LEGISLATURE STILL HAS LARGE PART WORK BEFORE IT

Only Tenth of Session Remains With 60 Per Cent. of Work Yet to be Done

Raleigh, N. C., Feb. 26.—With the incentive of adjournment next Saturday at midnight, a tired and ragged-nerved General Assembly may surmount the obstacles of final action on the Revenue Act, the Machinery Act, the Appropriations Bill, the Divorce Bill, the Lost Provinces Railroad Bill, the localization of the Volstead Act, Workmen's Compensation and hundreds of other public and private bills that are pending on the calendar in time to go home.

Adjournment is beginning to be uppermost in the minds of the majority of the members, and with the constitutional limitation expiring on Saturday night, the prospect of another week-end in the city has little to allure 170 men worn out by the grinding weight of the past ten days. It is possible that all pending legislation may be crowded through within six days remaining.

Three pieces of legislation are absolutely essential before adjournment is taken, and added to these are six hundred that are desirable but not fundamentally necessary. The State must have a revenue act, an appropriation bill, and a machinery act. Other measures may be desirable, and highly important but these three stand out among the things that absolutely must be done before the members go back home.

And around these three will be fought the bitterest battle that has been staged in the General Assembly within the past few years. Tonight the Senate gets the Revenue Act with the Parker amendment exempting foreign stock from taxation in this State. Exemption will probably be defeated in the Senate tomorrow, developing a deadlock between the two houses that may delay the end of the session indefinitely.

Rejection of the Parker stock exemption in the Senate will return the measure to the House, where it passed its final reading Saturday, for another three days consideration. This can be done within the time limit remaining for consideration of roll call bills which require reading on three separate days in each branch. The Machinery Act requires three readings in each House and its expected to be in the House by Thursday morning.

Indications last night were to the effect that the exemption clause written into the Revenue Act by the House by a narrow vote would be stricken out of the documents in the Senate. Two days time in which to organize the fight against it has given increased hope to those opposed to it, and although both sides were claiming victory last night, the edge seemed to lie somewhat with the forces working under Senator Sams against the measure.

Although not a roll call bill, it is expected that the House will require not less than two days discussion before the bi-annual appropriations bill is completed. The House is in an economical mood, and recommendations of the appropriations committee, which will be submitted tonight, appear to be in for a paring. The report will be finally agreed upon this afternoon by the appropriations committee in joint session.

Among the secondary measures still pending, the Workmen's compensation measure comes up first, being scheduled for a special order in the House at 8 o'clock tonight. The Nimocks divorce bill is set for a special order tomorrow night, the Crist soldiers bonus bill for Wednesday and the age of consent measure will probably be threshed out some time during the day on Thursday.

Over in the Senate the Milliken anti-Ku Klux bill, the Turlington anti-liquor bill, the Bowie Lost Provinces bill are still standing on the calendars waiting for action. The House has yet to deal with the Long usury measure, which is likely to precipitate a vigorous fight in the lower branch. Something remains to be

THE CIVIL TERM OF PITT COUNTY COURT BROUGHT TO CLOSE

Last Week's Session Featured With Hearing of Many Cases; Land Suits Featured

Pitt County Superior Court for the trial of civil cases was brought to a close Saturday afternoon after several cases had been disposed of. The session was featured by divorces and land suits, one or two cases being so long drawn out that it required two days for final settlement. Several cases were non suited on account of defendant failing to appear. In the case of C. L. Tripp vs. T. L. Little, growing out of a controversy over a dividing line, Tripp was given the land in question which was five acres of swamp land. The case was long drawn out with several witnesses appearing for both sides and consumed two days of the week's session.

In the case of Hall and Savage, Bros., vs. J. M. Schultz Co., growing out of a suit over a car load of damaged hay, the plaintiffs were awarded damages which amounted to \$471.00.

The car load of hay was shipped and Hall and Savage Bros, paid the draft. Upon discovering that the hay was damaged they attached the draft and sued for damages.

Seven divorces absolute were granted during the week's session, all being to colored couples.

Judgment was returned in favor of the defendant in the case of Pitt Lumber Company vs. Harvey Briley. The case growing out of a suit of the Lumber Company against Mr. Briley for material used in building his home. Mr. Briley produced evidence showing that the contractor did not complete the job at the specified time and also produced other evidence showing that he had fulfilled his obligations.

