FIFTY MEN ENTOMBED BY EXPLOSION IN MINE NEAR SANFORD TODAY

Several Bodies Recovered From Carolina Coal Mine Where Explosion Occurred About Noon

Raleigh, May 27.—About 50 men were trapped in the mine of the Carolina Coal Company, eight miles from Sanford, N. C., when an explosion occurred shortly before midday today, a telephone call from Sanford stated. Officials of the mine authorized the statement that one body had been recovered and that more than a half hundred men were at work in the lower levels when the explosion occurred. A report received at a railroad dispatch office here said that 65 men were entombed in the mine of the Carolina Coal Company eight miles from Sanford as the result of a gas explosion. The report added that the fumes were so dense that no progress had been made in clearing the mine to reach the men.

Raleigh, May 27.—More than 50 men are entombed in the mine of the Carolina Coal Company, eight miles from Sanford, N. C., as a result of an explosion there today, an officer of the company stated over long distance telephone to the Associated Press here shortly after one o'clock this afternoon. The fate of the men, he added, was not determined and grave fears were felt for their safety. A majority of the men are said to be white.

Reports received here indicated that the explosion was of the gas variety and the cost had not yet been determined. It was said that it occurred shortly after ten o'clock when the full crew of the mine was on duty. Dense clouds of yellow smoke and dangerous fumes emanating from the mouth of the mine prevented early attempts at rescue work, and at one o'clock little progress had been made in determining the fate of the entombed miners. An inquiry as to whether outside aid was needed was replied to in the negative at least for the present.

Governor McLean was apprised of the mine disaster and was in close touch with the situation. He stated he would extend the aid of the state if it appeared needed.

After getting in touch with the situation, Governor McLean requested a corps of engineers, headed by Chief Highway Commissioner, Page, to proceed to the scene of disaster. At the same time he dispatched Adjutant General Mettes to the scene and long distanced an appeal to the Bureau of Mines at Washington for Federal aid in what was described to him as "a serious emergency."

The explosion today in the mine is the third serious mine disaster in North Carolina in 30 years.

The mine is located at Cumlock, eight miles from Sanford, and has been in operation about three years. At the same point is located the Cumlock mines, and at the latter in 1895 an explosion occurred which snapped out 43 lives. In 1909 a second explosion in the same mine took a toll of 20 lives.

Greensboro, May 7.—Messages received here by the Chief Dispatcher of the Atlantic and Yadkin Railroad Company stated that six bodies have been recovered from the mine eight miles from Sanford. Very little hope is held out for rescuing the other men, 50 to 60 in number.

Washington, May 7.—The Bureau of Mines today ordered a mine rescue car from Thomas, West Virginia, to Sanford, N. C., to aid in mine rescue work at the Carolina Coal Company mines. In addition, J. J. Forbes, in charge of the Bureau's Birmingham Station and Charles E. Saxon, another mine expert, are proceeding to the scene from Birmingham.

The rescue car from West Virginia will travel by way of Washington, and will reach the scene some time tomorrow.

Pittsburgh, May 27.—The rescue car will be rushed to Washington tonight. Mr. Parker will join the rescue crews as the car passes through Cumberland, Md. From Washington the car will be given the right of way on the Sea Board Air Line, to Raleigh. The run will be made in less than 24 hours, Mr. Parker said.

MOREHEAD ROTARY CLUB BE INDUCTED INTO REALM 'ROTES'

Morehead City Club Organized This Month With 23 Members Will Receive Its Charter on June 2

Morehead City, May 27.—An elaborate program of entertainment for the some hundreds of Rotarians who are to come here on June 2 to take part in the ceremonies which will officially induct the local Rotary Club into the realm of the "Rotes" is being planned by a committee appointed to make the occasion one of the most notable of a season to be filled with notable events.

Invitations have been extended to many North Carolina clubs to send delegations. Among others, Raleigh, Greensboro, Charlotte, Winston-Salem, Durham, Henderson, Goldsboro, Kinston, Greenville, Rocky Mount, Tarboro and Wilson are included. New Bern, sponsor for the local club, will send practically its entire membership to take part in the ceremonies.

Crisfield, Maryland, too, will send a delegation to Morehead City which is so closely allied to it in many industries. It also is probable that several Virginia delegations will be present. Gene Newsom, district governor, will accompany the Durham delegation to the city and will preside over the charter presentation ceremonies.

Because so large a crowd is expected, it is probable the Atlantic Hotel will be thrown open for the occasion in order that all of the visitors can find accommodations.

LEADERS BOMBING OF CATHEDRAL ARE EXECUTED TODAY

Were Guilty of Recent Bombing of Sveti Kral Cathedral in Which 160 Persons Were Killed

Sofia, Bulgaria, May 26.—Three of the leaders of the recent bombing of the Sveti Kral Cathedral, in which 160 persons were killed, were hanged here today.

The men were executed in a public square in the presence of thousands of persons. Troops formed lines about the execution place, which was just behind a Jewish cemetery.

Says British Gov't. Does Not Intend to Resume Negotiations S. Russia

London, May 27.—Foreign Minister Chamberlain, answering questions today in the House of Commons, declared the British Government had no intention of resuming negotiations with Soviet Russia.

