SEEK WOMAN FOR STEALING HER CHILDREN

Mrs. Wallace Bryant Wanted by Asheville Court on Kidnapping Charge

Asheville, Dec. 2.—(AP)—Mrs. G. Wallace Bryant today is being sought by officials of the Buncombe superior court on a charge of kidnaping her children, Marjorie, 6 years old, and Frances, age 4, who were in the custody of the court. A warrant has been issued for Mrs. Bryant at the request of her husband, a nephew of Henry Ford, who recently sued Henry Westall, Asheville Clubman and Colfer for \$100,000 alleging that Westall had alienated Mrs. Bryant's affections.

The kidnaping occurred late Wednesday but was not made known until today while officers attempted to locate Mrs. Bryant and the children.

According to information made public today the children were taken to the Winyah Sanatorium where their father is a tubercular patient for their daily visit. They were in the custody of a negro nurse named Stella Wright. As they left the sanatorium Mrs. Bryant met them at the entrance. She handed a letter to the nurse asking her to deliver it to Mr. Bryant in the hospital.

Mrs. Bryant, the nurse told investigators, said she would take the children to the home of Mrs. Addie A. Floyd in whose charge the court had placed them after charges of improper conduct had been instituted against Mrs. Bryant and Westall. When the nurse entered the hospital, Mrs. Bryant placed the children in a taxicab and left.

The negro thinking the children were at Mrs. Floyd's home did not raise an alarm when she appeared without the children Mr. Bryant was notified. He immediately left his bed for the first time in nine months went to the police station and swore out a warrant for his wife's arrest. Judge Carl B. Hyatt of the juvenile court was notified and took charge of the search.

All trains which left Asheville after the time of the kidnaping were searched but no trace was found of either Mrs. Bryant or the children.

Detectives investigating the case discovered that after Mrs. Bryant left the hospital she went to the entrance of the Manor Hotel and there dismissed the taxicab. The driver, who was located by officers said he left Mrs. Bryant standing by the street car line, as though waiting for a car.

From that time nothing has been heard or seen of either Mrs. Bryant or her children. Officers said they believed she had entered another automobile at this point.

Authorities at Philadelphia, Detroit, and various Florida cities have been notified by Judge Hyatt to be on the lookout for Mrs. Bryant. Bryant suffered a nervous collapse after visiting the police station Wednesday night. It was said, but was somewhat improved today he is said to have told officers that he had feared for several weeks that the children would be kidnaped.

British Ship Attacked by Bandits Today

Hong Kong Dec 2.—(AP)—The British steamship Slang Tan, whose home port is Shanghai was attacked by bandits near Ichang on the Yangtze river, says advice received here from Hankow.

Captain Lator of the Slang Tan is being held for \$100,000 ransom the advice stated.

Captain Lator was in command of the steamer Wanliu which played so prominent a part in the Wanshan affair of September, 1926, when seven British sailors were slain by Chinese troops and the town of Wanshan was shelled by the two British gunboats.

London, Dec 2.—(AP)—Two British gunboats are proceeding to the scene of the attack on the British steamer Slang Tan reported from Ichang.

The British admiralty was informed today that the attack took place sixteen miles from Ichang while the steamer was anchored.

It was announced that the commanding officer of the British warship Aphis has been drafted by General Yang Sen that two parties be sent to attack the bandits. Two British gunboats are proceeding to the scene of the outrage.

PROPOSED JOINT REUNION OF NORTH AND SOUTH

Washington, Dec 2.—(AP)—A bill proposing a joint reunion in the capital in 1928 of veterans of both the northern and southern armies of the Civil War has been drafted by Representative Howard, Democrat, Nebraska, for introduction as soon as congress convenes.

TODAY

Four Years? Too Short
Some Did Not Marry
Ford Teaches Thinking
Little Ticker Taps
(By Arthur Brisbane)
Copyright 1927, by Star Co.

Russia starts ath league at Geneva, proposing to wipe out warfare, junk all armies, navies and armaments absolutely in four years. Revolution is enthusiastic. Russia believes that in a few years it can change uneducated Proletariat, transform 150 million uneducated, unthinking human beings into mental and moral equals of the world's best. Nice thought, but it can't be done. To change a man you must change the shape of his forehead, the kind and size of his brain and deepen its convolutions. That takes generations, some times thousands of them, not four years.

Mr. Halden-Julius, of Kansas, whose daughter is just trying a "companionship marriage" experiment, tells the world that his daughter was born six years before he, Halden-Julius, her father was married. He didn't have money to set up housekeeping but, the dear little girl was born anyhow.

That is interesting, not unusual Leonardo da Vinci, second in greatness among all artists, was born outside of marriage, his father and mother never married, he supported his legitimate respectable high born half brothers and sisters.

William the Conqueror was born before his father married the interesting girl whom he first saw washing clothes in a brook as he rode past with his warrior.

But all of them doesn't change the fact that marriage is better than lack of marriage. Marriage will not go out of fashion. It will persist until men become worthy of an institution at present too good for many of them.

While introducing his new car to the world Henry Ford also introduces a new kind of school which he maintains near his famous Way Side Inn. He says the main object of the school is "TO TEACH THINKING."

That is the only education worth while, and the kind of education most generally neglected, especially in the big universities.

They teach NOT THINKING. The value of what you eat depends on what you digest. The value of what you read depends on what you think. Ford's educational system mixes teaching the hands with teaching the mind. Our public schools should try that and

MANY CITIES BID FOR NEXT G. O. P. MEET

Delegations From Coast to Coast Want to Entertain National Convention.

Washington Dec. 2.—(AP)—Hard pressed by a dozen competitors, delegates from coast to coast advanced claims for their cities to members of the republican national committee today in the hope of obtaining the privilege of entertaining the next republican national convention.

Shrewd politics were combined with modern methods of advertising to secure pledges from the more than 100 committeemen who next Wednesday will choose between Detroit, San Francisco, Philadelphia, Cleveland, Kansas City, and others for the place in which the next republican presidential nominee will be selected.

In the meantime however, the committee seemed to show a deeper interest in the national political situation and let their speculations turn to the part to be taken in the next campaign by President Coolidge some of them believing that his position would have a bearing on the selection of a convention location.

They have been told by chairman Butler that the president need not be expected to elaborate on his "do not choose" statement of the Black Hills but many of the committeemen, nevertheless, are looking forward to next Tuesday in the expectation that Mr. Coolidge will clarify the situation when he receives them at the White House. Others are equally certain that the President will add nothing.

Approves Bond Sales

Raleigh, Dec 2.—(AP)—Sale of three and one half million dollars in North Carolina four percent bonds at par has been approved by Governor McLean. The bonds are bought by a New York Syndicate.

FINAL STORIES OF REMUS LIFE SET FOR TODAY

Testimony of George Connors Expected to Consume Most of Today's Session.

Cincinnati, O., Dec 2.—(AP)—The prosecution in George Remus' murder trial today drove at John L. Berger, Los Angeles millionaire in an effort to blur the sharply lined picture of an insane lover slayer he depicted yesterday.

The defense completed its direct examination of Berger with two questions: "Have you formed an opinion as to Remus' mental condition prior to October 6 last when he killed his wife?" asked Charles H. Elston, co-counsel with and for Remus.

"Yes," responded Berger. "Was he sane or insane?"

"Insane,"

Prosecutor Charles P. Taft, II, immediately launched into an effort to pin Berger down to specific dates of his association with and tending to Remus.

"Talking in very plain English, I said December 15 or 16," Berger shot at his cross-examiner after one question. There's no use of your sitting there and trying to puzzle me up, Mr. Taft."

Berger upon direct examination told in detail of his effort to bring about a reconciliation between Mrs. Remus and Remus and the violent outbursts by Remus when the name of Franklin L. Dodge, Jr., of Lansing, Mich., was associated with that of his wife.

Dodge, former agent of the federal department of justice, obtained the evidence upon which Remus, who then deserted his Chicago legal practice to become the "king of bootleggers", was convicted and sentenced to the Atlanta, Ga., federal penitentiary.

