

## NOBILE VIEWS TOP OF WORLD SECOND TIME

### Italia on Her Way Back to Kings Bay After 750 Mile Trip To North Pole.

Oslo, Norway, May 24.—(AP)—Having viewed the north pole from the air for the second time in his life, General Umberto Nobile was heading back to Kings Bay, Spitzbergen, today in the dirigible Italia. For almost an hour early today the Italian exploring expedition which he headed cruised back and forth over the pole making the fourth time man has reached to the top of the world. From advices received here it was presumed that General Nobile had abandoned his plan to land an exploring party at the pole.

Starting from Kings Bay at 4:40 a. m. yesterday with a crew and a number of scientists aboard, the Italia headed to the north bearing a cross which Pope Pius had presented to Nobile to be placed at the pole. It took the airship more than 20 hours to reach the pole which is 750 miles from Kings Bay.

Arriving here about 1 a. m. today the dirigible circled around until nearly 2 a. m. when its blunt nose was turned southward and it headed for Kings Bay. There the base forces of the expedition eagerly awaited General Nobile's return hoping that in that hour of cruising he had wrested new secrets from the frozen north.

This latest conquest of the pole was the fourth. Including Peary's trek with sleds across the frozen seas of the arctic. Two years ago Nobile, then a colonel, flew over the pole from Spitzbergen to Alaska with Lincoln Ellsworth and Roald Amundsen in the dirigible Norge. This flight was preceded by a few days by the airplane flight to the pole and return from Spitzbergen made by Commander Richard E. Byrd and the late Floyd Bennett. On his return from the Norge, the expedition Nobile immediately began preparations for the present flight of which he was in supreme command.

The Italia was in communication with the base ship Citta Di Milano at Kings Bay at intervals during the trip northward. At nine o'clock in the morning it passed over Amsterdam Island, northwest of Spitzbergen. Three hours later the airship realized that the flight was progressing satisfactorily and all was well.

At 8 o'clock at night the Italia again reported "all's well" but did not give its position. The remainder of the dispatch to the base ship was in cipher and had to be sent to Rome to be decoded.

Two hours later a wireless message said the airship was following the 24th west meridian northward of Greenland toward the pole and expected to reach his goal within three hours.

Rome, May 24.—(AP)—The Vatican announced this morning that the following message had been received from General Umberto Nobile commander of the dirigible Italia on his successful flight to the pole.

"I and my companions express to your holiness our gratitude for the most high mission bestowed upon us and renew the expression of our profound devotion."  
"GENERAL NOBILE."

King Victor Emmanuel also received a message from General Nobile reading as follows:

"From the north pole, the crew of the Italia sends reverent thought to your majesty."  
Another message was received by Premier Mussolini reading as follows: "Today (Thursday) at 1:20 o'clock, the flag of Italy once more was spread in the breeze over the polar ice."

King's Bay, Spitzbergen, May 24.—(AP)—The base ship Citta Di Milano, which was in communication with the Italia until 7:30 o'clock this morning, when the dirigible asked for its position, was trying to get in touch with the airship this morning, no word having been received from the Italia since that time.

As the airship carries only one radio operator it was believed that he was taking a much needed sleep after having obtained the dirigible's position.

The personnel of the Citta Di Milano said that the airship remained over the north pole for two hours but that General Nobile sent no messages as to whether a descent had been made from the airship as had been planned. They were inclined to think that no one descended.

## 1000 CONTRIBUTION FOR BASEBALL FUND

The Reflector this morning received contributions amounting to \$600 for the fund now being raised to pay the admission of Greenville children between the ages of 6 and 10 years, to ball games here this summer. The total amount to make this plan possible is \$115.00. The contributors today were, Young Mercantile Co., \$50.00; Cash, \$100.

## EXTREMISTS ARRESTED IN BOMB CHARGE

### 100 Buenos Aires Radicals Held for Outrage in Which Seven Were Killed.

Buenos Aires, May 24.—(AP)—One hundred known extremists were under arrest today as police sought those responsible for a bomb outrage in which seven persons were known to have been killed and the explosion of which was prevented. The bombing was attributed by the police to anti-Fascists who are part of the radical element of Buenos Aires.

A strong police guard was placed around the Italian consulate where the bomb exploded and about the Italian embassy. The offices of Italian newspapers were also under guard.

With thirty persons seriously injured in the hospital, police today were searching for "the man with the poncho" as the perpetrator of the outrage.

Three employees of the passport bureau of the Italian consulate told police that about two hours before the explosion occurred, a short dark man entered the bureau. He was evidently from the pampas and carried a poncho over his arm. He approached a cabinet in the wall, and the employees were busy attending to the visso of Italians waiting to return home that they did not question him.

Some time after "the man with the poncho" left there was an explosion in the cabinet. It ripped a hole six feet high and four feet wide in the wall separating the passport bureau from the room adjoining. Persons in a room above were thrown from their chairs.

The building had only been occupied for a month and the scaffolding was still in place in the passport bureau. Fire started. One hundred firemen worked for several hours fighting the flames and dragging the injured victims from the debris and recovering mutilated bodies.

There were not enough ambulances to care for the victims and no taxis were running because of a general strike. Many of the injured were left lying on the sidewalks until enough automobiles were available.

The curiosity of a six year old boy averted a second bomb explosion in a pharmacy owned by one of the leaders of the Fascist organization in the dock section several miles away from the consulate.

Two customers had been in the pharmacy and left a valise under a chair. Shortly afterwards, Dante Mastronardi, the six year old son of the proprietor, opened the valise. He was burned by the fuse and his cries attracted employees. They put it out and prevented an explosion.

## Close Two Clubs In City of London

London, May 24.—(AP)—Scotland yard detectives early this morning raided two of the best known London night clubs, both owned by Mrs. Kate Merrick, "Queen of the Night Clubs" and mother-in-law of one peer and the prospective mother-in-law of another.

The clubs raided were the Forty-three Club and the Manhattan Club, largely patronized by fashionable people and known to many American tourists.

The procedure at both clubs was similar. A police inspector wearing evening dress was granted admission on the presentation that he was a guest. When the door was opened a squad of detectives followed him in and took possession. The names and addresses of those present were taken but no body was arrested. Mrs. Merrick was questioned at the Manhattan Club after which both clubs were closed. The grounds for the police action were not divulged.

HOUSE FOR ADJOURNMENT  
ON TUESDAY, MAY 29TH  
Washington, May 24.—(AP)—The House today adopted a resolution calling for adjournment of Congress at 5 p. m. Tuesday, May 29. The Senate still must act.

## SEARCH DEATH-RIDDEN COAL MINE

Scene at the shaft mouth of the blast-wrecked mine of the Mather California company at Mather, Pa., as rescue workers enter to search for the men trapped in the fire-swept tunnels.

## Senate Campaign Funds Investigating Committee To Remain In Washington

Washington, May 24.—(AP)—The senate Presidential campaign investigating committee decided to remain in Washington until after the adjournment of Congress provided that comes on or before June 2. The investigators voted against making another trip to New York to inquire further into the activities of the organization advancing the candidacy of Alfred E. Smith and to look into the work of the organization there for Herbert Hoover. Instead it will call witnesses to Washington for questioning on these matters.

## TEXAS BREAKS WITH AL SMITH OVERRIDES WAGE VETO

### Democrats Decide to Use Forty Votes at National Convention For a Dry.

Beaumont, Tex., May 24.—(AP)—Emerging from a spirited three-day fight centering on prohibition, Texas Democrats have decided to use their 40 votes at the national convention of the party to work for a dry platform plank and a candidate in sympathy with it.

This decision was reached at the state democratic convention here yesterday when the youthful Governor Dan Moody led the "hard-money" faction in a break with supporters of Governor Alfred E. Smith after the latter group had helped Moody's followers defeat a strong ultra-dry contingent in a movement to instruct against the New York governor.

The break followed an effort of Smith backers to obtain several representatives on the dedication to the national convention, by allowing each congressional district to name its own delegates.

Pointing to the adoption of a state platform demand demanding a dry plank in the national platform and a dry candidate for president, Moody said that as far as he was concerned, the state delegates never should vote for Governor Smith. However, he said during the pre-convention skirmishing that while he was opposed to Smith, he was against instructing against him by name and should the New York governor be nominated at Houston in June, he would urge Texas Democrats to support him.

## New York Woman Given Divorce By Paris Court

Paris, May 24.—(AP)—After following an unusual procedure in an effort to bring about a reconciliation, the presiding judge of the Paris divorce court today pronounced a decree in favor of Mrs. Felix Doubleday of New York.

