SCORES INJURED IN JERSEY CITY FIRE

Teachers Of District Gathered Here In Annual Meet

JERSEY CITY SUFFERS SEVERAL MILLIONS LOSS BY FIRE THIS MORNING

900 Families Rendered Homeless by Fire Which Destroyed Several Factories and Two Rows of Tenements

Jersey City, N. J., Nov. 14.—A conflagration which started in the salt-petre plant of the Richardson Chemical Company and leaped beyond control of the forces of two cities to the abandoned plant of the American Sugar Refining Company and then destroyed several smaller factories and two rows of tenement houses, raged for four hours before firemen declared it under control at 1 o'clock this afternoon.

The loss is estimated to run into millions of dollars. 15 persons are seriously injured or burned and scores of others were cut by glass blown out over a half mile radius by a series of explosions and 900 families were made homeless.

Jersey City, N. J., Nov. 14.—A fire which started in the salt-petre plant of the Richardson Chemical Company, on Warren street, spread rapidly to the huge American Sugar Company Refining plant nearby and to buildings of the Colgate Soap Works.

The entire city block was a roaring furnace at 11:30 o'clock. Fire seeped through a dozen streams of water beyond all control while terrific explosions blew out roofs and walls of the salt-petre plant. Not a window in the vicinity of several blocks remained intact following the explosions. Fifteen persons were reported to have been overcome by the fumes from the fire and many were treated for cuts from the flying glass. Stiffing fumes would cover the city and across the Hudson river.

A hurry call for aid brought fire boats from New York with firemen to assist in getting the conflagration under control. At 11:30 many ambulances were on the scene.

The fire after burning for two hours was threatening the entire American Sugar Refining Company plant at 11 o'clock.

Two thousand children from a nearby public school were rushed out of the building. As they came into the street a terrific explosion at the salt-petre plant hurled the roof 50 feet into the air and scattered it in all directions for several blocks. The terrified children fled through the streets and it was some time before 500 policemen finally herded them out of the danger zone. Parents and children in tenement houses in the district were removed by means of taxicabs and ambulances to safe regions.

At 11 o'clock many firemen were reported to have been overcome.

The Richardson plant was used for the manufacture of salt-petre and many officials said that water was a futile weapon against the salt-petre flames. When the south wall of the refinery caved in the huge plant was a mass of flames, and all hope of saving it was abandoned.

The Hoboken fire department joined the fire boat from New York to help the Jersey City firemen. Several hundred volunteer firemen were engaged in battling small fires which caught in various tenements and buildings. Special watch is being kept on nearby piers.

Power Company to Increase Capital to \$12,000,000

Raleigh, Nov. 14.—The Western Carolina Power Company, of Charlotte, today filed with the Secretary of State here, an amendment to their charter increasing their capital stock from \$5,500,000 to \$12,000,000.

Duchess Gets Cabinet Post from Baldwin

DUCHESS OF ATHOLL

The Duchess of Atholl, distinguished Celtic scholar, long interested in educational matters in Scotland, has been appointed Parliamentary Secretary to the Board of Education in the Stanley Baldwin Cabinet. She was one of the four women elected to the House of Commons in the recent election.

NEW PRESIDENT OF VIRGINIA LEAGUE IS TO BE ELECTED

Directors of League to Choose Successor to Rocky Mount Man Tomorrow Night

Richmond, Nov. 14.—A new president of the Virginia Base Ball League will be elected at the annual meeting of directors here tomorrow night. President W. S. Moye, of Rocky Mount, North Carolina, who has served in that capacity for the past two years will not be a candidate as he said in a telegram to the Richmond News-Leader today.

"And if my good friends, the directors of the league, should be so kind as to elect me I could not accept it as personal business and private interests force me to retire," said the president's telegram.

Several candidates have been mentioned for the place to be vacated by Mr. Moye and indications are that the balloting will be lengthy.

Kentucky Rioters Given Hearing Today

Harrodsburg, Ky., Nov. 14.—Decision was scheduled to be given today in the case of G. A. Farris, Knoxville, Tenn., charged with rioting in connection with Sunday night's clashes at Dix River dam near here and given an examining trial yesterday. Of the 13 other men arrested on has been dismissed the other 10 remaining to be tried today.

