### Republicans Deny Knowledge of Campaign for Huge Slush Fund

#### TENNESSEE HOUSE EXPUNGE RECENT SUFFRAGE RECORD

Body Votes 47 to 24 to Non-Concur in Action of State in Ratification

#### ANTI-SUFFRAGISTS TAKE ADVANTAGE OF SUFFRAGE ABSENCE

Action of House in Expunging Record Not Taken Seriously by Members.

Nashville, Tenn., Aug. 31.—The Tennessee House of Representatives, with a quorum present for the first time since August 20, expunged from its journal this afternoon all record of ratification of the suffrage amendment and voted 47 to 24, with 20 not voting, to non-concur in the action of the Senate ratifying.

Shortly after the House convened, it became evident that the anti-ratificationists, a majority of whom have been in Alabama on a filibuster for more than a week, were in the majority through failure of several of the suffrage members to arrive in time. With clock-time program, the anti-ratificationists proceeded to put through their plan of attempting to undo what was done on August 21, when ratification was accomplished.

The first step was the motion to expunge from the journal of that day all reference proceedings upon the suffrage ratification resolution. After this was carried 47 to 37, with six not voting, motion was made and carried that a certified copy of the resolution, the original of which is in the hands of the Senate be spread upon the journal.

Representative Riddick, leader of the ratificationists, made the point of order that the resolution was out of the hands of the House and now a part of the Federal Constitution through proclamation of Secretary of State Colby. He was overruled by speaker Walker.

The House by a viva voce vote then adopted a motion to reconsider its previous action upon the resolution. Motion was then made and carried to non-concur in the action of the Senate in ratifying the ratification resolution. In the course of the discussion on the legality of the action of the House in reconsidering, Representative Riddick read a letter from state's Attorney General Thompson, in which the latter expressed the opinion that reconsideration of the resolution was impossible, since the House had already ratified it and Governor Roberts had certified to Secretary Colby this action by both House and Senate.

#### FOURTEEN CASES IN TUESDAY'S SESSION OF SUPERIOR COURT

Grand Jury Fails to Find Bill of Murder Against City Policemen.

#### CARL CANNON FOUND NOT GUILTY KILLING ROY COX, COLORED

Jury Returns True Bill Against Rev. W. H. McLean on Embezzlement Charge

The criminal session of Pitt county superior court which convened in this Monday morning continued with a rapid swing in yesterday's session, resulting in the disposal of fourteen cases which had been on the docket for sometime. The grand jury probably experienced one of the busiest days that will feature the entire session, and in most instances, found adequate grounds for an unprecedented number of true bills, particularly in the opening days of criminal court in this part of the state. The legal grip continued rapidly throughout the entire day, experiencing only slight interruption in the way of long drawn out controversies and for that reason more than any other work was given such an impetus that justice was dealt out with precision and a pleasing degree of accuracy. Judge Bond presided in a decidedly interesting and impressive manner displaying thorough knowledge of law and conditions in assendency in this section of the state. There were a number of instances when his judgment counted largely, and at such times he proved fully familiar with details and expedited the regular routine many times when interruptions would have been occasioned.

Probably the most important case coming up for consideration during the day was that against Chief of Police Lester Jones and Policeman C. F. Wooten, charged with the murder of Thad Gorham and Louis Hopkins, colored, who were killed during a raid in the colored district of the city several weeks ago. Evidence submitted to the grand jury was not sufficient to bring about conviction, and a decision if not a true bill was returned following a short but thorough examination of the case.

Butler Ward, colored, charged with secret assault, was found guilty of assault with a deadly weapon, the fine (Continued on Page 4)

#### SAYS HAWAIIANS TO BE EXTINCT WITHIN PERIOD OF 70 YEARS

Dr. F. E. Trotter Declares Ratio of Births and Deaths Prove Assertion.

#### HIWAIANS ARE AMONG DYING RACES OF THE WORLD, HE DECLARES

President of Territorial Board of Health Gives Nations Statistics.