The judge summoned the husband and wife before him and invited them to make up their differences.

Mr. Doubleday declared that he didn't want to live with his wife any more because she interfered with his business. The judge finally decided that abandonment had been proven after Mrs. Mumm Robinson, witness for the plaintiff, had testified that Mrs. Doubleday's life was a martyrdom. The decree was then issued.

## MASONS WILL BE GUESTS AT SERVICES HERE

### Eastern Carolina Masonic Bodies Invited To Attend Sunday Men's Services

One of the feature services marking the closing day of the Billy Sunday campaign in this city next Sunday will be that for "men only" to be held at 1:15 o'clock. It was stated by members of the Sunday party today.

Invitations have been sent to Masons of Eastern Carolina inviting them to be guests of the evangelist at this service. The invitation of Mr. Sunday was augmented today by one sent out under the signature of H. E. Austin, District Deputy Grand Master of the Fifth District Masonic bodies.

The message, which includes all Masonic bodies of Eastern Carolina, reads:

"Notice is hereby given that Billy Sunday has extended a special call, an invitation to every Masonic Lodge in Eastern Carolina to attend the Sunday service to be held in Greenville on Sunday, May 27th, at 1:15 o'clock.

All Masons of Eastern Carolina are urgently requested to assemble at front of the tabernacle on Ninth street, Greenville, N. C., on the above date."

This will be the fourth service conducted exclusively for men since the series of services began here four and a half weeks ago. The building has been packed almost to overflowing each time, but it is believed crowds at the final service Sunday will swell to unnumbered thousands.

Mr. Sunday has had numbers of organizations attend his services from time to time, but it is thought the coming Sunday will be the crowning service of the campaign.

The evangelist is familiar with the great cause represented by the Masonic bodies of the nation, and his sermon is expected to deal at length with things in which the membership is interested.

## A. L. Potter Passes Away At Home Here

A. L. Potter, 53, died this morning at 7:30 o'clock following severe illness of a few days, although he had been in declining health several years.

Funeral services will be conducted from his late home tomorrow afternoon at 3 o'clock by Rev. T. E. Parnham pastor of the Free Will Baptist church of this city, assisted by Rev. R. J. Jambler, pastor of Eighth Street Christian Church. Burial will follow in Cherry Hill cemetery.

The deceased is survived by his wife, mother and father, Mr. and Mrs. G. G. Potter, of Greene county; three daughters, Mrs. W. P. Blank, Greenville, S. C., Miss Betty Mae Potter, Greenville; Mrs. R. T. Parnham, of Wilson; one son, Raymond Potter, Goldsboro.

Mr. Potter was a member of the Free Will Baptist church of this city. He was a native of Greene county but lived in Greenville a greater part of his life.

He was engaged in the mercantile business on the edge of the city. Pall bearers will be:

Active: Lloyd Tucker, Lewis Wilson, W. H. Bradsher, C. W. Williams, J. L. Cannon, J. K. Brown. Honorary: Z. V. Murphy, D. C. Dudley, R. C. Flanagan, B. G. Albritton, J. H. House, J. L. Anderson, G. T. Evans, Jack Harper, L. T. Hardy, L. C. Arthur, D. A. Windham, L. W. Gayford.

Adjournment today resulted from compromise of fifteen or sixteen cases which had been entered on the calendar for hearing this week. Numbers were settled outside of the courtroom.

O. P. Pollard, of the Farmville community, was awarded \$2,412 against the Norfolk & Southern Railroad as damages to forest resulting from fire said to have been started by locomotives of the company.

The plaintiff filed suit for \$8,000, but the railroad contended that the sum was far too much for the amount of timber destroyed.

## Two Bank Officers Killed by Robbers

Lamar, Colo., May 24.—(AP)—After killing two officials of the First National Bank of Lamar, four robbers today were hiding somewhere along the Colorado-New Mexico border with a large amount of cash and negotiable securities.

Entering the bank yesterday firing pistols the robbers turned their guns on John Parrish, cashier, and his father, A. M. Parrish, president of the institution when they returned the fire. The first shot of the younger Parrish wounded one of the four but the father missed and fell with a bullet in his head.

Scoping up about \$10,000 in currency and nearly \$100,000 in negotiable securities, the robbers forced two tellers into an automobile and escaped. One of the tellers was released near here, but the fate of the other was unknown.

## N. C. Waterway Plans Delayed

Washington, May 24.—The decision of the Republican Steering Committee not to permit a Rivers and Harbors Bill at this session of Congress, means a delay until December of many North Carolina waterway improvements. The first district of North Carolina will suffer the greatest inconvenience, as Congressman Lindsay Warren had nine propositions included in the bill. In number these exceeded any congressional district in the country.

The first district projects included in the bill are:

Knobbs Creek, \$70,000 with \$500 maintenance.  
Edenton Harbor, \$57,000 with \$500 maintenance.  
Belhaven Harbor, \$55,000 with \$5,900 maintenance.  
Roanoke River, \$46,500 with \$1,000 maintenance.  
Silver Lake, \$11,000 with \$900 maintenance.  
Mackey Creek, \$1,100.

The total cost of the above projects will be \$249,000 with a total of \$1,900 annually for maintenance.

In addition to the above, the bill contains surveys for: Rollinson channel into Hatteras, Shallow Bay into Manteo, Fairfield Canal with a view of its purchase by the government.

Indications now point to the passage of the bill in January.

## Killer Believed Taken at Danville

Danville, Ill., May 24.—(AP)—A youth answering the description of Samuel Baxter, sought for the slaying of two Indiana deputy sheriffs several months ago, was arrested late last night when he registered at a hotel. So striking was the man's resemblance to pictures of Baxter that the hotel clerk noticed it at once, calling police.

The youth said he was McKenzie Ward of Middletown, Ill., and that he had been "bumming" through the south since the first of the month.

John Burns, who was a prisoner with Baxter last February when their guards, Deputies Wallace McClure and John Grove, were slain, was arrested Monday near LaPayette, Ind.

## Middlewest Regrets Veto Of Farm Relief Measure

Chicago, May 24.—(AP)—Many prominent agricultural leaders throughout the middle west today expressed disappointment and regret over the presidential veto of the McNary-Haugen bill, which dairy farmers in Wisconsin applauded the President's action.

A number of Republican candidates for state office decry the veto and some Democrats invited the "helpless minority of the Republican party," etc., as sent.

Chicago, May 24.—(AP)—Agricultural leaders throughout the middle west were virtually unanimous today in expressing disappointment and regret over the presidential veto of the McNary-Haugen bill.

Republican candidates for state offices vied with each other in decrying the action of President Coolidge, while Democrats invited the "helpless minority of the Republican party to join" with them to obtain "efficient relief."

Claude H. MacKenzie of St. Paul, Republican national committeeman said: "It is regrettable the President could not have signed the bill." Frank W. Murphy, Minnesota member of the resolutions committee at the coming national Republican convention, termed the President's action "the most amazing and unwarranted official act of any President in the last half century."

## Nationalist Envoy

Dr. C. C. Wu, member of the council of the Chinese nationalist government and former minister of foreign affairs, is in America to represent the nationalist cause.

## HOPE TO PROVE ALIBI IN CASE AT PITTSBORO

### Defense of W. H. Lawrence Begins Calling Witnesses to Stand.

Pittsboro, May 24.—(AP)—Apparently moving to establish an alibi, the defense in the case of W. H. Lawrence, on trial for the murder of Mrs. Annie B. Terry, today began calling witnesses to testify as to the whereabouts of the Durham contractor on the night of March 21 when Mrs. Terry was thrown into Cape Fear River from Avents ferry bridge in lower Chatham county.

Jesse Cannada and Jack Long, both contractors of Durham, swore they were with the defendant and talked to him between 8 o'clock and 9 o'clock on that Saturday night.

The state contends that Mrs. Terry was thrown from the bridge about 11 o'clock. Lawrence, according to testimony given for the prosecution by Sheriff Walker Blair, claimed to have gone home and to bed about 9:30 p. m.

Long said he saw the defendant, early Sunday, and that the two of them, with B. O. Riggsbee, of Durham, drove out to Duke University in Bigbee's car. The witness swore Lawrence suggested that they go in his automobile but that Bigbee's was chosen because it was a five passenger car and more comfortable for three large men than Lawrence's coupe would have been.

The state has sought to prove that stains in the Lawrence coupe, found two weeks or more after the murder, were blood.

