RICHMOND AROUSED BY SERIES ATTACKS UPON WHITE WOMEN

One Negro Arrested Today and Poses Search for Others Responsible for Outrages

Richmond, Va., Oct. 17. — Two white children on their way to attend classes at a Germantown school this morning were accosted by two negroes according to reports made to police headquarters. A detail was immediately rushed to the scene to search for the negroes. This reported occurrence is the fifth of its kind for the past week during which negroes have attempted to attack seven white women and girls. Yesterday on the Petersburg-Richmond turnpike a white woman was attacked by a negro and a posse of citizens last night and today scoured the vicinity in an effort to apprehend the assailant. Every effort is being made to run down those responsible for these outrages. A negro who went to the home of the keeper of a Hebrew cemetery here and threatened the keeper's wife with a pistol if she did not admit him or if she made any outcry, was arrested this morning and has confessed according to authorities. Later the negro was identified by the woman.

Another negro thought to be the assailant of the woman on the Richmond-Petersburg turnpike, has been arrested in Emporia. He is said to answer the description furnished by the woman and so far he has refused to talk. Detectives from Richmond have been sent to Emporia to bring the negro here.

Wonderful Meeting Held at Haddock's X Roads, Thursday

One of the most wonderful meetings ever held in Pitt county was held Thursday afternoon in the one-room school house at Haddock's Cross Roads.

The situation is four miles from Ayden, out in the woods, in a scattered colored community. Here the Bishop of the Diocese, the Rt. Rev. Thomas C. Darst, D. D., accompanied by the Revs. Geo. F. Cameron, Rector of St. James' church, Ayden and James E. W. Cook, Rector of St. Paul's Church, Greenville, met the Field Secretary of the colored work, the Rev. E. S. Willetts and the Rev. John B. Brown, Rector of St. Paul's Church (colored) Washington, N. C. A white cloth on the table and white hangings on the wall tyfied the altar; school benches served for pews. Through the unshaded windows the warm afternoon sun flooded the room.

A fine group of colored people formed the congregation. Evening prayer was read, and after singing, the Bishop preached a sermon on the Pentecost of the Early Church, and afterwards confirmed twenty-seven colored people who were presented for confirmation, 14 women and 13 men.

This religious awakening at Haddock's Cross Roads is largely due to the self-sacrificing services of John Lipcombe, of Ayden. The whole community is deeply interested in the project of building a church. An acre of land has been purchased and cleared and lumber is being prepared to start its erection in the immediate future, and these colored converts are doing all in their power to hasten the time when they will have a church of their own. They have taken the name of St. Stephen's Mission, and something of the martyr's spirit is seen in their earnestness and zeal. As the candidates knelt on the bare floor to receive the laying on of hands the little old school house was lit up with a glory that did not come from the sun alone. With the eye of faith one could still say, "Beloved, I see the heavens opened, and the Son of Man standing on the right hand of God."

ZR-3 BREAKS ALL WORLD'S RECORDS IN OCEAN FLIGHT.

Above: DENNIS SHEA, IN LAKEHURST HANGAR. (Below) CANARY MASCOOT, DR. ECKENER & U.S. OFFICERS. The ZR-3 broke all endurance and distance records when she reached her hangar at Lakehurst, N. J., from Friedrichshafen, a distance of 5,066 miles, in eighty-one hours and seventeen minutes. She is shown here as she is being walked into her hangar. As she passed over New York City, Dr. Eckener, her commander, dropped a message to the press on the International News Service, which was picked up by Jacob R. Klein.

