THIRTY-THIRD ANNUAL CONVENTION OF KING'S DAUGHTERS BROUGHT TO CLOSE BY MANY IMPORTANT EVENTS

Final Session Last Night Marked by Timely Addresses of Prominent People.

PRINCIPAL ADDRESS WAS DELIVERED BY HON. F. C. HARDING

Mrs. Burgwyn, State President, Presented With Overnight Bag by Circles

The thirty-third annual convention of the North Carolina branch of the International Order of King's Daughters and Sons, which has been in session in this city since Tuesday, was brought to a close last night in the Eighth Street Christian church, where all the sessions have been held. The closing session was featured by several addresses, the presentation of an overnight bag to Mrs. William H. S. Burgwyn, of Raleigh, president of the organization, by Mrs. D. W. Cooper, in honor of her twentieth anniversary, and reading of resolutions.

Yesterday afternoon's session was featured by the election of Mrs. James Patten, of Durham, and Mrs. Steele, of Rockingham, to serve on the executive board taking the place of Mrs. O. F. Clark, of Greenville and Mrs. J. A. Cannon, of Concord, whose terms expired at this convention.

The next convention will be held in Rockingham the first week in October of next year. This is to be a permanent date in the future.

At this session the convention voted that \$25 be sent to New Bern for relief of the fire stricken people.

Mrs. J. B. Cherry, chaplain of the State organization, conducted the devotional exercises at the session last night. She was followed by an address by Mrs. Henry S. Ealy, president of the Virginia branch of the King's Daughters and Sons. Mrs. Ealy is a wonderful speaker and possesses a most attractive personality. Her address contained many interesting facts and also was filled with good advice, which, if followed, by the King's Daughters and Sons, will have a far-reaching effect on the generations to follow.

She complimented the Rotarians and the Kiwanians for their splendid hospitality to the convention, also all other organizations of the city that had been instrumental in making this, the 33rd annual convention the great success which it proved to be. She held the large audience spell bound for nearly an hour, quoting passages of poetry that were most effective and appropriate to the great work which the organization is accomplishing.

The next thing on the program were five minute talks by the following men:

Superintendent R. G. Fitzgerald, who spoke as a representative from the Kiwanis club. His talk was along educational lines and also what the Kiwanians are trying to accomplish for the rising generations.

Mr. W. L. Hall represented the Rotary club. His address was entirely on Rotary, showing the relation between the Rotary spirit and the King's Daughters work.

President R. H. Wright, of the Teachers College, confined his talk entirely to education. He brought out in a most interesting manner just what ignorance and superstition have done in past years to the detriment of empires. He further stated that all the recent troubles which we have passed through have been due to the lack of people not being educated. He stated that education is absolutely essential in making civilization what it should be.

K. T. Futrell, county welfare officer, followed Dr. Wright with a short talk on the work which he is trying to accomplish in Pitt county with the aid of the King's Daughters. He complimented them upon the wonderful help which they had been to him in the past, stating that without their assistance it would have been well nigh impossible for him to have made his work the success which he hopes he has made.

Hon. F. C. Harding delivered the principal address of the evening on "Woman's Place in the World of To-

FACTOR LEFT WAITING BY "PRAYER BRIDE"

Rev. George H. Lawson, of Orange, N. J., threatens to sue a comedy widow—Mrs. May Mason, widow of a millionaire plumbing supply man—for breach of promise, because she failed to become his "heavenly bride" as a candidate for nomination to the House of Representatives in Boston a few years ago Lawson sent out pictures describing himself as "The Hero of Zebrugge." He served in the British army and claimed to have been wounded three times. At Orange, N. J., Lawson prayed for a bride. A moment later Mrs. Mason said to have come forward in tears and said she thought she could fill the bill. Then she jilted him.

day." He paid a high tribute to the work of the King's Daughters, also to the womanhood of the south and even to the womanhood of the entire country. He brought in the recent enfranchisement of the woman, saying that he was proud of the fact that women have been given the right to come out of the rose gardens and the flower gardens of life and take a place with the man of today. He said he felt that their influence in politics would help to place men of the highest character and integrity in the public offices of the country. He spoke interestingly of the downfall of empires that had based their future ambitions on the strength of armies and navies. In conclusion he showed woman's place in the work of the world today, and stated that with Mrs. Ealy's wish, there should never be any more wars. He also said he was hoping and praying for some kind of league that would settle the disputes of the world and restore everlasting peace.

