

## G. O. P. PLATFORM PLEDGES TO MAINTAIN POLICIES OF PRESIDENT CALVIN COOLIDGE

### Farm Bill Equalization Fee Is Ignored; Sweeping Endorsement Given Administration, Congress

Convention Hall, Kansas City, June 14.—(AP)—Upholding the majority of its platform committee the Republican national convention today rejected a minority farm plank based on the principles of the vetoed McNary-Haugen bill. It had been proposed by Earl C. Smith, a Lowden delegate from Illinois.

Convention Hall, Kansas City, June 14.—(AP)—A platform fulfilling the hope of administration Republicans but challenged by the anti-Coolidge western farm leaders, and by some of the party's moister elements was spread today on the record of the Republican national convention.

Brought in by the platform committee after two days and nights of labor, and read from the speaker's rostrum by Senator Root of Utah, an administration stalwart and a pillar among Hoover friends, the declaration of party principles aroused immediate and insistent objections from those elements who had lost their long argument in the committee. The McNary-Haugen leaders, the young Senator LaFollette, and Dr. Nicholas Murray Butler were among the Protestants who notified convention officials they felt obliged to oppose adoption on the convention floor.

Kansas City, June 14.—(AP)—Ignoring any mention of the controverted equalization fee or the McNary-Haugen bill but pledging every assistance in the reorganization of the farmers' marketing machinery, the platform upon which the Republican candidate for President will stand in the November elections was presented to the convention today for its approval.

The farm plank, agreed upon after long and tedious hours of labor in the resolutions committee, declares a big problem faces the farmer, but instead of the equalization fee which prompted President Coolidge twice to veto the McNary-Haugen bill it proposes the enactment of legislation creating a federal farm board clothed with power to set up farmer-owned and controlled stabilization corporations or associations to prevent and control surpluses through orderly distribution.

The platform contains a sweeping endorsement of the administration and Congress and pledges to maintain and continue the policies of President Coolidge.

The much-discussed topic of prohibition, which, like the farm question, proved a problem in the resolutions committee discussions, is disposed of in a law enforcement plank pledging the party and its nominees to the "observance and vigorous enforcement" of the eighteenth amendment.

The agricultural problem is national in scope, the farm plank declares, and is recognized by the Republican party which pledges its strength and energy to the solution of the same.

The plank promises "ever assistance in the reorganization of the marketing system on sounder and more economical lines, and where diversification is needed, government financial assistance during the period of transition."

The farm question also is touched upon in the tariff plank, which declares a "protective tariff is as vital to American agricultural as it is to American manufacturing."

President Coolidge and Secretary Mellon are singled out for individual praise by the platform makers. "We endorse without qualifications the record of the Coolidge administration," the platform reads. The record of the treasury is described as "unrivaled and unsurpassed."

Through a long recital of problems and developments of five years, the platform reviews with satisfaction dispositions made by the President and Congress. Taxes, tariff, foreign policy, merchant marine, railroads and flood control pass in review as problems met and solved to the satisfaction of the party leaders.

Stabilization of the coal industry, prevention of excessive use of injunctions in labor disputes, rigid enforcement of the eighteenth amendment, and the drafting of resources in time of war are outstanding on the program the party mapped out for the next four years. ### Four Candidates To Stay In Race For Presidency

Kansas City, June 14.—(AP)—The four presidential candidates opposing Herbert Hoover's nomination, calling themselves the "Allies," decided today after the conference to have their names placed in nomination in the face of almost certain defeat.

Some of the candidates favored withdrawing their nominating speeches and retiring from the race before the balloting started, but today the candidates, Watson, Goff, Curtis and Lowden, agreed to go forward with their original program of having their names placed before the convention.

## INCREASE IN U. S. COTTON CONSUMPTION

### May Report Shows Distinct Activity Among Consumers Over Previous Month

Washington, June 14.—(AP)—Cotton consumed during May totaled 577,710 bales of lint and 62,000 bales of linters, the Census Bureau announced today. This consumption compared with 525,150 bales of lint and 57,513 bales of linters in April and 629,948 bales of lint and 71,988 bales of linters in May of last year.

In consuming establishments, 477,342 bales compared with 418,738 in April 30 of this year and 1,168,615 last year. In public stores and at compresses 2,991,653 bales compared with 2,668,637 in April 30 this year and 2,514,321 on May 31 last year.

Cotton spindles active during May numbered 17,820,608 compared with 17,822,160 in April of this year and 17,671,776 in May of last year. Statistics for cotton growing states included: Cotton consumed during May totaled 42,441 bales compared with 39,566 in April of this year and 455,448 in May of last year.

### Twenty States To Take Part In The Third Party Plan

Minneapolis, June 14.—(AP)—Twenty states will be represented at Chicago July 1 to discuss the projected formation of a third political party, it was announced today by Joseph A. Poirer, secretary of a national committee in charge of the convention plans. Several national farm and labor organizations are sponsors of the meeting. Poirer mentioned Senators Nye of North Dakota, Brookhart of Iowa, and Norris of Nebraska, as among those interested in the convention.