DRIVER LOSES LIFE CHARLOTTE TRACK

Ernie Ansterberg Loses Control of Car and Crashes Through the Fence of New Speedway

Charlotte, Oct. 17.—The body of Ernie Ansterberg, Los Angeles, automobile race driver, is being held here today pending instructions from his widow, who is said to be in Los Angeles, as to disposition. Ansterberg, the world famous driver, was almost instantly killed late yesterday when he lost control of his car and crashed into the fence in a tryout on the newly completed Charlotte speedway. Messages were sent last night to Mrs. Ansterberg at Los Angeles but early this afternoon no reply had been received. His native home is said to be Concord, Michigan, but no word has been received from that place in reply to messages. Ansterberg was one of the 14 entrants for the \$25,000 purse in the initial race on the Charlotte speedway to take place October 25. Other drivers here for the race were at a loss today to explain the cause of the accident that snuffed out the life of Ansterberg.

Storms Prevent Shenandoah From Visiting Frisco

San Francisco, Oct. 17.—The navy dirigible Shenandoah, delayed by a storm and head winds encountered last night on its trip along the coast from San Diego, today put a message in the air to Mayor James Rolph, Jr., of San Francisco saying that the aircraft would not visit San Francisco until its return trip.

LOS ANGELES CLASSES CRANKS AS MENACE TO THE COMMUNITY

Los Angeles, Oct. 17.—Henceforth writers of "nut" and "crank" letters will be investigated if they can be identified and located, it is announced by Chief of Police R. Lee Heath. The chief says such letters will be sent to the department's bureau of public relations, which will dispatch investigation. Where necessary information will be turned over to the county psychopathic commission, and a speedy disposal will be made of any person deemed a menace to public safety.

Chicago, Oct. 17.—The Republican campaign organization intends if possible, to collect an additional \$1,300,000 to carry on its work between now and election day, William M. Butler, chairman of the National Committee, testified today before the special Senate Campaign Fund Investigating Committee.

DIVORCEES OF ONE AND 2 WEEKS WED

Hall-Quest, Hart "Perfect Love" Affair Ends in Two Divorces and Wedding

Chicago, Oct. 17.—Mrs. Shirley Knox-Hall-Quest, divorcee, two weeks ago by Dr. Alfred Lawrence Hall-Quest, and Frederick William Hart, divorced by Mrs. Rosamond Hart, of Cincinnati, last Monday was married at a hotel here last night by Judge Dennis E. Sullivan. The couple left immediately after the ceremony for Minneapolis the home of Mrs. W. M. Knox, Mrs. Hart's mother. A few moments before the ceremony Hart and Mrs. Hall-Quest met for the first time since two weeks ago in Evanston, Ill. an hour after the publication of the Hall-Quest divorce. Hart did not arrive here until after the license bureau had closed for the day and some time was spent in procuring the licenses. Judge Sullivan was then summoned from his home to the hotel where the wedding took place.

ARCTIC ICE INTERFERES WITH FAR NORTH RADIO

Ottawa, Ont., Oct. 17.—Establishment of the farthest-north radio station in the world, on Herschell Island in the Arctic Ocean at the mouth of the Mackenzie River, has been abandoned for this year, the National Defense Department of Canada announces, because of failure of the motorship Lady Kindersley to get through ice in the Arctic Ocean with equipment. Ice in the Arctic Ocean this summer not only caught the Lady Kindersley, but seized the trading schooner Arctic of San Francisco, and crippled and turned back the cutter Bear of the United States Coast Guard. This vessel was to have taken off a group of 13 persons left on Wrangell Island, north of Siberia, in 1923.

Political Activities Cause Withdrawal Minister From The Methodist Conference

Greensboro, Oct. 17.—Reverend Tom P. Deminson, for the past three years, pastor of the Spencer Methodist church, today withdrew from the Western North Carolina Conference of the Methodist Episcopal Church South. The action took place after Deminson had made a report to the conference of the work of his church. When Deminson's name was called in the conference he arose to his feet and quietly said: "I am interested in some matters not especially related to the Methodist itinerary and my interests in these things has been a source of irritation and embarrassment to my brethren in the conference. Because of these things, I have made up my mind to devote my attention to other work which is to my mind as important as this of being a Methodist pastor. Therefore I request this conference to grant me a location."