Several character witnesses gave the defendant a good reputation. They included S. S. Bost, Alphonso Cobb, T. C. Worth, E. K. Powe, and K. P. Lewis.

While the mammoth warehouse-tabernacle has been crowded to capacity several times since the campaign has been in progress, it was stated today that the final days of the series were expected to witness greater crowds than ever before. People who have been neglecting to come from other sections will throng the large building at the four services Sunday, and hundreds are expected to take the trail leading to the platform where Mr. Sunday preaches, to pledge renewed faith in the teachings of the Bible.

Mr. Sunday has accepted an invitation of the Ministerial Association of Tarboro to address an audience there Friday morning. He has been generous in responding to invitations from other cities, and his visit to Tarboro is expected to draw enormous crowds from Nash and Edgecombe counties.

The sermon last night follows: Luke, the nineteenth chapter and the tenth verse: "The Son of Man is come to seek and to save that which was lost."

The division of the Bible into chapters and verses sometimes appears confusing. The original Bible was not thus sub-divided. All the words and sentences were joined together. The translator had to separate it up into sentences, verses and chapters. In the original there were no periods, colons or em-dashes. All this breaking up into sentences was man-made and for convenience sake to aid us in memorizing.

Sometimes a chapter begins in the middle of an interesting story, and not infrequently it ends opportunely and quite often it ends inopportunately.

If you would understand one chapter it would be necessary for you to read the chapter that precedes, as well as the one that follows. Particularly is that true of the eighteenth and nineteenth chapters of Luke, which should always be read together, for the conclusion of the story begun in the eighteenth chapter.

Jesus is on his final journey to Jerusalem. He is now going to Jerusalem for the last time, and when He arrived there shortly afterwards He was crucified, and He had been answering the questions of the Scribes and Pharisees respecting divorce, and He had been blessing little children. They came to Him and tried to ball Him up.

## BILLY SUNDAY STILL FIGHTS AGAINST SIN

### Continues Effort to Convince Audience Of the Sin of Denying Christ.

The sin of rejection of Christ as a personal Savior again formed the background for a highly-illustrated and colorful sermon at the tabernacle here last night.

Speaking with all the fire and pent-up emotion of the old Billy Sunday at his best, the evangelist drove home argument after argument, illustration after illustration, showing in vivid, potent terms the only direct way to salvation from sin.

The sermon was based on the story of Zacharias, and with all the fervor of an artist Mr. Sunday gave a graphic word portrayal of the mental reactions of the tax collector to the presence of Christ in the community.

Another good crowd attended the revival last night, and singing again was up to the standard. Homer Hammond has one of the best trained choirs for its size ever before heard in this city. When his three hundred voices begin singing the entire congregation becomes enthused and joins in with unusual spirit.

Attention was again called to the special offering to be presented to Mr. Sunday during the final service Sunday. The public is urged to give liberally to this cause as it is in this day alone that the city is able to show its appreciation for the splendid services which the evangelist and his party have rendered the community during the five weeks' stay here.

Mr. Sunday has signified his intention to preach four times Sunday. The first service will be held at 10:30 o'clock in the morning, taking place of the regular morning service at city churches. At one o'clock he will address a congregation of men, among whom will be a large delegation of Masons from all sections of Eastern North Carolina. Invitations were sent out by the local Masonic order today, and it was stated that several hundred were expected to be in attendance. At 3 and 7:30 o'clock he will address the general public.

Tonight members of the various Rotary clubs of Eastern North Carolina will be guests at the tabernacle. They were extended an invitation by the local club the first of the week, and President Rogers said today he expected to see virtually every organization well represented.

While the mammoth warehouse-tabernacle has been crowded to capacity several times since the campaign has been in progress, it was stated today that the final days of the series were expected to witness greater crowds than ever before. People who have been neglecting to come from other sections will throng the large building at the four services Sunday, and hundreds are expected to take the trail leading to the platform where Mr. Sunday preaches, to pledge renewed faith in the teachings of the Bible.

Mr. Sunday has accepted an invitation of the Ministerial Association of Tarboro to address an audience there Friday morning. He has been generous in responding to invitations from other cities, and his visit to Tarboro is expected to draw enormous crowds from Nash and Edgecombe counties.

The sermon last night follows: Luke, the nineteenth chapter and the tenth verse: "The Son of Man is come to seek and to save that which was lost."

# GREENVILLE DROPS GAME GOLDSBORO

Inability to hit, with runners at the third checking station ready to dash home, Greenville dropped the first game of the series to Goldsboro yesterday afternoon by the score of 2 to 0.

It was the same old story of lack of work with the willow, although the locals managed to connect for six hits against the visitors three, Goldsboro, however, had the knack of hitting with men on bases, and it was this fact that resulted in the two runners finding their way home in the third frame.

The fireworks started in the third inning with two men out, Smith was given a free pass to first, Patten was hit by the pitcher, and Hamlin lined the old apple out for two bases, scoring the two runners ahead of him.

Greenville made a desperate attempt to overcome this lead in the third and eighth innings, but failure to connect with two men on bases proved their undoing.

Wilson pitched a remarkably fine brand of ball and really deserved to win, but goose eggs were checked upon against him and his teammates each inning as they failed to use the willow opportunity.

Reberison, for the visitors, proved decidedly effective at critical stages, and positively refused to yield anything in the shape of a timely hit.

One of the interesting features in connection with today's game between the two clubs will be the appearance of Billy Sunday as an authorized league umpire. Mr. Sunday has seen active service on the diamond in years gone by, but this is the first time he has appeared as an umpire recently.

His knowledge of the game easily qualifies him as an expert in this particular branch of sports, and his decisions today will be watched with more than passing interest. It was not thought he would attempt to act as arbiter more than two or three innings, although the length of his stay no doubt will be determined by the way he is feeling when the game gets under way.

The box score of yesterday's game follows:

	G	A	R	H	P	O	A	E
Wilson, ss	3	0	0	0	2	1		
Smith, lf	3	1	0	1	0	0

## Raleigh Wins From Greensboro

By the Associated Press. Greensboro and Raleigh stole a march on their Piedmont team mates yesterday when they refused to be awed by the threatening elements and went ahead with their scheduled contest which Raleigh won in a spectacular rally 4 to 3. Meanwhile, Durham at Salisbury and Winston-Salem at High Point were rained out.

Four walks and a single in the ninth inning, provided the margin of superiority for the Caps over the Pat. Greensboro grabbed the lead in the first inning when, after a walk and two singles had filled the bases, Cox's hit took a high bound for a triple and scored the three ahead of him.

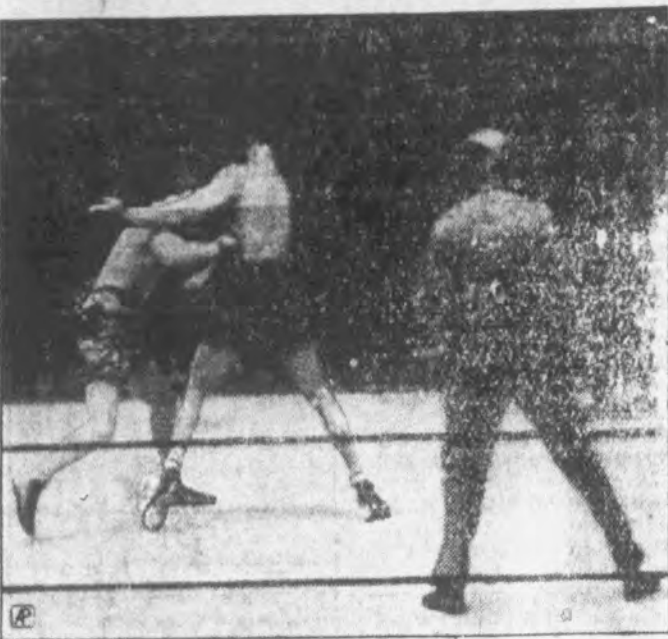

The Patriots, however, rallied in the fourth and sixth and it looked as if the game might as well end at that. Figures until the ninth came along and that was another story.

Rockford Honors Mandell. Rockford, Wis., May 24.—(AP)—This was Sammy Mandell day in Rockford.

The streets were bedecked with flags, the town band was ordered out, speeches were prepared and all the roles that go with home-coming celebrations were ready to welcome the "Rockford-Shek" upon his return from New York, where he successfully defended his lightweight crown from Jimmy McLarnin.