Honolulu, T. H., Sept. 1.—Hawaii's native race will be extinct in 75 years if the ratio of births and deaths set by the official figures for the fiscal year 1919-20 is maintained. This is indicated by the report of Dr. F. E. Trotter, president of the territorial board of health which shows that during the year the deaths of pure-blooded Hawaiians totaled 1,000, while there were 676 births.

There are approximately 25,000 pure blooded Hawaiians living on the Hawaiian islands, according to estimates. Reports for past years show decreases in their numbers.

In marked contrast with the evidence that the Hawaiians are members of a "dying race" are the vital statistics dealing with those who represent mixtures of Hawaiian with Caucasian and Asiatic blood.

#### FOOD SITUATION IS STILL CONSIDERED ACUTE IN GERMANY

Students of Food Situation in Central Europe Watching Changes Closely.

Oldenzaal, Netherlands, Sept. 1.—Students of the food situation in central Europe have a good opportunity to observe the effects of a long continued spare diet at this place, which is the first station on Holland soil after leaving German territory on the main route from Berlin to Amsterdam.

Here Germans have the first opportunity to recoup themselves for lost calories. Fifteen minutes ride to the east, the bill of fare is meager; here it is plentiful and sustaining and the big station restaurant is daily jammed with hungry clamorous crowds whose capacity for solid trencher work is amazing.

Mountains of white bread sandwiches melt away like snow and from a score of points cries arise for glasses of fresh milk—an unobtainable luxury in Germany. The meal here only serves as a preliminary snack for an even more plentiful feast aboard the train.

As The Associated Press correspondent was watching the operations, a German theatrical company with a contract to fill in Holland was making a vigorous frontal attack on the luncheon counter. The profession in Germany is in a bad way; salaries are low and living is correspondingly precarious. Competition for joining touring companies in Holland is keen.

#### SAYS HE WILL FOSTER SMOOTHLY OPERATING INTERNATIONAL ORGAN

Mutual Service, He Says, Is Best Cornerstone for Pan American Society.

Washington, Sept. 1.—Dr. L. S. Rowe today assumed the directorship of the Pan American Union, succeeding John Barrett, who retired after 15 years service as directing head of the Union. The transfer of directorship took place in the presence of members of the Latin-American diplomatic corps, Secretary of State Colby and other high officials of the United States government.

The new director in formally accepting the office declared that his policy would be to foster "a smoothly operating international organization that makes for mutual confidence, good-will and above all, for the maintenance of peace."

#### SYMBOL OF BELIEF OF ANCIENT RACES EXISTENCE IN OHIO

Great Serpent 3,000 Feet Long Remains from Work of Ancient Mound Builders

West Union, O., Sept. 1.—A great serpent 1,300 feet long, built of earth and stone, a symbol of the religion of ancient peoples, stands a few miles here as the most interesting and important earthwork left by the mound builders of Ohio.

Situated in a rather secluded spot, supposedly selected by the mound builders for privacy in performing their ancient rites, the massive reptile winds, gracefully back from a glen to higher and. The serpent's head rests upon a rock platform which presents a pre-emptive face to the descending sun and is about 100 feet high. The jaws of the mouth are widely extended in the act of swallowing an egg, represented by an oval ridge of earth.

As the mound builders shaped the body they caused it to make four large folds as it tapered back to the tail, which is folded in three complete and close coils.

#### CHAIRMAN WHITE SAYS PARTY ONLY REQUIRES TWO MILLION DOLLARS

Chicago, Sept. 1.—Democratic Chairman White told the senate investigating committee he thought that two million dollars would provide an adequate fund for the national campaign. He said no Democratic fund committee had yet been appointed and no budget had been estimated. He declared he knew nothing of evidence showing the Republican attempt to "corrupt electorate" and that the only place he knew where the evidence could be obtained was from Governor Cox.

#### CHIEF MARSHAL KITRELL ANNOUNCES NAMES OF HIS ASSISTANTS FOR THE FAIR

The following marshals have been selected for Pitt county fair to begin in this city September 21. The names of the marshals were run in a fair story yesterday, but through inadvertency of the make-

up man in continuing the story they were connected at the termination of a story dealing with criminal court.

