RED CROSS ROLL CALL IS IN FULL SWAY HERE TODAY

Chairman White Expects Good Reports From all Parts of the County Soon

RADIO MESSAGES TELLS OF WORK IN OTHER PARTS NOW

Roll Call to Begin in Farmville Tomorrow With Talk by Chairman White

The annual Roll Call of the American Red Cross is in full swing in Pitt county today. Mr. H. A. White, chairman has the entire county well organized and good reports are expected from every section.

The radiophone messages received in Greenville and all over the county last night from Pittsburgh was a talk on Red Cross by a Presbyterian minister, urging everyone to support the roll call, explaining the work they had done and are doing in the Near East.

Don't fail to read the article written by the Literary Digest for Nov. 11th American Legion of mercy.

The roll call in Farmville will be put on tomorrow. Mr. White has been asked to speak to their canvassers this afternoon at 3:45 at the home of Mrs. J. M. Hobgood. Dr. W. M. McKinney is chairman of the Ayden branch roll call, Mrs. C. E. Gardner in Grifton, Rev. J. P. Harris in Bethel, Mrs. C. M. Jones in Grimesland, Mrs. B. T. Cox in Winterville, Mrs. T. G. Basnight in Stokes and N. E. Anderson in Pactolus.

The workers in Greenville begin this morning at ten o'clock. Chairman White asked for volunteers from the different organizations and has a special committee in every district of town. The business districts are entirely covered by members from the Rotary and Kiwanis Clubs, namely N. O. Warren, J. H. Rose, W. L. Best, M. K. Blount, Dr. C. J. Ellen, J. K. Brown, H. L. Smith, Knott Proctor, J. C. Gaskins, E. G. Joyner, Chas. White and M. L. Turnage. Volunteers from our other clubs of Greenville are Mrs. R. H. Wright, Mrs. J. M. Hines, Mrs. J. L. Wooten, Mrs. J. L. Little, Mrs. E. L. Baker, Mrs. A. H. Taft, Mrs. R. Williams and Mrs. R. J. Cobb.

BEGIN CAMPAIGN FOR ST. MARY'S IN PITT COUNTY NOW

Alumnae Luncheon to be Given in Greenville While Campaign is in Progress

Enthusiastic plans are being made for the St. Mary's Campaign Fund in Pitt county and a special drive will be carried on here.

St. Mary's needs \$100,000 for endowment and permanent improvements and an urgent appeal has been sent throughout North and South Carolina to all alumnae through which the campaign will be waged. The special gift campaign with Mr. F. C. Harding, chairman, will be extensively carried on throughout the county between Nov. 16 and 30th. An intensive campaign of the alumnae of St. Mary's will be waged between Dec. 1st and 16th.

An alumnae luncheon will be held in Greenville during that time when all St. Mary's alumnae will be cordially invited and urged to attend. The date of this luncheon will be announced later. All who are interested in the progress and development of education in the state are urged to give their support to this drive.

A special interest of Lord Rosebry's old age is his collection of snuff boxes, which is said to be the most comprehensive and the most valuable in the world.

FEW CASES GIVEN HEARING IN COUNTY COURT HERE TODAY

Only One Road Sentence Features Regular Monday Morning's Session

A comparatively light docket featured this morning's session of county court which was presided over by Judge Lou S. Cooper and work was completed long before the noon hour. Probably the most important case taken up during the morning was that against Sam Perry, charged with assault with a deadly weapon. He was sentenced to eight months in jail, to be worked out on the county roads whenever deemed advisable by the commissioners.

S. H. Highway and Robert Hill, charged with trespass, were released on payment of a fine of \$25 and one-half cost each.

Tom Barrett, charged with transporting contraband whiskey, was adjudged not guilty of the charge.

Jim Sutton, charged with assault with a deadly weapon, was fined \$25 and cost or four months on the county roads in case of appeal to superior court.

Dewey Barrett, John Jones, Hardy Jennings, Andrew Barrett and Dave Hines, charged with gambling, were sentenced to sixty days on the county roads.

HARDEE FARM TO BE SOLD AT PUBLIC AUCTION NOV. 18

Farm to be Subdivided into Several Small Tracts and Sold on Liberal Terms

The J. B. Hardee home place, located on the Greenville-Grimesland road, one-half mile from Simpson, will be sub-divided into small farms and sold at auction Saturday, November 18th at ten-thirty o'clock. The sale will be conducted by the Atlantic Coast Realty Company and promises to be one of the greatest events of the kind held in this section since the days when land values soared to such a high point.

