SIXTH ROTARY CUP BROUGHT TO PITT BY AYDEN CLUB

Wins Loving Cup for Having 100 Per Cent Attendance

The members of the Pitt County Rotary Clubs who have been attending the 37th Rotary District Conference which has been in session in Raleigh, returned last night bringing with them the sixth Rotary loving cup to be brought to Pitt county. The cup was won by the Ayden Club, for having a hundred per cent attendance. Prior to this Greenville has won 1 attendance cup; a 100 per cent attendance cup, a song fest cup while Farmville has won a 100 per cent attendance cup and a song fest cup. The total registration for the conference was 887, including 562 men and 131 ladies with the exception of the Raleigh Club which was 97 men and 97 ladies.

Cup Presented to Hopewell.
 Both Hopewell and Ayden had a hundred per cent attendance, and each has a unique distinction. Hopewell, of being the youngest club in the district; and Ayden being the smallest town in the world with a Rotary Club. To Ayden went a loving cup in recognition of its perfect attendance while Hopewell by reason of the fact that is more distant from Raleigh than Ayden won the attendance cup, presented to that club scoring the highest number of points figured on the basis of the percentage of membership attending multiplied by the mileage.

Newsom Nominated Governor.
 M. Eugene Newsom, former mayor of Durham, was nominated for the governorship and was presented to the conference by Walter Budd, member of the Durham Club. Mr. Newsom received 60 votes. R. H. Wright, of Greenville, 19; with two other scattered. By rising vote, the election was made unanimous.

Next Meeting Place.
 The next place of meeting according to custom, was left with the incoming governor and the club presidents for decision. Newport News, Richmond, Danville and Wilmington presented invitations for the 1924 conference.

Committee Expects To Hear Secretary Weeks Next Week

Washington, April 5.—The Daugherty investigating committee is in recess today after another week of ricocheting inquiry.

Although darting from deal to deal the committee has concerned itself chiefly toward contracts and expects next week to hear from Secretary Weeks with reference to war fraud aircraft cases. It is expected that other witnesses will be examined before the questioning of Secretary Weeks and meanwhile the committee will have a chance to study documents relating to some of the cases placed before it yesterday for consideration in executive session.

Senators Wheeler, Democrat, Montana, and Moses, Republican, New Hampshire, have been authorized to conduct an investigation at Washington Court House, Ohio, into the accounts of the Midland National Bank of which M. S. Daugherty, brother to the former Attorney General, is president, but it had not been made known last night when they would leave Washington.

Motor Trouble Halts Round the World Flight

Seattle, April 5.—Motor trouble to the plane of Major Frederick L. Martin, commanding the flight of four cruisers of the United States Army around the world stopped the hop off here today just as the machines were ready to rise from Lake Washington after the engines had been started with some difficulty. Major Martin said that another start will not be attempted until tomorrow.

MR. DAVID M'LAWHORN DEAD.

Mr. David McLawhorn, died today at his home near Winterville. The funeral will take place at 3:30 o'clock Sunday afternoon at the family burying ground. All Masons from Greenville and Ayden are asked to meet in Winterville.

CHIEF FIGURES IN NEWS OF THE DAY.

Above: JOHN W. WEEKS & NORMAN H. DAVIS
 Below: GEORGE W. WICKERSHAM & AL SMITH.

The name of Secretary of War John W. Weeks was dragged into the Senatorial investigation into the Department of Justice by the charge of Captain H. L. Scaife, former department agent, that a clear case of war fraud against the Standard Aircraft Company, owned by Mitsui & Co. of Japan, was never prosecuted. Scaife asserts the belief that the personal influence of former Secretary George W. Wickersham was responsible, though Mr. Wickersham, practicing law in New York, indignantly denied the charge. The lot of an unofficial observer to the League of Nations is so difficult that America should enter the League or send no "observers," Norman H. Davis, Under Secretary of State in the Wilson Administration, declared in New York after settling the Meme dispute for the League. Governor Al Smith, of New York, led William Gibbs McAdoo for delegates to the National Democratic convention from Wisconsin.

ALBEMARLE PRESBYTERIAL AUXILIARY HOLDS TWO DAYS' SESSION WITH LOCAL CHURCH

The twenty-sixth annual session of Albemarle Presbyterian Auxiliary met in the Greenville Presbyterian church Thursday and Friday of this week. The theme for the two days' session was "Our Young People."

