A Ride Tells

for Economical Transportation

a Wonderful Story Every day, the Bigger and Better

Chevrolet is literally selling itself to

thousands of new owners! Here are smoothness and quietness of operation never before thought possible except in higher-priced automobiles! Here are comfort and roadability that make continued high speed driving a pleasure! And here is effortless control that brings an entirely new order of motoring enjoy-

ment into the low-price field! No matter what car you may now be driving, no matter what cars you may have driven in the past-you owe it to yourself to take the wheel of the new Chevrolet ... and drive!

Come in today for a demonstration. We'll gladly give you a ride—as far as you like . . . over roads of your own selection!

You are warned that heart disease is increasing rapidly in America. Bootleg whiskey has something to do with it. The stupid habit of lashing a tired heart by drinking cocktails on an empty stomach has much to do with it. Gambling helps, and the fast pace of life in general.

New York city is opening a "Parents' Exposition." It ought to be useful. A most depressing parents' exposition is the modern collection of cocktail drinking young girls, with cigarette stained fingers, and flaskcarrying brothers.