The Hardee home place is located on the Greenville-Grimesland road, four miles from Grimesland, one-half mile from Simpson and six miles from Greenville. It is situated along the route of the proposed hard surfaced road from Greenville to Grimesland.

The farm contains about 219 acres, with about 120 acres cleared, the balance in woods. The land is mostly gently rolling and well drained, being watered by wells. The cleared land is in a high state of cultivation and will produce equally as well as any other land in this section. There is ample cord wood on the property for all farming purposes.

The main dwelling, a large two story affair, is equipped with gas lights and other modern conveniences. There are two tenant houses, six tobacco barns, pack houses, barns, stables and other outbuildings. All these structures are in fair state of repair.

The farm is centrally located, being only one-half mile from the railroad station at Simpson, only four miles from Grimesland. Greenville furnishes the surrounding county and country with practically all facilities offered by any city in the state of North Carolina. The value of the farm buildings alone is estimated at \$10,000.

A delightful barbecue dinner will be served everyone attending the sale and it is believed a large crowd will be present.

MADE ERROR IN DATE OF APPEARANCE HERE

In Saturday's issue of The Reflector the display advertisement for Mr. and Mrs. Polly Tick, the musical comedy gave November 21st as the date of appearance here when it should have been Tuesday, November 14th which is tomorrow night.

NAVAL FLIER IN AIRPLANE MISHAP AT NORFOLK, VA.

Lieutenant Commander Chevalier Suffers Internal Injuries

PROFESSIONAL FLIER INSTANTLY KILLED WHEN PLANE CRASHES

Chevalier Performed Remarkable Feat of Landing Plane on Deck of Ship

Norfolk, Va., Nov. 12.—Lieutenant Commander Godfrey De Courcelle Chevalier senior flight officer of the naval airplane tender Langley, is in the Portsmouth Naval hospital suffering from internal injuries and W. A. Paxton, a professional flier, is dead as a result of two plane accidents in this vicinity today. Chevalier is expected to die.

Mrs. Chevalier, wife of the injured naval officer, figured in the third accident of the day when the plane in which she was rushing from Washington to her husband's bedside was forced to land in the Chesapeake bay. One of the wings of the flying machine was torn off by the waves. All members of the party are reported to have been rescued uninjured from the crippled plane by naval launches.

Lieutenant Commander Chevalier, on his way from the naval base to the U. S. S. Langley this morning at 8 o'clock, paused in his flight over Lochaver as a salute to friends living in that suburb when he appeared to encounter trouble with his steering gear. After swooping about in a vain attempt to effect a landing, the machine crashed into a marsh in the rear of William Sloan's home.

The accident was witnessed by numerous residents of Lochaver. The machine was demolished, and Commander Chevalier was pinned beneath the wreckage, sustaining internal injuries. He was removed to the naval hospital, where it was said tonight that his condition is serious.

Commander Chevalier is regarded as the ace of all American naval fliers. On October 26 of this year he accomplished the remarkable feat of landing a land plane on the deck of a warship while the latter was going at a rate of six knots an hour. This accomplishment marked a new epoch in aeronautics as a supplement to the navy.

During the World War he served practically the entire time in France and was decorated by the French, English and American governments for distinguished service. In many experiments in flying he has taken a conspicuous part being the first American to fly his plane from the deck of a vessel without the use of a catapult. His home is in Baltimore.

LIGHT SALES ON TOBACCO MARKET HERE LAST WEEK

Total of 682,339 Pounds of Bright Leaf Sold for Total Amount of \$227,541.22

The Greenville market last week sold 682,339 pounds of bright leaf for \$227,541.22 at an average of \$33.34, according to figures made public at the conclusion of sales last Friday afternoon by H. A. Bost, secretary of the Greenville Tobacco board of trade.

For the entire season the market has sold a total of 17,403,550 pounds for \$4,983,025.04 at an average of 28.65.

The market enjoyed fairly good sales all during the week despite the many attractions in progress. The price situation continued to remain fairly favorable on good tobacco and farmers were well pleased with what they received.

Sales are expected to be fairly light from now on until the holiday season as a considerable portion of this year's crop has already been disposed of.

SEARIGHT CONDUCTS VESPER SERVICES AT TEACHERS COLLEGE

Delivers Interesting Talk on Christ's Idea of the Attitude of Friendship

Rev. Mr. Searight, pastor of the Presbyterian church of Washington, N. C., talked to the college girls Sunday night, Nov. 12th, 1922.

A part of the fifteenth chapter of the gospel according to St. John was read for the Scripture lesson, which presents to us Christ's idea of what the attitude of friend to friend should be.

