MISTRIAL ENDS SAPIRO'S SUIT AGAINST FORD

Too Much Talk By Woman Juror Causes Mistrial In Million Dollar Suit.

Detroit, April 21.—(AP)—An order of mistrial granted upon motion of defense counsel today ended Aaron Sapiro's \$1,000,000 libel suit against Henry Ford.

Judge Fred M. Raymond ordered the jury discharged and instructed a mistrial be entered upon the plea of Stewart Hanley, heading the Ford defense in the absence of Senator James A. Reed of Missouri, that Mrs. Cora Hoffman, eleven juror chosen when the trial started six weeks ago, had granted an interview, the substance of which appeared in last Tuesday's Detroit Times.

"This trial fails to a large extent because justice has been crucified upon the cross of unethical and depraved journalism," said the court.

Judge Raymond expressly cleared Mrs. Hoffman of allegations made in a series of affidavits by Ford detectives and other employees that she had discussed a \$10,000 bribe with "Kod" Miller and that she had indulged in any misconduct as asserted in the affidavits.

Judge Raymond immediately invited counsel for both sides into his private chambers to discuss steps looking toward a new trial.

"I am extremely loath to grant a motion for a mistrial," asserted the judge after William Henry Gallagher, chief of counsel for Sapiro and Hanley had debated the motion at length.

"Up to the limit that the public press interfered with the function of this court, the court believed no mistrial should be granted.

"It is deeply regrettable and deplorable that a case which has cost so much money and labor should come to this conclusion.

"But when that newspaper report became known it seemed, and seems now, impossible to proceed."

Gallagher in a formal statement last night disclaimed any intention to come into court today and argue against the part of the motion for a mistrial as based upon Mrs. Hoffman having granted the interview but promptly at the opening of court he lunched into a 45-minute address so ear-marked as an argument against the motion that when he stated in conclusion that it was not such an appeal Hanley was taken by surprise and had to have the court reporter read to him Gallagher's final remarks.

Chicago is interested in "what happened to Jake Abler, and Frank Gallelo," kidnapped, then freed for cash. The two own "The Midnight Frolics" cabaret and are silent wisely.

If a Chicago gang gets you, takes your money, lets you go, keep your mouth shut. Talk, and they "take you for a ride" and you don't come back.

Some think the "cabaret boss" were kidnapped because one displayed "too big a roll." Others say they had neglected to pay their liquor bills. The "Midnight Frolics" it seems were not one hundred per cent dry frolics.

Chicago's police suggest that "Egans Rats," gangsters from St. Louis, kidnaped the boys. St. Louis replies that Chicago needs no help of that kind. Here in wide wet open spaces of the Middle West, the bootlegger does not take his brother for a ride, and prohibition really works.

Unless inhabitants are misinformed, the western mind runs to peaceful philosophy. "The Joplin News-Herald" says "As to street signs, read 'em and leap." And the "Richmond Missourian," quotes a philosophical lady as follows: "Kissing is about to be carried so far that every lady is likely to get so tired of it that it may go utterly out of fashion."

The St. Joseph, Mo. "News-Press" says: "The girls have responded nobly to the appeal for the observance of paint up week."

YOUNG ATTORNEY BOUND OVER ON CRIMINAL CHARGE

Charlotte, April 21.—(AP)—Conley Robertson, young attorney, today was bound over to the Mecklenburg county grand jury under \$1,000 bond on a charge of assault with intent to kill on Frank P. McGinn, of Myers Park.

Robertson shot McGinn in the arm a week ago when the attorney went to the McGinn home in an effort to find his wife. The shooting occurred when McGinn grappled with Robertson in an effort to prevent the latter from entering the house.

Senator Reed, fully clothed, walked from his hotel room to the ambulance, said Higgins, who denied that the Senator's condition might be regarded as serious.

TODAY

Weather, Many Kinds. What Happened to the Boys. Kansas Philosophizes. No Gangs Out There.

(By Arthur Brisbane)

Copyright 1927, by Star Co.)

Newton, Kansas, April 19.—Coming through the big Ohio farms yesterday on the Pennsylvania "Manhattan Limited," bound for Chicago, a pond, big or little, indicated the low spots in the fields. Here in Kansas the wide fields are enormous lakes, above which the Santa Fe fast train "The Chief" travels toward the Pacific on a high heavily ballasted road bed. The only important news out here is "flood news."

The boiling, muddy waters of the Mississippi rise higher and higher. Women and children are removed from danger, man remaining, piling up sand bags to protect weakened levees. The destruction of property will be great.

We intend to plod along here in our good old 1776 way. But if a Mussolin were running the country, who doubts that he would use any amount of money, energy and engineering skill necessary to divert and store the dangerous waters near the source and use those waters on desert lands where they are needed. It is only a question of money, and we have that.

This nation has lent eleven thousand millions, in private loans to Europe, recently, in addition to ten thousand millions lent by government in war excitement. Why not get excited about our own war on the waters?

Those that blame earth's troubles on the sun spots will be interested in the variety of weather demonstrations. Heavy winds, cloud-bursts, hail, high wind storms, and at Hale, Missouri, "a twister," local name for a small cyclone, are included. "The twister" destroyed two blacksmith shops, damaged several buildings.

Hay will be cheap this year, on the farms, for crops will be heavy. After the farmer sells and jobber gets the hay prices will change. Late plowing will be delayed, and wheat growers worry about a too heavy "top growth."

Wheat grown suddenly too tall falls before high winds or heavy rains and athletic young gentlemen please notice, when the wheat stalk is over developed the head of the wheat containing the grain, is feeble. Too much straw means too little wheat.

And too much muscle means too little brain.

Chicago is interested in "what happened to Jake Abler, and Frank Gallelo," kidnapped, then freed for cash. The two own "The Midnight Frolics" cabaret and are silent wisely.

If a Chicago gang gets you, takes your money, lets you go, keep your mouth shut. Talk, and they "take you for a ride" and you don't come back.

YOUNG ATTORNEY BOUND OVER ON CRIMINAL CHARGE

Charlotte, April 21.—(AP)—Conley Robertson, young attorney, today was bound over to the Mecklenburg county grand jury under \$1,000 bond on a charge of assault with intent to kill on Frank P. McGinn, of Myers Park.

Robertson shot McGinn in the arm a week ago when the attorney went to the McGinn home in an effort to find his wife. The shooting occurred when McGinn grappled with Robertson in an effort to prevent the latter from entering the house.

Senator Reed, fully clothed, walked from his hotel room to the ambulance, said Higgins, who denied that the Senator's condition might be regarded as serious.

SENSATIONAL EVIDENCE IN MURDER CASE

Belief of Concerted Attempt to Suppress Facts, Expressed by Coroner.

Los Angeles, April 21.—(AP)—The coroner's jury investigating the death of Ray Raymond after his fist fight with Paul Kelly, screen juvenile, returned a verdict today that Raymond met his death as the result of an encounter with Kelly, and with the latter the aggressor.

Los Angeles, April 21.—(AP)—A revelation of sensational details bearing on the death of Ray Raymond, musical comedian following a fight with Paul Kelly, screen juvenile, who is under indictment for murder, were promised at today's inquest into the tragedy as Coroner Frank Nance moved to investigate an alleged plot to "cover-up" facts in the case.

The belief that a concerted attempt has been made to suppress vital facts immediately after Raymond's death, was expressed by Coroner Nance yesterday.

A murder indictment was returned against Kelly following a grand jury investigation of the actor's death. The bill was returned a few minutes after Raymond's widow, Dorothy Mackaye, stage actress, had finished her testimony.

Miss Mackaye, who has admitted that her friendship for Kelly was the cause of the trouble between the screen player and her husband, collapsed in the witness chair. As she was assisted out of the grand jury room she learned of the jury's action.

"It can't be true," she screamed as she sank to the floor. She was rendered unconscious for a time by striking her head against the marble corridor.

For three hours Miss Mackaye was grilled in the grand jury room. Her recital was frequently interrupted as the actress became hysterical. Her testimony was said to have reached its climax when she admitted that she was with Kelly in his apartment when he called her husband on the telephone last Saturday night.

Kelly hung up the receiver and dashed over to the Raymond home where an argument between the two men led to the fight.

School Children Hear Evangelist At Christin Church

Last night was High School night at the Eighth Street Church of Christ. There was a large number of high school students present. The evangelist gave a wonderful message on the subject "The World's Greatest Love Story."

He based his remarks upon John 3:16—"Search the Scriptures; for in them ye think ye have eternal life; and they are they which testify of me."

and 2nd Tim. 2:15—"Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth."

