

THE WEATHER
Fair tonight and Tuesday, not much change in temperature. Moderate west and southwest winds.

Vol. 87 No. 21

GREENVILLE, N. C., MONDAY AFTERNOON, JANUARY 5, 1925

HUNDREDS SAVED WHILE LINER BURNS.

Two hundred and ten passengers and a crew of eighty on the liner Mohawk were in deadly peril when the steamer caught fire while fighting the wildest storm of the Winter off the New Jersey coast. With passengers aiding the ship's fire fighting force, the liner raced for shore against head winds and a bulldog tide. Her passengers finally were transferred without loss of life to the Coast Guard cutter Kickapoo, which ranged alongside after a long race, and then the Mohawk, with flames still raging in her after hold, was beached near Lewes, Delaware.

GENERAL ASSEMBLY DEBT SITUATION OPENS IN RALEIGH TO BE DISCUSSED WEDNESDAY, JAN. 7 PARIS WEDNESDAY

Both Senate and House Will Hold Caucuses On Tuesday Evening; Inauguration Be Held Wednesday, Jan. 14

Raleigh, Jan. 5.—The vanguard of the General Assembly was arriving here last night for the session which will formally open Wednesday at noon with many legislative matters of importance before it. Early arrivals included many outstanding figures of both the Senate and the House, among whom was Edgar W. Pharr, who, it is believed will be named as Speaker of the House. Mr. Pharr arrived here tonight from his home at Charlotte.

Although the 1925 session will not open until Wednesday, the actual preliminary parliamentary skirmishes will get under way Tuesday night when both the Senate and House will hold caucuses. The immediate business before the Senate will be the naming of a president-protem while the House will be engaged in the electing of a Speaker. Numerous names had been mentioned today and tonight for the Senate opening but there seemed to be no definite crystallization of opinion. On the other hand, it seemed fairly well established, unless unforeseen developments take place, that Representative Pharr of Charlotte will precede over the House forces. At the same time it is expected that of both upper and lower bodies will formulate policies to be followed out during the coming session.

The legislature will face a mass of reports and recommendations from various committees which will report to the body. Among these are the Prison Commission, the Bus Regulation Commission, the Budget Commission, the State Constabulary Commission, North Carolina National Park Commission, Financial Educational Investigating Committee, and the Budget Commission. It also will have before it the biennial reports of the various departments of the State Government and the reports of the educational and charitable institutions of the State.

The report of the Budget Commission will not be available, according to present information, before the first week in February. The Commission is faced with cutting sharply the requests made by institutions for approximately \$17,000,000 for permanent improvements and approximately \$23,000,000 for maintenance and administration during the biennium. These figures represent great increases over the appropriations recommended for the last biennial period and the Commission has announced that for every dollar it commends he spent, it will show a dollar which will be derived in, taxes to handle the expenditure.

During the first week of the session, the General Assembly probably will hear the final message of Governor Cameron Morrison. The Governor has indicated that his address will be short but he has given no intimation of what he will say. Governor-elect Angus W. McLean probably will be inaugurated on January 14, and his inaugural address will be presented to the body.

The oath of office to the incoming governor will be administered by Justice William A. Hoke of the Supreme Court. Mr. McLean will arrive here from Lumberton on a special train on the morning of the inauguration. He will be escorted to the executive mansion and will be met by Governor Morrison who will accompany him to the city auditorium where the exercises will be held. All state officials will be in the procession.

British Chancellor May Offer Suggestion for Debt Conference As Means of Settlement

London, Jan. 5.—Winston Churchill, Chancellor of Exchequer, will carry on private discussions on the subject of Inter-Allied debts with the various representatives of the conference of the Allied Finance Ministers in Paris Wednesday it is understood.

The cabinet which met today is said to have agreed to Mr. Churchill's suggestion that the debt problem be approached by informal suggesting instead of being brought up at the conference because of the desire of the United States to avoid an open discussion on the subject.

At the private conversations which are expected to take place the British Chancellor will present Great Britain's views and may even advance a plan for a future debt conference if the outlook warrants. It is understood, however, that Great Britain is not in position to force the issue and will not take the initiative in calling the conference.

