DANIEL S. TUTTLE NOTED CLERGYMAN DIED YESTERDAY

He Was the Oldest Active Anglican Bishop in the World

St. Louis, April 18.—(By Associated Press.)—Messages of condolence from the clergy and laity in all parts of the world are pouring into the residence here of Right Reverend Daniel Sylvester Tuttle, presiding Bishop of the Protestant Episcopal Church in America, who died yesterday afternoon after a lingering illness induced by Lagrippe. The funeral services on Friday afternoon, at Christ Church will be simple in compliance with the prelate's request.

Daniel Sylvester Tuttle, presiding Bishop of the Protestant Episcopal Church in America, was the oldest active Anglican Bishop in the world. Born in Windham, N. Y., Jan. 26, 1837, he was the son of a blacksmith.

A Bishop since 1867, and head of the Missouri diocese since 1886, Daniel Tuttle received his elementary education in the rural schools about Windham and paid his way through Columbia University by tutoring sons of wealthy men of New York and was graduated from the General Theological Seminary, New York in 1862.

Four years later the young divine was elected the first missionary bishop of Utah, Montana and Idaho. Only 29 years old at the time, he had to wait one year before being consecrated, as an ecclesiastical law makes 30 years the minimum age for a bishop.

For nearly 20 years, the Bishop carried on the work in the west, and was considered one of the great figures in the pioneer life of that section. Over six feet tall, broad-shouldered and with a resounding voice, he was an example of stalwart Christianity.

Bishop Tuttle did much traveling, even in his declining years, going to many sections of the country to consecrate bishops. In his 84th year he consecrated his 84th bishop—the Rt. Rev. Frederick Ingley—at Denver.

In April, 1869, when fire threatened to destroy Helena, Mont., there were three leaders who fought the flames, organized bucket brigades, held in check the lawless and for five hours did heroic work. They were "Bitter Root Bill," a notorious desperado; "Gentle Joe," prominent gambler and Bishop Tuttle.

In May, 1921, Bishop Tuttle made a journey retracing his first trip west 54 years before.

On one occasion, while commenting on the changes he observed since his ordination in 1862, Bishop Tuttle said:

"Since my ordination, of course, great changes have come. Vigorous states have organized themselves out of the old 'Great American Desert.' In the Halls of congress now are not a few leaders from the old 'Desert,'—Utah and Nevada, New Mexico, Colorado and Oklahoma.

"Religion helped to found the union. Religion helped to keep the union safe and sweet."

Bishop Tuttle was a well-known and beloved figure in St. Louis and on his latter birthdays the entire city joined in congratulations to the aged churchman. Even in his declining years, the venerable prelate preached every Christmas, Easter and Decoration Day at Christ Church Cathedral.

A man of the greatest simplicity and kindness, it was not unusual to see the Bishop stop and chat with a tattered-garmented newsboy.

He spent the majority of his summers in recent years at Wequottung, Mich., and his principal exercise was long walks and wood splitting. His habitual gait would have taxed the powers of many a younger man.

A co-adjutor bishop to assist Bishop Tuttle in the Missouri diocese was elected in 1905. Bishop Tuttle married Miss Harriet M. Foote, of Morris, N. Y., in 1865. She died in 1901. They had two children.

Priest Shoots Down His Rector

Rev. Father C. J. Dillon Rev. Father H. O'Neill

While sitting at a supper with his rector, Rev. Father H. O'Neill, of St. Augustine's Church, in Kalamazoo, Mich., Rev. Father Charles J. Dillon fired six shots into his superior killing him instantly. Father Dillon then handed Father McCullough, who was present, a vial of holy oil and bade him administer extreme unction to his victim. Then Father Dillon went to the telephone and summoned the police, to whom he surrendered. He was tried last Monday and sentenced to life imprisonment.

CURB MARKET WILL OPEN IN THIS CITY SATURDAY, MAY 12

Ayden Will Open Its Market on May 16th and Farmville at a Later Date

(Auspices Chamber of Commerce.)
"When is the Curb Market to open?" is a question that has been asked by several during recent days. The time for the initial opening of the Curb Market in Greenville has already been set for Saturday, May 12th. The matter is being kept before the people of this section so as to thoroughly acquaint the public with the purposes, plans and date.