LOCAL COMMANDERY GUEST AT FISH FRY IN BERTIE COUNTY

Royal Arch Masons of Windsor Hosts Bethlehem Commandery of Knights Templar

Good roads in North Carolina proved their worth again yesterday, when they made it possible for the people of two one time distant sections of the state come together and know each other better. Yesterday at Edenhouse, Bertie county, on the Chowan River, the members of the Masonic Chapter of Royal Arch Masons of Windsor, were hosts to the members of the Bethlehem Commandery of Knights Templar of Greenville at an old fashioned Shad and Rock Stew. The occasion was a delight to everyone, Mr. John Bell who owns the waterfront along Chowan for miles acted as official host and lived up to his reputation in that section, namely, that of being best provider of food in that section. The Greenville people and their friends reached Edenhouse about 12 o'clock, after spending a few happy moments in Windsor. About two o'clock the bountiful meal was served, consisting of the following: Shad Stew, Rock Stew, Fried Shad, Shad Roe, Baked Beans, Cornbread, Weenies, Biscuits and Hot Coffee, and cold drinks. After the meal cigars were passed around, and then all gathered under one of the huge trees, and Judge Francis D. Winston, the Duke of Bertie, entertained the group, with anecdotes, with stories of the early days in that section when Governor Eden lived, how that he was buried near the old Eden House on the Windsor side of the river, but that one night citizens of Edenton came over, disinterred the body and took it across the river and buried it in Edenton. In addition to this he also pointed out the spot where the new state highway bridge will be built across the Chowan at Edenhouse and indicated how much that bridge would mean for that section, for Greenville and for the whole state. He then called on Mr. H. E. Austin of Greenville. When Judge Winston had finished, Mr. H. E. Austin arose and expressed the appreciation of

W. A. OLDFIELD TO SUCCEED SHAVER

Will Become Chairman of the Democratic National Committee

Washington, May 27.—Representative William A. Oldfield, of Arkansas, Chairman of the Democratic Congressional Committee will succeed Klem Shaver, of West Virginia, as Chairman of the Democratic National Committee, it is indicated here, the change to be made within a few weeks.

Jockeying of various groups within the committee for leadership was said to have revealed Mr. Oldfield as a compromised selection after Mr. Shaver had informed committee members that he would not retire until a harumony candidate was found.

News that arrangements were about completed for a change in the chairmanship was disclosed yesterday at the same time that Mr. Oldfield announced plans for conferences with leaders in New Jersey and Massachusetts for Democratic campaigns in the special elections to be held there. The Arkansas Representative will begin about August 1, a tour of Western States to confer with the Democratic leaders on plans for the 1926 Congressional Campaign.

Lost Millions

The three children of Mrs. Guinevere Gould and the late George J. Gould, Jr. George S. ten; Jane S. nine, and Guinevere, three, were eliminated from any share in the \$2,000,000 Gould estate by a ruling of Referee James A. Gorman in New York, who, as one outcome of the lengthy litigation over the great trust fund, held that George Gould's second marriage did not come within the terms of the trust.

J. L. CARPER DIED THIS AFTERNOON

Prominent Citizen Dies From Stroke of Apoplexy; Funeral Services to Be Conducted Thursday Afternoon

Mr. J. L. Carper died this afternoon at 3:45 o'clock following a stroke of apoplexy which he suffered this morning. Funeral services will be conducted from Eight Street Christian Church Thursday afternoon with interment following in the Cherry Hill Cemetery.

Owing to the death occurring just as we go to press full particulars will be given in Thursday's paper.

Fall and Doheny Re-indicted Today Conspiracy Charge

Washington, May 27.—Albert B. Fall, Edward L. Doheny, and Harry F. Sinclair, whose indictments as a result of the oil scandal recently, were dismissed on a technicality, were re-indicted today by a District of Columbia grand jury. As in the previous case, the indictments charged conspiracy in connection with the previous case, the indictments charged conspiracy in connection with the Teapot Dome and Elk Hill leases. Edward L. Doheny, Jr., who previously had been indicted also, was not re-indicted.

The original indictments returned here last summer, were thrown out of court on April 3rd last, on the ground, that the indictment officials of the Department of Justice had been present illegally in the grand jury room despite the fact that the prosecution of the case was in the hands of the Government's Special Oil Counsel.

Agricultural College Editors to Meet at the State College July 7-9

West Raleigh, May 27.—The American Association of Agricultural College Editors will meet at the North Carolina State College, July 7-9. F. H. Jeter, secretary, has just returned from a conference with Reuben Brigham, the president, who is in charge of the educational work of the Extension Division of the United States Department of Agriculture. Mr. Jeter reported that 100 editors were expected at the meeting. There will be addresses by Clarence Poe, of Raleigh, editor of the Progressive Farmer; Josephus Daniels, editor of the Raleigh News and Observer; C. A. Cobb, of Atlanta, editor of the Southern Ruralist; Dr. C. D. Smith, director of the Extension Work of the United States Department of Agriculture; Dr. E. C. Brooks, president of North Carolina State College; Dr. E. W. Kilgore, director of Extension Work at State College. Mrs. Jane McKinmon, of Raleigh, and others.

WHEREABOUTS OF POLAR EXPEDITION REMAINS MYSTERY

Several Theories Advanced But Nothing Definite Can Be Learned of the Amundsen Flying Expedition

New York, May 27.—Today is the 6th since the Amundsen-Ellsworth Polar flying expedition hopped off for the north and the whereabouts and welfare of the six adventurers remains as much of a mystery as ever.