The reply of the United States to the last note of England on the subject of reparations and war damage claims was presented by Foreign Minister Chamberlain at today's cabinet meeting.

MRS. N. L. HOLTON DIED SATURDAY IN WILSON HOSPITAL

Funeral Services Conducted This Afternoon From Methodist Church; Interment In Cherry Hill Cemetery

Mrs. N. L. Holton died at the Moore-Herring hospital, Wilson, N. C., on Saturday afternoon after a short illness. Services were conducted from the Jarvis Memorial Methodist church this afternoon by the Rev. V. P. Scoville, interment following in the Cherry Hill Cemetery.

Mrs. Holton was beloved by a host of friends. She had been ill for several weeks but had only been in the hospital a few days. She possessed a lovely christian character and will be greatly missed by people throughout this community.

The deceased is survived by her husband and four children Miss Willie Mae, Elizabeth, Luther and William Brown Holton.

Motherhood is New Entitlement of Irene Castle McLaughlin

Chicago, Jan. 5.—Motherhood has added another title to Irene Castle McLaughlin, dancer of the ball room and stage, motion picture actress and more recently housewife. A seven pound daughter was born to her in a Chicago hospital late yesterday. The baby will probably be named for Mrs. McLaughlin. Both mother and daughter are reported as doing nicely.

Mrs. McLaughlin was married to Major Frederick McLaughlin, wealthy sportsman and business man late in 1923 and announced that she had forsaken the stage and screen for a career as housewife. Previously she had been married to Vernon Castle as whose dancing partner she won world fame. Castle was killed in an airplane accident at Fort Worth, Texas, in 1921. Her second husband was Captain Robert Tremain, of Ithaca, New York, from whom she was divorced in Paris shortly before her marriage to Major McLaughlin.

Her daughter born yesterday is Mrs. McLaughlin's first child.

Radio Rampant in England
London.—The number of persons in Great Britain who have taken out wireless receiving licenses has passed the 1,000,000 mark, and is growing steadily. It is estimated that the actual number of listeners exceeds 4,000,000.

RANKING ASSOCIATE JUSTICE OF SUPREME COURT HAS RESIGNED

Joseph McKenna Resigns After 30 Years of Service Because of Advanced Age

Washington, Jan. 5.—The resignation of Associate Justice Joseph McKenna was announced today from the bench of the Supreme Court.

By virtue of upward of thirty years of service on the Supreme Court bench Mr. McKenna is the ranking justice of the court. He retired because of his advanced age.

Chief Justice Taft in making the announcement as soon as the court convened today said the resignation had been accepted by President Coolidge.

Justice McKenna is in his eighty-second year and three weeks from today will mark the anniversary of his elevation to the Supreme Court bench by President McKinley.

TWO MURDERERS PAY WITH LIVES

Kenneth Hale and John Leak Electrocuted for Murder of Lexington Taxi Driver

Raleigh, Jan. 5.—Kenneth Hale and John Leak, negroes, passed into the great beyond here today when they paid with their lives in the death chair at state prison for the murder of Charlie Garwood, white taxi driver of Lexington last August 17.

Hale went to the death cell first and seated in the chair at 10:25 o'clock. The 1,800 volts of electricity passed into his body four times before he was pronounced dead. Leak was immediately brought into chamber and at 10:35 current was turned on. Two shocks of less than a minute each were necessary before negro was pronounced dead.

Both negroes had confessed they participated in the crimes some time ago but each blamed other for the actual killing.

Street Car Line to Be Constructed From Asheville to Oteen

Asheville, Jan. 5.—Plans for the construction of a street car line from this city to Oteen Hospital, have been announced by the manager of the local power company. Property is already being purchased for the right-of-way, it was said, and as soon as these details are completed, construction of the line will be started. The line will be six miles long and will serve, besides Oteen Hospital the Asheville recreation park, municipal golf course, tourist camp, residential developments.

SEARCH WARRANT ISSUED TODAY FOR THE ARREST OF GASTON B. MEANS

New York, Jan. 5.—Federal Judge Lindley, of Illinois, today issued a bench warrant for the arrest of Gaston B. Means, former Department of Justice agent when he failed to appear in court for trial on a charge of conspiracy to obstruct justice.