The Presbyterial was called to order at 10:30 Thursday morning by the president, Mrs. S. N. Harrell, of Tarboro. Mrs. E. W. Harvey, president of the local Auxiliary made the address of welcome, which was responded to by Mrs. William Runley, of Washington. The morning session was taken up largely with reports of committees and reports from the Auxiliaries which compose the Albemarle Presbyterial. At one o'clock a recess was taken and the hostess church served lunch to about a hundred ladies in the hut—at the rear of the church.

Thursday afternoon there was a Round-Table discussion of orphanage work led by Mrs. W. F. Clark from Wilson, after which Mrs. Frank Lea gave a most interesting talk on "Pioneer Women of the Presbyterian Church." The afternoon session adjourned at five o'clock and at eight o'clock Thursday evening a beautiful pageant entitled "The Home Coming Party of the Assembly's Training School," was presented by the local church. After the pageant, an informal reception was held in the church to the visitors and the friends who were present.

Friday morning the session was opened with devotional exercises by Mrs. S. N. Harrell, after which reports from school and college and the synodical were read.

At 12 o'clock Rev. G. W. Taylor, of Brazil, gave a most inspiring and entertaining address on the work of the Southern Presbyterian Church in Brazil. After this the morning session adjourned and at one o'clock lunch was again served in the hut.

Friday afternoon the devotional exercises were led by Mrs. Frank Brinkley of Greenville, after which, Miss Laura Armitage of Richmond gave a most interesting and helpful talk on "Young Peoples Work." After this the nomination committee brought in the following report which was unanimously adopted. The officers of the Presbyterial for the new year are: President, Mrs. S. N. Harrell, Tarboro; Vice-President, Mrs. W. T. Clark, Wilson; Secretary and Treasurer, Mrs. H. L. Hick, Rocky Mount;

Secretary of Spiritual Resources, Mrs. Frank Brinkley, Greenville; Secretary of Christian Education and Ministerial Relief, Mrs. F. H. Scattergood, Elizabeth City; Secretary of S. P. C. Mission, Mrs. Frank Lea, Wilson; Secretary of Foreign Missions, Mrs. George Butler, Greensboro; Secretary of Young Peoples' Work, Mrs. William Christian Community Service, Miss Sara Wiswold, Goldsboro; Secretary of Literature, Mrs. W. W. Eagles, Pinetops; Secretary of Orphanage Work, Mrs. W. E. Fenner, Tarboro; Secretary of Assembly's Home Missions, Mrs. Herbert Taylor, Tarboro.

At four o'clock the meeting adjourned to meet next year in Washington, N. C.

Senate Committee Winds Up Revenue Bill Consideration

Washington, March 5.—All radio sets selling for less than \$50 wholesale were exempted from the proposed 10 per cent tax by the Senate Finance committee today in winding up its consideration of the revenue bill.

The committee also agreed that articles selling for \$25 and less be exempted from the jewelry tax of 5 per cent instead of articles selling for \$40 and less as voted by the House. Watches selling for less than \$60 are exempt from the tax as passed by the House.

A previous agreement to change the brackets which the state taxes applied so that \$12,000,000 additional revenue would be raised annually were set aside and the present rates of state taxes restored in the bill. The House had increased these rates to a maximum of 40 per cent over the present 25 per cent. This was opposed by Secretary Mellon.

Reparation Reports Will Be Made Public Monday or Tuesday

PITT POULTRY ASSO. IN SPLENDID MEET

Future of Industry in the County Is Very Encouraging

A profitable meeting of the Pitt County Poultry Association was held in the Chamber of Commerce rooms here yesterday afternoon.

According to a statement from J. J. Jenkins, R. B. Reeves, W. B. Vandilford and Brown Mayo, it is conservative to say that there are incubators in Pitt county today with a total capacity of 25,000.

The various ones present spoke interestingly of the future of poultry in Pitt County and discussed, with very much profit, their common problems. Probably the central thought of the meeting was standard-bred poultry versus mongrel flocks. Probably some Pitt county farmers are having difficulty in disposing of their surplus during the winter months, but this is not the case with those having strictly A-1 chicks, eggs, cockerels, pullets, etc. Quality, now as well as in the future, will sell and sell at a good profit.