In the case of Heber Dixon, Dan Dixon, Violet Dixon and Estella Dixon and R. C. Cannon and son vs. R. D. Harrington and Albion Dunn, trustee, which was the outcome of a mortgage which Harrington held on the home place of the plaintiffs. Much controversy over different pieces of land was brought into the issue, judgment being returned in favor of the plaintiffs.

BELVOIR OFFICER IS ASSAULTED BY ESCAPED CONVICT

Constable J. O. Bryant Has Arm Broken and Otherwise Assaulted by Two Brothers

Constable J. O. Bryant of Belvoir township was brought to Skinner-Smith hospital here on Saturday night because of serious injuries inflicted by Lennie and Ben Ashley Everetts when the officer made an attempt to arrest the former, who is an escaped convict from the county chain gang.

Lennie Everett, who has long since been known as a man of rather desperate character, escaped from the road force about seven months ago, and had been at liberty since that time. Officer Bryant received information during Saturday that the man was then at his former residence, near Gum Swamp, and notwithstanding reports that he was of the dangerous element, the officer went in search of his prisoner. When he arrived at the Everett home he also found Ben Ashley Everett, a brother of Lennie, and after being advised by Mr. Bryant that he had come for him, the two brothers resented his remarks and proceeded to assault him almost into insensibility. In the struggle the officer received a broken arm, and also was badly battered about the head and body with a coca-cola bottle.

Sheriff A. C. Jackson was during the night notified, and with Deputy Whitehurst proceeded Sunday morning to the scene of trouble. There he found both Lennie and his brother, and as he entered the door of the

FASHION SHOW TO BE STAGED HERE THURS., MARCH 15

Automobile Show Will be Held in Connection with Fashion Show; Great Event Promised

The Merchants Association of this city will stage a Fashion and Automobile Show combined in one of the local warehouses, on the afternoon and evening of Thursday, March 15th. Great preparation are being made for the event which promises to surpass anything of its kind ever held in this section. The evening entertainment will be brought to a close with a dance.

The Fashion Show will be the first ever held in Greenville. The warehouse will be decorated and besides the living models which will display the spring styles, on a stage, the merchants will have attractive booths in which they will display their new styles both in ladies' and men's wearing apparel. It is also expected that the automobiles will attract quite a bit of attention as the automobile dealers will have on display some of their prettiest models. Special music will be rendered throughout the afternoon and evening.

Following the close of the evening's program a dance will be given in connection with the event and this will also be a drawing card, especially to the young people. The following committees have been appointed to look after the arrangements for the event.

Finance committee, Mr. R. L. Crow, treasurer, Mrs. Alex Viola, and Mr. J. N. Hart.

Construction committee, Messrs. L. A. Stroud, chairman, W. H. Dail, J. N. Hart and Judson Blount.

Decoration committee, Miss Maude Lee, chairman, and Mrs. J. J. Gilbert. Advertising committee, Mr. J. K. Young, chairman, Messrs. D. J. Whichard, Jr., and Curtis Perkins. Program committee, Mr. J. L. Horne, chairman, Miss Maude Lee, Messrs. C. H. Forbes, Frank Wilson, J. K. Young and W. A. Bowen.

Dance Committee, Messrs. Curtis Perkins, chairman, D. J. Whichard, Jr., and Frances Bowen.

UNCONFIRMED REPORT SAYS FOUR FRENCH SOLDIERS FOUND GUILTY OF MUTINY

Berlin, Feb. 25.—An unconfirmed report has been received that four French soldiers secretly shot at Drisberg have been found guilty of mutiny.

Everett home, the first named made a desperate dive for his shot gun, but the sheriff was quick to act, and Lennie was made to lay his weapon down at the point of the officer's revolver. Both Everetts were brought back here and placed in jail.

Lennie Everett has several times been sentenced to the chain gang for shooting and other like offenses, and in nearly each case he has been successful in escaping before the expiration of his time of service.

THE SENIOR CLASS GIVES WASHINGTON PROGRAM E. C. T. C.

Exercises in Charge of Miss Maggie Dixon, the President, Proved Most Interesting

An interesting Washington program was given at the assembly Saturday morning, by the Senior Normal Class.

