GREENVILLE, N. C., FRIDAY AFTERNOON, APRIL 20, 1928

Associated Press

Price: Five Cents

THE WEATHER

Cloudy, probably showers tonight and Saturday; slightly colder in central and east portions tonight.

BREMEN PLANS RETURN TRIP OVER ATLANTIC

German Monoplane to Attempt First Round Trip After Reaching New York.

By JAMES STANTON, Canadian Press Correspondent. Lake St. Agnes, Murray Bay, Quebec, April 20.—The German-English crew of the trans-Atlantic monoplane Bremen hope to fly their plane back to Germany after it is repaired, Captain Hermann Koehl told the first regular reporter to reach Greenville island.

This reporter, who flew to the island with the first news relay camera man to make the journey last Thursday, returned here today.

As soon as our machine is repaired, Captain Koehl told the reporter, "we will fly to New York as first intended. En route we shall very likely call at Murray Bay and Montreal. After that we hope to be able to arrange a flight from New York to our homeland."

New York, April 20.—(AP)—Baron Gunther Von Huenfeld, marooned on Greenville Island with Captain Koehl and the monoplane Bremen, expects that the big ship will take the air again in time to reach New York by Monday or Tuesday.

In a telegram to the New York offices of the North German Lloyd lines yesterday he said:

"Thanks for telegram number four. I intend by all means coming by Bremen plane, thanks to devoted assistance consular and my company. Soon clear for start. Hope arrive in New York Monday or Tuesday. Intermediate landing probable. Will telegraph time of start. Heartiest greetings."

Berni Balchen and Floyd Bennett, who will accompany Commander Byrd to the South Pole were picked to make the flight in the PGD plane, which is the same as took Mrs. Evangeline Lindner to Mexico City.

Detroit, April 20.—(AP)—Carrying the hopes of the stranded trans-Atlantic plane Bremen for an early getaway from isolated Greenville Island, a Giant Ford airliner, piloted by Brent Balchen and Floyd Bennett, took off at 7:07 a. m. from the Ford airport today for Murray Bay, Que., on the first leg of the relief expedition.

The relief plane was escorted over the Canadian border by a group of 35 Seifridge field planes. The take-off was without incident, Balchen piloting the huge three-motored plane down the runway and lifting it slowly from the ground. After circling the airport, the plane headed toward Canada. Favorable weather greeted the take-off here.

Previous to taking off, Bennett and Balchen received a telegram from Miss Herta Junkers, at Lake St. Agnes stating that the weather in that vicinity was favorable.

The plane, chartered by the North American newspaper alliance through the New York World was to carry repair equipment from Murray Bay to the damaged Greenville Island, its original goal.

Actress Goes To Mexico To File Divorce

Dolores Del Rio, motion picture star, today sped toward Mexico, her native land, in quest of a divorce, signaling the breaking up of a third film colony romance which had its inception in the southern republic.

Mrs. Del Rio boarded a train here for Nogales, Sonora, yesterday with the intention of filing suit to dissolve her marriage to Jaime Del Rio.

Mrs. Del Rio was accompanied by her mother, Senora J. T. Asunolo, and her attorney, Gunther Lessing. The attorney said a Mexican lawyer would be engaged as soon as the party reached Nogales of incompatibility will be tied and the film star will return to Hollywood to await the expiration of the legal period before a decree can be granted.

Del Rio who went to New York five months ago in a "trial separation," will not consent the action and will be represented merely by an attorney.

Confederate General Dead. Waco, Tex., April 20.—(AP)—Felix Robertson, last surviving general of the Confederacy, died at his home here at 11:30 a. m. today.

Murder Suspect

Tonsa "Tony" Herbert, 23 (above), a garage operator of Troy, N. Y., is held as a suspect in the \$350,000 fire that wrecked a three-story garage in the ruins of which the bullet-riddled body of the owner, William H. Kelly, was found. (International Newsweek)

MANY DIE IN EARTHQUAKE IN BULGARIA

Hundred Bodies Recovered From Ruins of Large City Others Not Accounted For.

Sofia, Bulgaria, April 20.—(AP)—Death, devastation and heinous stalked through southeastern Bulgaria today in the wake of a series of earthquakes which have devastated the region.

More than 100 bodies were counted in Philippopolis and the neighborhood. How many were buried beneath the ruins was not known.

To calculate the number of injured, many of whom were in a critical condition, was impossible as the population fled panic stricken to the countryside.

It was believed that Philippopolis, which is the second city in size in Bulgaria, would itself furnish the highest casualty list of the places afflicted. Only the higher part of the city, about a quarter of a mile across, was undamaged.

The remainder of the city was destroyed or too dangerous to occupy. Several churches and a hospital crumbled in ruin.

In many villages in the region only a few houses stood gaunt among the ruins. These places included Papazli, Kalatchi, Baltadzi, Chakireto, Manole, Tressli, Alibakovo, Beleszem and Satybevovo.

DEFER ACTION ON JONES BILL

Flood Control Measure Set Aside by House Today to Enable Further Study.

Washington, April 20.—(AP)—Without a vote and with but little debate the house today temporarily deferred consideration of the senate flood control bill after Representative Tilson, of Connecticut, the Republican floor leader, had explained that this was desired to enable a study of the measure.

Representative Tilson announced this morning that he would propose postponement of consideration of the flood control bill for the day at least.

Tilson said that this was in view of the pending conference and that it was his opinion that consideration of the bill on the house floor at present would retard rather than expedite successful action.

He added that as yet he had received no word from President Coolidge regarding the compromise discussed at the White House late yesterday but indicated that he was hopeful some expression would be forthcoming.

PALMER READY TO TAKE STUMP FOR AL SMITH

Former Member of Wilson's Cabinet, Pledges Support to New York Governor.

Asheville, April 20.—(AP)—As Governor Alfred E. Smith of New York, today began the second week of his non-political vacation in Asheville, it seemed obvious to observers he gradually was abandoning the political isolation he set up for himself at the outset.

Golf, motor trips, social obligations and other purely recreational activities, it appeared to those who have been in touch constantly with the governor, have been interspersed rather generously with conferences that can be interpreted easily in political light although as far as the public is concerned Governor Smith has not broken his political silence.

This morning he had a talk with Charles W. Tillet, Charlotte attorney and political writer who consistently has been the Smith-for-President campaign. Yesterday he was for some time with A. Mitchell Palmer, attorney general and alien property custodian during Wilson's administration, and an ardent dry. Mr. Palmer has predicted the nomination and election of Governor Smith to the presidency and has told him he is "prepared to take the stump" for him.

During the past few days the governor has been in conference with Judge George W. O'Leary, Tammany Hall leader. Justice Joseph Proskauer, of New York, a member of Governor Smith's "Kitchen Cabinet" and one of his closest friends and political advisors, is at present one of the governor's visitors and constant companions during his vacation activities. It has been learned that Governor Smith has been cleared several hours each day with Justice Proskauer and other advisors.

It is no longer much of a secret that Justice Proskauer and Governor Smith are working out the statement Governor Smith probably will make to the country sometime early in May setting forth his stand on the issues that will figure in the fall campaign. At any rate that is interpretation observers have placed on the daily conferences.

Last night the governor dined at the home of Senator Peter G. Gerry as guest of Mrs. Gerry. The other guests were James J. Riordan, William F. Kenny, Sergeant William Roy, Justice Proskauer, and Professor Lindsay Rogers, of Columbia University.

Benson Men In Pittsboro Case

Pittsboro, N. C., (AP)—The auto theft ring trial in Chatham superior court narrowed today to charges against C. E. Jones, J. B. Powers, and Frank Scott, all of Benson, Chatham county, today, after charges against Paul Payne of High Point, were not pressed this morning.

Payne on obtaining his freedom, with the dropping of charges against him because of lack of evidence, went home.

Attorneys for the remaining three of the original dozen on trial said they would stick to their pleas of innocence of charges growing out of discovery by the police of an auto theft ring which operated in this and adjoining states.

Boyd Pressnell, who with Ben and Larkin, his two brothers, pleaded guilty yesterday, became admitted in his answer on the state for the state this morning. Powers took the stand in his defense toward noon.

J. C. Talmen and Edward Barber who changed their pleas of innocence to guilty, have not been sentenced. Albert Culler, Bob Greer, and "Red" Harrow gained their freedom by turning state's evidence.