PITT COUNTY POST AMERICAN LEGION MEETS JANUARY 20

Ex-Service Men to Be Assisted in Filling Out Application Blanks for Adjusted Compensation

The attention of every ex-service man who had a part in the recent world war is called to the fact that on Tuesday evening January 20th at the Rotary Club, beginning at 6:30 o'clock, there will be held a meeting of the Pitt County Post of the American Legion. At this time several men will be present to assist the ex-service men in filling out their application blanks for the adjusted compensation. Material necessary for taking finger prints will also be ready and the ex-service men's discharge papers is the only thing that he is required to bring.

Every ex-service man is urged to apply for the adjusted compensation. If he should file without having made the application it will mean the loss of several hundred dollars to his wife, children, mother or the person whom he plans to name as his beneficiary. Application blanks can be secured from the local post office or the American Legion. By men who understand the blanks assisting the ex-service men. All troubles will be eliminated. The mothers and wives are urged to insist on their sons attending the meeting and having their application blanks filled out. Some have already put the matter off too long. A few days delay may be too late.

The price of the supper which will be served will be fifty cents a plate to all ex-service men who wish to attend the meeting. Notify Mr. S. N. Graham so he will know how many plates to have prepared.

This does not apply to members of the American Legion as they will receive their regular notice.

The Post Commander, S. L. Bridgers, urges every member to bring another member and have a hundred per cent attendance next meeting. Remember every ex-service man is invited to attend. Bring your discharge papers and notify Mr. Graham so supper can be prepared.

Democratic Governor Montana Inaugurated

Helena, Mont., Jan. 5.—The inauguration of J. E. Erickson, Democrat, as governor of Montana, took place at 11 o'clock this morning. Mr. Erickson succeeded Joseph M. Dixon, Republican.

GERMANY RECEIVES OFFICIAL NOTICE OF NON-EVACUATION

Failure of Germany to Live Up to Treaty Is Reason for Action, Said Representatives

Berlin, Jan. 5.—The British, French, Italian and Japanese Ambassadors and Belgian minister today presented Chancellor Marx with the Allied Governments' identical notes regarding postponement of the evacuation of the Cologne zone which was set for January 10 under the treaty of Versailles.

Baron D'Abernon, the British Ambassador, informed the German Chancellor that the Allied Council of Ambassadors would dispatch a supplementary note concerning the Cologne evacuation as soon as the military control commission's full report had been surveyed and examined.

German obstruction was given as the reason why the control commission could not submit its complete report before January 10.

The visit of the Allied Ambassadors consumed less than 20 minutes.

FLEET LEAVES FOR WINTER MANOUVERS

Following Manouvers Off Guantanamo Atlantic Fleet Will Join Pacific for Hawaiian Trip

Norfolk, Jan. 5.—Thirty war craft comprising the Atlantic division of the United States fleet, in shipshape order, departed from Hampton Roads today for winter manouvers off Guantanamo.

For the many destroyers, submarines and fleet auxiliaries accompanying the four battleships this meant the last sight of north Atlantic ports for many months as later they will journey to the Panama Canal and join the Pacific division for Hawaiian manouvers which will begin in April. In the battle ship squadron of the fleet to leave today were the Florida, New York, Texas and Arkansas. The Florida will serve as flagship until the division is joined by the Wyoming, now in New York, probably next week.

Twelfth Conference Recreation Ass'n. Be Held Asheville

Asheville, Jan. 5.—The twelfth conference of the Playground and Recreation Association of America will be held in this city during October 5 to 10 it has been announced. It was stated that Asheville was chosen in view of the progress that the South has made in recent years thereby saving a great deal of time of the students and in transporting the baggage to the main station in towns in Canada and Belgium.

WOMAN GOVERNOR TAKES CHARGE IN WYOMING TODAY

First State to Grant Woman Suffrage Inaugurates First Woman Chief Executive

Cheyenne, Wyoming, Jan. 5.—The reins of government of Wyoming today passed into the hands of a woman, America's first feminine governor.

