

MEXICO PLANS TO SURROUND REGIONS NOW IN REBELLION

Troops Purpose to Crush Sporadic Outbreaks in Other Parts Republic. LONG LIST OF LOYALISTS IS GIVEN OUT TO PUBLIC. Central Government Claims Only Two States Have Repudiated Adminis.

Mexico City, April 25.—The developments of the last two weeks resulting from the Sonora revolutionary activities show that the Central government is preparing to encircle the rebellious State with a steel ring, meanwhile crushing sporadic outbreaks in other parts of the republic with a strong hand.

A summary of the seditious activities in various sections of the republic since the northern state broke with the Carranza administration together with the results of the government's military measures has been issued by the War Department officials, two weeks after the open break between the Obregonistas and the administration and is cited as proof that the government's official statement characterizing the Sonora outbreak as merely local is well founded. The long list of professions of adhesion to the Central government from virtually every state executive and military leader, would seem to indicate that the republic as a whole is solidly supporting the present government.

Aside from the Sonora state government, only two state executives have repudiated the present administration, these being General Enrique Estrada, in the state of Zacatecas, and Pascual Ortiz Rubio, in the state of Michoacan. Both of these executives, however, have failed to attract any great following and are being pursued by loyal forces.

The state legislature in Zacatecas has repudiated the attitude of Estrada and cited him for treason, while the Michoacan legislature has unseated Ortiz Rubio and named Primo Seranla Merced as his successor.

The present whereabouts of Gen. Ivaro Obregon, the former war minister, who is slated for the presidency of Mexico by the Sonora rebels, and General Benjamin Hill, his campaign leader, is uncertain, the official war office statements failing to locate them, while press despatches are widely at variance.

BEAUTIFUL TRIBUTE PAID TO PROF. C. M. EPPES.

A deserved tribute was paid C. M. Eppes and his teachers at the colored Baptist church on Sunday by a woman who annually travels over eastern North Carolina in the interest of the western orphanage of the Baptist denomination. In her visits she had not found a more earnest man for his people, than the principal of the colored graded school. She urged the people to better support men and women who are doing so much for her people. The tribute was well taken by the friends of Prof. Eppes, for they knew he was not present nor aware that such good words would be spoken for him and his faculty.

MR. AND MISS TUTTLE ENTERTAIN STUDENTS AT E. C. T. S.

Mr. and Miss Tuttle, the singers at the Christian church, gave a charming musical program to the students of the Training School Saturday morning at the assembly period. Mr. Tuttle sang two solos, Miss Tuttle gave a reading number with piano accompaniment, and the two sang a duet. The students were charmed with their voices and only wished they could have given a full concert.

The visitors complimented the chorus singing of the students. At the end of the program the girls did their best in singing one song.

Mrs. C. S. Dixon, Sr., of Raleigh, Misses Pattie and Sara Nixon, of Edenton, arrived Saturday afternoon to be present at the Scott-Jackson wedding.

DR. HURT DELIVERS THREE SERMONS IN SUNDAY'S REVIVAL

Wilmington Minister Speaks to Men in Service Yesterday Evening. REGULAR SERVICES OF ESPECIAL INTEREST. Services Last Night Largely Attended and Full of Inspiration.

Dr. John Jeter Hurt, who is conducting the revival services in the Memorial Baptist church preached three powerful sermons yesterday. It was a great day and will long be remembered by every one who heard Dr. Hurt. Yesterday morning he preached on the subject, "Not Ashamed of the Gospel," telling how God appeared to Paul and turned him from his sinful way into the path of righteousness. He spoke of how things change, and of how we all love to go back to the things and places that we have loved. His sermon showed that God is all powerful and can save all. Three new members were added to the church.

Yesterday afternoon he spoke to the men and boys on the subject, "A plain man's talk to his fellow men." He divided his sermon into three parts, "Stand by your town," "Stand by your family," "Stand by your church." Perhaps the men, of this city, have never heard such a message before. The advice which they received from this man of God, will go with them through the years to come.