The request was unanimously granted after Bishop Collins Denny put the question. To the Associated Press the Rev. Mr. Deminson gave the following statement: "In a conference with Bishop Denny last night he informed me that my interest in political and economic affairs made me unacceptable as a Methodist pastor and that he could not send me anywhere that would be acceptable. He said, 'If I were to send you anywhere I would be forcing you upon an unwilling people. I did not take issue with him nor do I now. However, if religion is unrelated to the great questions that are agitating the world today I do not care to be a pastor. If I must sacrifice my rights as a citizen in order to be a Methodist preacher I do not care to be a Methodist preacher. I cannot get the consent of my mind to be a blind follower of political bosses and I cannot become a sort of celestial police for the manufacturers and money grubbers.'"

To the Associated Press correspondent Mr. Deminson admitted that his candidacy for Senatorship on the La Follette-Wheeler ticket in North Carolina and his continued espousal of the Third Party had subjected him to much criticism from within the church, hence his withdrawal.

"I can now devote my time to something for the state," he said after which he immediately communicated with Third Party Headquarters saying, "I am as free as a bird."

Deminson's report to the conference for his church showed that 47 new members had been added and a \$12,000 budget raised during the past year.

Wires were received by the presiding elder of the Salisbury district urging that Deminson be returned to the church in Spencer and like telegrams were received by Bishop Collins Denny.

Supervising Inspector Assigned to State for Inspection of Fruits

Raleigh, Oct. 17.—George R. Ross chief of the North Carolina State Division of Markets, has consummated a contract with the Bureau of Agricultural Economics of the United States Department of Agriculture, whereby Albert E. Mercker, Supervising Inspector, is assigned to North Carolina to take charge of the inspection and standardization of Fruits and Vegetables. Mr. Mercker, according to Mr. Ross, is considered one of the most practical men in government work, having been a salesman of fruits and vegetables on the New York market for many years. Since January 1918 he has been working for the Inspection Service of the Bureau of Economics, having formerly been in charge of the inspection work in the Northeastern District with headquarters at New York before being assigned to shipping point work.

DEATH CALLS INFREQUENTLY IN QUIET ENGLISH VILLAGE

Pickworth, England, Oct. 17.—This little village in the smallest county of Britain, with only 150 inhabitants contains four people of over 70 years of age, five over 80 and two over 90. Their ages total about 900 years. In one cottage where a couple have lived for 63 years and brought up 13 children, there has not been a death for over 50 years, and in five adjoining cottages only eight people have died in 56 years. The village lies in a sleepy hollow four miles from a railway station.

NOTED CHICAGO PUBLISHER DIES SUDDENLY WASHINGTON

Washington, Oct. 17.—H. H. Kohlsatt, noted former Chicago publisher and close friend of many presidents, died suddenly today here at the home of Secretary Hoover. He had come to Washington for a visit and although he had been in poor health for some months his condition had not been considered serious.

PITT COUNTY POST AMERICAN LEGION BE HOSTS DINNER

Will Have as Honor Guests, Members of Auxiliary, Pres. R. H. Wright and State Commander, Wade H. Phillips

On Tuesday evening October 21 at 7 o'clock in the basement of the Methodist church the Pitt County Post of the American Legion will be hosts at dinner having as honor guests, the members of the Auxiliary, President R. H. Wright and Mr. Wade H. Phillips, of Lexington, State Commander of the American Legion.

The members of the legion consider it an honor to be visited by the state commander. His address will feature the program. Mr. Phillips is vitally interested in the work of the Legionnaires throughout the state and his address will do doubt be an inspiration to the local post.

President R. H. Wright of the Eastern Carolina Teachers College who since its organization has been one of the ardent supporters of the Legion, will also deliver an address. During this week each member of the Post will receive a letter with which will be found a card. They are requested to fill out these cards at the earliest moment possible and mail them to Mr. S. L. Bridges. It is absolutely necessary that he be advised at an early date if you expect to attend.