Mr. Searight presented to us religion in the form of friendship. He gave several interpretations of the word religion. In each case the interpretation was based on our personal friendship with God. Christianity is greatly lacking in the teaching of friendship. Christ has given us the highest example of friendship and trust by laying down his life for us.

The speaker divided the discussion of this topic into three parts headed as the three laws of friendship. The first of these laws was that of sincerity. Mr. Searight frankly stated that sincerity was one of the fundamental requirements of true friendship. A friend must be one in whom we can trust and to whom we can unfold our lives and therefore it is possible for only good people to be real friends.

The second one of these laws was that of sympathy. We must be in sympathy with our comrades before we can be a friend to them. We are assured of Christ's sympathy as he gave us supreme love by laying down his life for us.

The third and last law was that of sacrifice. We must give up comfort and conveniences to show our friendship. Our friendship can be measured by the extent to which we are willing to make sacrifices.

Mr. Searight impressed on our minds the importance of thinking of religion in principle terms, and as a thing of life in a personal form or as the friendship between Christ and the soul of man.

The special music for the evening was a vocal solo by Miss Louise Euro.

EARTHQUAKE TAKES GREAT TOLL OF LIFE IN SOUTH AMERICA

Two Thousand Killed and Many Thousands in Distress Following Disturbance

GREAT TIDAL WAVES CAUSE VAST DAMAGE IN OTHER SECTIONS

Catastrophe of Greater Magnitude Than at First Reported Early Yesterday Evening

Santiago, Chile, Nov. 12.—With partial re-establishment of communications, Chile's earthquake catastrophe is revealed in even greater magnitude than first reports indicated. It is estimated that at least 1,000 are dead and many thousands are in distress, needing food and shelter.

In addition to heavy casualties and injured at Copiaco and Coquimbo, it was reported today that five hundred persons were killed at Yallénar and in the surrounding districts. Yallénar was virtually destroyed and the survivors are in a critical condition. It seems certain that there have been casualties in other towns and villages around Copiaco and to the south, concerning which no news is available.

Already 24 bodies have been recovered at Coquimbo, where it is known there are 100 or more dead. At Chanaral a number were killed by falling houses.

It was earthquake and tidal waves combined that accounted for the vast destruction in the provinces of Antofagasta, Atacama and Coquimbo. The movement of the ocean is described as phenomenal. It gave evidence of a terrific disturbance in the bed of the Pacific itself. There must have been such a tearing at the bottom of the sea that immense quantities of water were sucked through, causing a tremendous recession of waters along the Chilean coast. The violent effects of the tidal waves were felt from Antofagasta on the north to Valdivia on the south, covering about sixteen degrees of latitude, or more than 1,200 miles.

All types of craft lying in the various harbors were swept on shore, wrecked, or left high and dry, and a score of small ports' wharves and quays were destroyed. Chilean naval vessels in the harbor at Talcahuano about 300 miles south of Valparaiso, when they felt the force of the water clipped their cables and proceeded out to open sea.

President Alessandri has ordered the various government departments to take steps or the relief of the sufferers in the stricken districts, those most sorely afflicted lying between Coquimbo and Copiaco.

The Navy Department has sent ships along the coast to aid in the work.

The port of Coquimbo was awakened at 11:55 Friday night by violent earth shocks, and in a few minutes the populace was running about the streets in terror, only partially clothed and seeking the nearby hills. The panic was increased when the electric lights went out in some parts of the town.

Coincident with the shocks the sky was illuminated by electric discharges and fire broke out. After the first shocks the sea receded for a considerable distance and then swept back in an immense wave extending from Coquimbo to La Serena, seven miles to the northeast, flooding the town and the whole coast line and doing much damage.

AUTOMOBILE RACES CITY POLICEMEN GIVEN MUCH WORK SATURDAY NIGHT

Football Game and Fireworks Provide Amusement for the Throng Saturday

The third Pitt county fair was brought to an end Saturday afternoon and night with one of the most interesting programs of the week. Saturday afternoon thousands passed through the gates and were treated to the first automobile races ever held on the local track. While there were only four or five cars entered for this attraction they afforded the large crowd with many thrilling races around the half mile track. After the races were over Greenville and Vanceboro football clubs afforded the feature attraction of the afternoon, Greenville coming out victorious by a comfortable margin. During the automobile races the crowd was treated to a free act in which a number of trained goats and cowboys were the principals.

The concluding feature at night was a reproduction of the battle of the Argonne. While this feature was presented during the first of the week it was witnessed with as much interest as ever. Never before have Greenville and Pitt county people provided with such an elaborate play of fireworks and to say they enjoyed them would be expressing the matter mildly.