Last night he based his sermon on the "Prodigal Son," telling how after he had reached the bottom and was discouraged he arose and returned to his father. He appealed to the sinners to arise and go back to the Father. God is (Continued on page four.)

WRIGHT GUEST OF EDGECOMBE COUNTY WOMEN SATURDAY

Alumnae Association of Training School Entertains The President.

President Wright and the Edgcombe county girls in the Senior Class of the Training School were the guests of the Edgcombe County Alumnae Association at a banquet given in Tarboro Saturday evening.

Misses Ruby Mercer, Callie Ruffin, Roland Martin, Ruby Daughtridge and Mary Batts were the five Seniors. Miss Wilson went as the faculty representative.

There was an Edgcombe Alumnae Association formed with twenty four members. Most of them are teaching in Edgcombe county. Some of them are married, but their interest in teaching is just as great as if they were still in the mob.

Mr. George Howard, superintendent of Edgcombe County, was present and had a great many complimentary things to say about the success of the Training School girls who teach in that County. President Wright made a strong talk to the Association, showing them the brighter future that is awaiting school-teachers, and the importance of being true to their trust.

ALL ALUMNI AND FRIENDS OF UNIVERSITY REQUESTED MEET

Every member of the Alumni of the University and all friends of the University are requested to meet Mr. Albert M. Coates in the court house in Greenville, on Tuesday evening at 8 o'clock for the purpose of discussing plans, ways and means for the Graham Memorial. It is hoped that every one who feels an interest in this matter will attend this meeting and take with him or with her a friend, who is interested in this cause.

HARDEN AND WOOD TO TOP PRIMARIES IN OHIO DISTRICTS

Hottest Fight Within Republican Ranks Expected Between Aspirants. COMPLETE TICKET TO BE DECIDED TUESDAY. Governor James Cox Has Clear Field as Democratic Candidate of State.

Columbus, O., April 26.—One of the hottest fights waged within the ranks of the Republican party in Ohio in years is expected to be decided in the state-wide Presidential Primary tomorrow when Warren G. Harding, senior United States senator from this state, and Major General Leonard Wood, contend for Republican preference and the delegation to the Chicago convention.

A complete list of candidates for district delegates and delegates at large, pledged to Senator Harding, is on the ballots while candidates for delegates, pledged to General Wood, have been entered in all except three of the districts and two candidates, avowedly for General Wood, are running for delegates at large.

The Harding candidates for delegates at large are former governors Frank B. Willis and Myron T. Merrick, Mayor John Galvin, of Cincinnati and H. M. Daugherty, an attorney of Columbus. The Wood delegates at large candidates are former Attorney General Edward C. Turner, of Columbus and Attorney William H. Boyd, of Cleveland. Four are to be elected.

In general the Wood organization is headed by men who were prominent in the Progressive party in 1912. Senator Harding's campaign for the most part is in the hands of men affiliated with local party organizations.

SMOKING PERIODS ARE INTRODUCED IN BIG FACTORIES

Marlboro Manufacturers Introduce Means of Recreation for Workers.

Marlboro, Mass., April 26.—Smoking and chatting periods have been introduced at a local shoe factory in an effort to increase efficiency. Several ideas eliminating unnecessary processes have been adopted and other suggestions aimed at time-saving are being tried out.

Some of the operatives, it is said, did not take kindly to the experiments and wondering dubiously what the next attempt of the management to obtain a short-cut to production would be. It came in unexpected form and the employees are now discussing the latest idea over their pipes and their knitting "on the company's time."

Their speculation over the next efficiency plan was answered by the following announcement: "Production must be increased. Quality must be improved. Beginning tomorrow, operations will be suspended twice daily to allow operatives to rest."

During these periods, which begin at 10 in the morning, and 3 in the afternoon, the power of the plant is shut off and the wheels are stopped while the men smoke and the women chat or knit. Then the whirr of the machinery begins again and the workers return to their task of making shoes.

END OF CENTURY CLUB TO MEET TOMORROW

The End of the Century Club will meet tomorrow afternoon at 4 o'clock with Mrs. T. E. Hooker.