14 year old Brown Mayo of Falkland made a most interesting report and should be an incentive, not only for the boys and girls of Pitt county, but for the grown-ups as well.

"I had on hand January 1, 1924, 29 Rhode Island Reds; 18 Jersey Black Giants, 5 Seilian Butter Cups.

"Expense of feed and hatching to April 1, 1924, \$66.43.

"Sold to April 1, 1924, baby chicks and eggs \$76.90.

"Stock on hand April 1, 1924, 29 Rhode Island Reds, 18 Jersey Black Giants; 6 Seilian Butter Cups.

60 chicks, 6 weeks old; 65 chicks, 5 weeks old; 70 chicks, just hatched; 255 eggs setting.

This is a record to be proud of and all of Pitt county should rejoice with Brown in his success. Brown is a hard worker and a bright future stands out before him in the poultry field.

"Blossom Time" To Be Presented White's Theatre, April 22nd

Blue Ridge Hickory Chair Company Is Visited by Big Fire

High Point, April 5.—Fire of undetermined origin destroyed the machinery department and finishing room of the Blue Ridge Hickory Chair Company here early today.

The loss is estimated to be \$30,000 with insurance of \$12,500. The blaze started in the machinery room and spread to the finishing department. The entire plant and adjacent factories were for a time were threatened but several streams beat back the flames that were eventually confined to the machinery and finishing rooms.

The management this morning announced that the destroyed buildings would be replaced immediately.

Greenville Candidates Now Running Strong

The Greenville candidates came back strong yesterday after an apparent lapse of two or three days of inactivity as contenders for the 1924 Buick which is to be awarded in just two more weeks. Two week from tonight and two automobiles and five other wonderful prizes will be given to those who have the ability to keep fighting hard right up to the very end.

For yesterday, Miss Lillian Hooker with a fine burst of speed gathering subscriptions and votes came to the top of the list. Miss Hannah Dixon closely followed the above lady and there was but a scant margin separating them. These two candidates are now back in their former stride and are out to divide the automobiles between them.

All predictions point to a banner week in The Daily Reflector campaign. Greenville candidates are now setting the pace that they cut out for the field during the early days of the contest. The outside candidates too have just got down to work and before the close of business tonight many surprises are looked for.

Mrs. J. R. Owens of Fountain should repeat her wonderful record made during the early part of the week; Miss Ethel Godley, the Grimesland representative, has yet to be heard from for the week's work, but word comes to the office that she is in the field and due in with a record amount of business. Mrs. Maggie Jackson of Ayden should report in most any minute and may give all in the race a surprise. Two more of the heavy producing outside candidates in Mrs. L. D. Wall, E. L. Vanceboro and Miss Margaret Holland of Bethel, will without a doubt be automobile contenders before nightfall. These ladies are running strong and it will take a lot of hard work to go ahead of them.

We could go right down the list.

making special mention of every candidate who has it within their power to do the work between now and the close to win one of the automobiles. We know for a certainty that Mr. D. W. Alexander and Mrs. F. J. Diener will report in with the business that will continue to hold their name well at the top of the list. Several others on the list who have not as yet turned in are expected today.

The last free 50-vote coupon is now appearing in the paper. This coupon will be good for its face value up till the date specified, April 11th, and after that date no more coupons will be accepted by the campaign department. This free voting coupon will not appear in the paper after Tuesday, and so all are urged to gather what they can and have them in the office before the close of business April 11th.

The list of candidates that will appear Monday will be those who will finish the race and share the prizes and commission checks. All now listed who have not as yet turned in at least one subscription will be taken and no other nominations will be received after the close of business tonight. Monday will see the campaign on its last final stages, the eliminations will be over and the real test will be on between those who have the makings of winners.

Beginning Monday the standing of contestants will be published daily, and instead of the usual 10,000 votes allowed to be published above the leader of the previous list, candidates will be allowed to vote 25,000. This means that you can vote enough of your reserve votes to place you 25,000 above the leader of the previous list. Get near the top and stay there. The public will rally more and more to your support if you show a high standing on the list. Don't hold too many of your votes now!

Havers Leading Bobbie Land Fraud Committee Jones in Golf Match Recessed Until Monday

Atlanta, April 5.—Arthur Havers, British open champion, was leading Bobbie Jones, American open title holder, two up at the end of the morning round of the 36 hole, international golf match here. The score was Havers 76, Jones 78.

