THEY ARE ON THE HOME STRETCH NOW IN SUBSCRIPTION RACE AND RUNNING STRONG; ALL CAN HELP PICK WINNERS

Question of Who's Who in List of Campaigners at the Close Depends On Efforts of Each and Loyalty of Friends

TIME IS GETTING VERY SHORT NOW

Those Who Fail to "Kick In" With Subscriptions May Learn Later That Would Mean First Place for Their Friend in Race

They are on the home stretch now—and running strong. This is the last week of The Daily Reflector's great subscription campaign, and on next Saturday night one of the live-wire workers in the drive will be awarded an Oldsmobile, while another, whose friends have not been quite so enthusiastic in her support, will receive a Star touring car.

The great question of who will be in this list depends entirely upon the efforts each will make during the closing days of the race, and the support given each by their friends.

It is human nature to love a winner and in this race every single man and woman in the territory can have a hand in picking the one that will pass under the wire first.

Time is getting short and the campaigner whose friends show the most interest will be the one to own the Oldsmobile when the campaign closes with the last stroke of the court house clock when it strikes eight times next Saturday night.

Yes, the race is just that close—a campaigner that is now far behind can be rallying her friends to her support from now until the close succeed in overcoming those ahead and win first prize.

ONE MAN KILLED SEVERAL INJURED IN AUTO WRECK

Seven Are Also Injured When Packard and Ford Collide in Raleigh

Raleigh, April 2.—(By Associated Press.)—William Naylor, son of Mr. and Mrs. C. L. Naylor, is dead, Robert Chappell, son of Mr. and Mrs. Ed. Chappell, is probably fatally injured, and six others are more or less seriously injured as the result of a collision between a heavy Packard touring car and a light Ford roadster at the intersection of Hillsboro street and West Park Drive at 1 o'clock this morning.

The injured are: Bill Bethune, Clinton, State College student, driver of Packard, injured slightly.

Kenneth Younger, Jr., 518 East Lane street, Raleigh, bruised.

Ben Williams, Raleigh, son of S. W. Williams, 618 Hillsboro street, injuries serious.

Herbert Conrad, Raleigh, son of Constable R. J. Conrad, injuries serious.

Bud Rankin, State College, from Mooresville, N. C., injuries slight. Carried to infirmary.

J. L. Robertson, Jr., State College home in Portsmouth, Va., injuries slight.

The smash occurred when the Packard, driven by Bethune and headed west on Hillsboro street crashed into a light Ford driven by Chappell as he emerged from Park drive into Hillsboro. The Packard was moving at a rate of 60 miles an hour, witnesses declare. It caught the Ford fair amidship.

Evidently the brakes on the Packard were applied an instant before the crash. It veered to the left, turned over and over, landing bottom upwards 75 feet out Hillsboro street beyond the point of the smash. The Ford was utterly demolished, every wheel being torn from the chassis, and the thing left a crumpled pile of junk in the middle of the street.

Naylor was riding on the rear seat of the Packard. He was thrown clear of the wreck, and was picked up 20 feet beyond. He was dead when help reached, the scene a moment later. All passengers in the car were thrown clear of the wreck. The Packard is smashed badly, the top lying some distance away. Kenneth Younger, who was sitting beside Naylor on the rear seat of the Packard, was practically unhurt.

Chappell was riding alone in the Ford roadster. How he escaped being ground to pieces in the smash and killed instantly none is able to explain. The Ford is described by the police veteran, Captain Nat Warren, who has attended many wrecks, as being the worst smashed automobile he has ever seen. There was scarcely enough of it left to gather up the fragments. The Packard was not damaged beyond repair, although it must have rolled over a dozen times.

Mr. J. A. Applewhite has returned from Park-View Hospital, Rocky Mount, where he recently underwent an operation for appendicitis.

A WOMAN NEWEST FIGURE IN MURDER DOROTHY KEENAN

Police Have Been Trailing Sweetheart of Man Under Suspicion

New York, April 2.—A woman now is the newest central figure in the police pursuit of clues to the solution of the mysterious murder of Dorothy Keenan who was chloroformed to death twenty days ago. It was learned today that the police for some time have been trailing the sweetheart of the man who has been under suspicion chiefly because he has been unable to account for his actions between midnight preceding the murder and eight o'clock next morning.