### One Killed When Storm Forces Down Airplane Squadron

Le Bourget, France, June 14.—(AP)—Seventeen military airplanes of a squadron of 21 were forced down, five being wrecked and one observer killed, during a night flight from Nancy, which ran into a violent storm in the Parisian region.

Twelve of the planes have not yet reported, but it is hoped that they made safe landings in the country district.

### LEARN OF ATTEMPT TO ASSASSINATE PRINCE

London, June 14.—(AP)—An exchange telegraph dispatch from Tokyo says that an attempt was made to assassinate Prince Kuniaki, father of the present emperor during his visit to Formosa on May 14. This was learned when the press ban on news of the attempt was lifted today.

The dispatch stated that a Korean rushed at Prince Muni's automobile and hurled a dagger. The Prince was not injured. Otsunomiya Yamakami, governor general of Formosa, came to Tokyo and resigned, assuming responsibility for the incident.

### CROWDS JAM CONVENTION HALL ENTRANCE.

This exclusive Associated Press telephoto, which was rushed by airplane from Kansas City to St. Louis and from there sent by wire to Atlanta, shows the crowd milling and pushing about the packed Republican Convention Hall entrance an hour before the session was called to order.

## FOUNTAIN IS NOMINEE FOR LT. GOVERNOR

### Rocky Mount Attorney Becomes Party Choice After Langston Withdraws.

Raleigh, June 14.—(AP)—Richard T. Fountain, speaker of the house of representatives of North Carolina in 1927, today stood out in political circles as the Democratic nominee for Lieutenant-Governor. The Rocky Mount attorney became the choice of the party after Colonel John D. Langston, Goldsboro publisher, had announced he would not enter a second primary. The vote in the June 2 primary showed Fountain 84,411, Langston 68,480, and W. H. S. Bugwin, Woodland, 62,866.

Party harmony was one of the principal reasons Colonel Langston gave as the cause for his decision.

### Coolidge Party On Their Way To Wisconsin Today

Aboard President Coolidge's Special Train Enroute to Superior, Wis. June 14.—(AP)—After a comfortable night on the train, President and Mrs. Coolidge woke up early today to a rainy and misty morning while traveling through the central states on their way to the summer White House in Wisconsin.

Both Mr. and Mrs. Coolidge were reported by Col. James F. Coupal, White House physician, as much rested by their night's repose. Mrs. Coolidge especially had apparently suffered no ill effects from the trip. On Board President Coolidge's Special Train Enroute to Superior, Wisconsin, June 14.—(AP)—Delayed two days in leaving Washington for his vacation, President Coolidge was pushing steadily westward today on his way to his Wisconsin summer home.

With him was Mrs. Coolidge whose sudden indisposition on Monday caused the last minute postponement of the trip. Although she rose from her bed in the White House yesterday to undertake the move, she did so after careful examination of White House physicians who declared her sufficiently recovered to be able to stand the long journey without undue danger.

The departure of the Presidential party from Washington occurred without special ceremony. Mr. Coolidge was reported as having indicated that, owing largely to Mrs. Coolidge's condition, he would prefer that the customary farewells from cabinet officers and other officials at the station be dispensed with. Secretary Hoover, however, had called at the White House earlier in the day to say good bye.

Mr. and Mrs. Coolidge left the White House for the station almost three hours before the scheduled departure of the train. Mrs. Coolidge was strong enough to walk alone without even the help of Mr. Coolidge's arm, and alone she entered the car. To onlookers she appeared cheerful, smiling to those few who happened to be along their party in the station.

The large nine-car special train taking the chief executive west carried about seventy people.

## North Carolina Favors Drastic Farm Plank At Republican Convention

Kansas City, June 14.—(AP)—Farm relief kept the North Carolina delegation to the Republican convention twiddling their thumbs most of yesterday, but they hoped that today would find some action that would bring back some of the interest held out at the opening of the week's activities.

The tie-up in the resolutions committee over the question of an equalization, fee plank in the platform would ask for election in November shortened a dinner the national committeeman-elect, Mrs. Bess Kennon, had arranged to honor Mrs. R. H. Tighe, of Asheville, nominee for the Secretary of State of North Carolina and F. Sewell, of Carthage, candidate for Governor. And then the scheduled night session of the convention "fopped" when party leaders could not agree on an expression on farm relief.

Some of the North Carolina delegation, of course, favor a drastic farm relief plank, something advocating measures similar to the McNary-Haugen bill, while others want something along a line that will carry out the expressed idea of President Coolidge. The latter are basing their wishes on the known wishes of Herbert Hoover, who appears certain of nomination.

The far heel advocates of the strong relief plank are found among the ranks of the 13 delegates, favoring Frank O. Lowden for President and who will stick to him in the face of the bandwagon rush that developed yesterday and took the pepper out of the situation.