An enjoyable evening is in store for the hosts and their guests. An interesting program, which will be featured by addresses and musical selections has been arranged and every legionnaire is urged to attend bringing with him his wife or lady friend.

ILLINOIS SLAYERS NOT PLEAD GUILTY

Rev. Lawrence Hight and Mrs. Elsie Sweeting to Be Arraigned in Court Today

Mount Vernon, Ill., Oct. 17.—The arraignment of Lawrence M. Hight, former preacher at Ina, and Mrs. Elsie Sweeting, on charges of murder in connection with the death of Hight's wife, Anna, and Mrs. Sweeting's husband, Wilford Sweeting was on the court docket here today. A joint indictment charging the couple with the double murder was returned yesterday. According to announcement of lawyers neither of the defendants will plead guilty.

Champion Gate Crasher Is Enroute Charlotte Races

Raleigh, Oct. 17.—One Eyed Connelly, champion gate crasher, arrived in Raleigh yesterday enroute to Charlotte where he expects to see the auto races the latter part of next week. Connelly recently crashed the gates at all the world series games he told newspaper men here this morning. Shortly after he arrived here he slipped into the city auditorium and witnessed a boxing show. He declared that he has attended all the sporting events in this county and Canada for the past 20 years and has never yet paid his fare.

MOST SUCCESSFUL PITT COUNTY FAIR CLOSES TONIGHT

Thursday Evening's Program Featured by Ku Klux Klan Parade; Largest Crowd in the History of Fair in Attendance

At the close of today the Fifth Annual Pitt County Fair will become history and preparations will be begun immediately for the fair next year. The 1924 fair has perhaps been the most successful in history. It has been attended by the largest crowds ever attending a fair and has been conducted in a splendid manner.

Yesterday was by far the most enjoyable day of the "Four Joyous Days". The evening program was featured by the most unique parade ever witnessed in the county of Pitt when several hundred members of the Ku Klux Klan paraded from Five Points to the Fair Grounds. Upon their arrival at the Fair Grounds, Rev. W. L. Starn of Kinston delivered an address.

For nearly two hours over fifteen thousand people awaited the arrival of the Klan. This was the largest and most orderly crowd ever attending any one single event on the Fair Grounds. They waited patiently as the free attractions were given and when the twenty-four piece Klan band, announced in the distance that the Ku Klux was coming perhaps a silence without a parallel in history, settled over the thousands of people. It is impossible to describe the effect of the approach of so many robed figures. The minds of the old people present perhaps went back to the days when the Ku Klux Klan was such a dominant factor in making of history, while the young people looked on in awe wondering what the Ku Klux really was, and thinking of what their forefathers had told them of days gone by.

After they had paraded the length of the race track to the grand stand the fair band rendered the selection, "Hail, Hail the Gang, is all here." The Klan band followed this with a selection and then the Rev. Mr. Staube delivered his address. Despite the large crowd his voice carried and several thousands of people enjoyed his address.

This event will keep the 1924 Fair before the people for years to come. Boyd and Linderman shows will remain open through Saturday. There will be no gate admission on this day and it is expected that a large crowd will be in attendance.

Around World Hikers To Compete for the World's Championship

Raleigh, Oct. 17.—Two around the world hikers met here the other day. One of them claims to be the champion walker of Europe and the other declares he is the title holder of America. The pair want to determine the champion long distance speed walker of the world and they have reached an agreement whereby the decision is to be reached. It is only a matter of 86 miles from Raleigh to Greensboro and they have decided to walk the distance to determine what they claim will be the world's championship.

Sergeant-Major Charles C. Franklin, of Birmingham, Ala., and Captain J. Scott Evans, of Edinburg, Scotland are the two contestants. Sergeant Evans and Captain Evans will be started on their hike for Greensboro at noon tomorrow by Mayor Culbreth of this city. Franklin will carry the Stars and Stripes and Evans will carry the Union Jack. Each will carry a pack weighing 45 pounds.