ERA OF PROSPERITY IS PREDICTED FOR NATION BY DAVIS

Secretary of Labor Says With Ordinary Caution Country Should Have Prosperity

Washington, April 2.—(By Associated Press.)—In a comparison of present industrial conditions with those which existed on April 1 a year ago, Secretary of Labor Davis predicted today that with the exercise of ordinary caution the country should "have a continued period of substantial prosperity that will put behind us the whole era of depression which followed the war."

The Secretary also predicted that with the accumulation of coal stocks during the coming summer there would not only be an abundant coal supply for all needs next fall and winter, but a "more normal" market price as compared with the past winter.

"Outside of the coal industry," the statement continued, "pessimism rather than optimism prevailed in the other basic industries one year ago today.

"Prior to that time the unemployed had numbered, approximately, five million; today that number is reduced to normal.

"One year ago the steel industry unfilled order tonnage was less than four million tons; today it is nearly eight million tons. The former is the sign of dull business, while the latter means full steam ahead."

"The copper industry on April 1, 1922, was almost down and out, as most of the mines, mills and smelters were idle due to unsold stocks and poor markets; today stocks have been depleted and production is fast approaching the best records of the war period.

The same is largely true of the textile and allied industries. April 1, 1922, found overloaded shelves with unsold goods and strikes brewing which finally involved over 80,000 workers before the summer was over. Today, empty shelves, plenty of work, no strikes and both employer and employes sharing in the general prosperity.

"Despite the threat of industrial depression there has been but little reduction of the general wage level throughout the industry, and today the trend of wage scales is upward. During the past four months wage increases have been reported in practically all of the 43 industries covered by the bureau of labor statistics. These increases have been general, especially in the iron and steel industry, foundries and machine shops, saw mills, furniture, leather and paper and pulp establishments.

DAVIS SAYS PRESIDENT NOT BOTHERING OVER POLITICS OF 1924

Boston, April 2.—(By Associated Press.)—President Harding is "not bothering his head over-much about the politics of 1924," Secretary Davis told the Woman's Republican Club, of Boston, in a speech. "He is spending his time working for people of the United States today, tomorrow and a hundred years from now."

REVIVAL SERVICES COMES TO CLOSE AT TEACHERS COLLEGE

Services Were Well Attended and Great Interest Was Manifested

The series of revival services at East Carolina Teachers College closed Saturday night. These services were under the auspices of the Y. W. C. A.

Mr. Smith of Memorial Baptist church conducted the service on Thursday night. Mr. Smith's sermon had a two fold purpose, that of leading the unsaved girls to Christ and that of deepening the spiritual life of professing christians. He mentioned those things which are not to be depended upon for salvation, knowledge of the Bible, a good moral life, a set form of devotion, honest convictions, good intentions. In contrast with these, he outlined the simple plan of salvation; sorrow for sin, faith in atoning blood of Jesus to cleanse one from sin, repentance or turning away from sin, and public confession of Jesus Christ as a personal Saviour.

Friday night, Mr. Scoville of the Methodist church conducted the service. His subject was, "What shall I do then with Jesus?" After a very impressive account of the trial and crucifixion of Christ, he made a very personal application of the lesson. Our sins have thrust Christ upon the hands of each one of us, and each of us has to answer for himself the question asked by Pilate. We must open our hearts and take Christ in or we crucify Him anew.

On Saturday night Dr. Shamhart conducted the service. His subject was, "The Messages from the Cross." He made very vivid Christ continued love for others, even in the hour of such awful agony. The agency on the cross was revealed with great power, and also the beauty and joy of the Easter Dawn was presented in contrast.

The services were well attended and great interest was manifested in them. Each night an invitation was extended to the unsaved and several of them openly accepted Christ as their Saviour.

The Y. W. C. A. wishes to thank each and all of the ministers who made these services possible and who gave so freely of their time and help.

ARMED MEN HOLD UP AND ROB MAIL TRUCK IN ST. LOUIS

After Taking Nine Pouches of Mail They Lock Driver in Cage on Truck

St. Louis, April 2.—(By Associated Press.)—Five or six men armed with sawed off shotguns held up a mail truck in the business section and took a quantity of mail including nine pouches of registered mail, locked the driver and messenger in the cage of the truck and escaped. The truck was on its way from the main post office to the sub station. Post office inspectors said they would be unable to estimate the value of stolen pouches until the check had been made. It was said there was no big bank mail in the loot.

