BELHAVEN QUINT IS HUMBLING BY LOCALS IN SNAPPY CONTEST

By Winning Last Night's Game Greenville Remains in Race for State Champs

WASHINGTON QUINT WILL MEET GREENVILLE FRIDAY OF THIS WEEK

This Third Game Will Determine Winners of Elimination Series This Group

The Greenville High School basketball team were winners last night of the prettiest, and most interesting game of this or any other season when they eliminated the strong Belhaven quint as contenders for championship of the eastern part of the State.

The contest was a thriller from the first toss of the ball until the close. The feature was the garrison finish the locals inserted into the game in the second period of playing. The first half closed with the visitors seven points in the lead following a rush they made, that for a few minutes apparently stunned the locals.

At the opening of the last half the trio above named continued their tip-off signal work which netted them ten points before opponents could offer enough defense to check them, and even then they continued at intervals to cage the ball as often and in the finish outner than Belhaven.

Coach Duncan and supporters of the locals were optimistic until late yesterday as to the outcome of last night's game, but when it was learned that two members of the first team would not be able to play on account of sickness, their feathers fell, but the beginning of play all doubtful notions were dispelled because the line-up as it appeared could not have been improved upon.

Each member of the local team without a single exception were outstanding stars, and especially is this true of the work of Zeno Brown at center and Williams and Forbes at guarding. But their playing did not excel that of Mayo and Gaskins, the midjet forwards, who considering their size and weight cannot be improved upon among the high school forwards of eastern North Carolina.

While each of the visitors starred in their positions, White and Voliva were probably the stars, especially in the scoring, they being the only two of the Belhaven quint that tallied. By winning last night, Greenville is one of the eighteen teams of the eastern part of the State who out of a total of thirty-nine quint are

MUCH INTEREST IS SHOWN IN QUEEN'S CONTEST VOTING

Public Urged to Refrain From Using Fictitious Names in Connection With Voting

The result of yesterday's count of the ballots in the Queen's contest, now being held to select the most beautiful woman in Greenville, shows much increased interest and activity. The standing of the leading candidates as published in yesterday's paper has been reversed, Miss Helen Joyner taking first place with a vote of 216, Miss Hannah Dixon, second with 118 and Miss Lillian Hooker third with a vote of 55.

Many people are taking much interest in the contest and are working for their favorite and just who will be victorious cannot be foretold. Attention is called the rules governing the voting as no person is supposed to vote but one time and the use of fictitious names such as "Im Sure", "U. R. IT", "U. R. Right", "O. U. KID", and the like as have been found in some of the ballot boxes will help no candidate and only more trouble for those checking up the ballots. It is hoped that the public will co-operate in trying to select one who will be a credit to our town at the exposition rather than try to stuff the boxes with votes as mentioned above that will count for no one and cause the committee unnecessary expense in furnishing additional ballots and considerable trouble in listing the names of bonafide voters.

The following is the standing of the six leaders according to yesterday's count:

Table listing names and vote counts for the Queen's Contest: Helen Joyner (216), Hannah Dixon (118), Lillian Hooker (55), Maude Blow Fulford (19), Martha Adams (19), Frances Whedbee (14).

WILLIAM J. BRYAN SPEAK IN TARBORO THURSDAY EVENING

Will Speak on Subject, "The World's Greatest Need"; Morrison and Daniels Speak

Tarboro, Feb. 21.—All roads will lead to Tarboro on Thursday afternoon and night when William Jennings Bryan will come to make an address under the auspices of the Tarboro Kiwanis Club, and thousands of people are expected from all over Eastern Carolina to be present in the Farmers Warehouse at 7:30 p. m. when the speaking will begin.

Mr. Bryan will leave Washington City early Thursday morning and be met in Rocky Mount by the entire membership of the Kiwanis Club, and escorted to Tarboro over the new hard surface Highway.

The local Kiwanis Club, under the leadership of their president, Dan Iverson, are making great preparations to handle and entertain one of the largest crowds ever assembled (Continued on page 4)

J. Y. JOYNER NAMED AS MEMBER OF THE SHIP COMMITTEE

Governor Morrison Submits Names of Nine Men for Senate Confirmation

Raleigh, N. C., Feb. 20.—Governor Cameron Morrison tonight sent to the Senate the names of the nine men he has appointed to constitute the state "Ship and Transportation Commission," for which the General Assembly has provided by the enactment of the Brown substitute for the original administration State ship line bill. The Senate delayed confirmation as the night session previously was understood to consider local legislation only.

