## AYDEN ROTARIANS ATTEND CONFAB 100 PCT. STRONG

### Greenville Club Has Charge of Program at Yarborough Hotel

Raleigh, April 4.—M. Eugene Newsom, of the Durham Rotary Club was elected nominee for the Governorship of the Thirty-Seventh Rotary District at the final session of the conference here this afternoon. Newsom defeated Robert H. Wright, of Greenville sixty to nineteen. The nomination has to be endorsed by the International Convention before Newsom takes office.

Raleigh, April 4.—A total of 659 delegates and visiting Rotarians and 121 ladies had arrived yesterday afternoon to attend the Thirty-Seventh District conference which is convening in this city. Still others are scheduled to arrive later supplement the attendance for the final sessions today when officers will be elected and a place of meeting chosen for the 1925 conference.

Every club in the district except one was represented in the registration. That club was Staunton, Va. The youngest club in the district, Hopewell, that only received its charter last week had a hundred per cent attendance, sharing hundred per cent honors with Ayden.

Outside of the conference proceedings yesterday, the visiting ladies were entertained with an automobile ride around Raleigh and Wake county, a courtesy extended by the other civic organizations of Raleigh. At the conclusion of the ride, the ladies were the guests at a reception at the Raleigh Woman's Club.

Four model luncheons and four model dinners provided additional programs of entertainment and Rotary thought. The entire Rotary delegation, including the members of the Raleigh Club and their wives, lunched and dined at one of the four places.

The Norfolk Club had charge of the program at the luncheon at the Sir Walter Hotel; Greenville Club, at the Yarborough Hotel; Portsmouth Club at the First Presbyterian Sunday School; Washington Club, at Christ Church parish house.

For the dinners, the Petersburg Club was in charge at the Sir Walter; Wilmington Club at the Yarborough Hotel; Christiansburg Club at the First Presbyterian Sunday School; and Hampton Club at the Christ Church parish house.

Last night, following the public meetings in the city auditorium when Bert Adams, Atlanta, Ga., past international president of Rotary, spoke and various clubs put on special stunts, the Rotarians were guests at a reception and ball at the Sir Walter Hotel.

Four Clubs have put in bids for the next District Conference which, according to what appears to be an unwritten understanding should go this time to a Virginia city. Newport News, Danville, Richmond and Wilmington yesterday extended invitations, the decision being left to the presidents of the various clubs making up the district.

Fred Matthis extended the invitation from Wilmington; Sam Buxton spoke for Newport News; Gus Booth for Danville; and Ben Wilson for Richmond.

### \$10,000 Organ To Be Installed in White's Theatre Near Future

Mr. H. H. Jackson returned today from New York where he went for the purpose of purchasing a new organ for White's Theatre. The organ, which will cost \$10,000, will be built in Berkeley, Cal., and be installed in the local theatre about Aug. 15.

Mr. Jackson stated this morning that in purchasing the organ he had the best interest of the people of Greenville at heart. He feels that they are entitled to the best and especially to the best service which the theatre can render.

The organ will be built especially for the theatre with the acoustics and other points being taken into consideration.

Mr. Jackson is endeavoring to give to the public the best pictures possible and with the addition of the organ the theatre will be greatly improved.

## PROMOTERS GROW OPTIMISTIC OVER THE EXPOSITION

### Will Open in Kinston on April 7; Splendid Program to be Presented

Kinston, N. C., April 4.—The largest crowds ever assembled at a point in the country between Wilmington and Raleigh are expected to attend the Eastern Carolina Exposition here April 7 to 12. As the date for the opening of the big sectional exhibition nears, officers of the East Carolina Chamber of Commerce, promoting organization, grow more and more optimistic over the prospects—not that they have been pessimistic. Weeks ago President George Royal and Secretary-Manager Newell Bartlett decided that 30,000 people should attend this Exposition. They wanted to be modest about it. As a matter of fact the total of paid admissions may reach 40,000 or 45,000, according to some of the directors.