While practically all exhibits were closed Saturday the midway and number of extra free attractions provided sufficient amusement for the large crowds thronging the grounds both afternoon and evening.

The fair this year surpassed all others probably. Never have Pitt county people been treated to such a variety of fine exhibits. Every thing was representative of the progressive and thrifty spirit of Pitt county people and visitors here during the week were visibly impressed.

VANCEBORO FALLS BEFORE CRUSHING ATTACK OF TIGERS

Hundreds of Fair Visitors See Greenville Defeats Visitors by Score of 13 to 0

The Greenville Tigers continued their winning streak by defeating the strong Vanceboro high school team at the fair grounds Saturday afternoon by the score of 13 to 0. The game was witnessed by the largest crowd attending a football game here this year, it being the closing day of the fair with many other attractions featuring the day.

While the Vanceboro club was considerably heavier than the locals they were unable to keep pace and at no time seriously threatened to overcome the splendid lead which the Tigers commenced piling up in the beginning of the game. The Tigers exhibited a brilliant defensive and offensive, and handled the pigskin so rapidly that the visitors found it impossible to make appreciable gains.

Foley, Humber, Forbes and Captain Brown were the outstanding stars of the game for the Tigers. It was their work that enabled the Tigers to carry the ball through the visitors' lines when least expected.

Greenville will play Tarboro high school Friday afternoon at 3:30 o'clock at the fair grounds here. This game is expected to be equally as good as that Saturday and it is hoped another large crowd will turn out to see the Tigers continue their winning streak.

The lineup of Saturday's game follows: Foley, l. e.; Humber, lt.; Smith, l. g.; Williams, c.; Skinner, r. e.; W. Evans, r. t.; Winslow, r. c.; G. Evans, q. b.; Harde, l. h. b.; Forbes, r. h. b.; Brown, Capt and f. b.

Substitutes: Mayo for G. Evans, Jenkins for Forbes, Forbes for Jenkins, Blount for Smith, Dail for Winslow, Bagwell for W. Evans.

Many Robberies Combined With Fire Alarms Furnish Full Night

AUTOMOBILE THIEVES MAKE LARGE HAULS IN CITY PAST WEEK

Three Fords and One Studebaker Taken While Parked Around City

Saturday night was one of the most eventful nights members of the Greenville police department have had in many a day. They were called out in response to fire alarms, a burglar alarm, and last but not least, to round up several prisoners who escaped from the town jail while fire was in progress at the store of W. H. Allen between nine and ten o'clock. It was the aftermath of the fair and what amusements could not be furnished by drunks was provided by gamblers and pickpockets who make a habit of following carnivals from town to town.

The disturbances started when an alarm was turned in from box 35. The police department answered the alarm and immediately covered the business section of the city expecting robbery as motive for the alarm. During the time a number of prisoners held in the city jail on charges ranging from pickpocketing, highway robbery as a motive for the alarm, a back saw from some unknown source and saved their way to freedom.

Hardly had the jail break been discovered when the burglar alarm was sent in from box 65. Investigation was immediately made, but if there were any robbers they evidently hid off to another part.

About one-thirty when everything had apparently quieted down, a police station and stated that he had been relieved of all his wearing apparel except his union suit and socks. Later on in the night fighting, accompanied by light rioting, occurred around the carnival train between employees and employers. Such things as bricks and stones were used, weapons in this disorder, but if any one was seriously injured they fail to report to the police.

During the week the police were given much trouble by automobile thieves. Three Fords and one Studebaker were taken. The Studebaker was the property of F. A. Mills of Blount's Creek. Mr. Mills reported his loss to the department, Tarboro was notified and the car with two young men, who claimed Philadelphia as their home, were arrested. The defendants with the car were brought to Greenville yesterday and are now being held in jail awaiting trial at the January term of superior court. They were remanded to jail in default of bond following hearing before Magistrate B. F. Tyson.

TROOP TWO HOLDS INTERESTING MEETING

With a record of thirty-six boys present on Friday night, Troop Two had best meeting of the year. After a period of drill, the troop had its business meeting, electing Lindsay Wilkerson Troop Scribe and electing to membership John Saied, Henry Renfrew, and William Tunstall.

After refreshments had been served by the Wolf Patrol, the weekly basket ball games were played to determine the leadership of Troop Two League.