Berger proved an evasive witness on cross examination. Calling himself a boyhood friend of Remus, he said he had not seen Remus for eighteen years until they met at St. Louis in November 1925.

Remus then had just been released from the penitentiary.

Cincinnati, Dec 2.—(AP)—The final stories of George Remus' maniacal outbursts were ready for revelation today in his estranged wife, Imogene, here last October 6.

First on the list of defense witnesses, was John S. Berger, Los Angeles, Cal., exposition promoter, who yesterday gave the most vivid descriptions of the score of defense witnesses who have told Remus' activities which made them believe he was insane prior to the time he killed his wife.

Next were two witnesses from St. Louis where much of Remus' activity as the "king of bootleggers" was centered.

After the St. Louis man the defense listed only one witness as intervening before Remus himself took the stand. That was George Connors, for years affiliated with Remus in bootlegging activities.

It was indicated Connors' testimony would require possibly part of today's and all of tomorrow's short session of court.

There was no intimation of the length of time Remus might be on the witness stand, but it was known he planned a detailed description of the thoughts he says haunted and tormented his mind before he was driven to a fit of transitory maniacal insanity which ended when he slew his "beautiful Imogene."

The State made a start yesterday after the trial was thirty-one court days old, toward establishing that outbursts described as maniacal actually were but fits of anger.

Through Willie Haas, Savannah, Ga., former bootlegger, the State brought out that while at Atlanta penitentiary Remus was given to angry outbursts.

Nurse Files Suit Against E. W. Grove

Asheville, Dec. 2.—(AP)—Miss Rubie Delinger, a trained nurse of Warren county, Virginia, today filed suit in Buncombe Superior court for \$100,000 against E. W. Grove, Jr., of St. Louis, alleging that he had "insulted, humiliated, slandered and brutally mistreated" her while she was nursing the late E. W. Grove, Asheville, multi-millionaire during his last illness.

She charges that young Grove circulated "false and defamatory" statements about her conduct with his father in Philadelphia in 1926 and that she was shadowed by detectives employed by E. W. Grove, Jr., while she was nursing his father.

REMUS CASE HINGES ON DRY AGENT

Franklin Dodge, Jr. (above) is keystone of prosecution's case against George Remus, on trial in Cincinnati for murder of his wife, Imogene. Dodge, former ace of federal dry agents, is accused by Remus of plotting with Mrs. Remus against him.

TO CELEBRATE PILGRIMS VISIT TO THIS LAND

Descendants of Mayflower Passengers to Observe Landing at Plymouth.

Charlotte, Dec. 2.—(AP)—The landing of the Pilgrim fathers at Plymouth Rock on the stern New England coast in 1621 will be commemorated here tomorrow by North Carolina descendants of 41 sturdy passengers of the Mayflower, who "for ye Glorie of God, and advancement of ye Christian faith, and honor of our country," sailed a forbidding ocean and braved the rigors of climate and an unsettled land.

An enthusiastic group of the 102 members of the North Carolina society of Mayflower descendants, the only unit of the national society in the southern states, met in Charlotte today to celebrate the glory of their ancestors and to renew their vows to perpetuate the principles of their forefathers.

The Tar Heel chapter is allowed to have members in any southern state, since it is the only official representative of the mother society in the south, and included in its membership are descendants living in Virginia, South Carolina, Georgia and Florida. Dr. Oliver Johnson, of Winstboro, S. S., holds the office of elder in the society.

Fails to Pass Upon Blue Sky Law in N. C.

Washington, Dec. 2.—(AP)—The validity of the North Carolina blue sky laws will not be passed upon by the supreme court at this time.

When the attack upon the laws by the fidelity and deposit company or Maryland was reached for oral argument in the supreme court late yesterday, the court indicated that it must be dismissed because the lower courts had not finally disposed of the case and that it would be necessary for them to try out the issue before it could be raised in the supreme court.

Coolidge Speaks At Dedication

Washington, Dec. 2.—(AP)—President Coolidge occupied the place of prominence today in ceremonies arranged for the dedication of the New Mexico stone in the Washington monument.

With Senator Jones of that state presiding, the program called for an address by the chief executive and the broadcasting of his remarks by a chain of eleven radio stations.

Senator Bratton and Representative Morrow, both of New Mexico and Mrs. Alfred Broussau, president general of the Daughters of the American Revolution, also had places on the speakers' list.

Offers Big Purse For Fight

Barcelona, Dec. 2.—(AP)—An unnamed wealthy sportsman has offered 500,000 pesetas (roughly \$85,000) to Paulino Uscudun, Spanish heavyweight, for three fights with European heavyweights. The contract, if favorable to the fighter, will be signed in San Sebastian by the sportsman and Uscudun's agent.

REPUBLICANS ELECT MOSS FOR LEADER

Party Organizations Prefected for Seventieth Congress at Session Today.

Washington, Dec. 2.—(AP)—Side stepping all controversial matters senate republicans prefected their party organization today for the first session of the seventieth congress and unanimously nominated George Moses, of New Hampshire, to succeed himself as president pro-tempore.

Nominations for two other senate offices, secretary and sergeant at arms, went over until a further conference tomorrow while leaders are considering the proposals of western independents embodied in a program which deals not only with these officers but with the farm relief question.

Only two of the independents attended the conference, Nye of North Dakota and Norris of Nebraska. They have been spokesmen for the group in the meetings with old guard leaders, but did not bring before the party conference matters which were presented to those leaders yesterday.

Whether all of the independents will go along with the regular organization on the vote next Monday for the reorganization of the senate itself depends largely upon what concessions the leaders make after they have considered the program of the independents.

Because of the close division between republicans and democrats in the senate, three or four of the independents could upset the organization plans.

At the party conference Charles Curtis of Kansas was reelected conference chairman and floor leader James E. Watson of Indiana again was chosen vice chairman and assistant leader, and Frederick Hale of Maine was selected as conference secretary in place of James E. Wadsworth of New York, who retired from the senate last March.

Senator Watson again was elected as chairman of the committee on committees which senator Curtis was authorized to appoint. The independent were given one place on this committee, Nye being named as the ninth man. The others in the order of their selection are McNary of Oregon; Moses, Smoot, of Utah; Reed of Pennsylvania; Edge of New Jersey; Gooding of Idaho; and Oddie of Nevada.

Selection of a candidate for chairman of the senate to succeed the late Rev. J. J. Muir was left to a special committee of five which Chairman Curtis is to name. The chairman also is to name the party "whip" and undoubtedly will again select Senator Jones of Washington.

Committees on order of business and patronage also are to be named by the chairman.

Mrs. Theodore Gibbons Declared Not Guilty of Killing Husband in Mass.

Rail River, Mass., Dec. 2.—(AP)—A pale, dark-eyed 23 year old woman, who for nearly two weeks had been on trial for the murder of her husband, Theodore R. Gibbons, mill worker, today was acquitted by a jury which took 10 hours to reach a decision.

Mrs. Gertrude Frazier Gibbons, mother of a five year old baby, wept with joy when the verdict was announced.

Theodore R. Gibbons was found slain in a well at Swansea last May. Mrs. Gibbons, who admitted on the stand that she had lived for six months with Antonio Da Silva, a burly mill fireman, was jointly indicted with Da Silva for the murder.

Da Silva was never brought to trial. He is in a state insane asylum. Witnesses for the state included Mrs. Gibbons' brother, Manuel Frazier, and her brother-in-law while a state detective swore that her son, Herman, had told him that "Tony hit papa over the head and mamma and Tony put him down the well."

"Tony" was identified by the detective as Da Silva. Mrs. Gibbons on the stand denied all knowledge of the crime.

Thousands Attend Showing of Car in Showrooms of John Flanagan Buggy Co.

The new Ford automobile went on display here this morning in the showrooms of the John Flanagan Buggy Company, on Fourth street. Doors to the building were thrown open at eight o'clock and thousands of people were on hand throughout the day to see what the versatile brain of the world's richest man had done in revolutionizing modern automobile industry.

The type of automobile displayed was the Tudor Sedan. It was generally conceded to be one of the best looking cars ever built by the Detroit manufacturer. The distributors had lecturers stationed in different parts of the building, explaining in detail the features that go to make the car modern in every way.