Next Saturday week, May 8th, Walter L. Main's circus will exhibit in Greenville.

TOBACCO MEETING DRAWS BIG CROWD TO WILSON FRIDAY

Meeting of United States Tobaccoists, Settle Question of Interest. FARMERS URGED NOT TO PLANT ENORMOUS CROPS. Acreage, It is Said, Should Not be Greater Than the Past Year.

At a meeting held at Wilson, N. C., by the Tobacco Association of the United States at which was present representatives from various markets of eastern North Carolina including dealers, warehousemen and farmers, the following resolutions were adopted.

First, That under the circumstances of the unprecedented large crop of tobacco being grown in 1919 and sold at the highest average ever known and that every incentive was thus given to increase the tobacco production and as these prices were unduly high considering the size of the crop and the circumstances of the central European countries which take considerable quantity of bright tobacco being debarred by the great depreciation of the rate of exchange, everything costing then five or six times as much as compared with the American dollar and the further condition that there has been a sufficient stock of tobacco accumulated for all practical purposes that everything points to much lower prices even if no more tobacco is produced than in 1919.

Second, Under the prevailing condition of high labor, fertilizer and everything that contributes to the making of bright tobacco it has been deemed wise and appropriate to put these facts before the producers of bright tobacco with the expressed opinion of the leading tobacco men that the production of any larger quantity than was made last year would be brought with the danger of very much lower prices possibly less than the cost of production.

Third, Therefore the farmers are (Continued on page four.)

ABOUT TEN YEARS REQUIRED TO SAVE RUSSIAN INDUSTRY

Railways Cannot Possibly Recover from Effects of War Within that Time.

Moscow, April 26.—Russian railroad shops, working at a maximum of peace time capacity, will require more than 10 years to restore normal traffic with the present facilities of production, according to a survey recently published in the Economic Life. The chief needs are shown to be the importation of rolling stock and the home development of the transportation industry.

The survey shows that in 1914 the number of locomotives was approximately 20,000 with 16 per cent unit for use. The present number of locomotives is about 10,000 with fifty-nine percent out of commission or in need of repairs, and the number of cars 250,000. Lines in operation have also diminished about 20 percent.

The maximum pre-war production in the Russian shops was 1,800 locomotives and 40,000 cars annually, and the number that retired each year was 1,000 locomotives and 30,000 trucks. The present need is for 15,000 locomotives and 30,000 trucks. The present need is for 15,000 locomotives and 450,000 cars.

Every business wants bigger business, and the way to get it is by advertising your business in The Reflector, the paper that the people read.

DECLARES BETTER ROADS ESSENTIAL TO STATE FUTURE

William Hardin, Archdeacon, Diocese of N. C. Writes Hearty Approval. HICKORY MINISTER ALSO APPROVES DEVELOPMENT. Colonel Kilpatrick Says Other Have Given Personal Endorsement of Issue.

Charlotte, N. C., April 26.—(Special)—Venerable William H. Hardin, archdeacon, diocese of North Carolina, of Salisbury, wrote Col. T. L. Kirkpatrick, president of the Wilmington-Charlotte-Asheville highway association, that he thoroughly endorsed the movement for good roads in this state. Text of the letter, made public here today, follows:

"I am glad indeed to add my unqualified endorsement to the proposed fifty million dollar bond issue for the purpose of constructing a state system of durable, hard surfaced highways for North Carolina. Certainly nothing could be more conducive to the prosperity of our beloved state along all lines, and there can be little doubt but that movement will meet with the hearty approval and co-operation of the progressive citizenship of the good old North State.

Rev. S. B. Stroup, rector of The church of the Ascension, of Hickory, wrote as follows:

"You may count on me to use my influence in any way possible to further the interest of the people of this state in good roads. I feel that nothing possible could be done which would more completely transform our mountain counties than a series of good roads. It would do it morally, spiritually and economically."

When making public these letters, Col. Kirkpatrick said they were two of more than twenty he had received from clergymen of North Carolina, all of which were substantially of the same spirit.