- Chief Marshal, J. B. Kittrell;
- Assistants, W. B. Warren, D. J. Whiehard, Jr., C. T. Mumford, Jr., D. B. Carter, S. L. Ragsdale, Lindsey Swindell, T. T. Hollingsworth, Robert Green, Frank Rice, J. C. Lanier, M. K. Blount, Luther Her-ring, Seth Hooker, Jr., Cecil Cobb, Chas. White, Jack Brown, Clyde Tynclall, Tom Andrews, J. C. Galloway, Arthur Joyner, W. Leslie Smith, Jack Lang, Dennis Melawhon, C. A. Marslander.

Mr. A. E. Hobgood left this morning for Richmond.

#### VOGEL'S MINSTREL TO APPEAR IN CITY ON MONDAY NIGHT

Popular Attraction Date for One Night Engagement at White's Theatre.

When John W. Vogel's Black and White Revue comes to White's Theatre next Monday night, September 6th, a performance of superior excellence is assured, as Mr. Vogel has spared neither expense nor effort in gathering together a galaxy of star performers who are making a tremendous hit everywhere.

To single out any one of the performers for special mention would scarcely be fair, as every one is a star in his particular field. Clever, amusing monologists, splendid singers, the most talented musicians, and dancers who hold first rank in their profession, together with an olio made up of big time vaudeville artists who have headlined in the best theatres of America, make up a pretentious, meritorious and highly entertaining program. Mirth, melody and clean comedy abound from the rise of the curtain to the final.

Manager Sam White of White's Theatre, states that he has already had a number of inquiries concerning John W. Vogel's Black and White Revue, and he can assure patrons that they will find it one of the best shows ever seen here. Seat sale begins next Saturday morning at White's Piano Store.

#### REPUBLICANS DENY CHARGES LAUNCHED BY GOVERNOR COX

Fred Upham, Chairman, Denies Knowledge of Quotas Presented at Pittsburg

#### EXAMINATION OF HAYS PUSHED VIGOROUSLY BY DEMOCRATIC MEMBERS

Elicit Information Concerning the Entire Republican Financial Campaign.

Chicago, Aug. 31.—Republican finances were again under scrutiny of the Senate committee investigating campaign expenditures today. Will H. Hays, Fred Upham, and other party leaders, found occasion for further denial of Governor James M. Cox's charges that a \$15,000,000 fund was being raised, and also took occasion to offer the committee leaders directed toward the Democratic offers.

Mr. Upham, as treasurer of the Republican National committee, was questioned at great lengths by Senators Pomerene and Reed, Democrats, who elicited from him information that the congressional and Senatorial campaign committees of the party had budgets totaling \$700,000 in addition to the more than three million dollar budget appearing in Chairman Hays' testimony yesterday. At Senator Reed's request, Mr. Upham read a table of State quotas which the witness said he made up fourteen months before Senator Harding was nominated. This table totalled more than \$4,000,000, but Mr. Upham explained that he had no hope or desire to collect more than \$3,000,000 of this amount.

Senator Reed delved deeply into the amounts assigned counties, cities and other local sub-divisions of the party organization, but did not shake Mr. Upham's denial that he had no knowledge of the city quota list which Governor Cox read in his speech at Pittsburg last week.

The questioning by the Missouri Senator finally led to the point where Mr. Upham said he did not know how much of the various State quotas was assigned to particular localities. He said he knew of only two city financial directors of the party in the country, one each in Chicago and New York; but he "hoped there were a lot more."

WEDNESDAY, SEPT. 1, 1920

That lack of demand on the New York sugar market may bring about the slight decline for which the public has been hoping such a long time.

When that grand jury gets through probing operations of Ponzl it is hardly probable that the wizzard financier will have enough left to resume business on the smallest kind of scale.

The Chamber of Commerce of the United States sees a definite trend toward lower prices in the near future, so late statements say, but it is easily believable that the trend was mistaken entirely.