Several Persons Killed By Series Of Explosions Near Denver, Col. Today

Denver, April 20.—(AP)—Several persons were reported killed and a score or more injured today when a series of explosions rocked the plant of the Alexander Industries, in Englewood, a suburb. Fire followed the explosions and several girl employees were reported trapped in one section of a branch building set afire by the blast.

Mother of Hero

An old photograph of Mrs. Fitzmaurice, mother of the Irish aviator, who spanned the Atlantic East to West with his German companions. (International Newsweek)

NEW MEMBERS ARE ADDED BY ASSOCIATION

Membership Drive of Merchants Body to Be Continued During Next Week.

The membership of the Greenville Merchants Association was not completed last Wednesday as intended and will be continued sometime next week. C. B. Rowlett, secretary of the organization stated this morning.

Three new members were added in the brief solicitation of the business district Wednesday. They are: C. M. Warren & Co., H. L. Hodges and Proctor Hotel, Dr. C. J. Eiler.

"The Merchants Association is filling the place of several civic organizations," Mr. Rowlett said, "and it is the duty of the business and professional men of the city to support it in every way possible. Membership in this organization means that you are lending your support to the various movements instituted from time to time for development of Greenville. If you haven't joined listen to the arguments of the members of the soliciting committee next week and get in line for action."

"Greenville is situated in one of the richest farming communities of the country. It has a great trade territory to draw from, but attracting the thousands of people in this area cannot be accomplished except through the combined efforts of our business men. Proper advertising such as the association sends out from time to time is doing much toward enlightening the trading public as to the countless advantages offered by the business houses of Greenville. This must be continued in the future, and the more business men interested in it, the more certain success will be."

"If you are a business or professional man do not forget the membership drive to be continued next week, and use your influence in expansion of Greenville by joining this great organization."

BALK ATTEMPT OF WOMAN TO KILL SELF

Chicago, April 20.—(AP)—An attempt to succeed by leaping from a window was balked yesterday by a woman with a life net.

Mrs. D. F. Willie, wife of a LaSalle street broker, climbed to the seventh story ledge of an apartment building, then hesitated about jumping. Firemen were called and the life net was stretched. She entered her apartment and was slashed both wrists when policemen entered.

At a hospital where she is recovering she expressed regret at her attempted suicide.

DEPOSITION OF FALL IN COURT TODAY

Five Hundred Page Document Placed Before Justice Bailey At Washington.

Washington, April 20.—(AP)—The government today was permitted to place before the jury trying Harry F. Sinclair the fact that Sinclair's attorneys obtained a deposition from Albert B. Fall and did not use it.

Owen J. Roberts, special oil counsel in the case against the lesser of Teapot Dome asked that this be allowed after both sides had rested their cases yesterday.

A prayer by the defense that Justice Bailey instruct the jury that before it could find the oil man guilty it must decide that \$233,500 in Liberty bonds was not paid for an interest in the Fall ranch, was also denied. The court ruled that it was only necessary to prove conspiracy and that Sinclair was not charged with bribery.

The deposition of Fall was opened by Justice Bailey. It made a bulky document of 500 pages. The fact that it had been taken was offered to show Fall had waived immunity.

A request by the government that it be allowed to refer to the opening statement of Martin W. Littleton at the Fall-Sinclair trial last October was overruled. Littleton at that time said it would be made clear "as a reduction" that Sinclair had not passed any of the Continental Trading Company's Liberty bonds to Fall or to anyone in behalf of Fall. The defense now is that Fall did receive Liberty bonds, but that they were for a share in his ranch.

"I conclude this chapter of this miserable story with this statement," said Roberts.

"Albert B. Fall made the lease with Harry F. Sinclair secretly and clandestinely."

He called attention to the Fall deposition and said if there had been anything favorable in it the defense would have used it.

"If this deal is not a fraud, let Fall speak," he said, adding that the purpose of the secrecy was to let Sinclair "cinch" the lease.

ASHVILLE MAN KILLED IN WRECK

Asheville, April 19.—(AP)—C. C. Mayo, 45, railway worker, was almost instantly killed at 5:45 o'clock this morning when an automobile in which he was riding, driven by J. W. Girley, skidded and rolled down a 30-foot embankment on the Swannanoa road near here.

Mayo, who was the father of five children, was pinned under the car and was dead when extricated. Girley was bound over to the Buncombe Superior court on charges of reckless driving.

LOWDEN HAS SLIGHT LEAD

Republican Vote to Kansas City Convention Complete With Lowden in Lead.

Raleigh, April 20.—(AP)—With North Carolina's Republican delegation of 20 votes to the Kansas City convention completed, Lowden's friends today claimed 11 votes, seven instructed, four claimed, and Hoover's friends claimed seven, with two delegates, J. S. Duncan, Greensboro, and Prestly Brown, Wilkesboro, not committed.

The close of filing of candidates for state and district offices at midnight did not affect the Republican line-up for the voting in November as the state convention here recently nominated a full ticket, headed by Herbert F. Seawell of Charlotte as gubernatorial nominee.

The Republican nominees: Lieut. governor, W. H. Fisher; attorney general, J. R. McCrary; secretary of state, Mrs. R. J. High; commissioner of labor and printing, J. B. Goehs; commissioner of agriculture, D. A. Patterson; insurance commissioner, A. F. Hampton; treasurer, John H. Johnson; superintendent of public instruction, I. G. Green; corporation commissioner, James D. Gregg; justice of supreme court, Walter B. Love; Thomas J. Harkins; commissioner of revenue, N. O. Pitts.

For Congress: First district, M. Butler Preston; third, W. G. Mebane; fourth, L. I. Wrenn; ninth, C. A. Jones; tenth, George Prithard; fifth, Junius H. Brown, Burlington; sixth, W. C. Downing, Fayetteville; eighth, W. S. Boehl, Concord.

There were no congressional filing of Republican nominees in the second and seventh districts.

TODAY

The Answer Is "Vodka." The Booming South. Von Huenfeld's Story. A. P. Sloan Is Cheerful. (By Arthur Brisbane) Copyright 1927, by Star Co.

Celebrating Easter in Moscow, many were killed, 1,500 were arrested. Some started with vodka, and ended drinking kerosene, and fighting savagely at Easter parties. Others drunk and helpless in the streets, fell under automobiles.

Russia's Easter celebrations begins with sweet religious fervor, but doesn't end that way.

The czar abolished vodka, then the Russians, sober and thinking clearly, abolished him. Now vodka comes back. Bolshevism realizes that to rule, it is wise to discourage drinking in the crowd!

The south is energetic and growing. Governor Smith of North Carolina chose well selecting North Carolina for his golf holiday. He is studying use of the most amazingly progressive states of the union.

These five men, northbound from Miami, got off the train at Asheville, N. C., the other day to pay their respects to the governor: Judge Olney, surrogate James F. Foley, Bernard P. Gimbel, George Le Boutillier, president of the Long Island railroad, and Arthur Foran, all of New York.

They all agree that North Carolina typifies the south and American progress generally.

"The whole state," said B. F. Gimbel, "seems as closely built up as the area between New York and Philadelphia."

The Cannon Towel Mill, biggest on earth, employs 5,000 men and women. The well known B. V. D. gentlemen, and the great Chicago (Continued On Page Six)

FOREST FIRES DO DAMAGE IN FOUR STATES

Two Lives, Hundred Homes and Thousand Acres of Lands Destroyed by Flames

New York, April 20.—(AP)—The toll of forest and grass fires today reached two lives, thousands of acres of woodlands and close to a hundred homes in central New York, Long Island, eastern Pennsylvania, southern New Jersey and northern Delaware. The flames were spread by winds which at times attained a velocity of 60 miles an hour.

Many of the residents at Barnegat, N. J., loaded their valuables into boats on Barnegat Bay as the fire circle closed in on the town, ready to flee if the hundreds of volunteer workers were unable to check the flames.

The deaths occurred in fighting the fire about Barnegat. Frank Esayres, of Wareton, was burned to death when his home was destroyed and Vincent Clayton, a member of the United States Coast Guard at Spring Lake, was fatally injured when he fell from a fire truck.

Fire in the South Mountains near Gettysburg, Pa., was believed of incendiary origin but the others started from various causes, such as sparks from chimneys and unintended fires in grass plots.

Mrs. Annie Wilson, a school teacher at Nanticoke crossing near Endicott, N. Y., dismissed her charges when she saw the fire closing in on the home of Charles Ross nearby, and she rescued five children from the house just as its walls started to blaze.