Walter Chase and John Williams held in connection with the murder of Edward Winkle in an attempted holdup are also docketed for preliminary examination today. Winkle's slaying resulted in a clash between white construction workers and farmers and a group of negro laborers.

MEDICAL SOCIETY IN JOINT MEETING HERE LAST NIGHT

Interesting Program Is Rendered; Dr. N. Banks McNary Elected President and Dr. Charlie Mangum Secretary

The Second District Medical Society with the Tri-County Medical Society held a most interesting and enjoyable meeting at the Rotary Building last night. The seven counties of the Second District were represented with several visitors from other districts present.

The session was opened by Dr. Greene, of the Pitt County Medical Society, who turned the meeting over to Dr. W. P. Saunders, of the Tri-County Medical Society, who presided in a most pleasing manner. The address of welcome was delivered by Dr. C. O'H. Laughinghouse. As usual his address conveyed a glad welcome and everyone was made to feel that their presence was indeed appreciated. He recited a poem from Dr. Cyrus Thompson which was enjoyed.

Dr. N. Banks McNary, of the Caswell Training School, responded to the address of welcome, expressing the great pleasure of the members of the Second District Medical Society at being guests on such an enjoyable occasion.

The following interesting papers were read and discussed: "The Diagnosis of Tuberculosis," by Dr. Kinlaw, of Rocky Mount, and "Blood Transfusion in Infancy," by Dr. W. P. Saunders. Both papers were well presented and contained much valuable information.

Dr. McNary gave a dramatic talk on Society's responsibility to the Feeble Minded. His talk contained many facts of importance relative to the feeble minded and gave the sixty guests in attendance, something to think about.

Dr. McNary was elected president of the Second District and Dr. Charlie Mangum was elected Secretary. The next meeting of the Second District will be held in Kinston, while the next meeting of the Tri-County Medical Society will be held in Washington.

A tempting three course turkey dinner was served.

MUNICIPAL ASS'N. TO MEET NOV. 25

Members Will Meet to Discuss Legislation to Be Presented to Next General Assembly

Raleigh, Nov. 14.—A meeting of the members of the North Carolina Municipal Association has been called for November 25 to discuss a legislative program to be presented to the General Assembly in January. It was announced today by W. L. Dowell, of Raleigh, secretary of the association. The meeting will be held in the municipal building here.

The meeting was called at the direction of Mayor D. M. Clark, of Greenville, president of the association.

Simmons is Re-elected Without Campaign Cost, Says Report

Washington, Nov. 14.—Senator F. M. Simmons, of North Carolina, in a report to the secretary of the Senate today stated that in his successful campaign for re-election he received no contributions and had incurred no expenses.

MRS. HARDING'S CONDITION REPORTED AS NOT SO WELL

Marion, Ohio, Nov. 14.—Mrs. Warren G. Harding's condition was improved today over what it was last night when she suffered an attack of "air hunger" brought on by a heart attack, Dr. Carl W. Sawyer said this morning in an official bulletin.

"Mrs. Harding had another very restful and painful night," the bulletin read, "but the heart symptoms which she developed last evening are improving this morning. She is weak and has taken but little nourishment. In general she is not so well."

DEFENSE ARGUMENT IN ELKS HILL SUIT WAS OPENED TODAY

Government Seeks Recovery of Naval Oil Lands On Grounds That Lease Procured Through Fraud

Los Angeles, Nov. 14.—Defense argument in the \$100,000,000 Elks Hill lease cancellation suit brought by the government against the Pan American Petroleum and Transport Company was reached in federal court here today.

The opening argument for the government presented by Owen J. Roberts and Allee Pomeroy yesterday, scored the failure of E. L. Doherty and other important officials of the defendant company to testify concerning their part in the naval oil lease negotiations and stressed the elements of the fraud, conspiracy and illegality which they charged formed an integral part of the negotiations. Particular emphasis was laid on the \$100,000 which Doherty loaned Albert B. Fall, Secretary of Interior, at the time the leases were granted and in return for which the counsel declared Doherty got a property which he himself estimated would yield his company \$100,000,000.