Washington, April 5.—The Senate committee investigating charges of land frauds in Texas cancelled the meeting it had planned to hold today. The committee will probably meet again on Monday.

DOHENY IS GRANTED INDEFINITE DELAY BY THE OIL COMMITTEE

More Witnesses Will Be Questioned Regarding Oil Deals in Chicago Convention When Oil Committee Resumes Hearings Monday

Washington, April 5.—Edward Doheny, for whom a subpoena was issued by the oil committee more than a week ago, has been granted an indefinite delay by Senator Spencer, Republican, Missouri, at whose request the summons was sent here.

Senator Spencer said that Doheny had advised that because of pressing business matters he could not conveniently leave Los Angeles at the time.

The Missouri Senator desires to question the lease of California new reserve number 1 concerning contributions to the Democratic campaign of 1920.

Upon his last appearance before the committee last February, Doheny promised to make further efforts to find the missing part of the note which he said Albert B. Fall gave his son E. L. Doheny, Jr., when he delivered \$100,000 in cash to the former Interior Secretary in Washington on November 30, 1921.

The committee has heard nothing further from him however so far has been made known.

The Democratic members of the committee desire to question Doheny further regarding the note and several other matters.

When the committee resumes its hearings on Monday W. A. Tilsen, Tulsa, Oklahoma and others will be questioned regarding the alleged deals in the National Republican convention of 1920.

Local U D C Interested In Stone Mountain Book of Memor

The Children's Founders Roll was inaugurated by the Stone Mountain Confederate Monumental Association in order that the children of the South might have a share in the caring of the greatest monument the world has ever known.

It provides for the enrollment of white children under eighteen years of age in the great Book of Memory which will occupy the place of honor in Memorial Hall at Stone Mountain, and for the memorialization of Confederate soldiers whom they wish to honor.

Each child who makes a contribution will receive a small bronze medal designed by Gutzen Borglum, showing that he is one of the founders of the memorial, and later, when his name has been inscribed in the great volume of The Children's Founders Roll, he will receive a certificate showing the number of the page on the line on which his name appears.

One dollar was named as the children's contribution because the association feels that it is small enough to enable every child in the South to have a part in the memorial. It also makes it possible for all families to enroll the names of their beloved Confederate kinsmen whether or not they feel that they can take one of the adult Founders Roll membership of one thousand dollars.

For each one dollar contributed a child can enroll any Confederate Soldier that he wishes to remember—his grandfather, great grandfather, cousin, uncle or friend.

One child may enroll as many names as he likes, provided he sends in one dollar for each name enrolled. For each one dollar sent in the child receive one line for himself and the person he wishes to memorialize.

Contributions will be received in the names of children who are deceased—the same rules governing these applications as those of living children.

If every child in the South contributes his share to the memorial, it will mean, not only that the children will have the honor and glory of helping to build the world's greatest monument to the world's greatest heroes, but that they will have contributed substantially to the memorial fund, thereby enabling.

