Greenville people should be prepared to attend Chautauqua here next week. The program will be one of the best in years, and those who attend may be assured of seeing something out of the ordinary. Each feature of the Chautauqua is inspiring and is bound to please those appreciating anything elevating.

Diversified farming should be given greater consideration in this section this year, as the cotton and tobacco markets are glutted and certainly will not yield prices as good as during normal times. Food crops will set aside the necessity of purchasing outside goods and save everyone money.

International bankers recommended a reduction of Germany reparations and the Commission approved. This is to be regretted, as Germany is capable of paying every cent she owes if the allies are. Think how little she suffered in comparison to other countries. If a reduction is favored in this case the allies should be relieved entirely.

Opening of the baseball season has done much in livening up things in this section of the state, and from now until the opening of the tobacco market conditions will be entirely different from what they have been since Christmas. While a great sum of money is necessary in running the clubs, they will be worth every cent of it. A community is bound to have diversion and without it conditions become almost intolerable.

Senator Calder says business will recover after the tariff bill is passed. The tariff has very little to do with condition in this country and business will recover whether such a bill becomes an actuality or not. It is believed the country would be better off without this additional handicap, and the longer it is delayed the better things will be.

Henry Ford says he is ready to begin work at Muscle Shoals upon a few hours notice, but whether he will ever get such a notice seems to be a matter of considerable speculation. He has greater opposition now than ever before and unless something happens his chances of getting the project will be slim indeed. The government does some mighty foolish things sometime and in refusing Ford's offer it is making another great mistake.

The administration is powerless to compel a settlement of the coal strike, or to protect the public from profiteering, according to a recent ruling. This is a pitiful condition for the country to be in and one of the greatest slams against the party in control. If the government can't prevent exorbitant prices or interfere with strikes things are truly becoming serious. President Wilson never acknowledged any such condition and always got results in such a case. It's a pity the present government head is incapable of protecting the public.

The wages of railway workers have been reduced seven cents an hour and as a result unions are planning to agitate a strike. That this is the worst thing that could possibly happen to the industry cannot be doubted, but getting the workmen to believe it is where the trouble comes in. Wages cannot possibly remain what they were two years ago, and it is only natural to expect reductions. The public is demanding the roads to reduce rates, but how in the world can they do so unless expenses are reduced proportionately. The workmen should realize this fact and do what they can do make the best of a bad situation which will have a decided effect on the industry.

STOP THE SPEEDERS.

The danger of speeding on the hard surfaced road from Greenville to Farmville has been forcefully demonstrated during the last two or three days since an unusually large number of cars have been making the

trip, and unless the commissioners take some action to improve the situation it is feared great loss of life will occur.

It seems the only thing a driver thinks about when he gets on the good road is to make as much time as possible. He fails to regard his own safety or the safety of others, and races pass car after car as if his life depended upon the effort. While this may be excusable when speed is absolutely necessary, it can't be forgiven when the road is literally dotted with cars, filled with both women and children.

Everybody should make it a point to drive slowly while passing or in close proximity of another car, as no car can tell when something will happen to produce a wreck. When two cars are wrecked the toll of life is generally double what it would be otherwise. So the man that desires to speed should first see that the road ahead of him is clear and then go to

it. He has no one to kill but himself or those with him and will not jeopardize the life of people in other cars. The commissioners, however, should take immediate steps to improve conditions. The placing of signs at dangerous curves would help somewhat, but the only way to cut out the speeding is to place a traffic cop on duty. A person is never killed but one time, and it is the duty of everyone to take every precaution against this great risk.

"I Got Real Mad When I Lost My Setting Hen," Mrs. Hannan

"I went into the hen house one morning and found my favorite set-ter dead. I got real mad. Went to the store, bought some RAT-SNAP and in a week I got six dead rats. Everybody who raises poultry should keep RAT-SNAP." Three sizes, 35c, 65c, \$1.25. Sold and guaranteed by Warren's Drug Co., and Key Brown Drug Store.

BLUE SOX TEAM DEFEAT FARMERS IN SLOW AFFAIR

Home Run by Smith in First Inning With Two on Bases Big Feature

By timely work with the willow and brilliant fielding Greenville yesterday afternoon won the final game of the series from Farmville by the score of 7 to 3. While hit freely at times, Loach pitched a wonderfully effective game for Greenville and was able to come out with the big end of the score.