The car used in the display here today was driven in from Norfolk last night. It is the same type car used by several thousand other Ford dealers in their first display. Only a limited number of cars are available for this district at the present time. Mr. Flanagan stated this morning, but it will not be long before distribution will be greater. The Ford motor works at Detroit are increasing production daily, and in a comparatively short time the output will reach normal proportions.

Mr. Flanagan was highly gratified at the interest displayed by the thousands of people who visited the showrooms today, and stated that other models of the new car would be placed on display immediately upon arrival.

Two New Air Mail Services

Washington, Dec. 2.—(AP)—Opening of two new air mail services was announced today by Postmaster General New for December 17. They are the Cincinnati-Indianapolis route and the Buffalo-Cleveland portion of the Albany-Cleveland route.

MARRIED FIFTY YEARS BUT SIMPLY CANNOT MAKE IT ANY LONGER

Chicago, Dec. 2.—(AP)—Fred and Bertha Lehmann won't celebrate their golden wedding anniversary next spring because, they explained to Judge Sabath in Superior court they can't make a go of their married life any longer.

CLAIM BEACH NEVER KNEW SAMUEL PARK

Court Room, Mays Landing, Dec. 2.—(AP)—Counsel for Willis Beach promised today to show that Beach never knew Samuel Park, the circus rariat man who testified yesterday that Beach had confessed to him at Baltimore that he shot and killed Dr. A. William Lillendahl.

By agreement of counsel, Beach was given the first chance to deny himself, although yesterday when the State rested it had been expected that counsel for the other defendant, Mrs. Margaret Lillendahl, would open the defense.

Beach and the widow are jointly charged with the murder of the woman's aged husband, on September 15.

Edison hedges, counsel for Beach, began his opening address to the jury by pointing out the various members of the family.

He promised to show that the Beach and Lillendahl families were extremely friendly and that the friendship lasted until the end of Dr. Lillendahl's life.

Hedges told of both Beach and Dr. Lillendahl having chipped their teeth.

"The doctor gave Beach 'white remedy,'" he said, "that he claimed would cure the chickens in three days. The medicine was administered and the chickens began to die. Beach told the doctor this and they had a few loud words about the efficacy of the cure."

"This was the nearest thing to a quarrel the two ever had. There was some coldness for a time but the friendship soon was resumed."

"The so-called Peggy Anderson notes that passed between Beach and Mrs. Lillendahl will be shown to have been brief and harmless letters that had nothing to do with any illicit intimacy."

"We will bring out that Beach never in his life saw Samuel Park until he took the stand yesterday."

Hedges said it would be shown that Beach could not have been at the scene of the crime and said witnesses would testify that he was in his own home at the time. The attorney took only 15 minutes.

Charles Phillips, attorney of record for Mrs. Lillendahl, pictured the Lillendahl home as a completely happy one and shrugged away the quarrel between Beach and Dr. Lillendahl as of no import.

He said that two negroes were seen in the lane when the killing took place by a woman who will take the stand. Mrs. Lillendahl says negroes killed her husband.

"When you hear the witness, we will produce you cannot believe the prosecution story," he said.

He then asserted that the blood found on Mrs. Lillendahl's garments after the killing came from a nose bleed her little son had had the day before.

He closed after talking ten minutes.

Doty To Receive Freedom Today

Oran, Algeria, Dec. 2.—(AP)—Bennett J. Doty, of Biloxi, Miss., will be released at Sidi Del Abbes, Algeria, this afternoon from serving the remainder of his enlistment with the French Foreign Legion.

Doty, who as Gilbert Clare, served part of a sentence in a military prison for desertion from the Legion in Syria, will be brought here tonight. He will start for Marseille tomorrow.

A Doty will be delivered into the technical custody of Albert H. Elford, American counsel at Oran. Although his freedom from the French military service will be effected at Sidi Del Abbes, he will not be completely reinstated in civilian life until he reaches Marseille Monday as it was at Marseille that he was formally taken into the army as Gilbert Clare.

Two New Air Mail Services Washington, Dec. 2.—(AP)—Opening of two new air mail services was announced today by Postmaster General New for December 17. They are the Cincinnati-Indianapolis route and the Buffalo-Cleveland portion of the Albany-Cleveland route.

MANY CHICAGO OFFICIALS IN VICE SCANDAL

Bombing, Series of Raids and Forty Arrests Feature Crime Wave Today.

Chicago, Dec. 2.—(AP)—The Herald and Examiner today said that "amazing evidence" of collusion between Chicago police officials and politicians and the operators of liquor and gambling resorts has been obtained by the United States government in a secret investigation during the last month.

Every police captain, said the newspaper, has been continually shadowed by federal operatives during the past few weeks.

Ward and precinct committees and their "lesser lieutenants" have been under surveillance.

The newspaper said it had been indicated that a number of indictments already have been prepared, but were being withheld until the government's case is completed. If indictments are to be returned, the Herald and Examiner's information has it, they probably will charge conspiracy to violate the Volstead act.

Government men have learned, the newspaper said, that saloons and gambling resorts have operated only upon the payment of "protection money" which, in some precincts went to "high ranking police officers."

George E. G. Johnson, United States district attorney, declined to comment on the reported government investigation, except to reiterate the comment he made two days ago that the government was "naturally interested" in recent gang grillings which seemed related to violation of the prohibition law.

Chicago, Dec. 2.—(AP)—A bombing, a series of raids, 40 arrests and the slaying of one man were the recent crime developments shown on police records today.

The bombing, raids and arrests, together with the accidental shooting to death of a gunsmith at Springfield, Ill., were linked directly or indirectly, with a Chicago gang warfare. The killing of Fred A. Drullard, 32, however, was believed to have had no gang connection.

Drullard was shot down by three men who wrecked their automobile in a wild fight two blocks from the murder scene. All escaped, but license plates on the motor car provided a clue which police prophesied would lead to arrests.

Drullard was stepping into his own car when he was dropped by a volley from the passing machine. Two bullets entered his body just below the heart. Two revolvers believed to have been the weapons used in taking Drullard's life, were found in a nearby alley. Four snags had been fired from one and three from the other.

The slaying of Drullard was ascribed to friction existing between two factions of the Electrical Workers' Union, Drullard having been active in a group seeking the overthrow of the one now in control. Fred Drullard, an uncle of the slain man of the same name, is a member of the union's executive council.

Three men, all armed, were arrested for questioning. One of them was Joseph Williams, secretary of the union.

The bombing—the eleventh in a fortnight of spasmodic gang skirmishing—was blamed by police of the underworld fight for control of gambling and vice. An unattended pool hall on West Madison street was the place bombed, the explosive being pushed through the "lookout" window in an armored front door. The explosion frightened tenants of the building, but did little damage.

Five police raids were made during the night, all against places credited with membership in a syndicate, the police say Frank Zuta heads. Zuta is presumably aligned with the Aiello-Skidmore group, pitted in the gang conflict against Al Capone and his supporters.

Mike Aiello, a cousin of the Aiello brothers of Chicago, was arrested in a Springfield gun store yesterday following the discharge of an automatic pistol and the resultant death of the proprietor, J. B. Fishman. Aiello was released later, however, when authorities decided the shooting accidental.

Chicago police were of the opinion that Mike Aiello's effort to obtain firearms in Springfield was an indication that the Chicago groups were getting ready to shoot on their differences if peace were failed.

MANY ISSUES TO BE BEFORE LEAGUE HEADS

Dallas, Texas, Dec. 2.—(AP)—Prospective franchise transfers, player trades and managerial assignments today occupied early arrivals for the convention of the National Association of Professional Baseball Leagues here December 6 to 8.

The convention, however, was overshadowed for the present in minds of minor league officials by questions submitted to the national board of arbitration, scheduled to convene tomorrow. Kenesaw M. Landis, commissioner of baseball, was expected to arrive with a party of six Monday.

With the majors demonstrating a willingness to pay record prices in replacing the long list of stars due to pass from the active rosters, the minors faced one of the strongest markets in years in the efforts to retain tested combinations.