The speaker began his message with a brief review of the love story that Charles Dickens gives in "A Tale of Two Cities."

He said this was one of the most beautiful love stories ever written, yet there was one even more beautiful. He has given to us the most beautiful love story in all the world—the Bible. None can with it compare.

He urged the young people to read the Bible, study it, and live by it.

The song service was enjoyed by all. Brother Harris played the harp, which was pleasing to all, especially the young people. The Misses Fullilove sang very sweetly. "What will you give to the Master?" There were seven confessions.

Tonight is men's night. The women are invited, too. The evangelist will speak to the subject, "The Way of the Transgressor is Hard." He will show a chain made from human hair. This was made by a man who is spending his life in prison, and he wants other men warned. Come men and hear this message. A male quartet will sing. "Tomorrow night the subject will be "It is Hard to Be Lost."

BITTER FIGHT DEVELOPS FOR CONTROL ALCOHOL CO.

New York, April 21.—(AP)—A bitter fight for control of the United States Industrial Alcohol Company developed at the annual meeting of stockholders today when an opposition slate, representing Air Reduction Company interests was presented for election against the regular ticket of directors. Air Reduction interests are reported to have been quietly buying stock for several months, and selecting proxies from other stockholders for the purpose of voting them at today's meeting.

Mexican Bandits Hold Up Train, Burn Cars And Kill Over Hundred Passengers

Mexico City, April 21.—(AP)—Survivors of Tuesday night's passenger attack by bandits estimated the total dead at about 100, of whom 46 were members of the soldier guards and from 50 to 60 were passengers. From five to seven Americans were on the train, but none were injured.

The survivors, who reached the capital on a relief train, said the bandits or rebels who derailed the engine and then attacked the train shouted: "Long live Christ the King!"

They robbed the express coach of 200,000 pesos, but did not lock the passengers in the burning coaches, as stated in previous reports. After robbing the passengers they ordered them to leave the coaches which were then set afire.

Some of the passengers and soldiers, however, were so severely wounded as to be unable to move. They were left in the coaches and burned to death. Three wounded soldiers survived of the military escort, these three saving their lives by discarding their insignia and posing as civilians.

The attackers poured a heavy fire through the coaches.

Mexico City, April 21.—(AP)—Fifty-one bodies and thirty-two injured persons had been taken today from the charred coaches of a passenger train burned by bandits in a hold-up in the State of Jalisco. Unofficial estimates indicated that the total dead might reach 100. The military escort of fifty, which was on the train when it was held up, fought until all were dead or wounded.

A statement issued from the presidential office charged "Catholics" with responsibility for the attack, asserting that three Catholic priests were among the leaders. It said that Secretary of War Amaro had ordered "the required measures for an energetic pursuit of the priests who received their instructions from the episcopate of Mexico City."

Almost without warning the train was stopped in a lonely region and a group of bandits or rebels, estimated at 500 to 1,000 men, hastily disposed of the military guard, poured oil on the coaches as the

passengers looked on helpless, and soon the coaches were a mass of flames. As the terrified passengers tried to scramble through the windows to the ground, they were shot. Late information was that about half the passengers escaped.

Advices to the presidential office gave the name of Corquita De Leon, daughter of former President Oregon and the wife of any army officer, as among the dead or injured.

Tracks between the stations of Lamon and Peltiano were torn up. When the train reached the break in the rails the engine overturned, but the coaches remained standing on the tracks, and passengers who descended to learn what had happened were forced back at fifth point.

When the attacking party began pouring oil after locking the doors of the coaches one report received at the railroad offices said that a passenger became insane, when his wife and five children were burned in a second class coach. "The man crawled out of a window, thinking his family was behind him. He attempted to return to them, when he heard their screams, but the flames prevented."

"As the only comment on this painful happening," the statement from the presidential office said, "we desire to call the attention of the people of this country who have common sense and especially the poor classes, to which the passengers who were barbarously burned alive by this church crowd belonged, to the low moral level of those who desire to constitute themselves into spiritual directors of our country and seize power. This is not to be considered strange because it is merely an exact repetition of proceedings which the Catholic church has always used from the time of the inquisition to the present time."

General Jaime Carrillo, chief of staff of the war minister, in a report to the President, said that "the bandits, headed by the priests, Vega, Pederosa and Angulo, and a lawyer named Lora, a commissioner of the league for the defense of religious liberty, with a bandit nicknamed 'Number 1' were fleeing to the nearby mountains when he arrived on the scene with a contingent of troops."

One of the largest crowds of the week attended the American Legion exposition at Gorman's new warehouse last night. The program for the evening was as good if not better than the opening night, and the hundreds, wandering from one amusement to another in the brilliantly decorated warehouse building found something entertaining every minute of the evening.

The exposition will continue every night during the remainder of the week. The program for Friday night will eclipse everything so far presented. It will feature an entire change of vaudeville acts, even in number. The crowning event of the evening will be the grand ball. Elaborate preparations are being made for the affair, and it is probable the ballroom at the lower end of the mammoth warehouse will accommodate dancers from many parts of the State.

Members of the American Legion stated today that they were highly gratified at the splendid patronage given the circus. Attendance so far has exceeded any other event of the kind ever held under auspices of the local post, and it is believed there will be a general increase during the concluding days of the show.

Increased Tobacco Acreage Indicated

Raleigh, N. C., April 21.—(AP)—Producers' tobacco sales in the State during the last season were nine per cent higher than the previous year, with the value averaging 13.5 per cent higher, the latest bulletin of the State-Federal departments of agriculture states.

A ten per cent increase in acreage in the State to bring the acreage to 631,000 acres is indicated. A total of 370,820,184 pounds of farmer's tobacco was sold on the tobacco warehouse floors in the State.

Wilmington, N. C., April 21.—(AP)—Unless rain falls within the next 24 hours, truck farmers of New Hanover County and adjacent territory stand to lose thousands of dollars in damages to their lettuce crop and to beans and other truck growers said today.

The lettuce crop, prospects for which have been splendid up to a week ago, is already damaged from lack of rain, growers said, and continued dry weather will mean that lettuce still uncut will be practically ruined. Shippers were given forward a fat as it became in condition for cutting, but it was said to be heading slowly. Prices for the most part have thus far been satisfactory except in a few cases.

The bean and cucumber plants are suffering for want of rain, growers said, while the local weather bureau today offered them but little encouragement. Paul Hess, in charge of the bureau, said that a "shower or two might fall tonight" but he did not look so far as to forecast even showers, but said that he would not be surprised if light ones did fall.

CONGRATULATIONS!

Mr. Editor: We, the readers of The Reflector, wish to congratulate you upon the marked improvement wrought in the paper by the installation of new machines.

We know it was a big investment, but it is worth every penny it cost. The paper is so much more attractive. The clear-cut, open-face type makes it a delight to read.

We highly appreciate your progressiveness and up-to-dateness. And no doubt the general public will rally generously to your support.

IMMORALITY AND VICE IN MANY HOMES

Neglected Children of County Should be Protected, Board of Welfare Says.

The County Board of Public Welfare meeting in regular session last Wednesday was interested to hear a report of a partial census of the dependent and neglected children in Pitt County. This census was requested at the monthly meeting in March. While no complete census of dependent and neglected children was in hand, the list compiled by Mr. Futrell, superintendent of public welfare showed twenty-two families with sixty children living under conditions that are unfavorable and in fact violating the State law for the protection of children.

Many of these places where children live are dens of open vice and immorality. There are perhaps more than one hundred children in Pitt County that should be placed in institutions and in private homes and the places broken up where they now live.

The Masonic Orphanage at Oxford reports sixty-two applications made there from the Eastern part of the State during the past sixty days.

The Presbyterian Orphanage reports eighty-eight pressing applications on file for their institution. Every other orphanage in the State will show numerous applications on file with less than 10 per cent of the children ever being able to enter the institution. The cost of maintaining a child in an institution is about \$24.00 per month per child and the lack of accommodations at the institutions at present shows that some adequate arrangement must be made at home for many children.

When the plan of returning the children home, if the home was proved able in every way except financially, the following orphanages appealed to the State Board of Public Welfare last year to assist them in investigating homes of the children in their institutions: Oxford Masonic Orphanage, Baptist and Pythian Orphanages. As a result of these investigations one of these institutions reduced its population from 110 to 87 in three months and cut the cost \$337.00 per month by giving about \$5.00 per month per child to the child's mother. The institution was then ready to accept twenty-three sadly neglected children that needed institutional care.