Probably never before has a Greenville team fielded more brilliantly than in the game yesterday. The outfielders accepted several difficult chances, and not a one did they fail to make good. Ormond made a brilliant catch of a long drive by Gibson in the second inning with one man on base. He pulled the ball down while running back towards the fence, performing a feat that was very difficult. Champagne and Duncan also fielded brilliantly, accepting difficult chances and making them good. The infield also worked fine.

Greenville gave Farmville a severe jolt in the very first inning when four runners were sent across the rubber. Duncan was given a free pass to first, later stealing second. White singled and Duncan scored. Champagne was issued a free pass to first after Smith hit the ball over left field fence scoring two runners ahead of him. In the fourth frame scoring continued when Carson got on base and later scored when Loach doubled to center field. Loach again singled in the sixth, scoring Massey. Duncan singled, Loach went to third. White and Champagne were given free passes, forcing in a runner.

With the bases crowded, Snyder was relieved by Gibson in the first inning who succeeded in retiring the side without unusual luck.

Gibson pitched almost invincibly until the sixth frame when he weakened and was relieved by Edwards, who succeeded in holding things down remarkably well.

Farmville rallied in the second inning and sent a runner across the rubber. This stunt was repeated in the third and ninth innings. The final score resulted from a line drive across third base by Saxe, Barnes who had been placed in as a pinch hitter with the bases pretty well filled.

Gibson pitched a remarkable brand of ball, and would have come out even better if he had been given better support by his teammates. All hurlers were hit freely at times, but fast work of the fielders turned what might have been a slugfest into a long drawn out game.

The box score follows:

Club	AB	R	H	E
Greenville	4	1	1	0
Duncan, lf.	4	0	1	0
Stringfield, ss	4	0	1	0
White, 2b.	4	1	3	2
Champagne, rf.	3	1	0	0

Score by innings: R. H. E.
 Greenville 400 102 000-7 8 3
 Farmville 011 000 001-3 8 5

Summary — Home runs, Smith; balls, Loach 2, off Snyder 2, off Gibson 2, Edwards 2; struck out by Loach 3, by Snyder 1, Gibson 8, Edwards 0; passed balls, Carson 1; Hayworth 2; hit by pitcher, by Gibson, White; Umpire, Kelly.

PAMLIQUES WIN FROM KINSTON HIGHWAYMEN

Washington, June 8.—Pitcher Stanton of the Kinston Highwaymen was the whole show here this afternoon. His teammates didn't have half a chance to win—they didn't have heart enough — because the lanky pitcher was as wild as a March hare, passing to first base on a "silver waiter" no less than 14 local hitters, heaving across to the grandstand a total of 4 wild pitches and throwing wild to first and third no less than three additional times to catch Pamlico runners. Outside of this, however, he pitched a wonderful game, allowing Washington but three hits.

The visitors parked the delivery of Graham for ten safeties, four of them two-baggers, but in the pinches, the left handed hurler tightened and there was nothing doing.

The locals played an errorless game, while Kinston miscued five times. A crowd of approximately 500 saw the game, and, strange to say, enjoyed it.

NEW-BERN BEARS WIN FROM TARBORO

New Bern, June 8.—The Bears took the final game of the series from the visitors here today in an 8-inning event, called to allow both clubs to catch a train for Tarboro, where both teams will play tomorrow.

Tobin, on the mound, had an edge the better of a pitchers' battle with Hayes and Flowers. The former worked only an inning. A very small crowd saw the game here today, the attendance figure dropping from 800 the opening day to 300 today.

To the Voters of Pitt county: Having received the largest vote of any other candidate for sheriff in the first primary, I believe the people have confidence in my ability to fill the office. Therefore I enter the second primary soliciting the vote and support of all. If elected I will fulfill the duties as an officer to the best of my ability.

POCAHONTAS STATUE PRESENTED DESCENDANTS

Jamestown, Va., June 9.—A statue of Pocahontas was presented to descendants of the famous Indian Princess here June 3 at memorial exercises which were attended by many prominent persons.

Among those present were Thomas Nelson Page, Dr. Beverley Randolph Tucker, author of the poem "Pocahontas," John Stewart, Dr. Lyon Gardner Tyler and Dr. Julian Carroll Chandler, president of William and Mary College.