When their two planes disappeared from the view of those at King's Bay, Spitzbergen, all communication from them ceased as Captain Amundsen went without wireless equipment so as to carry as much motor fuel as possible.

As to what has befallen the party since, there are several possibilities, but the truth can be but for the present only a matter of conjecture.

Having reached the pole near its vicinity, the explorers may be spending some time in verifying their position and making the necessary records to prove their fleet to the scientific world.

Again they may have discovered a new land in the arctic and may be engaged at present in exploring it.

Another theory, and this is set forward by some who know the mettle of the discoverer of the South Pole, is that he knew it would be impossible to fly back from the pole because of the damage likely to be suffered by the planes on landing that the outward trip was made without mishap and that the members of the expedition equipped with their hunting rifles, sleeping bags, folding boats, and other aid, now are on their way back on foot across the ice which covers the northern seas.

The last possibility, and one which admirers of the adventurers hesitate to envisage is that disaster has befallen the expedition, that one or both of the planes have crashed and that few, or perhaps none of the explorers now survive.

ADENOID TONSIL CLINIC IN GRIFTON

Dr. C. J. Ellen Assisted By Dr. W. W. Dawson Performed Ten Operations

A highly successful clinic was held at Grifton yesterday, when Dr. C. J. Ellen assisted by Dr. W. W. Dawson, operated on ten children for bad tonsils and adenoids. Dr. Ellen is a very skillful operator and with the assistance of Dr. Dawson the success of the clinic was assured from the beginning.

The clinic was held in the school building, with plenty of room and good nurses the patients had every attention that could be had at a first class hospital. The patients got along fine and everyone was able to return home by the middle of the afternoon.

Last summer three clinics were held in Grifton, during these clinics thirty seven children were operated on. It has been interesting to note the improvement in these children from a standpoint of school work. Before the operations around forty percent of these children were making their grade. This year eighty percent of these children were promoted.

Children with physical defects retard the advancement of the entire group. They require too much of the teachers' time, and add greatly to the expense of maintaining a school system. If we will care for the defective children of our state, we will have brighter children, more satisfied patrons, fewer teachers, and a lower tax rate.

W. G. COLTRANE, Supt. Grifton School.

ITALY PREPARING FOR SETTLEMENT DEBT TO AMERICA

Italy Ambassador Discussing Question With Secretary Mellon Is Advised That This Government Desires to Be Lenient as Possible

Washington, May 27.—Italy is going ahead with preliminary negotiations looking to settlement of her debt to the United States and is doing so without seeking to condition funding proposals upon any action to be taken by France.

Baron De Martino, the Italian Ambassador, made this clear yesterday in discussing the debt situation with Secretary Mellon and Under Secretary Winston, of the Treasury. In return he was advised of this Government's desire to be as lenient as possible in the collection of its account.

Suggestions that Italy be granted a period of delay in final settlement and have an immortalization rate for reducing the principle of the \$2,138,534,000 debt in annual installments, were met by assurance that officials here were anxious to aid the Ambassador in grafting an agreement based on Italy's policy to pay.

At the conference, which lasted several hours, views of Treasury officials were received by the Baron and Italy's financial problems, and terms of law defining terms which this Government can accept from its debtors were discussed. While it is indicated that a considerable period will elapse before the conversations were resumed, nevertheless, officials are harkened by the knowledge that Italy will proceed independent of France. In regard to the Fernch situation, note was taken of Foreign Minister Briand's statement to the Senate that "serious conversations" were in progress with Washington on the debt question. Treasury officials made it clear however, that no communication on the subject had been received from Paris.

DISTRICT MEETINGS WILL BE HELD BY COMMERCE BODY

Plans for Sixth District to Be Made in Greenville June 9 at Noon at Proctor Hotel

According to an announcement from headquarters of the Eastern Carolina Chamber of Commerce at Kinston, several district meetings of District, county and town Chairmen are being planned for the immediate future with a view of getting a thorough organization in every town in the forty-six counties covered by this organization. The entire district has been divided up into nine districts and over each has been placed a district chairman; each of the district chairmen is selecting a county chairman and each county chairman is selecting a town chairman. This plan will take the program of the big organization down to the individual where it is needed most.

The first of this series of meetings will be held at Maxton, June second, Chairman W. H. Hasty, of District No. 3, which includes Robeson, Hoke, Scotland, Columbus, and Brunswick, will have his various chairmen at a luncheon to be given by the Eastern Carolina Chamber of Commerce, at the Hotel in Maxton. June third, Chairman E. Gibbons, Hobbs, of Clinton, of the Fourth District, has called a meeting of his counties to be held at Wallace, at noon. At which time those present will be the guests of the Eastern Carolina Chamber of Commerce at a luncheon at the Pine View Hotel. District No. 4, includes Sampson, Pender, New Hanover, Onslow, and Duplin. This particular district has many real worth while advantages to offer to the outsider. A good meeting is expected here.