Exciting price breaks on the cotton market probably disturbs the bears more than the public, for the masses of people are further from experiencing concern about conditions that affect people just at this particular moment. Cotton may go up and the slump, but the general run of people feel consoled about the future anyway.

Senator Harding may be enjoying himself in his front porch endeavors just at this particular time, but before the winter comes to a close the gentleman will realize that it is always the best to adopt methods which will endure throughout the entire year. Governor Cox did that and indications now point to a very successful campaign.

Governor Cox stoutly denies that any "wets" have contributed to the Democratic party's campaign, and backs up his statement by declaring that not even the "drys" have done that much. If such is true, and no one doubts it, there is little room for argument, and the Republican chairman may rest assured that he's on wrong track entirely.

If the senate committee investigating the charges against the Republican party should feel inclined to conduct the investigation along the same line with those several months ago it is imaginable that Senator Harding and his followers may feel safe. Senate members have always had a peculiar weakness for investigations, but results have never been visible to the public.

Persons interested in the success of the Pitt county fair should do everything possible in interesting other people in preparing exhibits for the attraction. Quite a number of premiums are offered by various departments for the best things produced in their respective lines, and it is up to the people in every section to show their appreciation to promoters by getting behind the issue and doing their part in making Pitt county's initial event one of the most auspicious in the county's history. There is plenty of room for active participation and it is hoped there will be many who will take advantage of the opportunity.

The senate committee conducting the investigation into the Republican campaign funds should not become discouraged because no evidence was found to substantiate Governor Cox's charges in the first day's session, for before the inquisition is over it may be readily assumed that something out of the ordinary will be presented to the public. Republican leaders, it is certain are doing everything possible to cover up every trace of plans for raising the slush fund, and it is only natural that condemning facts should not be brought to light right at first. Time works wonders in many cases, and time alone will bring out the charges which Governor Cox has presented to the public in such an interesting and convincing manner. The future will tell the story and show the aggressiveness of the man chosen to direct the Democratic party.

## CONTINUED GROWTH IN EXPORTS.

Manufactures continue the chief characteristic of our export trade. They have formed, says a statement by The National City Bank of New York, 52 per cent of our exports in the current calendar year, and in the months of May and June 56 per cent as against 48 per cent in the same months of last year. The total value of manufactures exported in the calendar year 1920 will, says the Bank's statement, be not only the largest ever recorded but will considerably exceed \$4,000,000,000 as against slightly less than \$1,000,000,000 in the calendar year 1914.

Details of the distribution of manufactures in the fiscal year 1920, which are now at hand, indicate that the world is demanding from us the class of materials required for the immediate use of its people. Food, clothing and certain transportation facilities must be had for immediate use, while other lines, such as the building of new railways and factories and the replacement of machinery operated during the war, can be temporarily deferred, awaiting adjustment of costs, and the big increase characterizing our 1920 exports of manufactures occurred in articles required for immediate use.

Textiles exported in the fiscal year 1920, says the Bank's statement, aggregated \$485,000,000 against \$328,000,000 in 1919, and only \$81,000,000 in the year preceding the war, an increase of 50 per cent in value over last year and of 500 per cent over the fiscal year 1914. Leather and manufactures thereof amounted in 1920 to \$292,000,000 against \$183,000,000 in 1919 and \$58,000,000 in 1914, an increase in value of 60 per cent over last year and approximately 490 per cent over 1914. Wood manufactures aggregated \$109,000,000 in 1920, an increase of 61 per cent over last year; mineral oil exports in the various manufactured forms aggregated \$403,000,000 in the various manufactured forms aggregated \$403,000,000 in the fiscal year 1920, an increase of 21 per cent over the immediately preceding year; manufactures of rubber \$70,000,000, an increase of 56 per cent over last year and more than 400 per cent over 1914, while automobiles capped the climax with an increase of 100 as compared with last year and 700 per cent as compared with 1914.

