# FVFRY DAY.

I bless the Christmas you gaverne this Kelvinator

"Happy as I was, I didn't fully realize just what it would mean to me.

"Day after day, it has unfailingly kept our food fresh and wholesome. And I never dreamed how much work it would save me."

Far more important than its convenience, or the economies it makes possible, is Kelvinator's absolute dependability of operation. Certain, unfailing temperatures, regulated to keep food properly.

In thousands of homes, for years Kelvinator, oldest domestic electric refrigeration, has earned its reputation by pro-

ducing consistent, trouble-free refrigeration. Your home, too, can enjoy Kelvinator this

Christmas—and for many more to come. \$20 down will bring it to you, with the remainder on our convenient time payment plan.

Our special Christmas display will interest you.

## For Christmas

"This tiny Tavannes keeps such accurate time

THE young miss of today goes to business, the theatres, catches trains, attends club meetings, etc. Like the busy business man she needs an accurate watch. But to suit her taste in dress the watch must be dainty. How to make watches that are both tiny and accurate was solved long ago by the great Tavannes factory. In Cairo, Paris, London, Tokio, everywhere—diminutive Tavannes watches with their marvelous accuracy are the delight of discriminating women. The Tavannes is a distinguished watch and its cases are the finest in style

STOCK MARKETS New York, Dec. 12,-(AP)-Spec ulative sentiment was distinctly bullish in today's stock market. Weed-end consideration of the St. Louis federal court decision in the celebrated St. Louis and Ofallon care allayed some of the fears aroused by the initial reports and revided hopes that more favorable consideration to the railroads arguments would be given by the United States Supreme court to which the case will be taken. The tibes peciedly large increase in the No vember unfilled orders of the Unit ed States Steel Corporation which were made public at the close of the market on Saturday and Ser retary Hoover's optimity view this a solution may be found for over-production problem in the Tx Corp 52 3-4 oil industry also helped to create a more favorable sentiment.

.....12.50

Revival of excited speculation in the amplane thares was based on the interest shown in the proposed Lindbergh flight to Mexico and expectations of a substantial growth in commercial air route development pext year.

The closing was mitting. Tota. sales approximated 2,500,000 shares

### SENATE FOLLOWS HOUSE N BY VOTING MEDAL TO COLONEL CHAS, LINDBERGE

Washington, Dec. 13 -- (AP)--The senate today followed the action new tax reduction bill failed to of the house in unanimously voting tweather the first material attack the congressional medal of hono made against it today in the house Colonel Charies A. Lindbergh. when an amendment was adopted Senator, Bieard, Como dat, South to provide for a slash in the rates Carolina, however, brought up the question of the legally or conferring the medal on Color i Lind bergh. Although in favor of the action, he was of the opinion that bonor could be contered ealy on men who won it in action. explained that an act of Congress three blanket schedule as follows: bestowing the medal was legitimate and the senate proceeded to bestow it without further delay.

NEGRO CLEARED OF KILLING CHILD

## D. W. Simms Delivered Two Address at County S. S. Gathering Yesterday.

Hon, was the principal speaker last Hamburg bootleggers. Greenvale Counsilip Meeting Three of the Sunday pla to drank nothing but water. School's Greatest Needs." He pre-

Delegates from every Sunday ed much enthusiasm in the prog- headsman will wear hereafter, ress and development of Sunday School activities. The opening ses-

Taternacle Baptist church, said to # the largest Sunday school class in the state, was to have been the meinal speaker at the opening ression, but unavoidable circumtimbues prevented him from ming of engagement. The convention will be brought to a close tonight with election of officers and adby Mr. Simms and Miss Al.

The address of Mr. Simms last night was preceded by an informative talk by Miss Ione Alverson, of Raleigh, Young People's Superinengent of the North Carolina Sun-School Association. She used her rub not, 'The New Day in Principles Education." This new day in the religious field can be conas ancut by application of the car trivances in thods of Sunday work. She advocated trainofficers, intensive organization ans, soog literature, and a general desire of a congregation to take their Bunday school what it

Attandence upon teachers trainar schools conducted from time cd outside time is the best way in the corld for teachers to prepare them neives for the great work ahead of Complete Plans them. They got new ideas of the great scope of work of the religious women who are doing things for themselves and the com-

munities they serve."
She told of the development of Sunday school activities of among all denominations giving figures of the progress of different phases of the work. She urged more interest in the Sunday School, declaring it would result in decided improve-

serious trouble. You can stop them now with Creomulsion, an emulsified creo-sote that is pleasant to take. Creomulsion is a new medical discovery two-fold action; it soothes and heals the inflamed membranes and inhibits

cerm growth.