The exercises were in charge of Miss Maggie Dixon, the president of the class. She read for the Scripture part of the sermon on the Mount. At the close of this reading the school joined in saying the Lord's prayer. A talk on the teacher's part in training for American Citizenship was given by Miss Clara Dowdy. In this talk Washington was brought as an ideal. Miss Irma Harrison gave several of Washington's favorite maxims in an expressive manner. Miss Vera Miller recited very impressively the poem "Washington's Birthday." Miss Hazel Kennedy told an interesting story of Revolutionary days. "The Naaman Prince." Miss Clara Grissom gave European opinion of Washington as expressed by Byron. With their violins, Misses Gorell, Jeannette Wedmore and Marjorie Snowden played the "Minuet" of colonial days. They were accompanied by Miss Martha Inman at the piano.

Several patriotic songs were sung with Miss Hilda Duke presiding at the piano. The program ended with the entire school singing the Star Spangled Banner.

POULTRY MEETING TO BE HELD IN CITY NEXT THURSDAY

Dr. J. Morrill and N. J. Bartlett Will Address Poultry Association, Rotary Bldg.

A meeting of interest to the members of the Pitt County Poultry Association and those interested in poultry is scheduled for next Thursday at 12:30 at the Greenville Rotary Club building.

Dr. J. Morrill, president of the Pitt County Association, and an experienced poultryman, and Mr. N. G. Bartlett, secretary-manager of the Eastern Carolina Chamber of Commerce of Goldsboro, who has had quite a bit of experience in poultry association work, will be the principal speakers.

The above meeting will be, as stated, for all of those in the county who are interested in any phase of poultry. However, it will be necessary to find out the exact number who expect to attend so the committee will know how many plates to prepare. Communicate with Secretary H. L. Smith of the Chamber of Commerce and make your reservation for the luncheon and poultry meet.

SEVERAL CASES GIVEN HEARING IN CITY COURT

Mayor Clark Calls Attention to Several Matters Pertaining to Auto Laws in City

This morning's session of police court was featured with several cases of a minor nature and only a short while was consumed in hearing same. Flanagan Bugby Co., charged with leaving automobile parked on pavement over night. Allowed to pay the cost.

Howard Hughes, Henry Hight, white, charged with being drunk and disorderly and fighting. Allowed to pay a fine and cost of \$26.40 each. Leon Atkinson, colored, charged with assaulting one Alma Madison with a deadly weapon, to wit, a butcher knife, and also charged with the use of language that even shocked the modesty of the male of the species. The mayor gave her a permit to interview Judge Cooper next Monday morning, and to be certain that she would do this she was committed to jail in default of a \$200 bond.

W. J. Bryant, colored, charged with being drunk and committing acts of disorderly conduct. Fined \$50 and cost.

W. J. Bryant, colored, charged with trespassing on the premises of one Effie Cobb. Fined \$20 and cost. Ernest Wilson, colored, charged with assault. Judgement suspended for six months upon the payment of the cost.

Mayor Says, Don't Forget That the speed limit is 10 miles per hour in the business section and 20 miles per hour in the residential section and that the first offense for violating this law is not less than \$10 and cost.

That at street intersections the party approaching from the right has the right of way. That in turning into business portions of Evans street and Dickinson Avenue, the speed limit is 5 miles per hour.

That you are required to bring your car to a full stop before entering Dickinson Avenue from Sutton Lane, 8th street, Pitt street and church street and also upon entering Pitt street from Bonner's Lane.

That parking on the left side of Evans street or within 10 feet of any hydrant is prohibited. That at night you must have two front lights and one rear light, and that you must never run in town without your cut out or muffler open.

That you can not leave car parked on pavement between the hours of 1 and 5 a. m.

That when the fire alarm is sounded all traffic is required to pull up to the curbing and wait 5 minutes before moving.

That we want you to obey these laws both for the sake of public safety and because we dislike to arrest and fine you.

Mesdames C. H. Forbes and J. J. Gilbert left yesterday for New York to purchase the latest styles in ladies' ready to wear and millinery. They expect to be away for about a week.