WOMAN OPENS ANNUAL CONVENTION OF VIRGINIA FEDERATION OF LABOR

Danville, Va., April 2.—(By Associated Press.)—For the first time in history a woman Miss Maggie Watt, member of a garment workers union, opened the annual convention of Virginia Federation of Labor which convened with delegates from all sections of the State in attendance. The first two days of the meeting will be devoted to promoting the constructive program mapped out at the last convention. Resolutions endorsing the co-operative marketing association will be introduced.

GREENVILLE WILL SOON HAVE FIFTH BOTTLING PLANT

Two Gentlemen of Statesville Move Here to Open on Ninth Street New Enterprise

Greenville is soon to have its fifth bottling plant according to information furnished today by Messrs. L. L. and M. O. Minges, of Statesville, N. C., who have moved to this city to open an enterprise which will be known as the Orange Crush Bottling Company.

The machinery to be used will be new and modern in every respect, of the most sanitary type, and when installed it will represent an expenditure of about eighteen thousand dollars which probably gives the new concern one of the largest plants in this part of the State. The company will feature the manufacture of Ward's pure fruit drinks such as Orange, Lemon and Lime Crush, and will also bottle a majority of the regular soft drinks. The new company will occupy a building on Ninth street opposite the Farmers Warehouse, and according to Messrs. Minges plans they will open about May 1st.

During the short while that Ward's pure fruit drinks have been introduced in this section by distributors they have become among the most popular of the soft drink variety, and with the establishment here of the manufacture of these goods they will soon enjoy as much business as that of any other local dealers products.

WOMAN LEADING CAMPAIGN AGAINST OHIO BOOTLEGGERS

Is Said to be Using Radio and Telephone in Tipping Police in Marion

Marion, Ohio, April 2.—(By Associated Press.)—A mysterious woman who is said to be using both telephone and radio to tip off local authorities is reported to be leading the campaign to rid President Harding's home town of bootleggers. The police deny the existence of such a worker but a big raid said to have been tipped off by a woman has already been made and illegal liquor peddlers are reported to be fleeing from Marion.

MR. COLVIN BROWN DELIVERS ADDRESS TUESDAY EVENING

Will Speak on Interesting Topic at Chamber of Commerce Banquet

During the past year Colvin B. Brown, of the Chamber of Commerce of the United States, visited 100 Chambers of Commerce in thirty states to confer and advise them concerning their problems or to address their memberships on the local organization's place in the National business program.

Concerning Mr. Brown's visit to Michigan City, Indiana, the Chamber of Commerce of that place says: "Words cannot convey our appreciation. It awakened in the minds of our people a civic consciousness concerning our part in the building of a better and greater nation." The Benton Harbor, Michigan, Chamber of Commerce says: "It was the greatest talk we have heard in years, and filled the audience with a spirit that will help build our Chamber of Commerce and make for the better growth of our community." The Chamber of Commerce at Flint, Michigan, says: "To say that he made a deep impression is putting it mildly. It should be a source of great satisfaction to him to know that he has served our city and state in a very practical, permanent manner," and the Chamber of Commerce at Wilkes-Barre, Pa. says: "We have never held a meeting that brought forth so many expressions of commendation from our business men."

Mr. Brown heads a Bureau in the National Chamber that is devoted entirely to helping local Chambers and trade associations solve their organization problems. For years he has been engaged in extensive research in this field and the accumulated and accumulating information is placed at the disposal of organizations by letter, circular, pamphlet and the spoken word. It is to the Organization Service Bureau that Chambers of Commerce look for council and help in the conduct of their work.

PLANS NOW BEING COMPLETED SUNDAY SCHOOL CONVENTION

Will be Held in Winston-Salem for Three Days Beginning April 10th

"We want you and expect you to come, and you will receive a real Winston-Salem welcome to the State Sunday school convention Tuesday, Wednesday and Thursday, April 10-11-12," is the announcement being sent to Sunday school workers over the State by the Winston-Salem committee on arrangements. This committee is composed of twelve of Winston-Salem's prominent Christian business men, with Mr. Chas. M. Norfleet as chairman.

Plans are being completed and programs are being sent out for the convention, and according to the report of D. W. Sims, general superintendent of the State Sunday School Association, a large and representative attendance of Sunday school workers from many parts of the State is expected.

"In arranging the program for the convention," said Mr. Sims, "the committee kept in mind Sunday schools of every class and condition. Workers from all Sunday schools, city, town, village and country; and from schools of all sizes, large, medium, small; and from schools with good buildings and equipment, and the one-room school with no equipment at all, will find something helpful at the convention."