Heading the reception committee was Mrs. Sammy and eight months old Richard Sam, who the champion contends was born with his fists doubled up.

## MANDELL REPULSES CHALLENGER

Sammy Mandell retained his crown as king of the lightweights when he defeated Jimmy McLarnin in a thrice-postponed championship match at the Polo Grounds, New York. McLarnin is shown landing a blow in the third round.

 Portsmouth 6, Norfolk 2.

# HORNSBY IS MANAGER OF BOSTON SOX

Boston, May 24.—(AP)—Rogers Hornsby, traded to Boston Braves in a sensational deal early this spring, today was the manager of the team by virtue of the resignation of Jack Slattery, who stepped out after little more than a month of road management.

President Emil Fuchs, who in a statement describing the change said:

"We shall continue our efforts to build a fighting and winning team for Boston."

Slattery, who came to the Braves from Boston college, where he was coach after a long career in big league baseball, will continue with the club in another capacity but at the same salary. His contract has a year to run.

After managing the St. Louis Cardinals in 1926, when that team captured the world's championship, Hornsby was traded to New York. He was sent to Boston in a deal that left baseball fans gasping and fraught with runners of strife between Hornsby and John J. McGraw manager of the Giants.

Officials of both clubs denied, however, that there was anything mysterious about the trade in which the Braves parted with two young players. Hornsby was given a three year contract at \$40,000 a year.

Last February there was talk of a decision between Hornsby and his manager, which was annulled when Slattery was recalled to Boston on April 7 for what was described as a business conference.

But Slattery, Hornsby and club officials have persistently denied the possibility of rivalry and the two principals have never lost an opportunity to speak of each other in cordial terms.

Baseball writers said that Hornsby needed much persuasion to take over the helm and that rumors of "undermining" which had been current when he was sent here from New York had influenced him to such an extent that he told president Fuchs he would rather have been traded to some other club than to seem to have forced Slattery out. Fuchs assured him that the change was inevitable.

Slattery succeeded Dave Barneroft as manager last November and was instrumental in bringing Hornsby to Boston.

## Holds Derby Lead

Andy Payne, Clarendon, Okla., youth, clings to his lead for the \$25,000 first prize in C. C. Pyle's transcontinental footrace as the runners near the end of their 3,500 mile grind.

## J. Pluvius Wins Out in The Sally

By the Associated Press. Having had their activities cut short by rain for the past two days, South Atlantic Association teams were making ready today for a renewal of hostilities.

Charlotte and Columbia, however, managed to get in six innings yesterday before the clouds opened up, the Hornets being on the winning end of a 4 to 1 count when the game was called.

Knoxville and Spartanburg battled a full nine innings, the Spartans coming out on top of a hurling duel, 1 to 0.

Sawyer gave up only three hits to the winners while the Smokies were obtaining five off Warhop.

Home runs by Keyes and Kennedy aided Asheville in its 7 to 3 victory over Greenville. Moore, of the Tourists, and Chilton of the Spinners, each allowed seven hits during the same number of inning before rain forced a halt.

# DECORATION DAY SPECIALS

in  
**GOODYEAR TIRES**  
 Greenville Tire & Battery Co.  
 419 Cotanch St. Phone 459

Here's a special opportunity to get "all set" on your tire problems for the entire summer. Put on new Goodyears now—special offerings make it possible for you to enjoy a trouble-free trip over Decoration Day. If you like, we'll take your old tires in trade on brand-new, stout Goodyear All-Weather Tread. Balloons one or a complete set just as you say. We'll make you a fair allowance for every mile that is left in your old tires and put the new one on free.

# YANKEES AND ATHLETICS IN BIG STRUGGLE

By the Associated Press.  
After fattening on the rest of the league, the Yanks and Athletics today begin a hand-to-hand struggle, the encounter starts with a double header in Shibe Park. Another double meeting is on the card tomorrow and a single game on Saturday.

Connie Mack is lying in wait for the Huggins henchmen with Robert Moser Grove, Rube Walberg and Ossie Orvill, his southpaw sharpshooters as well as the veteran John Pius Quinn and Eddie Rommel, who fire from the right.

The Athletics need five straight to take the lead, for all of their grand record of 21 victories in their last twenty-five starts. The Yanks have taken 21 of their last 24—half a game better than the Athletic record.

The Yanks prepared themselves yesterday for the start of their sterner battle by shading the Red Sox 2 to 1, to make it three out of four from Bill Carrigan's warriors.

With none on in the seventh Phil Todd touched Henry Johnson for his third homer of the series and his sixth of the season.

The Athletics closed their practice session of outpitting the Senators for the fourth successive time. One William Shores held Washington to four hits and won by 4 to 2.

A triple play featured the afternoon in Chicago, as the vanishing Americans of Cleveland fell further from the running, the White Sox won their second straight, 4 to 3, in 10 innings this time.

The Browns handed the Tigers a rude jolt, 8 to 3.

The fighting in the National league was marked by Cincinnati's fourth straight victory over the not very bold Pirates, and the even division of a double header between the Giants and the Robins in Brooklyn.

The Reds pulled out by 4 to 3 in the tenth and remained in the league lead half a game better off than the previous day. As the second place Cubs were idle, the scores in Brooklyn were 4 to 3 for the Robins and 4 to 0 for the Giants.

### MAJOR LEAGUE LEADERS.

## BABY, DAD AND GRANDPA WIN A RACE

France went C. C. Pyle's transcontinental marathon one better in the way of freak races with a "three generations" event. The Steignarts won. Grandpa Edward, 51, covered 600 meters in 2:23 1/5; Daddy Henri dashed 2,000 meters in 8:01 and Baby Paul, just five, toddled the last 200 meters in 1:30 1/5 to win from a field of eleven teams.

## Goldboro Grabs First Place In East Carolina

By the Associated Press.  
Darkness came in the tenth inning of the Wilmington-Rocky Mount game yesterday and the Pirates and Bucs were locked in an effort to break the 8 all tie. Goldboro stole forward and grabbed first place in the Eastern Carolina League.

It all happened when the Pirates and Bucs were unable to come to a decision and had to cease playing in the tenth inning while the score stood even at eight runs each. Meanwhile, Goldboro was holding fast to a two run lead attained in the third inning over Greenville and managed to finish the game 2 to 0. Incidentally, the winning tallies were scored after two outs when Smith walked. Patten was hit by Wilson and Hamel cracked a two-bagger to score the runners ahead of him. It was one of three hits allowed by Wilson in the contest. Kinston and Fayetteville fought a desperate ten inning struggle at Fayetteville before the Stemmers yielded 3 to 2 to the Highlanders.

The losers filled in the sacks in the first inning but were unable to score until the eighth when they pushed across two tallies on Alford's double and singles by Branch and Rhea after Whitnel had been walked. The Highlanders tallied in the sixth and seventh and then Tom Young came through with a long single in the tenth that scored Harris from second and broke up the game.

### SUGGEST MAIL DELIVERY BY FAST AERIAL TROLLEYS

Paris—(AP)—Torpedo mail delivery at the rate of 250 miles an hour is said to be practicable by two French engineers, L. Hirschauer of the French Aeronautic service and A. Talou of the Southern Railroad of France.

They believe that urgent mail will one day shot around France on overhead trolleys in small torpedoes propelled by electric motors.

They estimate that installation would involve an outlay of only ten percent of the cost of a railway and that when traffic reached a volume of five tons a day each way on any line the profit on the investment would be 100 percent.

## Bushy Graham Wins Championship

New York, May 24—(AP)—Bushy Graham, flaring haired phantom from Utica, N. Y., today paraded on the banianweight throne that had been vacant in this state since Charley (Phil) Rosenber (oriented the 119 pound championship over a year ago).

Although he whipped Corporal Izzy Schwartz, title champion of New York Flyweights, in a 15 round match at Ebbets field last night to gain the crown, the boxer came of battling out a victory over a worthy opponent on even terms was not his. Instead a godly share of the honor went to the puny little Corporal, forced to fight as a flyweight and outwitted by a margin of 61-2 rounds.

Throughout the first ten rounds Schwartz, boxing like a little major won three rounds and held his bigger foe even in two others.

In the fourteenth round Bushy caught the little fellow with a volley of lefts and rights smashes to the head that dropped Izzy in the cloud of red dust their flashing feet had stirred. Blood streaming from his nose, his lips smashed and right ear twice the normal size, Schwartz barely managed to reach his feet at the count of nine.

## NERVOUS HEADACHE

Kentuckian Tells How Taking Black-Draught Relieved His Pains and How Well He Feels Now.