MISS JOYNER STILL RETAINS THE LEAD IN QUEEN CONTEST

Nominations Close and Only Present Candidates Can be Voted for Until March 8th

According to the last count of ballots in the "Queen's Contest" which was made this morning, following the closing of the nomination period, thirty-five contestants are entered from which will be chosen a "Queen" to be recognized at the Eastern Carolina Exposition in Wilson as "Miss Greenville."

While the nominations closed on Saturday night, voting may continue on to Thursday, March 8th. This, of course, means that no new candidates can enter now, only those already named can be voted for, and only those who have not voted are eligible to vote.

Miss Helen Joyner, who has retained the lead for the past several days, continues at the top, with Miss Nancy King a close second. The four other candidates who have polled more than a hundred votes are Misses Hannah Dixon, Lillian Hooker, Martha Adams and Maude Blow Fulford.

The entire vote, according to today's canvass is as follows:

Helen Joyner	621
Nancy King	515

FORMER CITIZEN OF COUNTY IS KILLED BY GAS EXPLOSION

Mr. James Mayo Meets Death at Automobile Plant of Ford Motor Co., in Detroit

Mr. James Mayo, a former resident of Pitt county, but who has for the past seven years made his home in Detroit, Mich., was killed in that city Saturday by an explosion caused from gas at the plant of the Ford Motor Co., at which place he had been employed since leaving here.

Mr. Mayo was a native of this county having been born and reared at the present residence of his mother about seven miles north of this city. He was a young man of sterling character and is well remembered by a host of friends throughout the county who will be sorry to hear of his death. He visited his former home during the Christmas holidays, and spent much of the time with friends in Greenville.

Information furnished this paper relative to the accident is very meagre, and as a result we are unable to give full details of the explosion. The remains will be brought here some time during this week and interment will be made near his former home. Time of his burial will be announced later in these columns.

TODAY MARKS THE BEGINNING OF LAST WEEK OF CONGRESS

With Last Day in Sight the Calendars of Both Houses Badly Jammed

Washington, Feb. 25.—The Sixty-Seventh congress enters the home stretch tomorrow with more than 14,000 bills and resolutions on its calendars and with prospects of enactment of about 100, including two of major importance, farm credits legislation and the deficiency appropriation bill.

This year's pre-adjournment jam of legislation promises to be centered more in the House than in the Senate. The deficiency bill is scheduled for House passage tomorrow, while the farm credits composite bill will come up in the House on Tuesday.

In the House also vigorous efforts will be made to complete action on the Norris Constitutional amendment to change the date of the Presidential inaugural and the convening of congress, and to get a vote on Mississippi flood control and other bills.

Prospective disposition tomorrow by the Senator of the administration shipping bill is expected to facilitate Senate action on a number of other measures. A pending motion to recommit the shipping bill, the defeat of which is conceded, is expected to be lost, but displacement of the bill by the "filled milk" bill or some other measure is expected, thus consigning the shipping measure to the legislative boneyard.

The presentation yesterday of the administration's proposal for conditional American representation in The Hague International Court of Justice, under the League of Nations, promises a sharp flurry in the Senate this week, but the opinion is general that action must go over for back of time until next December. The foreign relations committee will meet Tuesday to determine whether any action this week on the proposal is possible.

The end of filibustering in both the Senate and House is not yet in sight, as there is a prospect of obstruction of several measures yet to be brought forth, including the "truth-in-fabric" bill in the Senate.

Principal efforts this week are expected to be in behalf of the government employes' salary reclassification and the foreign service reorganization bills in addition to the farm credits and deficiency appropriation measures. The most serious tie-up in conference is threatened for the rural credits legislation, because of the action of the House banking committee in bringing forth a bill combing one House and two Senate bills.

Several reports on past investigations will be submitted before sine die adjournment next Sunday by investigating committees, including, that on the Senate inquiry into the oil and gas industry, on which another brief hearing will be held tomorrow.

HOPEFUL OF PERSUADING AMERICA TO ASSIST IN THE REBUILDING FACTORIES

Rome, Feb. 26.—Elbert Gary, chairman of the Board of United States Steel Corporation, conferred with Premier Mussolini regarding the possible participation of American Capital in the economic reconstruction of Italy. Mussolini is hopeful of persuading Americans to assist in rebuilding factories for foreign trade.