Chairman Sol Cherry, of Snow Hill, who has district No. 6th to preside over, is asking his co-workers to meet him in Greenville, June 9th at noon at the Proctor Hotel to outline the plans for the sixth district. This district includes, Green, Lenoir, Pitt, Martin, Washington, Beaufort and Chairman Cherry believes that he will have a good strong organization to help him put this big program over in his district. Other meetings will be arranged as fast as the district chairmen get their plans matured.

FINALS OF GRIFTON HIGH SCHOOL PROVE MOST SUCCESSFUL

Commencement Exercises Thoroughly Enjoyed by a Large and Appreciative Audience

Sunday night Rev. Lee McBride White, pastor of The First Baptist Church of Kinston, preached the annual baccalaureate sermon to the graduating class of the Grifton High School. Mr. White took his text from Second Timothy, third chapter and seventeenth verse. That the man of God may be perfect, thoroughly furnished unto all good works. Mr. White spoke with eloquence. His sermon was full of inspiration, and wholesome advice; and made a deep and lasting impression upon the minds of his hearers.

Wednesday evening, the senior class presented a play entitled "Cranberry Corners." The parts were well assigned, which enabled the actors to enter into the spirit of the play with a great deal of ease and alacrity. The play went off with snap and was full of wit and humor. At times the audience was convulsed with merriment. The auditorium was full to overflowing, and a neat sum was realized for the high school library.

The Class Day Exercises were a novel feature of the commencement program, and reflected the spirit of the class in its various moods, and were highly enjoyed by all present.

The commencement address was delivered by Prof. E. W. Timberlake, Jr., of Wake Forest College. The speaker of the evening was introduced by Mr. G. T. Gardner, member of Pitt County Board of Education. Prof. Timberlake who is a speaker of rare charm and grace was at his best on this occasion. Throughout the entire discourse the audience sat spellbound, and at the conclusion of the exercises were profuse in their praise of his speech. After the address diplomas and certificates were presented and medals awarded by Supt. W. G. Coltrane.

The following received diplomas: Rubelle Abbott, Clara Estelle Gardner, Lottie Belle Jones, Susan Alice Johnson, Carolina Koonce May, Rachel Frances Patrick, Bruce Alton Phillips, Leon Alton Pittman, Helen Lee Reaves, Sibyl Adelle Smith, Charles Whitfield Taylor, Dannie Mercer Wiggins.

The Expression Medal given by The Bank of Grifton, was won by Ida Cameron. The Debaters' Medal given by J. R. Harvey and Company, was won by Frances Patrick; The Declainers' Medal, given by Dr. W. W. Dawson, was won by William Coltrane, Jr. The Music Medal, given by R. E. Nelson, was won by Roxie Tucker. The Valedictory, given by Vance Wall, was won by Frances Patrick. The Seventh Grade Scholarship Medal, given by Sadie Kellum, was won by Jessie Lough.

Mangum Elected a Member Board of Trustees St. Mary's

Gastonia, May 27.—Addison G. Mangum, of Gastonia, has been elected a member of the board of trustees of St. Mary's School, at Raleigh.

Votes to Offer for Sale 200 Ships For Scrapping

Washington, May 27.—The Shipping Board voted today to offer for sale 200 ships for scrapping. In what numbers the ships would be disposed of at first was not decided, but this is expected to be determined when the scrapping committee, comprising Chairman O'Connor and Commissioner Benson and Plummer submit for approval an advertisement for the sale.

Hill, who has district No. 6th to preside over, is asking his co-workers to meet him in Greenville, June 9th at noon at the Proctor Hotel to outline the plans for the sixth district. This district includes, Green, Lenoir, Pitt, Martin, Washington, Beaufort and Chairman Cherry believes that he will have a good strong organization to help him put this big program over in his district. Other meetings will be arranged as fast as the district chairmen get their plans matured.

FOR THOSE WHO GAVE THE MOST

The Casualty List goes on. The World War ended November 11, 1918, for most of us. Since that date America has not seized its morning newspaper to read in haste, and in fear, that list of those "Dead on the Field of Honor."

During 1924 more than five thousand men died in the United States from disabilities directly originating in their World War service. Those are the deaths officially recorded and certified by the government as due to war causes.

Fifteen every day. And the others not "of record."

At each sunset we know that fifteen more have gone, "Dead on the Field of Honor," as surely as those who rest under the little crosses, row on row, in Northern France.

In 1922 the deaths "directly traceable to service origin" were 4,556. In 1923 they fell off to 4,304. In the first half of 1924 they rose again, to 2,721 for a half a year.

In a hospital in Texas, built by The American Legion, the National Commander of the Legion stood last autumn by the bedside of a "case" in the final stages of tuberculosis.

So it is that members of the Legion cannot forget about the war, and will not let America forget. No so long as there is a disabled man who may be cured.

The Legion is now endeavoring to raise an endowment fund of five million dollars to be used to care for the widows and orphans of those who have passed on to the Great Beyond.

APPRECIATION OF MRS. LEON R. MEADOWS

An angel form, Walks o'er the earth with silent tread; He bears our best loved friends away. And then we call them dead."

On the evening of May the 11th, 1925, our dearly beloved member, Mrs. Leon R. Meadows fell asleep in Jesus.

The Woman's Missionary Society of Immanuel Baptist Church Greenville, N. C., desires to bear testimony to our great grief over the death of our dear friend and co-worker, whom we loved dearly.