"There never was such boosting," Bartlett said today. Scores and scores of clubs, societies and other organizations are behind this thing, together with no end of business men. It appears to me that everybody in this small city—its community pride is famous—is talking about the Exposition. The Kiwanis, Rotary Women's and other Clubs, the local Chamber of Commerce, the Municipal Officials, the Tobacco Board of Trade leaders, the preachers, teachers and a host of others are boosting. To prove that that bugaboo of all sections, "localism," younger brother of "provincialism" and even worse, is not functioning in Eastern Carolina, I'd like to call your attention to the fact that Goldsboro, Snow Hill, Wilson and a lot of other towns appear to be taking as much interest in the big show as Kinston. It is the spirit of Eastern Carolina at work—the new spirit. The displays in the exhibit booths will be excellent. The amusement feature will be superior.

For instance, we have a Grand Opera singer for opening night, Miss Anna Case. We have Cervone and his band for all the week. There will be two complete changes in the program each day. Bartlett said there should be no overlooking the fact that a celebrity has accepted the post of platform manager for the Exposition. Dr. Abram Cory will be in charge of the stage. He is a stickler for punctuality. Dr. Cory is International President of a million and a half church people, a former Chaplain in the regular army, some thing of a globe-trotter, a quite well known author of fiction, and an ex-missionary who has lived in several countries.

Committee at Work On Reorganization of Chemical Companies  
New York, April 4.—Bankers in touch with reorganization of the Virginia Carolina Chemical Company and its principal subsidiary, the Southern Cotton Oil Company, indicate it may be a long time before a definite plan is agreed upon. Three committees are at work and will hold joint conference when investigations of all properties are completed.

### CLINIC FOR CRIPPLED CHILDREN WILL BE HELD IN HIGH SCHOOL WILSON THURSDAY, APRIL 17TH

On Thursday, April 17th, there will be held in Wilson in the New High School Building a free clinic for crippled children of sound mind under the age of 16 years. This clinic is held under the auspices of the State Orthopaedic Hospital at Gastonia and the State Board of Public Welfare. Its purpose is to examine the crippled children in Wilson and surrounding counties with a view of determining whether or not treatment at Gastonia is advisable. By holding clinics in various centers of the much expense in transportation and much time can be saved the parents of these unfortunate children.

Dr. O. L. Miller, chief surgeon at the Orthopaedic Hospital will examine the children and will be assisted by Dr. Hugh Thompson, Orthopaedic Surgeon, of Raleigh. There will be nothing done to the children on this day, simply an examination for the classification of the crippled ones. The Wilson clinic will be the seventh district clinic held in the State. The other clinics have examined from 35 to 75 children during the day. It is to be hoped that the people in Wilson and surrounding counties will avail themselves of the opportunity to have their children examined. There is no specimen of human family that appeals to the people generally, more than the crippled child. April 17th gives Wilson an opportunity that only six other towns in the State have had. Let's get organized and give the matter all the publicity that is possible in order that as many children may know of and have the benefits of the clinic and ultimately treatment at Gastonia. Mr. James T. Barnes, Supt., public welfare, Wilson county will be glad to furnish any information desired.

## HERRICK BUYS U. S. EMBASSY IN PARIS.

Paris cables a few days ago declared that by throwing \$200,000 into the exchange market, purchasing an equal amount of French francs, American Ambassador Myron T. Herrick had greatly stabilized the falling French currency and made a sum equivalent to 1,500,000 francs to be applied to the purchase of a new American Embassy in Paris. This is the building Mr. Herrick has purchased, for a sum said to be approximately \$300,000. The building, situated at No. 3 Avenue d'Antin, in one of the most aristocratic sections of Paris, is said to have cost originally \$2,500,000. It is luxuriously appointed.

## The Textile Mills of Gastonia Inspected By Men From A & E.

Gastonia, N. C., April 4.—Approximately 25 men from the State College of Agriculture and Engineering were in the city Thursday for the purpose of inspecting the textile mills of the community. The State College Alumni of the city met the students and escorted them to the mills and assisted the mill managers in showing them over the different plants.