The vice-presidential situation is proving of considerable interest to the delegates. Most all of them plan to vote first for John Q. Tilson, of Connecticut, but if he can not be nominated or does not gather strength it now appears there will be a division running in several directions. Workers for Senator Moses, of New Hampshire, have been active in North Carolina circles, but just what was accomplished is doubtful. Several delegates favor vice-President Dawes if he will run.

The women members of the party have been having their day of it. Mrs. Kennon the national committeewoman-elect and Mrs. Lindsey Patterson, of Winston-Salem, retiring national committeewoman, were guests late yesterday at a tea given by Mrs. Alvin T. Hert, national chairman of the women's organization. Mrs. Patterson introduced Mrs. Kennon to all women members of the national committee.

Last night Mrs. Kennon arranged a dinner for state candidates in the delegation. The dinner was attended by all of the delegates and afterward Mrs. Kennon asked that the Eastern North Carolina men make a special effort to aid the women in getting together a nucleus of an organization in each county. She also asked that the five Republican women be gotten together and that they then start working among the women of the state.

"This is not a state job. It is a national one," she asserted. "They must know national politics from one end of the country to the other. They should be out working with the leaders of the party and not have to bother with the petty organization matters in the state. That is the work of the state chairman and the state chairwoman."

Besides the delegates there were present at the dinner Mrs. Katherine Miller, a niece of Mrs. Patterson; Mrs. Campbell, of Norwood, and Miss Mary Meekins. Mrs. Tighe, incidentally, is a strong supporter of the Hoover candidacy and during a meeting of the women's Hoover organization at the Hotel Biltmore was called on for a speech. It appears that an unusual way of selecting speakers was adopted. The women were asked to sing the song "Smiles." After singing it once they were asked to repeat it and it was announced that instead of singing the words of "Smiles," the singers should nod their heads. The one who forgot to nod instead of sing had to make a speech. Mrs. Tighe was caught and was called upon to tell "Why I am for Hoover."

At the opposite end of the Atlantic peninsula, in Trepassey Bay, some 70 miles away, Miss Amelia Earhart, Wilmer Stultz and Lou Gordon were preparing for another attempt to get their monoplane, Friendship, off. Balked in several days' attempts at a take-off with their six-ton

## SHIP SPEEDING TO RESCUE OF NOBLE PARTY

### General Nobile Suffered Injuries When Dirigible Crashed on Ice Pack.

Kings Bay, Spitzbergen, June 14.—(AP)—General Umberto Nobile today, and the five men of the crew of the Italia stranded with him off Northeast Land, believe that they are now virtually safe.

In communications exchanged between the Citta Di Milano and the Nobile party, Giuseppe Biagi, radio operator for the stranded men, said that the group, which has been waiting rescue for almost three weeks, felt that safety was in sight.

No news has been received of the fate of the other ten men of the party. Three of these men, including Dr. Finn Malmgren, Swedish meteorologist, left the Nobile party May 30 in an effort to reach North Cape over the ice, and have since dropped from sight. The other seven men were carried off in the balloon part of the Italia when the control cabin was torn loose as the dirigible struck the ice.

Ice experts at Kings Bay said today that there was a possibility that the balloon party might have reached land, by being blown toward King Charles Island, south of Northeast Land in Barents Sea. During the three weeks since the Italia met disaster, there have been only a few days of good sunshine weather, most of the time being marked by strong winds and blizzards.

Kings Bay, Spitzbergen, June 14.—(AP)—The sealing ship, Hibby, was plowing her way toward ice-locked North Cape today as two airmen aboard her prepared to fly with temporary relief to General Umberto Nobile and five other survivors of the Italia disaster.

General Nobile, whose right arm and right leg were hurt in the crash, and his party were drifting on an ice floe westward toward the rescuers. They reached a point about 100 miles from North Cape to the north of Foyen Island. This bit of land is 300 feet high, but it was believed that it would be difficult for the castaways to see it under the existing conditions.

As soon as conditions permit, Captain Riser-Larsen and Lieut. Leutzow Holm, each flying in a seaplane, will start in search of the castaways, one of whom, Natale Cecconi, motor chief, has a broken leg. They will scan the pack ice for the tent which General Nobile has painted red to guide them. If the airmen locate the marooned men they will drop them food, medicine and proper equipment to withstand the cold.

The work of transporting the castaways to safety will be left to bigger planes enroute from Sweden and Italy and powerful Russian ice breakers.

## Abrupt Ending of Convention Spoils Fashion Parade

Kansas City, June 14.—(AP)—The abrupt ending to the first evening session of the convention last night ruined what started out to be a perfectly good fashion parade.

A few straggling women delegates, and several of the brand new committee women who hadn't the inside dope on what was due to be the outcome of the session, got to the convention hall a few minutes ahead of the second opening of the day.

Sleeveless summer frocks, no hats and a general evening festive appearance marked the feminine arrivals, but their day was a short one, for they had to file right back again to the lobbies of the hotels and the various clubs being used as delegation headquarters.