Cozy Dolan Has Left New York

New York, Nov. 14.—The sudden departure of Cozy Dolan from New York combined with failure of his attorney William J. Fallon, to file papers in the threatened suit against Baseball Commissioner Landis has led to reports that plans for the action had been abandoned.

Dolan has given up his apartment in Washington Heights and moved all his furniture but it is not known where he has gone.

Fallon would not comment on reports that the suit would not be filed. The lawyer announced recently that suit would be filed seeking to collect for Dolan a share in the world series money and vindication of the charge that he was involved in the alleged attempt to bribe Heinie Sand, of the Philadelphia National League club. Fallon said damages not less than \$100,000 would be asked.

Dolan's home is in Oshkosh, Wisconsin.

PYTHIANS DISTRICT MEET HELD HERE THURSDAY NIGHT

Session Was Largely Attended; Fine Program Rendered; Coghill Endorsed for G. V. C.

Tar River Lodge No. 93, Knights of Pythias, met in their regular session Thursday evening at 7:30 o'clock. Chancellor Commander E. E. Rawl, presided over the meeting which proved one of the most enjoyable in several weeks. After the regular business session Mr. C. W. Hearne was taken through the mysteries of the second rank.

Several Knights from the Ayden Lodge were in attendance and the Chancellor Commander expressed the delight of the local lodge in having them as guests and extended them a cordial welcome.

Preparatory to the "Pythian Home Week" which will be observed during the week, November 23-29, the lodges of the eleventh district met with the Tar River lodge in their session last night. They were given a welcome by the District Deputy J. H. Waldrop, who opened the meeting with a short and appropriate talk. The Ayden Lodge was well represented and their Chancellor Commander responded to Mr. Waldrop's address of welcome, with a splendid address. Other Knights from Ayden also made short talks.

Mr. A. B. Ellington read a most interesting letter in regard to the Pythian Home at Clayton, which urged all the Pythians to help build another building at the Pythian Home for their children. The present buildings are inadequate and more room is badly needed.

After several matters of vital importance, the District meeting endorsed Mr. C. W. Coghill, of Rocky Mount, for Grand Vice Chancellor. J. H. Waldrop closed the meeting with a short talk, thanking the officers and members for their co-operation. E. E. Rawl, Chancellor Commander, then took the chair, and closed in due form.

After the meeting was over a social hour was enjoyed at which time tempting refreshments were served.

CALIFORNIA BANS PART OF HOLIDAYS

Two Universities Will Not Observe Armistice Day and Other National Holidays

Berkeley, Cal., Nov. 14.—Labor Day, Armistice Day, Decoration Day and Washington's Birthday have been stricken from the list of holidays observed by the University of California and Stanford University it was announced here today by Dr. W. W. Campbell, president of the University. The two universities will observe as holidays only July 4, Admission Day, Thanksgiving Day, Christmas and New Year's Day Dr. Campbell announced.

Dr. Campbell said the decision to cancel the holidays was arrived at a recent conference with Dr. Ray Lyman Wilbur, president of Stanford University, and was announced after a number of students had inquired of President Campbell why they were compelled to attend classes on Armistice Day this year.

The ruling was attacked editorially in today's issue of the Daily Californian, a student newspaper.

TWO AUTOMOBILES COLLIDE ONE MILE NORTH THIS CITY

Mrs. B. M. Whitehurst in Hospital Suffering From Injuries; Both Cars Badly Damaged

Mrs. B. M. Whitehurst is in Pitt Community hospital suffering from injuries received last night when an automobile driven by J. J. Hollis collided with a Ford driven by Mr. B. M. Whitehurst, about one mile north of Greenville on the Bethel road. A son and daughter of Mr. and Mrs. Whitehurst escaped with minor injuries while Mr. Whitehurst, who hasn't completely recovered from a recent stroke of paralysis was left in a very nervous condition with no serious injury. It will require several hours to ascertain the extent of Mrs. Whitehurst's injuries. Mr. Hollis who received only minor injuries is in the city jail.

Mr. and Mrs. Whitehurst were on their way to Greenville to attend services in the Free Will Baptist Church. They were driving at a moderate rate of speed when they saw Hollis, approaching them. He, too, was driving at an average speed, but in some unexplainable way the two cars collided with the above results. The Whitehurst car was a complete wreck, while the car belonging to Mr. Hollis was also badly damaged.