Transportation is an absolute requirement of commerce, and the present demand for transportation facilities for immediate use is evidenced by the fact that the export of commercial cars in 1920 was \$42,000,000 against \$33,000,000 one year ago, and only \$1,000,000 in 1914; the value of cars for steam railways exported in 1920 was \$54,000,000 against \$32,000,000 one year earlier, and \$7,000,000 in 1914, and of locomotives exported in 1920 \$43,000,000 against \$25,000,000 one year ago and \$3,500,000 in 1914. The railways themselves are apparently having to wait until the railway world can catch its breath after the war, for the exportation of rails, track material, ties and car-wheels show no increase over 1919, despite the fact that cars and locomotives show a increase of 80 per cent in value exported in 1920 compared with 1919.

The following marriage licenses have been issued by the register of deeds since the report of yesterday afternoon:

White—Miss Nina Harris of Greenville to Mr. L. B. Reddix, of Washington, N. C.

Colored—Nancy Williams to James Mills, both of the Chicod territory.

### DEEDS OF TRANSFER FILED SINCE TUESDAY EVENING

The following deeds of transfer have been filed in the office of the register of deeds since the report of Tuesday afternoon:

W. R. Bullock, et al., to C. J. Ellen, et al., consideration \$19,000.

J. L. Fountain, et al., to E. A. Gardner and Company, consideration \$700.

C. W. Dunn and wife to J. B. Suggs, consideration \$50.

J. H. Broocks and wife to D. W. Seymour, consideration \$200.

G. W. Jefferson to B. F. Lewis, consideration \$600.

Senator Lodge may feel of considerable importance in Massachusetts, but if he should happen to get in touch with some of those old league supporting fellows from the Tar Heel state it is quite probable he might change his mind entirely. The League of Nations is a mighty good issue, and people of North Carolina really believe it is all right for the simple reason that President Wilson said it was. The chief executive generally has a pretty clear conception of everything he undertakes, and if the league covenant had not been safe for the country, it is safe to say that he would not have fooled with it. As it is the American people can feel safe in participating in the issue because one of the greatest leaders of the country assisted in its formation, and naturally it is constructed of the right kind of material regardless what Senator Lodge and opponents have to say about it.

## SHE HATED MEN—BUT YOU'LL LIKE HER!

Manager S. T. White announces that on tonight he will present Wanda Hawley in "Miss Hobbs," her first starring vehicle for Realart, at White's Theatre.

This will be welcome news to the many Greenville playgoers who have been awaiting with interest Miss Hawley's first appearance as an independent star. As a leading lady she was one of the most popular players whose film work is seen in this city.

"Miss Hobbs" is a sparkling comedy, concerning a young woman who hates men and inclines to smocks, futurist art, barefoot dancing, and other such fads. It was written by no less famous a person than Jerome K. Jerome, author of "The Passing of the Third Floor Back" and "Idle Thoughts of an Idle Fellow." It was scenarized by Elmer Harris.

An excellent cast will be seen in support of the new star. Harrison Ford plays opposite the star, while other film favorites include Helen Jerome Eddy, Walter Hiers, Jack Mulhall, Julianne Johnston and Emily Chichester.

### COMMEND CITY POLICE FOR SPLENDID WORK

Greenville, N. C., Sept. 1st, 1920.

To the Editor:

We have noticed with a great deal of satisfaction that the authorities of the city are paying some attention to the conditions that have existed at both our railroad depots. We refer to the crowding and jamming and general mix up of the colored and white people, during train time, especially Sunday after noons. The conditions are not so much due to those who travel, as to the loafers hanging around, that crowd in from curiosity.

A stranger especially coming to the city on Sunday, would not understand why there were not better facilities and more room for the traveling public, to get off and on trains, or why they had to go through and in and out in a general mix up with the different races and people, and many people are very grateful, to find that something is being done to remedy these conditions. We are of the opinion that if the law is sufficient and the peoples support is granted the efficient chief and his force, will see that it is obeyed, especially if the good citizens of the city and county will co-operate with them as in the past, or better if possible, and thereby make your protection and safety better as well as all well meaning citizens, of all classes. As the efficient police force, has shown and is showing that they are capable of and are doing.

CITIZEN.

