George Chisholm Attempts to Commit Suicide Following **Confession of Crime**

Indiana Harbor, Ind., March 5 .-(AP)--Gecrge Chisholm, who has confessed alaying his two sons, at-tempted suicide last night after he had been brought here from the East Chicago jail to avert threatened mob violence.

A belt buckle, the prong of which he used in an effort to pierce his throat, was the weapon Chisholm employed. Police captain Edward Knight, who had just locked Chisholmn in a cell, turned back on a sudden impulse in time to witness the suicide attempt.

"Let me die," the man pleaded. "I've told you everything. Let me go." He wept hysterically. A crowd had gathered around the go."

East Chicago jail yesterday when officers decided the prisoner should be removed to prevent violence. Chisholm, whose confession Saturday night cleared the mystery surrounding the finding of the boys bodies in the Indiana harbor ship canal, made a second confession yesterday. In this he related that he had drowned, the boys-wears 9, and Edgar, 6- February 6, be-cause Mrs. Helen Lawrence, with whom he lived, had nagged him about their presence in the household

The boys' bodies bound with wire, were found eight days spart. the first body being recovered February 22.

Chisholm, who is 35 years old An assistant secentary of our navy for aeronautics says various things that would make him an excellent court, hoping to win a sentence of life imprisonment instead of trocution

cause a distribution of the oversup-Neither seems ready to sit on bench. Sisler is apparently slated to start the season.

Bobby Reeves has the inside track at shortstop. If the former Georgia Tech star had turned to boxing instead of baseball he would have made a reputation as one able to "take it." When he is knocked down he gets up. The other, two collegians, Grant Gillis and Jack Hayes. both former wearers of the Crimson of Alabama, will be reserved for infielders.

A battle for center field may continue right through the season between Sam West and Foster Ganzel. with Barns, a third Alabama contribution, in reserve. West has shown more speed than Ganzel put Washington's "Babe" who comes from a baseball family, is a terrific hitter. Two southeastern league recruits, Kloza and Simons, have impressive batting averages and if they fail to stick will be promoted to the minors.

Muddy Ruel and Ben Tate will no doubt do most of the catching with the third place going to Pete Cooper, from Birmingham, or Hugh Mc-Mullen, with Louisville last year but formerly a major league.

ATHELETICS IN FIRST GAME OF SEASON

Fort Myers, Fla., March 5-(AP)-The Athletics were ordered out today for their opening intramural clash.

Manager Mack announced that his varsity infield would be made up of Hauser, Bishop, Boley and Hale, with Speaker, Miller and French in the outfied.

"Please don't pick us to win the pennant", is the wail of the entire Athletic entourage. "There seems to be a jinks attacher to a team picked as a winner. We hope the experts place us a bout forth, then we will have a chance

Cubs Win First Clash

Avalon, Catalina Island, Calif. March 5-(AP)-Home runs by Mc-Millan and Cuyler in the first inning made it easy for Chicago Cubs to win their first baseball game of 1928 by the sepre of 11 to 6 from the battleship Tennessee team yesterday. These two newcomers in the Cub ranks set the example for Jonny Butler recently acquired from Brooklyn, who drove in two more tallies with a double.

To Air Salary Dispute Clearwater, Fla., March 5-(AP) -Dizzy Vance, pitcher holdout of the Brooklyn Robins, will have his ralary dispute aired out at a meetwith manager Robinson and ing. two directors of the Brooklyn Club tomorrow. John Scholl is here on a pleasure trip but he will talk bus-iness with Vance when Frank B. York, another director, reaches here,

\$30 is starting lots of fires these days-

> burning holes in the pockets of men who come in to see what's new and find it in the form of temptation that cannot be resisted with normal resistance.

In your entire clothes buying career you never saw \$30 buy so much beauty in model and fabric. At no time that you can remember did you ever see suits so easy to decide on quickly without ponder.

Head-Down, Evens Score With Army

Ordinary inside loops in an airplane are easy to make, and outside loops have been negotiated, but Lieut. Alford J. Williams (above), navy aviator and erstwhile speed flice, has accomplished a new mancuver, an outside loop finished up side down. The sketch shows how he did it.

Washington, (AP) - Lieut, Alford lloop and challed up another mark to home shores." Don't you think slan soldiers and provided them J. Willi ms, navy aviator and speed for the army.

A different Russian army will go for his branch of the service over Williams has not only duplicated to war next time. That should be its friendly enemy, the army. Doolittle's feat but created a stunt Back in 1925 Lieut. James H. new to aerial acrobatics-an outthis and other countries into a Doolittle of the army, affixed pon- side loop from an upside down po-

toons to his land plane, entered sition. In addition to shattering the Schneider international sea-plane race and flew away with first type land plane.

place in the record time of 232 At a height of 3,000 feet, the miles an hour. Then on May 25, havy pilot's plane described a hori-Prayer Services 1927, he performed the upprece- zontal figure eight, 600 feet high denied frat of turning an "outside" the first loop made on the Doolittle

pattern, and the second starting out of the cockpit. after a half roll, made while flying my head," Lieut. Williams said.

In a normal loop the aviator puts "and for a moment I was blinded." the nose of the machine dow. lightly to obtain maximum speed The crises of both loops were the, pulling back on the control reached when they were half thru,

stick, rises slowly at first and then he added, and there was a strong more rapidly as the top of the loop temptation to believe they had is made. Just after the top is been completed. He admitted his reached, he shuts off his motor and flying senses deceived him, and he claims against the estate to file lets the machine fall through the concluded he was through with the them with S. O. Worthington, last half of the loop which looks circle when in reality he had gone Greenville, N. C., on or before the like the letter "E" in script. the letter "E" in script. but half way around. The "outside" loop begins and is Fliers estimate that the centri- notice will be plead in par of re-

completed with the airman's head frugal force exerts a pressure of 8 covery. All persons indebted to the on the outside instead of on the to 1, making it necessary for the estate will please make immediate inside as in the conventional loop, seat of the plane to be able to sup-The new maneuver begins and ends port a weight of 1,200 pounds. The with the pilot flying upside down difficulty experienced by the pilot 1928.

In a normal loop the pilot feels in maintaining his own position he is glued to his seat. In the wit hreference to the controls, with "outside" a force seems to pull him the blood rushing to his head, was S. O. Worthington, Atty,

well known to the pilots at the "Everything seemed to rush to naval air station at Anacostia, who witnessed Williams' flight amid gasps of amazement.
