LAWYERS IN SNYDER CASE NEAR CLASH

Member of Counsel Nearly Come To Blows Regarding Question to Witness.

New York, May 3.—(AP)—The defense of Mrs. Ruth Snyder, on trial with Henry Judd Gray for the murder of her husband, rested this afternoon.

Henry Judd Gray, co-defendant with Mrs. Ruth Snyder, took the stand.

New York, May 3.—(AP)—Counsel for Mrs. Ruth Snyder and for the State almost came to blows at the Snyder murder trial today.

Under examination of Assistant District Attorney Proessel Mrs. Snyder testified she was downstairs on the night her husband was killed when previously she had testified she was bound upstairs.

Proessel asked her if she had made a mistake or lied and her lawyer, Edgar P. Hazleton walked toward the prosecutor who moved belligerently to meet him. A clash was narrowly averted by the stern remonstrance of the court.

A few minutes later, Justice Scudder adjourned court for lunch though it was still half an hour short of the usual time.

As the examination passed the first hour of the day, Mrs. Snyder's voice was faltering, and she often appealed silently to the court against the stern questioning.

Proessel took up in detail Police Commissioner McLaughlin's testimony asking the witness her recollection of each statement. She insisted her memory was vague as to anything she had told the commissioner.

Gray was sitting upright staring at the witness. His hands were on his lap and no longer fingering his chin.

Mrs. Snyder said she had no recollection of telling McLaughlin any of the statements but acknowledged that they were largely true.

She remembered telling him of the return from the card party but denied any recollection of saying she told Gray in her mother's room. "If you go through with it I will," "Did you tell McLaughlin that Gray went to your husband's room and you watched him kill your husband?"

"No and it isn't true." Mrs. Snyder then questioned the veracity of all the commissioner's testimony as it related to the happenings immediately after the murder.

"Well, does all this refresh your recollection as to whether you told the commissioner you tried to save your husband?"

"I don't remember."

"Then Commissioner McLaughlin lied?"

Mrs. Snyder's counsel objected to this question and was sustained.

She then told of taking police to the Hotel Waldorf to get a suitcase in which she had a picture of Gray. The contents of the suitcase were dumped on the counsel table and the witness identified various garments and articles.

Probe Death of Nine Year Old Boy

Federicksburg, Va., May 3.—(AP)—Authorities turned their efforts today toward solving the slaying of nine-year-old Albert Baker, found in the Rappahannock River, his body badly mutilated and tied in a weighted sack. The boy had been missing since February 22.

Mayor J. Garrett King has called in special detectives to solve the crime, to which at present there is no clue. The lad disappeared suddenly from one of the main streets of the city. His body, which floated to shore in spite of the weights placed in the bag containing it, had been severed of one of its hands both legs were broken and the skull fractured.

Council of State Behind Closed Doors

Raleigh, May 3.—(AP)—The Council of State was meeting behind closed doors with Governor M. L. Hunt this afternoon with a multitude of matters on its slate. Chief among them, participants in the conference intimated, was the question of reimbursing State Treasurer W. H. Worth, Guilford County, some \$12,000 he lost through dishonesty of a clerk more than 25 years ago.

TAKES STAND

Henry Judd Gray

Henry Judd Gray, who with Mrs. Ruth Snyder, is charged with the murder of her husband, Albert Snyder, New York art editor, took the stand in the trial this afternoon. Mrs. Snyder, whose testimony and examination was completed today, blames the murder on Gray, while Gray declares Mrs. Snyder was responsible.

SAY AMERICAN MINISTER HAS RESIGNED JOB

Peking Dispatches say Minister MacMurry Has Tendered Resignation.

Peking, May 3.—(AP)—An exchange telegraph dispatch from Tokyo says dispatches from Peking state that John Van A. MacMurry, American minister to China, has resigned.

The dispatch which deals with the relations of the powers growing out of their attitude to China, is as follows: "Opinion in Japan is puzzled by reports from Peking indicating that the U. S. has completely withdrawn from cooperation with the powers in China and will follow an entirely independent course."

"Dispatches from Peking state that American Minister MacMurry has resigned indicating that he is not in agreement with the policy announced from Washington."

"The Japanese point out that America's decision draws America and Japan closer because Japan throughout has been opposed to aggression or the imposing of penalties for the Nanking and Hankow incident."

"The Government unequivocally repudiates reports from China of an approaching Anglo-Japanese offensive alliance in China directed against Russia."

Washington, May 3.—(AP)—Secretary Kellogg authorized today a flat denial of reports from Tokyo via London that American Minister John A. MacMurry at Peking, had resigned and was added at the State Department that there had been no intimation in any official dispatches that Mr. MacMurry was contemplating such action.

Reiterated reports from various foreign sources of disagreement between MacMurry and the Washington Administration on the question of the Nanking Demands were ascribed by some Washington officials either to misunderstanding or lack of information or to an effort to create the appearance of difficulties for the Washington Government.

Shanghai, May 3.—(AP)—A semi-official Japanese message from Peking today said that the ministers of the United States, Great Britain, France, Japan and Italy held a conference yesterday regarding a second note to the Hankow Government on the subject of the Nanking outrages.

No agreement was reached, says the message, owing to the fact that the United States is opposed to the dispatch of another at the present time.

DAVIS TO ACCOMPANY HOOVER TO FLOOD AREA Washington, May 3.—(AP)—President Coolidge has directed Secretary Davis of the War Department to accompany Secretary Hoover tomorrow when Mr. Hoover returns to the Mississippi flood area in order that the engineer corps of the army and the Mississippi river commission may expedite a report on flood prevention measures.

ROTARY CLUB WILL PAY OFF INDEBTEDNESS

Event to be Celebrated by Bonfire Next Meeting: Saunders Fails to Speak.

W. O. Saunders, editor of the Elizabeth City Independent, who was to have delivered the principal address at the regular meeting of the Rotary Club here last night, was prevented from doing so by illness. A telegram of regret was received by club members here late yesterday afternoon.

The finance committee reported to the club that all necessary monies to pay off the indebtedness of the club building was now in hand and that final payment would be made today. The event will be celebrated at the next meeting with a bonfire of all notes, bonds and mortgages involved in erection of the building.

One of the outstanding features of the program was presented by T. H. Barrett, of the E. C. Atkins Co., hand saw artist, who with a violin bow and silvered steel saw, rendered several musical selections which were greatly enjoyed.

Victor Davis, member of the faculty of the University of Tennessee, former resident of Greenville, delivered the principal address of the evening. His subject was, "Boys and the Need of Leadership."

Mr. Davis urged the Rotary Club to get behind the boys' movement of the city and to see that they had proper attention. He said the boy of today would be the man of tomorrow, and that it was incumbent upon the man of today to assist in training the man of tomorrow.

One of the main members of the entertainment program was a solo by Judson Blount. He was accompanied on the piano by Mrs. M. K. Blount.

In the midst of the meeting a cheer for the Rotary Club emanated from the reception room. This was followed by the entry into the dining hall of about thirty members of the Boy Scout organization of Greenville. Through their spokesmen, Charles Wedbee and Edward Ferguson, the Scouts appealed to members of the club to furnish them leaders to help carry on Scout work among the boys of the city.