# The Economy of Using Goodyear Small Car Tires

So-called bargain tires, made up for sensational sales and offered at ridiculously low prices, do not attract careful buyers.

They are far more concerned with what they get than with what they pay because they know that in the end it is performance and not price that delivers actual tire economy.

The popularity of Goodyear Tires, of the 30x3, 30x3½ and 31x4-inch sizes, is based on the fact that they deliver exceptional mileage at exceedingly low cost.

### WHY IS IT SO?

Some find work where some find rest,  
And so the weary world goes on;  
I sometimes wonder what is best;  
The answer comes when life is gone.

Some eyes sleep when some eyes wake  
And so the dreary night hours go;  
Some hearts beat where some hearts  
groak;  
I often wonder why 'tis so.

Some hands fold where other hands  
Are lifted bravely in strife;  
And so through ages and through lands  
Move on the two extremes of life.

Some feet halt while some feet tread  
In tireless march a thorny way;  
Some struggle on when some have fled;  
Some seek, while others shun, the  
fray.

Some sleep on while others keep.  
The vigils of the true and brave;  
They will not rest till roses creep.  
Around their names above the grave.

Mesdames L. C. Evans, of Wilson and Paul Scott, of Kinston, are visiting their parents Mr. and Mrs. N. W. Jackson.

Mrs. R. D. Whichard has returned from a visit to her parents near Suffolk. Her little sister, Ella Clarie Kennedy, accompanied her home for a visit here.

Mr. and Mrs. L. H. Redditt, of Edwards, N. C., Miss Zelma Redditt, of Edwards, N. C., Mr. W. J. Boyd, of Ayden, Mr. Kirkwood Ellsworth, of Washington, Miss Mattie H. Bright, of Washington, Mrs. Paul Scott, of Kinston and Mrs. L. C. Evans of Wilson, attended the Redditt-Harris wedding which took place this morning.

### REDDITT-HARRIS.

Popular Young Couple Married This Morning

(Reported for The Reflector.)

The relatives and friends of the performed at the home of the bride's father, Miss Nina Harris became the wife of Mr. Leon B. Redditt this morning.

By a very quiet and simple ceremony, family who came to witness the event were greeted at the door by Miss Mattie H. Bright, of Washington, and Mrs. J. L. Starkey, aunt of the bride. When all were assembled, Miss Mavis Evans, accompanied by Miss Christine Evans, sang with great beauty Guy d'Hardelot's "All For You." Then, at the first notes of the wedding march, Mr. Roy Hearne and Mr. Edward Harris, throwing open the doors of the parlor, revealed a bower decorated with autumn flowers. Rev. Mr. Patten, who performed the ceremony, entered thru the dining room door. Mr. Redditt, with his best man, Mr. Kirkwood Ellsworth, of Washington, and Mr. L. H. Redditt, the groom's father, directly followed Mr. Patton. Miss Harris and her father, descending the stairway, joined the groom and his party at the parlor door. The beautiful ring-ceremony was used impressively.

Immediately after the service - Mr. and Mrs. Redditt motored to Simpson, where they caught the train for a tour which will include several of the northern cities.

### BASE BALL MEETING CALLED THURSDAY NIGHT

Out of the many Greenville fans who have enjoyed base ball here this summer, a measley 6 met last night to sing the swan song and close up the base ball business for the past season. These six decided that it would be totally unfair to all the others for them to take charge, so they decided that the meeting be postponed until Thursday night at 8:00 o'clock, at the Chamber of Commerce rooms, at which time and place a large crowd will be expected.

Now boys, you have danced all the summer, and it is up to you to help pay the fiddler. There are a few debts still remaining unpaid which must be settled at once, or they will stand as a disgrace to the whole town. These debts are the special property of no one individual, but belong equally to all. If your part is in your opinion a small part, then show up and hand in a small contribution, but be sure to be on hand and kick in what you can, so that this year's business can be cleaned up and the decks cleared for action for next year.

### BAILEY-WARREN.

The following clipping from The Wilson Times will be of interest to the people of this city as the bride once lived here and possesses a host of friends throughout this section. She is a niece of Mrs. R. M. Hearne and Miss Bettie Warren, of this city.