## 30 Gallon Still Was Captured In Chicod Township Yesterday

A 30 gallon gasoline drum, containing beer ready for operation, was captured in Chicod Township yesterday afternoon by Officer Thad Williams.

The still which was located back of the Hubert Evans farm near McGowan's Cross Roads, according to people residing in that section, has been giving considerable trouble and has been putting out a large quantity of liquor.

Officer Williams is making every effort possible to put a stop to the liquor traffic and for the past several weeks has destroyed many stills.

## Makes Charges Against Sen. Lodge and Pepper

Washington, April 4.—Senator Lodge was directly charged on the floor of the Senate with pigeonholing Harding's world court proposal in the foreign relations committee. The charge was made by Democratic leader Robinson, during the denial of charges that Democrats, had by continuing investigations, delayed legislation. He also charged Senator Pepper, Pennsylvania, with "trying to hide himself and his political associates behind the dead president."

## Outside Candidates Make High Scores

Yesterday was a big day for the outside candidates entered in The Daily Reflector \$2,500 circulation and prize contest. Mrs. J. R. Owens of Fountain, who is one of the hard working candidates for The Reflector, pushed her campaign over with some wonderful business. Fountain and vicinity offer this candidate a fertile field for subscriptions, and big things are predicted for this lady whose host of friends are rallying more and more to her support as the contest gets hotter.

Miss Margaret Holland of Bethel, was another outside candidate who turned in record business for the day and closely followed the Fountain candidate for high honors. Miss Holland has been handicapped during the past few weeks with the duties of a school teacher, but now her school house has closed its door until next September and the kiddies and Miss Holland are just as well satisfied. Miss Holland is going to put a lot of her time in the interest of her campaign from now until the close of the contest, and every candidate will have to hustle just a little bit harder. Never mind the cedar chest Miss Holland, get the Buick.

## Revival Meeting To Be Held Joyner's School Next Week

Beginning Sunday afternoon at 3:30, a revival meeting lasting a week will be held, at the Joyner's School on the Falkland road, about four miles from Greenville. Services will be held each evening at 7:30 during the week. The preaching will be done by Rev. W. S. Harden, and Rev. Leland W. Smith. A cordial invitation is extended to all friends and members to attend these services.

## Mrs. Cornelia Gaines Die From Burns In Morganton Fire

Morganton, April 4.—Deaths in the fire that destroyed the north wing of Broad Oak Sanatorium yesterday were increased to four when Mrs. Cornelia Gaines died at hospital today. Two women were burned to death and one man died last night. None others were injured.

## Negro Kills Officer, Taken From Jail and Lynched For Crime

Atlanta, April 4.—Chief Police, Albert Wells, of Woodbury died at a local hospital from a bullet wound in the head. Beach Thrash, fifteen years old negro, was taken from the Woodbury jail yesterday and lynched for firing the shot. Every candidate on the list can

## WEEKS FURNISHES PAPERS DEMANDED SENATE COMMITTEE

### Appearance of Secretary Postponed Until Later Date

Washington, April 4.—Secretary Weeks complied with the request of the Senate Daugherty committee for certain papers bearing on aircraft cases but the personal appearance of the Secretary, for questioning, was postponed until a later date. Records which Weeks forwarded to Chairman Brookhart were these taken from Thomas Lane, former adviser to chief of air service when Lane was dropped from service. The committee sought to get the papers yesterday from Captain Volandt, who took them from Lane's desk, but Volandt replied that personal summons addressed to the secretary would be necessary.

Washington, April 4.—The Senate Daugherty committee turned its inquiry yesterday upon the War Department and concluded a three-hour session by summoning Secretary Weeks to appear before it today with specified documents relating to departmental handling of war fraud cases.

The committee had listened, before its summons was issued, to the story of Thomas F. Lane, a legal adviser to the Army Air Service, who said he had been ordered a day or two ago "to stay away from the committee" and then had been dismissed from the service.