Waynesburg, Ky.—How a few doses of Theford's Black-Draught brought relief to a man who had been suffering from frequent spells of severe headache, is told below in the statement of Mr. Charles F. Todd, of Estesburg, near this place.

"I was suffering with nervous headaches. About once a week I would have these headaches, and have to quit work, and go to bed for about twenty-four hours. I would have pains in my neck, and right behind my right ear.

"A merchant at Estesburg saw me one day when I was suffering, and told me to try taking Black-Draught, which I did.

"I took a package home that night, and took a few doses. It relieved me. From that time on, I would take Black-Draught as soon as I felt like I was going to have one of those headaches—and they wouldn't come on.

"Every few weeks, I take three or four doses of Black-Draught, and I feel so well, and do my work, and don't lose any more time with headache.

"I haven't had a headache in six months."

Costs only one cent a dose. Get a package today. NC-159  
**Theford's BLACK-DRAUGHT**  
for Constipation Indigestion Biliousness

Throughout the final session, only the courageous heart of the flyweight kept him erect. Bushy caught him time and again with both hands to the head. Izzy's wounds increased but he summoned all his caginess and lasted till the final gong. He was a badly battered warrior at the close.

### FAIL TO POSTPONE NEGRO'S ELECTROCUTION

Raleigh, May 24—(AP)—An eleventh hour attempt to have the electrocution of John Clyburn, Charlotte negro, who is to die in the electric chair at state's prison tomorrow, postponed for thirty days ended in failure early this afternoon.

C. A. Smith, Charlotte attorney, who has been retained by Clyburn's sister to try to prolong the life of her brother, called Edwin P. Bridges, State Pardon Commissioner, over long distance telephone and pleaded with him to grant Clyburn a thirty-day respite. The commissioner refused. The stay was asked so requests for commutation might be filed.

## Add Color and Comfort to Your SUN ROOM and PORCH

With Beautiful Lloyd Loom Furniture

It's Surprisingly Inexpensive

FOR furnishing the Sun Room or Porch you can find nothing finer nor superior than the famous, nationally advertised, Lloyd Loom Furniture. LET THE KIDS SEE THE GAMES

A movement has just been started to provide free season tickets for kids of this city ten years old and under, to all ball games played on the local diamond. The club management has offered to issue such tickets to every child within the age limits if the citizens of the town will raise a fund of \$115.00. Already contributions have begun to come in and it is to be hoped that the full amount will be subscribed before the end of the week.

Of course, every citizen in Greenville is interested in our boys and this is one way that everyone can help to give these kids a world of fun this summer. If everybody will help, it will be no burden on anyone and the fun the boys will get out of it will certainly repay us well for the investment.

If you have not already decided to help out, do so now and let your contributions come in at once.

SIT STEADY

Again it is being talked that the power interests have their eyes on Greenville, and in the near future the effort to get control of our municipal plant will be renewed. In the face of the present conditions and the excellent manner in which our Water and Light Commission is conducting its affairs, it will certainly take a lot of talking based on facts rather than theories and idle promises to convince us that such a change would be an advantage to Greenville, rather than a detriment in the long run. Time and again The Reflector has set forth facts that show clearly that our water and light plants are a great asset to our city, and we do not feel that it is necessary now to again bring these facts to the attention of our people to make them reach the same conclusions that we have.

We do, however, in the face of reports of this renewed effort on the part of the power companies, want to urge our people to give careful study and consideration to the matter from every angle before they take any steps toward urging any disposition of our plants. Despite their millions and the promises of cheaper power and greater prosperity that usually accompany the efforts of a power company to get a hold in a community, our citizens can rest assured that it is not just interest in our welfare that prompts these companies to want what we have. With

enough power to furnish the entire county and then have a surplus, and rates that compare favorably with other sections whether or not they make or buy their power, we see no reason for Greenville to even give the least consideration to any offer that the power companies may make and we urge our citizens to sit steady in the boat should an offer for our plant be made and not be influenced by flowery pictures that will fade away once we let go our hold on the situation and the sunlight of reality rises before us.

ABOUT TOWN

"It is gratifying to note that Dr. Charles E. Brewer, of Meredith College, has been chosen as commencement speaker at the Greenville high school," a local citizen said today.

"Dr. Brewer is one of the best known educators in the state and what he has to say carries more than usual weight.

"He has spoken in Greenville before, and it is certain a large crowd will turn out to hear him on this appearance."

"The gift of \$250,000 to Lenoir College, announced at commencement exercises yesterday, will be received with more than usual pleasure by alumnae scattered over the country," a former student said today.

"This school has done a wonderful work during its long and honorable career, and its constant growth through the liberality of interested persons, is entirely deserving.

"It was fitting that Rev. W. A. Sunday, one of America's greatest preachers, should have been present to deliver the baccalaureate sermon upon such an auspicious occasion. The gift and the presence of the evangelist will be long remembered by the hundred or more women who graduated from the institution yesterday."

"A jinx's dream of conquest of the Greenville baseball club was dissipated by the locals' winning two out of three games from the Fayetteville Highlanders," an ardent supporter of the Tobaccoists affirmed today.

"The boys seem to be off on a winning spree now, and if they can keep the pace it will not be mighty long before we shall find ourselves perched at the top of the win column in the standing of the clubs.

"The acquisition of new players may have had something to do with this winning streak. We have not been able to decide this point yet. But we do know, however, that we are on the upgrade, and have a mighty fine chance of taking our place among the league leaders."

"Senator Hefflin, of Alabama, isn't satisfied that a huge slush fund has not been spent in North Carolina to further the campaign of Governor Al Smith, judging by his charges in the Senate yesterday," a reader told us today.

"He questioned the truth of testimony presented before the Senate investigation committee at Raleigh the first of the week, declaring that millions had been spent for this purpose.

"Senator Overman, of North Carolina, quite naturally resented the charge, and a verbal battle ensued.

"The Alabamian admitted he had no proof, but reiterated that he believed North Carolina had spent more than the \$3,500 presented in the committee's findings.

"Senator Overman admitted millions of dollars no doubt, had been spent, but said he had faith in the veracity of those testifying at the hearing.

"Hefflin is doing everything possible to do away with these slush funds, but he should not let his zeal stand in the way of common sense as in this case, and create enmity where good-will and friendship should exist for the good of the party."

Southeast District.  
Home of Mrs. J. G. Laulures, 9th St.; leader, Mrs. L. L. Rives.  
Home of Mrs. M. C. Smith, Co-tanch St.

### PUBLIC DEMANDS CLEAN, CLEVER COMEDY FILMS

"The public loves comedy," declares Henry Hobart, producer for First National Pictures, of the stirring comedy drama, "No Place to Go," today and tomorrow at the White theatre.

In this he is not alone, of course, for the fact is apparent that the majority of film patrons insist that plenty of laughs be interspersed in most of their celluloid fare. It is true that occasionally a story is of such tragic or dramatic nature that it has little chance for comedy relief, but such pictures are in a minority.

Hobart demonstrated his theory in "The Poor Nut," another First National Picture, which is regarded as one of the most enjoyable comedies that has reached the screen this season. In it appeared Jack Mulhall and others.

"Comedy of the screen, however," Hobart insists, "must be clean and clever; the slap-stick variety is all right in its place, but it seldom fits into a picture that endeavors to carry a consistent story, however ludicrous. The situation comedy is what I refer to—and that is what 'No Place to Go' represents. We get a lot of fun out of the cannibals, for example, but it all hinges on a natural incident, the romantic tendencies of a girl who has become jaded with New York night club life and the jazz of the moment."

### JUDSON BLOUNT ELECTED SECOND V-PRESIDENT OF STATE MERCHANTS ASSN.

Nineteen or more members of the Greenville Merchants Association returned last night and today from Elizabeth City where they attended the twenty-ninth annual session of the North Carolina Merchants Association. The sessions were concluded last night.

Harry W. Courtney, of Lenoir, first vice-president, during the past year, was elevated to the presidency when President M. E. Newsom, of Durham, declined an unanimous tender of the office for a second term.

The other officers elected were: Dallas Holloman, Raleigh, first vice-president; Judson H. Blount, Greenville, second vice-president; T. C. Hinkle, Lexington, treasurer; W. L. Dowell, Raleigh, re-elected executive secretary; Mrs. Mary McCaulley, Raleigh, assistant secretary and H. O. Sink, Lexington, re-elected field secretary.