Business activities of the ladies included everything from the New York delegation keynote speech delivered by the blond, slim national committee woman, Mrs. Charles H. Sabin, to the all-day tea party presided over by Mrs. Albert I. Beach, wife of the Mayor of Kansas City, and the unofficial hostess of all the woman visitors.

Mrs. Beach, tall and gracious was the officiating genius at a party that numbered well over 1,000 guests both men and women in a cool, faintly figured green gettogether frock she smiled as pleasantly and sincerely at the end of the day as she did upon the first guest of the morning.

The new committee woman who have been selected so far will take their places with the state delegations at today's session. Seventeen states have voted to keep their former women representatives on the national committee while 20 have so far approved new ones. Among the new ones who have already assumed their duties are Mrs. Bess Kennon, North Carolina,

## WOMAN SUFFRAGE LEADER DIES AT HER LONDON HOME

London, June 14.—(AP)—One of the most picturesque figures in the woman suffrage movement, Mrs. Emmeline Pankhurst, died this morning in a London nursing home at the age of 69. Death came after a comparatively short illness.

Mrs. Pankhurst was the first militant suffragist in efforts to obtain the vote for women, millions of whom are now enjoying the privilege of voting their ballots at the parliamentary election as a result of the work of her and her supporters.

## BANDITS MAKE \$25,000 HAUL KANSAS CITY

### Three Shot by Fleeing Robbers in Crowded Downtown District Today.

Kansas City, June 14.—(AP)—Six or eight bandits today held up the Home Trust Company in the downtown district here and escaped with loot estimated at approximately \$25,000. Two policemen and a bystander were shot by the robbers as they fled from the bank.

The street was crowded with delegates and others on their way to convention hall, six blocks away, for today's session of the Republican national convention when the holdup occurred. The jammed downtown street aided the robbers in their escape.

J. B. Smith, traffic officer, was shot in the neck and shoulder. His condition was reported dangerous. Patrolman Wiggins was shot in the leg, and an unidentified woman, standing more than a block from the bank was wounded in the leg. The bandits fled with loot as they raced away from the bank building.

There was no shooting in the bank. After the robbers had scooped up the money in the teller's cage, several employes hurried tear gas bombs and the bandits retreated through the overpowering fumes. The gas was so heavy in the bank 30 minutes after the holdup that it was impossible for bank officials to enter and make an accurate check up of the loss.

Alexander Rieger, president, estimated that the loot amounted to \$25,000.

## Files Suit For Death of Father

Paris, June 14.—(AP)—A woman claiming to be the daughter of the monk, Rasputin, one-time confessor of the late Russian Czarina, has filed a damage suit for \$100,000 for the assassination of her father against Prince Felix Yusouffoff and Grand Duke Dmitri Pavlovitch.

The woman bases her claim for damages on evidence in a book by Prince Yusouffoff which is just appearing in Paris in which the "execution" of the mysterious monk is described, and Prince Yusouffoff and Grand Duke Dmitri are named as principals.

The name of the plaintiff is Madame Marie Gregoriena Rasputin, aged thirty, widow of Boris Solovieff. Her counsel said today that her claim to be the legitimate daughter of Rasputin and Feodorovna Doubrovina is fully shown by papers which she has produced.

## State Convention Had No Effect On Harmony of Party

Raleigh, June 14.—(AP)—That the disorder and the outcome of the voting at the state convention had no effect on the Democratic party harmony and good will, was the opinion of party leaders today.

Senator Simmons, leader of the successful delegation elected, declared that "I don't think anything occurred in the convention that should cause disorder in the party."

Senator Overman after the session said that he noticed no show of bitterness. J. Crawford Biggs, Raleigh, said "there is no resulting bitterness and the prospects for a great Democratic victory this fall are bright."

## Six Killed When Tobacco Workers Begin Disorders

Athens, June 14.—(AP)—Six persons were killed and forty wounded at Xanthi today as disorders attendant upon the strike of tobacco workers, including those of the American Tobacco Company, continued.

Cavalry charged the strikers at Drama. The government decided to adopt a firm attitude in dealing with the situation.

## THREE STAND OUT BOLDLY FOR V-PRES.

### Dawes, Moses and Deenen Uppermost in Minds of Republican Hosts Today.

By FRANCIS M. STEPHENSON, Associated Press Staff Writer. Kansas City, June 14.—(AP)—Informal agreement was reached among some of the Republican convention leaders today to lay aside the "boxing" vice-presidential situation until Herbert Hoover's nomination is effected and he is given an opportunity to indicate his wishes.

Meanwhile the rivalry among the score of candidates was developing some high powered politics today with managers and even candidates rushing about the floor seeking to line up delegations. The stock of Vice President Dawes was declared on the wane by some of the Hoover administration group, but no outstanding opponent had been developed.

Once more the discussion returned to Senator Curtis of Kansas, who is holding off word to his friends of his availability until the Presidential race in which he is a contestant is settled.

Senator Capper, of Kansas announced there had been a renewal of talk among the middlewestern bloc for Curtis and that his name would go before the convention unless the Republican leader of the senate blocked it.