Both major leagues have indicated they will send managers here with large bankrolls to fill gaps caused by the announced or probable loss of such veterans as Eddie Collins, Ty Cobb, Walter Johnson, James Fournier and Zach Wheat. John J. McGraw of the New York Giants, Connie Mack, of the Philadelphia Athletics, Dan P. Hanley of St. Louis Browns, and Wilbert Robinson, Brooklyn Robins, are included in the party headed by commissioner Landis, due Monday.

Reservations for arbitration board members include Judge W. G. Peabody, Durham, N. C.; J. C. Pease, Oakland, Calif.; J. C. Toole, New York; J. D. Martin, Memphis; and J. V. Jamison, Jr., Hagerstown, Md.

ARMISTEAD LEADS HIGH SCORERS OF NATION'S FOOTBALL ARMIES

Headed by Jimmy Armistead (upper right), Vanderbilt, the leading football scorers of the various sections are (from upper left to lower right) Harold Almquist, Western Conference; Charles Carroll, Pacific Coast; Glenn Pressnell, Missouri Valley; Joel Hunt, Southwestern; Myles Lane (center), East; Buck Smith, Rocky Mountain.

New York, Dec. 2.—(AP)—The crown for individual high scoring honors during the 1927 football season, has been fitted for the flying thud of Jimmy Armistead, running mate of Vanderbilt's other backfield ace, Billy Spars, in one of the greatest college attacks anywhere.

Armistead in ten games crossed the opposing goal line 22 times to amass a total of 132 points and beat out all major college scoring rivals on his heels in one of the closest races of recent years are Joel Hunt, captain and quarterback of the Texas Aggies, champions of the Southwestern Conference, and Myles Lane of Dartmouth. Hunt scored 128 points in nine games and Lane finished at the top of the Eastern list with 125 points in eight contests.

These three were the big guns in the battle for points, but equal honor, if not as high scoring results, have been awarded to such national leaders as Glenn Pressnell, of Nebraska, in the Missouri Valley Conference; "Shorty" Alquist, Minnesota quarterback, in the Western Conference, and "Chuck" Carroll of the University of Washington, in the Pacific Coast Conference.

Pressnell battered his way through opposing lines for 72 points, Alm-

FIGHTS LAST NIGHT

New York.—Tom Canzoneri, New York, defeated Jimmie Fernandez, Philippines (10). Kid Francis, Italy, outpointed Archie Bell, Brooklyn (10).

Kansas City.—"Tiny" Roebuck, Indian, outpointed Walter Rich, Kansas City (10). Leo Wax, Australia, defeated Larry Cappo, Kansas City (10).

Yonkers, N. Y.—Patsy Buffalo, New York, and Freddie Anderson, Pittsburgh, drew (10). Bud Dempsey, Yorkville, won on foul from Carl Praine, New York (3).

McKeesport, Pa.—Willie Davies, Charleston, defeated Louis Carpenter, Detroit (10). Junito Valdez, Youngstown, Ohio, outpointed Eddie Meyers, Detroit (8).

Wilkes Barre.—Tom Kirby Boston, defeated "Allentown Joe" Gans, Wilkes Barre (10).

Chicago.—Rolaux Saguro, Cuba, and Chuck Burns, San Antonio, drew (10). Lone Tenace, Philippines, defeated Frankie Schaefer, Chicago (10).

Des Moines.—Russie Leroy, Fargo, N. D., defeated Erwin Bize, Omaha (10). Harold (Ace) Plinde, Des Moines, and Red Fry St. Paul, drew (10).

Michigan Arrives For Contest With State at Raleigh

Raleigh, Dec. 2.—(AP)—The Michigan State football squad of 22 players, accompanied by President K. L. Butterfield of the institution, coaches and trainers, arrived today for the battle here tomorrow with North Carolina State.

The varsity with a line averaging in weight about 180 pounds and a backfield around 170, arranged to put in a final workout this afternoon at Reddick field.

Meanwhile, the Wolfpack wound up its extensive training for the contest by taking things easy. Coaches indicated the usual Pack regulars would start the tilt.

FIGHTERS REFUSE TO BATTLE AT CHARLOTTE

Charlotte, Dec. 2.—(AP)—Boxing in Charlotte received somewhat of a setback last night when John Elliott, promoter, was compelled to refund the box office receipts for the several hundred patrons.

The card was ended off and refunds made when Dave Eddleman and Wally Eskew carded as the main bout declined to go on because of the small house. The fighters were working on a percentage basis and figured there was not enough in sight to make it worth while mauling one another about.

Greensboro And Wilmington Will Play Tomorrow

Chapel Hill, Dec. 2.—(AP)—Kenan Memorial Stadium tomorrow will be the scene of the Greensboro-Wilmington high school football state championship clash. The contest will be the first of its class to be played in the new arena.

Neither the Gate City eleven nor the coast outfit have won a championship. Both have impressive records this season's play.

Greensboro reached the finals by eliminating Asheville last week, while Wilmington earned the right to progress by putting Raleigh out of the race.

MANY OUT OF STATE GAMES NEXT SEASON

New York, Dec. 2.—(AP)—Upwards of 20 inter-sectional college football contests are scheduled for 1928, an early round up of next season's gridiron fare revealed today.

New York University's struggle with the Oregon Aggies at New York on Thanksgiving Day will mark one of the longest trips ever undertaken by a student group in the land.

Missouri, winner of the Missouri valley conference championship three times in the past four seasons, comes to New York to oppose the New York University machine on November 17.

Notre Dame will carry the heaviest inter-sectional burden next year with six such battles on the card including teams from the east, south and Pacific coast.

The Rockne eleven will be pitted against the army, navy, Penn State, Georgia Tech, Loyola of New Orleans and the University of Southern California.

Colgate lists four inter-sectional rivals in Michigan State, Will Wabash, Vanderbilt and Virginia Poly. The same number is down for Duke University, which will meet South Dakota, Navy, Georgetown and Boston College.

Syracuse University's slate is flavored with two teams out of its sector Nebraska and Ohio Wesleyan. The lone inter-sectional combat for Harvard will be against North Carolina while Princeton has a renewal with Ohio State.

The University of South Carolina will invade the grounds of the University of Chicago while Alabama will go against Wisconsin.

UNIVERSITY HAS FULL CARD NEXT SEASON

Chapel Hill, Dec. 2.—(AP)—Although official announcement of the 1928 University of North Carolina football schedule has not been made, the Tar Heels are expected to play Harvard, Maryland, Georgia Tech, N. C. State, Davidson, Duke, Wake Forest, South Carolina, Virginia and one other, possibly a southern conference member.

Schedules of Harvard, Wake Forest, State and Duke show that the Tar Heels will be met by these eleven.

Sport Jots

Atlanta, Dec. 2.—(AP)—Georgia Tech's Golden Tornado and the University of Georgia Bull Dogs had their last work out of the season ahead of them today before clashing at Grant Field in store for the winner.

In Athens coach George Woodruff was directing his team for the last time in a drill, the Bull Dog mentor having announced at the beginning of the season that he would retire from coaching duties this year. Now three months after the announcement was made, his team rides high on a championship wave, a tribute to his tutoring ability, promising to crow his long years of patience with possibly a southern title if not a national one.

Coach Bill Alexander at "The Flats," also put his men through their last preparation hour of the season and his team, too, found a claim on the conference rulership within its grasp.

COACHES PICK MYTHICAL HIGH SCHOOL TEAMS

Greensboro, Dec. 2.—(AP)—Two strong teams were selected today by coach Routh, Coltraine and Woodward of Greensboro High School, for all-state mythical honors.

Davant, Greensboro quarterback was chosen captain of the first team and Brewer, Winston-Salem, field general of Winston-Salem, was made captain of the second team. The eleven picked by the local coaches were: First team: Davant, quarterback; Chetty, Lexington, and Britton, Wilmington, halfbacks; Beam, fullback; Blair Greensboro, center; Robinson, Wilmington, left guard; Brown, Greensboro, right guard; Bailey, Raleigh, right tackle; Famer, Wilmington, left end; Williamson, Sanford, right end.