DAUGHTREY IS NOW ABLE TO STAY ON JOB

Declares He Is in Finest Health Since Tanlac Completely Relieved Him of Distressing Stomach Trouble—Gives Public Facts in Case

"I feel like a different person since taking Tanlac and am now able to stay on the job all day long," said J. H. Daughtrey, 420 W. 19th St., Norfolk, Va., for fourteen years with the Hampton Roads Paper Co.

"I suffered a long time with indigestion and got worse until I was badly run down. Everything I ate disagreed with me and I would bloat up with gas which pressed against my heart and lungs so it was all I could do to get my breath. I was so nervous it was impossible for me to get a good night's sleep and always got up with a bad taste in my mouth and all worn out.

"A Tanlac statement impressed me so I decided to try it, and I began to improve almost at the start. I now have a splendid appetite, that sluggish tired feeling has left me and my sleep is good and sound. I get up every morning feeling fine and ready for a big day's work. Tanlac sure is a wonderful medicine."

Tanlac is sold by all good druggists.

Education Gives Communities the Material of Progress

Give the habit of Church going full hold of you.

We are all ruled by habits, some good, some bad. Be sure to form good habits—and the best habit you can form is that of regular church attendance.

Forsake not the assembling of yourselves together.

So the letter to the Hebrews reads. Good advice.—The church helps make this a better community. Do your part to make the church strong and more helpful. And don't forget the religious instruction of your children. They are welcome at our local Sunday Schools.

Regular Church attendance means better living.

SHE KILLED "PERFECT LOVER" OF FIFTY LOVES

Peggy Marie Beall.

Major Frank W. Anderson.

Peggy Marie Beall, nurse of Springfield, Ill., and Dayton, O., shot and killed Frank W. Anderson in a Kansas City hotel and then attempted suicide, but she will recover. She declared he was to have married her, but she found he had not been divorced. Anderson was a Major in the Air Service during the war and met Miss Beall, then an Army nurse, in Dayton. She called him the "perfect lover," but said he had boasted to her that fifty women loved him. Anderson was a native of Collingswood, N. J.

WHAT U. S. ARMY QUARTER MASTER THINKS OF OXO-GAS

February 12, 1918.

Quartermaster General, Washington, D. C.

Demonstration of Trench Stove.

1. Reference letter Quartermaster General, 414, 2-S (Genl), dated December 21, 1921, the following report is submitted in connection with our tests of the Oxo-Gas Trench Stove:

The fuel consumed is common kerosene oil; one gallon of which will produce the equivalent of approximately 500 feet of city gas. It gives a very intense heat and utilizes practically every heat unit of the fuel. For cooking purposes it offers about (6) square feet of heat surface which would be ample to do cooking for eight (8) men. It has easily heated a pyramidal tent during extremely cold weather and it is believed would easily heat a dug-out. There is no odor from the flame and we understand the gas which it generates is harmless. As now constructed the plant consists of three separate parts—the oxo trench stove, the supply tank and the pump. It is believed that these parts should in some way be firmly secured to each other in order that they could not be easily lost or separated during field services. There are also several small tools necessary to the operation of stove which for the same reason should be firmly attached to the frame.

It is believed that this stove with the above changes would offer a maximum of service with a minimum of attention where oil is obtainable for fuel.

J. C. WHITAKER,

Major, Q. M. C., N. G., U. S. Asst. Quartermaster.

At rate of cost indicated by above test, Oxo-Gas can be produced at a cost of 26 cents per thousand feet. Neighboring towns to Greenville are now charging \$2.40 per thousand feet. See our demonstration.

Adv. OXO-GAS COMPANY

LAND SALE.

By virtue of the power of sale contained in a certain mortgage executed and delivered by Joshua M. King and wife, Perley King, to E. L. Hazelton, on the 29th day of October, 1910 which mortgage was duly recorded in the office of the register of deeds of Pitt county in book O-9, page 308, the undersigned will sell at public auction, for cash, before the court-house in Greenville, on

SATURDAY, JUNE 10th, 1922, the following described tract of land, situate in Swift Creek township, more definitely described as follows: Beginning in the middle of the road that runs to Grindle Creek landing, near the Jacob Coley house and runs Eastward down the old cross fence to the Lewis Tilghman line, then with the said line to a corner in the Lillington old field, then with the Allen Johnson line westward to the road, near a large Hickory tree, near the middle of the public road, then with said road to the beginning. Containing by estimation one hundred (100) acres, more or less.