Mrs. Ella Brennan, led her 100 pupils to safety when a forest fire broke in on her school at Yatesville, near Pottsville, Pa.

Five hundred acres were estimated to have been burned near Flatwoods, N. J., more than 1,000 acres were burned near Pleasant Mills, N. J., Tuesday and recurring fires destroyed additional timberlands yesterday.

The most serious fires in Pennsylvania were in the Lehigh mountains near Allentown, where scores of homes were abandoned to the flames. Other fires occurred in the timberland in Chester county and near Boyertown, Pa., a 10-mile strip being burned over at the latter place.

On Long Island near Bayshore, the pine forest belt of approximately 30 square miles of timber was burned over.

Carries Polar Cross

Bearing a folding altar and a cross made from a tree in the Vatican Garden in Rome, which Father Gianfranceschi (above), chaplain of Nobile's polar dirigible "Italia" hopes to plant at the top of the earth, the Italian aerial explorers take on the character of Crusaders of the Middle Ages. (International Newsweek)

SMITH SHOWS UP STRONG AT DES MOINES, IA.

Friends of New York Governor Claim Lead Over Iowa's Favorite Son.

Des Moines, Iowa, April 20.—(AP)—Friends of Gov. Smith of New York had more than an even chance today to take the state's delegation to the national convention from Iowa's favorite son Edwin T. Meredith, former secretary of agriculture.

Smith delegates to today's state convention outnumbered Meredith pledges 551 to 106, but there was a balance of power in the hands of 594 uninstructed representatives which both sides claimed.

Twenty six delegates will be sent to the Houston convention from Iowa, four being delegates at large. Two counties—Polk and Woodbury—were involved in contests, each having sent two delegates to today's convention, one delegation from each county favoring Meredith, the other Gov. Smith. As a result all delegates from those counties were barred from participation in the convention until the credentials committee passed on their rights to sit.

U. S. Senator Daniel F. Steck was keynote of the convention, and in the address he prepared for delivery he told "a sordid story of debauchery, corruption and graft" in the Washington administration since 1919.

He called the roll of Republicans in high places who have been "in the full light of Democratic exposure" in various investigations and trials, listing Fall, Daugherty, Hays, Denby, Forbes, Miller and Smith as objects of his attack.

MANY SLAIN IN MEXICO

Seventy-Three Insurgents Killed by Federals in Four Engagements.

Mexico City, April 20.—(AP)—Seventy-three insurgents have been slain by federal forces in four engagements in the state of Jalisco.

Reports from Guadalajara today announced the death of 65 and military reports told of the death of 15 others.

General Ascension Escalante overtook a band of insurgents under Jose Trinidad Guillen at Las Habañas Guillen and 26 followers fell in battle, the dispatches said. Nineteen others were captured. After a drum court martial, they were executed. The remaining members of the band were dispersed.

Pursuing the fleeing insurgents, the government forces came upon another band at Ojo De Agua, nine of them were slain. A large quantity of arms and some horses were captured.

BILLY SUNDAY TO OPEN HERE NEXT SUNDAY

All Arrangements to Be Completed Tonight for Revival of Noted Evangelist.

Final plans for success of the Billy Sunday evangelistic campaign, which opens in this city Sunday afternoon, will be perfected tonight when three hundred singers, representing virtually ever choir in the city, will gather at the mammoth tabernacle at Smith and Sugg's warehouse and receive their first instructions. The choir will be one of the outstanding features of the series of services, and will be conducted under direction of Homer Hammond, one of the best known evangelistic choir directors in America.

A hundred odd ushers who are to handle the thousands of people expected to attend the services from day to day gathered at the tabernacle last night and were instructed in duties expected of them by Albert Peterson, advance representative. Mr. Peterson went into every detail of the numerous duties of the ushers and secretaries, and each man was placed at his post of duty along the lengthy aisles and told exactly how the crowd had been successfully handled in campaigns in the larger cities where the noted evangelist has held forth.

Mr. Peterson arranged it so that members of all denominations might work together in each aisle and division of the building. He told them that there would be no leaders, although it was necessary to have a directing head for each section of the building. "We are all working together in a great cause," he declared, "and that cause is the salvation of countless numbers of human souls wandering around in the darkness of superstition and unbelief."

Every detail in connection with providing accommodations for the large crowds expected at the services daily and nightly, has been worked out this week. Ample seating arrangements have been provided for a congregation of five thousand persons. The choir loft is capable of seating three hundred persons. Seats have been provided for ministers and their families directly in front of the choir and within a short distance of the pulpit where Mr. Sunday will deliver his gospel to thousands of souls during his five weeks stay here.

Special seats have been arranged for ushers and their wives in each of the sections. These have been carefully designated by letterings so that there will be no confusion. Secretaries, whose duties it will be to care for the converts, will be seated in close proximity to the pulpit, and from that vantage point will find seats for those who come up and make confessions.

Mr. Sunday and his party will arrive in Greenville tomorrow and will make their home at the Proctor Hotel. The evangelist will deliver his first sermon Sunday afternoon at 2:30 o'clock. Arrangements of an extensive nature are under way to care for the record attendance of the first service, although it is certain every seat in the great building will be filled during the five weeks the services continue.

Mr. Sunday's reputation as an evangelist is world-wide and as this is the first time he has ever conducted a meeting in eastern North Carolina, members of the local committee are expecting crowds from many sections of the state to be in attendance from time to time. Inquiries have already been received from South Carolina and Virginia and it is likely visitors from these two states will augment the large congregations.

Members of all local committees will be in conference with Mr. Peterson from time to time between now and Sunday, planning for success of the meeting. These committees represent personal work, prayer meeting and Bible, young peoples' work, music, business women's work, stock work, building, finance, ushers, secretaries, nursery, extension, transportation and pastor meetings.

Statesville Bank Officials Silent

Statesville, April 20.—(AP)—Directors of the closed Commercial National Bank maintained silence today as a National Bank examiner continued his investigation of the shortage of \$234,000 revealed when D. M. Auley, cashier, committed suicide Wednesday.

The bank examiners have issued no statement but directors do not anticipate that the shortage will exceed the sum first named by W. D. Turner, president of the bank. It is said, however, that these figures may have to be revised after the investigation has been completed.

TOBACCONISTS FALL BEFORE THE PATRIOTS

The Greensboro club of the Piedmont league defeated Greenville "Tobaccoists" of the Eastern Carolina league in a tight and interesting game at the Fair grounds here yesterday afternoon by the score of 8-7. It was the third consecutive defeat of the week for the locals who will take on Winston-Salem, the third Piedmont league club of the week, here tomorrow afternoon.

The Tobaccoists threw several scares into the camp of the visitors especially in the second inning when the offerings of Drake were knocked to every part of the lot. Two tallies were shovelled over the home plate in this inning.

The outstanding feature of the game probably was the home run of Molly Cox in the third inning with the bases loaded. Jim Clark was hurling for Greenville at the time. Austin and Kendall also came in for home run honors.

Except in the eighth inning Clark managed to keep the hits fairly well scattered and several times with the bases loaded tightened up and performed like a veteran. His down-fall resulted largely through wildness at critical stages in the first stanzas of the game.

Culley, a recent addition to the Tobaccoists, exhibited plenty of speed and accuracy at short while Layne, recently released by Greensboro, played intelligently.

Ayden high school will play here this afternoon. The Tobaccoists defeated this club overwhelmingly last week, although the youngsters showed lots of stuff at different parts of the game.

The final outstanding game of the week will be played here tomorrow afternoon with Winston-Salem, the third club of the Piedmont league which the locals have come in contact with this week. Winston-Salem has a formidable aggregation and their coming here is looked forward to with interest.