Second team: Brewer, Winston-Salem, quarterback; Kelly, Sanford and Chakales, Asheville, halfbacks; Teague, Greensboro, fullback; Hankins, High Point, left guard; Roberts, Raleigh, right guard; Taylor Greensboro, left tackle; May Wilmington, right tackle; Ford Asheville, left end; Cecil Lexington right end and Gorman, Raleigh, center.

Accepts Challenge

Berlin, Dec. 2.—(AP)—Bud Gorman, Wisconsin heavyweight, has accepted the challenge of Ludwig Haymann, German heavyweight, for a match early in January in Munich.

Gorman, who came to Europe last summer, and sprained his knee in a bout with Harry Person, Swedish champion, gave an exhibition here last night.

John Flanagan Buggy Co.

"Taking everything into consideration, the modern fiduciary is not only best but actually costs less."

An informal conference—any time—will show you how you can to advantage avail yourself of this responsibility and trustworthiness.

- (1) Responsibility
- (2) Trustworthiness

If this institution should be appointed as executor of your estate, it would put into its work, the judgment and skill of many men.

It would not suggest an investment or make a business move, without having fully determined the wisdom of it.

As an organization, it would be impartial; it would not sicken or die—because it has too many officers and employees to do that. It is perpetual, strong, and has bonded, able and discerning officers.

All these characteristics make this institution RESPONSIBLE AND TRUSTWORTHY; more so than it would be possible for any individual to be, regardless of his learning or relationship to your family.

Philathia Class Winterville To Have Supper

The Philathia Class of the Winterville Baptist church will have a supper on Saturday, Dec. 3rd from 8 o'clock at Ange's store.

Entertains at Bridge On Thursday evening Mrs. Wallace Jones delightfully entertained a bridge in honor of her house guest, Mrs. Arch Jones, of Roxboro. At the conclusion of the games a tempting salad course was served. Lovely gifts were presented. Miss James J. Knott Proctor and Arvey Turnage for high and low scores. The guest of honor was presented a beautiful boutonniere. Special guests were Mesdames Harry Turnage, Marvin Horton, William Bryan, Jr., and Jess Spenser, Farmville, and Mrs. Arch Jones, Roxboro.

WOMAN'S CLUB ADDRESSED BY DR. YODER

The Woman's Club held a very interesting meeting in the Evans street school auditorium on Thursday afternoon, with the Parent-Teachers association as guests. The second grade under Miss Christine Johnson, sang a health hymn and gave a very attractive health play.

A short business session followed, during which the chairman of several departments made reports. Mrs. Carr stated that the library committee had purchased a number of new books which would arrive about Christmas, and would be put in circulation as soon as possible as the name plates were wanted in.

Mrs. Moore announced that the literary department would hold a men meeting on January 26, 1928, at which time Miss Nell Battle would be the principal speaker. Mrs. Moore also stated that the executive board had decided to postpone the celebration of the club's tenth birthday until April 20, 1928, and at that time the eleventh birthday would be observed.

The garden club is sponsoring the outdoor Christmas tree and everyone was urged to celebrate Christmas this year with an illuminated tree in the front yard, in order to aid in following out one of the aims of the tree conservation campaign now being carried on in the larger cities. Stickers which are used as propaganda in this campaign were shown by Mrs. Austin who stated they had been purchased by the garden club. These were distributed among the club members present, with the request that they be used on letters so as to help spread the idea of the conservation of holly and Christmas evergreens. This department has planted shrubs and bulbs in the plot on Fifth street and asked that anyone having a surplus supply would donate some for the beauti-

fication of this plot. Mrs. White reported that all officers in her department had been secured and the cemetery was being cared for properly.

Miss Ferguson, as chairman of her department, is planning to have a model home built in the city and to have it furnished co-operatively by the town and county women.

The meeting was then turned over to Mrs. Ailsbrook, chairman of the health department, who reported that the medicine chests had been delivered to the schools and that the Christmas seals were all distributed. She urged everyone to sell enough to reach the goal for this year. Mrs. Stroud read a prayer on health, after which Dr. Yoder who is conducting the tuberculosis clinic now in progress in the city schools, and which will be financed by the Woman's Club through the sale of Christmas seals, made a most helpful and instructive talk on tuberculosis, explaining the advantages of the tuberculosis test, and what North Carolina hopes to accomplish by means of it in the years to come.

JUNIOR KING'S DAUGHTERS TO MEET TOMORROW

The Junior King's Daughters will meet tomorrow afternoon at 3:30 o'clock with Miss Dorothy White.

MRS. J. J. LITTLE HOSTESS TO U. D. C.

The George B. Singletary chapter U. D. C. was most delightfully entertained by Mrs. J. J. Little at her home on Fifth street, Wednesday afternoon.

The new president, Mrs. H. Frederick Jones, presided, calling the meeting to order, and opening with the U. D. C. ritual. Several items of business were easily dispatched, the most interesting of which were the annual Christmas donation to the old soldiers at the Veterans' Home at Raleigh, ten dollars, and our adopted veteran at Raleigh, five dollars. These annual Christmas gifts of the chapter serve a two-fold purpose, bringing these dear people nearer to us and taking a bit of Christmas cheer to the aged and infirm.

The recent meeting in Charleston, S. C., was ably reported by Mesdames J. W. Goodwyn, of Philadelphia; J. L. Fleming and T. A. Person. Mrs. Goodwyn told of the financial side of the organization being a member of the board of finance. The organization handles more than a hundred and fifty thousand dollars a year, over and above the amounts the various chapters spend for local purposes. These reports brought out that there were over five thousand new

MRS. C. M. WARREN

ENTERTAINS AT BRIDGE

Mrs. C. M. Warren delightfully entertained the members of her bridge club and a few other guests yesterday afternoon at her home on East Ninth street. The home was decorated with autumn leaves.

Mrs. L. H. Bowling, making high score for the club; Mrs. James Picklen, high score for the visitors, were given rose leave sachets. Mrs. George Sharpe, of Burlington, and Mrs. Sidney Caswell of New York, were also given sachets.

A tempting turkey course was served at the conclusion of the game.

MR. J. H. WOOLARD RECEIVES PAINFUL INJURIES

Mr. J. H. Woolard received painful injuries yesterday while he was at his farm. He was helping put out a house on fire during the time a gun exploded, the bullet striking him in the face and causing painful injuries. He is getting along as nicely as could be expected.

MR. DAVIS SPEAKS TO AUXILIARY

The Auxiliary of the Pitt County Post of the American Legion last evening at the Rotary club building, with Mrs. K. B. Pace and Miss Hattie Wheeler, hostesses.

Mr. C. W. Davis, of Kinston, gave a very interesting talk on his recent trip to Paris with the second A. E. F. Mr. Davis told of his trip from the time his ship left Norfolk—the points of interest he visited in Paris and other places, the reception given the Americans by the French people. His talk was very much enjoyed by the Auxiliary and several visitors. Mrs. J. Knott Proctor, in her usual lovely voice, accompanied by Miss Mary Bertolet, sang two solos.

An ice course was served at the conclusion of the program.

ABOUT TOWN

justice is forgotten and the mob spirit reigns supreme and it is blood that the mob wants whether or not justice toward their victim is done.

Most every state has laws against mob rule and lynching and the sooner each state sees to it that breakers of this law are given the full limit of punishment, the sooner we will be rid of the evil of mob spirit. There are laws covering every kind of crime and regardless of the degree of crime every criminal is entitled to a fair and impartial trial by his peers. There is in a civilized country no place for the mob spirit and every effort should be taken to obliterate this form of barbarism.

Young Horsemen Succeed
Owatonna, Minn. (AP)—A 16 and a 14 year old harness race driver have completed a successful season at state fairs in this section. They are Derald Maher, 16, and his brother, Dillard, 14, of Owatonna. Derald has driven for three years and Dillard for a year.

Dog Hunt in Tokyo
Tokyo, (AP)—December has been set aside by the police for a drive against thousands of homeless dogs which roam about the streets and alleys. Hundreds of canines are starving most of the time.