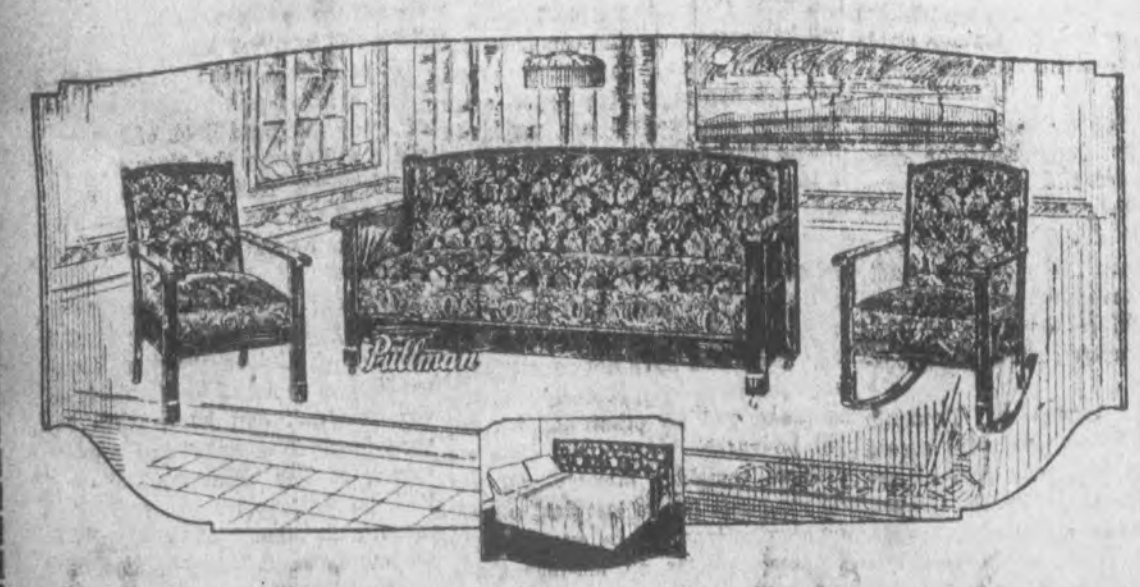

Application blanks may be secured from the President of local chapter Mrs. J. L. Fleming.

LET'S SUPPORT OUR QUEEN
Miss Elizabeth White, selected by a committee of the local Chamber of Commerce to represent Greenville in the "Queens' Contest" Kingston next week, is making preparation to attend and with the support of the citizens of Greenville, she will win honors and return home with the \$500.00 diamond ring.
In making the selection the committee could not have made a better one. Miss White is, in every way, one of the most beautiful and attractive young ladies in the state. For the past few years she has attracted wide attention throughout this and other states on account of her unusual beauty.
It is the custom each year, for a "Queens' Contest" to be conducted in connection with the Eastern Carolina Exposition. Each town which is a member of the Eastern Chamber of Commerce sends a queen. On Queens' day, the young ladies selected appear on a stage

MOUNTAIN WOLVES MIGRATE TO ESCAPE WINTER RIGORS

The present invasion exceeds all previous records. Bulgaria and the Macedonian district north of Salonica have been attacked by wolves, hunting in packs.

and the Queen is selected by popular vote.
Miss Helen Joyner, Greenville's Queen last year, won by a large majority. At that time the report went out that the little "City" on the Tar certainly had a beautiful bunch of "little maids." By sending another of the state's beauties this year Greenville will reach an enviable niche, especially so if she supports Miss White to the extent that she returns with the diamond ring.
"Our Queen" will do her part and the people of the city should do theirs.
Let's attend the Exposition in large numbers and show to the Statq that we can send a "Queen" as long as contests continue.

IN THE VALLEY OF THE KINGS
In the conflict that has brought to a halt the work of the American and English archaeologists at the tomb of Tutankhamen the Egyptian Government has taken an aggressive attitude. Whatever provocation it may have had, it is to be hoped that soon a way will be found to adjust the differences that have had, it is to be hoped that soon a way earned as it is with the merits of the dispute, the resumption of operations at Luxor is awaited with impatience.
For there in the Valley of the Kings has been uncovered the most complete view of the life of the Pharaohs ever revealed to modern eyes.
The first gain is to archaeology, but the service rendered is more far-reaching than that, for archaeology holds the key to greatly larger regions of experience in the life of the race. Of Egyptian art, history, written language and industry in some of its highest forms we already know much more because of the excavations at Luxor, and there will be much more for study when the experts are permitted to return to their labors. They have where exhausted.—N. Y. World.

In the villages around Novo Selo, north of here, the villagers have organized a series of co-operative hunts. When a locality is reported to be infested by wolves, the hunters send out a party of hunters, who drive the predatory animals toward a common point. Here the hunters open fire upon them.
The neighborhood of Salonica and the coastal strip between Porto Lagos and Dedeagatch were now seldom safe, is the center of the sheep raising industry of the Balkans, and many large flocks are driven from Serbia, Rumania and Bulgaria to crop the dry grass.
Toward the flocks the wolves are evidently tending. The dogs are the most valued possession of the shepherds, and there have been several instances in which the wolves have not attempted to raid sheep folds, but have pounced upon the dogs, evidently to clear the locality of the natural protectors of the sheep.