The box score of yesterday's game follows:

Greenville	Ab. R. H. O. A. E.					
Hansen, rf	3	1	1	2	1	0
Culley, ss	4	2	3	2	1	0
Potts, cf	2	0	0	3	2	0
Benedict, lb	4	0	1	6	0	0
White, 3b	4	1	1	4	1	0
Layne, 3b	3	1	2	2	2	1
Daniels, lf	5	1	2	2	0	0
Abbot, c	3	0	0	5	1	0
Douche, c	2	0	0	0	0	0
Clark, p	3	1	0	2	1	0
Pitman, p	0	0	0	0	0	0
Webb	0	1	0	0	0	0
Total	33	7	10	27	9	3
Greensboro	Ab. R. H. O. A. E.					
Kilpatrick, ss	4	2	1	2	1	1
Hargrave, 2b	3	2	1	2	4	0
Austin, cf	4	2	3	2	0	0
Walters, 3b	3	0	0	2	0	0
Baker, 3b	2	0	0	2	0	1
Cox lb	4	1	3	7	0	0
Brummitt, lf	5	1	3	4	0	0
Brandon, c	4	0	1	3	1	0
Drake, p	2	0	0	0	0	0
Westmoreland, p	2	0	0	0	1	1
Total	37	8	13	27	7	3
Score by innings						
Greensboro	0	0	0	0	0	1
Greenville	0	2	1	0	0	4
Summary—Two base hit: Benedict. Three base hit: Cox. Home runs: Cox, Austin, Kendall. Stolen bases: Kilpatrick, Culley. Sacrifice hits: Culley. Hit by pitcher: Hargrave and Cox by Clark. White by Westmoreland. Base on balls: off Clark, 3; Drake, 3; Westmoreland, 3. Struck out: by Clark 4, by Westmoreland 3. Umpires: Porter and Dail.						

Gets Flying Start

FRANKIE FRISCH

"Fordham Flash" is right, Frankie Frisch of the Cards was a leader in batting, runs, hits, homers and stolen bases after the first few games.

Where They Play

AMERICAN LEAGUE.
 Detroit at St. Louis.
 Chicago at Cleveland.
 Washington at Philadelphia.
 New York at Boston.

Busses Carry Millions
 St. Paul — Minnesota motor busses carried 12,551,612 passengers in 1927, traveled 18,283,126 miles and produced revenue of \$4,731,386.

FIFTEEN HOME RUNS FEATURE BATTLING ORGY

An outburst of terrific hitting has cropped out in the major leagues taking a big toll of pitching material on all the clubs with few exceptions. Fifteen home runs, including one off the budgeon of the mighty Babe Ruth, figured in the batting orgy of yesterday.

Opening the season at Pittsburgh the Cards forced the Pirates to walk their own plank by the count of 13 to 10 before a crowd of 30,000. The National league champions called upon 21 players seven of whom were pitchers.

The sparkling pitching feat of the day, however, was furnished by Sheriff Blake of the Cubs, who put mammoths on the Reds by allowing two measly taps, singles by Purdy and Ford. Not a Red Leg reached first base while Chicago blasted out with the biggest hitting carnival thus far in the campaign by thumping three opposing hurlers for 21 hits for a 13 to 0 decision.

Back Wilson, star outfielder who returned to the game after a brief absence due to an injury, led the Cubs attack with two home runs, a double and a single for a perfect day at bat.

Acting manager Rogers Hornsby of the Braves piloted his warriors through a 9 to 8 victory in a ten inning thriller with the Giants. Hornsby crossed the plate with the tying run in the ninth and in the tenth slashed a single with a man on third and two out to save the day for Boston.

The Robins rapped out three homers, one each for Elliott, Brasher and Herman, but they took the small end of a 9 to 5 score against the Phillies.

Ruth entertained Boston fans on Patriots Day by propelling home number one of 1928 into the right field bleachers in the fifth inning of the Yanks second game with the Red Sox. The Bambino had gone hitless in a morning contest which the Hose won 7 to 6, although out-batted by the Hughmen 16 to 10.

Cleveland riddled three hurlers with 15 safeties to capture the fourth straight from the White Sox by 9 to 2, as the Yanks dropped an engagement in the Hub City, the Indians assumed the American league leadership with seven games won and one lost to five won and one lost for New York.

Eighteen bases on balls were distributed in four and one half innings in the American league tilt at St. Louis, eleven of them by Detroit pitchers. The tigers won 9 to 2.

The Athletics and Senators were not scheduled.

Knoxville Scores Four Tallies off First Four Balls

Atlanta, Ga., April 20.—(By the Associated Press)—South Atlantic Association Baseball Clubs were off today to a flying start in the pennant campaign and openers yesterday left the fans with numerous features to gossip over.

For instance, the smokies of Knoxville scored four runs on the first four balls pitched in the inning against Greenville, probably establishing a record of some description by the maneuver. Yeargain was twirling for the spinners.

Homie Groh, the grand old man of National League glory, showed the youngsters a few tricks at Charlotte when he handled four putouts and eight assists without a bobble in addition to getting one hit in three trips to the plate. The Hornets lost, however, 4 and 3, to Spartanburg. Asheville and Augusta played error-ridden ball but the pitching of Shaney was too good for the Tigers and the Skylanders took a 6 to 0 verdict.

Fights Last Night

By the Associated Press.
 Chicago.—Earl Mastro, Chicago, outpointed Johnny Rosen, New York (2).
 Winnipeg.—Charlie Belanger, Winnipeg, technically knocked out Harry Dillon, Winnipeg (10), for decision heavyweight title.
 Kansas City.—Spider Kelly, Kansas City, defeated Dave Cook, Scranton, Pa., (10).

THREE STARS LINED UP FOR CINDER PATHS

Boston, April 20.—(AP)—The Kan-kankee flier, one time "King of the Miles," has passed on and today its jogging Jole Ray, the marathoner and latest hope of America for the greatest of all Olympic distance running honors.

It has been twenty years since the laurel wreath that goes with Olympic marathon victory has been perched on the brow of an American. Today there are three outstanding Yankee stars in the distance running form, where only one held a secure place previously, and hopes of conquest this summer at Amsterdam are flaring up.

There has never been much doubt about the consistent class of Clarence H. Demar as a great marathoner runner but whatever question existed is wiped out by his record smashing victory yesterday in the thirty first annual classic of Boston athletic association.

Spread-eagling his field, the great est ever assembled for the historic event, Demar clipped more than three minutes from his own course record, scored his sixth triumph since 1911, gained the national championship with it and clinched his place on the Olympic team for 1928 beyond the palest shadow of a doubt. His time was 2:37:07 4-5.

So it was that the surprise of the race was smiling Jimmy Henigan of Dorchester, who galloped up to a second place with a whirlwind finish, and the sensation was gallant Little Jole Ray, who overcame the terrific handicap of blistered, torn and bleeding feet to place third in the first marathon of his long career.

Ray's finish will rank among the most pulse-quickening and vivid of long distance running history. There was not a shouting youngster, not an ordinary onlooker nor a hardened critic in that vast densely packed throng lining the course that failed to feel a tingling thrill as Jole jogged down the long trail to the finish.

Here was an athlete of 32 after 18 years of competition at comparative long distances, the eight times American mile champion tackling the most difficult test of his career. Here was a forlorn almost tottering

little bundle of running machinery, moving ahead on sheer nerve and grit. His eyes half closed lips tightly pressed, and his feet burning from those last few torturing miles his ears were deaf to the clamor that greeted him. He lunged at the tape and collapsed.

BENCH WARMER

HAS SOME RECORD
 Chicago, April 20.—(AP)—Outfielder Earl Webb spends most of the season warming a Cub bench but he probably has no rival as an opening day star.

Last year's opening day he clouted Grover Cleveland Alexander and Rhynehart of the St. Louis Cardinals for a home run each in addition to drawing two passes for a perfect day's average. This year on opening day he was up more and cracked Red Lucas of Cincinnati for a home run that produced four runs.

Three home runs, two passes and three runs out of five turns at bat in two opening day attempts is his record.

WRIGLEY CONFIDENT CUBS WILL WIN
 Chicago, April 20.—(AP)—William Wrigley, Jr., is confident his Cubs will win the National League pennant this year but he hasn't seen them win a regular game yet. He went to Cincinnati to see his club play the opener. They lost. He came out for the opener here Wednesday. They lost again. Yesterday he stayed away and the Cubs trounced the Cincinnati Reds 13 to 0.

GUARANTEE of more tire mileage at less cost per mile

We positively know that these tires have more quality and mileage built into them at the factory. That's a matter of better materials, workmanship and design. Our service, performed by experienced tire men, enables you to get all these in-built miles out. Just put two and two together—top quality plus real service—and you are bound to get full mileage as a result.

When we say SERVICE we mean more than just carefully applying the tire. Our service lasts through the life of the tire—any time you drive in our men are on the job to inspect tires, rims and wheels and make sure that everything which affects tire mileage is in good working order. Brakes must be equalized; wheels must be in alignment; rims must be "true"; and without bent flanges; tires must contain the correct amount of air. A tire that is cut must be immediately repaired, so that the cut will not spread and cause loss of thousands of miles of service. Slow leaks in valves are adjusted. Missing valve caps, rim nuts, lugs and bolts are replaced. Our service work guarantees more mileage at less cost.