Even the last days of her life were marked by loving thoughts of it. Our hearts are sad, and heavy, for we shall miss her, yes, miss her. Oh! so much, now, all that is left for us to do, is to try to express by mere words, our gratitude for the service she rendered our society, and our appreciation of her Godly life.

No one met her without being impressed with her kindly spirit, and none knew her but to love her. She possessed those qualifications which goes to make a beautiful christian life; truly she walked in the Spirit, for all along to the end the fruits, love, joy, peace, long-suffering, gentleness, goodness, faith—were very evident in her life; showing forth the Saviour whom she loved first of all.

Therefore, be it Resolved: 1. That we, as a society, feel in Mrs. Meadows home-going the keenest sorrow, and are conscious of our irreparable loss.

2. That in memory of her pure life, and Christ-like spirit we have a noble example of absolute consecration, and shall endeavor to seek a deeper knowledge of the Christ whom she so devoutly served.

3. That we thank God for the privilege of having had her with us these few years, for her sterling character, for her ability and tact, for her sweetness and cheeriness of disposition, for her charm of personality, for her unselfish service, and for her spirit of absolute assurance and trust in the hour of her home-going.

4. That we extend to the bereaved husband, her family and to the three dear little children who are bereft of that priceless of earthly possessions, a mother's love; our deepest sympathy and love.

5. That we dedicate a page on our W. M. S. record, on which to perpetuate her memory as a token of our esteem. A copy sent to the Biblical Recorder, and one to the bereaved families.

MRS. W. H. WARD, MISS ARLEY MOORE, MRS. JOSEPH PALMER.

Holstein Breeders to Meet. Grand Rapids, Mich.—Forty-four states and Canada will send 166 delegates, representing more than 25,000 breeders of purebred Holstein-Friesian cattle, to the annual convention of the Holstein-Friesian Association of America, to be held here June 2-3.

BLOCK DAY June 10th Benefit of The King's Daughters The King's Daughters paid the house rent and provided food and clothing for a convict's wife when she was left penniless with six small children.

Karnak, Sensational New Medicine, Now On Sale At Warren's

Marvelous Results Accomplished By Remarkable Preparation In Other Sections of Country Almost Incredible. HAS HAD PHENOMENAL SUCCESS

Karnak, the remarkable new medicine that has created such a sensation by its amazing powers to restore health, strength and energy, is now on sale in Greenville, at B. S. Warren's.

ENDORSED BY PROMINENT PHYSICIAN

After Searching Investigations, Dr. Charles L. Moore Indorses Sensational Medicine in Highest Terms

The highest tribute that can possibly be paid a proprietary medicine has just been accorded Karnak, the sensational new medicine that is accomplishing such remarkable results.

Dr. Chas. L. Moore, a physician of 48 years general practice, comes out and states in unconditional terms that Karnak is without a doubt a most extraordinary medicine. Such endorsement is indeed convincing, for the physician will not recommend any medicine until he positively knows it will produce the results.

"I am frank to say that Karnak is the most efficient medicine I have ever used for building up a rundown sluggish system," declares Mr. Moore. Dr. Moore has spent 48 years in the practice of medicine in Georgia. He is now retired and resides at 1168 Peachtree street, Atlanta.

Following is Dr. Moore's report on his test of Karnak:

"In my 48 years of active practice I have never been an advocate of the unlimited use of the majority of medicines, but after my own experience with Karnak, I do not hesitate to recommend this medicine to anyone.

"My own personal experience with Karnak is that it increases my appetite to where I eat like a growing boy. It thoroughly cleansed my system of all impurities, and I actually feel ten years younger as a result of taking Karnak.

"I sleep soundly, feel energetic and full of vitality. In fact, I am like a different man and have actually gained 8 pounds. Karnak Pills, together with Karnak, entirely relieved me of constipation.

"On the whole, I am confident that Karnak is a most extraordinary medicine and will be of great benefit to anyone. I intend to continue advising its use universally.

"I strongly recommend, however, that at least four bottles of Karnak be taken. The first two bottles will cause a favorable reaction but I know

that in most cases two more bottles will be advisable." The discovery of Karnak, the amazing results it has produced, and the marvelous success it has achieved, reads more like fiction than facts from latter day commercial history.

Just about one year ago Karnak was first introduced in America and placed on sale in Wichita, Kansas. So great was the interest in this new medical discovery that within one week's time over 1,200 bottles had been distributed to the public in that city. The results produced by the medicine were astounding. Nothing like it had ever been seen before.

THOUSANDS QUICKLY RESTORED TO HEALTH

Wichita men and women by the hundreds, of all ages, in all walks of life, received the most astonishing and gratifying results. Miserable people reported that they had been entirely relieved of their distressing symptoms and were restored to complete health and happiness as a result of this amazing medicine.

News of the astonishing success of Karnak in Wichita quickly spread over the entire state of Kansas and every city, town and village in the state were writing and writing for Karnak and being supplied as quickly as was humanly possible.

The adjoining states of Oklahoma, Missouri, and Iowa began clamoring for Karnak. Telegrams began pouring into the Karnak laboratories from leading druggists all over the states, seeking arrangements for shipments of the sensational medicine to their communities. The demand was overwhelming.

OVER 500,000 BOTTLES SOLD IN 10 MONTHS.