In the first game, the Wildcats clawed the "Wolves" for a 7 to 5 victory, thus assuming the leadership of the league, while the diminutive "Eagles" lost a hard fight to the Panthers score of 16 to 13. The standing of troop two is now as follows:

Table with 2 columns: Team Name and Score. Rows include Wildcats (20), Wolves (11), Panthers (11), and Eagles (0).

**AMERICAN MANUFACTURES
INVADING BRITISH COLONIES**

American manufactures are evi-
dently gaining in popularity among
the people of the British colonies.
This is more interesting, says the
Trade Record of the National City
Bank of New York, in view of the
fact that Great Britain is the one
great manufacturing country outside
of the United States which is now
vigorously exploiting the markets of
the world, and quite naturally her
first effort would be to regain any
losses which had occurred in supply-
ing her own colonies. But our own
trade figures indicate that exports
from the United States to British col-
onies, protectorates, and dependen-
cies are forming a steadily increasing
proportion of our total exports and
forming at the same time an increas-
ing share of the imports of those col-
onies, and of course nearly all of the
merchandise which we send to them
consists of manufactures.

Curiously too, adds the Trade Re-
cord, this growth in the share which
merchandise for the British colonies
forms of our total exports is a mark-
development of the period since the
close of the war. In the fiscal year
1919, which covered in part the clos-
ing year of the war and in part the
year following its close, the value of
the merchandise sent from the United
States to British colonies formed
15 per cent of our total exports; in
1920 16 per cent; in the fiscal year
1922 20 per cent, in the 8 months
ending with August of the current
year 21 per cent, and in the closing
month of August, the latest for which
details are available, 25 per cent. The
increasing popularity of American
manufactures in the British colonies
is further illustrated by the fact that
India, in 1920, took 12 per cent of her
total imports from the United States
as against only 2 1-2 per cent in 1913.
Australia in 1920 took 24 per cent of
her imports from us against 12 per
cent in the pre-war period; New Zea-
land 19 per cent against 10 per cent;
Union of South Africa 18 per cent
against 10 per cent in 1913; and
Egypt 15 per cent as against 2 per
cent in the year preceding the war.

This increase in the popularity of
American manufactures in the British
colonies is quite natural especially as
certain of the more important ones
are in very close touch with the United
States and the habits of their peo-
ple similar to those for whom United
States manufactures are produced. In
Canada, where the habits of the peo-
ple are quite similar to our own,
merchants also find that they can have
their orders filled from the United
States much more promptly than from
across the ocean, and the share which
we supplied of Canadian imports in
1921 was 69 per cent against 60 per
cent in 1909, and 65 per cent in 1913.

Just a few examples illustrate the
demand of the British "colonies" for
American goods. Exports to Australia
even in the "lean" year 1922 included
approximately 10,000,000 yards of
cotton cloths, about \$2,000,000 worth
of lumber, 30,000 gallons of petro-
leum in its various forms, 1,000,000
pounds of steel plates, 25,000,000
pounds of wire, \$6,000,000 worth of
automobiles and trucks, and 17,000,
000 feet of motion picture films. In-
dia took over 2,000,000 pounds of
evaporated milk, boots and shoes for
men and women, feather hitting
cotton cloths, canned fruits, automo-
biles and tires, cotton wearing apparel
iron sheets and plates, tin plate, steel
rails, wire nails, barbed wire, incan-
descent lamps, electric fans, sewing
machines, typewriters, and many other
forms of high grade manufactures.
And this popularity of American man-
ufactures extends to the other British
colonies the world over.

**PRIZE IS WON BY LITTLE
MISS EDNA MOORE**

The guessing contest conducted at
the fair last week by the Metropolitan
Life Insurance Co., closed Saturday
with little Miss Edna Inez Moore
winner of the \$5.00 prize offered by
Mr. G. A. Forrest, district manager
of the insurance company. Those
entering were required to guess at the
total number of industrial policies in
force in this district. Cities in the
district are Goldsboro, New Bern,
Greenville and two or three others.
The total number in force was 16,755,
and Miss Moore's guess was 16,734,
being just 21 less. The next six near-
est guessers were: J. R. Moye, 16,
550; C. B. Rowlett, 16,973; Emily L.
Little, 16,863; E. E. Rawls, 16,506;
Jane Evans Rowlett, 16,549; W. S.
Dail, 16,941.

There was a large number of guess-
ers turned, and the contest created
quite a bit of interest with those at-
tending the fair.

BEAUTY of design and perfection of finish
are combined with refinement and me-
chanical excellence in this new Phaeton Reo,
built upon the famous Reo-Six chassis and
powered with that perfectly balanced sweet-
running six-cylinder motor.