Ayden also decided to provide this avenue for the sale of country produce and has set Wednesday, May 16th, as their opening date.

Farmville, though she has not decided on opening date, will also join in this movement for the mutual benefit of producer and consumer.

Will the movement prove a success? Yes, if the hearty support of all classes is given. It is spoken of in the highest of terms wherever it has been given a fair trial. It, however, like a great many other movements, will not run of its own momentum.

It is gratifying that a 100 per cent vote of support has already been pledged by the different clubs and organizations. As a further means of bringing this support to bear, just to talk of this movement constantly between now and opening date would help wonderfully.

It not only becomes the duty of the business men and organizations to provide marketing facilities, but to encourage in every way possible the benefits that will accrue from the things decided upon.

"Will it be a success?" It will if the spirit of "Now is the time for all good men to come to the aid of their party" is injected.

AUTOMOBILE AND STREET CAR COLLIDE

Three Persons Are Killed and One Injured on Return From Road House

Cincinnati, April 18.—(By Associated Press.)—Roland Meyer, secretary and treasurer of the H. H. According to Miss Nebelgall, the party was returning from a road house in the suburbs when the accident happened.

BROWN PITCHES HIS TEAM TO VICTORY OVER WASHINGTON

Greenville Highs Hit Collegiate Institute Twirlers Hard and Win With Ease

Greenville High School base ball team scored its first victory of the season yesterday afternoon when they defeated the club of the Washington Collegiate Institute 12 to 5.

From the tightness with which the game started the spectators expected a close and interesting contest. The locals drew first tally, scoring in the initial frame. The visitors put one over in their half of the third which tied the count. In the fourth inning after Sparrow for the collegians had given two free passes, the Greenville boys put into practice the squeeze play which they worked to perfection and ran five safely across the home plate for a quintette of scores. They added two more in the fifth and three in the sixth. Washington got next to Brown in the sixth frame and from a total of five hits, two of which were for two bases they added four more runs to their lone tally. And this ended the run-getting for either of the teams for the remainder of the game, and the final resulted as above stated.

With the exception of the sixth inning, Brown pitched a brand of ball seldom seen in High School circles, and several times it was amusing to see how easily he would send the would-be hitter back to the bench by the knockout route when a clean bingle would probably have meant one or more runs. During the game Brown allowed but six hits and five of these came in the sixth, pitching eight innings with but one hit made off of his delivery.

Sparrow who started for Washington had a hard road to travel until he was relieved in the sixth by Satchwell, the visitors pitching ace, who held Greenville scoreless for the two and half innings to the close. The locals garnered nine hits off of the first moundman and three from the second.

The Greenville Highs for the first time this season had their eye on the old apple yesterday, and experienced little difficulty in landing safely when hitting meant runs. They also played a good game in the field and especially so is this true of Bob Forbes who caught the best seen here this season.

Friday the locals will go to Scotland Neck to meet the team of the schools of that city.

Coach Duncan is negotiating with the coach of the Carolina Freshmen with the hopes of getting them here for Saturday of this week. The college boys will play New Bern on Friday and there is a strong possibility of getting them here for the game Saturday.

EVANGELIST WILL PREACH TONIGHT ON UNIQUE SUBJECT

"When the Chickens Come Home to Roost" Will be Discussed by Rev. Dunaway

Evangelist Dunaway preached another soul-stirring sermon under the tent last night to a crowd estimated at a thousand people. The preachers theme was Christian living or the Bible Standard of Justification. He took for his text the ninth verse of the third chapter of first John: "Whoever is born of God doth not commit sin." He made it very plain from the scriptures that God does expect and require that his regenerated children live above the world and free from wilful, knowing transgression of his law. The night sermon was a continuation of one from the same text and along the same line as the one preached at the morning hour. The message was delivered with telling effect upon the hearers, and at its close a great throng of people pressed forward to take the preacher by the hand as an expression of their desire to know the Savior and to experience the salvation which he had preached.