"Miss May Acea Warren, daughter of Mr. and Mrs. Ollen E. Warren of this city and Mr. Karl Braswell Bailey, son of Mr. and Mrs. John L. Bailey of Elm City were married at high noon in the Methodist church at Goldsboro, Friday August 27th, by the Rev. G. T. Adams pastor of the church in the presence of the families of the contracting parties. The beautiful ring ceremony of the Methodist church was used. Miss Lila Ruth Warren was bride's maid and Mr. Rodger Bailey best man. The bride was attired in a lovely one piece gown of embroidered Tricotene with accessories to match and carried brides roses. The happy couple will spend their honey moon in the mountains of western North Carolina.

Miss Pearl Cittendon, of Armstrong Cator and Co., of Baltimore has arrived in this city to accept a position in the millinery department of W. A. Bowen.

### CARD CLUB.

Miss Allie Estelle Greene was hostess to her bridge club yesterday. The library in which the games were played was decorated with cut flowers. Upon arrival tea and sandwiches were served. Miss Hennie Whichard making the top score was presented a bud vase, and Miss Mary Tisdall, of Texas, the house guest of Miss Greene was presented a box of powder. At the conclusion of the games, delightful refreshments were served.

### DANCE AT AMUZU PARK.

There will be a dance at Amuzu Park tonight. Music by Gypsi Smith orchestra.

Mr. J. W. Rogers, of Raleigh, was numbered among the visitors in Greenville Tuesday.

Mr. S. L. Snell, of Washington, spent Tuesday in Greenville.

### FOURTEEN CASES IN TUESDAY'S SESSION OF SUPERIOR COURT

(Continued from page one.)

and bill of cost amounting to \$373. A true bill was returned in the case of Claude Simmons and Jack Best, charged with larceny. A true bill was also returned in the case against Mary Jones indicted upon a charge of larceny. The jury also returned a true bill against James Adams, charged with forgery. In the case of Carl Cannon, a young white man of the Ayden territory, indicted several months ago for the murder of Roy Cox, colored, the jury failed to find sufficient evidence to justify a true bill. Willie Green, charged with larceny, pled guilty, being released upon payment of cost and his appearance before the court for eighteen months to answer for good behavior. Nol pros proceedings were taken in the case against R. L. Tripp, charged with violation of speed laws.

A true bill was returned against Rev. W. H. McLean, colored preacher of this city, in two separate and distinct charges of false pretense and embezzlement. Evidence submitted to the grand jury in both charges was decidedly convincing, and showed conclusively that the minister was responsible for further action.

A true bill was also returned against Eddie Barrett, charged with assault with deadly weapon. Evidence presented in the case of Robert Taylor, indicted for larceny, proved sufficiently convincing to justify a true bill. Jesse Mills and Lewis Tyson, charged with larceny, was found not guilty.

### DR. ROWE BECOMES ACTIVE LEADER OF PAN AMERICA UNION

myself of the earliest opportunity to say that my major purpose will be to observe the same great international purposes that have guided my distinguished predecessors. During the last 5 years Mr. Barrett has performed such conspicuous service to the cause of continental solidarity that the Pan American Union has come to occupy a high place in the estimation of all the nations of America. Through his

efforts, the unity of purpose of the peoples of America has been strengthened and they all owe to him a very real debt of gratitude.

"Mutual service is the very cornerstone of the Pan American movement and this same idea of service permeates and vitalizes the work of the

Union. Everyone connected with the organization is constantly seeking new opportunities for service and usefulness. This great international institution is the center to which the governments and peoples of the American republics turn for information. Through its agency, the fog of distrust, due to lack

of acquaintance with one another, is rapidly being dispelled. The essential unity of purpose and unity of ideals of the republic of America are, with each year, becoming more evident. In this unity of purpose and of ideals there is involved a great world mission—an

example of a smoothly operating international organization that makes for mutual confidence, good-will and above all, for the maintenance of peace.