Wednesday and Thursday afternoons, April 11th and 12th, will be given over to conferences on different departments of the Sunday school. Conferences for workers with children under twelve years of age will be in charge of Miss Wilhelmina Stooker, Professor in the School of Religious Education, Auburn Theological Seminary Auburn, N. Y., conferences for workers with young people between twelve and twenty-four years, will be under the direction of Mr. E. R. Stanford, Nashville, Tenn., superintendent of intermediate-senior work for the Southern Methodist Sunday school board; mns-tneordw emfwy emfwyp p pp Adult Bible class workers will be lead in two conferences by Dr. E. Leroy Dakin, Brooklyn, N. Y., pastor of the Baptist Temple, and chairman adult committee, International Sunday School Council of Religious Education.

On Thursday afternoon, April 12th, it has been planned to have a "one-room school" session, in which all subjects discussed will deal with the problems of the one-room Sunday school. Some of the most capable Sunday school workers of the State will help with this session.

Plans are being completed for a parade of members of Men's Bible classes and other Sunday School men of Winston-Salem, and all men delegates to the State convention, on Thursday night, April 12th, at 7:15 o'clock. It is expected that about two thousand men will be in the parade. A special feature of the closing session of the convention on Thursday night, April 12th, will be a "Song Festival of the Twelve Months," given by about two hundred children from various Sunday schools in Winston-Salem.

Each Sunday school in the State is requested to send three delegates, besides pastor and superintendent, to the convention. However, the delegation is not strictly limited, and it has been announced that as many as go will be welcome. All pastors, Sunday school superintendents, and officers of county and township Sunday school associations, are delegates by virtue of office. Delegates will have free entertainment for lodging and breakfast in private homes in Winston-Salem.

Mr. W. S. Tyson, of Westfield, Texas, arrived last night to be at the bedside of his sister, Mrs. E. M. Williams who is quite sick at her home on Fourth street.

THE FINEST CLIMATE ON EARTH

Press dispatches last week telling of the flooding of lowlands in three states as a result of an ice jam in the Missouri river and of a blizzard that was raging in Michigan when considered in comparison with the lovely spring weather then prevailing in this part of the country but prove that we have the finest climate in the world.

We forecast the mean temperature here will compare favorably with that of Florida and California, with just enough additional "pep" in the bracing breezes to make the weather more delightful here.

Those who spend their winters in Florida could save the extra carriage necessary to reach the southern peninsula by stopping over in Eastern North Carolina, and we are quite sure, enjoy themselves more and spend their winters in a more healthful and stimulating climate, with just zest to action and invigorate life and sufficient coldness in the winds to add pleasure.

We often sympathize with the poor misguided, unfortunated human beings who spend their lives in the cold north without knowing that such a God-blessed climate as we enjoy is theirs if they will but come here to live. We think something ought to be done about it; that we who are so blessed should arrange to let the world know we have the finest climate in the world out of appreciation of the enjoyment we derive from it—if for no other reason.

It's a beautiful location that has been selected for the Country Club, and it goes without saying that the institution will live up to the place.

Kinston and Greenville are calling on the other towns of Eastern North Carolina for the benefit of baseball this summer, and the spirit of the call is "come in; the water's fine."

Now that Lent is over and the Easter finery is bought all that remains is to pay for it.

That secret room and false partition didn't save that hooch when the police got down after it in earnest. The only safe way to handle booze these days is to let it alone.

That murder mystery in New York is about as clear as mud and getting clearer in the game way all the time.

The President's official family appears to be about as peaceful as the Irish.

CROWDER GAINS 20 LBS. USING TANLAC

Declares He Would Not Take \$1000 for Good Medicine Did Him

"For twenty-five years," said D. F. Crowder, a well-known merchant, of Lawdale N. C., "I suffered from the worst sort of stomach trouble and go so run-down, nervous and worn-out I thought I would never get well. My appetite was completely gone. I was sick at the stomach much of the time and nearly everything I would eat hurt me. I finally got so weak I could hardly get around and life was a burden to me. I had lost faith in all medicines, but I am thankful a thousand times over that I gave Tanlac a trial. I felt my strength returning by the time I had finished the first bottle, for I could pick up a two bushel sack of anything and walk right off with it. So I kept taking Tanlac and getting better and have gained twenty pounds. Now all my stomach trouble is gone, my nerves are steady as a clock, my appetite fine and I am brimful of new life and energy. I would not take a thousand dollars for the good Tanlac has done me. It is impossible for me to recommend it too highly, for it has made a new man of me."