The subject announced by the evangelist for tonight is "When the Chickens Come Home to Roost" and this unique subject will doubtless be discussed by the preacher in his usual forceful style.

On Friday afternoon immediately after school there will be held a special service for the children. All parents are urged to see that their children attend this service. Friday night will be High School night, when the boys and girls of the High School will be expected to attend in large numbers.

These special services will come to a close with three services to be held next Sunday. Special announcement as to these will be made from time to time.

DELEGATES ARRIVE IN NEW BERN FOR DRAINAGE MEET

They Were Headed by the President of the Association, Hon. John H. Small

New Bern, April 17.—Headed by the president of the association, Hon. John H. Small of Washington, and Col. Joseph Hyde Pratt, secretary-treasurer, the first contingent of delegates to the thirteenth annual convention of the North Carolina Drainage association which opens tomorrow morning arrived here tonight. Trains for the next twenty-four hours are expected to bring crowds that will tax local hotels to capacity and represent probably the largest attended convention in the history of the city.

G. Allen Ives and his committee on conventions of the chamber of commerce have wound up their arrangements for the big event and were today organizing their reception committee and planning for the social feature of the convention which is to be the banquet given the convention by the chamber of commerce Thursday at noon.

While he is not going to hold an official place on the two-days program, one of the most prominent figures at the drainage convention will be Senator F. M. Simmons. He is very greatly interested in the progress of the drainage movement, and his interest in the meetings will be more or less a personal one. Hon. Hugh McRae, capitalist and land development man, of Wilmington, who will make one of the principal addresses is expected to be the guest of the Senator.

President Small will formally open the convention at 10 o'clock tomorrow morning, and after Mayor Edward Clark has welcomed the visiting delegates it will swing into the busy program. All sessions will be held in Griffin auditorium in the city high school building.

PITT COUNTY POST AMERICAN LEGION IN SPLENDID MEET

Held Its Regular Monthly Meeting Last Night in the Rotary Club Building

The Pitt County Post of the American Legion held its regular monthly meeting last night in the Rotary Club Building in Greenville. There was a good crowd present and all enjoyed the chicken supper prepared for the occasion.

Much interest was shown in the presentation of the picture The Man Without a Country that the Legion is going to put on at White's Theatre May 14th. This picture is a wonderful production taken from the novel of the same name written by Edward Everett Hale. It is not a war picture but a classic produced by one of the large producing companies.

The American Legion realizing the lesson of Patriotism and Americanism that it teaches bought all rights to the picture and is showing it through its several posts throughout the country. It has received very much praise from the press of the towns in which it has been shown. This is the eleventh town in North Carolina in which the picture has been shown.

Coach Duncan of the High school presented to the Legion the matter of getting the University of Carolina Freshman team play the Greenville High school-base ball next Saturday. The High school Athletic Association has not received the support that it deserves from the citizens of the town and is not financially able to get this game. Twelve members of the Legion volunteered to act as guarantors for the game and arrangements for same are being made.

The matter of governmental insurance was taken up and discussed thoroughly. The Legion urges all ex-service men who have dropped their government insurance to investigate the possibilities and advantages of reinstating same on the liberal terms that the government is now offering.

A committee was appointed to arrange at an early date for a joint meeting of the American Legion and the American Legion Auxiliary. This committee is composed of members who are known for their ability and we are assured of a real lively meeting with the ladies real soon.

Other matters of business having been disposed of the meeting was adjourned after every one present had pledged his efforts towards increasing the membership and boosting the "Man Without a Country."

STILL OPERATOR IS CAPTURED IN BLACK JACK EARLY TODAY

Again the Black Jack section is brought into limelight because of the illicit manufacture of corn liquor. Shortly after the noon hour today Officers M. F. Cox, Guy Caton and Luke Mills received information to the effect that a still was then in operation on the Ed Dixon farm located near Black Jack. They lost no time in reaching the scene, and as they had been informed, there they found the still in full blast with two attendants watching the progress of the slow and steady drip of the poisonous liquid.

The operators observed the approaching officers and attempted to take flight, but due to the fact that the law was so close on them one of the crew, Walter Hardee, a negro decided that a good stand was better than a bad run and was taken into custody together with five gallons of hooch. Besides several empty barrels the officers found one and one half barrels of beer which was poured out.