Round table discussion of boys work ensued. It was decided that the next meeting would be devoted entirely to problems of boys' work and that definite plans to provide leadership would be outlined and adopted by the club.

BRITISH UNDER CHINESE FIRE

Chinese Open Fire on Two British Vessels Injuring Two Members of Crew.

Shanghai, May 3.—(AP)—The British Auxiliary vessel Kiawo was under fire again today, said a wireless message from Chinkiang, this time from riflemen near Chinkiang. Two of the crew were slightly wounded. The fire was returned.

The Kiawo and the British gunboat Teal were fired on Sunday by Chinese forces near Chinkiang on the Yangtze River about 400 miles east of Nanking. There were no casualties and no serious damage in this attack and the warships silenced the fort with little difficulty.

"Ins" Stay In Raleigh

Raleigh, May 3.—(AP)—Mayor Eugene E. Culbreth, Commissioner of Public Works Charles C. Pace and Commissioner of Public Safety Ed. G. Birdsong today began their third term in office following yesterday's election.

Wiley G. Barnes, appointed city judge on January 1, was elected over John D. Berry. City extension was defeated. Mayor Culbreth and the whole city administration were returned to office by a heavy vote. There were 2,000 more votes cast than in the recent primary.

Administration opponents maintained the election was stamped through registration of many negroes while the administration maintained it could have won without the negro vote.

BEFORE AND AFTER LEVEE DYNAMITING

New Orleans appears to be safe now from flood waters of the Mississippi. The levee at Poydras, Miss., was dynamited, permitting water to flow over the St. Bernard marshes to the sea. Top picture shows the spot on the levee where half a dozen small blasts of dynamite were exploded to tear a small hole through. The force of the flood is eating a wide gash in the embankment, and the lower picture shows the break as it is today.

OTHER BODIES RECOVERED IN WEST VIRGINIA

Searching Parties Continue Work Following Finding of 24 Body at Fairmont.

Fairmont, W. Va., May 3.—(AP)—The bodies of six additional victims of the Everettsville mine disaster were located by rescue workers at noon today, making the total known dead 24. The rescuers continued their search for seventy miners still missing.

Fairmont, W. Va., May 3.—(AP)—Another name was added to the death list at Everettsville mine today when rescuers, searching for 77 entombed men, came upon the body of a miner in the main drift, some 3,000 feet back in the blast sweet tunnels. This brought the known dead to 18. The last victim found was a miner, with a belt buckle marked "M." It was believed he was one of the section bosses who was not with the main body of men who were trapped.

While rescue crews edged into the recesses today preparations were made for caring for the rescued dead or alive, when they were reached. Mine officials expected to reach the 77 entombed men today.

A fleet of ambulances, manned by physicians and nurses, was held at the mouth of the mine, ready for the run to hospitals should any live after being trapped in the workings since an explosion Saturday which killed 18 men and injured seven others. A temporary morgue, a tent, also was in readiness.

While R. M. Lambie, chief of the West Virginia Mine Bureau expressed hope that some of the entombed men might live, and pushed his rescue crews to the limit, Fairmont and Morgantown prepared for civic burial of two of the unidentified dead.

Fire was believed to be raging within the mine, though efforts to locate it were unsuccessful. Experts plan to explore the mine to determine the probable cause of the blast.

Relatives of the entombed mine kept up a practically hopeless vigil outside the mine waiting for the word that would herald the reaching of those entombed.

A. A. A. WILL MEET PHILADELPHIA Washington, May 3.—(AP)—Philadelphia was chosen today as the meeting place for the annual convention of the American Automobile Association June 16 and 17.

MORE FUNDS NEEDED FOR FLOOD WORK

President Coolidge Urges Nation To Raise \$10,000,000 Relief Fund.

Washington, May 3.—(AP)—The Red Cross Mississippi flood relief fund today totaled \$5,384,929. The minimum set is \$10,000,000. Eastern States have contributed \$3,382,000; Mid Western \$1,470,000 and Pacific \$424,000.

Washington, May 3.—(AP)—Impressed with the dire plight of thousands of sufferers in the Mississippi valley flood area and the grave crisis caused by further crumbling of levees, President Coolidge has appealed to the nation to increase to \$10,000,000 its donations for relief work.

This is twice the amount originally requested and means that the American public must duplicate its performance of the past week if their President's new figure is to be reached. The first fund has been slightly over subscribed.

The conclusion to double the first appeal was reached after an extended conference between President Coolidge and Secretary Hoover, who has just returned from the flood zone. Assured that ten millions would be the minimum needed, the President again urged citizens to forward contributions expeditiously to the Red Cross.

"The situation in the Mississippi valley," Mr. Coolidge said, "has developed into a grave crisis affecting a wide area in several States. There are now more than 200,000 flood refugees who have been driven from their homes. This number is being increased daily as fresh breaks in the levees inundate the country on either side of the river, driving the inhabitants to points of safety."

"These refugees are being fed, sheltered and clothed by the American Red Cross, acting as agent for the American people. The burden of their care will continue for many more weeks."

Shortly before issuing his proclamation, Mr. Coolidge announced he would be unable to accept the invitation of Governors of the Mississippi valley states to make a visit to the area.

The seriousness of the flood situation yesterday drew an expression of sympathy through the Dominion's Minister, Vincent Massey, and others from the Pan-American Commercial Conference which is meeting here.

INUNDATION OF LOWLANDS CONTINUES RAPIDLY ALONG RIVER FRONT IN LOUISIANA

FLOOD RELIEF FUND

With the quota to be raised here for the Red Cross flood relief fund increased to \$1,500 in a telegram received by chairman W. H. Rogers from national headquarters, contributions continued to come in today bringing the total fund so far close to \$900. With the increased quota, however, chairman Rogers today called attention to the fact that at least \$600 more is needed here, and urged that all citizens who have not contributed do so at once.

Table with 2 columns: Name and Amount. Total \$882.34

Many Towns Under Water and Others Threatened by On-rushing Waters.

New Orleans, May 3.—(AP)—While caravans of refugees moved out to place of safety, the flood and backwaters from the Mississippi and its rushing tributaries were completing today the inundation of the lowlands in half a dozen parishes in Northeastern and East Central Louisiana.

More towns were reported under water with others threatened and a fleet of rescue craft, large and small, was operating over the funnel shaped area between the Red River and the Mississippi taking out the marooned and sending warnings to many residents who have placed their reliance in the protective levees surrounding some of the small towns.

While these waters claim new areas, the grim battle to hold the levee lines south from below the four crevasses twenty-five miles South of Vidalia to New Orleans goes forward on both sides of the river. Weak spots are being bolstered and the embankments are being raised against the coming of the record crest now slightly south of Vicksburg.

New Orleans stage is now 20.4 feet but army and state engineers have warned that it probably will go to 21.5 feet at the crest, or three feet lower than the record stage forecast, before the main levee at Carnarvon, fifteen miles to the south, was broken last week.

At Melville, La., the Atchafalaya went up two-tenths of a foot to 44.4 feet while at Monroe, La., the rise of the Ouachita was two-tenths of a foot to 4.81 feet. The Red showed a fall of one-foot at Shreveport, but at Alexandria it had risen to 31.4 feet despite the crevasse twenty miles east.