Mrs. Nellie Taylor Ross, who was swept into office by a plurality of 10,000 votes in the November election, shortly before noon was to receive the oath of office and would immediately retire to the seclusion of the Governor's Mansion.

Mrs. Ross will succeed her husband, William B. Ross, who died four months ago.

The Senate Chamber was thrown open to the public but Mrs. Ross requested that there be none of the carnival atmosphere which heretofore surrounded the inauguration of governor. Even the customary gubernatorial reception was dispensed with.

In the inauguration of Mrs. Ross the supporters of woman suffrage found a situation peculiarly fitting since Wyoming became the first state to extend suffrage to its women although the bill granting women the vote was passed in 1869 by a rough and ready body and in the midst of a storm of derisive laughter.

SENATE TAKES UP POSTAL INCREASE BILL THIS MORNING

Presence of Administration Combination Bill Creates Preliminary Complication

Washington, Jan. 5.—Congress plunged today into the remaining two months of the session with the House facing a week that will give other legislation including the McFadden banking bill a chance along with appropriations bills.

The Senate got down to work on the postal pay increase issue. As the Senate took up the president's veto of the postal pay bill with a parliamentary situation complicated by the pending administration postal rate increase and employees salaries increase measure, the House gave over the first day of the week to consideration of measures on the unanimous consent calendar. A mass of minor legislation and local legislation was disposed of by the House in the first two hours of its session today.

Action on an urgent deficiency bill presented today, carrying among other items more than \$100,000,000 for tax refunds, was placed on the House calendar for next Friday. The remainder of that day and Saturday has been allotted to the McFadden proposed change in the banking laws particularly in regard to branch banking. A vote on the McFadden measure is expected before Saturday.

Disposing of the postal salaries bill tomorrow the Senate will then get back to the Muscle Shoals problem Wednesday and all other legislation will be sidetracked.

Washington, Jan. 5.—The Senate today put aside the Muscle Shoals question under the unanimous agreement to take up the president's veto of the postal bill, passed at the last session, and vote upon it not later than four o'clock tomorrow. Before the Senate also today was the administration's combination bill providing for increase in postal rates along with postal salaries increases.

Consideration of the veto was complicated by this factor. Senator Moses, Republican, New Hampshire, in charge of the ratification bill before the Senate after Senator Norris, Republican, Nebraska, had blocked a move for its immediate consideration late Saturday, announced that he would seek its adoption today and the Senate had hardly begun its session this morning before a parliamentary battle between these two Senators began.

Regardless of action on this measure it is considered likely that the Senate will vote on the veto of the salaries bill tomorrow.

Washington, Jan. 5.—An emergency deficiency bill carrying \$157,111,700 was reported today by the House Appropriations committee with leaders planning to rush it through and to the Senate within the week.

Of the total \$150,000,000 will be available for the refund of illegally collected taxes; \$3,501,200 for continuance of work on dam number 2 at Muscle Shoals, Ala.; and \$3,000,000 for the purchase of the capital stock of the newly created Hand Wat rways Corporation.

Other items include \$275,000 for prevention of the epidemic of diseases to be used particularly for eradication of the reported bubonic plague among rats at the ports of New Orleans and Oakland, Cal.; \$150,000 for repair work on the coast guard cutter Manning and \$25,000 for eradication of insect infestation in national parks.

American Red Cross Relief Fund to Build Two Hospitals Japan

Washington.—The memorial hospital to be constructed in Tokio from the unused portion of earthquake relief fund of the American Red Cross will be of reinforced concrete and will not exceed three stories. These features are designed to make the building as nearly earthquake proof as possible.

Reports to Red Cross headquarters in Washington reveal that the Japanese will build a branch hospital in Yokohama. Work on the buildings will begin next spring.

The Japanese will spend \$1,500,000 of the unused relief fund for the two buildings, reserving the remaining \$1,200,000 as an endowment.

FRENCH WAR DEBT NOTE TRANSMITTED SECRETARY MELLON

Official Washington Declines Comment Other Than Hope That Memorandum Will Lead to Settlement Plan

Washington, Jan. 5.—The French memorandum regarding payment of the French war debt to the United States was transmitted today by Secretary Hughes to Secretary Mellon for "his personal and private information." The note had been received by Secretary Hughes over the week-end.