Gracefully proportioned is the softly curved
low hung body with straight lines that sweep
from end to end and merge hood, cowl and
body panels into a pleasing entirety.

Arm chair comfort is delivered by the
liberally dimensioned, form-fitting seats and
backs. Covering them is gray hand-buffed
leather of Dualtone finish.

Proving that beauty is more than body-
deep is the Reo double-framed chassis, with
the power units so suspended in the inner-
frame as to foil the ravages of road shocks.

Spirited and rugged is the 50 h. p. engine.
With ground cylinders, large ports, 4-bearing
crankshaft, intake valves in head—each part
remarkably accessible—it is motordom's
most enduring "Six."

sponding secretary of Japan's W. C. T. U.,
and a niece of Mrs. Kall Yajima,
Japan's most famous woman, will come
as an official delegate. She will repre-
sent her organization which owns its
own headquarters at Tokyo, and has
a membership of more than 5,000.

Miss Uta Hayashi from Osaka, de-
corated by the emperor for her work
among women, will accompany Mrs.
Kubushiro.

Miss Marie Stenroth, an author of
national repute, will represent her gov-
ernment which has commissioned her
to study prohibition and the problems
involved in its enforcement and make
a report.

The Baroness de Lavleye, president
of Belgium's W. C. T. U., will be the
official delegate of her country. Miss
Dagmar Prior will represent Norway
and Denmark.

From Edinburgh comes Miss Jane
Darling, proprietor of the Darling Res-
ort hotel, known to the world since it
has been in the family many years and
has always been conducted on temper-
ance lines.

Mrs. Consuelo Valdez is the delegate
from the Philippine Islands. She is a
graduate of the School of Pharmacy,
University of the Philippines, and is
now taking special courses at North-
western university, Chicago.

Fraulein Wilhelmina Lohmann is
one of the German delegates. She
was the moving spirit of the recent
semi-official vote, the first prohibition
vote ever taken in Germany, where at
Erfeld, the unexpected number of
12,021 votes was returned for pro-
hibition out of a poll of 14,061. Frau-
lein Gustel von Bucher, the great
grand niece of the famous field mar-
shal, will also attend the World con-
vention as a delegate.

Interesting Meeting.
 The district meeting of the librarians was held in this city on November 8th. Miss Marguerite Higgs of Greenville, chairman of the district presided. Miss Higgs addressed the meeting, stating the purpose and plans of these gatherings.

Miss Green, librarian of the Greenville high school read a very interesting sketch on juvenile reading and gave a list of books suitable for children. Mrs. E. B. Ficklen of Greenville then read an article on adver-

tising librarians which was very instructive and helpful.

An article on Ethics of Librarians was read by Mrs. E. L. Betts. Miss Higgs then told about the Children's Book Week which begins on the 12th. She urged all librarians to observe this by displaying the posters which she distributed.

Miss Palmer of the State Library Commission was present and gave an interesting address on the meetings of the librarians of the southeastern division. Many plans and problems

were discussed with Miss Palmer after which the meeting adjourned to meet again at the call of the district manager.

Those present at the meeting were Miss Mary B. Palmer, State Library Commission, Miss M. Higgs, district manager 6th division; Mrs. John L. Hassell, Greenville, Miss Estelle Green, Greenville, Mrs. Sidney McMullen, Edenton, Mrs. E. B. Ficklen, Greenville, Mrs. Frank Rollins, Mrs. E. L. Betts, Mrs. F. C. Kugler, Mrs. S. R. Fowle.—Washington Daily News.

FIRE DESTROYS ALLEN'S STORE SATURDAY NIGHT

Fire of an undetermined origin Saturday night between nine and ten o'clock completely destroyed the two buildings occupied by W. H. Allen in the northwestern section of tobacco town. The flames at first threatened to destroy adjoining buildings, but timely work of the fire department and especially the Stutz Pumper prevented more serious damage.

While the damage to the stock of feed and provisions and buildings will run into several thousand dollars, the total loss could not be determined today.

The flames had gained great headway when the firemen reached the scene and they were forced to direct their efforts in saving other buildings. The large Stutz was placed in operation and with several streams playing upon the buildings the firemen were enabled to confine the blaze to the Allen buildings. Other buildings caught fire several times but were immediately extinguished.

MR. S. P. FICKLEN DIES IN WASHINGTON

Mr. S. P. Ficklen, of Washington, D. C., died at his home in that city last Friday night at 11:30 o'clock.

The deceased was the brother of Mr. E. B. Ficklen, Mrs. G. C. Jeter, Mrs. L. C. Arthur and Mrs. B. W. Moseley of Greenville.