SOCIETY DEBATES HELD AT TRAINING SCHOOL SATURDAY

Query Was Resolved That Industrial Disputes be Settled by Board.

The annual inter-society debate between the Poe and Lanier Literary Societies of the Training School was held on Saturday evening. One side of the assembly hall was decorated in the green and gold of the Laniers and the other in the red and white of the Poes. The dividing line was sharply drawn at the center of the stage. At eight o'clock the two societies lined up and filed in singing their songs and giving their yells. First one side and then the other had the place at the piano, and they took turns in singing and shouting.

The query was: Resolved That Industrial Disputes should be Settled by Compulsory Arbitration.

The Poe Society had the affirmative side and their debaters were Misses Helen Bahnsen and Helen Croom. The Laniers had the negative and Misses Helen Watson and Myrtle Rice were the debaters. The affirmative side won thus gaining the cup which stands for the debating championship for the year 1919-20. Mr. C. W. Wilson delivered the cup.

Sharon Masonic Lodge meets tonight

GOMPERS DESIRES IMMEDIATE ACTION ON PART CONGRESS

Veteran Labor Leader Hurls Scathing Remarks Against Republicans. COMPLETE FAILURE TO MEET STRIKE ISSUE. American Labor Wants Congress Which Will Turn Face to Huge Tasks.

Washington, April 25.—Sweeping charges that the present congress has failed the nation "with completeness and abandon" are made by Samuel Gompers, president of the American Federation of Labor in the current issue of the American Federationist.

"America must get rid of its veto Congress and elect an action congress," he says. "The 'no congress' must give place to a 'yes' congress."

The labor leader asserts that congress has failed on the peace treaty, in reconstruction, and the high cost of living and that it also has "failed us in intelligent comprehension of every great question affecting the lives and welfare of our people."

The "sins of present congress," he adds were of commission as well as omission, as there had been "almost an eagerness to do the wrong things." The enactment of the railroad bill being cited as a "shining example."

"There must be a congress which will turn its face to the task confronting the American citizenship in the true spirit of American institutions," Mr. Gompers says, "a constant genius for accomplishment must replace an ill-considered mania for restriction and coercion.

"America cannot play forever the part of a peevish child in international relations. The affairs of the world are the concern of the United States. There may be proper limits to which this concern may go, but there is no longer any such thing as absolute divorce from what transpires elsewhere.

"The blind and bigoted action of congress in refusing to deal intelligently with the peace treaty has made it impossible for the United States to manifest the proper concern in these affairs.

"On our own continent, there is the same need. For weeks a Senatorial sub-committee has been going up and down the country gathering testimony, the evident purpose of which can be but to inflame the minds of those who think little and who take much on faith. At periods all too frequent the United States is brought to the verge of war with Mexico. It is not difficult to see the evidences of satisfaction in the part of predatory interests at each of these periods, not is it difficult to discern the propaganda which fosters the development of them.

"Falseness, vilification, studied misrepresentation—these are the weapons constantly in use by those who, to serve their own ends, would precipitate war between these two American republics. It is no longer possible to feel with certainty that high government officials have not been made the tools and pawns of those who seek intervention, the latest term for which is "Cubanization."

"At home, across our borders and over the seas, congress has made for itself a record of failure, a record of stubborn opposition to that which is good.

POTEAU TO SING AT TRAINING SCHOOL SATURDAY EVENING

Dr. Hubert Poteau is well known in Greenville and is a great favorite here. Those who have heard him sing realize what a rare treat the Laniers are offering the public for next Saturday evening, and what enjoyment is in store for those who will attend the recital by him.

The recital will be given in the auditorium of the Training School on the evening of May 1, and 8:30 o'clock.

MONDAY, APRIL 26, 1920.

Those Detroit switchmen who have failed to return to work may like the idea better when they are forced to.

The New York senate has passed a bill to legalize 2.75 per cent beer, which goes to show that the populace of the state is desirous of something stronger than Adam's Ale.

William Hohenzollern, former emperor of Germany, may not be growing whiskers like exiles usually do, but there is one thing he is getting out of his solitude and abandonment, and that is experience.