The Governor's nine men are: R. M. Miller, Jr., cotton manufacturer, Charlotte; W. A. Hart, at present member of the State Highway Commission, Tarboro, A. M. Seales, lawyer, Greensboro; Geo. Stephens, business man, Asheville; Chas. S. Wallace, Morehead City; Dr. D. D. Carroll, professor, Chapel Hill; Emmet Bellamy, lawyer, Wilmington; Jos. A. Brown, business man, Chadbourne; Dr. J. Y. Joyner, former State Superintendent of Education and now a farmer, at LaGrange.

Governor Morrison signified, by his appointment, the first three named to serve six years, the second three for four years and the others for two years each, following the direction of the original bill as to length of terms, but senators tonight in conversation raised the point as to whether the appointments can be confirmed for a longer period than is regarded as necessary for the commission to make its investigation of the practicability of the plan for the state to own and operate a ship line and to report back to the General Assembly.

The single state-wide measure passing its third reading tonight is that which provides for the building of a hospital for the treatment of tubercular state prisoners. The bill was amended before passage placing the hospitals superintendents in the hands of the board of directors of the State Sanatorium for the treatment of tuberculosis, instead of leaving it under the control of the board of health and cutting the appropriation from \$75,000 to \$50,000. During the morning session the Armfield bill to destroy the common law of "estates of entailed by statute" was defeated on its second reading by an overwhelming vote.

Following a hearing of bankers from various sections of the state, late today the committee on banks and banking reported unfavorably the bill that would have prohibited the establishment of branches of state banks in towns other than the home town of the parent banks in each case and gave a favorable report to the bill which is said to be written to clarify the law on regulation of industrial banks.

"The mothers' aid" bill providing for appropriations which may reach the maximum of \$50,000 received a favorable report from the appropriations committee in the senate.

Senator Mendenhall, of Guilford, tonight introduced a bill which would authorize an election on an amendment to the constitution to abrogate the present constitutional requirement that forfeitures, fines and penalties of municipal courts shall go to the general school fund. The amendment would provide for their diversion to the municipal treasury.

Senator L. R. Varner tonight stated that the finance committee will introduce in the house tomorrow morning the general finance measure.

BASKET BALL TEAM OF THE WASHINGTON HIGHS TAKE GAME FROM RICH SQUARE

Washington, Feb. 21.—By defeating the basketball team from Rich Square here last night. The Washington Higgs are still earnest contenders for the championship of the eastern part of the State. Friday night they will go to Greenville and the winner in that game will determine the winner of the group series.

LOCAL FIRM WINS IN SUIT AGAINST CHARLOTTE FIRM

Awarded Verdict of \$905.00 as Result of Suit Growing Out of Rented Road Machine

The jury, in yesterday's session of civil court, returned a verdict awarding Porter and Peck \$905 as the result of a suit involving over a thousand dollars entered by the plaintiffs vs. Boyd Higgins and Goforth, a firm of Charlotte, N. C., for the rental of a machine used in road work.

According to the evidence, Porter and Peck shipped the machine from Roanoke Rapids to Danville, Va., to the above named firm with the understanding that they were to pay \$22 per month rent, and also pay all charges resulting from the shipping. The defendants claimed that the machine did not reach them in a good condition and refused to fulfill their obligations. The plaintiffs stated that the machine left the shipping point in perfect condition. Quite a bit of argument was employed but the defendant were unable to prove that the plaintiffs were in the wrong.

The case consumed practically the entire Monday and half of Tuesday's session. It is expected that several cases will be given a hearing during the week and by the close of Saturday's session the calendar will be cleared of a number of cases of long standing.

FILLIBUSTER BLOCKS HARDING'S SHIP SUBSIDY IN SENATE

Senator Sheppard Speaks for 10 Hours and 45 Minutes on League of Nations

Washington, Feb. 20.—Consideration of the administration shipping bill in the Senate was completely blocked today by the filibuster inaugurated yesterday against it.

Single-handed, but with the co-operation of a group of determined opponents of the bill composed largely of Democrats but including several Republicans, Senator Sheppard, Democrat, Texas, for hour after hour during the day into a night session held the floor in continuation of his speech begun last night on the League of Nations. He concluded his address shortly after six o'clock tonight. His associates in the filibuster remained at his side continuously ready to take up the task should he falter. In concluding he had spoken a total of 10 hours and forty-five minutes and continuously for six hours and 40 minutes.

Proponents of the shipping legislation, powerless to stop the flow of his words, conferred from time to time, but the conference for the most part came to naught and they bid time when those waging the filibuster might become exhausted or some opening developed for the use of strategy.