Of all known drugs, crossote is recognized by high medical authorities as one of the greatest healing agencies for persistent coughs and colds and other forms of throat troubles. Creomulsion contains, in addition to creosote, other bealing elements which soothe and heal the infected membranes and stop the irritation and inflammation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and checks the growth

of the germs, Creomulsion is guaranteed satisf-ctury in the treatment of persistent roughs and colds, bronchial asthma, bronchitis and other forms of respira-tory diseases, and is excellent for build ing up the system after colds or flu. Money refunded if any cough or cold is not relieved after taking according to directions. Ask your druggist. (adv.)

in London, and perhaps does no emember Irish conditions. This writer can assure him, that not so long ago, traveling through the south of Ireland, by jaunting car, dozens of Irish children could be seen running along the road, with bare feet in cold weather, begging for pennies. If you have any money to buy shoes for Dublin children, send it.

> Washin ston, Dec. 12 .- (AP)weather ray whose swirling lines foreteld of unfavorable pressure areas in the southern states and Mexico during the coming week oday to the bow of Colonel Chas. out restrictions." A. Lindbergh

To be ready for the jump-off on his Wa hirgton to Mexico City ion was presided over by Rev. H. his observatory to study and cata- flight, Linobergh exchanged his P. Jones, pastor of the Memorial log the stars, he wore his finest botel quarters for the hangars of saptist church. Mr. Sims spoke on clothing, lace and velvet, saying Belling field as a base, only to find the subject of "Methods of Teach- that he was going into the pres- that a non-stop flight, if attempted in the next day or two, would run And Buffon writing his great into had weather. The flier has refused to set a definite date for is hop off, except to say that it vould be as soon as weather contions permitted within the next week or ten days

> In the meantime, Lindbergh will omplete his plans for the goodwill jaunt by collecting weather and other data from Major Harvey S. Durwell, commander at Bolling ield, and toher army fliers. He set aside part of today, however, to take aloft the new amphibian plane belonging to assistant secreary Davison of the War Departnent. Lindbergh filled in part of esterday with the Navy's flying oats, taking several of them up or brief spins,

The Colonel obtained informaion about December weather conlitions along the route of his flight tentatively on a line from Washagton to the Gulf, and thence we a point affording an overland p south to the Mexican capital from Major William Blari of the rmy signal corps. Before he takes off he will be armed with special eports on the hours of sun and oon light to be expected.

Unless he is retarded by strong rinds, Lindbergh hopes to land in Mexico City about 26 hours after

### leaving Washington. When he Woman Held For waves good-bye to the capital here he will be accompanied a short distance by three planes each from the Army, Navy and Commerce de

Keen interest exists also among the Mexicans in the purely advenurous aspects of the filght. The FORMER PRESIDENT OF overnment is making thorough preparations that the adventure shall be brought to a successful con-

Emilio Carransa, Mexican army ices between Mexico and the United States will be greatly stmiulated I by the flight. Heads of the Mexican military and air forces and other fliers share in the view of the aviator who made the first nonstop flight from Mexico City to Jaurez, a distance of 1,200 miles September 2

On the flight El Universal Grafico said editorially:

"The coming of no official repre sentative of the Washington State department ever created such a furore in Mexico as did the anrouncement of Lingbergh's coming because professional diplomats must ome will a certain amount of for mality whereas Col. Lingbergh drew wrinkles of disappointment comes dressed in overalls and with-

The uncertainty of Lindbergh's route, and length of stay, has caused plans to be made only on a tentative basis. Aviation hadquarters intends to send an aircraft squadron to any point necessary to meet the flying colonel. A squad had been ordered to be ready to proceed to San Luis Potosi but after later dispatches indicating that the flyer might come by way of Tampico, plans were made to send ; squadron there.