Mrs. Long, of Chapel Hill, read the report of the committee on resolutions thanking the people of Greenville for their hospitality during their stay in Greenville. The resolutions also thanked everyone who had helped in the smallest way to make the convention a success.

After the reading of the resolutions perhaps the most touching event of the convention occurred when Mrs. D. Y. Cooper, formerly of Henderson, and a member of the North Carolina branch of the King's Daughters, who now resides in Richmond, presented to the president, of the state branch, Mrs. William H. S. Burgwyn, a real leather overnight bag containing sterling silver toilet accessories as a present from the Circles of the State in appreciation for her twenty years of faithful service as president of the organization.

Her address was delivered in a most touching manner peculiar to Mrs. Cooper and spoke in a mute way the appreciation and the love which the circles bear for what they consider the most wonderful president in the state. Mrs. Burgwyn's acceptance speech was also touching and appropriate. On this occasion, as on all other occasions, during her administration she had the right words that fitted in the right place.

After a short prayer the 33rd convention passed into history.

BUSINESS DISTRICT CONTRIBUTES \$435 TO NEW BERN FUND

Intensive Canvass Completed at the Noon Hour Today With Many Not Seen

Soliciting of the business district for New Bern relief was completed at the noon hour today, and the committees reported that a total sum of \$435 had been raised. It was impossible for the committees to see every person visited, and they are requested to send their contributions to either of the three banks or Mrs. I. F. Lee & Company's store. This will eliminate another canvass and greatly assist in the intensive drive under way.

The canvass began yesterday morning shortly before the noon hour and continued until the noon hour today. Committees under the direction of Miss Maude Lee, chairman covered the business district thoroughly and received much encouragement by the generous response.

Mayor Clark has again asked the public to contribute as liberally as possible to the relief of the fire stricken city. The situation is so serious that the resources of New Bern are not sufficient to care for the hundreds of homeless people, not even considering the hundreds of homes and other buildings wrecked by the great conflagration.

This is the first time our people have been called on to contribute to a cause so near home, the Mayor stated, and everyone should be inspired to give as they never gave before. There is no question about the seriousness of conditions in New Bern. The story as related by the papers was not near as serious as it really is, and unless the state responds to the call for aid suffering will be acute indeed.

All those who haven't contributed are asked to send their contributions to either of the three banks or Mrs. Lee's store in order to expedite the campaign. There are many able to give large sums who haven't been seen and it is to these the plea is being made.

CAROLINA CLUB IN SESSION IN THE CITY LAST NIGHT

Annual Meeting Featured by Transaction of Considerable Business

The Carolina Club held its annual meeting last night in the Club rooms on Evans street. The meeting was well attended, and much business was transacted looking towards the success of the club for another year.

After hearing the reports of the officers for the current year, the meeting proceeded to the election of officers for the coming year. W. S. Moye was elected president, G. R. Lanier, vice president, J. S. Morton, secretary and Jack Brown treasurer. W. Z. Morton, G. V. Smith, Curtis Perkins, J. C. Lanier, S. T. Hooker, and P. T. Anthony were chosen for the boards of governors.

It was moved and carried that the club rooms be tendered to the Cotillion club for their use in staging a Christmas dance on the afternoon and night of the 26th of December.

A committee was appointed to investigate the desirability of holding a club banquet at some time during the holidays.

Several members were suspended for the non-payment of club dues.

MR. BURNEY WARREN IMPROVING AFTER OPERATION

The many friends of Mr. Burney Warren will be delighted to learn that his recent operation which he underwent for appendicitis in St. Luke's hospital, Richmond, was successful and that unless some complication develops he will be able to return home in a short while.