Monday, February 26th, 1923

There is such a thing as hearing too much about one thing. This is certainly true of the ship subsidy. The more the people heard about it the less they thought of it. The filibuster succeeded all right. What a pity it did not come sooner.

Although few in number, the Democrats in both the House and Senate, in Washington, are making noise enough to be heard. When we consider the wonderful work they have accomplished we can't help but wonder what would happen were they stronger. They are a loyal band and true to a trust.

No one loves taxes. They are almost friendless, but there are two things which every man must do sooner or later—pay taxes and die. Of course, the poor think that the rich ought to pay the taxes and the rich want to get out as light as possible. Regardless of how each man feels, one thing is certain—the taxmakers can be no respecters of persons. Every man should pay according to his ability.

The Ku Klux Klan claim that some of the crimes committed and attributed to them are done by other people, still they want to continue wearing their masks. If their actions are fight and above board they should come out in the open and let the public know that they are not afraid of the light. It is a strange organization and regardless of what they do there are people who think a law should be enforced against men who take the law in their own hands.

It is gratifying to know that the Mother's Aid Bill, carrying with it an appropriation of \$500,000 has passed the House and upon ratification will become a law. Senator Parker sounded a great truth when he stated that the appropriation would build six thousand paths from infancy to good citizenship. No love is equal to a mother's love and she should be given every aid possible in bringing up her children.

Two heads are always better than one. Now that the Kiwanis Club, whose motto is "we build," has joined with Rotary, whose motto is "served above self," in the hospital movement, people of this county can rest assured that something worthwhile will be accomplished. These two organizations have the best of the community at heart and are always anxious and ready to help in any undertaking that will help make the county a better place in which to live.

FOOD FOR THOUGHT

When we consider the fact that nearly \$1,000,000 copies went to the altar last year in the United States to be joined together, "until death do you part," and then consider that 125,000 couples came out of the divorce courts freed of their matrimonial bonds, we certainly have food for thought. This is a disgraceful situation. Marriage is founded on the teachings of the Bible. The vows are some of the most sacred taken, and still the laws of man regard them so lightly that it is no common occurrence to hear of from five to seven

tion of the nation and when it is wrecked the entire country will suffer. Conditions have reached the point where decent society should condemn such actions and something should be done to stop this terrible wave which is carrying the American nation to its destruction. Laws of man should not prevail against laws of God.

GREENVILLE HONORED

Greenville is indeed honored in having one of her leading physicians, Dr. C. O'H. Laughinghouse, elected to head the Tri-Medical Association, and Mr. W. H. Woolard, elected president of group two of State Bankers. Two men better fitted for the positions could not have been selected. Dr. Laughinghouse has served as president of the North Carolina Medical Society, and is very popular throughout the State. Mr. Woolard is a splendid banker and his services as cashier of the Greenville Banking & Trust Company have been most efficient. These two will fill the honored places most creditably and every success is predicted for their endeavors in greater fields of service.

A TIMELY WARNING

Pitt County Farmers should heed the advice of the Tobacco Board of Trade in combating the tobacco beetle which is destined to play such a disastrous work unless it is destroyed. The pack houses should be given a thorough cleaning. The insects breed from accumulations of trash tobacco, dust, etc., which is found in the crevices and cracks of any place where tobacco has been handled. By removing this trash the eggs can be destroyed. Tobacco infested with the beetle is greatly depreciated in value and it is in the interest of the farmers and their crops that the Tobacco Board of Trade is giving its time and attention. It is timely advice and should be given every consideration.

APPROPRIATION FOR COLLEGE.

It is indeed gratifying to know that Senator Everett is going to make an effort to have the appropriation of the Eastern Carolina Teachers College increased from \$700,000 to \$1,000,000. The money is needed and needed badly. The school is accomplishing great things for the teachers of the state through whom the children are being benefited and unless the appropriation is increased the work of the college will be greatly handicapped. For twelve years the influence of this institution has been felt throughout the country and its results have been far reaching. Unless teachers are trained they can not make as successful teachers as they otherwise could. A great essential, education, is at stake and the State should see to it that this school which is the only one of its kind in the state, receive every consideration. Perhaps never before has any college accomplished so much in such a short period. Its teachers, throughout this state and adjoining states, are doing a splendid work and they are proving to be the school's greatest advertisements. In order for the good work to continue and grow better with each succeeding year, the necessary money must be furnished. The wheels of education must be kept turning if the state is to occupy the niche which it so surely deserves. It is to be hoped that the appropriation