Eastern candidates were making a good battle with Senators Moses of New Hampshire and Edge of Massachusetts in a merry free-for-all for unopposed delegates. Senator Head of Pennsylvania was active on the floor for Moses, but Head's group claimed a large number of pledged votes, including some from the west and south.

Kansas City, June 14.—(AP)—Determined to get at least one kick out of the convention with the Presidential race virtually settled, Republican delegates were moving the most of their opportunity today to wrangle over a vice-presidential candidate, with Dawes, Moses and Deenen uppermost.

But it was all in the discussion stage as the proceedings moved slowly toward selection of the Presidential nominee and until Herbert Hoover eschews in an "his winning stack of delegates there appears to be little likelihood of a crystallization of sentiment on one man for second place.

Almost every state banner carried the flag of a vice-presidential candidate and some states had two or three on their hands. While the mass of delegates was in a mood to go ahead and have a good round of balloting on the vice presidency, there were a number of leaders anxious to wait and find out Hoover's position.

"Strictly neutral," was the word which went out from Hoover headquarters. Some Hoover folks believed the strategy demanded a middle western candidate, Vice President Dawes was the first name to be heard after the Presidential contest appeared settled and today he still was in the minds of convention leaders of many factions.

However, the name of Senator Deenen, of Illinois, from the same state as Mr. Dawes, had popped up with a good deal of force over night and there were indications that the Hoover people closest to the secretary would look with more favor on Deenen as against Dawes.

Meanwhile, the east was heard from with a roar as Senator Reed of the powerful Pennsylvania group, came out for Senator Moses of New Hampshire, who is presiding over the convention as permanent chairman.

But there were actually a score of candidates still in the running today, with the east also proposing Senator Edge of New Jersey; Governor Fuller of Massachusetts; Representative Tildon of Connecticut; and Representative Hamilton Fish, Theodore Roosevelt, Jr., and William J. Donovan, all of New York.

In the west, the names of Sam H. McKelvie, former governor of Nebraska; Senator Curtis of Kansas; Henry J. Allen, former governor of Kansas; Governor Baker of Missouri; Hanford MacNider of Iowa; General John J. Pershing and many others were still in the running.

## Australian Flier Knighted by King In London Today

London, June 14.—(AP)—Captain George Wilkins, Australian aviator, who recently completed a flight across the top of the world from Alaska to Spitzbergen, was knighted by King George today at Buckingham Palace. Announcement of Captain Wilkins' knighting was made in the recent birthday honors list.

# LOCALS DROP FIRST GAME TO VISITORS

The Fayetteville Highlanders took the first game of the current series from Greenville at the fair grounds in this city yesterday by the score of 7 to 4.

The outstanding feature of the contest, so far as the Tobacconists were concerned was a circuit clot in the ninth frame by Mattox after Walden had been issued a free pass to first.

Newsome started out on the for the locals, but he was wild and ineffective, issuing five free passes, yielding two hits in the nearly three innings he worked. Cherry was sent to the mound to do relief work, but he also proved to be wild at times.

Brilliant fielding featured the game for both clubs, Johnson and McCain doing honors for the visitors and Daniels for the Tobacconists.

Fayetteville will conclude the series in this city this afternoon, after which Goldsboro comes here to finish up the week's activities.

## Macon Peaches Drop Another

By the Associated Press. Macon has almost got what it takes to lead the South Atlantic association—almost.

In reach of Asheville, league leaders at the beginning of this week, the Peaches somehow have managed to lose a few heart-breaking games, the last of which went into the record yesterday, when Charlotte prolonged the agony by slipping up from behind the dugout to win 7 to 6.

Asheville, meanwhile, was widening the gap, drubbing Spartanburg ten to three, by bunching nine runs in the fourth inning.

Red Bates, the old Southern leager, stopped Greenville, 3 to 2, for Knoxville, although Felber's homer had a share. Augusta teased Columbia with a 5 to 3 defeat, after spotting three runs in the first.

## Durham Bulls Push Patriots Off First Place

By the Associated Press. Aided and abetted by Jim Fogleman, mound arust, the Winston-Salem Tyrns bested Salisbury in the latter stanza of yesterday's game and won 5 to 2. With the victory they stepped into leadership of the Piedmont League.

Greensboro was pushed out of first berth when the Durham Bulls played tight ball behind Weaver and won 8 to 5. Molly Cox blasted out his 12th home run of the season with the bases clear. Dubuque, new patriot rookie pitcher, was shelled out of the box by the bulls in the sixth.

Blanking Raleigh in the initial mixup of a double header the Pointers found the tables turned in the night cap. The scores were 6 to 0 and 2 to 0.

## Leon Duray Sets New Speed Record For Automobiles

Detroit, June 14.—(AP)—A new world's speed record for automobiles over any track other than a straightway, was set today when Leon Duray, noted race driver, piloted a car similar to the one he drove at the Indianapolis races over a two and one-half mile track here at a speed of 148.1 miles per hour.