FEEDING FAMILY DESCRIBED AS WOMAN'S PLEASURE

Chicago.—American women are the best cooks in the world, and American men the best-fed mortals. In the opinions of Ada Bessie Swann, chairman of the home economics bureau of the American Gas Association, The average American woman is happiest when she prepares food in her own kitchen and sits down with the family to enjoy it, she adds.
Receipts are being turned out by the thousands and cook books by the hundreds, yet the supply cannot keep up with the demand, Miss Swann declares, leading her to believe that never before has there been such an interest manifested by women in cooking, serving and home-making.
"All this talk about getting the family out of the restaurants and cabarets and back to the dinner table is exaggerated," writes Miss Swann. "Anyone who reads the American woman aright knows that she loves her home and family first. She might have wavered a bit in those uncertain days following the war when millions of women became wage earners instead of home-makers, but the trend is the other way now."

Hoboes Now Avoid New York!
New York.—The hobo is becoming extinct along the sidewalks of New York. A check-up by welfare societies of the "top houses" on the Bowery and other favorite haunts of the genus bears out the statement.
The Hobo College, famed as an East Side hostelry for those of the roving nature, is still open to the public, but its registry cannot boast the records it used to.
Reasons advanced for the growing scarcity of the tramp are that he can no longer successfully meet both the demands of his conscience and those of New York employers.

CHANNEL MONTE CARLO PROPOSED BY SYNDICATE

London.—A London syndicate is behind a scheme to establish a sort of Monte Carlo on the Channel Islands to cater to British gamblers. The islands were selected as being the most likely place to be free from police supervision.
Channel Islanders will be asked to sanction a bill for the legalizing of gambling so that casino may be opened at Guernsey or Jersey. The syndicate has obtained a considerable interest in the islands, including hotel and other property, with a view of exerting its influence as a taxpayer when the time comes for a decision.

This State Ranks Seventh in Number of Public School Pupils

Raleigh, April 3.—Though North Carolina ranks thirteenth in population among the States of the Union there are only six States which have a greater number of children enrolled in the public schools, according to figures made public here. Twenty-nine percent of the total population of the State was enrolled in the public schools in 1921-1922, according to the figures.
Against these figures, however, is the record of attendance which shows that only 72.5 percent of the children enrolled were in daily attendance at the schools.

J. C. GASKINS ANNOUNCES CANDIDACY RE-ELECTION REGISTER OF DEEDS

After mature consideration, I have decided to become a candidate to succeed myself as Register of Deeds for Pitt County, subject to the Democratic primary to be held in June. In making this announcement, I want to thank my friends for their support of me in the past and express, at the same time, my hope that the service which I have been able to render has justified the confidence placed in me by the electorate of the county. If nominated and elected my constant aim and desire will be to render the best service possible at all times and to all the people.
Sincerely,
J. C. GASKINS.

FOR COUNTY JUDGE.

I am a candidate for the office of Judge of the County Court. If elected I will to the best of my ability enforce the criminal laws justly and impartially to all.

W. A. DARDEN.

FOR JUDGE OF COUNTY COURT To the Democratic Voters of Pitt County:

I am a candidate for the office of Judge of the County Court to succeed myself in the coming primary and will appreciate your support. I am a candidate on my record as Judge of the County Court. In the performance of the duties of this office I have endeavored to enforce the law without fear or favor, and maintain for the County a Court which would demand the respect and admiration of the entire citizenship. I have faithfully served the people and if renominated I shall continue to conduct the court and enforce the laws as I have heretofore.
I believe I have satisfactorily served the people, and I am asking for the honor of this office again in order to continue to render public service to the citizens of the county.
I will appreciate your vote and support.
LEWIS G. COOPER.

JAMES L. EVANS FOR COUNTY JUDGE.

To the Men and Women of Pitt County:
As previously announced I am a native candidate for County Judge upon a platform of public service instead of selfish interests. I believe that the court should be so conducted that every lawyer shall have equal and fair opportunity to practice his profession, and that the law should be administered in a fair, equal and impartial manner without undue harshness to any and with special favors to none.
25-1t
JAMES L. EVANS.

FOR RE-ELECTION FOR SHERIFF

I use this method to advise the voters of Pitt County that I am a candidate for re-election as Sheriff subject to the action of the Democratic Primary. I will continue to do my utmost to fulfill the requirements expected of me as to the enforcement of all laws and other duties that belong to me. I will appreciate your vote and support in the coming primary, and stand ready to serve all people alike.
AMOS C. JACKSON.

TO THE DEMOCRATIC VOTERS OF PITT COUNTY.