MRS. W. E. HOOKER CONDUCTS Y. W. C. A. SERVICES COLLEGE

Speaks on Topic, "The Call to Service," and Told of the Privilege of Service

On Sunday evening a large number of the college girls attended Y. W. C. A. services which were conducted by Mrs. W. E. Hooker. It was interesting to the girls to know that Mrs. Hooker was one of the first advisory members of the Y. W. C. A. in the institution and conducted the first Thanksgiving service held in it. Mrs. Hooker read from the Scriptures the 2nd chapter of James which deals with the subject of faith and work. Her topic was "The Call to Service."

The speaker developed this topic by first talking about the privilege of service. A number of illustrations were given to show that it is a privilege to live in an age when it is easy to give one's best in the master's service.

Then Mrs. Hooker accused the call to service. Here she quoted from John 15:16 "Ye have not chosen me; I have chosen you, and ordained you, that ye should go and bring forth fruit." In this connection Mrs. Hooker told of a very interesting incident in which she answered a call from the Master. The result was that a poor sinful woman was led to Christ, and she lived over a year happy in the knowledge that she had found peace. Mrs. Hooker said the opportunity thus given to her for service had been a rich blessing in her own life.

The special music for the evening was a beautiful piano solo by Mabel Thomas.

Hand Badly Burned.
Miss Nina Mayo had her hand severely burned Saturday afternoon when it was caught in the popcorn machine in front of the Young Mercantile Company. While the injuries are of a painful nature they are not likely to prove serious.

MCADAMS PARTY TO SPEND ANOTHER MONTH IN THIS CITY

"Wild Oats" Subject Tonight; Prayer Meeting Tuesday in Five and Ten Cent Store

Yesterday was a great day in the revival, the early prayer meeting was good and a number present and at 11 o'clock Mr. and Mrs. McAdams went out to visit the Black Jack Church and here was an unusual meeting, four were saved in the service and a large crowd present. They came back in the afternoon and another splendid service was held at the court house and two more accepted Christ in this service and again "wild oats" another gave up sin. The crowds were large at both services. The McAdams will be in Greenville another month and the exact date will be given a few days later. They expect the last to be the best. Subject tonight will be "Wild Oats."

Tuesday morning at 10 o'clock, there will be a prayer meeting at the Five and Ten Cent Store on Evans street.

The day afternoon at 3 o'clock, Mrs. G. E. W. Hadley 306 Evans street; Mrs. Conway, Reed street.

CAT AND THE CANARY TO BE PRESENTED HERE ON MARCH 6TH

Just Passed Its Two-Hundredth Performance in New York City

Pretty soon "The Cat and the Canary," like Alexander, will be sighing for other worlds to conquer. Scarcely had the ink dried on contracts for the presentation of John Willard's famous mystery play in London and Australia when T. Daniel Frawley secured from Kilbourn Gordon, Inc., the rights to produce it in India, China, Japan, the Strait Settlements and other Far Eastern art centres, for which Mr. Frawley starts in a few days. This contract provides only for the English-speaking rights as Mr. Gordon has under consideration offers for the production of the play in the native tongues of these countries.

"The Cat and the Canary" has just passed its two hundredth performance at the National Theatre, New York City, and will be seen here at White's Theatre, next Tuesday, March 6th.

NEIGHBORHOOD GET-TO-GETHER MEETING HELD IN EPISCOPAL RECTORY THURSDAY, FEB. 22ND

It was an enthusiastic group of loyal church women from Winterville, Farmville and Greenville that met in St. Paul's rectory Thursday, February 22nd to discuss in an informal way the little problems of our churches and church schools that we have been unable to solve alone.

The meeting was held as a result of a suggestion made by Mrs. B. E. Cox at the last Convocation that the women of the different districts of the diocese get together and learn to know each other better and be of service to each other. In this district are included Winterville, Griffon, Farmville, Ayden and Greenville. Griffon and Ayden were unable to send representatives to this meeting, but promise that they will have a large delegation at the next meeting to be held in Ayden sometime in April.