FOUR OTHERS ARE PUT TO DEATH BY FREE STATE SQUAD

Right Hand Man of DeValera Among Those Shot to Death in Ireland

(By International News) London, Dec. 8.—A Central News dispatch received today from Dublin officially confirmed the execution of Roderick O'Connor, Liam Mellows and two others.

The other two men executed are said to be named Conroy and Barrett. It is understood they were put to death by a Free State firing squad after they had been severely condemned by court martial on charges of rebellion against the Irish government.

The Free State has been existent less than fifty hours now. Mellows was known as DeValera's right hand man. The executions are the first to occur since Eiskine Childers was shot to death about two weeks ago.

A statement issued by the Free State government today said that O'Connor and Mellows were executed in reprisal for the assassination of John Haley yesterday. This was issued as a warning to all other assassians who plot against the government.

CHARGES CONSPIRACY TO KILL MEMBERS OF THE IRISH GOVERNMENT

Dublin, Dec. 8.—General Richard Mulcahy, minister of defense in the Free State government and the commander in chief of the Free State army, issued a proclamation today that a conspiracy existed to assassinate members of the Dail. He warned that desperate measures were necessary to safeguard the Free State officials. Guards have been placed around the government buildings, and will remain there until conditions improve, it was stated.

LATE BULLETINS

Birmingham, Dec. 8.—No arrests have been made in connection with the abduction last night of D. Weaver, of Avendale, by four unmasked men. The victim was taken on the outskirts of the city and severely whipped and returned to a spot near his home. Weaver was unable to identify his assailants and could assign no reason for the attack, it was stated.

Dublin, Dec. 8.—Reprisal for the execution of four Republicans let to counter violence on part of the Republicans here today. Armed irregulars shot a bed ridden Free State soldier in a hospital and escaped after throwing the hospital in a panic.

Detroit, Dec. 8.—Mrs. May Ford estranged wife of Ney Ford, cousin of Henry Ford, will be taken to the office of a prosecuting attorney here today where she will be questioned concerning alleged plan to have her husband murdered. Mrs. Ford was arrested with a waiting gunman who was to have killed Ford, police allege. A detective lieutenant who posed as the gunman, said Mrs. Ford offered him \$20,000 to kill her husband and then burn his body.

Lausanne, Dec. 8.—Ismet Pasha, head of the Turkish delegation to the Near East conference accepted with modifications the Turkish straits proposals made by the allies and the United States but took exception at the allied plan to include Constantinople without the demilitarized zone.

Astoria, Ore., Dec. 8.—Fire threatens business section here. Damage is estimated at ten and fifteen million.

Atlanta, Dec. 8.—After three weeks of grilling the police here said today that Will Johnson, negro, confessed a part in the murder of Peter Polus, Greek restaurant employee who was shot down in a restaurant where he worked. The police said the negro also implicated his brother Chester and a negro by the name of Cliff Walker as the actual slayers.

KU KLUX KLAN'S VICTIM IS SERIOUSLY ILL

Hubert K. Clay, said to be a descendant of Henry Clay, now a sophomore at Harvard, who was warned to leave the university because of his criticisms of the Ku Klux Klan, is dangerously ill. He has left his college studies and is said to be traveling through the South in an effort to regain his broken health. His roommate denies that Clay left because of fear of the Klan.

REBUILDING NOW IN PROGRESS IN CITY OF NEW BERN

Rowland Buys Mill Site and Nassef Begins Work on New Factory

New Bern, N. C., Dec. 7.—In a telegram sent to officials at the local office yesterday afternoon, Mr. A. R. Trunbull, president of the Rowland Lumber company, stated that he had been successful in negotiating the purchase of the Roper Lumber Company's property in this city and that just as soon as the insurance adjusters had completed their survey of the fire which destroyed their saw mill, dry kilns and storage shed last Friday morning, the work of rebuilding the burned plant would be started and rushed to completion.

"There will be no delay in carrying this work of rebuilding forward rapidly," said Mr. Trunbull, adding that "and we shall give employment to all of the men who were thrown out of work on account of the fire."