Condition of Men Poisoned by Cider Greatly Improved

Lynchburg, Va., Nov. 14.—All of the aged residents of the B. P. O. E. National Home, at Bedford, now in the hospital suffering from poisoning as the result of drinking cider Monday, spent a restful night and attending physicians said today that they were more hopeful for their recovery than at any time since the men were stricken.

S. DAKOTA MAYOR GIVES FARMERS ADVICE PROSPERITY

Summit, S. D., Nov. 7.—An unusual "proclamation" was issued to residents of this village by Olaf Melby, mayor and pioneer merchant. This section of South Dakota has harvested one of the biggest crops in its history and Mr. Melby, in a message directed to the farmers of his community, urged them to take advantage of bounteous crops and high grain prices to recover and insure their stability.

"Now that we are harvesting the greatest crop in twenty years, with prices above normal, I wish to speak to you as man to man," Mayor Melby wrote. "First, pay your obligations. For debts are like a log jam. Every dollar paid loosens this amount, as it pays the merchant, the jobber, the manufacturer, the banker.

"Do not go into debt. Interest will kill the best individual in the community. Do not work your life out for the other fellow. Renters who pay up their obligations this fall ought to buy a farm. But do not pay thousands and dollars down on an \$8,000 obligation. If you cannot pay one-third down, buy forty acres instead. Land will never be so cheap again in our time. Buy a home, a farm, a means of livelihood for yourself and family.

"Do not expect to get rich quick. You cannot make any money unless you invest it in your own business. Do not give up the old cow, or the pigs and sheep. They require a little care that means work, but they never will fail.

"Your home people are interested in you and your welfare. Do not let strangers tell you what to do. Better ask your neighbor, banker or merchant. Outsiders only want your money. Stick to your community, and you and your family will wear diamonds."

Kitchin Was Last Living Ex-Governor of North Carolina

Raleigh, Nov. 14.—With the death of William Walton Kitchin at Scotland Neck on Sunday, the last of ex-governors of North Carolina passed away. The only living man who ever occupied the governor's chair in this state is the present governor, Cameron Morrison.

Three former governors have died during the last four years. They were former governors, Bickett, Craig, and Kitchin.

Not only have three former governors died, but three members of the supreme court, three heads of state departments and three former department heads have died. These were Lock Craig, and Kitchin.

Allen and W. A. Graham; Secretary of State J. Bryan Grimes; Commissioner of Agriculture W. A. Graham and Dr. D. H. Hill, secretary of the Historical Commission and former state auditor W. P. Wood, former chairman of the Corporation Commission

Franklin D. McNeill and former Attorney General Gilmer.

State College In Trim for Contests That Finish Season

Raleigh, Nov. 14.—North Carolina's State College's Wolfpack today was in trim for the first of a series of three state contests that will wind up their 1924 gridiron season. The State College team will meet the University of Maryland on Saturday away from home and the week has been devoted to hard drills in preparation for the contest. After Maryland comes Wake Forest and then on Thanksgiving day the big contest with the Generals from Washington and Lee.

The showing of the Wolfpack during the last two weeks has been such as to give their followers a feeling that all is well. Starting rather badly and playing a ragged game against Carolina three weeks ago State bucked up last Saturday and gave the dojesters a jolt when they trimmed Virginia Polytechnic Institute 6 to 0 in one of the best played games seen here in many moons.

Coach Shaw this week devoted most of his time to trying to perfect the backfield in the maintenance of its strength when the reserves must be thrown into the struggle. Substitute linemen last Saturday clearly showed that they are able to hold their own when the regulars are removed.

Hard Fought Game Expected Between U. N. C., Davidson

Davidson, Nov. 14.—One of the hardest fought football games of the 1924 season is expected when the Tar Heels from the University of North Carolina and the Davidson Wildcats meet here tomorrow afternoon.

Both teams have about reached the peak of their training and both have just completed the most important conquests of the season. Members of both teams are reported in good condition.

Carolina last Saturday upset the dope bucket by beating Virginia Military Institute 3 to 0, while Davidson was defeating the Clemson college Tigers 7 to 0. These feats insure a good game in the opinion of persons watching the state race this year.