The board in discussing the twenty-two families of this partial census, found only two prospective mothers' aid cases. That means that if any chance in life is given the other twenty families of children, they must enter a good private home or an institution.

In Pitt County at present are six active mothers' aid cases comprising twenty-five children toward which the County contributes \$3.00 per month and the State an equal amount. In other words it costs the taxpayer \$2.50 per month per child to raise it at home, if the child has a mother who can qualify for mothers' aid. The board highly indorses mothers' aid support for eligible mothers so that more room can be made at the institutions for children who must go there.

The entire membership of the committee was present: Messrs. E. G. Flanagan, O. P. Makepeace, Wayne Mitchell, D. S. Boykin and Robert H. Wright.

The question of the selection of an architect was discussed.

This committee is busy gathering data, to present to the architect, when selected, in order that the projects outlined by the General Assembly might be accomplished in the most expeditious and economical manner.

At the request of the committee representatives of automatic sprinkling concerns and Mr. Sherwood Brockwell of the insurance department met with the committee. A survey was made of the East and West dormitories that the building committee might consider the advisability of installing sprinklers in these buildings, and also to discuss the matter of fire-proofing and fire protection of the buildings to be overhauled.

FIERCE FIRE SWEEPS THROUGH ENGLISH CITY

London, April 21.—(AP)—A fierce fire which is believed to have caused many casualties and destroyed about 1,000 houses in the town of Kanatawa is reported in an Exchange Telegraph dispatch from Tokyo. The fire swept through the town, which is in central Japan, fanned by a high wind, doing damage estimated at 5,000,000 yen (about \$2,500,000).

Kanatawa has a population of 129,000.

MISSIONARY SOCIETIES HOLD FINAL SESSION

Henderson, N. C., April 21.—(AP)—The Woman's Home and Foreign Missionary Societies of the Methodist Protestant Church in North Carolina held final session today.

Reports showed marked expansion and increased interest in the work of the societies during the last year. Election of officers was on today's windup program.

The societies have been meeting for three days.

TORNADO STRIKES MELWOOD, ARKANSAS

Helena, Ark., April 20.—(AP)—Private messages received here reported that a tornado struck near Melwood, Ark., and that W. L. Meacham and J. S. Floyd were missing. One message from Elaine, about 20 miles south of Melwood, and in the vicinity of Melwood, said the wind then was blowing at the rate of 35 miles an hour and that flood water had risen 12 inches in 13 hours. The man sending the message said he was sitting on top of a desk while talking over the telephone.

TWO DROWNED IN SEAPLANE WRECK TODAY

Newport News, Va., April 21.—(AP)—Richard W. Kennison, of Boston, Mass., and Wilbur F. Bingham, of New York City, were killed today when a seaplane in which they were flying crashed into Chesapeake Bay between the rip rap and Wiloughby Spit. Their bodies were recovered two hours afterwards.

The men were cadet flyers at the Hampton Roads naval base and were on a training flight when the accident occurred.

Wilbur F. Bingham of New York City and Richard W. Kennison of Boston, Mass., naval cadet flyers, were in the plane when it went down. No trace of them has been found and it is feared they were unable to get loose from the straps that held them in the machine.

Persons on shore who witnessed the accident said the machine apparently struck a fish stake in taking off from the water. They were of the opinion that a large hole was torn in the pontoon and the men probably injured at the same time.

The craft was an NB-9 machine and the cadet flyers were using it for training purposes. They left the naval base early this morning and had made several landings and starts from the water before the accident occurred.

Building Committee Of Teachers College In Session Yesterday

The building committee of East Carolina Teachers College met yesterday.

The entire membership of the committee was present: Messrs. E. G. Flanagan, O. P. Makepeace, Wayne Mitchell, D. S. Boykin and Robert H. Wright.

The question of the selection of an architect was discussed.

This committee is busy gathering data, to present to the architect, when selected, in order that the projects outlined by the General Assembly might be accomplished in the most expeditious and economical manner.

At the request of the committee representatives of automatic sprinkling concerns and Mr. Sherwood Brockwell of the insurance department met with the committee. A survey was made of the East and West dormitories that the building committee might consider the advisability of installing sprinklers in these buildings, and also to discuss the matter of fire-proofing and fire protection of the buildings to be overhauled.

Truck Crop In Need Of Rain

Wilmington, N. C., April 21.—(AP)—Unless rain falls within the next 24 hours, truck farmers of New Hanover County and adjacent territory stand to lose thousands of dollars in damages to their lettuce crop and to beans and other truck growers said today.

The lettuce crop, prospects for which have been splendid up to a week ago, is already damaged from lack of rain, growers said, and continued dry weather will mean that lettuce still uncut will be practically ruined. Shippers were given forward a fat as it became in condition for cutting, but it was said to be heading slowly. Prices for the most part have thus far been satisfactory except in a few cases.

The bean and cucumber plants are suffering for want of rain, growers said, while the local weather bureau today offered them but little encouragement. Paul Hess, in charge of the bureau, said that a "shower or two might fall tonight" but he did not look so far as to forecast even showers, but said that he would not be surprised if light ones did fall.

River To Reach New Record High At St. Louis

St. Louis, April 21.—(AP)—St. Louis will have its highest river stage since 1903, when the new wave of water coming down the Missouri reaches this section, the weather bureau forecast today. A stage of 36 feet is expected here Monday, with the probability it would go higher. Flood stage is 30 feet.

Flood waters of the Mississippi which yesterday inundated New Madrid, Mo., and drove out most of the population today, was threatening to flood other southeastern Missouri towns. The levees protecting Portageville and Marion were threatened and strenuous efforts were made to strengthen them.

New Madrid was virtually abandoned today.

A telephone operator estimated less than one tenth of the 2,000 residents remained.

MISSIONARY SOCIETIES HOLD FINAL SESSION

Henderson, N. C., April 21.—(AP)—The Woman's Home and Foreign Missionary Societies of the Methodist Protestant Church in North Carolina held final session today.

Reports showed marked expansion and increased interest in the work of the societies during the last year. Election of officers was on today's windup program.

The societies have been meeting for three days.

FLOOD GAINS NEW VICTIMS IN SOUTHWEST

Quarter Million Acres Of Richest Farm Land in Path of Increasing waters.

A cold wave in Arkansas and freezing temperatures in parts of Kentucky and Tennessee, preceded by more rain, was the weather outlook today on the Mississippi valley flood area.

A crevasse in the main levee on the Mississippi river at Stops Landing, near Scott, Miss., today exposed approximately 400 square miles of the delta to the flood and threatened Greenville and a number of smaller towns.

Sand boils and waves washing over the recifoot levee three miles below Hickman, Ky., caused workers to doubt that it could be held much longer. A break would inundate 150 square miles in west Tennessee and Kentucky.

Memphis, Tenn., April 21.—(AP)—Flood terror in the Mississippi valley gained two new victims today with a breach in the government levee north of Greenville, Miss., at Stops Landing, and wrecking of the Missouri-Pacific main railroad bridge across the Arkansas River at Little Rock.

A quarter million acres of the richest farm lands in the world lie in the path of the expanding overflow in Mississippi which will swell to a turbulent lake 60 miles wide to the east and of equal or greater length north and south.

Thousands of negro tenant farmers live in the menaced area which is dotted also with a score of towns, whose inhabitants will feel the scourge of the waters which rush in rapidly and stay indefinitely.

The rising tide of the Arkansas swept away today the south half of the Missouri-Pacific bridge at Little Rock where a bitter fight against the encroachment of the stream has been in progress for many days. No lives were lost as the structure plunged into the raging tide.

Meanwhile, reports of disease breaking out in refugee camps were being carried to Governor Martin-gau at Little Rock and national guard authorities co-operating with the State Health Department today were exerting every means to meet this new assault by sending doctors, nurses, medical supplies and sanitary supervisors to the affected places.

Mumps, measles and whooping cough have attacked their refugees who are gathered in camps at Wynne, Parkin, McClelland and Van Buren, and it is feared these diseases and others are afflicting the distressed and homeless persons in other communities.

Jackson, Miss., April 21.—(AP)—A second break in the main Mississippi levee at Willow's Landing about four miles north of Greenville was reported in unconfirmed reports received by the South Bell Telephone Company here just before noon. Inundation of Greenville is now believed inevitable, the reports said. The citizens of Leila and other delta towns in the path of the flood waters are reported moving out by the scores.