There was little hope for exhausting the filibusters, however. The speeches listed to be made in blocking the ship bill were varied. Senator McKellar, of Tenn., was prepared to read the 11th hour address made in 1915 by Senator Smoot, of Utah, a supporter of the pending bill under the famous filibuster that killed the Wilson administration bill to

(Continued on page 4)

ONLY THREE CASES GIVEN HEARING IN CITY COURT TODAY

Mayor Asks a Few Questions Which Would be Well for All to Know the Answers

Only three cases were heard in Mayor's court this morning, as follows:

Lemuel Whitehurst, white, charged with speeding. Paid a fine of \$10 and cost.

Frank Baker, white, charged with driving past 5 points without bringing car to a full stop. Having failed to appear at court Monday, and capias having been issued, he was allowed to pay both the cost of the warrant and capias.

Jesse Price, colored, charged with riding bicycle on sidewalk. Allowed to pay the cost.

The Mayor Says Did You Know:

That the penalty for carrying a pistol concealed off your premises is not less than a \$50 fine? Consolidated Statutes, Section 4410.

Did you know that you are guilty of a misdemeanor if you possess a pistol, bowie knife, dagger or metallic knucks and do not list same, and designate where it is kept, when you list your taxes? Consolidated Statutes, Section 5111.

Did you know that since 1919 it has been a violation of the law to receive or possess by purchase or gift any pistol or other deadly weapon as above enumerated, unless you have a written permit so to do, from the clerk of Superior court, Pitt county? Consolidated Statutes, Section 5106.

Did you know that if you have sold or given any pistol dagger, knucks and etc. to any person since 1919 who did not possess a written permit from the clerk giving permission to receive said deadly weapon, both you and the person receiving same are guilty of a misdemeanor, and punishable by a fine or imprisonment at the discretion of the court? Consolidated Statutes, Section 5106 and 5112.

Did you know that the clerk of the Superior Court is required to keep a record of every person including the name, place of residence, age and etc. to whom such permission is granted? Consolidated Statutes, Section 5109.

Did you know that to obtain this permit from the clerk you must be able to satisfy him of your good, moral character? Consolidated Statutes Section 5108.

Therefore, if you own a pistol, dagger, knucks or bowie knife for your home protection and etc. it is your duty as a law abiding citizen, as well as for your protection, to perfect a record of same before the clerk and tax lister, otherwise you are deserting the ranks of those who abide by the law, and in the interest of whom the law was passed, and putting yourself in the class with those who possess for offensive and criminal use, against whom the law is aimed.

By your complying with this law the police will be materially assisted in dealing with the criminal element.

JACKSONVILLE BASKET BALL QUINT ARE EASILY DEFEATED BY FAST CAGERS OF NEW BERN

New Bern, Feb. 21.—The quint of the local high school by defeating Jacksonville last night won their second game of the championship elimination series. The final score was 59 to 27. The New Bern five scored almost at will during the entire contest, and at times merely toyed with their opponents.

ANTI-RAT CAMPAIGN WILL BE STAGED IN MARCH, 5TH TO 10TH

Prize of Twenty-Five Dollars Will be Given School Child for Largest Number Rat Tails

It costs you two dollars a year to keep a rat. It costs Pitt County over \$100,000 per year to keep her rats. From not only a health but an economic standpoint we cannot afford to be perfectly satisfied with our present rat and mouse population. Pitt county will offer twenty-five dollars cash to the individual school child who turns in the highest number of rat tails, over one hundred, during the Anti-Rat Campaign, March 5-10, inclusive.

In Bethel, Grimesland, Ayden and Farmville the Red Cross Branch officials have assured Pitt county of their united efforts to carry on a splendid campaign.

The chairman of all school committees in Pitt county are being asked to make a talk to the children in the school under their supervision, and tell them of the Anti-Rat Campaign. They will also arrange to distribute the Barium Carbonate and count the rat tails which the children bring in so that an accurate report can be kept and turned in on the night of the 10th to Mr. W. L. Hall, who is chairman of the Anti-Rat Campaign.

AMERICAN LEGION HELD MEETING HERE LAST NIGHT

Members of Post Will Have Opportunity to Hear National Commander in Wilson

The Pitt County Post of the American Legion held its regular monthly meeting at the Rotary Club last night. The meeting was well attended and was enjoyed by all those present.

Post Commander J. H. Waldrop presided over the meeting and after thanks were returned by Prof. J. L. Leggett, of the Teachers College, the usual supper was served.

Following the meal was the reading of the minutes and the reports of the various standing and special committees. The adjutant's report showed that over fifty names had been added to the post roster since the January meeting. The committee appointed to look over the Wingate property to ascertain its suitability for a post home advised the meeting that this had been done and that they could not recommend the purchase of same by the post. The committee was continued and instructed to look over other properties which have come before the legion and report their actions at the next meeting.