In as much as the document was presented by M. Clement J. French Finance Minister, to Ambassador Herriek as an unofficial and private communication the State Department officials would make no comment on the suggestion embodied in it. They did state, however, that "it was hoped the Clement memorandum might be the basis for a follow up."

Statistics Show Boy Babies Have Not Strength of Girls

Chicago.—Boy babies have not the same chance of living as girl babies, they are the weaker sex, according to Prof. S. J. Holmes, zoologist of the University of California, speaking here today before the American Statistical Association.

"In the first year of life many more boys die than girls, the proportion of boy deaths being greater in the first month and gradually decreasing through the rest of the year. Studies made in places, periods and social strata where the infant death rate is low, show the ratio of boy deaths to girl deaths is high. As we go back in embryonic life this ratio steadily increases. The male, apparently, is the weaker animal, at least at the start of life."

Efforts Be Made Make Duke University A Railroad Stop

Trinity, Jan. 5.—Efforts will be made within the next few days by the Trinity Alumni to have West Durham designated as a flag station in order to enable the student body of Duke University to board the trains near entrance to the campus, thereby saving a great deal of time of the students and in transporting the baggage to the main station in Durham.

Pittsburgh Suffers Half Million Dollar Fire This Morning

Pittsburgh, Pa., Jan. 5.—Two firemen were injured, more than a dozen business firms suffered losses and an entire downtown business block was threatened today when flames swept a 10 story structure on Penn Avenue causing damages estimated at half a million dollars.

OUR BONDED INDEBTEDNESS

Greenville, with its modern improvements and unsurpassed advantages occupies an enviable position in the column of North Carolina towns and cities from the standpoint of bonded indebtedness, Greenville's total being only \$300,000 with sixty odd towns and cities of the state showing more than that amount the largest being Winston-Salem with a total bonded indebtedness of \$11,401,104.69.

In our own county as shown by the report the ratings are as follows: Ayden \$403,400.00; Farmville \$324,700.00; Greenville \$300,000.00; Bethel \$30,000.00; Grifton \$28,000.00; While the larger cities of surrounding counties rank: Kinston \$1,067,000; Washington \$1,040,000; Tarboro \$805,000; Rocky Mount \$2,208,000; Goldsboro \$1,523,000; New Bern \$615,000; Wilson \$1,287,500.

As above stated Greenville occupies an enviable position from the standpoint of her bonded indebtedness and those who have been so pessimistic as to our financial situation might obtain some relief from their worries by giving the comparative report careful study.

In the report by counties Pitt County's bonded indebtedness is shown as \$2,978,000 there being only four or five counties in the state more heavily bonded, yet as published in these columns a few days ago the present tax rate for Pitt County including taxes on this indebtedness is \$1.00 which is among the lowest if not the lowest of any county rate in the state. Such a rate is made possible through the efficiency of the county board and

we are assured that during the present administration the rate will no doubt be maintained.

A TUG OF WAR

The position taken by the theatres regarding the radio as a menace in that people remain home to listen in on the programs rather than attend the theatre performances is seen by the New York World as a tug of war resulting from another forward step in this great age of invention.

Commenting on the assertion of William A. Brady, veteran theatrical producer, the world says:

"Mr. William A. Brady calls the radio a menace to the theatre. He calls it the greatest menace the theatre has ever faced, and cites the New Year's evening concert of John McCormack and Lucrezia Bori. 'Here I am,' he says, 'seated in a room with a group of people, and we are enjoying, free of charge, a musical program over the radio which I can only describe as gorgeous. Why in the world should we go to a theatre and pay money?'"

Mr. Brady believes a good many other people ask that question. He thinks it explains why Broadway has had the poorest holiday week on record. And very possibly he is right. The radio alone may not account for empty seats, but at least it is a major factor. The theatre has a new and formidable competitor.