# HOME TEAMS ARE WINNERS IN BIG LEAGUES

(By The Associated Press) Two big league teams are happy today in the realization that they celebrated two highly important occasions to the home town fans by turning in resounding victories.

When the world champion Cardinals took the field yesterday in St. Louis for their first game this year on the home lot, the National League pennant that they won last season after 38 years of hungering for it was spread out for all to view. On the strength of that the Cardinals went out and beat the Cubs 4 to 2, with the competent Wee Willie Sherdel in the box.

The Giants were celebrating the 25th anniversary of John McGraw as manager of their team and their own return to the Polo Grounds for their first home game of the year. Led by Hornsby and Lindstrom, who did most of the hitting, they scored a 5 to 1 victory over the Phillies.

Still another team that had a happy home-coming was the band of veterans led by Connie Mack. Not only did they beat their red-rivaled rivals the Yankees, 8 to 5, but they outdid them, too, which is something few clubs are able to accomplish. The home run hitting this time was done, not by Ruth but by Mickey Cochrane, Philadelphia catcher, who knocked the circuit-clout in the sixth to help drive Urban Shocker from the hill.

Detroit's 7 to 6 victory over the St. Louis Browns was on the occasion of a first appearance this season in the home park. Before a big crowd that turned out to greet the Tigers they came through with a shut-out triumph marked by the pitching of Whitehill, steady south-paw, and the hitting of Pothersill.

The return of the White Sox was not attended by such success, although it looked in the first few innings as though they had the Indians beaten. Then the Red Skins fell on Lyons in the sixth and collected enough to win.

Without anything particular to celebrate the Brooklyn Robins celebrated it by beating the battling Braves in a hard-fought game, 4 to 3. Bob Barrett, late of Memphis, was the hero of the day with a homer that won the game and snuffed a seven game losing streak.

# SPORTS SLANTS

By ALAN J. GOULD

Associated Press Sports Editor Big Bill Tilden has a few tennis thoughts to be passed in the hat reference after he finishes an extensive European campaign with Frank Hunter.

One of them is that the defense of the Davis cup, this year should be put entirely in the hands of the combination that ought to get it back from Australia seven years ago—Billie Nell himself, and Little Bill Johnston.

Not only is this the logical combination as Tilden sees it, but it's the only one "that has even a prayer."

The novelty of it isn't in the idea of the two famous Bills again carrying the singles burden. They have done this with only a single break in seven successive challenge rounds. The point of main interest is Big Bill's theory that Johnston also should team with him in the doubles, now that the victorious Williams-Richards combination of the last two years has been broken up.

Few tennis experts will question the strength of the Tilden-Johnston doubles team, but probably rise out of ten instantly and simultaneously will point out that it is too much to expect of the 122-pound and comparatively frail Johnston to stand the gait of three successive days of ten competition.

As for the tenth and dissenting voice, he not only believes Johnston can stand the cut but that it is the best combination.

There is one other experienced doubles player possible, Tilden and Johnston and Williams, if the selection is limited to the veterans of present day play. On their only Davis cup appearance this pair took five sets to down the Australian, Anderson and Hawks, in 1921, in a match that was thrilling but that also provoked a stormy aftermath.

The 1921-22 doubles strategy, "Big Bill" and the American team captain haven't been together since. Tilden and Johnston, on the other hand, although seldom teaming, have been reunited only by Williams and Johnston as a successful combination. Each has been transnational in Davis cup play, the "Bills" returning successfully in 1923 and 1924 the year in which Richards defeated Johnston in the singles. The two previous trial matches between these teams prior to picking up the Davis cup were decided by a classic of American doubles play.

## GREENVILLE HIGHS TO PLAY BATTERY E FRIDAY AFTERNOON

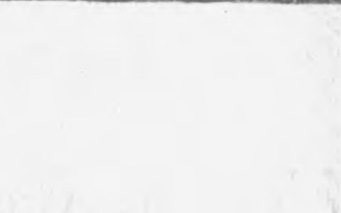

The baseball teams of Greenville high school and Battery E, will hook up in the second game between the two teams tomorrow afternoon at 3:30. In the first encounter the Higgs were victorious by an overwhelming score. Since that time both teams have practiced hard and long, and a good game should be witnessed by a large crowd tomorrow afternoon.

Chicago-St. Louis game postponed—cold. Cleveland-Chicago postponed—rain. St. Louis-Detroit game postponed—rain.

That Half Dead Anaemic Gaze Won't Put You On The Road To Success

At home, in the subway, at the office or factory, on the street, everywhere you are judged by your appearance. Can you stand inspection? Bright eyes, clear skin, snappy step, are evidence of good health.

Successful people can't afford to be constipated. Sick headache, wornout and sallow complexion, pimply skin, biliousness and other ailments resulting from constipation must not exist. CARTER'S LITTLE LIVER PILLS regularly taken move the bowels gently, free from pain, eliminate the poisons, tone the system, and you feel as if renewed vigor was forcing you onward.

## FOUR OF BIG 5 CLASH TODAY

Raleigh, N. C., April 21—(AP)—Four teams of the "Big Five" North Carolina college baseball conference battled each other today. Carolina-Wake Forest at Goldsboro and Davidson-Duke at Durham.

Carolina-Wake Forest at Goldsboro and Davidson-Duke at Durham.

Carolina-Wake Forest at Goldsboro and Davidson-Duke at Durham.

# You can have your private yacht

GIVE me a pipe and Prince Albert, and you can have your cabin-cruiser and your winter vacation. I won't envy you for a minute. In fact, I wouldn't trade places with anybody. I could even be happy on a desert island with a pipe and plenty of P.A.

# PRINCE ALBERT

—the national joy smoke!

P. A. is sold everywhere in tidy red tins, round and half-pound tin tins, and round crystal glass humidifiers with sponge-moisture top. And always with every bit of bite and punch reserved by the Prince Albert process.

# SO. ATLANTIC LEAGUE OPENS

Asheville, N. C., April 11.—(AP)—With clear weather prevailing throughout President W. G. Bramham's South Atlantic Association, the eight clubs in the circuit today swayed into the League's 23rd annual pennant fight with the Greenville Spinners hopeful of duplicating their feat of capturing the 1925 pennant.

Opening games today took Asheville to Spartanburg; Knoxville to Greenville; Macon to Charlotte and Augusta to Columbia.

Four new managers were introduced to South League fans. Macon has Wilbur Good, former Chicago National outfielder, as pilot. Bob Coleman, former Boston Red Sox catcher and coach, replaces Mike Burke at Knoxville; Bob Taggart, veteran International League outfielder, takes the place of Gabby Street at Augusta, while Street, veteran catcher, moves over to Columbia this year to replace Bill Pittell.

Four holdover managers from 1926 open another season today. Larry Gardner, old Boston Red Sox third sacker, again heads the Asheville club; Ray Kennedy will again pilot Charlotte; Frank Walker, ex-Giant outfielder, is at the helm at Greenville, and Mike Kelley starts his sixth season as manager of the Spartanburg club.

Many new players get into action today, several of last year's stars having passed to bigger leagues and others cold to class B circuits. Charlotte will have an almost new club, familiar faces as Dale Alexander, Moon Dacote, Joe Stripp and Roy Saunders having passed along. President Bramham in a recent message to club owners declared "an outlook more promising than ever for the 1927 season."

**CALLAHAN TO DEFEND TITLE.**  
Los Angeles, April 11.—(AP)—Muddy Callahan has been signed by Dick Donald, boxing promoter, to defend his junior welterweight title in an outdoor bout here June 13. Callahan's opponent has not been selected.

## NOTICE

- April 28-29-30 City Clerks Office 5th ward.

All persons desiring to register or change registration from one ward to another will please call on me at some of the above mentioned places.

HARVEY WARD  
Registrar.

## BAD PAINS IN SIDE

Spells of Nervousness Also Troubled This Lady Who Gives Cardui Credit for Helping Her Get Well.

Depew, Okla.—"For six years," says Mrs. Ed Burton, of this place, "I suffered as if as a woman can suffer and still keep going."  
"I was good for nothing, was listless and pale, unable to eat anything. Nothing agreed with me. At times I had such bad pains in my sides and back I would have to go to bed. I had cramping spells and would faint if I stood on my feet any length of time. My nervous would become upset at the least little thing and I would have spells of crying that were so exhausting they left me prostrate."  
"Several of my friends suggested that I take Cardui. They told me of their experiences with it, how much they had been helped. At last I decided to try it."  
"In a few weeks, I could see that I was improving, so I kept on. I did not expect the troubles of years to disappear in a few days, nor did they, but in time I was much better. I kept up the Cardui treatment for several months and thanks to it I am a well woman now."