Tanlac is for sale by all good druggists. Accept no substitute. Over 37-million bottles sold.

BE KIND TO ANIMALS WEEK WILL HAVE WIDE SUPPORT

Chicago, April 2.—(By Associated Press.)—A drive that is to take in every state in the Union has been started by the American Humane Society for the general observance of "Be Kind to Animals Week," April 9 to 16, according to an announcement by the Illinois Humane Society.

The plans include special proclamations to be issued by the governors of various states, mayor of cities and other public officials; addresses to be delivered from all of the more powerful radio stations, before business men's clubs, women's clubs at schools and in public meetings, display of banners and placards in stores, on buildings and wagons with the words "Be Kind to Animals" prominently displayed; membership drives in local association, and special exercises in

all schools and Boy and Girl Scout organizations.

The drive will conclude with the observance of Humane Sunday on April 15 when sermons will be delivered in churches of all creeds, the movement having been endorsed by the committee of the Federal Council of Churches of Christ in America, the general conference of the Episcopal church, the northern Baptist convention, the general assembly of the Presbyterian church and the Methodist conferences.

BEAUTY PARLOR METHODISTS PERVADE CHICAGO STABLES

Chicago, April 2.—(By Associated Press.)—The seductive, soothing murmur of the vacuum cleaner which draws the dust and dandruff from the heads of fair women in beauty parlors is now heard in the stables where the best of Chicago's horses are kept. The golden sheen on Milady's hair as

"SEVEN JUDGMENTS" WILL BE THE SUBJECT TONIGHT

The services at the tent were splendid all day yesterday. The early prayer meeting was glorious. The afternoon service was on Greenville before the judgment. No one was spared. All were brought before the judgment seat and left for the Lord to judge. The kindness of Brother Seoville in taking the free will offering or at least presenting the matter to the congregation and the splendid talk he made concerning the work of the McAdams party was very much appreciated by Mr. and Mrs. McAdams and all the party. He didn't like for any thing to say. He said he had watched them for nearly five months and found them to be sinners and true gospel preachers in every way. God bless Brother Seoville, he is one of God's volunteers. The message Sunday night was to young ladies and two came for prayer. One was converted. The subject tonight will be: "Seven Judgments." Tuesday night subject will be: "Six Modern Devils." Wednesday night sermon will be "To Young Men." Thursday night "The Sinner's Last Call." Thursday night will be the last night of the meeting instead of Friday. All are invited to come every night this week.

NEIL O'BRIEN'S MINSTRELS HERE TOMORROW NIGHT

The entertainment to be furnished by Neil O'Brien's Minstrels this season will be rather unique in the history of burnt-cork performances. The O'Brien company is to be here at White's Theatre on Tuesday, April 3rd and when the curtain goes up on the "first part" it will disclose a new and elaborate scenic display, something quite out of the ordinary.

It is in the Ohio however that the real surprises will be on view. It starts off with a one-act sketch written by O'Brien himself called "Rufus in the Lion's Den" a screamingly funny farce in which the principal characters will be played by Frank (Cracker) Quinn and Allan Karle.

Next will come "In Days of Old" a refined song and dance number in which there is an artistic blending of the airs of long ago, such as "Silver Threads Among the Golds," "When You and I Were Young," "Aunt Dinah's Quilting Party" and others that will be remembered by the old timers.

Following this will be another sketch by O'Brien bearing a most significant title "Put and Take, Bankers" which will describe the workings and cleverness of a Darkey Capitalist when he wants to extract money from his followers.

Jay Clay, the monologist, will occupy the third place on the program and will discourse on burning topics of the day in his own unique manner.

"The piece de resistance" and the one which will bring the performance to a close is a playlet in three scenes written by Artemus Callaway called "A Certain Party" and is described as a mixture of mystery and uncertainty.

The comedies in the company this season include Jay Clay Jack (Smoke) Gray, Frank (Cracker) Quinn, Fred Miller, Stephen Ondeck, Jack Overholt and Allan Karle. The singers are J. Lester Haberkorn, W. F. Elliott, Henri Martin, Hugo Angelo, Dan Marshall, Charles Wright, Jack Hillbrook, Richard Flournary, Perry Rogers, Jimmy Johnson, Edward Owens and William McFee.

REMAKING SHOES

is frequently our business as much as repairing. Often we are called upon to rebuild a pair of shoes—virtually to make them over. We are as skilled in this branch as in the resoling, reheeling, etc., of old shoes. We have the machinery and materials to do as good a job as the shoe factory.