While a hard game is expected, it is thought that the Fetzer brothers will ask their charges to withhold some of their best strategy in this contest. For the big game of the Carolina season comes next after this contest. This is the Virginia game, played this year at Charlottesville, a southern classic of no mean proportions.

Wake Forest Prepares For Elon and State

Wake Forest, Nov. 14.—Trinity having been disposed of by a 32 to 0 score with every man on the Baptist team playing spectacularly. Garrit today started his Demon Deacons

to driving for Elon here Saturday and for State in Raleigh on November 22. Wake Forest Students today asked if their team would not be entitled to South Atlantic honors if it continued its record during the remaining games.

While certain Deacon players stood out before the public eye in the Trinity game, the team work of every blooming soul explains the Wakeley's long leap to intercept an enemy pass and his 55 yardrun for a touch down attracted attention as the most colorful play. Eley, light end, came in for an eyeeful attention in his great game.

The points scored by Rackley in the game give him a total of 40 for the season, some point ahead of any other player in the State. Several other Wake Forest players are hunched near the top in the matter of points scored by individuals.

Fred Emmerson at center played a game that attracted the eye of students of the game. Emmerson was often the battering ram that graded the avenue down which the Baptist backs plunged. Every play saw him take out the man assigned him after getting a couple that were really not on his schedule.

Flitche's record in the game, however, surprised the entire student body. No one thought that he would be able to last five minutes, when he started beans of the neat indignation which has been bothering him. "I decided to start him for the effect, but did not expect him to last long," said Garrity this morning. But the big tackle stuck in for the greater part of the game.

While the varsity was defeating Trinity, the freshmen were rolling up a 54 to 9 victory over Atlantic Christian College in Enfield. This made the fifth straight victory for the freshmen. They have scored a total of 155 points against 22 for their opponents. Saturday they the State freshmen in Raleigh.

Effort Being Made For Raleigh Post to Endorse Capt. Fletcher

Raleigh, Nov. 13.—Plans are under way here to have the American Legion Post of this city take a similar action to that already taken by several posts of the state and endorse Captain A. L. Fletcher, chief clerk in the Insurance Department, for Commissioner of the Veterans' Loan Fund which was created as the result of the vote on the referendum on the bill proposing the issuance of two million dollar in bonds, the proceeds of which will be lent to world war veterans for the purchase of homes and farms.

The position carries a salary of \$3,500 a year. The commissioner will make loans to veterans for 20 years as provided under the act. All loans will be supervised by a board composed of the Secretary of State, Commissioner of Agriculture, Attorney General and State Treasurer.

Sixteen Teams In Race for N. C. State Football Champion

Raleigh, Nov. 14.—Sixteen teams today still were in the race for the North Carolina State Football championship. Tomorrow night here will be eight.

That is, there will be eight, barring the possibility of tied scores. The eastern section of eight teams will meet tomorrow. Durham playing Chapel Hill at Chapel Hill; Sanford takes on Rockingham at Pinehurs; Rocky Mount and Wilmington contest at Wilmington and New Bern meets Mt. Olive at Kinston.

At the same time in the western division High Point and Greensboro will play on neutral ground at Winston-Salem; Spencer will meet its next door neighbor Salisbury at Lexington; Charlotte and Winston-

Salem will meet at Charlotte and Shelby and Mt. Holly will play at Shelby.

The finals, between the winner of the eastern championship and the survivor of the western race, will be played at Chapel Hill on December 6.

Fruit Growers Society To Meet in Asheville

Asheville, Nov. 13.—The Western North Carolina Fruit Growers' Society will meet in Asheville at the Chamber of Commerce on November 16. It has been announced here Secretary H. R. Niswonger at the direction of President H. P. Corwith. The election of officers will take place at this time, it was said, and plans pertaining to the future business of the society will be made. A report of the centennial held at the "Made-in-Carolina" Exposition at Charlotte during September 15 to October 4, will also be made, the secretary announced.

HOW DOCTORS TREAT COLDS AND THE FLU

To break up a cold over night or to cut short an attack of grippe, influenza or sore throat, physicians and druggists are now recommending Calotabs, the noseless Calonal tablet, that is purified from dangerous and sickening effects. Those who have tried it say that it acts like magic, by far more effective and certain than the old style calonal, heretofore recommended by physicians.