At all drug stores. NC-129

Duke 1; Carolina 10.

# WILSON NOW IN SECOND PLACE

Raleigh, N. C., April 11.—(AP)—Wilson Dugs climbed into second place of Virginia League standings by handing Petersburg Braves a 4-0 win today.

Ben Hearn, manager, took charge of mound duty himself and hurled his team to a clean-cut victory. He allowed a dozen hits but was tight on the bases and his pitchers executed five double plays.

Wilson dug three runs, hit two in three, and out of five at bats. Kinston used Roberts and Love, pitchers, to earn a victory over Norfolk. The water batted the two in being slung with base hits but the Eagles hit at more opportune times to put across their runs.

McCue, Norfolk third baseman, hit for a homer, double and two as home team to the Twins.

Wilson was at home to Norfolk today while the Kinston moved on Richmond for a series.

**OHIO RIVER FLOODING**  
Louisville, April 11.—(AP)—The Ohio river was falling slowly from Cincinnati to Cairo today, and weather conditions in the Ohio valley have improved, the weather bureau here said today.

## Where They Play

**PIEDMONT LEAGUE**  
Raleigh at Rocky Mount, 4 p. m.

**RANKS HIGH**

In the report just published on building and loan associations of the State, the Home Building and Loan Association of this city, ranks twenty-fifth in size and strength among approximately two hundred associations in the State. The association is made up of stockholders of local citizens who should be proud of the standing of their institution among those of the State.

**TIME TO LOOK SHARP**

Again and again it has been officially stated that American warships are in China solely to protect American lives and that the policy of this Government in the face of any immediate danger is to evacuate Americans from the interior points to cities on the coast. It is therefore difficult to understand the presence of seven American warships in an imposing fleet of 36 foreign battleships and destroyers suddenly massed at Hankow. For Hankow is 600 miles up the Yangtze River from Shanghai in the interior of China, and the number of Americans officially reported in the city—85—could be taken off in a single load. Then why is this great foreign fleet at Hankow, with American warships standing by?

Ominous explanations come from both Shanghai and from London. An Associated Press dispatch from Shanghai says that this fleet has been massed at Hankow in preparation for the "delivery of a second set of demands from the powers concerning last month's anti-foreign outrages at Nanking." It is expected, the Associated Press goes on to say, "that the demands will take the form of an ultimatum." To this dispatch from London adds that the foreign governments are considering the prompt application of punitive measures in case their demands concerning the Nanking riots are not met, and that these punitive measures will begin with a blockade of the Yangtze River and the occupation of Hankow. In Hankow the British, the French and Japanese have concessions. The United States has nothing.

It is not necessary to be an alarmist to see in this situation elements of great danger. Occupation of Hankow as a punitive measure would certainly arouse bitter anti-foreign feeling throughout China and would certainly necessitate the maintenance of a long line of communications through hostile territory at the price of great effort, huge expense and constant risk. We do not believe that the American Government contemplates any step so hazardous as this and so certain to

involve this country in a tremendous adventure whose consequences cannot even remotely be foreseen. But the American Government is a long way from the Yangtze River, and in such circumstances as those which now exist events can move with terrible speed, suddenly to confront governments at home with an accomplished fact.

If it is the policy of the American Government to evacuate its nationals from danger-spots in the interior of China, why does it not evacuate them?

And if these nationals refuse to be evacuated, after the official warning three weeks ago, why do we join our ships to a foreign fleet 600 miles up the Yangtze River and permit the news to be cabled to China without prompt denial that this fleet is there to seize Hankow and "punish" China?—New York World.

**JAPAN FACED BY FINANCIAL CRISIS**

London, April 21.—(AP)—Reuter's Tokyo correspondent says the conference of bankers held at Premier Tanaka's residence today to discuss the serious Japanese financial situation broke up without making Bank of Japan to meet the requirement. Consequently, he adds, the new

government is apparently faced with three choices: First to convolve a special session of the Diet for the passage of legislation enabling the assets of those banks which are ex-

periencing runs; second to resort to some other drastic expedient without delay, and third to proclaim a moratorium.

Despite the general slackening in business the correspondent says the silk market does not seem to have suffered much.

**A New and Faster Telephone Service From Greenville, N. C. To All Points**

Now in effect a new and faster telephone service is available to all telephone users in Greenville, N. C., on calls to all points.

By the new method you can call a station in any town by simply giving your local operator the telephone number of the distant station wanted.

For example, to call a Wilson station, signal your operator in the usual way and when she answers, say, "Wilson 123," and hold the receiver to your ear. Calls to other points can be made in the same way.

For your convenience we are publishing in our directory which will be delivered May 15, the listings of subscribers in Ayden, Farmville, Kinston, Snow Hill, Tarboro, Washington, Wilson, Elm City, Kenly and Pinetops.

The rates for this new service to the above mentioned points are as follows

Ayden, N. C. .... 10c for a 5 minute talk	Washington, N. C. .... 15c for a 5 minute talk
Farmville, N. C. .... 15c for a 5 minute talk	Wilson, N. C. .... 30c for a 3 minute talk
Kinston, N. C. .... 25c for a 5 minute talk	Elm City, N. C. .... 30c for a 3 minute talk
Snow Hill, N. C. .... 20c for a 5 minute talk	Kenly, N. C. .... 40c for a 3 minute talk
Tarboro, N. C. .... 20c for a 5 minute talk	Pinetops, N. C. .... 20c for a 5 minute talk

This new and fast service applies to calls made by numbers only. Calls for a particular person must be given to "Long Distance" in the usual way. Consult the directory for the number wanted, if the station you desire is in one of the above mentioned towns.

Try this new fast service. It will save you time and money.

**Carolina Telephone & Telegraph Co.**

L. A. CORBITT, Manager.

### YOUNG WOMAN'S FEDERATION TO MEET FRIDAY

The Young Woman's Federation will meet Friday afternoon at 3:30 o'clock with Miss Lill Wilson on Seventh street. Rev. Mr. Styron will speak.

### PARENT-TEACHERS ENTERTAIN

Grifton, N. C., April 21.—On Friday evening, April 15, the members of the Parent-Teachers Association gave a negro minstrel for the benefit of the Grifton school. In connection with the program, Mr. T. H. Barritt, "The Atkins Singing Saw Musician" rendered several numbers, playing a No. 72 "Atkins Silver Steel Saw" same as used by carpenters and sold in the Grifton hardware stores. We were lucky in having this radio artist with us in person, and from the cheering, his hearers were evidently calling for more. He is heard from time to time from stations KDKA, WLW and others.

### COTTON FASHION SHOW TO BE PRESENTED

A cotton fashion show will be held in Gorman's warehouse, morning, afternoon and evening dresses will be featured. Prizes will be given on best of each style. Date will be announced later.

### MRS. RAWL ENTERTAINS BRIDGE CLUB

Mrs. E. E. Rawl entertained the members of her bridge club Wednesday afternoon at Hill Horne Drug Co. On arrival Coca Colas were served.

Mrs. W. M. Scales was given attractive porch pillows as high score prize. Mrs. Parks Crater, of Washington, D. C., was remembered with a hand made handkerchief. Following the game an ice course was served.

Mrs. R. L. Carr, Mrs. S. E. Gates, Mrs. Swanson Graves, Mrs. W. M. Scales and Mrs. Parks Crater, of Washington, D. C., were guests.

### MR. AND MRS. DEINER ENTERTAIN

Mr. and Mrs. Frank Deiner entertained at a delightful dinner on Monday evening in honor of the pastor, deacons and elders of the Presbyterian Church.

The table was very attractive with a centerpiece of master lilies and ferns.

Five courses were served. Mrs. Deiner was assisted by Mrs. E. W. Harvey and Mrs. W. S. Harden. Covers were laid for Rev. W. S. Harden, J. S. Ficklen, C. W. Harvey, B. W. Moseley, N. O. Warren, W. C. Dresbach, E. W. Harvey, G. V. Smith, W. H. Rogers, Jr., and P. W. Brown.

### REV. M. F. HAM TO QUIT THE EVANGELISTIC FIELD

Washington, N. C., April 21.—That Rev. M. F. Ham will abandon the evangelistic field is the information contained in a letter received here today from W. J. Ramsay, Mr. Ham's associate of many years.

Mr. Ramsay wrote that Mr. Ham had accepted a call to the pastorate of the First Baptist Church of Oklahoma City, Oklahoma, and would take up his new work upon the conclusion of a meeting which he and Mr. Ramsay are holding at Middle Wells, Texas.