Call Phone 692, Eureka Laundry.

"The closing of the doors of the Bank of Ayden is no indication of unground business conditions in this section of the state," a man high in prominence of the community stated today.

"It is one of many cases throughout the county where uncollected loans and falling off of deposits caused directors to take steps to protect those who had faith in their integrity.

"The Bank of Ayden is headed by some of the most responsible men in the county, and their action in closing doors of the institution in time to prevent a loss to depositors is most commendable."

Virtually all stores of the city have completed their decorating for Christmas. There may be a few that have procrastinated, but they are conspicuous for their paucity.

"Business men of the present day believe in advertising," one of the pioneers of the city's business circles said today. "That's the reason you see so many different stores playing on their Christmas goods. They realize that the only way to sell is to let the public know what you have to offer in the most attractive manner."

By next week every store will look like the personal workshop of old St. Nick, patron saint of millions of children scattered over many lands of the world. And many a girl and boy will look at brilliant, brightly lighted shop windows and turn home and dream the kind of

dreams that really make life worth the price.

"Business has been fairly satisfactory during the protracted spell of unseasonable weather," declared Curtis Perkins, head of the local clothing establishment, bearing his name.

"However, with the advent of real winter we expect to see a decided revival in business circles. The public demand for clothing during unseasonable weather is always less than it is under normal weather conditions. People simply wait until weather forces them into seasonable clothing, and shopping as a consequence is usually done in a rush."

The opinion of Mr. Perkins has been expressed by other prominent business men of the city. They unanimously agree that things will "pick up" when winter's icy hand reaches this locality.

K. W. Cobb, secretary of the Greenville Tobacco Board of Trade today received a letter from a high school student at Laurence, Mass., requesting samples of tobacco grown in this section so he may use them in his class work.

Mr. Cobb said he would comply with the request immediately, as he wanted people everywhere to know that the cream of bright leaf is produced in this county—the largest tobacco producing county in the world.

The Greenville market has conducted an intensive advertising campaign this year, Mr. Cobb said, and this has been instrumental in bringing hundreds of inquiries as to the resources and possibilities of Greenville and Pitt county.

Members of the garden club of the Woman's Club have planted a cedar tree in the triangular plot at the west end of Fifth street. In due time the tree will be decorated and will be one of the many living

Christmas trees to be in evidence during the holiday season.

The Woman's Club, co-operating with the Merchants Association, is sponsoring the placing of living Christmas trees along Evans street and Dickinson avenue, several days prior to the Yule-tide season.

"These trees will be electrically lighted and should do much to beautify the city," members of the club said today.

Citizens have been urged to plant Christmas trees in their front yards so they may be decorated annually. Numbers have signified their intention of doing so, and it is expected that in the course of a few years the city will be a veritable forestland at night during the holiday season.

Farmer Underwrites Highways
Alberta Lea, Minn. (AP)—When a township near here decided to gravel every township road, Henry C. Hanson, a farmer, bought the entire bond issue of \$20,000 to cover the work.

Land Sale
By virtue of a decree of the Superior Court of Pitt County, made in Special Proceedings No. 2830, entitled J. P. Davenport, Admr. vs. P. E. Davenport, Arthur Davenport, et als, the undersigned Commissioner will sell at public auction, on the premises in Pictious township, on Wednesday, December 14, 1927, the following described tract of land:

Lying on the north side of Grindle Creek, adjoining the lands of the late Benjamin Belcher, W. W. Little, Geo. E. Little, J. H. Satter-

houses and others, containing 900 acres, more or less, and being the same land conveyed to J. B. Davenport by William Grimes, Apr. 23, 1883, by deed recorded in Book D-4, page 572. This tract of land will be subdivided and sold in several small lots.

Also will sell before the court house door in Greenville on Thursday, December 15th, 1927, that tract of land in Pictious township, known as the David Langley home place.

Known in the division of his lands as lot No. 5, which was assigned to Marina A. Langley, beginning at the last corner of lot No. 4 on Grindle Creek, running thence S. 18 1-2 degrees W. 188 poles to the Creek road; thence down said road 120 poles; thence north 27 E. 148 poles to the run of said Creek; thence up said Creek to the beginning. Containing 135 acres, more or less.

Terms of sale: All of said lands

will be sold one-third cash, balance payable in one, two and three years. Sale of the Grimes land at 11:00 a. m.; sale of the Langley land at noon. This November 30th, 1927. J. P. Davenport, Commissioner. P. G. James & Son, Attys. Dec. 2-11a-2p.

WORSE THAN A SHOTGUN

"I had rather turn a drunken man loose on the highways with a loaded shotgun than with an automobile," Judge John M. Oglesby said in Buncombe County Superior Court after a jury had returned a verdict of guilty against a defendant for driving an automobile while under the influence of liquor, states an Asheville dispatch. "With a shotgun," the jurist continued, "he possibly would kill but one man, but in an automobile he could kill more." If all judges felt that way about it and gave sentence accordingly, driving an automobile while under the influence of liquor might become a less popular pastime.—Lumberton Robersonian.

GOV. BYRD IS RIGHT

Governor Byrd in his declaration yesterday that Virginia would not countenance the lynch law and that the occurrence near the Virginia-Kentucky border was "a dastardly and cold-blooded crime" was expressing what should be the attitude of every chief executive in the nation. When a mob gathers with the idea of taking justice in its own hands, just at that moment

First Performance Of "The Blue Bird" Brilliant Success

The first performance of "The Blue Bird" was a brilliant success. The "Seniors" of East Carolina Teachers College covered themselves with glory...

The real world and the dream world were well shown in the contrast of the opening and closing scenes in the woodcutter's cottage with the beautiful dream scenes in the fairy world...

The music by Miss Gorrall's orchestra, "The Varabond" between the acts, helped to create the dream-like effect.

Miss Inez Vandyke as Tyltyl, and Miss Rosina Pittman, as Mytyl, the little brother and sister, always on the scenes were splendid throughout.

"Cat" and "Dog" with their realistic costumes and excellent acting were so real all the grown up children in the audience felt they were indeed real.

Bread, Fire and the other elements acting as human beings furnished fun as well as symbolism. "Sugar" had long fingers of real peppermint sticks made to order.

The scenery and lighting effects were entrancing. The dances were light and joyous.

Only half the students attended last night and most of these sat in the gallery so as to have the best seats for the guests.

The second and last performance will be this evening at eight o'clock.

Lost: One Blackjack Louisville, Ky. (AP) - Lots of persons lose things at Churchill Downs during the races here.

Now comes the City of Louisville with the following advertisement in a local paper: "Lost: Blackjack at race track Monday. Reward. Detective department, city hall."

Politicians Meet With President

Washington, Dec. 2.-(AP)-A number of republican and democratic congressional leaders were guests of President Coolidge today at the resumption of the White House breakfast conferences inaugurated during the last session of Congress.

Those participating were senators Curtis of Kansas, Watson of Indiana, Smoot of Utah and Warren of Wyoming; republicans; Robinson of Arkansas, Harrison of Mississippi, Democrats; Representatives Madden of Illinois, Green of Iowa, Snell of New York, Burton of Ohio, republicans, and Garner of Texas, democrat.

SCHOOL TEACHER DROWNS NEAR BURNSVILLE, N. C.

Burnsville, Dec. 2.-(AP)-Miss Cora Ferguson, 20-year old teacher, on her way to the Pensacola high school, near here, to begin her duties for the day, fell into Cane river and was drowned.

Miss Ferguson was a daughter of J. J. Ferguson, of Bald Creek.

GAMBLE CONCERT PARTY TO GIVE RECITAL MONDAY

On next Monday evening the Gamble Concert Party will give a music recital at East Carolina Teachers College, which will be the fifth in the series of fall entertainments.

This will be the third and last musical program for the fall. This is included in the series for season tickets.

Two years ago this company gave a recital here that was specially pleasing to the girls in the college, and was well received by the few others who heard it.

STEAM SHOVEL OPERATOR ACCIDENTALLY KILLED

Asheville, Dec. 2.-(AP)-H. W. Blackwell, steam shovel operator for Kelly and Wilson, contractors, met instant death yesterday when he climbed to the top of his crane to remove a high tension wire.