**"WE SHALL KEEP THE FAITH"**

Oh, you who sleep in Flanders Fields  
Sleep sweet—to rise anew!  
We caught the torch you threw,  
And holding high, we keep the faith  
With all who died.

We cherish, too, the poppy red  
That grows on fields where valor led,  
It seems to signal to the skies  
That blood of heroes never dies,  
But lends a lustre to the red  
Of the flower that blooms above  
In Flanders Fields.

Now now the torch and poppy red  
We wear in honor of our dead,  
Fear not that ye have died for naught;  
We'll teach the lesson that ye wrought  
In Flanders Fields.

The above poem was written by Miss Moina Michael of Athens, Ga., and published in Holland's Magazine.

Miss Michael is called "The Poppy Lady of America." At her suggestion and through her persistent efforts, the poppy was formally adopted by the American Legion as the nation's memorial flower for symbolizing the sacrifice of blood for liberty.

Poppies will be sold in Greenville next Tuesday and Wednesday by the auxiliary of the Pitt county post of the American Legion.

### JACK SUTTON NOASE

Money previously reported: \$103.30  
Additional contributions:  
American Legion 5.00  
C. M. Warren 2.00  
Total money received \$111.20

The following work has been done at the home of Mr. Sutton:  
House covered at cost of \$90.41  
Hospital bed, mattresses, pillows, sheeting, etc. 33.00  
Wire for poultry yard 25.00

Total expenses incurred to date \$148.41

There is yet a deficit of \$36.21 of items of permanent equipment for the Sutton family. The items above does not include food, clothing, drugs for Mr. Sutton and family which must be taken care of as they arise.

For the information of those who are not acquainted with this case I will mention that Mr. Sutton is an invalid, having been in this condition for a bout six years and not able to move in bed without help. Drugs for alleviation of pain cost one dollar per week. Mr. and Mrs. Sutton have three small boys under ten years of age. The needs about a home of this sort should appeal to everyone and money to take care of the permanent equipment items ought to meet a ready response from our people.

Signed: K. T. Putrell,  
Supt. Public Welfare

### TWO CANDIDATES FILE PRE-PRIMARY STATEMENTS

Raleigh, May 23.—(AP)—Pre-primary statements of expenditures were filed yesterday in only two divisions of state office seekers where there is opposition.

According to the report made to the Secretary of State W. H. Burgwyn, candidate for lieutenant governor listed his expenditures as \$520 while O. J. Peterson, who seeks the Democratic nomination as commissioner of labor and printing, listed his at \$101.67.

Statements filed by unopposed candidates, largely state officers offering for re-election showed only the \$20 fee paid when they entered the primary.

R. T. Fountain, candidate for lieutenant governor; G. G. Robertson and A. T. Abernathy, candidates for Congress, are yet to list their expenses.

### AMALGAMATION PROPOSAL BEFORE PRESBYTERIANS

Tula, Okla., May 24.—(AP)—A proposal for amalgamation with the Methodist Episcopal and Congregational Churches was one of the major questions before the 140 annual general assembly of the Presbyterian Church, U. S. A., opening here.

Suggestions for the reorganization of the Princeton Theological Seminary and revision of the code of the church concerning divorce, also were before the assembly.

Mrs. Spilman's Commercial School in response to a request from six students to study bookkeeping under Mrs. Spilman, she began a class in September 1922, occupying only one room and had only two typewriters at the time. During this nine-months, thirty-two students have enrolled for this work. Of course this called for more room, so we now have three well equipped rooms in the Munford Building at Five Points. Eight new typewriters have been added. This gives the students their practice hour under supervision. School is open every night to give those who do not have typewriters in their home an opportunity to practice. We have also put in a telephone, No. 782.

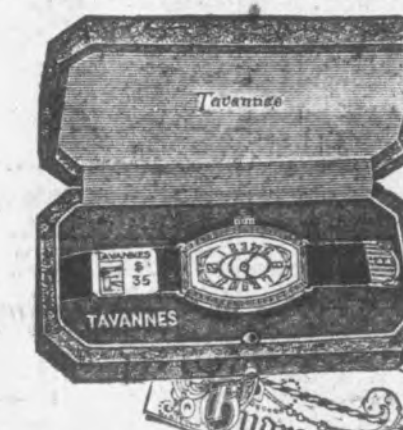

The success of our School is due to the fact that so many of these students are college graduates. More than half have had college training and several have their A. B. Degree. It is also impressed upon students, who are soon to take their places in the business world, that personality is a tremendously important factor in business, that the secretary's position is one in which refinement is of recognized importance. She is taught to realize that the largest measure of success is a combination of technical education, culture, tact and understanding of business situations. We are glad that cultured young women are glad to avail themselves of an opportunity to make a real contribution to modern business, for executives are eager for their assistants to be educated, technically efficient, who bring to their duties tact, diplomacy and personality.

Our school will be open all summer. You may enroll anytime. If you are deficient in any of the elementary subjects you will be given extra training. We have printed a leaflet containing information about the course of study offered. You can get one of these by calling or writing Mrs. Spilman, or any student.

### Brown-Howard

Mrs. Chessie Brown Mahit requests the honor of your presence at the marriage of her daughter Miss Margaret Elizabeth Howard to Mr. Jack Simmons Brown on Saturday evening, the ninth of June, at half after eight o'clock Methodist Episcopal Church Whitakers, North Carolina.

### Perkins-Letchworth

Their many friends of Greenville will be interested to know of the beautiful wedding on Wednesday morning, May 23, at ten o'clock, when the daughter of Mr. and Mrs. J. F. Letchworth, of Snow Hill, Ruth Brothers Letchworth, became the bride of William Lloyd Perkins of New York.

The bride was beautifully gowned in blue crepe and wore a lovely hat with accessories to match.

The bridegroom, formerly an electrician in Greenville, is now an electrical engineer in New York. The bride was formerly a student at East Carolina Teachers College, her home being in Snow Hill. The bridegroom's home was formerly at Wendell. He is the son of Mr. and Mrs. J. W. Perkins, of Wendell.

The bride and bridegroom will make their home in New York, which will interest their many friends.

### Miss Jennie Williams Ill

Friends of Miss Jennie Williams will regret to learn that she is in Pitt Community hospital for treatment.

### Parlor Meeting This Morning at Mrs. Hardley's

The latest parlor meeting of the "Billy" Sunday campaign was held on Thursday morning, May 24, at the home of Mr. and Mrs. G. H. W. Hadley. A large number were present to enjoy the meeting. Mr. Sun-

# LINDY DENIES PACIFIC FLIGHT

## American Flying Ace Makes Clear His Duties as Air Transportation Head.

New York, May 24.—(AP)—Col. Charles A. Lindbergh's new job will be a "man sized" one but it will not preclude his participation in other aviation matters of a non-commercial nature.

He made this clear in an interview clarifying the duties of his post as chairman of the technical committee of the newly formed transcontinental air transport which he was named Monday by C. M. Keys, president of the company.

His other interests, however, do not include another trans-Atlantic flight, he said.

"I never have said that I was going to make that flight," he said in answer to a question as to rumored plans for a flight to Europe by way of Labrador and Greenland. "I cannot be responsible for plans that have been attributed to me on which I have made no announcement. However, I am very much interested in the future possibilities of trans-Atlantic flying, and in this connection I have made a study and expect to continue studying not only a possible northern course but other routes."

He also denied that he contemplated a trans-Pacific flight and expressed the opinion that when and if he should make such a flight it would be with "something different from what we have today."

## Bremen Fliers Get Ready To Return Home

Quebec, May 24.—(AP)—Their tour of the United States and Canada ended, Major Fitzmaurice, Captain Koehl and Baron von Hueneberg today turned their faces toward New York and home. They will sail from New York either for Ireland or Germany on June 9.

Whatever their destination when they leave New York they will go together.

"I don't know whether it will be Dublin or Berlin," the German Baron, backer of the trans-Atlantic flight, said.

## PILOT NAVY'S RACING BALLOONS

Lieut. J. H. Stevens (left) and Lieut. T. G. W. Settle will pilot the navy's two balloons in the national elimination balloon race which starts from Pittsburgh May 30.

The flight, said, "If the choice is Dublin we will stay there with Fitzmaurice, and if in Berlin, our Irish companion will accompany us to the motherland."

The Bremen trio arrived here yesterday afternoon from Montreal to take part in the Canadian capital's Arbor Day ceremonies, during which each planted a tree, and attended a reception given them by the provincial government. Later they were guests of the United Irish Societies of Quebec City.