A committee was appointed to work in connection with the Alumni of the University of North Carolina and State College in an effort to get the freshmen elevens of the two colleges to stage a football game in this city on Monday, November 12 which will be observed this year as Armistice Day. It is hoped that these bodies will be successful in their efforts as such a gathering will mean much to Pitt county and the post.

In reporting on his efforts to get National Commander Owsley, the adjutant stated that owing to connections and the present program of the commanders visit in this state made a visit to Greenville an impossibility. Commander Owsley will speak in Wilson at a luncheon at noon on Wednesday, March 7 and arrangements are being made for all members of the Pitt County Post who desire to hear him to attend the Wilson meeting.

The guests at the meeting were, Prof. J. L. Leggett of East Carolina Teachers College, K. T. Futrell, Pitt County Welfare Officer, and C. A. Saunders of Richmond, all of whom made short talks to the members. In his talk Mr. Futrell told the boys of some of the needs in the county which had come to his attention and

PETITIONS BEING CIRCULATED FOR PAVING STREETS

Streets Connecting With Hard-surfaced Roads Included in Paving Projects

PETITIONS WILL BE PRESENTED TO THE CITY FATHERS

Probably Two Miles of Pavement to be Added to Present Eight Miles

That Greenville is far from being dead when it comes to public improvements is shown in the fact that at present several petitions are being circulated by various citizens for paving of streets connecting up with the hard surfaced roads and many other of the unpaved streets in the city.

The petitions now being circulated are to extend the paving on west Fifth street to the city limits to connect with the hard surfaced road leading to Falkland, another is to pave east Fourteenth street to connect Evans street and the proposed hard-surfaced road to Cox's mill, another is for the paving of the street through the property known as the Gilbert and Forbes division which will connect the Cox's Mill road with east Ninth street.

The petitions for paving in the city proper are for Cotanch street between Third and Second streets and Second street between Cotanch and Evans, the other is for Third street from Cotanch street to Summit street and for Summit street from Third streets to connect with the pavement on Cotanch street.

All of these petitions will be presented to the board of aldermen as soon as they are completed and if there are other parts of the city which the property owners wish paved it will be well for them to get their petitions up and have them ready as soon as possible in order that one contract may be let for all the paving which the city intends to do and thereby make it less expensive.

TRINITY FOOTBALL PROGRAM IS ANNOUNCED FOR 1923

Durham, N. C., Feb. 21.—The addition of the University of Virginia remains the feature of the 1923 football schedule for Trinity college issued in final draft today. Elon has been added for a game at Greensboro and Newberry for a game at Trinity. Neither of these games were shown on the tentative schedule given out some time ago. The Carolina game has been shifted to October 12 instead of November 3.

Either Winston-Salem or Greensboro, either Winston-Salem or Greensboro with Wake Forest, played in Raleigh for the past two years, while athletic authorities are still undecided whether to book the William and Mary game at Rocky Mount or Norfolk.

The schedule is as follows: September 29—Guilford at Trinity. October 6—Randolph-Macon at Trinity. October 12—Carolina at Trinity. October 20—William and Mary at Rocky Mount or Norfolk. October 27—University of Virginia at Charlottesville. November 3—Elon at Greensboro. November 10—Wake Forest at Greensboro or Winston-Salem. November 24—Newberry at Trinity. November 29—Davidson at Charlotte.

TWO HUNDRED POLES AND LITHUAIANS KILLED, WOUNDED

London, Feb. 21.—Two hundred Poles and Lithuanians were killed and wounded during fighting in the neutral zone near the Vilsa, according to unofficial reports from Copenhagen.

A hat collection of about twenty dollars was turned over to Mr. Futrell to help in a small way to relieve the suffering.

Tuesday, February 21st, 1923

If France succeeds in her plan to get coal out of the Ruhr, then in our next coal strike we will know where to look for help.

If France can't succeed in getting coal out of Germany they would do well to send for Henry Ford. He is determined to haul his own coal if he can't get more satisfactory service. That is what we call a man. Henry has evidently adopted the slogan—"If you want a thing done well, do it yourself."

The retail cost of food for the average family decreased one per cent in January as compared with December, according to reports from the department of labor. Of course even a small decrease is appreciated but in this day of high costs of living there would be no objections to it decreasing several per cent.

It would not be a bad idea at all if the present administration would employ a teacher to teach it the meaning of "foreign." Honestly we doubt if they ever heard of the word. If some one should tell them that it was style to have a "foreign policy," they would immediately order catalogues from Sears and Roebuck to find it.