According to witnesses Blackwell had been warned by the foreman not to attempt to lift the wire, but to wait for employes of the power company.

Blackwell came here from Winston-Salem about three months ago.

Now is time to buy your auto license. Buy them at Exide Service station.

Notice of Resale of Land

By virtue of a order of the Clerk of Superior Court of Pitt County, signed on the 30th day of November, 1927, in Special Proceeding No. 2614, ordering a resale of the land hereinafter described, the undersigned Commissioners will on Monday, the 19th day of December, 1927, at 12 o'clock, noon, be-

for the court house door in Greenville, expose to public sale the following described tract of land.

Being and being in Beaver Dam Township, Pitt County, N. C. and beginning at a stake on Public Road, and runs South 69 West 3240 feet to Little Contentnea Creek; thence with said Creek Northwesterly 9 1/2 corner, thence North 51-30 East 2560 feet, thence North 26-30 East 165 feet, thence North 41-30 East 79 feet, thence North 55-15 East 231 feet to said road, thence with said road a Southerly course 1339 feet to the beginning, containing 53 1/2 acres, being lots 1 and 2 of the C. S. Forbes subdivision, map of which is recorded in Map Book 1, page 59 of the Pitt County Registry, to which map reference is hereby made. It being the same land which was conveyed to J. B. Hagans by R. H. Parker and the same land conveyed to J. H. Leggett by J. B. Hagans and which deed is recorded in Book 8-12, page 495 of the Pitt County Registry.

Terms of sale, one-half cash and the balance in one and two years, the deferred payments to be secured by a deed of trust on the land, sale made for division between the heirs and widow of J. H. Leggett, deceased.

This the 1st day of December, 1927. R. T. Martin and Julius Brown Commissioners Dec. 2-11w-4w.

Land Sale By virtue of the power of sale contained in that certain deed of trust executed and delivered by J. R. Tyson and wife to Albion Dunn,

Trustee on the 21st day of December, 1927, which was recorded in Book B-15, page 729, in the Office of Deeds of Pitt County, the undersigned Trustee, will sell for cash at public auction before the court house in Greenville, on Saturday, December 31st, 1927, the following described two tracts of land, to-wit:

FIRST TRACT: Lying and being in Belvoir Township: Beginning at the cross of the road and Beaverboro Canal, in the center of the bridge, and running with said road N. 21 W. 400 ft. to a stake in the road; thence S. 39-30 W. 2120 ft. to the bank of Tar river; thence down Tar river about 310 ft. to a Sycamore; thence N. 54 E. 1214 ft. to the canal; thence with the canal up its various courses to the beginning. Containing 16 acres, more or less.

SECOND TRACT: Being a part of the P. J. Cobb Beaverboro Farm. Beginning at a bridge on the Greenville-Tarboro road; thence N. 70 E. 191.1 ft. to a top in the canal; then N. 50 E. 1442 ft. to a post, an elm; then S. 19-30 E. 453 ft. to a stake; thence S. 34-30 E. 413 ft. to a stake; thence S. 6 E. 361 ft. to a stake, near Brewer's line; thence S. 55-45 W. with Brewer's line to a said road; thence with said road to the beginning. Containing 483 acres, more or less.

The said Tyson having failed to make payments, the owner of the debt has requested the Trustee to foreclose.

This December 1st 1927. Albion Dunn, Trustee P. J. James & Son, Attys. for owner of debt. Dec. 2-11w-4w.

Ends with 'FORBES AND MORTON, Owners and Proprietors LEADERS'.

Bill Rogers Is Guest of Calles

Mexico City, Dec. 2.—(AP)—Will Rogers is traveling today as guest of President Calles of the latter's tour northern Mexico. "I didn't come to Mexico to find comedy in government—there's plenty of that in Washington," he added. "I am the only man who has been to Mexico without any of the obvious intentions. One, to write a book on Mexico. Two, to tell the Mexicans how to manage their country. Three, to mix in politics; because there is plenty of them in my country. Four, to buy a serape (Mexican blanket). Five, to eat chile and tortillas, since they make them better in Mexico because he had crossed the country without finding a windmill." Rogers arrived from Mexico City on the Presidential train. He was welcomed by Arturo Saracho, mayor of Mexico City, who expressed pleasure in shaking the hand of his American colleague. Rogers, in reply, promised Saracho that he would be able to converse with him in fluent Spanish in three days because for the past three days he had been deciphering a book called "How to learn Spanish in eight days." He requested newspapermen to announce that he was not coming to Mexico as mayor or diplomat, but less as a presidential candidate. His only purpose, he said, was to amuse himself.

AMERICAN AMBASSADOR TRAVELS WITH CALLES ON SPECIAL TRAIN

Mexico City, Dec. 2.—(AP)—Inaugurating what is regarded as another step forward in Mexican-American relations, Dwight W. Morrow, American ambassador, and President Calles were traveling today on the Presidential train on an inspection tour of Mexico. This is the first time that a Mexican executive has invited an American envoy to accompany him on such a trip. Observers believe that the trip will consolidate the friendly relations between the ambassador and the President which were started

SPRING IS MEMORIAL TO RED CROSS HERO

Columbus, Ky., Dec. 2.—(AP)—A memorial to Earl Kilpatrick, Red Cross director of reconstruction who lost his life during the Mississippi flood, has been dedicated in a new town site of Columbus. Flood waters of the mighty river have driven this little town from its place by the Mississippi to a site on a nearby high bluff, and here is a clear, cool spring which has been selected as the Kilpatrick memorial. A bronze tablet is being prepared to mark the tribute. Kilpatrick was killed in an airplane crash while on a trip over the flood district last May 30.

Schalk May Manage Sox

Chicago, Dec. 2.—(AP)—The nearest to an announcement that Ray Schalk will manage the Chicago White Sox again next year was the statement from White Sox headquarters today that Schalk will accompany a party of Sox officials to the minor league convention at Dallas next Monday. Pressed for a definite statement on the management, president Charles Comiskey said there was no need for any announcement about the Sox manager "with an incumbent."

INVESTIGATES DEATH OF RALEIGH MAN

Raleigh, Dec. 2.—(AP)—Investigation into the death of John F. Makepeace, Jr., of Raleigh, killed in an automobile collision here last night, was conducted today by Coroner M. L. Waring. Drivers of the two cars which collided, resulting in fatal injuries to the youth, were Dr. Robt. M. Olive, Fayetteville, and W. W. Whitaker, Raleigh. Both posted \$500 bond.

Tenant Acquitted Of Murder Charge

Atlanta, Dec. 2.—(AP)—After a four-hour jury deliberation, a tenant on a farm near Atlanta was acquitted last night of the murder of Owen Carruthers, who was found dead on the farm several weeks ago. In his statement to the jury, Trolinger denied any knowledge of the killing, charging that he had been made a victim of "liquor ring" seeking to cover up its guilt. Three witnesses had testified for prosecution that they knew of slaying and one of them, John Kitchens, said he was an eye-witness. Kitchens charged that Trolinger struck the negro on the head with a hammer after shooting him. Two witnesses testified they saw Trolinger and Millard T. Allen dispose of the body. After being freed on the charge of murdering Carruthers, Trolinger was returned to jail where he was held for the murder of Allen who was killed in October. Trolinger has claimed that he killed Allen in self-defense.

How is time to buy your auto

Buy them at Exide Service Station.

TOMOBILES CLAIM TWO MORE LIVES

Charlotte, Dec. 2.—(AP)—Auto accidents claimed the lives of two people, both boys, yesterday in different sections of the State. Arthur Bivens, 10-year old Goodville boy, was killed instantly when struck by an automobile as he was returning from school. The driver, Frank P. Helderman, of Mount Airy, posted \$1,000 bond pending an investigation. John F. Makepeace, Jr., 18, of Raleigh, died enroute to a hospital after the machine in which he was riding was struck by one driven by R. M. Olive, Fayetteville. Driver, W. W. Whitaker, driver of the automobile in which Makepeace was passenger, posted bond with Dr. Olive.