Lane said also that papers bearing upon his inquiry into war contracts, which he regarded as his own were seized by Captain W. F. Volandt, assistant chief of the Army Air Service, who issued the "stay away" order. Captain Volandt, who was at once summoned before the committee, in the course of sharp interrogation by Senator Wheeler, Democrat, Montana, the committee prosecutor and other members, said he regarded Lane's papers as part of the official departmental files. He had turned them over to Secretary Weeks, he said and the latter had sought an opinion as to their status from the Judge Advocate General.

Senator Wheeler, in the terse examination of Captain Volandt, charged that the dismissal of Lane and the sequestration of his papers was "intended to cover up" the War Department handling of air fraud cases. This Volandt sharply denied.

The papers, Lane claimed, were for the most part copies of recommendations he made as to procedure the government should take against war contractors and Volandt stated that Secretary Weeks had asked the Judge Advocate General to give an opinion as to whether such copies were official records.

His order to Lane "to stay away from the committee," Volandt continued, was issued because the Air Service wished to "rush" preparations of claims against the Standard Aircraft Corporation and the Willys Overland Company, that these might be sent to the Department of Justice for further action.

## Langley Enters Plea "Not Guilty" and Asks For An Early Trial

Washington, April 4.—Representative John Langley, Republican, of Kentucky, entered a plea of not guilty when arraigned in the District of Columbia Supreme Court on conspiracy charges in connection with the alleged illegal liquor withdrawal permits and asked the court for an early trial.

## Committee Decides To Examine Books of The Midland Bank

Washington, April 4.—Senate Daugherty investigating committee has decided to go to the Washington court house, Ohio, to examine the books of the Midland National Bank of which Mal Daugherty is president. Daugherty, who is a brother of the former attorney general, has so far refused to answer the committee. Subpoena to open the books of the bank for such examination as the committee desires to make.

## TAXES ON MAH JONG AND RADIO VOTED INTO REVENUE BILL

### 10 Per Cent Tax Placed on 2 Popular Forms of Entertainment

Washington, April 4.—Taxes on Mah Jong and radio sets were voted into the revenue bill last night by the Senate Finance Committee, which at the same time approved the reduction in automobile taxes and repeal of the candy tax voted by the House.

The gift tax and increase in the estate tax rates voted by the House, however, were knocked out of the bill. The present estate tax rates were restored, but provision was made for a change in the brackets to which they would apply so that the revenue increase of \$12,000,000 which would have resulted from the House increase would be effected.

By further action at the night session insurance companies were exempted from the increase of one half per cent voted recently by the committee in corporation tax of 12 1-2 per cent. Chairman Smoot explained the companies would be unable to benefit with other corporations by the repeal of the special tax on capital stock which was made to offset the increase in the corporation tax.

The tax on radio sets was fixed at 10 per cent on all selling for \$15 or more to apply at the source of manufacture. Likewise the tax on Mah Jong sets was placed at 10 per cent on manufacturers or importer on all selling for \$5 or more.

Referring to the new taxes, Chairman Smoot declared the committee would have to find some means of raising additional revenue to meet the probable number of pending special appropriation bills which would be passed. If all of these were taken into consideration, he said, no additional reductions would be made in the miscellaneous or excise rates yet to be considered and which were reduced or repealed by the House.

In addition to the reduction on automobile taxes voted by the House including repeal of the three per cent tax on automobile trucks the chassis of which sell for less than \$1,000 and the cutting in half of the five per cent tax on automobile tires and accessories, it was voted by the Senate committee to repeal the tax on automobile truck bodies when sold separately at a price of \$200 or less. The total amount of revenue involved in these reductions was estimated at \$25,000,000.

Repeal of the candy tax involves revenue amounting to \$13,000,000. The gift tax, which was inserted in the bill on the floor of the House carried the same rates as the estate tax and it was estimated would bring in about \$2,000,000 annually.

A motion by Senator Jones Democrat New Mexico to change the estate to an inheritance tax whereby the tax would be levied on recipients of estates rather than directly on the estate before it is divided was defeated by a close vote.

Motion by Senator Walsh, Democrat, Massachusetts, to repeal entirely the tax on automobile trucks and tires and accessories brought from Chairman Smoot the declaration that they were "just an attempt to get us on record, when all members of the committee should know extensive reduction in these excise rates is going to be impossible."