One or two Calotabs at bed time with a swallow of water,—that's all. No salts, no nausea nor the slightest interference with eating, work or pleasures. Next morning your cold has vanished and your system feels refreshed and purified. Calotabs are sold only in original sealed packages, price ten cents for the small pocket size; thirty-five cents for the large family package. Recommended and guaranteed by druggists. Your money back if you are not delighted.—adv.

WELCOME TEACHERS

Greenville today extends a glad hand to the several hundred teachers of the North Carolina North Eastern Division Education Association convening here for its two days' meeting. Our slogan, "Our Greenville, Yours If You Come," was adopted for just such as you, and we hope you will take advantage of it while in our city.

"WITHOUT A DRIVER"

The city of Greenville has been termed like unto a race horse without a driver and well does the comparison fit the situation as it now exists in our city which, although capable of untold progress has no live commercial or business governing body to hold the reins and guide our city toward the wire of greater and bigger things.

No town or city can thrive without an active commercial body to boost its accomplishments and keep ever alert to the opportunities which daily knock at our door, yet Greenville is making an effort to progress without any such active body. As in the case of the race horse let loose on the straight road the city may for awhile keep its place even in the lead, but ere long the curb in the track is reached and without some one at the reins to guide us we are soon left behind the field.

Many months ago a membership campaign for a Chamber of Commerce for Greenville

was put on and three hundred members were secured. At a meeting following the drive the organization was perfected and officers elected, but since that time nothing has been heard from the new Greenville Chamber of Commerce and none of its accomplishments (if any) have been seen or felt.

From all parts of the country persons are coming into Eastern North Carolina and no doubt hundreds would choose Greenville in which to locate did they know something of the place and the advantages it offers but without someone or some organization to put Greenville before the world we will be unknown on the outside and these desirable new citizens will settle in other places.

Greenville has educational facilities second to none, the religious life of Greenville is unsurpassed, health conditions in Pitt County rank it among the leaders in the state and nation, good roads furnish easy access to every part of the state and unsurpassed light and power service give it commercial advantages over any other city of the section, yet we are content to sit idle with the realization that these things are ours and make no effort to let the outside world know the advantages offered by Greenville.

If the Greenville Chamber of Commerce is ever to become an active organization and an asset to the community it is time that it should begin to show some of this action and if it is not to be an asset to the city it should be disbanded and other organizations to carry on the work should be formed.

Let us awake from our slumber and let the world know that Greenville is alive and let them know the many advantages we have to offer to those who are seeking an ideal place in which to live.

Again we have been asked, "What has become of the playground movement in Greenville?"

As the date for the assembling of the next legislative approaches there are many suggestions as to what legislation should be enacted. It is to be hoped that those who have the welfare of the people of the state at heart will not overlook the necessity of legislation requiring all vehicles to carry lights while traveling the public highways at night.

What one Woman learned 35 Years ago

Years ago when the first spoonful of Calumet Baking Powder was used, one housewife learned the secret of success on bake-day. She found that what she had thought bad luck in the past was really the fault of inferior leaveners.

Over a third of a century has passed since that housewife experienced the perfect results that came from using

CALUMET THE WORLD'S GREATEST BAKING POWDER

Today millions upon millions have realized the same satisfaction that goes with using a perfect baking powder.

Calumet has more friends than any of the other brands on the market today—women who after one trial found that for uniform, wholesome bakings it has no equal.

Don't forget that a few cents worth of unreliable baking powder can ruin several dollars worth of other ingredients used in baking. Use the best and know what the results will be.

**Lutherans to Hold
121st Annual Confab
In Gastonia Monday**

Gastonia, Nov. 14.—Members of the United Lutheran Church from all parts of North Carolina and a portion of Virginia are expected here next Monday for the one hundred and twenty first annual convention of the Synod of North Carolina. The convention will last through Thursday.

About 200 pastors and delegates will attend the sessions. The synod recently subscribed half a million dollars to Lenoir College at Hickory and \$50,000 for a dormitory at Mt. Pleasant Collegiate Institute. Besides these two collegiate institutions, the church owns Mount Amoeba Seminary at Mt. Pleasant and has joint ownership with the southern synods of the Lutheran Theological Seminary at Columbia, S. C., Lutheran Orphans Home, Salem, Va., and Lowman's Home for the Aged and Infirm at White Rock, S. C.