New Orleans, May 3.—(AP)—Successful termination of the fight to hold the levee line against the charge of the Mississippi River became a question of grim endurance in the Natchez sector today while a relief squadron ploughed through muddy waters to remove residents from the inundated lowland parishes of Northeastern Louisiana.

Flood waters from the Red and Mississippi Rivers, streaming from breaches in the levee systems, continued their invasions, widening their territory northward and westward as they moved to meet the coming flood from the Arkansas River.

The levee fight became desperate on the west bank of the Mississippi in the neighborhood of Vidalia and a new worked throughout the night on electrically lighted embankments at Newellton, also, the situation became critical as emergency measures were speeded to stop the flow over levees. The crisis was expected between Delta Point and Deer Park, in the same territory, within two days.

With thousands of persons already driven from their homes in northeastern Louisiana, the crest was but approaching Vicksburg. Many towns in Concordia, Catahoula, Ayolles and neighbor parishes already had been deserted but in others reliance was placed on protection levees and residents reared their defenses before the coming flood.

A rescue fleet left Natchez today, headed by the Steam as flagship and composed of six steamboats, four coast guard patrol boats and half a dozen surf boats to comb the area already covered by water.

The reparations committee, designed to assess damages caused citizens of St. Bernard and Plaquemines parishes where the raging waters were released upon their homes and fields to save the city of New Orleans, was to meet today. Before then the members have a message from Governor Simpson terming the voluntary surrender of their homes by residents of the two parishes, "one of the most patriotic sacrifices the world has ever beheld."

"In dealing with these people," his message said, "I know you will be fair, honest and conscientious. Your duty toward them should be measured by the duty that I have performed toward the people of New Orleans. Let any doubt be resolved by the fact that I have done my best."

Dr. George W. McDaniel, Richmond, Va., president of the convention, presided today over an executive committee session.

LIGHT VOTE CAST HERE YESTERDAY

P. L. Goodson Defeated R. E. Sellers in Third Ward in City Election.

Only one change in city administration resulted from the municipal election yesterday, that being in the third ward, where P. L. Goodson defeated R. E. Sellers, incumbent by a total vote of 103 to 77.

J. Con Lanier was re-elected to the office of mayor without opposition. He drew a total of 399 votes. Only minor interest was manifested in the election. A considerable number of women appeared at the polls at the courthouse from time to time. The majority of the voters came from wards where contests actually existed. The total vote cast was 1,002. The registration of the city is conservatively estimated at 2,100.

Election officials were: Harvey Ward, registrar Jack Foley, J. A. Jones and Mrs. Bettie Dennis, poll holders.

The vote of each candidate follows: Lanier, 397; John Ivey Smith, first ward 25; H. Waldrop, second ward 55; P. L. Goodson, 103; R. E. Sellers, incumbent 77; third ward, J. H. Boyd, incumbent, 85; J. K. Brown, 56; fourth ward, J. E. Dees, incumbent, 108; Dr. Paul Fitzgerald, 94, fifth ward.

Southern Baptists Meet in Louisville

Louisville, May 3.—(AP)—Preliminaries incident to the opening of the seventy-second annual Southern Baptist Convention were held under way today with the executive committee the co-operative program commission, the Southern Baptist Press Association and other groups in session to prepare final reports.

Meanwhile registration tables of the Women's Missionary Union, opened Monday, continued to be crowded with delegates and visitors who have been arriving in increasing numbers.

The W. M. U. held its first session of the annual meeting last night when delegates attended the W. M. U. training school commencement under the direction of Mrs. Janie Cree Bose, principal, but today's program marked the beginning of the business meeting of the organization. Included in today's program were the appointment of committees, the election of a nominating committee, reports of officers and various departmental conferences.

Dr. George W. McDaniel, Richmond, Va., president of the convention, presided today over an executive committee session.

PRESIDENT EMERITUS UNIVERSITY CALIFORNIA DIES IN VIENNA

London, May 3.—(AP)—An Exchange telegraph dispatch from Vienna says that Dr. Benjamin Wheeler, president emeritus of the University of California, died last night.

BRITISH TRAWLER IS SEIZED AT NEW YORK

New York, May 3.—(AP)—The British steam trawler Gabriella, alleged to have a liquor cargo valued at \$120,000, was seized and 13 men arrested as the vessel was entering port today.

Tuesday, May 3, 1927

BOTTOM TEAMS IN BIG LEAGUES MAKE WINNING

(By the Associated Press) A down-trodden team in each major league was on the warpath today in a spirited drive that boded ill for the leaders.

Brooklyn in the National League and Chicago in the American, were looking for new victims with long strings of straight victories swinging at their belts.

In a wild rampage yesterday at the Polo grounds the Robins changed the whole contour of their league by beating the Giants 10 to 7. That single ball game drove the Giants out of first place and boosted the Robins out of the cellar.

St. Louis took the attic and Cincinnati the basement without firing a shot when one game was flooded out by rain and the other was not scheduled. Brooklyn's second first baseman, Babe Herman, swung the home run tomahawk that felled the league leaders and made it four straight for his club.

Twice he cracked out homers and Young Pastridge smote another while six Giant pitchers did a lock step to the showers.

The White Sox 3 to 1 win over Detroit was the seventh in as many games. Ted Lyons, a pitching product of Baylor University, held the Tigers to five hits and chipped in a home run for good measure. One of the hits was made by Fothergill, Detroit, making the fourteenth consecutive game in which he has batted safely.

As both the Yankees and Athletics won their games, Chicago had to content for the present with clinging to their heels in third place. The saying "You've got to score at least two runs to beat the Yankees" was heard again when the wallowingslugmen beat the Senators 9 to 6, after more than two hours of baseball. The home run hitting this time was done by Tony Lazzeri while Ruth was left down with a solitary single. Yankee hits off four Washington hurlers totalled 17.

Bill Carrigan's much defeated Red Sox tried hard for a comeback after the manner of Brooklyn, but failed in the tenth when the Athletics eked out a 6 to 5 win through a wild throw by the Boston shortstop. Still playing better ball than they were given credit for at the start of the season, the St. Louis Browns took a hard fought 7 to 6 decision over the Indians in the ninth.

No Duffer

Marvin Daily, eighteen-year-old caddy, makes the round of the Milburn Country Club, at Kansas City, in 85 to 88, despite the fact he has only one arm. His scores are better than the average by at least five strokes.

Big Five Teams Meet Outsiders

Raleigh, May 3—(AP)—After dividing even with outsiders yesterday Big Five North Carolina Collegiate soccer teams met in a class of opposition again today.

Duke, with a win over Maryland at College Park, moved into Washington to see Georgetown through another eastern match. V. P. L. winner over Davidson clashed at Capital Hill with Carolina. Lenoir-Rhyne was in Tennessee to meet Milligan.

Varsity Track clubs of State and Duke meet at Raleigh, with past scores favoring the Blue Devils to win.

State and Wake Forest freshmen nines were booked for Wake Forest.

COLT PLAYER BREAKS TIE WITH HOMER

Raleigh, May 3—(AP)—One of those baseball aunts not often listed in real life, a pinch hitter home run with two on base and two outs in the last half of the ninth inning with the count three balls and two strikes has happened in the Virginia loop.