The success of Karnak in Wichita, Kansas, was duplicated everywhere it was put on sale, and the medicine has now become the biggest seller in the history of the drug trade of that section. In the short space of ten months over 500,000 bottles of Karnak has been sold in the above territory and the demand is increasing daily by leaps and bounds.

Briefly, this is the history of the truly great medicine, Karnak, that is being placed within the reach of the people of Greenville and vicinity.

RESULTS FROM KARNAK ARE GUARANTEED

Karnak is sold under a strict guarantee that the first two bottles will produce beneficial results or the purchase price will be refunded without question. Both the manufacturers and the Greenville distributors, B. S. Warren's, stand squarely behind this guarantee.

This policy was announced by Mr. L. M. Carroll, of Karnak, Incorporated, and Mr. B. S. Warren of B. S. Warren's.

"Our guarantee amounts simply to this," said Mr. Carroll. "Anyone who purchases two bottles of Karnak and is not benefited by it may get their money back without question.

Mr. Warren said: "We would like to assure every one that the policies of Karnak, Inc., with reference to the impartial distribution and guarantee of Karnak will be carried out to the letter.

"Any person who is not benefited by the first two bottles of Karnak may return here and get their money without question."

It hits the spot

when folks drop in unexpectedly

Distributor: STON EDGAR KING Greenville - North Carolina

Now Yours for Only \$195 F.O.B. DAYTON, O. Image of a Delco-Light electric plant.

Everywhere this New Delco-Light has won an Instant Welcome

A month ago we announced a new Delco-Light electric plant—Delco-Light at a new low price—Delco-Light so inexpensive in cost that it could bring the blessings of electricity to every farm home in America.

Thousands of farmers have found, in this new Delco-Light, the thing they've always wanted—a genuine Delco-Light plant that they could have, completely installed on their farms, at a cost that was really low. Thousands of farm women have found the Delco-Light that would lighten their burdens and bring new happiness to their families—all at a very economical cost.

We Want You to Know About It

Here is a brief description of the new Delco-Light, and some general information about our remarkable new plan of complete installation and easy time payments. Read every word of this information. And then write or telephone immediately for the details of our complete offer.

A 600-Watt Non-Storage Battery Plant

The new plant is a genuine Delco-Light in every respect—full 600-watt capacity, strong, sturdily built, economical in operation. It is equipped with a standard Delco starter and an economical starting battery. And its price is only \$195 f. o. b. Dayton—the lowest price and the greatest value ever offered in a Delco-Light electric plant.

Complete Installation at a Remarkably Small Cost

In addition to this, special arrange-

ments have been made whereby the Delco-Light Dealer in your community will install your plant and wire your house for five lights to be located wherever you specify. You will receive with the plant five beautiful spun-brass lighting fixtures complete with bulbs.

And all of this—plant, installation, wiring, fixtures, everything ready to turn on the lights—will cost you only \$53, in addition to the price of the plant itself.

A Small Down Payment—Balance on Easy Terms

Finally, we have arranged that this new low cost for Delco-Light, completely installed, can be paid on terms so easy that anyone can take advantage of them. The total cost is only \$248, including freight (a little more west of the Mississippi). But you make only a small down payment. The balance is payable on easy terms, arranged to suit your convenience.

Ask for Details

Never before has such an offer been made. Never before has Delco-Light cost so little and been so easy to buy. It means that any farm home—your home—can have Delco-Light today.

At the bottom of this advertisement appear the name and address of the Delco-Light Dealer for your community. Call on him, write, or telephone for full information—specifications of the plant, illustrations of the fixtures that come with it, details of our complete installation and wiring plan and the figures that show how easily you can now get Delco-Light.

LOCALS

RED POPPIES.

By Arthur Guiterman.
 Though violets grow in every glade
 And fair and tall the lily stands,
 Come buy our material poppies made
 By trembling war-enfeebled hands.
 Though sweet the golden cups that spill
 The morning dew and call the bees,
 What flower of garden, field or hill
 Can show as clear a hue as these?
 Their is the hue that stained the snow
 Of Valley Forge and Brandywine,
 That tinged Catawba's turbid flow
 And Saratoga's hills of pine.
 That plashed the trail where Morgan led,
 The path of those who charged with Wayne,
 The dauntless wreck of Flamborough Head,
 The sun-dried grass of Monmouth Plain;
 It dyed the spot where Lawrence fell,
 Where Perry held the shattered deck,
 The Alamo's white citadel
 And glory-crowned Chapultepec.
 That hue has hallowed lowland fen
 And southland moss and norland ice—
 The hue of riven hearts of men,
 The hue of gallant sacrifice.
 You boast of them that faced our foes,
 Long since—and shall you grudge to pay
 Your tithe of what we owe to those
 Who faced our foes but yesterday?
 The blood they gave has equal claims
 Or when or where they stanchly stood—
 By Marne, or Aisne, or Charles or James,
 At Lexington, or Belleau Wood.
 The toil, the grief, the pain were theirs.
 The ease, the joy, the gain are ours
 Who stints and hoards? Who gladly shares?
 Come buy our poppies, buy our flowers!