The hikers expect to reach the city hall in Greensboro not later than 6 o'clock Sunday morning.

**Kansas Unites to Honor Their Chief Justice, Johnston**

Topeka, Kans., Oct. 16. — When William Agnew Johnston rounds out his fortieth year as justice of the supreme court of Kansas, his late will pay him the signal tribute of re-electing him to that office without opposition. Chief Justice Johnston was unopposed in the Republican primary, and is unopposed in the coming general election. It is the first instance in Kansas, and, fellow-jurists hazard, the first instance in the country, where a supreme court justice has been elected under a party system without facing an opposing candidate.

Forty years ago, when this state had scarcely reached its majority, William Agnew Johnston was chosen an associate justice to fill the vacancy caused by the resignation of Justice David J. Brewer, who became a federal circuit judge and later was a famous United States Supreme court justice. Since December 1, 1884, Justice Johnston has maintained his seat on the high court, and for the last 22 years has been Chief Justice, the honor falling to the senior in commission. Barristers of

three generations have practiced before him. Justice Johnston has been linked with the prohibition movement since its inception, more intimately than any other Kansan, prosecuting many of the earlier suits as attorney general and shaping the interpretation of the laws from the bench. Justice Johnston was born in Oxford, Ontario, July 24, 1848. He had no college training. Studying law in an office at Apton City, Mo., for three years, he migrated to Minneapolis, Kansas, still his residence, and there was admitted to the bar in 1872. Three years later he was elected to the legislature.

**Truthful Radio Amateurs Will Be Given Certificates**

Chicago, Oct. 17. — Another innovation in the radio world will be launched Oct. 14, when a score of the leading broadcasting stations of the United States and Canada will begin the issue of engaged stamps, each bearing the surcharge of the individual station, to listeners who submit reasonable proof they have actually heard a station's program. It is planned to give radio fans another sport in stamp collecting as well as make bona-fide the reports of long distance radio reception. The idea, conceived by Towner K. Webster, brother of the novelist, has been adopted by stations in virtually all the larger cities of the country and later is expected to be universally in vogue.

The stamps bear upon their face an eagle standing between two arial towers of a radio-casting station, the one emblematic of the king of the air and other signifying the king of the ether. Below the pictured design of the two kings are the station call letters and in the corners are the letters E K K O, selected to identify the stamps from spurious issues which might be put out.

An album has been prepared for the stamps, with pages arranged by states and provinces. For the luckier fans is a page for stamps for the more powerful foreign stations which are occasionally heard in America. The stations having the greatest amount of power are listed in the upper left-hand corner, and those with lesser power range to the right and on lines below.

In addition to the regular station stamps it is also proposed that commemorative stamps be issued for special events which are broadcast, such as the inaugural address of the next President of the United States, the national conventions, or other events of nationwide importance.

**Sells-Floto Circus Pleases Thousands**

Persons from this city who have visited the Sells Floto circus during this week have brought back reports that the circus is the best that has shown this part of the state and many of the acts surpass any ever before shown in the section.

The big circus completes its tour of this section at Washington tomorrow and there are indications that thousands from the surrounding territory will attend one of the two great performances.

The circus while the second largest in the world claims the world's longest street parade. Among the features well worth the price of admission according to those who have attended the circus are the famous Flying Wards, aerial acrobats; the largest aggregation of Royal Bengal tigers carried by any known circus, and the fifteen performing elephants, to say nothing of the fun furnished by the 200 clowns.

Reports from Washington are that grown-ups as well as youngsters are eagerly awaiting the arrival tomorrow morning of the special train that will bring the mammoth circus to the city and no doubt one of the largest crowds in the history of the city will be on hand to witness the unloading.

The street parade will leave the circus grounds at 10 o'clock. The two performances will begin at 1:15 and 8:15 p. m.