He was born in Richmond, Va., fifty-nine years ago, but he had lived in Washington for 35 years. He is survived by a wife and three children.

Mr. E. B. Ficklen, Mrs. Jeter and Mrs. B. W. Moseley left for Washington Friday afternoon to attend the funeral.

His funeral took place in Washington this afternoon.

While not divulging his business, it is understood that Mr. Schaut is here in the interest of a local concern and if history repeats itself something big may be expected.

SOUTH AMERICAN LINES NOT AFFECTED BY EARTHQUAK

The following message was received today by the local office of the Western Union Telegraph Company: "This is in connection with the message regarding the interruption of the all-American route to South America. It is understood that some newspapers are printing articles regarding the earthquake in Chile with the statement that the all-American company reports interruption of cable service beyond Antofagasta. This of course is misleading, as our route to Argentine, Brazil, Paraguay and Uruguay and the countries beyond Chile are intact. Please endeavor to have the newspapers mention that our route down the east coast of South America to the countries named is not affected."

SEVERAL DRUNKS IN POLICE COURT DURING THE WEEK

Many Cases Appear in Session Saturday Morning and This Morning

On account of the paper going to press early on Saturday in order to observe a half holiday, police court held on Saturday morning was not reported. Mayo pro-tem, C. W. Hearne who has held the past two sessions of police court in Mayor Clark's absence, stated this morning

that it was very gratifying to note the orderly way in which the crowds attending the fair last week were handled. There were quite a number of drunks before him both Saturday morning and this morning, but it was pleasing to note that the majority of them were not residents of Greenville. Those driving autos while drunk were given the limit of the law. This is one of the most dangerous practices that the public has to contend with, as there is absolutely no way for an individual to protect himself from a drunk crazed man at the wheel of a going auto. Those drivers who are inclined to get drunk, should sit up and take notice that they can not get by with that menace in Greenville. The following cases were disposed of.

Thus, Eddy and Dolphus Short, colored, charged with mutually assaulting each other. Each paid fine of \$5 and half the cost.

B. J. Conn, white, charged with being drunk and down. Called and fined; bond forfeited.

W. A. Sermons, white, charged with driving auto while intoxicated. Fined \$50 and cost.

A. B. Goodson, white, charged with driving auto while intoxicated. Paid fee driver for fair week was trying to

fine of \$50 and cost. John Sheppard, colored—charged with being drunk and disorderly. Fined \$10 and cost.

Bonnie Thomas, white, charged with driving auto while intoxicated. Fined \$50 and cost. Defendant appealed to superior court.

Ernest West, white, charged with receiving money by false pretense to wit: Selling worthless tickets to Pitt county fair grounds. Called and failed, bond forfeited.

W. C. Woracle, white, charged with driving auto in a reckless and careless manner. Paid a fine of \$10 and cost.

Jean Staton, colored, Wife beater, charged with assaulting wife. Warrant withdrawn by wife upon payment of cost.

Roy Purcer, white, from Chocowinity, charged with being drunk and disorderly. Paid fine \$10 and cost.

Shep Morton, white, charged with exceeding the speed limit. Found not guilty.

Branch Hines, colored, charged with blocking traffic. Called and failed. Capias issued, case continued.

W. R. Randolph, white, charged with speeding. Randolph being trans-

overcome competition by exceeding the speed limit. Paid a fine of \$10 and cost.

Will Bryant, colored, charged with speeding. Will was also trying to overcome competition by exceeding the speed limit. Paid a fine of \$10 and cost.

Mary Fritz, white, a follower of the Carnival, charged with being drunk and using obscene language. Plead guilty. Paid a fine of \$10 and cost.

A Daniels, colored, bought a new Ford and hadn't as yet learned to drive same. Was charged with reckless and careless driving. Paid a fine of \$10 and cost.

J. B.

Hardee Home Place

ON GREENVILLE-GRIMESLAND ROAD
Half Mile From Simpson, N. C., Subdivided Into Small Farms

AT AUCTION
Saturday, NOVEMBER 18th
10:30 A. M.

LOCATION:—The J. B. Hardee Home Place is located on the Greenville-Grimesland Road, one-half mile from Simpson, N. C., 4 miles from Grimesland, N. C., and 6 miles from Greenville, N. C. This property is located on the proposed hard surface road from Greenville to Grimesland, and already has been graded and bridges built.

DESCRIPTION:—This farm contains about 219 acres, with about 120 acres cleared, the balance in woods. The land is mostly gently rolling and well drained, being watered by wells. The cleared land is in a high state of cultivation and will produce equally as well as any other land in the section. Ample cord wood on the property for all farming purposes.