## Syria Mandate Treaty Is Formally Signed by Poincare

Paris, April 4.—Premier Poincare and the Ambassador have formally signed the Syrian mandate treaty under which Americans are assured full equality of rights in Syria and Lebanon.

## Senate Legislature Program Subject of Breakfast Confab

Washington, April 4.—Senate legislative program was the subject of another White House breakfast conference which was attended by eight Republican senators. The conference was the second of its kind within the past three days for the purpose of agreeing upon a concrete program for the remainder of the senate session and for speeding up legislation so as to allow congress to adjourn by June, first.

## RADICAL UTILITY POLICIES

The people have a deep interest in well managed public utilities, because hundreds of thousands of consumers of light, heat, telephone, water and other forms of public service are stockholders in these utilities.

Public ownership or what may be termed political management of such properties has not proved a universal success, and thousands of mismanaged and unprofitable publicly-owned properties have gone back to private ownership.

Movements in states are precipitated from time to time for state-wide ownership of light and power plants, water powers and even telephone service, and even abolition of pub-

lic service commissions, in the struggles for political leaders to get payroll domination.

With hundreds of thousands of utility employees under their control city politicians seek political power to get control of state governments and even power over the national Congress. This is the real secret of attempted public ownership of interurban and steam railroads.

State and national regulation of public utilities is now amply provided and is giving fair satisfaction to stockholders, extending into millions of laborers and consumers, and there is no excuse for extending the grasp of state or city politicians to larger fields.

## AN OBJECT LESSON TO PROFIT BY

Premier Mussolini, of Italy, former Socialist leader who advocates many policies that savor of Socialism, says that in justice to Italy all major state owned and operated public utilities must be returned to private ownership, because these utilities, especially the state owned and operated railroads, are costing the Italian taxpayers unreasonable sums, that users of public utility service are securing that service at the cost of taxpayers who do not use it. Farmers who do not use electricity are taxed to support the great hydro-electric companies owned by the state, while people who do not ride on trains or use them very heavily for freight must pay taxes to maintain roads used by heavy travelers and shippers.

Railroad workers, Mussolini says, practically own the state railroads and operate them for their own profit. Numbers of employees and wages have increased out of all proper proportion. Service is poor, rates three times as high as they were seven years ago, deficits where there had been profits.

## Diseases traced to constipation are many—get permanent relief with Kellogg's Bran

Why does constipation breed other diseases? Because it floods your system with dangerous poisons. And the longer you suffer, the more poisons accumulate. That is why constipation should be relieved at once.

Doctors recommend Kellogg's Bran, cooked and krumbled. They know it brings results because it is ALL bran. And only ALL bran can be 100 per cent effective in relieving constipation.

ALL bran—Kellogg's—sweeps, cleans and purifies the intestine. It acts as a nature acts. It makes the intestine function naturally and regularly. If eaten regularly, it will bring permanent relief in the most chronic cases of constipation—is guaranteed to do so or your grocer returns your money.

Eat at least two tablespoonfuls daily—in chronic cases, with every meal. You will like the wonderful Kellogg flavor—so crisp and nut-like—so different from ordinary bran, which are most unpalatable.

Eat Kellogg's Bran, cooked and krumbled, with milk or cream. Sprinkle it over other cereals. Cook it with hot cereals. And by all means try it in the recipes given on every package.

Kellogg's Bran, cooked and krumbled, made in Battle Creek, is served in individual packages by the leading hotels and restaurants. Sold by all grocers.

From time immemorial, leavening gas has made the "touch" which made the paste of flour and water a digestible food—the staff of life. A flat and soggy loaf or biscuit is an unleavened food. So it is that leavening agents such as yeast or baking powder are employed.

To insure to the American housewife complete leavening of her biscuits, cakes, muffins, etc., which is so important to perfect digestion, the pure food authorities found it wise to require a certain standard of leavening strength in baking powder.