What is this thing, now broadcasting artists like Bori and McCormack to an unseen audience of 6,000,000 people, if not the first great contrivance of this inventive age for keeping people home? Heretofore we have had a succession of things which make it easier or more inviting to switch off the parlor lights and go seek pleasure and excitement elsewhere. There has been the movie, bringing first-rate actors into towns which used to see one minstrel show each season. There has been all manner of development in rapid transit, making it easier for people to reach dance halls, theatres and Coney Islands. Now comes the radio insisting that the place of entertainment is in the home.

It will be interesting to watch the tug and pull of rival forces. We have something here like the time-honored contest of naval guns and naval armaments. First, Science produces a gun which pierces any steel. Then science produces a steel which defies any gun. Then gun conquers steel again, and so forth.

Radio is the new defensive armament of evenings spent at home—daring the movies and the theatres to come to closer quarters for a test of strength.

RADIO PROGRAM FOR TOMORROW

(Courtesy of Radio Digest)

- Program for Jan. 6.
- WGR Buffalo (319) 6 music; 8-10 musical.
 - WMAQ Chicago (447.5) 6 organ, orchestra; 7-9 children.

W. E. PROCTOR PURCHASES WILSON PROPERTY

The Wilson property located on Dickinson Avenue, was sold at auction this morning by N. O. Warren and was purchased by Mr. W. E. Proctor for \$18,650.00.

This is considered some of the most valuable property in Greenville being located in the business section.

ORDER EASTERN STAR TO MEET TUES. P. M.

Greenville Chapter 149 Order Eastern Star will meet Tuesday evening, January 6 at 7:30 o'clock in the Masonic Hall.

MISS BESSIE HARDING, Secretary.

Intoxicated Autoists Run Amuck and Cause Big Damage

Preston Gardner, young white man of Fountain was given a hearing in this morning's session of county court charged with driving automobile in a reckless manner while in an intoxicated condition and was fined \$75 and costs. Dennis Mercer, a friend of Gardner's, and who was also in the car, made his get away after ditching the automobile a short distance from the river bridge.

The two young men were coming from Ayden to Greenville between 8 and 9 o'clock last night and were driving at a rapid rate. Upon arrival at the Serve-U Filling Station they were arrested by Mr. E. A. Latham, traffic policeman, who tried to hold them under arrest until the arrival of Sheriff Jackson. In some way Mercer succeeded in jumping into the automobile and although Officer Latham opened fire he succeeded in getting away. A short while later the automobile was found ditched a short distance from the river bridge, but at noon today Mercer had not been apprehended.

Several automobiles were run down on the Ayden-Greenville road last night between the above named hours and it is alleged that they were struck by the automobile driven by Mercer and Gardner. One of the automobiles struck belonged to Mr. Fred Forbes of this city and Dr. J. C. Green, an occupant of the car, suffered injuries to his hand.

HARNESS RACERS PREPARE FOR SEASON OF 1925

Cleveland.—The annual meeting of the stewards of the Grand Circuit here January 5 and 6 will draft a tentative schedule for the 1925 harness racing season. Many modifications in the old rules and classifications are expected to be made by the rules committee, of which Harry D. Shepard of Columbus, Ohio, is chairman.

Several new cities are expected to apply for dates next year. Among them are Aurora, Ill., Rochester, N. Y., Poughkeepsie, N. Y. and Atlanta Ga. Poughkeepsie and Atlanta were formerly in the circuit. Both withdrew in 1921.

Weakening Nerved Coughing Cured by Simple Way

...tonishing how a per-severating cough that has wakened you at night, and wearying you down usually stopped by a very simple method. Hundreds of people find they can sleep the whole night through undisturbed after the first time they try it.

The method is based on a remarkable prescription known as Dr. King's New Discovery for Coughs. You simply take a teaspoonful at night before retiring and hold it in your throat for 15 or 20 seconds before swallowing, without following with water. The prescription has a double action. It not only soothes and heals soreness and irritation, but it quickly loosens and removes the phlegm and congestion which are the direct cause of the coughing. Getting at the cause like this, in a perfectly simple way, it stops the spasm almost instantly, you get your best night's rest perhaps in weeks, and in a very short time the whole cough condition is gone.