The old record held by the late Frank Lockhart was 147.01 miles per hour.

Duray's new mark received official sanction from five representatives of the American Automobile Association who witnessed the event. The trial was made over the cement track at the Packard Motor Company's proving ground here.

## LOMSKI DISQUALIFIED IN FIGHT WITH LATZO

New York, June 14.—(AP)—Victory over Leo Lomski, light heavyweight of Aberdeen, Washn., appeared today to have clinched for Pete Latzo, former welterweight champion, another shot at his arch rival, Mickey Walker, king of the middleweights. Reeling about the ring under a barrage of left and right hooks that seemed about to finish him any moment, Lomski drove a full right deep into Latzo's groin in the sixth round of their ten-round match at Ebbets field last night and was promptly disqualified for fouling.

## Woman Swimmer Forced To Stop By Cramp Attack

Colton, Calif., June 14.—(AP)—Mrs. Lee Fourrier, of Riverside, California, was forced early today to terminate her attempt to break the world's endurance swimming record for women. She gave up at 2:21 a. m., because of cramps. She had been paddling continuously for 42 hours and 21 minutes.

## REDS STILL CLIMBING ON TOWARD TOP

By the Associated Press. The Cincinnati bubble may burst but the suspicion in New York is that any such bursting probably will occur right in the faces of the Giants—if, indeed, it has not already occurred.

The Cincinnati host was in Philadelphia today with three Giant scalps to show for four engagements at the Polo grounds. The Rhinelanders pulled out yesterday's game 5 to 3, in the tenth after permitting the Giants to climb into a tie with two runs in the eighth. At Boston, Rogers Hornsby drew into the home run leadership of the National League by clubbing his thirteenth, and raised his personal batting figure to .418, but the Cardinals ran away with the ball game 11 to 8.

The Phillies ended the snarl of the Pirates by rallying against Burleigh Grimes in the ninth for three runs which won 4 to 3.

The Yankees outplayed the White Sox to win 8 to 6.

Old Jack Quinn flashed back into form at Detroit, and the Athletics won easily, 12 to 5.

Washington rallied in the ninth at Cleveland, but fell just short enough to enable the Indians to win, 8 to 7.

The St. Louis Browns had to go ten innings to nose out the Red Sox, 9 to 8.

## Kinston Climbs Out of Cellar

By the Associated Press. A desperate attempt of the Wilmington Pirates, leaders of the Eastern Carolina League, to halt the rampaging Stemmers yesterday failed and sufficient chalking was done to spell defeat 12 to 2.

The only swapping of positions, however, came in the second division where Rocky Mount was ushered into the cellar, relieving Kinston.

The Tobacconists dropped their game to Fayetteville, 7 to 4 when a late rally fell short, and Rocky Mount to the Goldbugs 3 to 1 after failing to overcome an early lead.

## JACK DEMPSEY GOES OUT OF HOTEL BUSINESS

Los Angeles, June 14.—(AP)—Jack Dempsey, who recently retired from the ring, also has gone out of the hotel business. Dempsey yesterday sold the Barbara Hotel here for a reported consideration of \$250,000. This is approximately \$100,000 more than he paid for it in 1924. Dempsey recently arranged to take over two or three fruit ranches in California.

By a coincidence, Jess Willard, from whom Dempsey took the title several years ago, also was a big profit taker in real estate deals announced yesterday. Willard sold a corner lot to a Detroit syndicate for \$200,000. The property cost him

\$46,800 six years ago. He sold a corner for \$26,000 that he paid \$2,600 for in 1921.

**Mrs. Jones Entertains Auxiliary.**  
Mrs. W. R. Jones delightfully entertained the auxiliary of the American Legion yesterday afternoon.

In the absence of the president, Mrs. L. H. Bowling presided.

Among a number of important reports was the poppy sale which was conducted Memorial Day. The sale this year was the best the auxiliary has ever had. The proceeds from the sale of poppies were two hundred dollars. Mrs. Paul Jones, Farmville, Mrs. W. T. Acree, Bethel, Miss Lallah Rook Boyd Ayden and Mrs. C. L. Wilson, Robersonville, assisted the local members of the auxiliary in the poppy sale.

After the business session a social hour was enjoyed. Miss Lillian Brown delighted the guests with a number of vocal and guitar selections.

Tempting refreshments were served by Master George Gower, Misses Ada Jones, Mary Emma Gaskins, Mittie Smith and Mrs. S. N. Graham.

Mrs. W. C. Harris extended the auxiliary an invitation to meet with her on July 11th.

### ANNOUNCE ENGAGEMENT OF POPULAR YOUNG LADY

Wednesday afternoon, at the home of Mrs. C. M. Jones in Grimesland, Miss Ada Ward, of Washington, D. C., charmingly entertained at a heart dice party. The home was lovely with summer flowers. A yellow color scheme was carried out in the hall and living room where five tables were placed for the game.