**Constipation is ruinous to children—keep yours healthy with Kellogg's Bran**

Constipation undermines a child's health. It saps his energy and makes him listless. It can lead to more than 40 other serious diseases. Mothers should take immediate steps to remove, safely and surely, the dangerous poisons from his system.

Kellogg's Bran—because it is ALL bran—brings permanent relief. Nothing but ALL bran can be 100 per cent effective. That is why Kellogg's Bran, cooked and krumbled, is universally recommended by doctors. They know it brings results.

If eaten regularly, Kellogg's Bran is guaranteed to give permanent relief in the most chronic cases of constipation, or your grocer returns your money. Kellogg's Bran acts on the intestines exactly as nature acts. It sweeps and cleans and purifies them. It makes them function naturally and

regularly. It allows you to discontinue forever the use of harmful, habit-forming drugs and pills.

Kellogg's Bran, cooked and krumbled, is a delightful surprise to the taste—particularly if one has tried ordinary unpalatable bran. Kellogg's Bran has a delicious, crisp, nut-like flavor—an exclusive flavor. It is most enjoyable with milk or cream, sprinkled over other cereals or cooked with hot cereals. Try it in bread, muffins, griddle cakes and other recipes given on every package.

Have your children eat it regularly—two tablespoonfuls daily—in chronic cases, with every meal. Kellogg's Bran is made at Battle Creek and sold at all grocers. It is served in individual packages by the leading hotels and clubs. Ask for it at your restaurant.

## MAIL SERVICE SUFFERS; EMPLOYEES BETRAYED

The Harding-Coolidge administration is charged with betrayal of Federal postoffice employees and with repudiating the platform pledge of its part made in 1919, by Henry W. Strickland, editor of "Railway Postoffice" and executive secretary of the Railway Mail Clerks' Union, just issued from Washington. Mr. Strickland charges that in spite of the Republican party's promise of improved postal service, made in 1920, the Harding-Coolidge administration "has been steadily curtailing its railway mail service and decreasing its force of employees."

"Service to the public has been reduced over 10,000 car miles annually" said Mr. Strickland, and "while the volume of mail has increased 20 per cent, the number of railway mail clerks has been reduced 44 1-2 per cent. The men have been overworked and underpaid and service is growing worse."

"Every railway mail clerk has been compelled to do 25 per cent more work than the average man should handle, resulting in lowered morale and decreased efficiency. At the same time, the official reports of the postoffice Department show that railway mail service mileage has dropped from 144,760,658 miles in 1920 to 135,579,633, in 1923."

"During this period of retrenchment of service, the least efficient type of car, the 15-foot compartment affair, with but one clerk to work miles, has been installed on more runs making an increase in mileage of this poorest kind of railway postoffice of about 5,000,000 miles. The best type of car is 60 feet long."

"The declaration of the Republican 1924 campaign text book that the postal service has been reorganized for better service is belied by the facts."

"The G. O. P. has been both false to its promise in 1920 and false in its representations of existing conditions in the Postoffice Department."

"Rapid growth of the parcel post, together with the decrease in the space of mail cars from the 60-foot to the 15-foot cars has jammed the railway postoffices so that at times the clerks cannot move about except with great difficulty, has restricted working space below the actual needs of the service, and has increased the difficulty in handling the mails. Thus the present administration, while curtailing service to the public on the one hand, on the other is driving the worker beyond reasonable speed and reasonable hour."

Thus is the Railway Mail Clerks' condemnation of the Coolidge administration added to that of the postoffice clerks who through Thomas P. Flaherty, Secretary-Treasurer of the National Federation of Post Office Clerks, denounced President Coolidge's veto of the bill to increase the pay of postal employees somewhat commensurate with the increase in the cost of living. While Mr. Coolidge vetoed the bill giving a fair increase in pay to clerks, carriers, etc., he signed a bill last April granting pay increases to Post Office Department officials whose salaries are \$5,000 a year or more, some of these increases being as high as 50 per cent. Yet the President could not approve a pay increase of \$300 per year to clerks drawing \$1,400 per annum. Secretary Flaherty denounced the veto as a "wanton abuse of power" and showed that it is injurious to the postal service because thousands of efficient employees are being forced out of the service because they cannot support their families on the wages they receive.