Mr. Ramsay and Rev. John Cowell, a convert of the Ham-Ramsay meeting at Fayetteville and now a successful revivalist himself, will form a coalition.

Mr. Ham and Mr. Ramsay have held revivals in numerous places in North Carolina and have a large following.

### TWO MARRIAGE LICENSES ISSUED SINCE SATURDAY

Two marriage licenses have been issued by the register of deeds since the report of yesterday afternoon: Alonzo Tripp to Miss Mary May, both of the Grifton community.

Colored  
 Richard Harper to Sadie House, both of Greenville township.

### MRS. TYSON ILL

Friends of Mrs. Melissa Tyson will regret to learn that she is ill. She is making her home with Mr. and Mrs. E. F. Tucker on Greene Street.

### CAREY HOUSE IS CRITICALLY ILL

Carey House, son of Mrs. J. H. House, of Greenville, is confined in a Richmond hospital critically ill with pneumonia.

### SEVERAL DEEDS FILED HERE SINCE YESTERDAY

The following deeds of transfer have been filed in the office of the register of deeds for registration

since the report of yesterday:  
 B. D. Forrest and wife to A. W. Ange, lot, \$1,000.  
 T. R. Andrews to Lula Whitehurst 161 acres, \$10.  
 Charlie Coward to Greenville Loan Corporation, \$1.  
 Lula Whitehurst to T. R. Andrews 161 acres, \$7,000.  
 Paul Solomon to E. Graham Flanagan, lot, \$200.  
 J. B. James to James Ellison, lot \$100.

### CHARLES STORES MOVE GENERAL OFFICE TO N. Y.

Mr. P. C. Godley, manager of the Charles Stores in Greenville, N. C., announces that after May 15th, the general office of Charles Stores will be moved from Baltimore Md. to New York City.

The new headquarters will be located in the Penn Terminal Building, 370 Seventh Ave., which is the center of activities devoted to merchandise, such as sold by Charles Stores.

The latest addition to the growing chain is Raleigh, N. C. store, opened April 7th.

### LOCAL PEOPLE ATTEND DISTRICT CONFERENCE AT FARMVILLE TODAY

The following Greenville people are attending the district conference of the Methodist church in Farmville today.

Rev. and Mrs. L. B. Jones, P. B. Brandenburg, T. A. Person, Wiley Brown, J. K. Brown, R. G. Fitzgerald, K. W. Cobb, Miss Lill Wilson, Miss Pearl Dawson.

### VISIT OF DUKE AND DUCHESS MARKED BY CRASH OF AIRSHIPS

London, April 21.—(AP)—The arrival of the Duke and Duchess of York at Government House in Melbourne today was marred by a tragic occurrence, says an Exchange Telegraph dispatch. Two airplanes almost directly overhead collided and burst into flames. The four occupants were killed.

### MRS. HORNE IMPROVING

Friends of Mrs. John L. Horne will be glad to learn that she is improving, following an operation which she underwent last Monday. Mr. Horne returned from Richmond today.

### Rev. S. H. Styron Speaks on Subject Of "Preparedness"

Rev. S. H. Styron delivered another wonderful sermon on the subject of "Preparedness," at the Free Will Baptist Church last night. His text was "Prepare to meet thy God."

We read about the new Jerusalem and about Jesus Christ who is gone to prepare a place for us. My friends, I have often said that we should be prepared to meet Jesus when He comes.

I also think that a man should be prepared to live this life so when he comes down to die he will also be ready.

There is no system on all the world to prepare a man to meet God the Father. The church of Jesus Christ is the only way. You may accept Him and live or reject Him and die.

My friends, when we come to the judgment bar of God let us be prepared to meet Him face to face. Before a man can go to live with God he must be prepared. If you are an unsaved man tonight, let me urge you to prepare to meet thy God, before you leave this house tonight.

And this will, I say unto you, Oh, Israel, prepare to meet thy God. My friends let me change that text just a little and say unto you, Oh, Greenville, prepare to meet thy God.

I am not going to say any of us are going to die, but we are not going late, we are going soon. So again I say, prepare to meet thy God. Be prepared at all times. Let me say, my sinner friends, we have got to meet Jesus some day, so prepare yourself. We have all got to meet Him before the judgment some day, so let's prepare ourselves.

Some people think that we get too old to go to Sunday School and worship God, but a man never gets

too old. The Lord will bless the old as well as the young.

I received a card one day, from whom I do not know. It read like this: "It is appointed with man, once to die, and after death the judgment." It was a reminder of my duty. Why we should prepare to meet God is because we are unprepared to meet Him. So, sinners, let me urge you to prepare

yourselves tonight and take Jesus as your Savior.

**NOTICE OF SALE**

In the District Court of the United States—For the Eastern District of North Carolina.

**Notice of Judicial Sale**

James H. Pou, H. S. Ward and M. L. Corey, Receivers for Tobacco Growers Cooperative Association.

vs.

Eastern Carolina Warehousing Corporation.

Pursuant to orders executed in above cause by His Honor, I. M. Meekins, Judge of the Federal Court for the Eastern District of North Carolina, on the 5th day of January, 1927, and on the 12th day of March, 1927, the undesignated Receiver of Eastern Carolina Warehousing Corporation will offer for sale at public auction on the day and at the hour hereinafter noted the real estate embraced in the descriptions hereinbelow given: Friday, May 13th, 1927, at 11:00 A. M.:

**Ayden Warehouse, Ayden, N. C.**

The following described tract or parcel of land, lying and being in the County of Pitt, State of North Carolina, in the Town of Ayden, and more particularly described as follows, to-wit:

Lying and being situate in the Town of Ayden, N. C., and beginning at an iron stake on Main or Second Street, according to the map of said Town, W. B. Alexander's Southwest corner and runs with his line a northerly course 200 feet to First Street, extended; thence a westerly course with First Street, extended, 132 feet to an iron stake; thence South 2 1/2 West 300 feet to an iron stake on Main or Second Street; thence an easterly direction with said Main Street 155 feet to the beginning, and being the same parcel of land set out and described in that certain deed executed by Exum Dail and wife to E. J. Gardner, dated May 7th, 1915 and recorded in Book G-11 page 280, Pitt County Registry.

**Planters Warehouse, Ayden, N. C.**

A certain tract, lot or parcel of land situated in the said town of Ayden, County of Pitt and State of North Carolina, on the east side of E. Railroad Street and more particularly described as follows:

Beginning at a stake, the intersection of East Railroad and Peachtree Street, then running eastwardly with Peachtree Street 220 feet to an iron stake; then northerly and parallel with E. Railroad Street 165 feet to an iron stake; then a westerly course and parallel with Peachtree Street 220 feet to E. Railroad Street; then a southerly course with E. Railroad Street 165 feet to the beginning, and being the lot upon which the Planters Warehouse is now located and situated, this being a part of the same lot of land conveyed to the Planters Warehouse Company by J. S. Hart and wife, Kittie Hart, by deed dated March 1, 1918 and recorded in Book J-12, page 419 Pitt County Registry, and being also a part of the lot of land conveyed to John S. Hart by Henry Simmons, Brunetta Simmons, et al. by deed dated December 1, 1880, and recorded in Book G-4, page 506, Pitt County Registry.

All of the above mentioned sales will be conducted on the premises described. Each piece of real estate described above will be offered for sale as a unit or, as authorized by order of the Court, will be subdivided by the Receiver and offered for sale in smaller units or parcels of a subdivision, within the discretion of the Receiver.

The general terms of the sales will be that the property shall be sold for one-third cash, the balance, the balance payable in two equal installments, due one and two years from date of sale, the deferred payments to bear interest at the rate of six per cent per annum from date of confirmation, to be secured by notes of the purchaser and standard first mortgage on the property conveyed. High bidder for each parcel offered for sale will be required to deposit with the Receiver certified cashier's check for 10 per cent of the amount of his bid. All real estate shall be sold subject to the right of the Receiver to remove from the said real estate all personal property, including warehouse scales, within sixty days after confirmation of the sale.

All bids and proceedings at such sale will be subject to confirmation or rejection by the Court. Upon confirmation of any sale, the 10 per cent deposited by the bidder shall be applied on the bidder's required cash payment.