The negro stated following his arrest that the white man at the still with him was Marshall Clark and the officers are now on the look out for the latter with the belief that he will be apprehended very shortly. Both the white man and the negro are employed on the farm of Mr. Elijah Mills.

Washington, April 18.—(By Associated Press.)—As a part of its inquiry into the efficiency and economy of the railroad management, the Interstate commerce commission has ordered fifty one of the largest railroads to furnish under oath responses to the questionnaire.

Covering labor conditions in their maintenance department and the general situation in regard to the fitness of their equipment. The companies were given until May 25th to reply.

INITIAL MEETING BAPTIST REVIVAL HELD LAST NIGHT

Mr. J. F. Entzinger Gave the Results of Religious Census Which Was Taken Sunday

A splendid gathering marked the initial meeting of the evangelistic campaign at Forbes & Morton's warehouse last night. An atmosphere of optimism seemed to permeate the entire audience.

Mr. J. F. Entzinger, who had charge of the service, spoke on the results of the religious census and praised the fine spirit of the several churches that was so pronounced. He also dwelt on the great opportunity and responsibility that rests with the churches as a result of the facts of this census.

A vote of thanks was unanimously accorded Messrs. S. K. Wilkerson and R. T. Burnette for the comfortable seats that had been provided, as well as for the splendid facilities for the choir.

The services came to a close promptly at 8:00, at which time a large number went to the tent to enjoy the Methodist revival.

Rev. Louis Entzinger, who will, according to a telegram, arrive during the day, will speak tonight promptly at 7:15. Another splendid audience is expected. The Sunday school workers and those interested in Sunday school work from the various churches are cordially invited.

It is desired that those coming make their plans to be at the warehouse promptly at 7:15 so as to permit a hearty co-operation with the Methodist revival.

NEGRO SENTENCED EIGHTEEN MONTHS ON COUNTY ROADS

Jerry Barnes Found Guilty of Selling Liquor Takes an Appeal to Supreme Court

The second day's session of the criminal term of Superior Court had many set backs yesterday, and as a consequence not much was accomplished in the trial of cases calendared for the day. Several defendants that were out on bond failed to put in their appearance and it was necessary for his honor, Judge Grady to order instantes capias be issued for such defendants. Then following the discharge of the jury by his honor it was necessary to draw another group and these had to be notified for their appearance here this morning. Yesterday afternoon court was in session but a short while.

The following cases have been disposed of since the mid-day recess hour on yesterday:

Isaac Wilson's case for disposing of crops without paying rents was found not to belong in this court and all papers connected with the charge were transferred to Duplin county, where it is alleged the act was committed.

E. E. Summerell through his attorney had his case for driving recklessly remanded to the county court. Will Ricks, Jr., was adjudged guilty of reckless driving with an automobile. Judgment that defendant pay to J. O. Harris whose car was damaged the sum of \$61.15 and also pay the cost attached to the action.

Sam Moore, carrying concealed weapon. State takes no pro in the case and \$75 is discharged upon payment of cost.

West Murphy, Jr., not guilty of trespass charge.

John Lewis Horn found not guilty of assault with deadly weapon.

William Clark, white, is found guilty by jury of assault with deadly weapon and is sentenced to six months in jail to be assigned to work on the county roads.

James Boone plead guilty to the charge of assault with deadly weapon. Judgment that defendant pay a fine of \$25 and the cost.

Alonzo Langley was sentenced to jail for a period of six months to be sent to the county roads after being found guilty of assault with deadly weapon.

Jerry Barnes was found guilty by a jury with having liquor for the purpose of sale and as a consequence was sentenced to the roads for a term of 18 months. Through his attorney, the defendant gave notice of appeal to Supreme Court.

Don't forget to be courteous today and in all the days to come. Politeness has never hurt anyone but has won hosts of friends.

The final count of the religious census shows that there is a great work for the church people. There are hundreds of children attending no Sunday School and numbers of parents belonging to no church. The harvest is truly plentiful and ready for the laborers.