Begin today, to save tire money. Come in and get your tires at the price you want to pay.

Dr. and Mrs. Mark Frizelle of Ayden were here yesterday.

Mrs. Roy Davenport and little son and Mrs. A. D. McLawhorn of Winterville were here today to meet Mrs. McLawhorn's mother, Mrs. W. L. Walston of Walsstonberg, who will spend some time in Winterville.

Mrs. Ormond Edwards of Ayden was here today.

Mr. and Mrs. Raymond McCotter and Mrs. Strickland of Grifton were recent visitors in Greenville.

Dr. B. McK. Johnson has returned from the state dental convention in Charlotte.

Mrs. S. S. Williams, Mrs. Lucy Gibson, Miss Reba Whitehurst and E. M. Whitehurst, Jr., attended the Osborne-Knight wedding in Rocky Mount last evening.

Mrs. Hattie Weinberg left today for Greensboro, she has been lecturing at the Frigidare show rooms. While here she was the guest of Mrs. S. M. Schultz.

Miss Mary Lou White left today for Chapel Hill.

Miss Evelyn Dobson left yesterday for Wilmington where she will make her home in the future.

MRS. PARK ENTERTAINS FOR MRS. BEERY

Wednesday afternoon, Mrs. F. M. Park was hostess at a pretty bridge party, complimenting her mother Mrs. William L. Beery, of Wilmington. Spring flowers were attractively used for decorations.

Mrs. W. I. Wooten was winner of a morocco picture for high score. The consolation prize, a deck of cards, went to Mrs. L. C. Skinner. Mrs. Beery was remembered with milk hose.

A salad course was served following the game.

Mrs. Moseley Entertains.

Mrs. A. M. Moseley delightfully entertained two tables of duplicate bridge Thursday morning, honoring Mrs. William L. Beery, of Wilmington. The home was lovely with a variety of spring flowers.

An attractive vase was won by Mrs. R. L. Carr for high score. Mrs. Beery was given a powder jar.

At the conclusion of the game a tempting two-course luncheon was served.

Rev. W. R. Noe Here Sunday.

Rev. W. R. Noe, of Wilmington, will conduct services in St. Paul's Episcopal Church Sunday morning. The public is invited.

Services at St. Luke's Church, Winterville.

Services every evening during the coming week at St. Luke's Church, Winterville, by Rev. Guy H. Madara of New Bern, beginning Monday evening, April 23, at 8 o'clock and closing Friday evening. The public is cordially invited to attend all these meetings.

W. W. Lee has returned from South Boston, Va., where he was called on account of the death of his father.

St. Peter's Catholic Church.

There will be Holy Sacrifice if the mass Saturday morning at 8:30 and at 9 o'clock.

REV. FATHER EGBERT, C. P.
REV. FATHER GABLE

Cottage Prayer Meetings Tonight.

At the home of Misses Lowe, 4th street. Mr. Chambers, leader.

At the home of Mrs. D. S. Spain. Mrs. Settle, leader.

At the home of Rev. I. S. Richmond, 3rd street.

Cottages prayer meetings will be held Friday night as follows:

Home of Mrs. J. H. Blount. Leader, Mrs. W. S. Harden.

Home of Mrs. C. L. Herring. Leader, A. G. Walters.

Home of Mrs. S. B. Hardee. Leader, Jessie Chambers.

Home of Mrs. W. E. Warren. Leader, Mrs. T. A. Persox.

Home of Mrs. Jane Forbes. Leader, Rev. L. B. Jones.

Home of Mrs. Frank Johnston. Leader, Dr. Joe Smith.

Home of Mrs. D. L. Mangum. Leader, Oscar White.

Home of Mrs. J. H. Woolard. Leader, Mrs. Herbert Woldrop.

Home of Mrs. J. Key Brown, 6th street. Leader, Ash Blaud.

Home of Mrs. Frank Lyon, Evans street. Leader, S. T. Hicks.

Home of Mrs. R. L. Whitefield, 1317 Washington street. Leader, G. H. Ballard.

Home of Mrs. B. M. Lehue, 1111 Dickinson avenue. Leader, J. F. King.

Home of E. L. Denton, 1001 Chestnut street. Leader, S. M. Walters.

Home of Mrs. J. T. Jordan, 1408 Dickinson avenue. Leader, Mrs. Emma Bryan.

Home of Mrs. E. L. Willard, 7th street. Leader, Mrs. J. B. Waddell.

Home of Mrs. W. Z. Morton, 5th street. Leader, Roy Flanagan.

NURSERY FOR THE BILLY SUNDAY MEETING

The nursery for the meeting will be in the basement of the Christian Church, just to the rear of the tabernacle.

Children under six years of age can be left there while their mothers attend the services. They will be well cared for. The different churches of the city have arranged to take charge of this work and will have competent people to look after the children.

The nursery will be open in ample time for the mother to attend the services. 19-31

Three Act Play Presented At College Here

"Romance," a three-act play by Edmund Rostand was presented in the auditorium last night by the seniors of the two year normal course. The play was well rendered throughout. It will be repeated tonight. It is repeated so as to give the town people and the students both a chance to attend.

The story of the play runs as follows:

Pasquinet and Bergamin, fathers of Sylvette and Perinet, are anxious to join their properties and live happily together by marrying their children. The boy and girl make love over the garden wall, to the pretended disapproval but secret delight of their fathers. Thinking a marriage arranged before hand not so tempting to two young children so romantic as theirs, the fathers plan a make-believe abduction with struggle and sword. With the engagement of Sylvette and Perinet the wall is broken down. There follow quarrels; at last, reconciliation and all are happy.

The stage setting throughout was superb and the lighting effect would have done credit to any theatre.

Mrs. H. M. Hendrix of Beaufort, directed the play. Mrs. Hendrix has had much experience in stage directing and is herself an accomplished actress and singer.

TELLS ABOUT FEATURES OF THE KELVINATOR

While the remarkable features of electric refrigeration have caught the interest of so many, comparatively few persons understand just what it is that makes any ice-box cold, according to Water and Light Commission, local distributors for Kelvinator, the pioneer system of iceless refrigeration for the home.

"From earliest antiquity," says Mr. Larry Brown, "food preservation has been one of man's chief problems. Even cavemen knew that without some protection of food against spoilage, famine surely was to be expected."

"Many of us remember the familiar 'spring house,' where our grandparents employed the cooling waters of a bubbling spring to keep the family's butter and milk sweet and fresh. In localities where the weather was favorable, ice was harvested from neighboring ponds or streams for use in preserving food supplies from taint during the heated months of summer. Finally, the manufacture of artificial ice developed to a point where the man-made substitute could be sold as cheaply as the natural product, and refrigerators

DE RIVERA OF SPAIN TO MARRY

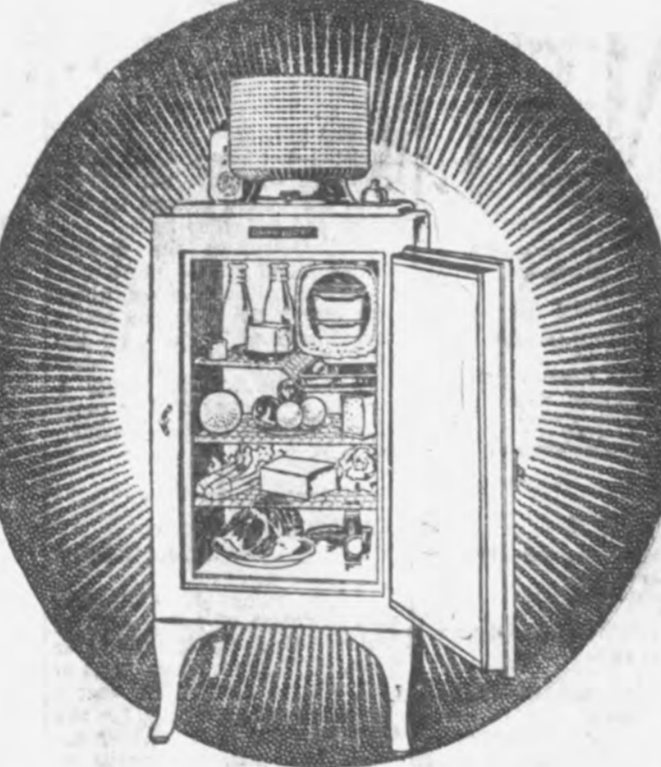

Rumors are abroad that Premier Primo De Rivera of Spain is intending to get married. It is said that Senorita Mercedes Castellanos, an orphan of aristocratic lineage, will be the bride at a Madrid wedding early in the fall.

came into general use.