## Special Collection Christian Education To Continue 3 Months

Nashville, Tenn., Oct. 17—Special collection period of the Christian Education Movement of the Methodist Episcopal Church, South, which began on Wednesday, October 15, will have right of way throughout the denomination for the next three months, Mr. H. R. Shorman, associate secretary of the Board of Education, announced here today.

The Christian Education Movement, it was explained, is part of the work of general Bdard of Education of the Methodist Episcopal Church, South, of which Stonewall Anderson is general secretary. Dr. Sherman has special supervision of the Christian Education work.

According to Dr. Sherman, during the three months period, from October 15 to January 15, 1925, efforts will be made in all Methodist church-

Good bakings are becoming a matter of fact in this country. Years ago, the woman who had success on bake day was rare. Now, most anyone can be proud of their bakings,—the young bride, the school-girl and all.

Calumet Baking Powder has made all this possible, it is sitting on the pantry shelf in millions of homes, that's the secret of baking success—the real reason for uniform and wholesome food.

**CALUMET** The World's Greatest BAKING POWDER

If you are among the few who are not familiar with the results obtained from using Calumet, try it—learn the difference between the results that come from using a perfect leavener and those that are experienced when using unreliable brands.

To follow the directions on the Calumet label is to invite success. You must not use as much as you do of many other kinds. You know Calumet has greater leavening strength than many other brands—it goes farther—makes more bakings—the last spoonful is as good as the first.

A pound can of Calumet contains full 16 oz. Some baking powders come in 12 oz. cans instead of 16 oz. cans. Be sure you get a pound when you want it.

**MRS. R. D. HARRINGTON MRS. C. S. GRAVES AND MISS WARD MOORE ENTERTAIN**

Hostes, at Weinie Roast in Honor of Miss Novella Moye and Mr. Ed. Williams.

Mrs. R. D. Harrington, Mrs. C. S. Graves and Miss Ward Moore were hostesses on Thursday evening at a "Weinie Roast" complimentary to Miss Novella Moye and Mr. Edward Williams, who will be married on Thursday evening, October 23rd.

Mrs. Harrington's large and attractive lawn was appropriately decorated for the occasion with two big bon fires making the scene more effective.

Upon arrival the guests formed a large circle and drew from a bag a "stunt" which they were requested to perform during the course of the evening. Those who were to assist in the serving also drew their "job" from the bag. The stunts were very attractive and afforded quite a bit of amusement.

The menu was served in cafeteria style, the tables being marked with large placards which directed the guests. First table contained the "plates, knives, forks, etc.," the second, "Weinies and accessories," the third "pork and beans" the fourth spaghetti and fifth, "coffee and tea." After the guests were "too full for utterance," they saw another large placard directing them to a basket which contained bags of marshmallows. Each was given a

bag and invited to the bon fire where they spent several enjoyable minutes roasting them.

Miss Moye and Mr. Williams were then showered with a miscellaneous shower which consisted of every imaginable thing from a rolling pin to a broom. The presents, however, were very useful and will prove of great value to the young couple when they go house keeping.

The "weinie roast" was indeed enjoyable and proved one of the most unique affairs of the season.

**NEW LAMP BURNS 94 PCT. AIR BEATS ELECTRIC OR GAS**

A new oil lamp that gives an amazingly brilliant, soft, white light, even better than gas or electricity, has been tested by the U. S. Government and 35 leading universities and found to be superior to 10 ordinary oil lamps. It burns without odor, smoke or noise—no pumping up, is simple, clean, safe. Burns 94 per cent air and 6 per cent common kerosene (coal oil).