To maintain this guaranty of digestibility—to insure minimum deterioration of leavening strength, baking powder is packed in tin. This prevents absorption of atmospheric moisture. Dampness produces premature reaction in the can—results in loss of leavening gas.

The food official, would properly condemn baking powder if packed in cheap sacks.

But what about self rising flour? It comes to the southern housewife from remote northern mills packed in porous bags. What happens to this mixture of baking materials and flour?

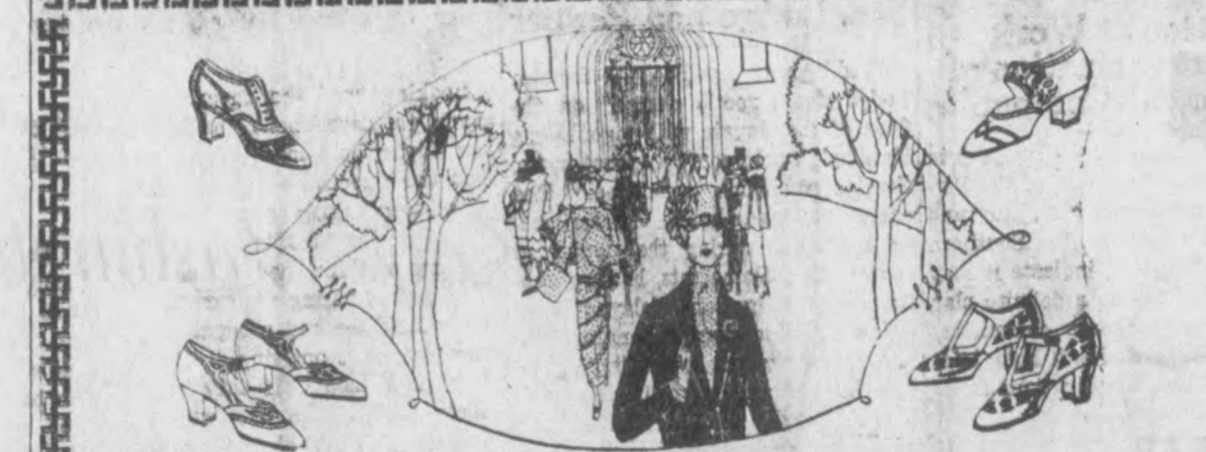

Chemical analysis shows that much of it has lost its leavening strength before it reaches the consumer.

Breadstuffs made with such self-rising flours cannot rise properly—they come to the table heavy, flat, and soggy.

Why don't the pure food officials demand that self-rising flours contain 0.5% leavening gas, the equivalent to the 12% required of baking powder?

Calumet Baking Powder is scientifically and legally correct—the last spoonful is as pure and sure as the first.

## JAMES L. EVANS FOR COUNTY JUDGE

To the Men and Women of Pitt County:  
As previously announced I am a native candidate for County Judge upon a platform of public service instead of selfish interests. I believe that the court should be so conducted that every lawyer shall have equal and fair opportunity to practice his profession, and that the law should be administered in a fair, equal and impartial manner without undue harshness to any and with special favors to none.

25t JAMES L. EVANS.

## FOR RE-ELECTION FOR SHERIFF

I use this method to advise the voters of Pitt County that I am a candidate for re-election as Sheriff subject to the action of the Democratic Primary. I will continue to do my utmost to fulfill the requirements expected of me as to the enforcement of all laws and other duties that belong to me. I will appreciate your vote and support in the coming primary and stand ready to serve all people alike.

by the rector at that time.

**GOLF COURSE NOW  
PRETTY AND GREEN**

The golf course at the Country  
Club is pretty and green. Work is  
now in progress on the trap shooting  
grounds and with the present force  
of good workers it is expected that  
the work will be completed in about  
two weeks.

With the opening of spring the  
golfers are taking advantage of the  
golf course and are going out in large  
numbers each afternoon.