"All through this period of evolution, the idea prevailed that refrigeration depended, somehow, upon the cold that was thrown off by an object placed in close contact with the surrounding food. And it was not until Lord Kelvin, the eminent Scottish scientist, made his revolutionary discoveries in the field of refrigeration that the world realized the futility of its former beliefs.

"Refrigeration, Lord Kelvin found, embodies the principle of heat absorption. The value of the ice placed in a refrigerator depends not at all upon its ability to give out cold, but rather upon its capacity to take up heat from the surrounding area and thus reduce adjacent temperature.

GENERAL ELECTRIC Refrigerator

You will bless the General Electric Refrigerator for the way it lightens household tasks. It makes two trips to market take the place of six. It keeps all foods at just the right temperature. It makes the preparation of those delightful salads and desserts a matter of minutes instead of hours. It never needs attention—not even oiling.

As you examine this refrigerator you will notice that it has no drain-pipes, belts, fans, or stuffing boxes to get out of order. That its shelves are generously roomy. That it is unusually quiet. That it is portable. That all its moving parts—with a permanent supply of oil—are enclosed in a single hermetically sealed casing. All these advantages are the result of fifteen years of painstaking research by the General Electric Company.

Local Kiwanians To Be Hosts to H. S. Students

The regular twice-a-month meeting of the Greenville Kiwanis Club will be held at the Rotary building tonight at 7 o'clock.

The program will be devoted to entertainment of members of the athletic department and debaters of the Greenville high school and will be in charge of Kiwanian Ralph Deal, member of the faculty of East Carolina Teachers College.

This is the first time the Kiwanians have entertained any department of the high school this year, and considerable interest is centered around tonight's session. President J. P. Harrington will preside.

Perugia, Italy. (AP) — Apparent remains of early Christian catacombs have been unearthed by peasants digging in the fields.

McLean 58 Today.

Raleigh, April 20.—(AP)—Gov. Angus Wilson McLean, North Carolina's banker-chief executive, today observed his 58th birthday by going about his usual duties.

His day's work called for conferences at the capitol and for an afternoon at the office suite at the mansion, known as "The Governor's Workshop."

NEW CLEANSING CREAM WONDERFUL

WELCOME, ALL

All preliminary arrange-
ments for the Billy Sunday
campaign that opens here
Sunday afternoon have prac-
tically been completed, and
the great revival is being
looked forward to, we be-
lieve, not only by Greenville
people, but by residents of
the entire east. Believing
that there will be tremen-
dous crowds here at almost
every service to hear Mr.
Sunday, ample seating ar-
rangements have been pro-
vided and we take this op-
portunity to extend to the
people of this section a cor-
dial welcome to come to
Greenville to hear this great
evangelist. This is Mr. Sun-
day's first revival in eastern
North Carolina and that a
world of good will result
therefrom goes without say-
ing. You owe it to your-
self to hear this great
evangelist and we have no
fears that at any time dur-
ing his stay here Mr. Sun-
day will be forced to preach
to empty pews.

On this the eve of his ar-
rival here of Mr. Sunday and
other members of his party,
we take this opportunity in
advance to extend a cordial
welcome and assurance that
we will endeavor to help in
and give our earnest pray-
ers for the success of his
campaign here. To those of
this and surrounding terri-
tory, who may desire to at-
tend the meeting here we
assure a cordial welcome.

PRINCIPLES SHOULD BE
FIRST CONSIDERATION

Pro-Smith and anti-
Smith now seems to be the
political cry from all sides
in North Carolina, and we
are beginning to wonder if
in their zeal to choose sides a
great number of citizens are
not overlooking something
of great importance, not
only to the party but to the
nation.

Does all this pro-Smith
and anti-Smith talk indicate
that some favor Smith for
the Presidency just because
he is Smith and oppose him
on the same grounds, with
no idea or care as to what
person they vote for, just so
that person is an opponent
of Al Smith? Just at this
time it would be well for
our voters to pause in their
discussion just long enough
to find out what it is all
about and what principles
are involved.

The announcement from
certain quarters that cer-
tain persons are announcing
themselves for office as a
pro-Smith or an anti-Smith
candidate carries no definite
indication to their constitu-
ents as to a platform on
which they will run or what
they will endeavor to ac-
complish if elected, in view

of the fact that Smith has
made no announcement of
any platform. Apparently
such candidates are endeav-
oring to slide into office
without definite statement
of platform or policies by
viewing public sentiment as
to Smith's candidacy and
then choosing the side on
which to launch their cam-
paign.

In order to make our po-
sition perfectly clear, let us
state that we have been and
always will be Democrats
until such a time that the
party so far digresses from
Democratic principles that
we are forced to withdraw,
and at present we are more
interested in the principles
that will govern the admin-
istration than in the man
who is to sit in the White
House, so long as we can
rest assured that the man
we put into office will carry
out these principles. Would
it not be well for the Dem-
ocrats to get down to brass
tacks first on the matter of
a party platform based on
Democratic principles and
then look the man most fit-
ted to carry out these prin-
ciples? We believe that in
the absence of a definite
adoption first of a party
platform, many persons are
losing sight of an important
matter in their bitter discus-
sion of the candidates. A
definite statement of prin-
ciples backed up by party
harmony is necessary if the
1928 election is to see the
ousting of the corruption
that has held sway in our
national administration for
the past few years.

ABOUT
TOWN

"Billy Sunday is coming tomor-
row. Sunday he will open one of
the greatest religious campaigns in
the history of Eastern Carolina," a
reader remarked today.

"Preparations at the mammoth
tabernacle in Smith & Sugg's ware-
house have already been completed
and last night saw members of the
committees begin training for the
purpose of caring for the large
crowds to come here during the five
weeks the revival is in progress.

"Billy Sunday's meetings are
conducted along a systematic plan.
Each member of the committees
knows exactly what he is expected
to do, and all through the meeting
is expected to do it. This one thing
has contributed greatly to success
of the revivalist's campaigns. He is
acknowledged as the greatest
preacher of his age, and no one can
doubt it after seeing elaborate pre-
parations for one of his meetings,
such as that under way here at
present time."

"The Greenville Kiwanis Club is
going to entertain members of the
athletic department of the Green-
ville high school tonight," a member
of the organization told the writer
of this column today.

"Every Kiwanian is looking for-
ward to the occasion with as much
pleasure as the young athletes, and
before the evening is over Kiwanian
will be one hundred per cent ath-
letic and the high school students
will be as near one hundred per
cent Kiwanians as it is possible for
them to be without actually becom-
ing members of the organization.
"Gatherings of this kind have a
tendency of creating a splendid
spirit between the young men and
women and older men and women
of today, and if more attention
should be given to them the future
would hold forth greater opportuni-
ties for everyone."

"Billy Sunday doesn't believe in
this long-faced kind of religion,"
Albert Peterson, advance represen-
tative of the noted evangelist told
members of committees at the tab-
ernacle at Smith & Sugg's ware-
house last night.

RESERVOIR TO WIPE OUT
OLD MASSACHUSETTS TOWN
Worcester, Mass.—(AP)—The
lean shadow of desertion and dis-
integration is lengthening daily in
the valley of the Swift River.
Towns that took root with the
coming of Puritan pioneers are to
be surmaged beneath the waters
of the river that helped give them
life.

The Boston metropolitan water
district needs a larger water sup-
ply and Massachusetts is serv-
ing writs of ejection on hun-
dreds of families. The greater
part of the river valley will be
converted into a mammoth reservoir
covering approximately 50 square
miles, and \$50,000,000 already has
been set aside for its building.
Three townships will be almost
wholly wiped out. Several others
will lose part of their lands and
inhabitants. Low hills will be-
come islands.

Paris, (AP)—"Police help" shout-
ed or whispered into telephone will
hereafter bring a bluecoat squad to
Parisian's door.
Families are leaving the valley

Host to Fliers

Here is Eddy Tompkins, keeper
of the lonely Greenely Island
lighthouse, who was host to
the three stranded German-
Irish air heroes.

in a trickle which in a year will
have reached the proportions of a
torrent. When the great reservoir
is completed, the old town of
Prescott, Greenwich and Enfield
will be no more. Dana, North
Dana and New Salem may lose
their identity also Hardwick,
Petersham, Pelham, Shutesbury,
Belchertown and Ware lie partly
within the area to be used as a
storage basin.