Armenia has been recognized as an independent republic, so it is only natural to expect that the little country will be trying to do as other as soon as its resources will permit a belligerent attitude.

Italy's acceptance of President Wilson's proposal for a settlement of the Adriatic question is convincing proof that nations do not think our chief executive as crazy although there are many politicians who would have us believe it. In fact, if the president had not intervened, or we might say, interposed, at the psychological moment, the situation would be unsettled and the disputants further away from definite determination than ever before.

If a New York couple thought enough of the overall movement to get married in one of the leading hotels of that city dressed in the blue denim it looks as though the issue might receive more than ordinary consideration in other regions where elimination of certain conventionalities would not prove quite so astonishing and out of place. The high cost of living has been hit a severe blow in this one act, and with a continuance of such sentiment in various parts of the country, it is assured the cost of living will be subject to a radical change probably earlier than expected.

The national overall movement receiving strong support in New York city will meet with success in many districts, but of course there are other regions that like the high price idea and will continue to pay extortionate prices until "things naturally become normal." And quite likely they will be waiting still when the good wife supplants hubby in politics.

The increased pay granted school teachers throughout the county will no doubt be received with pleasure in every community and should do much in placing educational work upon a higher plane. A poorly-paid employee in any trade or profession cannot measure up to public expectation when worried over personal finances, therefore, it is very natural to expect more direct results from school work in the future.

Premier Lloyd George, of Great Britain, and Premier Millerand, of France, have come to complete agreement concerning Germany, so it is understood in official circles, and they are now planning to draw up some definite declaration tending to settle all questions that have been in dispute recently. The provisions of the declaration so far are unknown, but it is expected something decidedly interesting will be presented soon, and relieve to some extent the uncertainty which has been in evidence throughout various parts of the country.

Governor Hobby, of Mexico, has emphatically informed the state department of his opposition to Mexican troops crossing his state into other parts of Mexican territory, and declares that such action would be provocative of an accentuated situation, particularly along the border. He firmly asserts that American citizens along the border would be placed at the mercy of the bandits and desires the department to reconsider the situation before permitting former determinations to become effective. Just what will be done is not known, should Texas persist in its decision the situation certainly will remain unalterably the same, and only troops will be stationed along the border for protection of life and property.

There are only a few people in Greenville who fully realize what an important, progressive city they are living in because they do not get around town enough to observe the building in progress and the many other improvements under way for recreational purposes. In West Greenville it is easy to say that nearly two million dollars are being expended in improvements of various kinds, and while the papers have had much to say about the work under way there are many who can get a true conception of the huge proportions of these improvements unless they should see them. The year undoubtedly will be one of the greatest in the city's history and will do more toward advertising it to the outside world than any other single era. If you want to realize what a splendid town you are living in, and would appreciate environments, get out in the open and mingle with the people for a while and walk, ride or crawl to places where improvements are taking place. It will be well worth the price.

Attorney General Palmer has refused to contest with Senator Simmons for presidential honors in this state although the latter has invited him "to come on in, the water is fine." Reasons for the decision show that Mr. Palmer does not think it necessary for one administration Democrat to fight another in a state where the vote would be complimentary to "the

favorite son" rather than for an active candidate. He also expressed the wish that Senator Simmons were running as an active candidate rather than as a passive one. It is no doubt that there are hundreds of other that wish the same thing, and it is to be hoped the present passive attitude of the state's senator will become one of extreme activity before the primary.

Mr. Durwood Tucker came home Saturday from Richmond.

Miss Elizabeth Hathaway came over from Kinston to spend the week-end.

Mr. Edward Austin spent the week-end in Scotland Neck.

Messrs. Jennings Ragsdale and Francis Skinner spent the week-end in Raleigh.

Miss Mary Casey, of Elizabeth City, who has been visiting Mrs. Milton White has returned home.

His many friends are glad to see Mr. E. G. Flanagan on the streets again after a long sickness followed by several weeks in a hospital. It is good to know that he is restored to his usual health.