This is one of the best pieces of news that the people of New Bern have heard in days. It was feared that the Rowland Lumber company would not be able to negotiate the purchase of the mill property from the Roper people and they had stated that there would be no rebuilding on leased property. The news that the sale of the property has been consummated does away with all doubts in the matter and New Bern is assured that its largest manufacturing plant will again be in operation at an early date.

More than three hundred men are employed in the local plant of the Rowland Lumber company when it is operating at capacity. The saw mill which was burned had a capacity of 125,000 feet of lumber every day, and thousands of feet of lumber could be stored in the dry kilns and in the storage sheds that were burned.

Following the fire a large number of men were thrown out of employment and have been idle since then. The management of the mill started last night to the New Bernian that all of those men would be given employment just as soon as it was possible to rebuild and it is natural to suppose that many of them will be given employment in rebuilding operations.

MAYOR CALLS ON COLORED PEOPLE TO RAISE FUNDS

Mayor Clark Appoints Committee With Request to Raise Funds for New Bern

Realizing that hundreds of colored people are involved in the New Bern disaster, Mayor Clark today issued a call requesting the colored people of Greenville to get together and form plans for an intensive canvass of their people. He also named a committee of responsible colored people to do the soliciting, and it is hoped they will meet at once and prepare to help the sufferers.

The committee is composed of the following:

H. D. Barnhill, Rev. A. B. Ayscue, Amos Ellis, Dr. J. A. Battle, Dr. W. A. Taylor, Rev. Shaw, J. P. Pine, Julius Haskett, Dr. Capehart, S. M. Eppes, Ferd Barnhill, Bill Redmond, Herbert Latham and Rev. W. H. Bryant.

While the colored graded schools under the direction of Prof. C. M. Eppes, have already donated a small sum to the stricken city, the colored people as a whole have not yet been canvassed and it is hoped the committee appointed by the Mayor will get busy immediately and see what can be done.

FINE SESSION OF POULTRY RAISERS HELD YESTERDAY

Several Addresses Featured Session at the Chamber of Commerce in Afternoon

(Auspices Pitt County Chamber of Commerce.)

A most interesting session of the Pitt County Poultry Association was held in the Chamber of Commerce rooms yesterday afternoon at 3:00 o'clock.

Rev. W. P. Shanhart gave an interesting account of a Cleveland, Ohio man who came to Virginia and in eleven years, with an initial capital of \$2,500, made \$32,500. Some of the outstanding factors contributing to this man's success: 1. Care of his flock. 2. Attractive packages or containers. 3. Absolute standardization. 4. Quality of products exactly as represented.

D. D. Overton addressed the body as to the merits of the recent Wishbone Mammoth Incubator purchased, which will be conducted as a custom hatchery. Mr. Overton said that the Wishbone Mammoth was unquestionably one of the most up-to-date incubators on the market.

A. A. Forbes and J. S. Eakes told of their experiences in the poultry and also something as to their plans for 1923.

Secretary Smith was requested to give an account of a California man who had made good with poultry. According to the periodical in which this story was given, the following briefly states the matter: "A mill superintendent in a northern city became dissatisfied with his work and decided to go to California and embark in the poultry business. He purchased 5 acres of ground and increased his flock to 10,000 hens. At the expiration of 17 years he sold out his business and retired, having made a fortune. This was begun on an initial investment of his entire capital \$100, plus \$300 borrowed money."

Jno. T. Thorne spoke of his plans for another year. He purposes to start with 300 hens. The man who will have his farm in charge will go to State College at Raleigh for a special short course in the study of the poultry business.

Poultry, with careful attention, has made many fortunes. With close application and determination it has a most promising future for Pitt county. Who will be the first to prove that eastern North Carolina can raise poultry as successfully as California.

J. E. WINSLOW IS HOST TO MEMBERS OF FOOTBALL CLUB

President of Rotary Club Delightfully Entertains at a Splendid Banquet

RECORD OF CLUB HIGHLY PRAISED BY THE GUESTS

Retiring Captain and New Captain Were Among Principal Speakers

J. E. Winslow, president of the Greenville Rotary club, last night entertained members of the high school football team, those connected with the team and members of the board of trustees of city schools at a delightful banquet given at the beautiful Rotary building. The occasion was one of the most enjoyable of the year and was marked by numbers of short addresses dealing with the football club.