This simple treatment is splendid not only for coughs and chest colds, but also for bronchitis, bronchial asthma, hoarseness and almost every kind of throat irritation, including children's spasmodic croup. Very economical too, as the dose is only one teaspoonful. On sale at all good drug stores. Ask for

DR. KING'S NEW DISCOVERY FOR COUGHS

Everett Addresses Buncombe County Alumni Ass'n. U.N.C.

Asheville, Jan. 5.—The Gentleman's agreement entered into during 1921 by the General Assembly for the allotment of \$20,000,000 to the various charitable and educational institutions over the state during a six year period should be fulfilled, was the opinion expressed by Secretary of State W. N. Everett, president of the Alumni Association of University of North Carolina, in speaking before the Buncombe County Alumni Association of the University at its annual banquet here.

The Secretary declared that the General Assembly was "morally bound to complete the six year building program for charitable and educational institutions." He added that each institution should be given its originally allotted amount.

MAIN STREET GOES DEER HUNTING

Vancouver, Wash.—A two-point buck deer was captured alive on Main Street here recently.

The deer was ambled up the street from the banks of the Columbia River when several persons gave chase. He dashed down an alley.

Who Pays

When you are disabled from accident or illness YOU DO, UNLESS—

You have put the burden on some Insurance Company. It is much easier to meet a nominal expense regularly than an abnormal one unexpectedly.

The Provident Health and Accident Insurance Company of Chattanooga, pays claims promptly without needless red tape and delay. If in doubt we refer you to the following who have had claims near Greenville and vicinity.

- W. S. Cutler, Belhaven
- J. W. Hood, Belhaven
- T. D. Swindell, Belhaven
- W. T. Johnson, Pantego
- C. A. Piver, Morehead, City
- H. C. Edwards, Kinston
- Ernest Aeyoup, Washington
- J. A. Abeyounis, Washington
- G. C. Webb, Greenville
- Chas. A. Warren, Greenville
- H. E. Pruett, Greenville
- C. C. Bergeron, Greenville
- John Happersberger, Greenville

Our policies range in price from \$5. per year to \$12. per quarter and pay from \$1500 to \$15,000. If you are at all interested would be pleased to explain the many good features of our policies. Maximum protection at minimum cost. Phone 280W or write Box 71 or see—

CLAUDE TUNSTALL

entered an abandoned building and leaped through a window; then jumped a high fence and started back toward the river. The pavement was wet, and the buck slipped and fell several times, finally crashing into a fence, with his horns so entangled that he was held fast. Four soldiers from Vancouver Barracks took the deer to the reservation.

Phone, write or see: Claude Tunstall for Health and Accident Insurance. Our policies pay for boils, cuts, sprains, flu, operations, etc. \$5 per year to \$12 per quarter. Phone 280-W, Box 71. 5 3t

CHARTERS GRANTED

Raleigh, Jan. 3.—Nine charters of various kinds of businesses throughout North Carolina with total authorized capital of \$1,200,000 and with \$490,900 subscribed, were issued by the office of the Secretary of State on Friday. Two amendments were also issued at the same time. One increases its capital from \$10,000 to \$20,000 while the other changes its name and decreases its capital from \$150,000 to \$50,000.

The concern having the largest authorized capital that was issued a charter at this time was the Ora Mill Company, Shelby, cotton factories, with authorized capital of \$500,000 and \$170,000 subscribed by Charles C. Blanton, J. R. Dover, Earl A. Hamrick and E. B. Hamrick, and others, all of Shelby.

Second in authorized capital and first in amount subscribed was the Widen Manufacturing Company, Company, Cherryville, cotton yarns and cloths of all kinds with authorized capital of \$300,000 and \$200,000 subscribed by D. E. Rhyne, Lincoln; and Dr. W. H. Houser and W. B. Rhyne, both of Cherryville.

The Winston-Salem Baseball Co., Winston-Salem, baseball club, capitalized at \$50,000 and with \$3,000 subscribed by John F. Smithdeal, Ernie Shore, Will N. Vogler and Vernon Fellner, all of Winston-Salem, was also issued a charter as was the High Pointers Incorporators with an authorized capital of \$100,000 and \$10,000 subscribed for the purpose of organizing a baseball club and real estate business and finance.