**NOTICE OF PRIMARY.**

Notice is hereby given that in con-  
formity with the provisions of the  
charter of the Town of Greenville,  
as amended, a primary for the selec-  
tion of candidate for aldermen to be  
voted on in the general election, will  
be held on Monday, May 5th, 1924,  
at the court house, that the register  
for said primary will be Mrs. H. S.  
(Susie) Ragsdale and the poll holders  
Mr. G. J. Woodward and J. Arthur  
Jones, that the registration books for  
the registrations of all qualified voters  
who are not already registered or who  
have moved from one ward to another  
since last registration will be opened  
by the register on April 11, 1924 at  
the clerk of court's office in the court  
house and will remain open at said  
place for said purpose for twenty  
days including Saturday, May 3rd,  
1924, that one alderman will be select-  
ed from each of the five wards of the  
town and that notice of the candidacy  
for aldermen must be filed with J. O.  
Duvall, city clerk, two days prior to  
the date of said primary.

Issued this March 20, 1924 by or-  
der of the Board of Aldermen of the  
Town of Greenville, in regular ses-  
sion on this date assembled.

J. C. DUVAL,  
City Clerk.

**AMUSING STORIES OF  
KAISER NOW GOOD  
COPY IN GERMANY**

Berlin. — Certain German news-  
papers never tire of publishing amus-  
ing stories about the former kaiser,  
one of the latest being his experience  
at the Vatican in October, 1888,  
when the former ruler was received  
by Pope Leo XIII and caused a ripple  
of laughter among those present by  
his awkwardness.

"William began the performance  
by dropping the valuable 'tabatiere'  
he carried as a gift to the pope," writes  
Ernest Smith in a book of his 40  
years' experience as a British journal-  
ist in Rome and other European capi-  
tals. Smith's account of the kaiser's  
audience with the Pope has been re-  
produced in numerous German news-  
papers, some of them even publish-  
ing the article in the columns devoted  
to comment by their humorists.

"As William stooped to recover the  
'tabatiere,' before a courier dashed  
forward to recover it for him, he let  
his helmet fall, and, to add to his con-  
fusion, a seam in his garments col-  
lapsed audibly as he bent down,"  
writes Mr. Smith. "When William  
recovered he could scarcely stammer  
out several incoherent words, and  
a witness of the scene told me that  
the kaiser was trembling like a leaf  
all the time."

**Card of Thanks.**

The Rev. James E. W. Cook wishes  
to thank all his friends for their  
kindness to Mrs. Cook and Miss  
Margaret during their recent illness.

**Notice Children.**

several Saturdays.

**Gloves**

**HAND IN HAND WITH FASHION**

And since Spring Fashion goes hand in hand with Easter, it will be easy to see once you have seen these gloves that they are essential to complete your smart Easter costume. Fashion has a surprise in store for you, too. A brand new glove style.

**Wristlets** are Fashion's new-  
est glove whim. And they are  
so chic with the severely tail-  
ored mannish tailleur. They're  
very short ending abruptly at  
the wrist with a very tiny cuff  
or flare. In all the new Spring  
tones.

**Gauntlets** assert a new smart-  
ness by being embroidered,  
buttoned or appliqued. In all the  
new tones of tan, brown and  
black, the cuffs vary in width  
so you may select for almost  
any type of costume.

**Long Gloves** for strictly formal  
wear, or afternoon, are of very  
fine kid, or very heavy silk. And  
they are very plain. In every  
color to harmonize with Spring  
frocks and wraps.

**MISS CLARA LOUISE MOYE  
HONOREE AT A SURPRISE  
BIRTHDAY PARTY**

On Monday evening at her home on Evans street, Miss Clara Louise Moyer, was honoree at a most delightful surprise birthday party given by her mother, Mrs. Hortense Moyer.

The drawing room and library in which three tables were arranged were decorated with cut flowers. Several interesting progressions were enjoyed.

After the games the guests were invited to the dining room where in the center of the table a beautiful birthday cake, decorated with candles, was arranged. An ice course was served.

The tables prizes large white rabbits, decorated with pink bows were presented Miss Dovie Burnette, Mary Wright and Mary Moyer Savage. Each guest was remembered with an Easter souvenir.

The party was one of the most en-

joyable of the season and was greatly enjoyed.