The guests gathered at the Rotary building at 6:30 o'clock. After thanks had been extended by Mr. J. L. Little supper was served.

The first talk of the evening was made by Judge H. W. Whedbee, who revealed the early history of football and compared it with that of today. He showed advancement the game has made and the great good which is being derived from it.

J. L. Little heartily commended the boys for the splendid record which they established the past season. His talk vibrated with encouragement for next year, and inspired his hearers on to greater things.

Rev. S. K. Phillips, of Fayetteville, was here especially for the entertainment. He had been connected with the team since its formation something over a year ago, and naturally felt much interest in the season's record. He commended the club for the showing made the past season and encouraged the boys in their future work. He made a number of suggestions, which when worked out, will mean much towards success of the team, school and community. Acting upon one of his suggestions, next year Greenville people will not only see the varsity team, but teams organized from each class of the school. This will mean plenty of material from year to year, and as players graduate, there will be other well trained men ready to step in and take their place. This will assure excellent football every season and enable Greenville to establish even a better record than this season.

Zeno Brown, retiring captain, who will graduate this year, thanked the boys for the splendid way they rallied behind him the past season. He said their many victories would not have been possible had they not rallied as they did. He urged them to support the next captain. He said by doing so he felt sure the future held many splendid things for them.

Guy Evans, captain of the club for next season, made a few remarks regarding plans and expectations of the high school club for the coming year. He said they would do their best to win recognition and would battle on despite the most unfavorable conditions.

Other members of the club and those present made short talks regarding the club's work, and everything and everybody had nothing but praise for the boys who established such a fine record. H. H. Duncan, high school coach, thanked each member of the club for the splendid support given him. He said with this spirit and effort in evidence the coming season they were bound to succeed. He also thanked individuals who had done so much in behalf of the game. The community spirit, he said, was the very best.

Thanks were extended Mr. Winslow for the splendid entertainment, after which the meeting ended.

If you can make your socks hold out a few more miles you will get some new ones for Christmas.

REAL KING'S DAUGHTERS AND SONS.

The re-election of Mrs. Wm. H. S. Burgwyn, of Raleigh, as president of the North Carolina branch of the International order of King's daughters, will be received with general interest on all sides. She has served the organization faithfully for many years, being elected at the first session of the order ever held in Greenville.

Greenville was glad to entertain such a brilliant gathering of North Carolina people such as the King's Daughters and Sons and trust the day will not be far distant when they will come again. The convention in all probability was one of the most interesting in years. Reports showed excellent progress by practically all departments. The addresses were filled with pertinent facts regarding the needs of our people.

The address of Mr. J. P. Cook, of Concord, chairman of the board of directors of the Stonewall Jackson Training School was especially interesting. What this school has accomplished in behalf of wayward boys was set forth in an interesting way by Mr. Cook, and those who heard him were impressed more than ever with what is being accomplished today.

The possibilities of this school are unlimited and if the people will give it the support of which it is so deserving the future is very bright indeed. There are hundreds of boys in our state in need of such attention as the school gives, and by placing them there they are given a chance of becoming respectable citizens. There is hardly anything of greater value to our people than this work and every town should make an effort to establish a cottage at the Training School.

THE GREATEST MOTHER AT WORK.

It is gratifying to note that Pitt county people rallied so splendidly to the Red Cross Roll Call. Chairman H. A. White is to be commended for the splendid report presented through the columns of this paper yesterday. It showed intensive campaigning on the part of his committees and indicated that our people really believe in the greatness of the organization.

The funds paid into the organization will be spent in making things easier for people in the area of disaster. In fact, a good sum of money was sent to the suffering people at New Bern. This is the first time disaster has occurred so close at home, and the first time the efficiency of the Red Cross was so plainly demonstrated to us.

Hardly had the embers of the ruins quit glowing before relief workers were on the scene with food and clothing for those in distress. Since that time the organization has used its every influence in behalf of the city and has been a powerful asset in saving the people from acute suffering.