JUDGE GRADY

Judge Grady has "fired" one jury, and it is a settled fact that he will repeat the act if necessary. He is strictly business and believes in justice. He evidently caused the twelve to put on their thinking caps when

he bitterly denounced their verdict by asking them if they thought that the liquor found by the officers dropped from the skies. Judging from the amount of "the stuff" in evidence in this section, every day, it is being made somewhere and in large quantities. If the violators of the whiskey laws are allowed to go unpunished, they just as well close the courthouse and lock the jails—because if any set of law breakers deserve punishment it is the men who make monkey rum, and Pitt County Corn, and sell it to the youth of our county, thereby destroying its manhood and bringing untold suffering to the innocent ones at home.

It is a deplorable fact that we haven't more judges like Mr. Grady. If at the close of his career, he has accomplished nothing else but seeing that violators of the liquor laws are punished—he will have won a noble fight, and one which deserves the highest praise. Go to it, Judge, the law-abiding element will back you to a man.

CLEAN-UP CAMPAIGN

The Clean-Up Campaign which is to be conducted in Greenville during the week of April 23rd under the auspices of the Chamber of Commerce, should receive the attention of every resident of the city. As an incentive to the boy and girl scouts who are being asked to participate in the campaign, the Chamber will give prizes ranging from five dollars to fifteen dollars, to the successful contestants. Besides the first prize, fifteen dollars, the winner will be given the keys of the city for one hour, and while Mayor Clark is de-throned, will rule over the city as mayor. The winners of the second and third prizes will also be given honorable positions. While this is being done to create interest in the work and cause a little fun, there is a serious side to the Clean-Up Campaign. Every city should be given a Spring cleaning as filthy of

all descriptions, accumulates during the winter months, which should be taken away in the spring so that no sickness can be caused by flies, mosquitoes and other germ carriers. "Cleanliness is next to Godliness," and as the revivals, in progress, are being made somewhere and in large quantities. If the violators of the whiskey laws are allowed to go unpunished, they just as well close the courthouse and lock the jails—because if any set of law breakers deserve punishment it is the men who make monkey rum, and Pitt County Corn, and sell it to the youth of our county, thereby destroying its manhood and bringing untold suffering to the innocent ones at home.

"Play Ball," was greeted by large crowds in the four major league cities yesterday, when they witnessed the opening games of the National league season. Baseball has always been a great sport, and one which attracts the attention of the child "in its early summers" to the old man in his "late winters." Distance lends enchantment, and we hope that the noise from the games "up north" will prove so enchanting that Eastern Carolina will be lured into the game at an early date.

BLOUNT-HARVEY CO. TO HAVE FORMAL OPENING TODAY

Will Entertain With a Reception in Honor of Opening of Large Department Store

Blount-Harvey Company will conduct the formal opening of their wonderful new store with a reception this afternoon and evening, at which time the people of this city and section will have the privilege of visiting one of North Carolina's largest and most up-to-date department stores.

There are many large stores in this state, as well as in many other states, but we question, however, whether there is any establishment more complete anywhere than the new Blount-Harvey Company's store. When it is taken into consideration the short time that this company has been in business, we feel that their achievement should merit the pride of all wide awake North Carolinians, especially the people of this section.

On account of limited space, heretofore, this firm has been unable to carry a ready to wear department, but in their splendid new store, they will carry a beautiful line of ladies and men's ready to wear.

Their large stock of merchandise will be second to none handled in North Carolina, and the people of Greenville and surrounding territory are indeed proud of this addition to their already large number of stores.

The public is extended a most cordial invitation to the reception at which time they will be shown over the store, served refreshments, and entertained with music which will be furnished by an orchestra.

Spring Dresses

Just 1,000 of Them

BEGINNING THURSDAY AT 8:45 A. M.

—FOR 10 DAYS ONLY—

Made possible by a fortunate purchase. The prices don't begin to tell the story of their actual values.

Never before in our history have we made such an advantageous purchase of dresses, and true to our policy, we pass the bargains on to you.