W. G. Bramham, Receiver, Eastern Carolina Warehousing Corp.

## MARINES IN FIGHT WITH ARMED BAND

### Americans Suffer No Casualties In Conflict With "Reds" In Nicaragua.

Managua, Nicaragua, April 21.—(AP)—American naval forces in Nicaragua, after having been fired on three different occasions yesterday and Tuesday night, came into conflict late yesterday afternoon with an armed band carrying red flags and wearing red bands on their hats. Three members of the band were found dead after the "Reds" retired. The Americans suffered no casualties.

The band swooped down on the village of Posoltega near Chichigalpa in an attempt to capture it in defiance of the orders of the American authorities forbidding fighting within 2,000 yards of a railroad. They were routed by 24 bluejackets.

Nagarote, on the railroad northwest of Managua, was the scene of one of Tuesday night's attacks. American marine guards were fired on by a band of 30 men, also with red flags and red hat bands. This band held up a passenger train. The marines ordered the reds off and it was as the train was pulling out that the band fired.

There was an exchange of shots between marines and a small detachment described as Liberals, after the detachments engaged a few Conservatives at Chichigalpa as the Liberals came near the city the

marines ordered them to retire and the exchange of shots followed but there were no casualties.

A marine guard on a train with conservative reinforcements was fired on when the train arrived at Nagarote early yesterday morning. The firing began when the Conservatives advanced. Later the marines returned the fire with machine guns. It was emphasized later that the machine gun guard was sent for the protection of the train, and not of the Conservative troops.

### Preparing For Execution Of Negro Tomorrow

Raleigh, N. C., April 21.—(AP)—Preparations were in progress at State's prison today for the second execution of the year, scheduled to take place at 10:30 tomorrow.

Ernest Walker, Durham negro, will furnish the victim, unless the death current is halted by a last minute reprieve. Prison officials expressed opinion that this was unlikely due to the nature of the crime, the evidence on which conviction was obtained.

Walker was convicted of first degree murder in Durham Superior Court and lost an appeal to the Supreme Court. In addition to the charge of murder, two other capital charges were lodged against him, attack on the murdered negro's wife and first degree burglary.

It was announced at the prison that all tickets for the execution had been reserved long ago and that hundreds of applications to witness the execution had been rejected because the law allows only six witnesses in addition to attendants and newspapermen.

## AMERICANS FORCE GATE TO EMBASSY

### Guards of Protocol Powers Take Over Control of Compound at Peking.

Peking, April 21.—(AP)—American marines today scaled a wall of the Soviet embassy compound and forced the gate after which guards of the other powers entered.

Guards of the protocol powers took over control of the western wall of the compound. The move was described as necessary for carrying out the regular defense program of the legation quarter.

The Peking government dispatched instructions to its representatives in Moscow today to inform the soviet government that a careful examination was still being made of the documents seized in the raid on soviet buildings in the embassy.

and that on Saturday the soviet government had no way of communicating with the marines. It was reported that the marines had been ordered to enter the main building.

April 21.—(AP)—The marines and police were present in Peking today, a serious situation from the embassy today, with a guard of 100 men. Many of the Americans were hanging the edge of the foreign settlement reluctant to desert their property, yet fearing to venture far inland.

It was learned authoritatively that the Chinese at Hankow should attempt a reprieve of the Nanking embassy, the foreign warships would not without delay. Among the foreign warcraft anchored in the Yangtze off Hankow at the present time are eight American vessels.

An unconfirmed rumor was received from Hankow that Michael Borodin, Russian adviser to the Nanking government, previously reported in a hospital in the foreign quarter of Hankow was under detention.

From Nanking it was learned by wireless that firing between that city and Peking, on the opposite side of the Yangtze had been resumed. Marshal Chang Tso-Lin, the chief commander of the Northern Alliance, has ordered General Chang Tsung Chang, the Shantungese leader to stop the Northerners from firing on foreign ships in the Yangtze.

### Overman To Pitch The First Ball At Salisbury Today

Salisbury, N. C., April 21.—(AP)—Unusual feature of baseball will be entered here this afternoon in the opening home game of the Colonials against the Twins when U. S. Senator Lee S. Overman will hurl the first ball to Art Forrest, catcher and world war veteran. Forrest is one of the 72 overseas veterans awarded the Congressional Medal, the highest honor the United States can confer. Senator Overman was a member of Congress at the time this award was given, and as far as it is known, this is the only instance in baseball where a Senator has tossed the first ball of the opening game to a veteran thus honored.

Forrest is the catcher for the Colonials this season. The first batter of today's game will be Maltby, second baseman of the Twins.

### Edmondson To Head Mecklenburg Schools

Raleigh, N. C., April 21.—(AP)—Elected to head the schools of two counties, Frank A. Edmondson, director of school accounts with the State Department of Education, today decided to cast his lot with Mecklenburg. His decision means that the Cumberland County Board of Education will have to seek another man.

Mr. Edmondson was elected to the Mecklenburg position yesterday but announcement was withheld. In the meanwhile the Cumberland board unanimously chose him for an identical position over 13 applicants.

State Superintendent A. T. Allen said a successor in the State Department would be named tonight. In Mecklenburg, Superintendent Edmondson will succeed J. M. Matthews.

### PUT CREAM IN NOSE AND STOP CATARRH

Tells How To Open Clogged Nostrils and End Head-Colds.

You feel fine in a few moments. Your cold in head or catarrh will be gone. Your clogged nostrils will open. The air passages of your head will clear and you can breathe freely. No more dullness, heaviness, no late coming, sneezing, mucous discharges or dryness; no struggling for breath at night.

Tell your druggist you want a small bottle of Ely's Cream Balm. Apply a little of this fragrant, antiseptic cream in your nostrils, let it penetrate through every air passage of the head; soothe and heal the swollen, inflamed mucous membrane, and relief comes instantly.

It is just what every cold and catarrh sufferer needs. Don't stay stuffed-up and miserable.

# 5000 miles in 4909 minutes!

## Studebaker • Commander maintains mile-a-minute speed for 81 hours, 49 minutes

5 amazing records for speed and endurance established by Big Six

NEVER before has any automobile in America traversed 5,000 miles in less than 5,000 consecutive minutes.

A stock Studebaker did it—The Commander, a closed car fully equipped, including even spare tire.

In official tests under the sanction and observation of the American Automobile Association this stock Studebaker, identical with the car you can buy in any Studebaker sales room, not only established the amazing new record of 5,000 miles in 4909 minutes total elapsed time, but also set four other records.

2500 miles in 40 hours, 12 minutes, 54 seconds total elapsed time. An average speed of 62.16 miles per hour.

3102 1/2 miles in 50 hours total elapsed time. An average of 62.05 miles per hour.

3500 miles in 56 hours, 47 minutes, 32 seconds total elapsed time. An average speed of 61.62 miles per hour.

4414 miles in 72 hours total elapsed time. An average speed of 61.3 miles per hour.

5000 miles in 81 hours, 49 minutes, 22 seconds total elapsed time. An average speed of 61.12 miles per hour. No automobile or other vehicle in America has travelled so far so fast. No stock closed car has ever approached this record.

Here is what these records mean to you:

- It is possible to purchase a truly great automobile at a moderate price. These records prove that The Commander has justly been called "the greatest post-war achievement of automotive engineering."
- The Commander, because of the superabundant power of its Big Six engine, will perform eagerly, easily, smoothly, with no labor or effort, any and all tasks placed upon it.
- Studebaker has produced in these new models, cars which will excel even the staunch, dependable Studebakers of the past, in low repair and maintenance costs.

Any motor expert will tell you that 5,000 miles at more than a mile a minute is equivalent in strain and stress to 25,000 miles of ordinary driving. Yet in this terrible test the only replacements or repairs were three grease-cups, one spark-plug and one punctured tire. Only one pint of water was used.

NOW! Drive a Commander yourself. Know this great car through your own hands and feet. These shattered records merely dramatize the thrilling performance which Studebaker Commander owners everywhere are enjoying. They explain why the Studebaker Big Six is far out-selling the combined totals of all other cars in the world of equal or greater rated horsepower. The exact duplicate of this record-shattering car is waiting for you at Studebaker show-rooms.

Commander Models and their One-Price: Sedan, \$1595; Victoria, \$1575; Coach and Roadster models range in price from \$945 to \$2245. All prices f.o.b. factory.

# Daily News Letter

Gossip of Staff Correspondents at World Centers of Population

students spend about \$4,000,000 annually with New Haven merchants. For "side issues" such as books and flowers, theatre tickets, the services of the barber and of valeting concerns the sum of \$1,800,000 is laid down annually. Clothes run to about \$800,000, and things to eat in the neighborhood of \$1,150,000. Then the matter of finding sleeping quarters takes \$364,000, this in addition to what student living in Yale-owned buildings pay.