The Red Cross is truly the greatest mother of them all, but this is the first time we have felt the effects of its motherly love, except of course, during the influenza epidemic when many sad cases were cared for.

That new plan for relief of the farmer now being considered by congress would do much towards accomplishing the end in view. If there is any set of men in need of financial aid at this time it is the farmer. It is true they are receiving aid through the federal land bank and the reserve system, but it is hardly likely this will meet the demand. Low prices and short crops have done much to place the farmer in a tight place this year and unless something is done so he can start out right next year conditions will be more serious than people expect. The relief plan in the senate should be carried through as early as possible. That's about the only way the situation can be remedied, and we trust there will be no let up until something has been done.

MRS. McADAMS SPEAKS ON THE FIRST STEP TOWARDS SALVATION

The first step to salvation was discussed by Mrs. McAdams last night. She took her text from St. John "No Man can come to me, except the Father which hath sent me through him."

This scripture does not destroy the freedom of the will, it only shows that men ought to move when the spirit is moving them. Joel said that God would pour out his spirit upon all flesh. This means that that every one will have a chance whether they accept it or not. The disciples prayed in the city of Jerusalem until the spirit was poured out.

When the spirit came the Christians rejoiced and the unsaved were converted and cried for mercy. That is what Greenville people need. The Christians should pray until the sinners tremble and cry out, what must we do to be saved?

The subject of Mrs. McAdams' sermon tonight will be the "Old Fashioned Bible."

COAST COMPANY ENJOYS REMARKABLE BUSINESS IN EASTERN CAROLINA

The Atlantic Coast Realty has had a remarkable business in Eastern Carolina this year, having conducted four sales the first part of the month that will run into hundred thousands of dollars.

Friday, December 1st they sold property that brought \$124,863.19. December two sales amounted to \$50,018.43. December 4, \$92,631.24 sales was conducted and December 5th \$94,875.92 worth of property was disposed of.

The Coast Company attributes its success largely to the extensive advertising done through newspapers in this part of the state. With their circulars, large cardboard signs and display space in papers they reach the buying public as no other concern can possibly do. They are looking for a continuance of the good sales, many of which will be held in Pitt county.

BASKETBALL GAME WITH HERTFORD POSTPONED TODAY

H. H. Duncan, coach of the Greenville high school basketball team, stated this morning that the game scheduled for tonight with Hertford had been called off. Mr. Duncan was called up this morning by the coach of the Hertford team and informed that it would be impossible for them to fill their engagement. No reason were given for the postponement, but it is believed members of the team are sick and unable to appear in the regular lineup. Coach Duncan stated that he regretted the game could not be played as stated, but hoped they would be able to come at a later date. The club is in prime condition for the opening game and whenever they do play something out of the ordinary is expected.