## SEARCH FOR LAST MINER

### Eighth and Last Victim of Harlan Disaster Object of Rescuers' Search Today.

Harlan, Ky., May 24.—(AP)—Hampered by bad air, rescue workers pushed ahead slowly into the recesses of black mountain coal mine today in an effort to find the eighth and last miner believed to have been a victim of the explosion in the workings Tuesday night.

Fred Romine, 35, alone in the mine which so far has yielded up the bodies of seven fellow workers, was the object of the search. His lunch pail and packet were found yesterday, but his water jug and carbide flask were gone from the place where he was thought to have been caught by the blast. This was taken as a sign that he might have found a place to await the coming of the rescue crew.

Although workers believe he is dead, his wife, remaining at the surface for word of him, displayed no uneasiness.

"He has been in these explosions before," she explained. "Once back

in Pennsylvania he was entombed four days and when he was found, he had built himself a little place to sit." She believes he has been able to rig up a canvas battie to protect himself from the poisonous air in the mine.

Mine officials today estimated damage at \$100,000. All save rescue work has ceased, and it will not be until Monday that repair work will be started.

## To the People of Pitt County:

I greatly appreciated the vote given me for Judge of the County Court four years ago, and I shall again be a candidate in the Democratic Primary on Saturday, June 2, 1928.

I am not a politician and I do not represent any faction. I do not ask for this office for personal profit, but in order to render service for the public good. To help make Pitt County a better place in which to live is my ambition.

If I am nominated and elected to this office, it shall be my purpose to give everyone a square deal and to administer justice with equality, fairness and impartiality to all according to law and the dictates of an honest conscience.

Assuring you that your support would be most sincerely appreciated, I am,

Yours to serve,

# JAMES L. EVANS

# ESSEX Super

## Outselling All Sixes

World's greatest value by the verdict of the world.....

The most important thing ever said of Essex is said by buyers in the largest 6-cylinder sales, and the most overwhelming competitive preference of automobile history.

In many territories Essex sales exceed those of any other "Six" by more than 2 to 1. And, with slight variations, this preference is the nation's and the world's.

The only prestige back of this enormous success is the public knowledge that Essex has always stood for value—and this times such pre-eminent value that there is no second.

Just to examine and ride in an Essex Super-Six reveals such visible margins of value, in beauty, performance and comfort, that you cannot fail to share the overwhelming public conviction.

# Market Report Cotton--Stocks--Grain

**NEW YORK COTTON**  
New York, May 24.—(AP)—Prospects for fair weather over nearly the entire belt were reflected in further liquidation and gradually sagging prices in the cotton market today.

Some trade buying was reported on the decline which carried active months about 20 to 25 points net lower, but mid-afternoon prices were within 2 or 3 points of the lowest. Futures closed barely steady, middling 20.95.

**CHICAGO GRAIN**  
Chicago, May 24.—(AP)—Temperatures of 100 in the spring wheat belt and no rain hoisted wheat values anew today. Crop comments from the northwest were generally more pessimistic. Leading authorities said the northwest had not received normal spring moisture and that unless rains come soon damage would be inevitable.

Wheat closed unsettled 5-8 to 1-1-8 net higher; corn 1-4 to 3-8 off to 1-4 up; oats showing 1-8 to 1-4 to 5-8 to 3-4 advance and provisions at a rise of 2 to 10.

**STOCK MARKET.**  
New York, May 24.—(AP)—Stock prices made further recovery in today's market. A flurry of selling swept through the market at mid-day, but offerings were well absorbed, and the market resumed its rise under the leadership of the steel, sugar, copper, food and airplane shares. Trading showed a moderate expansion in volume.

The day's news developments were largely favorable. Call money was still available in the "outside market" below the official rate of 6 per cent, refined sugar prices were advanced 1-10 of a cent a pound and a firmer undertone was reported for other prices.

Adams Express, which soared 17 points yesterday, made a similar recovery today. Curtiss aeroplane ran on nearly 11 points and Wright the 2, losing half of their gains in the noon selling movement, and ending heading upward again.

The closing was strong. Total sales approximated 3,000,000 shares.

**Quality Counts**  
In Staples For Household Needs

Trademarked brands offer a dependable quality that is the same from day to day. An organized buying unit enables us to take advantage of fortunate market conditions and unexpected changes—the results are brought to you in consistent low prices.

**The Most Expensive Thing You Ever Bought**  
Now honestly, what was the most expensive thing you ever bought? Wasn't it the dress, or the pair of shoes that you put away in the closet after a few wearings—the article that didn't quite please you when you got it home.

Sometimes this is because your mind was too uncertain, but generally the article did not look as well after a few wearings as you thought it would.

That is exactly the reason we do not sell "seconds," job lots or bankrupt stocks. Our merchandise must stand the most rigid inspection before we offer it to you. We don't want any of those "expensive purchases" to be from our store, if we can help it.

**Add the Charm of Color With Attractive Cretonnes**  
Cretonnes add color and charm to your rooms at such a modest expenditure. Now is the time to make gay summer pillows, lamp shades or slip covers.

A wide assortment of designs at this low price. Good quality.

Finer cretonnes in rich color combinations for home use.

HELLY SUNDAY STILL  
FIGHTS AGAINST SIN

(Continued from Page 1)  
"Look here, according to the Mosaic Law, if a man died a brother would have to marry a widow to raise up seed to the name so it would not be lost. Here is a woman whose husband died and she had seven brothers, which is it to be?"

**Nice, only Relationship.**  
And Jesus said, "There is no such relationship in Heaven. There is neither any marrying or giving in marriage. There are no males or females, for they are equal with the angels, so there is no relationship in Heaven like they have on earth."

So He had been answering the questions of the Scribes and Pharisees respecting divorce and blessing the little children, and as soon as He had finished this latter act of grace a rich young ruler said to him, "Good Master, what things must I do to inherit eternal life?" Jesus turned to him and said: "Why do you call me Good? There is only one Good and that is God. That used to puzzle me when I was a young Christian, for I used to say if Jesus Christ was not good, where will I go to find one that is?"

There was a little touch of sarcasm about that. "You had been saying that I am a fraud when I told you that I had fulfilled the prophecy. You say I am a fraud, yet you come to me and ask me what to do to inherit eternal life." Jesus continued, saying, "Do not bother to ask me, 'Good Master, what shall I do?' for I am not even good if I am not what I claim to be, therefore my opinion is worth nothing to you. So don't bother me. You go to God and ask Him about it."

Here were two young men at the climax of the world. Here was a young man, rich and a ruler. Here was Jesus Christ, the Son of Man, and they were both about the same age, and this young man came to Jesus and said, "What must I do to get what you have got? If I have all that I have, but do not have what you have, then it won't do me any good."

But Jesus Christ didn't ask the young fellow what he must do to have whatever he had. The rich young ruler knew that what he had would not save him. "I am perfectly willing to give up all what I have to have whatever He had," the rich man said; "please tell me what I can do to be saved."

**A Miracle Man.**  
You go ahead and get all the world can give, but you are worth nothing unless you have what Jesus Christ can give. That rich young ruler had everything, but he said, "What must I do to get what you have got? Tell me, for I want that, too."

So they entered the city of Jericho. There were two famous men that lived in Jericho, one was Bartimeus, the blind man, and I see him as my friend comes down the road, and he says, "Bartimeus, I can see."

"Why a man named Jesus came to our town and I heard of the wonderful cures he had wrought for others and I said, 'Lord, let me have my sight,' and he opened my blind eyes."

And I imagined the look of sadness sweep over the face of Bartimeus and he said: "Well, I have heard of what Jesus has done for others, but Jericho seems to be a little off the place where He is and I guess I am doomed to go through life blind, but if He ever comes to this town I will surely ask Him to open my eyes."

His friend said: "There is a company of men and women! I wonder what it means. I will be back in a little while."

He left his friends and in a little while, rushing back, he says, "Cheer up, I have good news. It is Jesus Christ, the same one that opened my eyes and He is coming down the street where you are sitting."

And Bartimeus began to cry: "Thou Son of God, have mercy on me."

And the crowd said, "Keep still, don't bother Him."

And Jesus said, "Who is calling me?"

And they said, "Nobody but a blind beggar that accosts everybody that comes along, and he thinks that you have come to help him."

And Jesus said, "You go tell him that I want him."

And those that had told Bartimeus to keep his mouth shut, were the messengers of Jesus.

Jesus said: "What will you that I should do unto you?"

And Bartimeus said, "Lord, that I might receive my sight."