SOLDIER FIELD TO BE
COMPLETED IN FALL

Chicago, April 19.—(AP)—When
Navy meets Notre Dame on Soldier
field October 13 in a football clas-
sic of the fall, Chicago's \$7,500,000
memorial to its war dead will stand
completed—not only as the greatest
stadium in the world but also as
one of the world's greatest amphithe-
atres and exhibition halls.
Famed already as the modern
coliseum where 200,000 worshipped
at the Eucharistic Congress, where
Army played the Navy and where
Tunney defeated Dempsey, for the
second time, Soldier field when
completed will include besides a
place for spectacular outdoor page-
ants an extensive series of exhibi-
tion halls.

REPORT BIG SURVIVAL
OF BOLL WEEVILS

Raleigh, April 19.—(AP)—The
initial infestation of cotton will be
greater in North Carolina than ever
before, R. W. Leiby, entomologist of
the state department of agricul-
ture, reported today.
He reported a survival of weevils
greater in number than for any
spring since the state has been in-
vaded by this pest. The weevils are
slower than usual in coming from
their winter quarters but this he
found due to the later spring sea-
son which appears to be at least
two weeks behind that of last year,
the state department of agricul-
ture, said today.

Housatonic, Mass., (AP)—Two
boys here have worked for a year
buying parts to build an airplane,
which will be completed soon.

Market Report Cotton--Stocks--Grain

COTTON MARKET.

New York, April 20.—(AP)—Early declines of 5 to 6 points in the cotton market today were followed by rallies on covering or rebuying by recent sellers, influenced by continued apprehensions of a late start for the coming crop and publication of quarantine regulations for pink boll worm infested sections of Texas. Active months sold 15 to 18 points net higher during mid-day but renewed realizing or liquidation at these figures took away part of the advance. Mid-afternoon trading was comparatively quiet, with the market 3 to 6 points net higher. Cotton futures closed:

Futures closed steady, five to nine points lower.

Spot quiet. Middling 20.45.

GRAIN MARKET.

Chicago, April 20.—(AP)—Wheat underwent a sharp reaction today from yesterday's big advance which had lifted the market to more than a bushel above the season's low price. General selling was induced largely by reports of rain, which, however, were mostly from sections that were not in need of additional moisture. Much talk was heard that the Chicago wheat market had worked out of line with other centers such as Kansas City, St. Louis and Minneapolis.

Wheat closed unsettled, 2 3/4c to 3 3/4c net lower, corn 1 3/8c to 1 3/4c off, oats 1 1/8c to 1 3/8c down, and provisions 5c to 25c up.

STOCK MARKET.

New York, April 20.—(AP)—Prices on the New York stock exchange broke sharply at the opening on selling inspired by higher rediscunt rates and the huge increase in brokers' loans, and then staged a remarkable recovery which wiped out most of the losses and sent a score issue to net high ground. Early losses ranged from 2 to 7 points, but strong buying support quickly appeared and by early afternoon more than a score issues were selling 2 to 6 points above yesterday's final quotations.

Trading was in tremendous volume, with blocks of 1,000 to 10,000 shares appearing on the tape at frequent intervals throughout the day.

The recovery was stimulated by the lowering of call money rates from 4 3/4 to 4 1/2 per cent, and the fact that speculative accounts were strongly margined.

Radio, which broke 7 points to 17 1/2 on the first sale, had snapped back to 18 1/2, a new high on the current move by early afternoon.

New York tractions were again heavily bought in anticipation of a favorable federal court decision on the application for a seven cent fare.

New peak prices for the year or longer, were registered by United States Leather common and preferred A. Container Corporation, Otis Steel prior preferred and several others.

The closing was irregular. Total sales approximated 3,750,000 shares.

Millionaires of Stock Market At Elaborate Dinner

New York, April 20.—(AP)—An elaborate dinner of men made millionaires by the stock market was disclosed by the New York Times today.

A group of the biggest operators in the present record activity of the market gathered last night at a private farewell at the Biltmore for W. C. Durant, automobile manufacturer, who is sailing for Europe tomorrow.

Durant has been credited with an important part in the spectacular rise of a number of stocks, including General Motors, Anaconda Copper, International Nickel and United States Cast Iron Pipe.

Every guest at the dinner, The Times said, was a millionaire, many by virtue of the market. Reporters were barred and every attempt made to keep the elaborate but informal affair secret.

Two Nations Move To Protect Lives In Chinese Zones

Peking, April 20.—(AP)—Two nations moved today to protect their subjects in Szechuan as the Nationalists advanced and the Shantung defense collapsed.

Edwin P. Stanton, American consul advised his countrymen to leave Tainan with the Nationalists in control of Yenchiowu, 75 miles to the south.

Japan sent three companies of infantry from Tientsin to Tsinan to protect Japanese lives and property in the Shantung province.

The northern armies which are arrayed against the nationalists were driven back on all fronts. Tsinan just southwest of Yenchiowu was also occupied after a northern army of 20,000 men, under General Sun Chuan-fang governor of Shantung, was destroyed by nationalist troops under Feng Yu-siang once known as the christian general.

WANTED: WORN TIRES!

Trade them now—for new Goodrich Silvertowns

SUPPOSE your old tires do have a doubtful thousand or a risky five thousand miles in them. You don't have to ride on the tires, to get your money's worth.

Sell them to us. Let us apply the credit for those unused miles to reduce the price of new Goodrich Silvertowns.

You get the confidence—the safety—the traction of these famous tires. We get your worn tires which we can re-sell to other motorists. That's business, all around. Just like the way you've bought new cars for years—except for one thing. A tire can "blow out" and become almost worthless. A car does not. Don't wait till your tires blow out. Trade them now.

**AND WHAT A TIRE YOU GET
IN SILVERTOWN!**

Judge them by what other motorists have found out in the past two years—and you'll find that money cannot buy finer tires.

Judge them by their tested construction—and you'll know why they're making such performance records. The hinge-center tread—final answer to balloon tread design! Water Curing—that Goodrich process which cures Silvertowns from inside and outside both—makes these tires tough clear through.

A wonderful tire in exchange for the tires that take all the joy out of riding. See us this week—this offer will not be repeated.

Drive your car to one of these Goodrich Dealers today!

Town Tax Collector

GARDNER HAS CLEAR ROAD IN POLITICS

Eleven State Officers And Four Congressional Seats Have but One Candidate.

Raleigh, April 20.—(AP)—Eleven state officers and four congressional seats in North Carolina had but one Democratic candidate each at noon today with the time for filing of notices of candidacy expiring at midnight tonight.

Headed by O. Max Gardner, candidate for governor, there were no candidates so far against the Shelby attorney, Secretary of State James A. Hartsness; auditor Baxter Durham; Treasurer Ben Lacy; Attorney General Deane G. Brummitt; Commissioner of Agriculture Will A. Graham; Insurance Commissioner Dan C. Boney; Revenue Commissioner R. A. Doughton; and two justices of the supreme court, W. J. Brogden and Geo. W. Connor.

Congressmen standing for Democratic nominations who appeared without opposition at noon were: Lindsay O. Warren of the first district; Chas. I. Abernathy, third district; Chas. M. Stedman, fifth district; and R. L. Daughton, eighth district.

Should Gardner gain the chief executive office without opposition it will be the third time the Democrats of North Carolina have put him up for office without another candidate opposing him. In 1916 Mr. Gardner was nominated for President pro tempore and in 1917 for lieutenant governor.

Mr. Gardner will be the only person ever nominated for governor since the adoption of the state-wide primary 17 years ago to go to the polls without opposition within the party, should state board of elections Secretary R. C. Maxwell receive no other notice of candidacy for governor before midnight.

Herbert McClammy of Wilmington, this morning filed for Congress from the sixth district, opposing the other Democrat, J. Baynard Clark of Fayetteville.

H. G. Robertson, Greene county, opposed the incumbent, Congressman John H. Kerr in the second district. Capital circles reported last night that Geo. C. Green, Weldon attorney, would also enter this fight, but Mr. Green today requested the Associated Press to say for him that "I have no idea of running for Congress."