Miss Julia Satterthwaite was awarded perfume as winner of high score. The low score prize, handkerchiefs, went to Mrs. J. E. Edwards. Mrs. Raymond Elks, a recent bride, was given attractive handkerchiefs.

The guests were then invited to the dining room. Here a pink and white color note was used. A silver basket of pink and white sweet silver candle holders with pink candies were placed at the corners, a shower of sweet peas and tulle fell from the center light.

Tempting refreshments were served. On each guest's plate a miniature bride was placed, a single word was found in each bride's bouquet. These were placed together solving a puzzle while read.

"Mary Jones to Earl Westbrook, July 17, 1928, Christian church," which announced the engagement and approaching marriage of the popular young couple. Miss Ward then presented her niece, Miss Mary Jones, with a bride's book. Each guest was asked to register.

Miss Jones is the pretty and attractive daughter of Mrs. C. M. Jones of Grimesland, and her wedding to Mr. Westbrook will be one of the outstanding social events of the summer.

Mr. Westbrook is a popular young business man of Dunn.

The out-of-town guests were: Misses Martha and Esther Harrison, Mrs. Milton Moye and Mrs. W. C. Manning, Jr., of Williamson; Mrs. J. Allen Johnson, Ayden, and Miss Helen Gray Jones, of Greenville.

**Return From Philadelphia.**  
Mr. and Mrs. H. E. Austin have returned from Philadelphia where Mr. Austin has been to consult a specialist.

**Return From Edenton.**  
Mr. and Mrs. J. B. Spilman returned last night from Edenton where they have been on account of the illness and death of Mrs. Spilman's mother, Mrs. B. A. Haste. Friends of Mrs. Spilman will regret to learn of her bereavement.

**KIWANIANS TO DISCUSS IMPORTANT ISSUE FRIDAY**

The regular meeting of the Greenville Kiwanis club will be held tomorrow night at seven o'clock. The program will be in charge of Dr. W. E. Futrelle, director of the Pitt County Department of Health.

A matter of vital importance to Eastern North Carolina will be brought to the attention of the Kiwanians at this session and full attendance was requested today by President Frank Harrington.

**St. Peter's Catholic Church.**  
As Friday is the Feast of the Sacred Heart, Holy Communion will be administered at 8:30, followed by benediction of the Blessed Sacrament, at nine o'clock.

## Ballard's X Road News

The passing of Mrs. M. A. Rouse of Greenville recalls to mind that she was long a resident of Ballard's. Like many of the young women of the Civil War period, she was possessed of many graces, gentle, low-voiced, refined. "A perfect woman, nobly planned." She was one of the teachers of whom I purposed to write.

Mr. and Mrs. G. T. Tyson spent the week-end in Gates county visiting Mrs. Tyson's mother, Mrs. Mary Brown.

Mr. and Mrs. J. T. Pilgreen spent Sunday in Kinston visiting Mr. and Mrs. Grimm.

We regret to know that the infant son of Mr. and Mrs. Wiley Crawford is right sick.

Several of our young men have recently treated themselves to handsome cars.

Mr. and Mrs. G. B. Strickland and daughter, Miss Elizabeth, of Pine Level, were visiting Mr. and Mrs. I. U. Joyner Sunday. They were enroute to New Jersey to spend the summer with Mr. and Mrs. Bryan Knee Ogden at their summer home.

Friends will be interested to know that Mrs. Strickland was Miss Lizzie Anderson, and Mrs. Ogden was Miss May Anderson, formerly of this section.

Mr. and Mrs. Robert Anderson lately of Nashville, N. C., but at present making their home at Pine Level, were also visitors at Mr.

Joyner's Sunday. We are sorry to know that Mr. Moses Tyson is having trouble with his eyes. Hope they may improve soon.

### MAN BURNED TO DEATH WHEN FIRE WRECKS HOME

Winston-Salem, June 14—(AP)—Grady Pulliam, who lived with his brother, Walter Pulliam, two miles from King, was burned to death early today when fire destroyed the home of Walter. Walter, while trying to save his brother, was badly burned from the waist upward. His condition is regarded as serious.

#### OUR FLAG

Today is Flag Day and it is fitting that we pause to give at least a few moments of thought to Old Glory and what it has meant, is meaning, and will mean to the world.

Our flag is of great import to us not because it represents the greatest and mightiest nation on earth; not because it is the emblem of a great people, but because it is an outward expression of a great ideal—the realization of a great dream. Our flag is an expression of truth, freedom and liberty. It offers peace and personal freedom to anyone willing to obey the constitution it represents, the laws it so faithfully upholds, and the promise of peace it holds out to all the world. In addition to this the sight of our flag should bring to our attention the sacrifices that have been made that our flag and the world might live on.

The realization of an ideal, the striving after perfection, is one of the finest attributes of the human heart. It comprehends all the highest emotions. It differentiates man from animal; the Bible from evolution, and inspires mortal man to rise to higher and nobler grounds. The lives of all illustrious Americans are interesting studies of human nature. All of them had their ideals, and all these ideals were in keeping with the sacred memories of the romance of the American flag—a romance of life, liberty and the pursuit of happiness.