**Hickory Dokies
Preparing for Fall
Ceremonial Nov. 20**

Hickory, Nov. 14.—Hickory Dokies are preparing for the fall ceremonial that will be staged here on Nov. 20. Baqdad Temple No. 213 of Asheville, will be in charge of the ceremonial.

Invitations have been sent to members of the D. O. K. K., and of Knights of Pythias lodges from 25 towns to attend the ceremonial.

**Slain Gangster Denied
Rites of Church**

DEAN O'BANNION

Burial rites have been denied in Chicago to Dean O'Bannion, gangster, who died as he had lived—by a gun. Years of crime, Bishop Edward F. Hoban declared, had ended his connection with the Church, which, however, granted permission to bury the body in the family plot as a non-member of the church, but there were no religious services. O'Bannion, who was shot down in a flower shop he ran, had been a gunman, run runner, hijacker and all-round bad man.

MRS. PAUL FITZGERALD ENTERTAINS.

Hostess at Linen Shower in Honor of Miss Nancy King, Bride-Elect.

On Wednesday afternoon at her home on Greene Street, Mrs. Paul Fitzgerald was hostess at a linen shower in honor of Miss Nancy King, bride-elect, having as guests members of the younger set.

The attractive home, ensuite, was decorated with a profusion of fall flowers. Upon arrival the guests were given a cordial welcome by Mrs. Fitzgerald and Miss King, and served tea by Mrs. Wardroper assisted by Mrs. L. W. Gaylord and Mrs. Carey Warren.

The shower was presented to Miss King in a most unique manner. The postman brought a special delivery letter from the groom-to-be, accompanied by an attractive box of "flowers." Upon opening the box the honoree found that the flowers had turned into beautiful and useful pieces of linen.

Mrs. Fitzgerald remembered Miss King with a luncheon set in spray work while Miss Elizabeth White also bride-elect, was presented a dresser scarf in spray work. Mrs. Julian White, a recent bride was given a potted plant.

The high prize was won by Mrs. Richard Atkinson, a box of Coty's, while the table prize, were vases of flowers.

An ice course was the closing feature of this delightful shower.

CARD OF THANKS.

We wish to extend to our many friends our heartfelt gratitude and thank for their every thought, word and deed of kindness and sympathy shown us during the illness and at the time of the death of our beloved son and little brother Charlie Mc. Also for the many lovely floral designs and letters of condolence. You have helped us to bear our sorrow.

RESOLUTIONS OF DEATH OF S. B. UNDERWOOD.

Whereas, the Angel of Death has again invaded our Castle Hall and removed the soul of Sir Knight S. B. Underwood;

And whereas, he was a man beloved by all with whom he came in contact. We wish to express our appreciation of his life, his work for the youth of his community in an educational way, and his fine conception of duty and civic righteousness.

Therefore, be it resolved:

1. That in the death of Brother Underwood, Tar River Lodge K. of P. has lost a true Knight.
2. That we extend to the widow and son our sincere sympathy in this dark hour, and we commend them to the Supreme Ruler, who alone can comfort in such a time.
3. That a copy of those resolutions be sent to the family of Brother Underwood, and a copy be spread upon the minutes of this lodge.

Take time to be Holy. Speak oft with thy Lord, Abide in Him always, and feed on his word, make friends of God's children, help those who are weak. Forgetting in nothing His blessings to seek.

NEW LAMP BURNS 94 PCT. AIR BEATS ELECTRIC OR GAS

A new oil lamp that gives an amazingly brilliant, soft, white light, even better than gas or electricity, has been tested by the U. S. Government and 35 leading universities and found to be superior to 10 ordinary oil lamps. It burns without odor, smoke or noise—no pumping up, is simple, clean, safe. Burns 99.4 per cent air and .6 per cent common kerosene (coal oil).

The inventor, S. G. Johnson, 642 N. Broad St., Philadelphia is offering to send a lamp on 10 day's free trial, or even to give one free to the first user in each locality who will help him introduce it. Write him today for full particulars. Also ask him to explain how you can get the agency, and without experience or money make \$250 to \$500 per month.

