(By Arthur Brisbane)

The good thing about American prosperity is that it spreads far-ther and farther from the great centrol sources of wealth. In anpalace was surrounded by ignorant, miserable, half-starved barekeep alive.

Miller and Daugherty were charged with conspiracy to defraud the U. S. of their honest and unbiased services in allowing claims for \$7,000,000, proceeds of the sale of impounded American Metal Company shares.

The jury was out seventy hours. The jury flied into the court-room apparently wearied by their long deliberations. The Judge said: "I have received another note from you saying it is your unanimous opinion that in the case of one defendant you are hopelessly beadlacked."

United States attorney Emory R. Buckner, after the verget of the committee report by the Senate of the committee report by the Senate of the committee o

Drive Oldsmobile, and like thousands of others, you too will say "I never knew what a truly great car this is!"

For, firm as it stands in public favor, lavish as is owner praise, you cannot realize what awaits you 'til you get behind the wheel and learn the truth.

Here is swift acceleration, abundant power, effortless control.

Here is solid comfort, true convenience, driving ease.

And, as the months and miles roll by, new sources of satisfaction open up in its unflagging performance, its thrifty operation and its staunch dependability.

Whatever you want in a car, whatever you are willing to pay, know this Oldsmobile . . . for the better you know it, the better you