For Yale cannot house all her students. In spite of dormitories that cover city blocks and rise somewhat into the air, there are yet 1,200 Yale men and women who live outside. Law school, art school, medical school, and drama school, all have students who must

shift for themselves in the matter of where to live.

Private funds are going into apartment houses for the students. A great private apartment house rises opposite the Medical School and is inhabited almost exclusively by men who are seeking their M. D. degrees here. The walls are rising for a building to be used by the drama school personnel.

Work on the proposed vast Sterling Memorial Library has been at a dead standstill for weeks. Forty buildings were swept away, and a great square hole was dug by puffy steamshovels. Leaving a beach-sand condition in the heart of Yale. No one seems certain as to the reason though the rumor runs that plans are being revised so that the Sterling Library will cost less than the architect had at first planned.

New Haven, Conn., April 21.—(INS.)—Setting about the task of answering the question "What is Yale worth to New Haven?" officials of the University took to the material side and figured that Yale

## McLAWHORN NOT GUILTY OF MURDER

### Ayden Young Man Acquitted of Manslaughter Charge by Criminal Court Jury

Elmer McLawhorn, Ayden young man, charged with the killing of Mack Brown, negro, two years ago was found not guilty this morning by a jury sitting in the criminal term of Pitt county Superior court. The decision came following an all-night siege by the jury, although an agreement was reached last night at eleven o'clock and could not be rendered on account of the absence of the defendant.

The defense entered a plea of self-defense, contending that young McLawhorn shot Brown down in defense of his own life. The case was begun yesterday morning. Argument was not completed until nine o'clock last night when Solicitor D. M. Clark made a final argument in behalf of the State.

Judge Cramer's instructions to the jury were brief but informative. He defined the legal interpretation of manslaughter or second degree murder, and then presented a summary of the evidence submitted during the morning.

The killing of Mack Brown occurred at the home of his brother, Frank Brown, on the night of May 4, 1925. McLawhorn, in company with an officer of Ayden had gone to Frank Brown's home for the purpose of conducting a search for firearms. It was while the search

is alleged to have advanced on young McLawhorn with a gun. McLawhorn shot the negro down. He died only a few minutes afterwards.

Other cases were called for hearing last night following retirement of the McLawhorn jury, but defendants and counsel were absent. Judge Cramer immediately informed the court that he intended to speed up the disposition of cases as much as possible, and would not tolerate the failure of defendants to appear when called during the night sessions.

He explained the necessity of night work in order to complete the calendar for this term, and said this could not possibly be accomplished without a strict observance of the cases docketed for even day

was in progress that Mark Brown received while in about 20 cases negotiations were far enough advanced to call for appraisal of property. He said today he believed that the entire two million dollars would be loaned out in portions of \$3,000 or less within one year's time.

**ART IN DRY CLEANING**  
Modern methods have converted the dry cleaning of all sorts of fabrics into an art. Soiled and spotted articles of wearing apparel can be made by us to look as good as new. Because of the great volume of business we do every day our prices are reduced to a minimum. Give us a trial.

### Now Independent Veterans Board

Raleigh, N. C., April 21.—AP.—Following riding by at one general Brummett as to the status of the county advisory commission and the state board of equalization, the veterans loan board has declared its independence of the salary and wage commission.

Members decided to adopt the salary standards of the commission for its chief clerk and two stenographers but they wanted to definitely establish that they reserved the right to change his salaries at their own discretion and without consulting the wage commission.

Commissioner John Hall Manning reported about 600 informal applications for loans had been re-

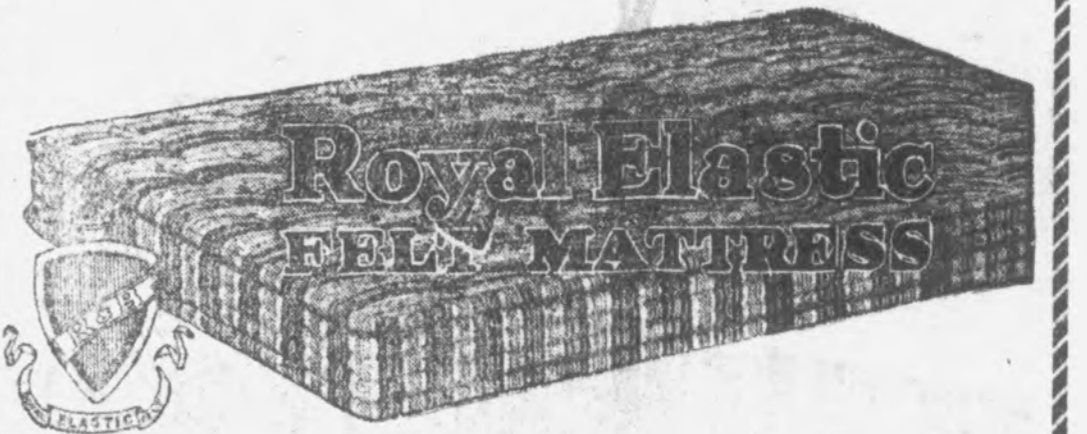

**In the best Homes**

No matter where—East or West North or South—every housekeeper takes a special delight in the appearance of the bedroom.

She possesses an undying pride in the trim, neat appearing beds and every bed that is equipped with a Royal Elastic Felt Mattress

has this appearance because of the exclusive process by which Royal Elastic Felt Mattresses are made. No lumps appear no matter how long you use them.

In short, the Royal Elastic Felt Mattress is built for everlasting wear and for healthful, restful sleep.

## Ever Seen A Mattress Made?

We have made arrangements with Royall and Borden Manufacturing Company to make Mattresses before your eyes. We are going to show you the art of making the best mattress to be had. This show will be staged in one of our windows.

## Friday and Saturday Of This Week

We have also arranged with Royall and Borden Manufacturing Company to give away one of these famous mattresses. Come in and see the show and get full particulars as to how to get the mattress free. No strings are tied to this proposition. It is absolutely free. They gave away one at the Eastern Carolina Exposition in Rocky Mount. They are going to give one away in Greenville. Let us talk to you about your bedding.

DEPENDABLE MERCHANDISE

"Stadium Mania" is a new expression coined by Dr. James L. McConaughy, president of Yale's Athletic Union, Westover University at Middletown. Westover recently announced that some newly acquired real estate in the heart of her physical plant would be used to make a future football field, replacing historic Anders Field. When someone suggested that Westover might be about to erect a stadium there her president, out west, telegraphed a vicious denial that Westover had "acquired the stadium mania" and that some temporary seats flanked by removable bleachers were all that the Middletown University intended to place on the property. Westover, incidentally hopes to furnish playground room for all students who desire to go in for unorganized sports. Westover is following Yale in that point & not in the matter of building a stadium.

Three noted teachers have been called to teach in Yale's summer law school this year. They are: Walton Hale Hamilton, of the Robert Brookings Graduate School of Economics and Government, Washington, D. C.; Edmund Morris Morgan, professor of law, Harvard University, and Warren Abner Seavey, professor of law at University of Pennsylvania and until last year dean of Nebraska College of Law. The school opens Thursday, June 23 and closes Wednesday, September 7.

## NEW HEAD OF PARDON BOARD STUDIES JOB

Raleigh, April 21.—(AP)—Edwin B. Bridges, Charlotte, who succeeds H. Hoyle Stok as State Pardon Commissioner here on May 1, intends to devote all possible time to conscientious administration of the duties of that office, he said here today.

The new Pardon Commissioner is here studying the job before taking it over officially. His announcement that he intended to apply himself whole-heartedly to the pardon work caused capital gazers to throw out the suggestion that he intended to seek relief from duty as secretary of the State Salary and Wage Commission, which supervises employment of State workers.

Commissioner Stok has served in both capacities—the one of the two departments by the 1925 General Assembly, acting on suggestion of Governor McLean.

The offices were consolidated by the Governor as an economy measure and never were separate despite increasing duties of both.

Numerous flare-ups over rulings have come about in the last two years.

The latest had to do with an order issued by Jural Price, Greensboro, chairman of the wage body, on April 8, requiring a wage commission okay on all new State employees before they could be placed on the payroll and prohibiting the employment of kinnepeople of State officers. The last General Assembly killed an "anti-nepotism" bill of similar import but less stringent in its reactions.

Former bars-up were dimmed by the open revolt which greeted the latest wage order, and state auditor Baxter Durham has openly signified their intention of having the ruling tested before the Attorney General.