Dutch Seasholtz former cap with Richmond, broke up a tight game in the Virginia capital yesterday when his wallop gave Norfolk a bitter defeat, 11-9. The score was 3-3 in favor of Norfolk when this player stepped to the plate. He pinched for Flaherty and made good.

Zinn Beck's Portsmouth Truckers moved into second place by defeating Wilson 8-6. Kinston rallied to win at home from Petersburg 9-8.

OLD TIMERS WILL DON THE GLOVES TONIGHT
San Francisco, May 3—(AP)—Three ring notables of other years will don the gloves here tonight—scene of many of their earlier triumphs. They are Jim Jeffries, former world's heavyweight champion, Tom Sharkey, one of his greatest rivals, and Willie Ritchie, former lightweight titleholder. All will appear as exhibitions in the Monarch Club's boxing program being held as a benefit for victims of the Mississippi river flood.

High School Series To Begin Late This Week

Raleigh, May 3—(AP)—Play among group winners in the state High School elimination series to decide the baseball championship will get under way the latter part of this week. E. Ralph Rankin secretary of this association, of Chapel Hill, said today.

Parties in the east among group winners: Wilson vs. Heartford at Heartford May 6; Oxford vs. Zeb Vance May 6; Clayton vs. Warsaw at Warsaw May 5; and Hamlet vs. Whiteville at Laurinburg May 5.

Schedule for the western winners will be arranged at a pending meeting at Salisbury.

Survivors in the west include High Point, Charlotte, Cherryville, Shelby and Asheville. Winston-Salem met Leaksville in group 3; Lexington, Mocksville and Rockwell were to decide group 4; while Alexander-Wilson and Bonice played for group 2 honors.

Laughran And Stribling Clash Ne York Tonight

New York, May 3—(AP)—Both battling for a chance at the lightweight title, Tommy Laughran of Philadelphia and Young Stribling of Macon, Ga., clash tonight at Ebbets Field for the third time in their careers.

In two previous meetings Stribling won six round decisions but both were loose and Laughran today was confident he could turn the tables. The bout is billed for 10 rounds, starting about 9 p. m., Eastern Standard Time, and will be broadcast by WGL 416 metres.

In the semi-final George Courtney, Oklahoma, meets Chuck Burns, Texas. They are middleweights, two other ten round bouts match sailor Eddie Huffman with King Solomon, heavyweights, and Harold Mays with Bob Lawson, also heavies. Principals in a four rounder are Wyoming Warner and George Werner.

The principals in the main bout compare as follows:

LOUGHRAN		STRIBLING

TRACK MEET AT STATE TODAY

Raleigh, May 3—(AP)—Varsity track teams of North Carolina state and Duke university meet at Riddick Field today in the last dual engagement for both squads prior to the State meet in Greensboro Friday and Saturday.

State had been defeated by the University of North Carolina by a 30 point margin. Duke had been defeated by the university by one bare point.

TWINS LEAD PIEDMONT IN BATTING AVE

Raleigh, May 3—(AP)—Rocky Mounts star pitcher; Raleigh's fairly improving infield; and Durham's heavy end slugging trod the Piedmont league boards yesterday to annex victories over High Point, Winston-Salem and Salisbury.

It was the diminutive Kay May who held the Furniture Makers to our widely scattered hits for a Rocky Mount 5-1 win. Raleigh showed twin city fans some fast and flashy play as the home team last 6-1. Durham outslugged Salisbury 18 to 13 for the big end of a 12 to 10 batting rampage.

High Point continued to stand at the head of the standing by virtue of its ability to hit consistently. James through Saturday/show the Furniture Makers with a batting average of .324.

Sales & Service Depot

Why be a Tire nurse?

When a tire gets old and weak, there's a choice of two things for the wise motorist to do—

- (1) Bring it in and let us see if our repair methods can put new vim and vigor into it
- (2) Retire it on a pension and let us put on a sturdy new Goodrich Silvertown.

We'll save you money on either operation.

LOCALS

Mr. and Mrs. W. H. Ward left today for Mars Hill for a few days' visit.

Mr. and Mrs. Sam D. Byrd, of Mount Olive, were guests at the home of Rev. and Mrs. L. R. O'Brien yesterday.

Mr. and Mrs. J. A. Fulford of Wilson, are spending the day with Mr. and Mrs. B. T. Clark.

Mrs. F. M. Hodges, Mrs. John Glenn and little daughter, and Miss Betsy Greene have returned from Norfolk, Va.

Miss Katie Tunstall spent the week-end in Tarboro.

Miss Margaret Cone Tucker and Miss Maude Johnson have returned from Grangers where they have been teaching.

Collin Stokes, of Ayden, was in the city today on business.

K. A. Pittman, of Ayden, spent sometime in the city today.

ANNOUNCE ENGAGEMENT

Winterville, N. C., May 2.—On last Saturday evening a very enjoyable party was given at the home of Mr. and Mrs. Charles McLawhorn when their daughter Mary Ida, entertained a number of young people announcing the engagement of her sister Helen, to Clarence Whitehurst of Bethel.

The guests gathered in the reception room which was beautifully decorated with ferns and cut flowers carrying out a color scheme of green and white. Here a number of appropriate stunts, games, and contests were engaged in. From here the guests were invited into the dining room where a delectable salad course was served. This room was artistically decorated carrying out a color scheme of pink and white. Just as the guests were preparing to make their exit they were asked to explore the decorations of the chandelier from which ribbons suspended. Upon pulling the ribbon each guest found a tiny corsage of roses and an attractive card on which were the words—"Engaged—Clarence-Helen." This announcement came as a complete surprise to all present.

Misses Myrtle and Leckie McLawhorn assisted their sister in serving and entertaining.

STUDENT RECITAL AT COLLEGE

There will be a student's recital at East Carolina Teachers College Tuesday at 8:00 o'clock. The public is cordially invited. This recital consists of choruses by the Glee Club and piano solos by members of the senior and senior normal classes.

NO PRAYER MEETING AT METHODIST CHURCH

There will be no prayer meeting at Jarvis Memorial Methodist church tomorrow night on account of revival services now in progress in the city.

ORTHOPAEDIC CLINIC AT WILSON, MAY 6TH

The orthopaedic clinic held each month in the office of the county health department in the court house at Wilson will meet again on Friday, May 6th.

THE REASON

Our shop is patronized by the leading women of Greenville, is because of the service we render. Make an appointment today and let us prove to you the value of "that personal touch."

We just have to mention the fact that we have a 15 day special on Permanent Waving, at \$12.50.

THE VANITIE BOXE

MR. OTIS BRITT IN HOSPITAL

The friends of Mr. Otis Britt will regret to learn that he is confined at Pitt Community hospital, as a result of appendicitis.

BIRTHDAY PARTY

(Reported)
Mr. Gordon Lee delightfully entertained a number of his young friends at his home on Second street last Monday evening, honoring his fourteenth birthday.

The guests were met at the door by the host's sister, Miss Myrtle Lee, and invited into the parlor. There several games were enjoyed by all. After some time of amusement, Mrs. Lee served a very delicious ice course, consisting of ice cream and cake.

Those present were: Berry Dail, Glen Proctor, Clyde Brown, Edna Dail, Nettie Brown Dail, Marjorie Woolard and Viola Keeter. About ten o'clock they all departed for their respective homes declaring Gordon a delightful host and wishing for him many more happy birthday days.