GROUP "A"

\$55 to \$100 Dresses
\$39.50

The materials are the most fashionable ones of the season—Canton crepe, flat crepe, crepe romain, satin crepe, crepe de chine. The new notes that deserve special attention are the hand work on some of them, beading applied in novel ways, gilt stitching and brilliant appliqued effects.

The new centre of Egyptian drapery is another of the smart innovations, other styles include the panel back dresses. Ribbons, ruchings and strap folds on cuffs are also late touches. In all the new and wanted colors.

It is one of those opportunities which are very rarely available for such makers as relinquished these frocks seldom yield to the suggestion.

Paris fashions in all its charming originality is reproduced in these dresses by craftsmen who are masters of their art.

GROUP "B"

\$35 to \$45 Dresses
\$29.50

Nearly every style imaginable featuring newest ideas in trimmings that reflect the present mode. Straight line, long waisted effects, with girdles of ribbon, side drapes with flowing panels with short or long sleeves. Some trimmed with lace collars, others with rosettes of beads, buttons or embroidery, rich looking combinations in many new effects.

GROUP "C"

\$29.50-\$35 Dresses
\$24.75

Printed crepes, satin crepes, Paisley silks and combinations are used in these dresses, as you will find some of the newest sport models in the lot which are very popular just now. In the printed silks you see an unusual collection in vivid colors and unique designs. Of course every woman knows that printed silks are most favored this season, whether they be for a frock, blouse or cape.

GROUP "D"

\$25 to \$35 Dresses
\$19.50

Wonderful dresses of Paisley crepes, and combinations printed crepeknit, printed silks, Canton crepes, crepe de chine, satin black crepes, —fashion these lovely dresses; also sport models of combinations of silks and flannels which are quite new.

GROUP "E"

\$12.50 - \$19.50 Dresses
\$7.50

In this lot you will see all linen dresses, some with drawn work, some trimmed with buttons in all the wanted colors, also ratine dresses of plaid effects, some plain and combinations, with novel pockets and trimmings.

Queer Feelings

"I was very irregular," writes Mrs. Cora Robie, of Pikeville, Ky., "and suffered a great deal. I suffered mostly with my back and a weakness in my limbs. I would have dreadful headaches. I had hot flashes and very queer feelings, and oh, how my head hurt! I read of

CARDUI

The Woman's Tonic

and of others, who seemed to have the same troubles I had, being benefited, so I began to use it. I took several bottles... and was made so much better I didn't have any more trouble of this kind."
Cardui has been found very helpful in the correction of many cases of painful female disorders, such as Mrs. Robie mentions above. If you suffer as she did, take Cardui—a purely vegetable, medicinal female tonic. It should help you. EX 90

THE HOME BUILDING & LOAN ASSOCIATION GREENVILLE, N. C.

WHAT ABOUT GREENVILLE

When you are away from Greenville, and people you meet comment on what a lively town you live in, what is the first thing you think of? Why of course its the Home Building & Loan Association. The Home Builder that has made it possible for Greenville to grow and become a larger and better town to live in.

Everybody's proud of this organization and the work it is doing for the community, and nearly everybody in the town has a direct interest in it as a share holder, which is evidenced by the fact that on January 1st of this year the number of shares in force amount to the magnificent total of Thirteen Thousand Five Hundred and Twelve (13,512), or over two and one half shares for every man, woman and child, based on the 1920 census.

This organization is on its way to still bigger things. We are not satisfied to remain tied, as evidenced by our annual statement of April 16th, 1923, copy of which is printed below, and shows that we gained \$139,326.27 in Assets since Jan. 1st, 1922, and \$22,106.86 in Surplus.

We are now putting on sale, shares in our 35th Series, which opens Saturday, May 5th. Subscription for over three hundred shares have already been received, indicating that this is going to be one of our largest Series. We want it to be the largest, and are therefore writing to call your attention to it. Save until it hurts, rainy days are ahead.

We loaned the money to erect thirty-nine homes in Greenville last year, and want to make it fifty this year. Help us to do it by placing your order for as many shares as you can carry.

By the way, we forgot to mention that savings invested with us earn about 6 per cent, and are non-taxable.

Yours for a bigger Greenville,
HOME BUILDING & LOAN ASSOCIATION.