Mr. H. L. Hodges, who is in a Richmond hospital, was operated on Saturday for appendicitis. It is gratifying news to know that the operation was successful and he is getting on well.

SPLENDID SERVICES BEING CONDUCTED IN CHRISTIAN CHURCH

Dr. W. P. Shamhart preached two splendid sermons in the 8th street Christian church yesterday. In the morning to give a careful Bible study of "The Lord's Supper." Mr. Tuttle sang a solo, "A Green Hill far Away." Last evening Dr. Shamhart took for his subject "The sermon the word is preaching today." This was one of the best sermons that has been preached throughout the entire series of services in this church. Mr. and Miss Tuttle delighted the large audience with a duet, "Almost Persuaded." Both have wonderful voices and the singing was enjoyed.

Dr. Shamhart will preach again to-night on the subject "The call of Unheard Voices." On Tuesday and Thursday afternoon at four o'clock there will be services in this church. Tomorrow afternoon a study of the church of the Holy Christ will be made. All interested in the new Testament studies are especially invited to attend. Dr. Shamhart was for several years Dean of Sacred Literature in one Tennessee's old Colleges. He understands the teachings of the Bible and knows how to explain them. Every evening prior to the sermon Mr. Tuttle conducts a children's Bible study class. They are proving of especial benefit to the little ones.

The public are cordially invited to each of these services.

SINNERS ARE COWARDS, SAYS WILSON.

The two crowded congregations at the Jarvis Memorial church heard two searching sermons yesterday preached by Rev. N. H. D. Wilson. In the morning he chose as his subject, "Why Seek Ye." "In man full development there are four things that a person should seek, happiness, self-betterment, the betterment of others and the glory of God.

Sinners will not give God a chance. They are afraid to go to church." They are cowards. He dared any sinner to come to preaching four days in succession.

At the night services he chose as his subject, "The Fatal Neglect." It is not only the deep dyed sinner that is away from God. But the simple neglect to account Him keeps us a way from Him. We intend to do things, but our

failure to do them proves to be a fatal neglect.

At the close of the service scores of people went forward to say that they had been greatly benefitted by the services of the day.

Services at 9:0 A. M. and at 8:00 P. M. will be continued through the week.

WALTER L. MAN SHOWS DECORATE TOWN WITH PICTURESQUE POSTERS

One of the pleasant things for a newspaper is the announcement of a first class circus coming and this we have the pleasure of doing for the advertising car of the Walter L. Main Show was in Greenville, Saturday and the small army of men in white overalls and jumpers pasted every dead wall and billboard and available barn in and about the city announcing that Saturday May 8th will be the day that the wild animals, petite ladies, high spirited horses, wonderful trained elephants, athletic men and goodness knows what. All will arrive in Greenville on Saturday morning. The kiddies are thrilled with joy and the grown-ups gaze at the pictures and remember that the happiest moments of their happy childhood. We will publish further details later, and all we care to say now is for the "kiddies" to save their pennies and for the "grown-ups" to arrange to go to the show. Be a child again and enjoy the day from the arrival of the first gaudy train to the loading of the last

horse at night for circuses do not come every day and a good one like this is not to be missed. The big Walter L. Main Show will be here Saturday, May 8th.

REV. F. H. SCATTERGOOD AT TRAINING SCHOOL

The Vesper services at the Training School on Sunday were conducted by Rev. F. H. Scattergood. His theme was "All things are possible with God." He showed how everything worth while seems impossible at first but proved that nothing is impossible to those who place themselves under God's guidance. Wonderful discoveries are being made in the attempt to achieve what the great mass of people consider impossible. Undreamed of talents may be developed in the discoveries.

Rev. Scattergood's talk was exceedingly interesting and very helpful. Miss Alleen Jones sang "The Holy City" as a special number.