Jesus said: "Go thy way. Thy faith hath made thee whole," and he went his way praising God.

**Zacchaeus at Home.**  
And there was another famous man that lived in that town named Zacchaeus, the subject of my sermon. He was the chief of a gang of publicans and he was rich and he had made his money by trickery and by intrigue and extortion because of the system that was then in vogue.

You must remember that the Jews were under control, at that time, by the Romans, and they were severe in their commands. The Jews were hard-working, thrifty, industrious people, and the Romans were lazy, lustful and indolent, and so the Jews were required to come into the temple every year and bring their money and lay it before these money changers. It was only a single taxation system, the only one I have ever heard of that was in working force.

the rest of it, and the Roman government began to feel the effects of that system and they said: "We will have to change this system or we will go into bankruptcy."  
And so here is what they did and it was the law that was in force when Jesus came on earth. The Roman government figured out how much money they had to have from Palestine and from the Jews and they took no chances. They said: "It takes a Jew to catch a Jew." So they figured up and they sold the privilege of collecting the taxes to a gang of fellows who paid the Roman government the full amount that they figured they had to have from the Jews. For example, supposing that I should buy from the legislature of New York the right to collect the taxes and I paid ten million dollars for the privilege, then I would make fifteen to twenty million on it.

**A Richer Man.**  
The Roman government gave a certain figure and they didn't give a rap how much beyond that the Jews paid, just so long as they got their money. So Zacchaeus was the leader of that gang of publicans who purchased the privilege of collecting the taxes from the Roman government. So that was the way he had made his fortune.

So here is a man, rich in money, wanting to see a man rich in popularity. Jesus. Here is a man who is wealthy considered in what he had stolen from the Jews. Here is a man, Jesus, wealthy in blessing and benediction which He had bestowed upon him. Jesus Christ was the really, truly and rich man, although He didn't have two coats on his back. Jesus didn't have enough money to pay His taxes and Peter had to go down to the sea and catch a fish and they found gold in the fish's mouth which He used to pay taxes, and yet Jesus was the richer man.

And there was a great crowd in the streets. Zacchaeus was a man short of stature and he could not see over the heads of the crowd, but he saw the route which Jesus was taking would take Him down to the famous sycamore tree.

I should think when you read the obituary notices in the newspapers or see a funeral procession you would remember that you have to pass by that way and you would be ready for it and you would be prepared, for the time coming sooner or later when we will all pass that way.

So he saw the route that Jesus was taking would take Him down to the famous sycamore tree and so he took a circuitous route around the crowd and made for the tree.

**An Invitation.**  
And Jesus came down the street and seeing Zacchaeus He said: "Zacchaeus, make haste, for today I must abide at your house, for the Son of Man has come to save that which was lost."

And I can imagine Zacchaeus saying to himself, "I wonder who has been telling Him about me."

The reason for the command was

Smith's Foe Called

Sen. Thomas J. Heflin of Alabama has been invited by the senate campaign funds committee to testify about his charges that a huge fund has been raised to further Gov. Alfred E. Smith's presidential candidacy.

that he wanted to dine at his home. Jesus was honoring the most unpopular man you could have found in the kingdom!

"Why, how do you do, Jesus. If I had the slightest idea that you were coming up here to see me I would have had my limousine here, but I didn't know you were coming. Too bad, for I just bought a new Pierce-Arrow. Isn't very far over or I would phone the chauffeur to bring it over, but you don't mind walking, do you?"

And I can see them going down the street of Jericho. Zacchaeus and Jesus with His disciples going up to the house. I have often tried to imagine what kind of a woman Mrs. Zacchaeus was. There isn't a word said about her. I imagine the children were out in the front of the house playing and they saw their father coming and they said, "Ma, here comes Pa with a lot of men."

That was not unusual then, they had no hotels. People invited themselves up to Zacchaeus' house, that was the custom in those days. And so Jesus said: "This day must I abide at your house," so it was up to Zacchaeus to come across with the grub.

And so I can see the children when they see their father, go back into the house and say, "Ma, he is bringing them all into the house."

And she would say: "Here, take your hobby horse, and put that chair out of the way," and I can see her fixing herself up, busting around to get the house looking presentable.

"This is Jesus of Nazareth, and

this is Mr. Peter, Mr. John, Mr. Nathaniel, Mr. Bartholomew," and no doubt they had the same custom of introducing his wife to all the disciples and he said, "I brought them up to the house to dinner."

Jesus did not come up there to eat what that rich Jew had to eat. He went up there to win him to the fact that He was the Christ, and when He bade them good-bye he said to Zacchaeus, "This day has salvation come to your house," and He left behind Him one believing that He was the Christ, the Son of the living God. He said to him, "Make haste."

So, as I go up and down the land, I find men making haste to be rich. They make haste to write their names high on the scroll of honor. That is commendable. They make haste to secure a brilliant education; that is commendable. When a man is sick he will make haste to get well, and he will summon the best surgeon or the best physician. He will visit the world-famed sanatoriums and drink the waters that will counteract the disease, but why in the name of God, don't you make haste to get right with God?

Come down from your perch of curiosity. What brought you here tonight? Because you had listened to the dirty, black-hearted lies of some of these degenerates of hell around the street and you thought you would come in to see what I looked like?

There are some men that can't bear to see anybody decent. No, no, because they know if people are converted they will have to go out of their dirty business and they can't feed and fatten on the misfortunes and sins of other people. So they are afraid to have people come around to the tabernacle to hear because they will be converted and be decent and that dirty, stinking, black-hearted gang will have to go out of business. That is the matter with them.

Come down from your curiosity. Zacchaeus climbed that tree with no other ambition than to get a glimpse of Jesus Christ. Everybody was talking about Jesus, and so he wanted to see Jesus.

Come down from your pride. Why multitudes of men and women are not saved because they are too proud to come near this tabernacle and to proud to get up and walk down the aisle and by that act admit that there is something they can do that will make them better and bring them nearer to Jesus Christ. They are too proud to admit that they ought to live a different life from what they are living, and they are willing to go on imagining that it would be humiliating.

Jesus did not give a rap about what the people of Jerusalem would say about Zacchaeus climbing a tree to see him. I believe multitudes are more concerned about what other people may say or think than they are about God Almighty.

Ask them, if their names were called in the judgment, will they pay the penalty? Ask them if they

want you to steal tonight, if you are arrested if they will pay the penalty? No, sir, they will never do that. I suppose there are men and women here tonight who would like to take their stand but are afraid of the laugh that some members of your lodge, club, literary society, or your social circles, would give you, or what they would say if they knew you had taken your stand for Jesus Christ. Any man or woman that tries to prevent you from being a Christian, any man or woman that will sneer at you to make you regret that you did it; any man or woman who would laugh at you and the fear of those criticisms would keep you from Jesus Christ, he is so damnable and low down that I would not insult a polecat by comparing it with him. And if he is as low in stature as he is in principle he could kiss a rat without bending his knees. Why, he hasn't brains enough to make a dessert for a goat.

Sin—you roll it like a sweet morsel under your tongue, it may be remunerative to you, but don't forget that the way of the transgressor is hard, but the end of the road is a good deal harder than the road.

Sin—with that one word, S-I-N, I can spell all the murders, all the thefts, all the outrage, all the seduction, all the lust, the drunkenness, blasphemy, broken hearts, all the light, like a pestilence, that causes the misery of the world; all with that one word S-I-N. Come down from your sin and turn from it to the name of Jesus Christ and do His will.

There is a fear in the heart of every unsaved man or woman when they think of God. Why shouldn't there be? God could speak and the ocean would break their appointed bounds. God could speak and the tide would not stop at 7 or 8 feet, she would sweep over the Rocky Mountains. Couldn't God speak and this continent would sink into the sea?

Doesn't God hold in His hands the seas as they wash to and fro? Doesn't He hold in His hands the winds that blow? Certainly He does, but the Son of Man, tempted as we are tempted, tried as we are tried, oh, He stops by the wayside to help every tempest tossed and discouraged soul on earth. The Son of God in power, the Son of Man in sympathy. He comes to help us, if we will only let Him.

Oh, there is a big difference between seeking and looking. If I should get off this platform tonight and walk down that aisle and across the end and then I said to the ministers, "Last night I lost something." They would have a right to ask two things. First, what I lost and if it had any value, and second, if I were willing to spend any time in the search. If so, they would gather all the shavings and go through them all in search of it. That would be seeking.

The Son of Man has come to seek and to save that which is lost."