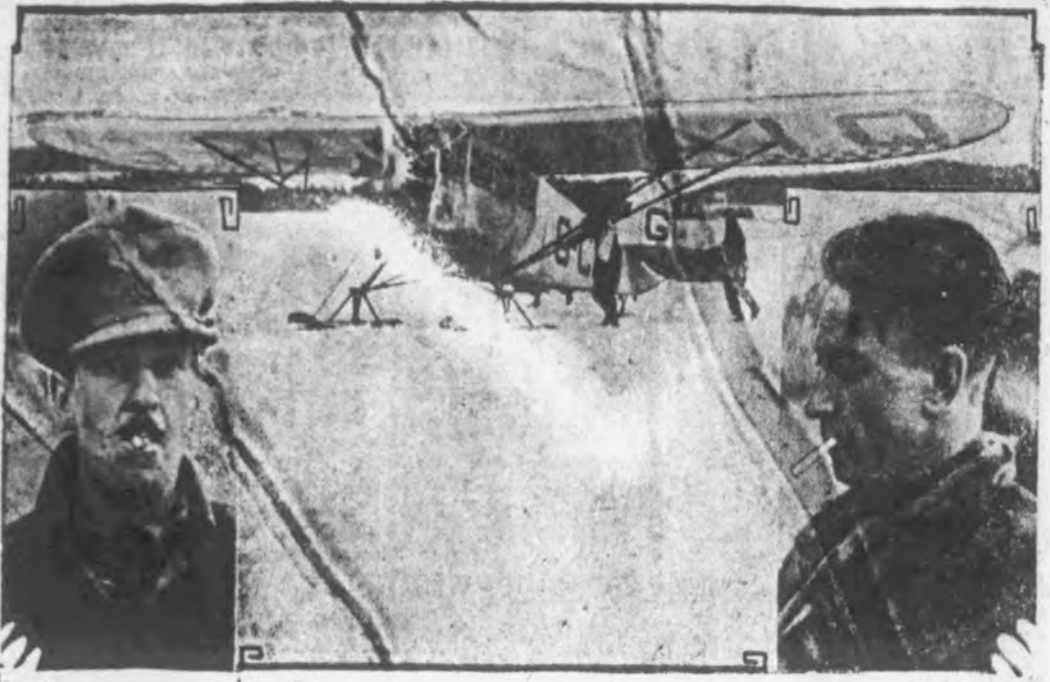

The veteran representative, Edward W. Pou of the fourth district is opposed by Paul W. Mack, Raleigh; T. E. Battley is against W. C. Hammer in the seventh, and Will W. Neal opposes Zebulon Weaver in the tenth.

The strongest fight for Congress on the Democratic ticket appeared to observers to be on in the ninth where the incumbent, Major Lee Bulwinkle is opposed by John G. Carpenter, and the Rev. Arthur T. Abernathy.

For lieutenant governor, the number of candidates stood at three. John D. Langston, Goldsboro; W. H. S. Burgwyn, Northampton county, and R. T. Fountain, Rocky Mount, have been campaigning for several weeks.

What was expected to be a four-cornered race for the commissioner of labor and printing office, loomed probable as a three-man fight when it appeared David P. Dellinger, former legislator, from Cherryville, Gaston county, would seek the legislative toga again. The capital learned Mr. Dellinger had changed his mind and wouldn't enter against Commissioner Frank D. Grist who was in the eastern part of the state today. O. J. Peterson, Pittsboro editor and Mitchell L. Shipman, Raleigh printing house owner, had filed against Grist.

WHEN IRISH AIR HERO LANDED AT MURRAY BAY.

A royal greeting in zero atmosphere was accorded Major Fitzmaurice by newspapermen and photographers when he landed at Murray Bay from Greenely Island in the plane of Duke Schiller, Canadian pilot. At left Fitzmaurice, the happy airman of Old Erin; right, Duke Schiller, first aviator to reach the stranded fliers; center, the machine in which Schiller brought Fitzmaurice to Murray Bay. (International Newsreel)

across the Atlantic, told by Baron Von Haefelfeld, will be read today with intense interest. Those that go down to the sea in airships will note that if the German air boat had not been most powerfully built the three passengers would probably have been killed when they landed on the ice covered pond.

President Alfred P. Sloan, Jr. of General Motors, is not exactly discouraged about the automobile situation. His company in March, 28, sold 36,911 more cars than in March, 1927, a gain of 22.2 per cent. And March broke all records for all time, total sales 197,821 cars.

Mr. Sloan expects General Motors to break the record in April, usually a bigger month than March. There is nothing the matter with this country or its prosperity, nothing to frighten us, except our own foolishness.

"Man's best friend," the dog, occasionally gets mixed in his friendship. Mrs. James McCormick told Policeman Dunn that Terrace Dillon, in whose apartment she lived, put her out. When the policeman

escorted the lady to the apartment, Dillon's dog leaped at Dillon, bit him on the right leg, bit the policeman on the right hip. Bit Mrs. McCormick on both legs, and then rested. A "police dog" would have done the job more thoroughly, but Mr. Dillon's dog did as well as it could. There wasn't anybody else to bite.

China announces a competition, with prizes for the best Chinese anthem, open to all Chinese. A hymn is also wanted for the Kuomintang party, and an anthem to honor the Chinese revolution. How would you begin such a hymn or anthem?

Something will be produced, strange to our ears, but as inspiring to the Chinese as Rouget De Lisle's battle song, the Marseillaise.

The Brown Daily Herald tells students of Brown University: "Drink-

We call for your car and deliver same when washed. Blue Bird Filling Station, Phone 107.

Company made less than \$25,000,000 last year. When I think of Carnegie, Rockefeller and others that have real money, I feel like a gypsy."

Today you read that Armour's wife and daughter take from their private fortune \$10,000,000 to pay the debts of Mr. Armour, who died last year.

"Take care how you get into the hands of high finance," said Mr. Armour, shortly before he died. "They took millions from me and had me on the way to the cleaners before I knew where I was."

One addition to the horrors of our bootleg-crime age. Twenty passengers riding peacefully in a New Jersey motor bus were ordered to get out, line up and be robbed by four highwaymen on a lonely spot between New York and Paterson. The bandits, also passengers, drove away in a Ford car parked in advance at the right spot.

Their work was easier than that of the James Brothers, who had to hold up locomotives.

MISSING GEORGIA PREACHER FOUND IN CALIFORNIA

Meridian, Miss., April 20.—(AP)—The Rev. Herbert D. Young, missing Waycross, Ga., Baptist minister, who is believed to have married a Mrs. Eva P. Walker of Covington, Ky., here several weeks ago after leaving his wife in Waycross, has been located in Los Angeles, Calif., according to a telegram received today by Circuit Court Clerk Roy Bush from Waycross, attorneys for Mrs. Young.

PRODUCE LETTER FROM PRESIDENT COOLIDGE IN BLACKLIST PROBE

Washington, April 20.—(AP)—A letter from President Coolidge was introduced in the Daughters of the American Revolution blacklist controversy today in an effort to show that the President recently indorsed one of the institutions mentioned in the alleged list of individuals and organizations the society held to be undesirable.

Show From 1 P. M. until 11 P. M.

Political Parties Meet in Illinois

Springfield, Ill., April 20.—(AP)—Six thousand delegates, equally divided in number as to party affiliation gathered today for the state conventions of the Republican and Democratic parties. The state's most talked of political figures, Gov. Len Small and William Hale Thompson of Chicago, were among those absent from the Republican convention which, if they had not been defeated in the April 10 primaries, they had hoped to control. Prominently present was Fred Lundin, "the poor Swede" who not so long ago was crony and adviser to each. His political head was axed when

the Small-Thompson alliance was effected last fall.

"Harmony" was the watchword among the Republicans, anxious to heal the wounds of a bitter primary campaign. Representatives of the defeated Small-Thompson organization assured U. S. Senator Charles S. Deneen, leader of the primary winners, that they would cooperate in putting forward a solid Republican front.

Frank O. Lowden, who was Illinois war governor and who was given a complimentary vote of nearly one million ballots in the primary election, appeared certain of a solid delegation to urge his presidential candidacy at the national convention in June. The presidential support of Gov.

Al Smith of New York was likewise a certainty at the Democrats' convention.

PRATT ELECTED CHAIRMAN STANDARD OIL COMPANY

New York, April 20.—(AP)—Herbert L. Pratt, president of the Standard Oil Company of New York today was elected chairman of the board, succeeding Henry C. Folger, who resigned recently. Charles F. Myer, vice president, was elected president of the company.

Bismark, N. D., (AP)—North Dakota may put a factory at its state penitentiary for making vitreous brick. The prisoners now make twine as a vocation.