We should not weep over spilt milk, and sigh, the "saddest word of tongue or pen the saddest it might have been," but when we see the terrible tragedy of what will eventually occur in the Ruhr, unless Germany or France one yields, we cannot but help blame ourselves for present conditions. If the United States had not failed in its duty in 1919-20, all this could have been avoided.

During last year 34,000 men and boys left the farms of New York state to work in towns and cities. This accounts for the congested conditions of the cities. Farm life doesn't seem to hold attractions for them. This is a great pity, because when farming fails then the entire country will suffer.

Tarboro is indeed honored in having as her guest, on Thursday of this week, Hon. William Jennings Bryan. Mr. Bryan is not only a great man, but a splendid speaker and a treat is in store for people throughout this section who are fortunate enough to hear him. Tarboro is planning to give him a royal welcome and have in-

ited their friends to help share their honor.

Regardless of what the government thinks about Muscle Shoals, one thing is certain—it should be developed. It is an entirely too valuable asset to the country to be allowed to remain as it is. Henry Ford wants the opportunity of showing the people that he can turn it into a money making proposition and a better disposal could not be made of it.

Predictions are being made left and right as to who our next president will be. No one knows, but if the November election is the beginning of the end, then it is an assured fact that a democrat will hold the honored position. They have a number of good men, from whom to select a candidate, any of which would be a credit to the country.

Lloyd George says that America has the world's gold locked in its chest and that unless it helps in the present trouble in the Ruhr that it will be impossible for the reparations and restoration program to succeed. "He certainly laid a great duty on America but when we consider how we failed to accept the league of nations, we realize as never before our moral responsibility. It is hard enough for foreign diplomats to put in on us, but worse still when they proceed to rub it in.

The amount of liquor consumed by Washington diplomats remains a secret—Headline. Well enough. The announcement of the liquor affair shocked the country, and if the actual quarts and gallons were given out, no doubt the number would be so large that the shock would have terrible results. It is certainly scandal in high life.

Pitt County has given to the State some of its greatest leaders. It is proud of the fact, and never loses an opportunity to encourage them when they are about their official duties. These leaders not only consist of men because there are some women on the list. Mrs. R. R. Cotten, honorary president of the Federation of Women's clubs, has recently given to the state a Federation song. A prize is being offered for the musician who submits the best music for the song. It is indeed an honor to Mrs. Cotten to be recognized in this manner and her song deserves the highest praise. It is most appropriate and well com-

posed. Here's hoping that the prize can be won by a Pitt Countian.

GREATEST NEED STILL LACKING

Greenville has given to the world as large number of young doctors perhaps as any town of its size in the state. These boys finished high school and left our town perhaps never to return except on visits to their relatives. There is no encouragement for them to return, no opportunity is opened for them, all because they are modern physicians and surgeons and they desire to locate where they can grow and become great men. It isn't because Greenville isn't a live and progressive town, because it is—but we haven't a hospital and our young men know the conditions and have no desire to practice in a town where they can't have the services of a hospital. Suppose we didn't have equipment for fighting fire, and when a fire did occur just stand by and see our property go up in smoke, who would want to build a home in such a community? Suppose we didn't have a jail or court house and said to the bad element, go your limit, who would want to live here? The very same can be applied to a hospital. We flirt with death daily and in case of emergency, rush our loved ones to another city for an operation. Many mothers whose lives could be saved if they had the proper treatment, die and leave small children to charity of the county. Perhaps it is a father taken from a family which is absolutely dependent upon him for their existence.

This county is failing in its mission. It isn't because we aren't able to spend the money—we are. The trouble is, we are neglecting what should be considered one of the greatest opportunities ever offered to us. If we had a fully equipped and modern hospital, our own sons would return to us and other physicians would be attracted by it.

The Rotarians, who put service above self, are planning to put the hospital movement over, and should receive the encouragement and support of every Pitt county citizen. If you can't help financially, help by telling of the needs of such an institution. Don't knock, but boost. We have some of the best physicians in the state. They are loyal and true to their trust, but in every way they are handicapped because they haven't the much needed hospital. Health is the greatest thing after all because it is absolutely essential if we are to enjoy all the other blessings. Let's

ROTARY
"HE PROFITS MOST WHO SERVES BEST"

THE GROWTH OF ROTARY.

Making practical demonstration of community service as performed by a Rotary Club to its community is the way local Rotarians describe the world wide citizenship principles that are being broadcasted all over the face of the earth this week as an observance of the eighteenth anniversary of the founding of the first Rotary Club.