MESDAMES ROBBINS AND SELLARS ENTERTAIN DORCAS CLASS

The Dorcas class of the Jarvis Memorial Church was entertained during April by Mesdames H. S. Robbins, E. C. Anderson, and D. M. Sellars, at the home of Mrs. Robbins.

There were several attractive contests held, among them an April Fool contest, won by Mrs. R. E. Sellars, and an Easter Bunnay contest, won by Miss Closs Pickren.

During the evening no one was allowed to use their right hand for anything (each offense, a pink ribbon was the penalty). This prize a live chick in an Easter basket, was given to Miss Willard Whichard.

Refreshments were then served.

COMMISSIONERS WERE IN SESSION MONDAY

Members of the County Board of Commissioners were in session at the courthouse yesterday morning, but nothing more than regular routine matters were considered. Other county departments also met during the morning, but like the commissioners, had little to consider other than the ordinary run of business.

UNDERGOES OPERATION

Little Miss Verda Wilson, daughter of Mr. and Mrs. Frank Wilson, underwent an operation at Pitt

Community Hospital Sunday night. A report today stated that she was getting along nicely.

ONE MARRIAGE LICENSE ISSUED SINCE YESTERDAY

Only one marriage license has been issued by the register of deeds since the report of yesterday afternoon, that being to Heber Edwards and Pennie Clemmons, colored, of Ayden community.

PARENT-TEACHER ASSO. TO MEET WEDNESDAY

Parent-Teachers Associations of the various city schools will hold their regular annual joint meeting at the Evans Street School Wednesday afternoon at 3:30. A splendid program has been planned for the occasion. There will be a report of work done in the several city schools.

CHILDREN OF CITY GROW PRETTY FLOWERS

The children of West Greenville school sold a quantity of vegetables and flower seed early in the spring. For this sale they were given a liberal commission with which they bought pictures for the school rooms, the first ones which had been placed in the building.

Some of the children bought packages of these seeds and planted them. Now they are bringing in very pretty flowers and vegetables which they have grown.

Bernice Allen, third grade, had brought in the best collection previous to April 15 and as a prize was given one dozen Rhode Island Red eggs. Bernice says she is going to the curb market herself and sell the young chickens.

Others who have brought in radishes, lettuce, turnips, nasturtiums and phlox, are Elizabeth Harrell, Margaret Lewis, J. D. Fleming, Norman Fleming and Hunter Leach.

Those who have planted the vegetables and flowers which mature during the summer months will take specimens to Mrs. W. J. Turnage, the president of the Parent-Teachers Association.

In a corner of the school yard the fifth grade have planted some seeds of trees. Last week they put a some-splendid maple seed. They plan to add others as the seed mature on through the year. The project was begun as a result of interest aroused during Forest Week, April 24 to 30.

SEVERAL DEEDS FILED HERE SINCE SATURDAY

The following deeds of transfer have been filed in the office of the register of deeds for registration

Bowen, Bruce Warren, Graham Flanagan, Tom Gorman Lee Hannah, Walter Harrington, Blanch D. Gaskins, James Ficklen, Mara Stuart James, Jack Overman, Knott Proctor.

Will all the models please meet at Gorman's warehouse Thursday afternoon at four o'clock for rehearsal. The list will be continued tomorrow.

Tobacco planting is under way in many parts of the county, but work is being slightly retarded by high winds and dry weather. While considerable planting has been done it will be ten days or more yet before the bulk of the crop will be in the ground. It was stated today by those who have visited many parts of the county the last few days.

Friends of Mrs. L. C. Skinner will be glad to learn that she has returned from St. Luke's Hospital in Richmond.

COTTON QUEENS

W. C. Faucett, mortgagee to Annie Dixon, 50 acres, \$250.
J. H. Edwards, mortgagee, to Annie Dixon, 115 acres, \$5,500.

Church came to close last night with a great message on the subject "God's Great Love for the Lost." The text was Luke 15:24.

The evangelist related the parables of the lost sheep, the lost coin, and the lost boy. These are three pictures that Christ used to show his purpose in coming into the world—to seek and to save the lost.

There are five key-words to the sweet tender love story of the prodigal. These words are wandering, wasting, waking, willing, welcoming.

The boy approached his father and begged for his portion. His father gave it to him. He wasted

his substance with riotous living. He threw his money to the winds. He wasted. We are wasting our time, our talents, our souls. There came a famine. He awoke, he came to himself. He knew that in his father's house there was bread enough and to spare. He said, "I will arise and go to my father." He was willing. We are glad that Jesus did not leave it here. A welcome was given. The boy's father was watching and looking for the coming home of his boy. The boy came

home and received such a welcome. After our tired, weary march over, Jesus will give us a welcome. This is the sweetest climax of love. How anxious God is to forgive. He hates sin, but loves the sinner. The heavenly Father watches for us to die for us. Love continues to call, "Come unto Me." A duet, "He Did Not Die in Vain," was sung by Mrs. H. H. Settle and Mr. J. H. Jones. Baptism followed the service.

THEY PAY BIG DIVIDENDS

North Carolina's road building campaign, extending over a period of five years, has paid huge dividends, according to Frank Page, chairman of the State Highway Commission. Over 5,000 miles of concrete roads have been built, averaging eighteen feet wide.

Two thousand busses carry children to school over these roads. This is one of the achievements the improved roads have made possible.

While the number of farms in the country as a whole have been on the decrease, the number of North Carolina farms has been increased by 13,000 during the last five years.

Mr. Page declares that not only has rural life been improved, but the smooth highways have enabled farmers to get their produce to market with greater facility. Truck gardening in the State has been on the upswing and now North Carolina ships four times as many cucumbers, peaches and strawberries as it did before the advent of the concrete road. Mr. Page in pointing to highway dividends attributes the growth of dairy farming to this factor.

More registration in the State has increased 260 per cent since 1920, leading the increase in the rest of the country by 60 per cent. And indirectly this increased motor registration has paid for the highways in fees and a four-cent a gallon gas tax.

—Winston-Salem Journal.

GIVE NOW
In the face of an increased number of homeless and suffering in the flood area the American Red Cross, supported by President Coolidge, has appealed to the citizens of the nation to double the original \$5,000,000 asked for relief work. This means that every locality is asked to double the first quota, which in our case for \$750.00. Already people of this community have contributed close to \$900, which means that \$600 more must be contributed if we are to do our part in the relief of the flood sufferers. We have already gone over the top in raising our first quota. Let's be among the first to go over the top on this second call. Delay means added suffering for those in the stricken area. If you have not contributed to the flood relief fund, or if you desire to increase your donations do so at once. YOUR help is needed NOW.

BOY WAS SICK

Texan Tells How He Got Acquainted With the Good Work of Black-Draught as a Laxative.

Glenora, Texas.—"I had a sick spell when just fifteen years old," says Mr. George W. Maness, R. F. D. 2, this place. "Anyone who has had chills, like I had, is apt to remember them. I was a sick boy—just lay around the home, weak. My skin was yellow and I could hardly stand up. I had hard chills.

"My father gave me quinine. Someone told him to give me Black-Draught with it. He brought some home, and they fixed it up like a tea. It wasn't very good, but I was so sick I would take anything.