Mrs. R. Williams, president of the Convocation of Edenton, presided and after extending a gracious welcome to the guest explained some of the things that have been misunderstood by the women's societies, such as the yearly reports, box work and United Thank Offering note boxes.

All of the organizations represented were called on to give an account of the work they are doing and responded in such a way as to let everybody know that they are really alive and being of service to the church.

Mrs. J. D. Cox, of Winterville, suggested as a suitable motto for the neighborhood meetings 2 Timothy 2:15 Study to show thyself approved unto God a workman that needeth not to be ashamed, rightly dividing the word of truth.

The following officers were elected: Mrs. B. T. Cox, of Winterville, president; Mrs. G. A. Jones, Farmville, vice-president; Mrs. E. B. Ficklen, Greenville, secretary; Miss Pattie Wooten, Greenville, reporter.

Every person present brought a lunch and these were put together and enjoyed in picnic style. The picnic idea was carried out in order that the meetings may not be an expense to any of the towns entertaining.

The next meeting in Ayden promises to be an interesting and helpful one and it is hoped that all the women of the district who can will take advantage of the opportunity of being present.

SCOTLAND NECK WILL PLAY LOCAL BASKET BALL TEAM HERE ON TOMORROW NIGHT

The Greenville High School basket ball team will play their twelfth game of the season on tomorrow night with Scotland Neck on the local court. Out of a total of eleven games played this year the local boys have won seven, and these victories were taken from teams considered as strong as any of the eastern part of the state.

Although Greenville has been eliminated for the championship race they expect to continue this season until their schedule is completed which includes several contests yet to be played, which are bound to prove close and interesting. The Scotland Neck five have made a rather good record so far this season, and it is expected that Greenville will have to stay on their toes tomorrow night.

The game will be played at Forbes and Morton's Warehouse beginning promptly at 8 o'clock. Admission will be 25 and 35 cents.

SECOND BASKET BALL TEAM DEFEATED TARBORO IN FAST CONTEST ON SATURDAY NIGHT

The second basket ball team of the Greenville High School motored to Tarboro Saturday night where they engaged a quint of that school in a fast interesting game. The locals winning 28 to 13. Tarboro was held to one point in the first half, and Greenville's third team went into finish, but their opponents began to score at such a rapid rate of speed that the local coach thought it advisable to put the second string men back, which he did, and the game ended as above stated. Several of the locals did some pretty work at shooting the goal from the field, but "Dug" West was the outstanding star in this respect.

The Tarboro team will give the locals a return game here on Saturday night of this week.

GIRLS BASKET BALL FIVE ARE HUMBLING IN TARBORO

The girls basket ball team of the local school suffered another defeat on Saturday night, when they were humbled by Tarboro by the overwhelming score of 32 to 4. The old "jinx" has certainly followed the Greenville girls this season, as they have lost every game in which they have participated. There is excellent basket ball material among the girls and they should have made a better showing.

MR. ALONZO TRIPP KNOCKED DOWN BY AUTOMOBILE

Saturday evening about seven o'clock as Mr. Jennings Ragsdale was nearing Five Points, in his automobile, Mr. Alonzo Tripp, who lives a few miles from Greenville, stepped from the running board of another car directly in front of Mr. Ragsdale's car and was knocked to the pavement. He was carried to the doctor's office immediately and upon examination it was found that he was not seriously injured.

LEGISLATURE STILL HAS LARGE PART OF WORK BEFORE IT

(Continued from page 1)

done with the Giles farm loan bill in both Houses.

When the House adjourned at 2 o'clock Saturday the Speaker had signed and ratified 397 of the 1,232 bills that have been offered in the present session. Approximately 250 measures have been killed in committee, or have been tabled, and remaining 600 bills are somewhere in committee or on the calendar awaiting disposition. The large proportion of them are local bills, but if no opposition were developed, it would take the House machinery working at capacity ten hours to dispose of the lot of them.

Sixty hours will not suffice to clear the calendars, and that is about the utmost of the capacity of either House to remain in session during the week. The clerical details must be attended, and altogether it appears probable that a considerable stack of bills that have been introduced during the past seven weeks will die where they are, and the laws of the Session of 1923 will be so much the thinner therefor.
