of Greenville, when and where the defendants are required to appear and answer or the relief demanded will be granted.

Witness my hand and seal this the 13th day of April, 1920.

B. F. TYSON,  
Justice of the Peace.

**PROFESSIONAL CLASS ENTERTAINS JUNIORS**

The First Year Professional Class, the "A" class, of the Training School entertained the Juniors on Saturday evening. The members of the faculty were also invited. The guests were first led to the Y. W. C. A. Hall where a program consisting of song, piano numbers, and recitations entertained the crowd. Negro spirituals sung by a trio, were called back again and again, and were decidedly the great success of the evening.

A contest that gave the hostesses and the guests a chance to mingle together was entered into with interest. This ice-cream in green and white with the "A" colors, was served.

**FIRST SHOW TO BEGIN AT 8 O'CLOCK, SECOND AT 9:15**

On account of the meetings which are going on in the city, the first show at White's Theatre will begin at 8 o'clock and the second show at 9:15

o'clock. Mr. White has a splendid program on this week, and he wants to co-operate with the meetings as much as possible. He has had several requests to move the hour for the pictures so he gladly consented to do so. The picture on Saturday night will begin at the usual hour. After the revival services are over the schedule for the pictures will return to the usual hour.

**CONTRIBUTES ONE DOLLAR TO SEWANEE UNIVERSITY**

Bishop Thomas C. Darst has just received a letter enclosing a contribution of one dollar toward the Million Dollar Endowment Fund of the University of the South, at Sewanee, Tenn. This gift is worthy of special mention because it comes from a husband and wife, each over 65 years of age and with five additional persons dependent on them for support. This is true sacrificial giving, and folks who complain of their inability to contribute a worthy cause, will do well to meditate on this case.

East Carolina is one of twenty-one Dioceses that own and control the University of the South, and for the past six months there has been an organized movement in all these Dioceses to secure the above Endowment for the University.

With her usual progressive spirit, East Carolina is fast approaching her goal. Kinston, Greenville, Farmville, Snow Hill, went over the top last week. A wire just received at Diocesan headquarters in the Murchison building reports Washington, N. C. more than two hundred dollars over-subscribed.

Wilmington Churches are showing a keen interest. St Paul's church and Good Shephard church will secure their sewanee contributions next Sunday. St. John's church is now in the midst of their effort and St. James Church has already turned in in cash, nearly one-third of their quota, and with three years to make payment, there is no doubt about St. James doing more than its share.

Encouraging reports from the entire south, give assurance of the full Million Dollars being secured before the campaign closes April 25th.

ements should support France against Germany and asserts Germany is violating the Versailles treaty and avoiding all engagements, and that France and Belgium could not have done otherwise than advance east of the Rhine when Germany regulars invaded the neutral zone in the Ruhr valley.

France must maintain an army of 700,000 men until enemy countries "show their good will by executing the terms of their treaties," in the opinion of government officials, according to newspapers here. Plans under contemplation call for \$350,000 conscripts constantly under training, eighteen months service being required of each man.

Wages equal to those paid industrial workers, less the cost of food

and lodging provided by the government, will be paid enlisted men and conscripts who are enlisted.

It is expected bills to carry out this program will be introduced in the chamber some time in June.

**INSURANCE DEPARTMENT**

**READY FOR WOMAN SUFFRAGE**

Raleigh, April 20.—The State Insurance department will not need any formal adoption of the Woman's Suffrage Amendment in order to get the active services of women in the work of prevention of fire and accidents. For several years insurance commissioner, Young has had women deputy commissioners, who act as field agents thro the state. Their work has been invaluable, he says. They make excellent lecturers before clubs, at school commencements and other civic gatherings of men and women. Wherever they go they are received with great cordiality, and as organizers of school children into safety leagues, giving suggestions to teachers or firemen as to

the best methods of stimulating interest in preventive carefulness, they have proven their worth every day of consecrated, talented service. And no Supreme Court decision has ever decreed that they shouldn't hold office. The department was much gratified last week that one of its most esteemed deputy commissioner women, Mrs. John S. Cunningham, formerly of Durham of Greensboro, received the unprecedented honor of being made honorary delegate from the State at large, to the National Democratic convention at San Francisco in June, by the State Democratic convention. Another satisfactory note of approval of it's chief deputy commissioner, Stacey W. Wade, was the fact that he received the endorsement of every county convention held on Saturday in the various counties of his congressional district for state insurance commissioner to succeed Commissioner Young, who after 21 years of service, refuses to be a candidate again. Mrs. W. T. Hollowell and Chief Wade have had long

service with the insurance department, following compose the women delegates: Mrs. T. W. ... Mrs. W. T. Hollowell, Fayetteville; Mrs. John S. Cunningham, Greensboro; Mrs. J. G. Fearling, Elizabeth City; Mrs. Olive Webster, Perry, Siler City; Miss Evelyn L., Waynesville.

Fairbanks by way of Fort Gibbon, thence to Nulato and Nome. Compulsory stops at an average of each 150 miles will be arranged.  
Flying events of a sporting nature will not be confined, however, to the United States in 1920. In France a flying meet is scheduled to be held at Juvisy, near Paris, May 22 and 23. The British aircraft exhibition will be held at London in July. In addition the British government has offered several millions in pounds as prizes for various airplane sporting events to be held during the year. The Cape to Cairo route

is being blazed. Between the two points the distance by rail, steamship or ground transport is approximately 6,223 miles. The aerial line is about 5,200 miles.

**NOTICE OF SUMMONS BY PUBLICATION.**  
State of North Carolina, County of Pitt. H. L. Hodges & Company vs. Babcock Brothers. In the Justice Court, Before B. F. Tyson, J. P.

The defendants above mentioned will take notice that an action entitled as above was commenced against them on the 13th day of April, 1920 by the issuing of summons out of the Justice Court by B. F. Tyson, Justice of the Peace and said action is brought by plaintiffs against the defendants for the nonpayment of the sum of seventy-two dollars and ninety-three cents (\$72.93) on account of damages suffered by the plaintiffs by reason of a breach of contract had with the defendants.

The defendants will further take notice that they are required to appear before the undersigned Justice of the Peace at Greenville on the 14th day of May, 1920, at 11 o'clock A. M. and demur or answer the complaint of plaintiffs, and they will further take notice that if they fail to appear and demur or answer at said time and place, that the relief demanded in the complaint will be granted.

The defendants will further take notice that a warrant of attachment was issued by the undersigned Justice of the Peace the 14th day of April, 1920 against the property of said defendants in the National Bank of Greenville, especially against certain funds in the hands of the National Bank of Greenville belonging to the defendants, which warrant is returnable before the said Justice on the 14th day of May, 1920 at 11 o'clock A. M. in the town

of Greenville, when and where the defendants are required to appear and answer or the relief demanded will be granted.