"After a few days, I began to feel better. I was hungry and could eat. I kept on taking the tea for awhile, and I got well. I haven't had chills since then, but I have taken a lot of Black-Draught since that time. It is a family medicine with me."

Where assistance is needed in the way of a laxative or cathartic, Theford's Black-Draught should be taken, as often as necessary, to open the bowels and put them in a healthy and normal state of activity.

Try it; it's a dose. NC-185

Theford's BLACK-DRAUGHT Purely Vegetable

SAVE THE BOYS

Those men who attended last night's meeting of the Rotary Club carried home with them the realization of a responsibility in which

every citizen of our entire community is interested, and should have a part. The responsibility is that of taking care of the boys of our city and the appeal to do their duty along this line was brought to the Rotarians in a most impressive manner. While one of the features of last night's program of the club was in progress, a number of boys in scout uniform were seen to gather in the reception hall of the club house and immediately following the progress of the program here came from the reception hall three rousing cheers from the boys. This was followed by the thirty-odd lads presenting themselves before the Rotarians in the dining hall and thru two of the advanced scouts as spokesmen, the boys appealed to the Rotarians and through them to other citizens of the city for support. Explaining that present conditions made life a hard road for the growing boy and appealing for the proper kind of leadership and living examples of the ideals for which good citizens should strive, the spokesmen urged the Rotarians to give the matter of the boys of Greenville and the community serious consideration if they expect them to become the citizens they should be. With apologies for appearing before the club, uninvited, the boys then withdrew, and for a few moments there was a pall of silence over the hall where the men were gathered. Before last night's meeting came to a close there was a round table discussion of boys and their problems and it was decided that the next meeting of the club will be devoted entirely

to this subject, and the adoption of plans for procuring proper leadership for these boys and giving them every possible assistance in becoming good citizens. This proposition, however, is not only one for the Rotary Club, but one that vitally affects the future of our community. It is to be hoped that every organization and every citizen will get behind a movement for the boys and see to it that proper training and proper environment for them is furnished. The future of our community and state is at stake and the responsibility is that of our present citizens. Let's not shirk this important duty.

Salesman For Face Cream Learns a Good Lesson

Mr. Vandivier, New York, writes: "I was a salesman of creams for healing pimples, blemishes, etc., but when my face broke out with blotches, pimples and blackheads, I tried one salve after another with no results. I found it as impossible to sell skin creams as a bald headed man finds selling hair tonic. Finally I decided I would have to get at the cause—constipation. I was amazed to find that within a few days after taking CARTER'S LITTLE LIVER PILLS my skin took on a new healthful look. Druggists, 25c and 75c. red packages. Try to-night—To-morrow refreshed."

Are You "Toxic?"

It Is Well, Then, to Learn the Importance of Good Elimination.

FUNCTIONAL inactivity of the kidneys permits a retention of waste poisons in the blood. Symptoms of this toxic condition are a dull, languid feeling, drowsy headaches and sometimes, toxic backache and dizziness. That the kidneys are not functioning as they should is often shown by scanty or burning passage of secretions. Many readers have learned the value of Doan's Pills, stimulant diuretic to the kidneys, in this condition. Users everywhere endorse Doan's. Ask your neighbor!

Market Report Cotton--Stocks--Grain

RGAIN
Chicago, May 3.—(AP)—With North American export sales today estimated as high as 1,500,000 bushels, wheat displayed a decided upward trend. Less favorable crop reports from Oklahoma and elsewhere southwest were stimulating factors in addition to adverse prospects northwest.

Wheat closed 3-4 to 1 5-8 net higher; corn 1-4 to 7-8 up; oats unchanged to 3-4 advance and provisions varying from 15 cents decline to a rise of 2 cents.

COTTON SEED OIL
New York, May 3.—(AP)—Cotton seed oil closed strong. Prime summer yellow 9.00; prime crude 7.70 to 7.75; May 9.16; June 9.30; July 9.53; August 9.70; September 9.90; October 9.90; November 9.80; December 9.78; sales 16,600.

COTTON
New York, May 3.—(AP)—The cotton market was higher today on continued nervousness over the flood situation in the central belt, combined with reports of a very sharp advance in the market for Egyptian cotton futures at Alexandria and high Liverpool cables. Prices made new high ground for the movement, July selling up to 15.55 and December to 16.05.

	High	Low	Close
Jan.	16.20	15.99	16.20
May	15.44	15.18	15.44
July	15.70	15.44	15.70
Oct.	15.98	15.75	15.98
Dec.	16.17	15.93	16.17

Opening: January 16.00; May 15.20; July 15.45; October 15.77; December 15.97.

CASH GRAIN
Chicago, May 3.—(AP)—Wheat No. 2 red 1.40 to 1.40 1-2; No. 3 red 1.38 1-4 to 1.39; corn No. 3 mixed 74 1-5; No. 2 yellow 78 1-2; oats No. 2 white 50 1-2 to 50 3-4; No. 3 white 48 3-4 to 50 1-2; rye No. 3 1.05 1-4; barley 74 to 88; timothy 4.50 to 5.25; clover 29.00 to 35.75; ribs, May 13.60; July 13.35.

NAVAL STORES
Savannah, May 3.—(AP)—Turpentine firm 57; sales 326; receipts 1,588; shipment 164; stock 11,251; rosin firm; sales 564; receipts 5,578; shipments 157; stock 46,173. Quote: B 7.75 to 8.00; D 8.00; E 8.30; F 8.50; G, H, I 8.85; K 9.00; M 9.10; N 9.10; WG 10.50; WW, X 11.50.

LIVERPOOL COTTON
Liverpool, May 3.—(AP)—Cotton futures steady; strict middling 8.83; middling 8.53; strict low middling 8.08; low middling 7.68; strict good ordinary 7.38; good ordinary 6.93; sales 6,000 bales. American 5,100. Receipts 7,000; American 400. Futures closed steady: May 8.24; July 8.33; October 8.42; December 8.47; January 8.48; March 8.54.

CHICAGO LIVESTOCK
Chicago, May 3.—(AP)—Hogs 23,000; slow; average weight 220 pounds down 10 to 75 cents lower; big packers inactive; packing sows weak; pigs 15 to 25 cents lower; bulk 160 to 200 pounds 10.50 to 10.75; 210 to 240 pounds 10.25 to 10.60; packing sows 8.75 to 9.00; mostly; bulk better grades pigs -0.00 to 10.50.

Cattle 11,000; fat steers and she stock fully steady; bulls 10 to 15 cents higher; vealers 25 to 50 cents up; best heavies held above 13.50; bulk fed steers all weights 9.75 to 12.25; light vealers 9.25 to 10.25; shippers and small killers 12.00 to 13.00.

Sheep 12,000; fat lambs active; strong to few spots 15 to 25 cents higher; sheep scarce, steady; good to choice clipped ewes 8.00 to 8.50.

SUGAR
New York, May 3.—(AP)—Raw sugar unchanged; futures at midday were 4 to 5 points higher. Refined unchanged.

STOCK EXCHANGE
New York, May 3.—(AP)—Major speculative activity in today's stock market was again on the up-side although a number of new weak spots developed during the session. Price movements appeared to be based on individual considerations rather than news developments. The increase in broker's loans last week while not expected in some quarters was believed to be due largely to

the extremely heavy new bond financing and a reduction is looked for in next week's figures which will cover the liquidating movement towards the end of last month. Closing was strong. Total sales approximated 2,000,000 shares.