Bank Auditor Dead

Winston-Salem, Dec. 2.—(AP)—L. Singletary, 47, assistant auditor of the Wachovia Bank and Trust company, died suddenly at home here last night. Mr. Singletary retired about 11 o'clock, apparently in good health. Heart attack is believed to have caused his death. He was a graduate of Wake Forest and for several years taught in North Carolina. He has, for the past 16 years, resided here.

Market Report Cotton--Stocks--Grain

COTTON.
New York, Nov. 2.—(AP)—The cotton market showed continued steadiness today on trade buying and further covering of shorts which appeared to feel uncertain about the probable showing of next week's government crop report.
An opening advance of 7 to 12 points was followed by slight reactions but the afternoon market firmed up again and showed net advances of 12 to 16 points.
Futures closed steady, 24 to 30 points higher.
Spot steady; middling 19.90.
Open High Low Close P. C.

GRAIN.
Chicago, Dec. 2.—(AP)—With Liverpool wheat quotations unresponsive to yesterday's advance here, the Chicago wheat market averaged lower in the early dealings today. Bearish estimates of the Argentine exportable wheat surplus were ascribed as a reason for the relative weakness at Liverpool. Starting unchanged to 5-8c off, wheat later held near to the initial range. Corn, after opening at 1 1/2- to 5-8c advance, declined to bid yesterday's finish. Oats were firm. Provisions scored material gains.
Corn closed strong 1 1/4 to 1 3/8 net higher. Wheat unchanged to 7-8 up, oats at 1c to 1 3/8c advance and provisions unchanged to a rise of forty cents.

COTTON SEED OIL.
New York, Dec. 2.—(AP)—Cotton seed oil closed firm; prime summer yellow 10.30; prime crude 8.75 to 9.00; January 10.58; February 10.65; March 10.82; April 10.88; May 11.03; June 11.13; July 11.20; December 10.31; sales 25,500.

STOCK MARKET.
New York, Dec. 2.—(AP)—Heavy week-end profit taking, and occasional bear selling, imparted some irregularity to the price movement in today's stock market, but the main tendency seemed to be upward. Trading was again in enormous volume, but the ticker kept fairly close to actual market quotations.
Some of the selling undoubtedly was inspired by the raising of the call money renewal rate to 4 1-3 per cent, and the belief that the rapidity of the recent advance in many issues had weakened their technical market position and made a downward readjustment of value inevitable. Investment interest appeared to shift, temporarily at least, from the industrial to the railroad with Canadian Pacific, which soared

Children of Pre-school Age Need Vitamins

The child of pre-school age needs special nourishment to build a strong body in preparation for the strenuous days of instruction that are ahead.

Many mothers have been gratified at seeing their frail, under-nourished children become vigorous and strong through the consistent, regular use of emulsified cod-liver oil.

The millions of easily-digested, vitamin-rich, mist-like globules of emulsified cod-liver oil that are in every bottle of Scott's Emulsion are the source of its great power to nourish the body and build health.

If you would assure your child the utmost vitamin-benefit from cod-liver oil—give it in its emulsified form, as in

SAYS LEAGUE OF NATIONS INEFFECTIVE

Jugo Slavian Representative Declares Protection of League Is Inadequate.

Geneva, Dec. 2—(AP)—Germany today made what is generally regarded here as an opening step in a campaign for eventual revision of the treaty of Versailles.

Speaking before the security committee of the preparatory disarmament conference at today's session Count von Bernstorff, the German delegate, declared that any study of the means of promoting international peace through the strengthening of international security should give importance to article 19 of the league covenant.

This article declares that the league assembly may from time to time advise consideration by members of the league of treaties which become inapplicable and consideration of international conditions whose continuance might endanger the peace of the world.

Although the German ambassador did not mention any specific treaties, his remarks were generally taken to be the first official reference of revision made by the German government.

A commotion was caused among the delegates by the reference and comment among them as they left the meeting, indicated the existence of a general conviction that Germany had made an opening of a drive for the alteration of the Versailles document.

Geneva, Dec. 2—(AP)—The tension in southern Europe caused by rivalry over Albania had an echo in today's session of the security committee of the preparatory disarmament conference when M. Markovitch, Jugoslavian representative, cited the case of Albania as proving that the existing League of Nations system of guarantees was absolutely inadequate.

M. Markovitch recalled that Albanian independence has been solemnly guaranteed by the great powers and that Albania, as a member of the league also, was likewise guaranteed territorial integrity. Yet Albania felt that her national security was so feeble that she believed it imperative to have recourse to special alliances with Italy.

Apparently, declared M. Markovitch, neither Albania nor Italy deemed league protection sufficient. He added that Jugoslavia only desired to continue friendly relations with Albania.

Count von Bernstorff, the German delegate, caused a sensation when he declared that any reform as regards international security should not fail to give due importance to article 19 of the covenant of the League of Nations which provides for the revision of international treaties.

The former German ambassador to the United States did not mention the contents of this article, merely referring to No. 19, and when the words fell from his lips there was an immediate stir among the delegates many of whom turned around or leaned across the tables to whisper excitedly to their neighbors.

Although the German delegate made no specific reference to any particular treaty, the delegates immediately deduced that he was referring to the treaty of Versailles.

Having quietly launched his bomb concerning the revision of treaties, Count von Bernstorff went on to emphasize that everything should be done to prevent war and to find means to settle peacefully every conceivable international dispute. He said he was convinced that the covenant of the league does not furnish sufficient security to the

Cabbage Plants for Sale

Millions of thoroughbred frost proof cabbage plants for sale of the following variety

Selected extra early, which is the earliest cabbage grown, early Jersey Wakefield and Charleston Wakefield at prices below:

nations and should be revamped or strengthened.

Latin America, through Valdes de Mandeville of Chile, took issue with Count von Bernstorff. The Chilean delegate said that he was in agreement that there should be study of the articles of the covenant but as contained in the original document handed the delegates as a basis for examination of the question of security. These articles did not include article 19.

The Chilean speaker urged that careful study of treaties of arbitration concluded in Latin America be made, believing that these treaties offered much that was helpful. He remained that the peaceful situation of Latin America did not make the security problem a vital one there, but assured the delegates that Latin America would collaborate earnestly in the security negotiations.

The problem of future work approved by the committee has been divided under two headings: (1) Arbitration treaties and (2) security arrangements. The program includes a study of the means of promoting such words and suitable ways of coordinating such agreements so as to bring them in harmony with the league covenant.

and look into the Ford method.

Wall street tape, the little piece of white paper that runs through the ticker, was twenty minutes behind yesterday, could not keep up with the extraordinary speculation.

Stocks called up again, steel, motors, etc. Three million shares were bought by somebody who evidently believes the time for that "necessary slump" has not yet come.

James Speyer's statement, that prosperity is our normal condition just as health is the normal condition of a healthy man, as long as he abstains from foolishness, is the best description of this fortunate land.

Sudbury, in good Massachusetts, and its town council mean it when they demand President Coolidge for a second elective term. In fact, they go further, voting 6 to 1 to double his salary and make him President for life, Irving A. Priest, Boston banker, head of Sudbury town committee, says the real Uncle Sam has come to life in President Coolidge, who is "thin, sharp featured, grim, wellberate, cool, firm,

patient, sagacious, tolerant, kind, christian."

Mr. Coolidge is all those things and some others, but he agrees with George Washington that the people don't want any president for life, not even if the angle Gabriel came down and offered to take the job.

A monument to Theodore Roosevelt will be erected above the Culbra Cut overlooking the Panama Canal. Roosevelt deserves the honor the monument should be a fine one.

All his interesting talk, advising women to have nineteen children, etc., will be forgotten, but

the fact that he put through the Panama Canal will NOT be forgotten. In that he rendered his country great service.

President Coolidge, a man of few words, regrets that his message to Congress could not be shorter. Madame de Sevigne wrote to her daughter, "if I had more time I should have written you a shorter letter." Considering the field covered the President's message will be found shorter than most men could have made it. His "I do not choose" proves ability to say much in a few words.