"JUST MARRIED" COMING TO WHITE'S THEATRE ON NOVEMBER 18TH

On November 18th, at White's Theatre "Just Married" one of the biggest comedy hits of the country will be presented by Jules Hurling and the Messrs. Shubert with the Broadway cast including Sylvia De Frankie, Doreatha Howard, Elizabeth Rathburn, Emilie Montrose, Clara Matthews, Owen Martin, Fred James, Butler Hixon, Joseph Lawrence, Antone Ascher, Davenport Jones, Charles Colley, Andrew Byrne and others.

"Just Married" enjoyed a two years run in New York City, beginning its engagement at the Comedy Theatre and later being transferred to the Shubert and Nora Bayes Theatres. The New York success of "Just Married" was duplicated in Boston, Philadelphia and Chicago, in the three cities it played to capacity business at every performance.

The action of the play passes on board the French steamer "Lafayette," bound from Bordeaux to New York. The mixup of oddly assorted couples ranging from some grown grey in matrimony to newlyweds become so badly scrambled that there seems no solution to the hilarious complications. But at least each is shoed into the arms of a loving spouse and the voyage continues happily.

The staging was done by Clifford Stark.

ATTENTION ALUMNAE OF TEACHERS COLLEGE

This afternoon at 5 o'clock in the new dormitory at the Teachers' College, the members of the Pitt County Alumnae Association will hold a meeting. At the same time they will be hostesses at a tea in honor of the members of the College Alumnae who are here attending the North Eastern Division of the North Carolina Education Association. Every Alumnae is extended a cordial invitation to attend.

JUNIOR KING'S DAUGHTERS HOLD INTERESTING MEET WITH VERNA DARE COREY

On the afternoon of November 10th the Junior King's Daughters held their monthly meeting at the home of Verna Dare Corey.

Mildred Mangum led the devotional exercises. The business meeting followed; plans were made for the coming year, and the work that was to be done for Thanksgiving was discussed. Elizabeth Andrews and Annie Shields Van Dyke, our delegates to the State convention at Wilmington, gave their reports. It was very interesting.

After all business had been transacted the hostess served delicious refreshments. Soon afterwards the meeting adjourned to meet again in December with Florence Taft.

Was skeptical of Kellogg's Bran until it gave him back his health

Naturally Mr. Carter—whose letter follows—was skeptical. He had tried practically everything for the relief of constipation. All had failed. But Kellogg's Bran brought him permanent relief, just as it has done for thousands of others. Read his letter:

Gentlemen:

I am 45 years old, and have been for years a great sufferer from constipation. I had to resign a clerical position because of rushes of blood to my head, some of which caused me to fall to the ground. I took an outdoor laboring job and tried for the first time, skeptically I admit, your Krumbled Bran. The result has been wonderful. I began to be normal after I had been on the Bran about three days. No more enemas, no more Old Dr. Senn's Pills, Epsom salts or the

ton, etc., and infusions! You have the most wonderful product for constipation I have ever seen or tried. Yours very gratefully,
L. T. Carter, 224 Nineteenth St., Brooklyn, N. Y.

Kellogg's Bran, cooked and krumbled, does not irritate the intestines like drugs and pills. It acts exactly as nature acts. Eaten regularly, it is guaranteed to relieve permanently the most chronic case of constipation, or your grocer will return your money.

You will like the exclusive, nut-like flavor of Kellogg's Bran, cooked and krumbled. Eat two tablespoons daily—in chronic cases with every meal. Eat it with milk or cream and in the recipe on every package. Sold by all grocers. Made in Battle Creek.

North Carolina Man Found Dead W. Va.

Charlestown, West Virginia, Nov. 14.—E. B. Manziez, of Hickory, North Carolina, federal agent, investigating narcotic law cases here, was found dead in his room at a hotel today. Death was due to heart affliction or to drinking poisoned liquor, authorities said, after investigation.

Coroner J. D. Good said today that while he believed Manziez' death was due to heart failure he would order a chemical analysis of the man's stomach.

Manziez was transferred here from Parkersburg, W. Va., a few days ago.

SALE OF PERSONAL PROPERTY