I hereby announce my candidacy for renomination as Senator from Pitt county. I wish to express my deep appreciation of your suffrage two years ago and hope this announcement meets with your approval.
If renominated and elected, I pledge the best of my ability to the service of our state and country.

Mrs. S. E. Currin will direct the program. The topic for study is "New Neighbors from Lands Afar."

Circle No. 7 will give the devotion-al exercises. Miss Nellie Denny and Mrs. Currin will tell of the work of our church among these new neighbors.

Mr. R. G. Fitzgerald will give appropriate readings.

Special music has been arranged by Mrs. Hadley, Mrs. E. W. Griffin and Miss Rosalind Meier will sing.

The program will be good and important business matters will be discussed.

THE MONOGRAM INSISTS ON ITS RIGHTS

Wearing your monogram on your tummy has come to be much more dangerous than wearing your heart on your sleeve, and much more usual. To be really chic now you must suffer no substitute of ready-made heiroglyphics which could be interpreted, as anyone's initials, but must have your own embroidered with a decipherable clearness so that he who sits opposite you may read. If this seems to you to be too bold a step you may compromise by having a Mah Jong character face the world on the front of your blouse instead of your own insignia. But something you must have, especially for the type of frock which is shown in the picture and is known as the chemisier-bouise frock.

This dress has a delightfully boyish appearance which can almost be guaranteed to make any woman under fifty look, if not sixteen, at least ten years younger. The little tailored collar is cut in a tiny V that exhibits only the best part of the average neck. As a country club dress it would of course be perfect, for the freedom allowed in skirt and shoulders would permit golf or tennis at a moment's notice. It is smart enough, however, to make a most satisfactory costume for summer shopping. The large pleats are in the front of the dress and are held fast above the waist by a narrow outlining cord. The material is Drapac a new supple alpaca created by the South Manchester looms and was seen in a grey-beige shade, the tie and buttons being black and the aforesaid monogram black on a red ground.

Dodge Brothers Production and Retail Deliveries Breaking All Previous Records

Number of Cars Delivered to Customers in Excess of Any Similar Previous Period

Since December 1st, Dodge Brothers dealers have consistently broken all previous records for delivery of cars to customers. Materially increased factory capacity and an unusual demand for their new line of cars has made this performance possible.

IN DECEMBER, JANUARY AND FEBRUARY RETAIL DELIVERIES TO CUSTOMERS WERE 32 PER CENT IN EXCESS OF ANY SIMILAR QUARTER IN THE HISTORY OF THE BUSINESS.

Following this, retail deliveries for the first two weeks in March have been over 4,000 each week, which is the first time this figure has been reached so early in the year. Each week's deliveries establishes a new high record.

Factory production in December, January and February totaled 54,321, 25 per cent greater than the same months of last year, which was Dodge Brothers peak for these months. Daily production in March is averaging virtually nine hundred cars per day.

Dodge Brothers able to compile accurate sales information because of the co-operation of their dealers throughout the entire United States and Canada who send in a weekly report of all retail deliveries made to customers. Through these reports they have an accurate, detailed record of exact conditions existing in each sales territory. Their calculations are based upon the number of cars actually consumed by the publishers of last year, which was Dodge Brothers peak for these months. Daily production in March is averaging virtually nine hundred cars per day.

The constantly climbing delivery records coupled with increasing production, lead Dodge Brothers to believe that the first six months of 1924 will total by far the greatest six months in the history of their business.

With the installation of the 26-hour air service, it became necessary to fly that distance at night. The beacons 30 in number, revolve six times a minute and under normal weather conditions the flares can be seen 40 miles.

France Exports 28,261 Autos

Paris.—During 1923 there were exported from France 28,261 motor cars valued at 730,337,000 francs and there were imported 8,400 cars for which French buyers had to pay 577,775,000 francs.
The higher value relatively of the imported over the exported automobiles was due to the value of the franc as compared to the dollar and sterling. Most of the imported cars came from the United States and England.

GEORGE WASHINGTON Never Told a Lie

History fails to call attention to the fact, however, that George never played golf, and never filed out an income tax statement.

Likewise, he married rather late in life, and a widow at that, so it wouldn't have been much use to try it any way.

Also, if he liked his liquor, (we don't say he did or he didn't) the ways of getting it were not as devious in those days as they are said to be now.

Neither was competition as fierce in those days. Honestly, sometimes we almost forgive some of our competitors some of the things they say about us.