Other issuances were: Winston-Salem Specialty Company, Winston-Salem, wholesale and retail merchandise, material and machinery, with authorized capital of \$50,000 and \$500 subscribed E. S. Mathers, A. A. Campbell, M. Z. Gaither, and C. H. Thomas, all of Winston-Salem.

Paul N. Howard (incorporated), Greensboro, contracting and construction in all branches with authorized capital of \$100,000 and \$40,000 subscribed by Paul N. Howard and E. S. Maplin, of Greensboro and C. W. Howard, Jr., of Kinston.

Newsom Brothers incorporated, Raleigh, real estate, with authorized capital of \$100,000 and \$10,000 subscribed by J. D. B. S. and C. E.

Newsom, all of Raleigh. Hickory Industrial Bank, Hickory, with authorized capital of \$100,000 and \$20,000 subscribed by G. H. Geither and P. A. Setzer, both of Hickory and A. M. Histler, Morganton, and others of Hickory.

Foster-Caveness incorporated, Greensboro, wholesale, retail and jobbers and commission merchant, general mercantile business with authorized capital of \$100,000 and \$30,000 by E. V. Garrett, R. L. Caviness, Ben R. Foster, Talmadge Shields, and others of Greensboro.

Amendment to charter of the Southern Hearing Company, Charlotte, changing name to Southern Bearings and Parts Company, and increasing the authorized capital from \$10,000 to \$20,000.

Amendment to charter of the Clement-Harrington Lumber Company, Greensboro, changing name to E. A. Harrington Lumber Company and decreasing the authorized capital from \$150,000 to \$50,000.

Sanford Motor Company, Mocksville, with authorized capital of \$100,000 and \$300 subscribed by C. C. Sanford and R. B. Sanford of Mocksville; and R. C. Vaughan, of Winston-Salem.

Cramerton Market and Cafe, incorporated, Cramerton, with authorized capital of \$10,000 and \$2,000 subscribed by I. R. Forbes, S. Sumner, and Price Jackson, all of Cramerton.

Bladen-Holden Company, Hendersonville, wholesale and retail groceries, with authorized capital of \$50,000 and \$18,500 subscribed by C. F. Bland, L. M. Holden, and C. F. Bland, Jr., all of Hendersonville, and C. L. Short of New York City.

Carolina-U-Drive-It Company, incorporated, with authorized capital of \$10,000 and \$300 subscribed E. D. A. Donichy, Greensboro, V. O. Moore, and C. D. Barnard, both of Norfolk, Va.

N. C. Forestry Ass'n. To Hold Convention Raleigh On Jan. 29

Raleigh, Jan. 5.—The North Carolina Forestry Association will hold a convention in this city on January 29, it has been announced by John L. Cobbs, Jr., secretary of the Association.

The majority of the members of the association, it was said, are land owners or those directly connected with the forestry or lumber industry, and are intimately acquainted

with the needs of the state in the way of Forest protection and conservation. The principal purpose of the meeting, it was explained, will be to lay such plans for the future work of the association as will impress upon the public and especially the legislature the need caring for wooded lands of this state and of adopting protective laws and regulations as will assure the future growth of the timberlands.

Annual Mid-Winter Target Tournament Opens in Pinehurst

Pinehurst, Jan. 5.—The eighteenth annual mid-winter target tournament opened here today with many entrants from all over the country. The tournament will last through Saturday, January 10.

The tournament will be conducted under the rules of the Amateur Trap Shooting Association and is officially registered by that organization.

All receipts above three cents for each will be returned to the shooters in addition to the \$2,500 in cash prizes that will be distributed among those holding high scores. The Association guarantees \$250 to the winner of the match.

Participants in these meets must be officially registered as a member of the Amateur Trap Shooting Association and their dues must be paid, however they may pay them on the grounds. Those holding shoot records in this meet will be given a certificate of credit from the Amateur Trap Shooting Association.

All classes and ranges of the trap shooting will be carried out, if the management stated, one of the features

of the match being the contest between teams representing the East and teams representing the West. This meet will be held on Tuesday.

Shooters will be allowed to take part in all or any part of the entire contest, there being different classes held every day.

J. W. Todd will manage the office affairs of the meet and Charles North will be tournament managers.
