BUY WITH CONFIDENCE OWN WITH PRIDE -

The most significant phase of the growing preference for Oldsmobile Six lies in the confidence with which the car is bought -the result of surpassing standards of quality and the precision with which every detail is carried out.

Bought with confidence, Oldsmobile Six is owned with pride, because of its brilliant beauty and sparkling performance. At the wheel you immediately sense some unusual factor-a fundamental difference you can know only by driving.

No car has ever more truly merited the public preference which day by day is swinging more and more to Oldsmobile.

Summer vacations in France will be more expensive for tourists this year with a new 10 per cent increase in all railroad fares going into effect probably early in May. The new rates will make journeys more than three times as costly as they were in July 1914.

The 10 per cent increases now being prepared by the minister of public works, added to those put in force the first of the year; make a total of 25 per cent, since January 1. The new first class rates work out at virtually 2 cents per mile.

West Virginia Lady Says That She Was in a Serious Condition, But Is Stronger After Taking Cardui.

Huntington, W. Va .- "I was in a very weak and run-down condition -in fact, was in a serious condition," says Mrs. Fannie C. Bloss, of 1964 Madison Avenue, this city.

"In my left side the pain was very severe. It would start in my back and sides. Part of the time I was in bed and when up I didn't feel like doing anything or going anywhere.

"Life wasn't any pleasure. I was very pale. I was nervous and thin, and so tired all the time.

"My druggist told me that Cardul was a good tonic for women and I bought a couple of bottles. I took two bottles, then I noticed an improvement. I kept on and found it was helping me. I have taken nine bottles. I'm stronger now than I have been in a long time."

Cardui is made from mild-acting medicinal herbs with a gentle, tonic strengthening effect upon certain female organs and upon the system in general. Sold everywhere.