This is a re-sale of the above piece of land which was sold on Saturday, May 13th, 1922, the bid having been raised.

This May 23rd, 1922.
MRS. ETTA HAZELTON,
Administratrix.
S. S. SMITH, Owner of Debt.

Bill Allen's Selected SPECIAL HAMS

OF STATE-WIDE REPUTATION

From the extreme western part of the state, where the mountains tower above the clouds, to the east, where the old ocean waves and laps the sands, come inquiries and rushing and pressing orders commenting on the delicious and fine flavor of these celebrated hams.

As the snow capped mountains stand high above the lofty clouds, so does the flavor of these hams tower above any other delicacy on your table for Sunday dinner.

I have just returned from the southeastern part of the state, where I secured the best selected and most choice assortment of these hams ever brought to Pitt county. The people of Greenville and surrounding community now have the opportunity of making their own selection from the very best.

The nicest and finest assortment of spring chickens brought to Greenville this season.

Come on and let us fit you up for a Sunday dinner in compliance with a King's relish and a Queen's taste.

Yours to serve,

W. H. ALLEN

20 YEARS AGO

From Files of Reflector

Paper Wedding.

Mr. and Mrs. J. A. Ricks entertain. Mr. and Mrs. J. A. Ricks entertain.

At their home in S. Greenville, Mr. and Mrs. J. A. Ricks celebrated the second anniversary of their marriage on Friday evening. The home was beautifully decorated for the occasion, the color scheme being pink and green.

Mr. and Mrs. H. A. White assisted by Harvey Jones, welcomed the guests in the front hall and directed them to the parlor where Mr. and Mrs. Ricks received them, being assisted by R. N. Harris and Miss Bessie Gibson of Wilmington. Mrs. Ricks wore a beautiful dress made of white crepe paper trimmed in pink and green.

In the rear hall C. M. Jones and Miss Bruce Forbes served "cream de mint."

At the dining room door the guests were met by Mr. and Mrs. W. H. Ricks and when within they were served with a delightful repast by T. M. Hooker with Miss Lizzie Jones, Chas. James with Miss Ada Wooten and Dr. Carr with Miss Pattie Skinner.

The dining room decorations were of paper flowers.

During the reception sweetest music was rendered by Miss Nina James, pianist and Misses Bessie Patrick and Ima Allen, violinists. There were many handsome presents consisting of fans, pictures, books, stationery and paper novelties.

Ayden was visited by another disastrous fire, destroying property to the value of \$12,000, with a little less than \$4,000 insurance. It was just four weeks, almost to the hour, since that town had a fire in which the losses were about \$40,000 with only about \$9,000 insurance.

WOODPECKER HOLDS UP

FAST PASSENGER TRAIN

Moyer Junction, Wyo., June 9.—A fast mail train on the Oregon Short line was held up near here by an ordinary woodpecker, delaying the train thirty minutes. According to the engineer's report, who stopped the train when he discovered the block signal system was out of order, the woodpecker had pecked one of the wires of the system in two, in the evident belief that he had captured a worm.

NOTICE OF MORTGAGEE'S RE-SALE OF LAND.

By virtue of power vested in me as assignee of that certain mortgage executed to J. M. Hines by T. C. Sutton and wife, Rosa Sutton, on the 23rd day of November, 1920, and recorded in the office of the register of deeds for Pitt county, in book R-13, at page 504, the bid of W. L. Smith having been raised, as provided by law, and pursuant to direction of the clerk of the superior court of Pitt county, I shall offer for sale to the highest bidder for cash, at public auction, at the court house door, in the town of Greenville, on Saturday, the 24th day of June, 1922, at 12 o'clock noon, the following described parcels of real estate, lying, being, and situate in Chicod township, in the county of Pitt, and State of North Carolina, to-wit:

FIRST PARCEL: Lying on the west side of the Greenville and New Bern road, and bounded on the north by land of Tom Sutton and on the west by W. B. Haddock, on the south by Richard Sutton, and on the east by the Greenville and New Bern road, and containing 11.9 acres, more or less.

SECOND PARCEL: Lying on the east side of the Greenville New Bern road, and bounded on the east by the lands of Jesse Haddock, on the north by the lands of Jesse Haddock, on the west by the lands of Tom Sutton on the south by the lands of J. D. Williams, and containing one acre, more or less.