TOBACCO MEETING
DRAWNS BIG CROWD
WILSON FRIDAY

(Continued from page one.)
urged not to plant any crop that will produce more than was made last year taking in consideration that the crop last year was considerably curtailed by excessive rains. If 470,000,000 pounds produced in 1919 created a surplus sufficient for the price of tobacco at the end of the season to be reduced one-half without the last year's rains the surplus would have been 125,000,000 pounds more. The government estimates 15 per cent increase for 1920 for North Carolina which with an average yield would bring the crop up considerably over 600,000,000 pounds with the possible deplorable results as to the values and therefore there is every apparent reason that the crop should be materially reduced as compared with last year in order that no more pounds of tobacco shall be produced.

ready and willing to save all who come unto him. No one gets to deep in sin, for God to lift down and save, if they will only repent. It was a beautiful sermon and although an old story it is ever a new story. The singing at all the services was especially beautiful and enjoyed by all present.

Dr. Hurt will preach again this evening at 8 o'clock on the subject, "How Many People Will be saved at Last?" He will preach again tomorrow morning at 8 o'clock. The public is cordially invited to each service.

**AMERICAN LEGION PREPARING
TO BACK SALVATION ARMY**

Atlanta, Ga., April 26.—That the American Legion in North Carolina, as well as in other states is prepared to back the Salvation Army to the limit on its second home service fund appeal scheduled for May 10 to 20, is indicated by the section of post No. 10 of the American Legion at Wilmington, according to a message just received at headquarters of the Salvation Army here from W. F. Brandt, supervisor of the Salvation Army campaign in eastern North Carolina. The executive committee of post No. 10, has officially endorsed and gives its unqualified assistance in putting over the campaign for the maintenance and building fund for the Wilmington zone. The resolution was signed by E. E. Graham, chairman of the executive committee and commander of the post C. C. Cashwell, vice chairman, E. M. Mussetwhite, secretary and treasurer, M. B. Wilson, Thomas J. Gause, George Gillette, and Charles R. Humphries.

**TWENTY YEARS AGO, APRIL 25,
1900**

The residence of Dr. Bagwell, on Fifth street, was struck by lightning and considerably damaged.

Mr. N. S. Fulford and Miss Maude Blow were married on the evening of April 25th, (twenty years ago yesterday.)

Greenville was holding meetings looking to the building of a cotton mill.

Mr. B. F. Patrick began building Hotel Bertha (now the Princeton) the first real hotel Greenville had.

The first postage stamp books were put on sale at the local post office.

A horse belonging to Col. Harry Skinner got hung in the railroad trestle between Fourth and Fifth streets and stopped the incoming passenger train.

FOR SENATE.

Subject to the action of the Democratic primary, I announce my candidacy for the State Senator to represent Pitt county in the next General Assembly of North Carolina. N. W. OUTLAW. 20-3twk-tf

TO THE VOTERS OF PITT COUNTY

I hereby announce my candidacy for House of Representatives, subject to the action of the Democratic primary to be held on June 5th, 1920.

19-eodtt J. J. SATTERTHWAITTE.

FOR SENATE.

I hereby announce myself a candidate for the State Senate, subject to the action of the Democratic Primary. S. J. EVERETT.

**TURNER PREACHES GOOD
SERMONS TO BAPTISTS**

Yesterday Dr. Jas. B. Turner preached two very strong sermons in the Immanuel Baptist church. At both services the church was crowded.

At the morning hour Dr. Turner's subject was "The Heritage of Childhood." This heritage he said was a sound body, a mother's love, and an unsullied soul. The Sunday school attended this service in a body, each teacher being present with his class.

The subject for the evening service was "A Man in a Tree." As the Master called Zacchens to come down out of the tree, just so He is calling men to come unto Him today.

Rev. Eugene Olive continues to delight the congregations with his soul inspiring music.

Services at this church daily at 4 and at 8 p. m. All are cordially invited.

**COTTON MARKET RECOVERS
FIVE DOLLARS ON BALE**

New York, April 26.—The cotton market has recovered about five dollars a bale on last week.

MEN

Why talk of the H. C. L. of Clothing when our stock is brimming full of wearables at prices far below that asked at other places?

Shirts—in a big array of patterns and materials from \$1.50 up. Exceptional values they are.

Other items correspondingly low.

C. T. Munford

"THE SAME FOR LESS."