"EBB TIDE" HAS THEME OF FINE HEART APPEAL

Robert Louis Stevenson's Superb Story is Splendidly Picturized. The absorbing and sympathetic story of how Robert Herrick was mired in the swamps of civilization and of how he finally struggled back to firm ground is the theme of "Ebb Tide," a picturization of Robert Louis Stevenson's famous story, which will be shown at White's Theatre Thursday. Lila Lee, James Krikwood, Raymond Hatton, George Fawcett, Noah Beery and Jacqueline Logan are the featured players.

A young man of good birth and too careful rearing—he was never allowed to face responsibility—Robert Herrick becomes a drifter and is stranded on the beach of a South Sea island. Here he meets two other derelicts, a discredited but likeable master mariner named Davis and a shady, vile-mouthed London clerk called Huish. The three are drawn together by the bonds of hunger and exile, and they barely exist until a chance offers to take out a smallpox ship. The voyage of this schooner with its not be satisfied until we reach our goal—an up-to-date, fully equipped hospital.

ed has caused it to grow, surely and substantially. This unique creed is a part of what is called the Rotary Platform and the Rotary Code of Ethics. The Rotary Platform was adopted by the organization in 1911 and is a concise statement of the principles and ethics guiding and actuating all Rotary Clubs. The "Rotary Code of Ethics" was adopted in 1915 and sets forth the principles and practices that "should exist not only between Rotarians but all business and professional men everywhere."

The anniversary meeting here today serves to call attention to the fact that Rotary Club activities are many and varied. They are usually confined locally to activities which no other organization is formed to accomplish. Taking the activities of all Rotary Clubs the world over they touch every phase of community life.

Mr. Baxter Carson, of Bethel, was in Greenville today.

Mr. J. R. Marshall, of Tarboro, was here today on business.

Mr. H. L. Blue, of Raeford, N. C., is in Greenville today on business.

Messrs. F. J. Forbes, E. S. Williams, E. H. Foley, L. R. Riddick, J. J. White, W. H. Woolard, J. H. Waldrop and J. S. Brown left this afternoon for Elizabeth City where they will attend the bankers convention.

MR. A. R. HOUSE HAS RETURNED FROM WILSON
Mr. A. R. House has returned from Wilson where he has been with Mrs. House since her operation for appendicitis last week. He reports her condition greatly improved and her friends will be glad to know that she is on the road to permanent recovery.

Ms. T. A. Person Entertains Round Table Club

Mrs. T. A. Person delightfully entertained the Round Table club on last Tuesday afternoon in her beautiful new home on Evans street.

After a brief business session the program committee presented the topic "Religion in North Carolina."

Mrs. Grant very ably read an interesting and instructive paper on "The Religion in the Early History of North Carolina." Mrs. Ellen gave a sketch of the westward progress of the early North Carolina settlers showing the important part played by Daniel Boone.

These papers were followed by lively and enlightening discussions. The hostess served an attractive salad course. Mrs. J. N. Norman, Mrs. H. L. Rivers, Mrs. H. E. Austin, Mrs. W. C. Vincent and Mrs. Sallie Sumrell were guests of the hostess. The club members enjoyed these guests and the christening of this lovely home very much.

GEO. B. SINGLETARY CHAPTER U. D. C. TO MEET THURSDAY

George B. Singletary chapter of the United Daughters of Confederacy will hold their regular monthly meeting, Thursday afternoon at 3 o'clock at home of Mrs. Lula Fleming. Messrs. C. S. Forbes and Lula Fleming will be the hostess. Every member is urged to be present.

Notice

The Victor Class of the F. W. B. Sunday school, of Ayden, will give a "Patriotic Box Party" on Thursday, p. m., February 22nd at 7:30 o'clock in the Ayden Seminary Auditorium. Boxes will be sold at auction and a prize given free to the highest bidder. Everybody come.

PRAYER SERVICES IN METHODIST CHURCH TONIGHT

There will be prayer services in the Jarvis Memorial Methodist church tonight. The building will be comfortably heated and the public is cordially invited to attend.

BEWARE OF THOSE "GRIP" COLDS

DID you ever catch a "grip" cold in the winter and have it hang on all through the summer?

Don't go through that experience again. Enrich your blood and build up your strength with Gude's Pepto-Mangan and the grip germs will pass you harmlessly by.

Gude's Pepto-Mangan is a splendid protection against winter ailments for the whole family. Your druggist has it, in both liquid and tablet form.