IMPROVEMENTS:—The main dwelling, being a 2-story home, equipped with gas lights and some other modern conveniences. Two tenant houses, six tobacco barns, pack houses, barns, stables, and other outbuildings. All of these buildings are in a fair state of repair.

TERMS:—One-fourth cash, the balance 1, 2, 3, 4, 5 and 6 years.

FACTS:—The J. B. Hardee Home Place is centrally located, being only one-half mile from the Railroad Station at Simpson, N. C., only 4 miles from Grimesland and only 6 miles from Greenville, N. C. The farm borders the proposed hard surface highway for a good distance and already this road has been graded and bridges built.

Greenville, N. C. furnishes the surrounding country with practically all facilities offered by any City in the State of North Carolina. Bear in mind that this City is only 6 miles from the property and railroad connections and many conveniences can be had at Simpson, only one-half mile from the property and at Grimesland, which is only 4 miles from the property.

The J. B. Hardee Home Place is well equipped with buildings, they are in a fair state of repair and the value of these buildings alone is estimated at \$10,000.

The J. B. Hardee Home Place is perhaps one of the best producing and most fertile farms in eastern North Carolina. At the present price of crops, it will most assuredly pay handsome returns to those who use their judgment and foresight and purchase the small farms into which it has been subdivided at this auction sale on Saturday, November 18th, at 10:30 A. M.

The terms could hardly be more liberal. We have endeavored to place the small tracts within the reach of all on the extremely liberal terms of one-fourth cash, the balance 1, 2, 3, 4, 5 and 6 years.

DEVEREAUX WILL APPEAR IN CITY MONDAY, DEC. 4

Brilliant Artist and Company to Present Plays at High School Auditorium

On Monday December 4th, Clifford Devereaux and his Company of players, including Zinita Graf, will present at the High School auditorium two plays. In the afternoon they will present Romeo and Juliet; in the evening they present George Bernard Shaw's play arms and the Man.

These players are coming to Greenville under the auspices of troop 1 of the Boy Scouts. The Boy Scouts are attempting to give the people of Greenville something good, and at the same time receive some revenue.

This same Company presented a play at the Teachers College during the summer, and met with the hearty approval of all the witnesses. They have a reputation that is national, playing each year at all the leading universities and colleges throughout the United States.

In regard to Miss Graf she is an actress of unquestioned ability. Miss Graf's triumphant continuance with the Devereaux Company for five seasons becomes noticeable in view of her youth and the extraordinary range and quality of her characterizations. She possesses a wealth of those natural gifts which are essential to the success of an actress. She is endowed with a winsome personality, a captivating stage presence, a voice that is musical, and a beauty of countenance that is rare. In her actions she is brilliant and distinctive; her manner is scintillating and radiates through the audience.

To meet Miss Graf off the stage one is confronted with the finest type of the feminine American. Her beauty and her youth are at once appealing, and her natural grace and charm are irresistible. She is an entertaining conversationalist, and a few minutes' talk with her will reveal the fine poise of her mind and the depth of her character. She is a favorite with all her audiences, and nobody can see her without being impressed by her cleverness and fascinated by her manner.

In Clifford Devereux the actor who will soon appear here with the Company that bears his name—we find an actor of par excellence who might have been an operatic star. Mr. Devereux was a soloist of distinction and established reputation. Chance brought him to the notice of Annie Russell who needed some one to sing in her dramatic productions that season. Mr. Devereux because so interested in drama that he has since concentrated his endeavors in that artistic field. His voice has proved a great asset in his theatrical career and the same radiant personality, sympathetic appeal, and dramatic sensitiveness which once found expression in song are the qualities which have established his reputation as an actor of distinction and power.

NEIGHBORS WERE ASTONISHED AT CHANGE IN HER

"I had lost nearly all faith in medicines, but I am thankful a thousand times over that I ever believed in Tanlac strong enough to try it," recently said Mrs. Martha Baker, 508 E. Sixth-street, Gastonia, N. C.

"My daughter thinks I might not be here now if I had not used Tanlac and no doubt she is right, for I was falling pretty fast. The lightest kind of food hurt me and many times I could not retain anything I would eat. I was also fearfully nervous, couldn't sleep, and got up morning completely worn out.

"After I got Tanlac I improved so rapidly that my neighbors were astonished and wanted to know what I was doing for myself. I am just like a new person now and know at least a dozen people who have taken Tanlac and got well on account of what I did for me."

Tanlac is sold by all good druggists.