Sets High Record For Skeet Shooting

Raleigh, May 3.—(AP)—Believed here today to be a new world's record for skeet shooting, J. H. Brown secretary-treasurer of the local gun club broke 83 targets straight. Then dropped two in a string of 75 yesterday.

Local club members report that H. M. Jackson of Garner a member of a skeet club in Massachusetts, held the old record established last season when he made the first perfect score in 25 targets.

Skeet, a new shooting sport started last spring is more difficult than the older form of shooting. Two traps face each other across a half circle whose diameter is 40 yards. The shooting station are located very similarly to the figures on a face of a clock, thus constantly changing the angle of fire. Both double and single targets are thrown in the usual string, and the shooter stands at the firing station exactly as he would with a bird dog on point.

Tar Heel Wins Pulitzer Prize For Best Play

Chapel Hill, N. C., May 3.—(AP) Paul Green, of Harnett County, and professor at the University of North Carolina, is the 1927 Pulitzer prize winner for the best American play, "In Abraham's Bosom," and receives \$1,000 therefor.

He was born on a farm near Lillington on March 17, 1894. He teaches philosophy.

This is the first time this prize has come South.

CONGREGATIONALISTS MEET IN RALEIGH

Raleigh, May 3.—(AP)—The 13th annual meeting of the Carolina Conference of Congregational Churches was organized at the United Christian Church today.

Brief written reports from churches, auxiliaries and committees occupied the day, while for tonight Rev. John M. Peyton, First Congregational Church, Salisbury, was given charge of the devotional service. Rev. John Brittain Clark, of Tryon, assigned the conference sermon, and Josephus Daniels, representing the Church of the Disciples, Southern Pines, given the address of welcome.

HARRIS TAKES LESSON

A big improvement I looked for in the batting of Manager Stanly Harris, of the Washington Senators. He is taking daily lessons from Tris Speaker. Ty Cobb is also acting as a batting tutor, with Philadelphia outfielders as pupils.

Carcass of Horse Taken From Well
Hickory, N. C., May 3.—(AP)—The carcass of the family horse of Will Shuford, negro, was removed from the bottom of a well late yesterday afternoon by the electric line division of a public utility company, and the aged negro went gently over the last remains of his faithful beast.

Since some time Sunday morning they had been working to extract the animal from his living grave.

The negro was leading his horse across the back lot of an unused place in the outskirts of the city. The halter line was held loosely in the negro's hand; suddenly there was a crash and the horse dropped out of sight into the bottom of a forsaken well.

All the old negro's friends could not succeed in lifting the beast to the surface again, so the heaviest truck of the Hickory fire department was called to the scene.

A rope was tied around the body of the horse and passed through a pulley on a scaffold. The fire truck was hauled to the other end. It moved off slowly and the scaffold broke. Then the electric division of the utility company was summoned to raise the dead body of the family horse.

STORMS DO DAMAGE IN CABARRUS COUNTY
Concord, May 3.—(AP)—Torrential rains accompanied by lightning have caused much damage in Cabarrus County during the last few days. Creeks and rivers in the county overflowed their banks and on the farm of G. G. Ellis a barn was burned.

DEPENDABLE MERCHANDISE

BEGINS SERIES OF SERVICES IN LOCAL CHURCH

Rev. R. G. McClees, of Virginia in First Sermon to Presbyterians Last Night.

The first of a series of revival services was held under very favorable conditions last evening at 8 p. m. in the Presbyterian Church here, with Rev. R. G. McClees, D. D., of Chatham, Virginia, as the speaker. A large crowd was held in rapt attention by the eloquence, earnestness and simplicity of Dr. McClees as he brought God's message of great joy to all peoples. His text was Luke 2:10, "Behold I bring you good tidings of great joy which shall be to all people."

The speaker portrayed in glowing and beautiful language the environment in which our Saviour was born, dwelling particularly upon the world's sore and serious need of having God to speak with a message of joy and hope and life. "Behold!" "Attention!" Let all the earth hear for God speaks! It would seem that there would not be a soul that would not want to hear when God is about to speak, especially if He speaks a message of hope and joy. But men do refuse to hear even when God speaks and sometimes stay away lest God should call them.

"I bring you good tidings," Thank God the message of the angels was first given to shepherds, the lowly, the poor, the meek, the neglected classes. There are good tidings for every class of people and for every one of every class. God spoke with this message of joy just at the time when the whole world was in most urgent need to hear it. The whole world had searched and striven for happiness for thousands of years; but one had found it. Egypt had sought happiness in wealth and its pompous display; and the mole and the bat then lived amidst its ruins; Greece had sought it in her literature and art and had failed; Rome had sought it in her legions and power, and failed. Then God spoke with a message of "good tidings which shall be to all people."

Yes, for persons of every position in life and for every nation in the world. Jesus has a message of hope and joy for all. Go and tell men everywhere Jesus saves them from sin and gives them joy and life. Tell the young man and the young woman if they want to be happy. Jesus will flood their souls with a rich and abiding happiness. If they seek Him.

"O, lost man, awake to life and love and light."

There was a goodly representation from the Men's Christian Federation, the Salvation Army, The Women's Federation and from the sister churches of the city as well. Increasing crowds are expected, and all are invited and will be welcome.

Services every morning at 10 o'clock, lasting three-fourths of an hour, or less.

Services every evening at eight o'clock, lasting one hour, and all services begin and end promptly.

The second sermon delivered by Dr. McClees was preached this morning at ten o'clock to an attentive and eager audience.

His subject which he ably handled was, "Intercessory Prayer." From the text, "Behold, he prayeth," Acts 9:11.

Prayer is universal; it marks man from all earthly creatures. Intercessory prayers ought to be practiced by all persons for (1) It is the most exalted privilege ever granted to man; (2) It is the vastest task or enterprise man can undertake; (3) It is the most Christ-like work we can engage in here. When we take our enemies or those who would harm us, into the very chamber of the King of Kings we are nobly Christ-like. (4) Prayer is the most accessible work for all Christians; all can engage in it; does not depend on wealth, eloquence, education or any such thing as may be useful in other kinds of work. No one can say to God, "I could not pray." (5) Prayer is the most effective work in which Christians can engage. No need to prove this for God says it is true; "The effectual, fervent prayer of a righteous man availeth much."

Services at eight o'clock this evening. A large audience is expected. "Come thou with us and we will do thee good."

Sensitive souls may find comfort in this question: "Do lobsters and oysters suffer any less in 'natural' death, than when they die to oblige us. If not, since they must all die, some day, they might as well die usefully, building up a larger race."

A New York Stock Exchange seat sold last week for \$195,000, five thousand more was offered for another seat, at \$195,000, all the Exchange seats are worth \$214,500,000. They will be worth twice that, if we mind our business, and keep prosperity.

In April, many stock exchange records were broken. Excepting four April days, more than two million shares were dealt in each day, the month's total being 49,635,616 shares.

If \$200,000 is more than you can afford for a seat investigate the new exchange just established in Seattle. Seats there one day will be worth more than New York seats today. Prices are just starting in this country, or, as Mr. Rogers puts it, "You ain't seen nothing yet."