The inventor, S. G. Johnson, 642 N. Broad St. Philadelphia is offering to send a lamp on 10 day's free trial or even to give one free to the first user in each locality who will help him introduce it. Write him today for full particulars. Also ask him to explain how you can get the agency, and without experience or money make \$250 to \$500 per month.

**JAPANESE INSPIRED TO EXPLORE MONGOLIA'S UNKNOWN LANDS**

Tokio, Oct. 15.—Tsunemichi Kiyoura, son of Viscount Keigo Kiyoura, former Premier, will lead a party of Japanese explorers and scientists into Mongolia next spring, according to plans recently announced. The purpose of the enterprise is to increase Japanese knowledge of Mongolia and to link that large and undeveloped territory more closely culturally and economically with Japan. The scientific researches in Mongolia by the Third Asiatic Expedition of the American Museum of Natural History, under Roy Chapman Andrews, has been an incentive to Japanese exploration in that region.

## Railroad Man Gives Facts To The Public

**W. A. New Says Tanlac Restored Strength Following Spell of Flu**

"Well sir, it's a fact, before I had finished one bottle of Tanlac, I began to straighten right up," declared W. A. New, 811 West Trade St., Charlotte, N. C., timber agent for the Piedmont & Northern Railroad Co. "About two years ago the flu put my stomach and nerves to the bad and left me terribly shaky and run-down. A railroad friend of mine put me on to Tanlac and I bought six bottles. My wife was run-down, too, at the time, so we started on Tanlac and in a short time we were eating everything and not having a sign of stomach trouble.

"The six bottles put us both in good shape. I soon regained my lost weight and strength and have been using Tanlac off and on ever since and it never fails to do the work."

We are seldom without Tanlac now in our house. Tanlac is for sale by all good druggists. Accept no substitute. Over 40 million bottles sold.

Cologne, Oct. 15.—The village of Allraht near here boasts of the first church bells made of an alloy of aluminum and copper. Their weight being only one-third of the traditional bronze bells, the superstructures of the steeples may be built more lightly and inexpensively. Furthermore, there is no danger of the bursting or rusting of bells made of aluminum.

Come to A. K. Hatem unloading sale, get all the merchandise you need for fall and winter and still have some money left.

**WOMEN ARE PEOPLE**

Who laugh, cry, work and play, just like the rest of us. Let's be frank about it and admit facts. The world is full of sunshine and flowers; gay, laughing people, joyous children and contented old folks. It is also full of shadows and dead leaves; hopeless drudging failures; women who toil and children and girls who labor. Every widow who toils and every child who works is the result of somebody's mistake. Somebody planned to live longer, thought tomorrow of next week would be time enough to prepare. But he was mistaken, and is now dependent upon them or is dead, but not forgotten. Don't make the same mistake. Read Claude Tunstall's health ad in today's paper and phone or write him to call to see you. Phone 75 or 280-W. ### Knute Nelson Honored.

Christiania, Oct. 7.—A memorial to the late Knute Nelson, of Minnesota, who, born a peasant boy in Norway, eventually attained high honor, as a member of the United States Senate, was unveiled recently at his birthplace, the little village of Evanger, in the County of Voss. Funds for the memorial, a stone obelisk bearing a bronze plaque, were contributed by the Young Peasant People's Society.

### HOW DOCTORS TREAT COLDS AND THE FLU

To break up a cold over night or to cut short an attack of grippe, influenza or sore throat, physicians and druggists are now recommending Calotabs, the nauseless Calomet tablet, that is purified from dangerous and sickening effects. Those who have tried it say that it acts like magic, by far more effective and certain than the old style calomet, heretofore recommended by physicians.  
One or two Calotabs at bed time with a swallow of water,—that's all. No salts, no nausea nor the slightest interference with eating, work or pleasures. Next morning your cold has vanished and your system feels refreshed and purified. Calotabs are sold only in original sealed packages, price ten cents for the vest-pocket size; thirty-five cents for the large family package. Recommended and guaranteed by druggists. Your money back if you are not delighted.—adv.