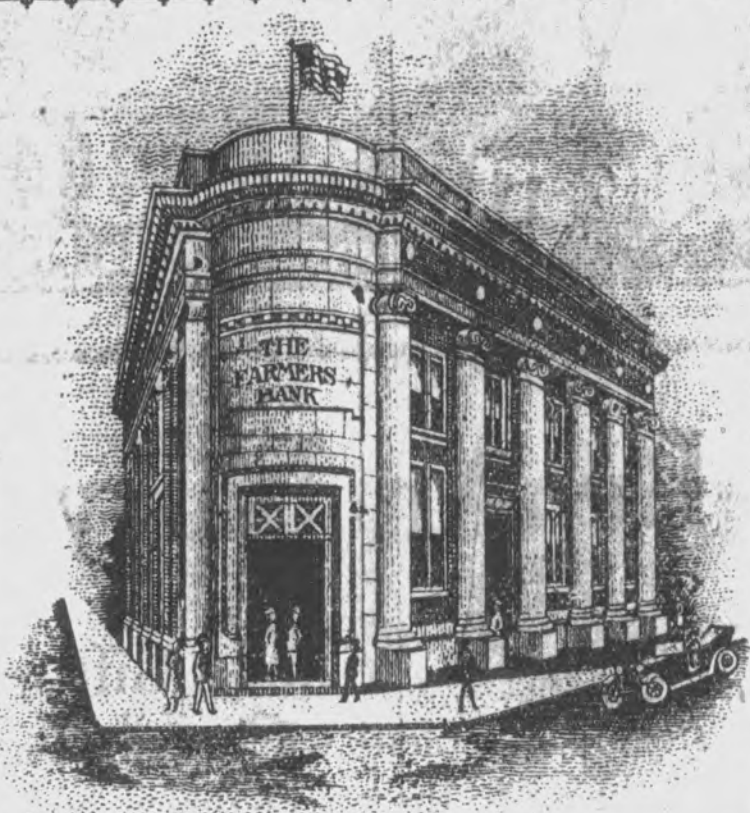

SEVERAL DEEDS TRANSFER FILED SINCE YESTERDAY

The following deeds of transfer have been filed in the office of the register of deeds for registration since the report of yesterday afternoon: J. L. Simmons, trustee, to L. M. Bryan, consideration \$5,000; W. B. Brown to J. H. Taylor, consideration \$300; W. A. Norris and wife to Edwards and Palmer, consideration \$4,000; Stanley Arnold and wife to Annie Edwards, consideration \$10; R. E. Dayport and wife to B. W. Tucker, consideration \$6948; J. H. Waldrop to A. C. Jackson and wife, consideration \$750.

LITTLE MARJORIE SUGGS TAKEN TO KINSTON HOSPITAL

The many friends of Mr. and Mrs. H. C. Sugg will regret to learn that their nineteen months old daughter, Marjorie, is seriously ill in the Kinston hospital suffering from toxin poison. A telephone message from Mr. Sugg this morning stated that the little girl had a very restless night but that the physicians thought her condition some what improved today. This is their only daughter and every wish is expressed for her recovery.

GREENVILLE, N. C.

White's Theatre

Monday, Matinee and Night

William Fox Presents

Alexander Dumas' Immortal Romance

"Monte Cristo"

With Estelle Taylor, John Gilbert, Robert McKirn and Virginia Faire and Many Others

\$50,000 is paid by Fox for four words: "The World Is Mine," keynote of "Monte Cristo" acquired from O'Neill estate.

Fabulously rich count, played by John Gilbert, astounds Parisian guests with favors containing huge unset jewels which tally with players' actual birthdays.

A picture you will always remember. The story of the man who wronged himself in the most amazing ways ever conceived by mind of man.

The age's most perfect photo-dramatic triumph.

Matinee 3:45 - Adm. 25 and 50c

Special Prices to School Children

to matinee, provided they have cards. Children can obtain cards at White's Theatre Tonight and Saturday night.

Miss Novella Moye has returned from New York where she visited her sister, Miss Jessie Moye.

J. B. JAMES ATTENDS TARBORO KIWANIS MEETING

Mr. J. B. James, district lieutenant governor of Kiwanis, last night attended ladies night given by the Tarboro Kiwanis club. The occasion was marked by an intensely interesting program and those who attended thoroughly enjoyed the evening. Mr. James was the principal speaker of the evening, and presented many facts regarding Kiwanis activities.

Keep Your Sink Drains Clear

Here is the best insurance against clogged drains and stopped-up pipes.

If the sink drain becomes clogged or runs too slowly, sift a little Red Seal Lye down the pipe. The lye will immediately combine with the grease in the pipes. Then when water is added you will hear the cheerful "gurgle" in the trap and know that the drain is free and the pipes clean and sanitary.

Pure lye is the strongest and most effective disinfectant in the world. Red Seal Lye far excels cheap brands. Red Seal Lye is pure, unadulterated and high tested.

Red Seal Lye is also a wonderful water softener. Hard water means a great waste of soap and labor. Add one-half a teaspoonful of Red Seal Lye to every bucket of washing water and notice the snowy whiteness of your garments and how much less soap is used.

Save your meat fats and make your own soap with Red Seal Lye. One can of Red Seal Lye will make 20 cakes of pure soap. Easy directions are in the can.

Be sure and ask your dealer for the old reliable granulated Red Seal Lye and take no substitute. Send us a postal for the Red Seal Booklet which describes all the uses of this famous product. Write today.