THIRD PARCEL: Lying on the west side of the Greenville-New Bern road, bounded on the North by the lands of W. L. Smith, on the west by W. B. Haddock, on the south by Fred Mills, and on the west by Johnny May, and containing 30 acres, more or less.

FOURTH PARCEL: Beginning at a stake on the Greenville-New Bern road, Claude Sutton's corner; thence with his line North 82 1-2 degrees, west 52 poles to his corner, a stake on the ditch on the west edge of Horse Pen Branch; thence with William Haddock line to the corner of Jack Sutton; thence with his line to the Greenville road; thence with said

NOTICE, SALE OF VALUABLE FARM LANDS UNDER MORTGAGE

By virtue of the power of sale contained in that certain mortgage made and executed by R. A. Worthington and wife, Mollie Worthington to N. W. Outlaw on the 19th day of March, 1917, which said mortgage is of record in book D-12, page 372 of the public registry of Pitt county, default having been made in the payment thereof, according to its tenor, the undersigned will offer at public sale at the court house door in Greenville at twelve o'clock noon on Monday the 3rd day of July, 1922, at auction for cash to the highest bidder, the following described tracts or parcels of land:

FIRST TRACT: "Lying in Swift Creek township, Pitt county, on both sides of the road, adjoining the tract of lands of R. H. Garris, Haywood F. Corey and others containing 12 acres, more or less, and being all the land of the said W. L. F. Corey in Swift Creek township, save and except that tract of land this day conveyed by the said commissioners to the Greenville Coopersage & Lumber Company, and one other parcel which was not included in the mortgage."

SECOND TRACT: "Situating in Chicod Township, in James Pocosin, containing one hundred and thirty-five acres (135), more or less, and being the same land granted to the said W. L. F. Corey by the State of North Carolina by Grant which is of record in the office of the register of deeds of Pitt county in book Y-3, page 186, and being all of the lands conveyed in said grant. And same land as deeded to R. A. Worthington by L. G. Cooper and C. C. Pierce, commissioners, on the 24th day of Jan. 1917." Terms of sale: CASH. This the 3rd day of June, 1922. S. T. HOOKER, Owner J. C. Lanier, Atty. 9 1t 4 w

road to the beginning, and containing 11.9 acres, more or less; for further description of the four tracts see deeds recorded in Book J-12, at page 616, and Book C-11, at page 56 of the Pitt county registry.

This June 6th, 1922. JOHN I. SMITH, Assignee of J. M. Hines, Mortgagee, Albion Dunn, Atty. 8 1t w 3w

THE RIGHT WAY TO KILL GERMS

Here is a powerful and recognized disinfectant which kills the germs.

Is your cellar sanitary? Germs will multiply by the million overnight, in a damp, musty cellar. Make a solution of Red Seal Lye and sprinkle into all the dark corners, and all mustiness will immediately disappear, leaving your cellar fresh and sweet smelling.

If your kitchen sink does not drain quickly, here is an immediate remedy. Stir a little Red Seal Lye into the pipes. The lye will combine with the grease and dirt, forming a solution which will be carried off quickly by the water, leaving the pipes free and clean.

Housewives may save money by making their own soap. All that is needed is one can of Red Seal Lye and a quantity of waste grease or fat, such as would ordinarily be thrown away. The one can will make twenty cakes of pure soap at less than one cent per cake. See how quickly and easily Red Seal Lye will clean the wash-stand, tub or closet bowl.

Red Seal Lye is put up in handy round cans. It contains no filler or adulterations. It is absolutely pure. Send for the Red Seal Booklet which explains many recipes and uses of the famous Red Seal Lye. Write today. Ask your dealer for the old reliable Red Seal Lye. Take no other.

Power and Economy are linked with the Buick Valve-in-Head motor

POWER ECONOMY

Automobile engineers have long since discovered that the Valve-in-head type of motor is the most powerful and economical in operation. The most convincing proof of this is the fact that practically all racing cars and airplane motors, as well as a great number of high-grade automobile motors, are of the Valve-in-head type of construction.

The Buick Valve-in-head motor has patented features which cannot be had in any other motor. For instance, it is possible to take out a single valve in the Buick without removing the whole cylinder block. Think how convenient this is.

Buick motors, fours and sixes, are establishing new economy records all over the country. Join the happy Buick family and not only have the best-looking and easiest car to operate, but save a comfortable sum each month through Buick gasoline and oil economy.