Gude's Pepto-Mangan
Tonic and Blood Enricher

TEN YEAR OLD GIRL RECEIVES SEVERE BURNS

On yesterday afternoon Elizabeth Moore, ten year old daughter of Mr. and Mrs. W. E. Moore of this city received painful burns when her clothing caught fire from a pile of burning trash around which she and several companions were playing.

According to information a Mr. Wilson was burning trash back of the college campus and the children were playing near it. Mr. Wilson was a short distance from the burning pile when he was attracted by screams and on turning saw the little girl's clothing in flames. He immediately rushed to her aid and succeeded in extinguishing the burning clothing and carried her home. Medical aid was summoned and upon examination it was found that the little girl had received severe burns on her back and right arm and shoulder. Though the burns proved very painful to the patient, physicians state that they were not serious and that she would soon recover. Just how the accident occurred none of the children have been able to explain.

Year after year Buick has been "The Hit of the Season." And this year, more than ever before, it "Wins the Applause" and "Gets the Bonquets" because it features the very last word in motor development and body construction.

RED SEAL LYE

Makes Cleaning-Time Easy

Old Spring-cleaning backaches are out of style. A little RED SEAL Lye does the work better and a lot easier. The clever woman finds many ways of making it work for her.

Let us suggest a few of the many uses, to you.

Write for booklet. Full directions in each can. Be sure and buy only the genuine RED SEAL Lye.

P. C. Tomson & Co. Philadelphia, Pa.

"Well! Strong!"

Mrs. Anna Clover, of R. F. D. 5, Winfield, Kans., says: "I began to suffer some months ago with womanly troubles, and was afraid I was going to get in bed. I suffered with my head, back and sides—a weak, aching, nervous feeling. I did not seem to find the right remedy until someone told me of

CARDUI
The Woman's Tonic

I used two bottles before I could see any great change, but after that it was remarkable how much better I got. I am now well and strong. I can recommend Cardui, for it certainly benefited me."

If you have been experimenting with all kinds of different remedies, better get back to good, old, reliable Cardui, the medicine for women, about which you have always heard, which has helped many thousands of others, and which should help you too.

Try Cardui.

Local News

MRS. McADAMS DELIVERS SPLENDID SERMON LAST NIGHT IN COURT HOUSE

Another splendid service was held last night. The message was brought so plain and simple a little child could understand the plan of Salvation. So many when they come to Jesus, try to bring their sins right on into the kingdom, but you have to leave them, only the soul can come in. I remember years ago of seeing a little piece that would remind any one of the sinner coming to Jesus.

A little boy, had dropped a penny into a beautiful vase, and was trying to pull out the penny with his hands doubled up. The father was about to break the vase when he discovered the trouble and he said, "son turn loose," and he said, "I want to bring my penny out." That is the way with so many people they want to bring sin with them. The plan is so simple people try to make it hard. Jesus invites all kinds of poor souls to come and be made whole. A great preacher once went to London to preach and he put in large letters over the door on the out side of where he was preaching and said between such and such hour come in and I will settle all of your bad debts. People passed and passed but would not go in. At last just before the time was up, two very poor men that were very deep in debt came in and said we will see and sure enough the man paid all of their bills. They went out and told every man they met and in a short time the building wouldn't hold the people, but the hour was up, it was too late, the man knew only a few would try, but he had a great revival over the simple plan. Thousands were sorry they were too late so it will be when you come to die. Except ye be converted and become as little children, ye shall not enter into the kingdom of heaven. The little child soon forgets its trouble and remember them no more. The mother can punish the child and in a few minutes the tears are gone and the child is kissing mama again, but if mama punishes the grown daughter, she don't come so soon and kiss mama and the little one does. So Jesus has so wonderfully made it possible that all can come and be saved.

The call was made and two acme, the 10 o'clock Thursday morning prayer meeting will be held at Mr. Dail's Grocery store, Dickinson Ave., on Thursday afternoon at 3 o'clock the meetings will be held with Mrs. J. W. Conway's, Contanch and 13 streets and Mrs. J. H. Boyde, 1318 Dickinson Ave.

SPLENDID SELECTION OF MAGAZINES ARE AVAILABLE AT CHAMBER OF COMMERCE

A visit to the Chamber of Commerce rooms will reveal a splendid selection of magazines, which are available to the public. A glance at the Chamber's library table shows, among a large number, the following:

Literary Digest, Manufacturers Record, Country Gentleman, Progressive Farmer, Farm & Fireside, Reliable Poultry Journal, The Dearborn Independent, The American City, The Kiwanis Magazine, The Rotary Magazine, Nations Business.

In addition to the above regular numbers, there are also several miscellaneous periodicals that are of interest.