Woman's Club Decides On Site For Club House

At the regular meeting of the Woman's Club which was held on Saturday afternoon it was voted unanimously to accept the lot in front of the high school on Fifth street which is given by the town for the erection of a club house. The meeting was held to decide on a site. Mrs. H. S. Ragsdale, chairman of the House Committee, presented to the club for consideration two projects, the Blow Property and the lot in front of the high school. After much discussion it was voted unanimously to accept the lot on Fifth street which belongs to the town of Greenville and which has been offered to the Woman's Club as a site for the club house.

The meeting was presided over by Mrs. H. E. Austin, vice president. Resolutions of respect for Mrs. Claude Grant, a beloved member of the club were read and accepted. It was decided that a vote of thanks and \$10 be sent to the Memorial Baptist Sunday School for the use of the rooms in which the club has been holding its meetings.

The following committee was appointed to revise the constitution, Mrs. E. W. Harvey, chairman, Mrs. Hortense Moye, Mrs. R. R. Cotten, and Mrs. P. T. Anthony.

The meeting was largely attended and great interest was manifested in the selection of a site for the club house.

Pamlico Beach Hotel to Open On Friday, May 29

The announcement of the opening of Pamlico Beach will be read with a great deal of interest by people of Greenville and this section. This popular and attractive beach is being operated by J. C. Lanier and S. T. Hooker of this city, and these gentlemen have spared no expense to make it a place to satisfy the most fastidious patrons.

In addition to a modern hotel with water, lights, and sewerage, this Beach boasts a first class dancing pavilion built out over the water, an unsurpassed bathing beach, and fishing grounds teeming with fish to delight the heart of fishermen. The Hotel has gained a wide popularity by reason of its reputation for its comforts and dining room service. A competent force has already been selected for this season.

The roads leading to the Beach have been placed in excellent condition and addition of the pavement all the way to Bath makes it an easy two hour trip from this city.

The Beach will open for business Friday, May 29th, with a dance. Ed. Hinnant's Night Owls will furnish the music for both Friday and the Saturday night dances, and a large number of people from this section will undoubtedly be present to contribute to the success of the opening.

FISHERMEN, TAKE NOTICE.

Shad are said to be biting fine at Neville Creek. For information, see "Doc Horns."

STOLEN FIRST AND THEN WRECKED

Thieves stole this limousine and in the furious chase by the police which followed, the car was hurled over a precipice to destruction.

Theft insurance makes good your loss when your car is stolen. Don't take chances. The automobile thief is clever.

LOCAL COMMANDERY GUEST AT FISH FRY IN BERTIE COUNTY

(Continued from page 1)
 The Greenville folks and all the visitors for the generous hospitality extended, and made the prediction that great good would come to all concerned as a result of the friendships made upon the delightful occasion. J. H. Rose of Greenville was then called on and he spoke along the same line. About four o'clock the party broke up after expressing individually and collectively their thanks for such hospitality. Among those attending from Greenville were: Mr. and Mrs. Curtis Perkins, Mr. and Mrs. Williams, Mr. and Mrs. Wiley Brown, Mr. and Mrs. H. E. Austin, Mr. and Mrs. J. N. Hart, Dr. and Mrs. R. L. Carr, Mr. and Mrs. F. J. Diener, Mr. and Mrs. J. L. Perkins, of Stokes; Messrs. O. L. Joyner, J. H. Rose, E. R. Dudley, J. H. Phelps, L. R. Whichard of Whichards, Claude Gaskins and others. Among those present from Windsor, were Judge and Mrs. Francis D. Winston, Mr. John Bell, the official host, Dr. Sawyer and wife, Mr.

Claude Pierce, Miss Maybelle Perry and Mr. Cherry, Messrs. Pritchett, Tadlocks and numbers of others.

CANADA REPORTS GREATEST BUILDING ACTIVITY IN SIX YEARS

Winnipeg, Man.—Value of building construction authorized in 60 cities of the Dominion in the first three months of the year totaled, \$19,672,637, the highest since 1919, a report of the bureau of statistics shows.

Permit figures for March totaled \$8,457,791, a gain of nearly \$3,000,000 over February. Reports from the cities show 1,100 permits for dwellings valued at \$5,200,000 and 1,900 permits for other buildings valued at \$2,900,000 during March.

Cool Silk Frocks
 Promise Delightful Afternoons

When clock hands move around to three and the sun sits high, nothing is so sensible to wear as a tissue-weight Silk Frock. Let it be polka-dotted, striped, flowered or in some brilliant shade that plays up your eyes, then you can be sure it is youthful while you feel it is the most comfortable Frock you've ever had on.

C. Heber Forbes

COOL Frocks of tub alpaca are rather crisp, yet rather soft, and have a delightful sheen. Their rosy shades and soft posy shades give them the young and carefree spirit so desirable in all summer frocks. Softly tailored styles.

SUCH colors as buttercup and hollyhock help these Silk Damask Frocks to take a long step toward the gaiety for which they are striving. These Frocks, a bit more dressy than their sports silk sisters, are very new and flattering.

YOUR favorite combination of colors, it is safe to say, can be found in this group of Tub Silk Frocks so pertly striped. Stripes wide and stripes slender enliven these straight line delights. They spell comfort for vacations at home or afield.

ALL the choicest colors in the rainbow seem to have descended upon these crepe de Chine Frocks. Hand-fagotted or trimmed with dyed lace, they'll gracefully take tea-table or sports field for background. There are printed ones, yes, bright as butterflies in sunshine.