**"BLOSSOM TIME COMING"**

The mere announcement that the Messrs. Schubert are sending their musical masterpieces "Blossom Time" to White's Theatre was sufficient to bring an avalanche of mail orders to the box office of White's Theatre where it will be seen for one performance on Tuesday, April 22.

"Blossom Time" is based on a true incident in the life of Franz Schubert, the greatest composer of songs the world has ever known. His best known and loved melodies comprise the matchless score and as sung by such splendid artists as Greek Evans, baritone, Margaret Merle, Soprano and tone, Margaret Merle, Soprano and others, affords an entertainment that no lover of the good things of the theatre can afford to miss.

"Blossom Time" comes here following triumphant return engagements in many of the cities it has previously played.

**MR. AND MRS. J. R. MOYE  
ENTERTAIN WITH RECEPTION**

Honoring Miss Marguerite Higgs and Mr. Robert Everett who were married Wednesday morning, Mr. and Mrs. J. R. Moyer gave an elaborate reception to the bridal party and out-of-town guests on Tuesday evening from ten to twelve.

The house was beautifully decorated throughout with spring flowers, and an orchestra added to the merriment of the occasion.

Among the out of town guests were: Misses Mae Grimmer, Cape

Charles, Va.; Lois Johnson, Thomasville, N. C.; Mabel Bost, Kinston; Mattie Higgs, Raleigh; Hattie and Margaret Everett, Palmyra; Messrs. R. O. Everett, Durham; C. S. Alexander, Scotland Neck; Dr. R. T. Vann, Raleigh; Mr. and Mrs. B. B. Everett, Palmyra.

**"BOY OF MINE" TO BE  
PRESENTED ON APRIL 9  
BENEFIT KING'S DAUGHTERS**

"Boy of Mine," featuring Ben Alexander, Irene Rich and Henry B. Walthall will be presented in White's Theatre Wednesday, April 9, matinee and evening, for the benefit of Circle No. 2, of the Patient Circle of King's Daughters.

This picture is one of the sweetest stories on the screen. It is appropriate for both old and young. Even the youngest child can see and enjoy it.

The money raised by the King's Daughters is used for helping the needy people of the community. Don't fail to see the picture and help a worthy cause and at the same time enjoy a pleasant evening.

**GEORGE WASHINGTON**

Never Told a Lie

History fails to call attention to the fact, however, that George never played golf, and never filled out an income tax statement.

Likewise, he married rather late in life, and a widow at that, so it wouldn't have been much use to try it any way.

Also, if he liked his liquor, (we don't say he did or he didn't) the ways of getting it were not as devious in those days as they are said to be now.

Neither was competition as fierce in those days. Honestly, sometimes we almost forgive some of our competitors some of the things they say about us.

It is hard to sell cheap plumbing fixtures and labor, but when it comes to high class mechanics and plumbing and heating material we can give you the best prices and best service.

**'Mothers Who Have Brought  
A Child Through Many Ills  
You Know This Is True--'**

Third of a Series of Three Interviews With W. L. Hand  
"Mothers, who have brought one child through infancy, you know that there is a close relation between several of the most common everyday ailments of children—constipation, indigestion, colds and biliousness.

"You know that a laxative is needed in every one of these conditions, but that the common type of laxative fails in many a case because it does not have sufficient influence on the liver.

"Often you feel that the case calls for calomel and castor oil. Yet you hesitate to give the dose because it causes so much distress that you would feel brave to take it yourself.

**A Household Necessity.**  
"You know you would give almost anything for a pleasant, palatable liquid remedy that would take the place of calomel and castor oil, not only for the children, but for your-

self and your husband.  
"Well, here it is! Liv-o-Lax, my own invention, made after a long period of experiment, to satisfy the very need that you so often feel. It is a liquid, so pleasant that children like to take it, and yet it acts on the liver and bowels in just the way you want.  
**Thoroughly Tested.**  
"Liv-o-Lax, moreover, is made from harmless vegetable ingredients, and before I ever considered putting it on general sale, I had it tried out thoroughly and proved that it would do exactly the service that every mother desires.