The directors and officers of the Chamber of Commerce wants the public to frequent the Chamber's quarters frequently whenever there is the least of information desired. Quite likely just what you want to know is on file, if not, Secretary Smith will be glad to get it, if possible.

LOCAL POSTOFFICE WILL OBSERVE HOLIDAY

The local postoffice will observe tomorrow, Washington's Birthday, as a holiday. The general delivery window will be open one period during the day, 11:30 a. m. to 1 p. m. and the city carriers will make only the morning delivery. There will be no delivery on the rural routes.

MASTER DICK ROGERS LEAVE FOR DURHAM HOSPITAL

Master Dick Rogers left yesterday for Watts hospital, Durham, N. C., where he will undergo an operation for appendicitis. He was accompanied by his mother, Mrs. J. D. Rogers. His friends wish for him a successful operation.

POULTRY IS PROFITABLE

On the average farm little attention is paid to the raising of poultry, yet nothing else pays so well for the amount of money invested and the amount of care required.

There is no other work on the farm that boys and girls will find more pleasant or more profitable than raising chickens—and taking care of them.

The laying hen is deserving of our best care and attention. Every time she lays an egg she deposits nearly three cents in the farmer's bank account, and yet we allow her to roost in trees, do not take any pains to give her the right kind of feed, compel her to seek her drinking water wherever she can find it, and do not make the least effort to see that she is comfortable in cold or stormy weather.

Poultry does not require a great deal of attention and nothing responds more readily to a little care than chickens. The work is light—just suited to the boy or girl on the farm. During the greater part of the year father and mother are too busy to give poultry the kind of attention it should have, but, with the present market prices of poultry and poultry products high, farm boys and girls will find that good care of a few chickens will bring in many dollars for spending money.

Write your agricultural college for a bulletin on poultry raising and follow instructions. — Auspices Pitt County Chamber of Commerce.

BELHAVEN QUINT IS HUMBLED BY LOCALS IN SNAPPY GAME

(Continued from page 1)
still contending for the championship honors.

This brings the Washington team, which defeated Jacksonville last night to the local court on Friday night of this week against Greenville. Each team have two wins and no losses to their credit, and this of course means that the third contest will be hotly contested. And it is stated that the coming visitors will be accompanied by a large number of basket ball enthusiasts from Washington. They will come expecting to take the honors back. It is up to the Greenville people to turn out and manifests their interest by their presence which will contribute much towards bringing the local five out victorious.

Following is the line-up and points scored in last night's game:

Greenville (33)	Belhaven (30)
Gaskins (11)	Voliva (14)
R. F.	
Mayo (8)	White (10)
L. F.	
Brown (14)	W. Windley
C.	
Forbes	Davis
R. G.	
Williams	H. Windley
L. G.

FILIBUSTER BLOCKS HARDING'S SHIP SUBSIDY

(Continue from page 1)
authorize a government capitalized corporation to buy, build and operate ships in foreign trade and said he proposed to interrupt the speaking with "frequent endorsements of my own." Others planned addresses varied from the discovery of King Tutankhamen's tomb to the history and principals of hte co-operative marketing.

The necessity of other interests getting into the water, however, was deferred hour after hour as Senator Sheppard proceeded in one of the most remarkable demonstrations in the history of the Senate.

Senator Sheppard opened the active filibuster last night, beginning to speak at 6:27 o'clock and stopping only when a recess in the Senate was taken at 10:10 o'clock. Although he suffered an attack of grippe early this month he appeared fresh when the Senate met today at 11 o'clock and immediately a quorum was obtained resumed his speech consisting of a digest of the record of all activities of the League of Nations, probably the most complete history of the League that has been compiled. Most of the address had been written in long hand and consisted of a stack of papers nearly a foot high.

WILLIAMS J. BRYAN SPEAKS IN TARBORO THURSDAY

(Continue from page 1)
for an indoor occasion in Tarboro. Seats are being placed in the Farmers warehouse to accommodate several thousand people, and stoves are being placed throughout this tremendous building to provide against cold and inclement weather. The building will be decorated throughout with Kiwanis colors and emblems, and everything that can be thought of is being done for the comfort of the crowds that are expected.

Gov. Cameron Morrison will introduce Mr. Bryan, whose subject will be "The World's Greatest Need," which is one of his most famous lectures. Mr. Daniels, who was member of President Wilson's cabinet, will make a short talk on the "Ideals of the Kiwanis." Governor Morrison will be presented by Hon W. A. Hart his close personal friend and adviser.

The Hart Cotton Mill Band has been secured to furnish music for the occasion. Today many members of the local Kiwanis Club left Tarboro going in all directions to carry the news to all sections of the county and adjoining towns.