Britain will give votes to all women 21 years old. Thanks to war and the colonies, women in Britain outnumber men by two millions and theoretically the British empire should now be ruled by women.

In fact, however, men, or rather a small thinking group of men, will rule, as hitherto. One look at this country proves that votes do not really rule. Intelligence and cunning outweigh votes.

A hydroplane struck by lightning in full flight, falls. The gasoline tank explodes and kills four. This will not discourage flying, but will stimulate work on non-explosive fuel. The Germans are near it, with their extraordinarily light Diesel engine construction.

Some day, wireless power, taken from sources miles below the flier will solve the problem.

A middle aged man dropped dead in our Lady of Angels Church in New York City, after robbing the poor box. Millions will believe that power from above, watching that poor box, dealt the blow that caused death. The fact that thousands of poor boxes have been robbed, nobody dropping dead, will not convince anyone.

Man believes what he wants to believe, and finds his happiness in that.

Forest Lumber Co. Erects New Plant On Dickerson Ave.

Erection of first buildings in connection with establishment of the new plant of the Forest Lumber Company was begun yesterday, according to information made public today by W. T. Forest, president of the concern.

Two acres of land on the western end of Dickinson Avenue have been purchased by the concern, and the present plant now located on Church street will be moved to the new location as soon as buildings have been completed.

Modern machinery will be installed in the Dickinson Avenue plant. Capacity will be increased considerably, and greater volume of business than ever before can be handled upon short notice.

Wilson Man Held Under Heavy Bond

Wilson, N. C., May 3.—(AP)—H. R. McLawhorn, local business man, is held under a \$10,000 bond and a Mr. Nobles of Chicago, representative of Swift and Company, is held under a \$5,000 bond by Halifax county authorities in connection with an automobile accident at the intersection of highway No. 40 and Endfield street last night when a negro woman, Marie Pittman, suffered a fractured skull.

Charges of reckless driving and driving an automobile while under influence of whiskey were placed against the two men. The condition of the negro is critical.

RELAY RACE TO BE HELD NEXT FRIDAY

Runners Will Start From The Front of Pitt County Court House.

The annual Greenville-Washington relay race will be held on Friday, May 6. Great interest is manifested in this race each year, but the present outlook for this year's race is far the brightest yet.

This event has been held twice and Washington has both times defeated the Greenville High School team, but owing to the fact that Washington has lost a few of their fastest runners and Greenville has gained more in the past year from those who have recently moved here Owing to this Greenville is determined to win.

Safety should be manifested in this event. Those following the runners in cars should be sure to stay at a safe distance from all participants.

The starting point will be in front of the Pitt County courthouse. The finishing point will be in front of the Washington postoffice.

J. J. Elks Elected Mayor Grimesland

J. J. Elks defeated former Mayor H. M. Harris in the municipal election held in Grimesland yesterday. J. H. Clark was elected town treasurer.

Aldermen elected were: R. A. Fleming, W. A. Hudson and G. S. Smith.

L. D. Phillips was elected chief of the police department over W. B. Paramore.

Jesse Lucas, colored, was fined \$25 and costs and given a four months suspended road sentence on a charge of possessing and handling whiskey. The sentence will become effective immediately upon violation of any of the criminal laws.

William Coward was fined \$25 and costs on a charge of being drunk and disorderly.

Zeno Mills, Lyman Venters and William Coward paid fines of \$31 each on a charge of disorderly conduct.

Joe Carraway paid a fine of \$50 and costs on a charge of carrying concealed weapon and unlawful possession of whiskey.

Judgment was suspended in the case against Thomas Gay, charged with abandoning his wife.

MANY CASES CONSIDERED HERE TODAY

County Court Hears Number of Charges Of Only Minor Importance.

Numbers of cases of minor importance were given consideration in county court here today. Majority of the issues consisted of charges of carrying concealed weapons, and violations of the prohibition laws.

It was necessary to continue a number of cases until the next session owing to the absence of attorneys and the failure of witnesses to put in their appearance.

Will Barden, colored, charged with escaping from the county home, was returned for a period of six months.

and given the choice between a fine The case against the other three defendants was sent to Superior Court for jury trial.

L. R. Gladson was fined \$100 and costs and commanded not to drive an automobile in North Carolina for a period of 90 days on a charge of driving an automobile while drunk.

S. M. Clagon was fined \$100 and costs and required not to drive a car for a period of thirty days.

Charlie Smith, colored, was given a suspended sentence of six months on the county roads and fined \$25 and costs on a charge of having whiskey for sale.

Roscoe Moore, colored, was fined \$50 and costs for carrying a concealed weapon.

John Harris, colored, was fined \$100 and required not to drive an automobile for eight months on a charge of driving while under the influence of whiskey.

Charles Garris, charged with assault had judgment suspended for two years upon good behavior.

Booth continues To Lose Ground

Roanoke, Va., May 3.—(AP)—Walter L. Booth continued to lose ground today, said a report from the hospital where he has been kept alive by artificial respiration for almost 12 days. Since yesterday he has been growing worse.

"He has a grip on the drowning man's straw," said one of the coteries of bedside workers, "and he won't shake off. I've watched that grip day in and day out and it has been weaker and weaker. He began sinking yesterday and he has not been able to come all the way up this time. Heretofore he has rallied and gotten back, but this time it seems different."

Booth says that he is not feeling well; and that he is worn out and feels cold.

Although his color is good, his heart action has weakened. Paralysis is gradually depriving him of what life remains in his worn body.

Booth Continues To Lose Ground

It is now necessary to speed up respirations. Doctors said the end is near. Booth no longer takes an interest in his surroundings.

BANK CASHIER GETS FIVE YEARS FOR FIRING BANK

Concord, N. C., May 3.—(AP)—Carl T. Blakeney, former cashier of the Bank of Midland, today was sentenced to serve not less than four nor more than five years in State prison as a result of his conviction Saturday of a charge of burning the bank. Judge Michael Schenck pronounced sentence in the Cabarrus Circuit Court.

Counsel for Blakeney gave notice of appeal and he was freed on \$10,000-bail.

Blakeney was accused of having set fire to the bank to hide an alleged shortage in his accounts. He contended that he was struck on the head by a robber who then either set fire to the bank to hide a robbery or accidentally overturned an oil lamp.

FOR DIOCESE MEETING

Elizabeth City, May 3.—(AP)—Nearly half of the 200 delegates and visitors expected here for the 44th convention of the Diocese of East Carolina Protestant Episcopal Church tomorrow and Thursday arrived today.

The first regular session begins tomorrow morning at the Christ Church.

STATE SENDS OTHER SANITARY EXPERTS TO MISSISSIPPI VALLEY

Raleigh, May 3.—(AP)—Dr. C. O'H. Laughinghouse, state health officer, today ordered four additional sanitary experts to the Mississippi flood area. Three men from the North Carolina service are already in relief service.

The inspectors are slated to leave late today. Supplies of medicine and vaccines have already been dispatched.

London's anti-cruelty society starts a reasonable campaign against broiling lobsters alive. There are better ways of cooking them.

It also alleges that oysters, more highly organized than lobsters when chewed alive, suffer more than lobsters, dropped in boiling water.

It took courage to eat the first oysters and now we are asked to stop eating them for pity's sake.