POSLAM IS THE QUICKEST WAY TO END ECZEMA

Phone 150, Greenville, N. C.

Cotton Summary

Local cloth markets quiet and slightly easier on some offerings from second-hands. Cotton states were practically without rain yesterday. Indications are for fair east of Mississippi today and tomorrow, part cloudy and showery in Southwest. Of 12 opinions 6 bullish one bearish five non-committal.

Journal of Commerce monthly canvass says: Cool nights hurt cotton in Eastern states during May, recent rains improved outlook substantially. Crop has been retarded appreciably but apparently not seriously damaged. Weevil hibernation and immigration reported generally high throughout eastern belt.

Weid's traveler estimates condition of Texas cotton crop about 65, and deteriorating. He expects the bureau to make it 69 or over. He estimates Oklahoma condition at 75 and improving. Still exceedingly dry over area in Texas approximately 7,000,000 acres needed rain. Liverpool cables say market easier under local liquidation, importers selling, spinners apathetic. Buying of cloth and yarns restricted.

Fairchild's cotton yarn Index number for week ended May 23 is 39.34 unchanged from previous week.

Grain

Crop damage reports are awakening public sentiment and commission houses are getting more buying orders for wheat and corn. Business has more than doubled in two days. Sentiment is bullish but the advances have been so rapid around ten cents on July and twelve cents on September wheat in a few days the profits are being taken in a way that gives the market numerous setbacks. The disposition of the professionals is to buy on all good breaks.

Corn traders have become more bullish and are getting outside help. Optimism as to the amount of damage vary but the general impression is there will be an unusual amount of replanting necessary.

Cotton

The market quiet down yesterday and trading was about evenly divided and fluctuations narrow. Sentiment at the close was inclined to be bearish but the ring appeared to be short and contracts were scarce when there was any buying.

Possibility of an unfavorable weekly review today on account of the low temperatures and continued drought in Texas and tightness of spots were the sustaining influences.

New Orleans has 17,332 bales on shipboard vs. 25,679 and Galveston 31,200 vs. 19,900. Condition estimates are running so close to expectation that they are having little effect on the market and are not likely to have much effect unless they vary considerably from previous figures.

Liverpool

Sales 5,000, receipts 300, all American. Good middling 1356, m.d. 1301. July 1243, Oct. 1202, Jan. 1189. Due July 1253, Oct. 1208, Jan. 1197.

Liverpool wheat opened down 1-4 to 1 cent; corn unquoted. 10.35 a. m., wheat up 1-4 to down 1-2.

Stock Summary

Car loading 994,976 week ended May 16, record for 1925 increase of 3,546 over preceding week and 71,715 over year ago.

Oil and Gas Journal estimates domestic crude oil output last week 2,202,002 barrels, decrease 1,570 daily from preceding week.

Public Service of N. J. offers stockholders right to subscribe to 131,000 shares no par common at \$2 1/2 one for ten.

Mexican Seaboard first quarter net loss before depletion \$112,188 vs. net profit of \$1,428,242 first quarter of 1924.

Atlantic Refining advanced gasoline 1 cent in Delaware and New England. Illinois Central April net operating income \$1,833,945 vs. \$2,000,658 in April 1924. Four months \$9,310,258 vs. \$10,533,713.

Irt April surplus \$95,344. Ten months deficit \$33,843 vs. \$370,918 a year ago.

N. Y. Central net operating income \$5,215,820 vs. \$370,918 a year ago.

Penna R. R. April net operating income \$6,616,567 vs. \$7,118,455 a year ago.

New Haven April surplus after the charges \$694,024 vs. \$303,720 a year ago.

Worthington Pump declared regular quarterly dividend of \$1.75 on pfd. A and \$1.50 pfd. B.

Public Service of N. J. declared regular quarterly dividend of \$1.25 on common, \$1.75 on 7 per cent pfd. and \$2 on 8 per cent pfd.

Average 20 Industrials 128.43 up .65. 20 rails 98.83 off .32.

Stocks

Speculative sequence calls for further irregularity in early transactions today, with a firming up before the close preparatory to a renewal of

constructive operations on a broader scale.

The Weather
Temperatures considerably warmer during the day however quite cool nights. No rainfall reported any where. Forecast: Wednesday Eastern and Central belts generally fair and warmer. Western belt part cloudy unsettled probably some showers and warmer.

Weekly weather: Past week reports show dry weather Mississippi Valley and Arkansas continues with out relief and scattered rainfall portions Southern and Western Texas insufficient, general rains are needed over entire belt. Cold wave last half week very severe, stopping all growth and germination of latest plantings. Cultivation and chopping out favorable.

Weekly weather: Past week reports show dry weather Mississippi Valley and Arkansas continues with out relief and scattered rainfall portions Southern and Western Texas insufficient, general rains are needed over entire belt. Cold wave last half week very severe, stopping all growth and germination of latest plantings. Cultivation and chopping out favorable.

GOOD PLUMBING IS THE VERY THING TO MAKE YOU HAPPIER THIS SPRING

PLUMBING

Congleton's Little Plumber

In the springtime everybody and his brother and his cousin Bill are looking for happiness. One way to make certain that you're going to enjoy this season of the year is to install some good, dependable plumbing. If you're going to build this spring it would pay you to talk over the specifications with us.