May we as Americans continue to honor our flag and keep ever before us those things for which the Stars and Stripes stand.

#### GOOD OLD SUMMER

What is the best season of the year? Summer, to most people—though the other seasons, especially spring, have their charms. And the older you get, the more you will like summer, the more you will dread winter.

Spring corresponds to our babyhood. It is the sprouting season, full of hope, dreams, uncertainty, danger of frost.

Autumn is like the waning years of life, when we harvest as we have sown, when we suffer for our negligence and mistakes and are rewarded for our effort. Most of us, when we look backward in the autumn of life, say: "If I only had my life to live over again—"

Winter, of course, corresponds to human death, the hibernating of old growth until new growth is ready to

sprout and bud. All three of these seasons are preparatory to or the aftermath of summer. And summer is like the period of LIFE—of accomplishment—symbolic of the lives we are living. Lucky are you who have survived the frosts of life's springtime. Your crop of success is started. Toil and weed, for autumn of life will be upon you before you are aware. For results, it's now or never.

## ABOUT TOWN

"Another ball game gone to the loss column," mourned a local citizen today, referring to the Fayetteville Highlanders' victory over The Tobaccoists at the fair grounds here yesterday.

"The jinx certainly has us where we can't do anything but take a licking and wait for the next day to come to get another."

"However, it's a long lane that has no turning, as the old piece of philosophy goes, and before the week is over who knows but the locals may have three games checked up to their credit."

"It is unfortunate, but every club has to have its losing streak in the course of the season. The unbeatable New York Yankees even at this time are suffering from a slump following one of the most phenomenal winning streaks in years."

"It matters not how good a person or thing may be, they can't measure up to one hundred per cent efficiency all of the time."

"Have faith in the old ball club, and first thing you know this old dark cloud filled with loss will turn wrong side out and give us some of the bright side of victory we have been craving so long."

"With opening of the summer school at Eastern Carolina Teachers college, Greenville again begins to assume normal appearance from the standpoint of population," remarked a business man today.

"The exodus of students following the closing of the regular scholastic year last week caused a distinct desertion of the streets during the afternoons and the old town reminded one of the version of the 'Deserted Village' although the contrast as it pertains to Greenville was slightly more pronounced."

"Greenville extends a cordial welcome to this several hundred young women, and our business men trust they will find their stay here both pleasant and profitable."

"Visit the stores and public buildings. The latching hangs on the outside. Peel perfectly at home and rest assured Pitt county hospitality is yours every hour of your stay in our midst."

"Now is the time for all good men to come to the aid of their party," This old typewriter has rolled out this line time after time for a number of years, but today it sends it forth with a different purpose.

"This purpose is the urge each member of the dominant parties of the nation to stand behind the platforms of their respective conventions and see that they mean something in the life of the nation in the years to come."

Democrats, Republicans, Socialists, and what nots, should not forget the responsibility resting upon them. They should not forget the debt which they owe the public—that great mass of people standing behind them—helping them gain political ascendancy.

"It matters not particularly what party you belong to. That party has some ideal of government, which if put into effect, would assuredly make this nation a far greater influence in world affairs today than it has ever been before. It is true the world looks to us for guidance now, but that is no reason why we should be content with the recognition. The future holds forth splendid opportunities for service. The party that is able to render the highest type of service is the party that will survive the spirited contests scheduled for the month of November."

"There is an old saying that goes like this: 'Give to the world the best you have and the best will come back to you'" quoted a reader of the Reflector today, discussing the efforts of local business men to make Greenville the leading shopping center in Eastern Carolina.

"Greenville business men have given the best they have in this great undertaking. Even at this time some of the 'best' promised in the above lines is being realized."

"That they will continue to realize splendid returns on the amount of labor put into the enterprise cannot be doubted. The future of this section is unquestioned. We have the resources and possibilities and the days to come no doubt will witness expansion of pleasing proportions."

"If the farmers of the nation had their way about Herbert Hoover wouldn't stand the slightest show of winning out for the presidency," confidently asserted a local agriculturist today.

"The demonstration at the Republican convention is evidence enough that the Commerce Secretary's position on farm relief is resented by the majority of growers, who stand

ready to bring their influence to bear against him. In spite of his opposition to the farm measure, however, Hoover is probably one of the soundest minded men of the nation today. He has done a wonderful work in various capacities the last few years, and it may be he sees some things in the farm relief problem which its supporters do not see themselves. His support at the convention is evidence of his popularity, and in spite of tremendous opposition which thirty million voting farmers will bring to bear against him, he will be hard to beat. The popularity of the Democratic candidate to be decided upon at Houston will largely determine the success of the strong man of the Republican party."

#### SIGHTLESS LAWYER RIDES, CYCLES, SWIMS

Paris, (AP)—Georges Scapini, blind chief of the Union of War Blinded, is called a "torch in darkness."

His whole effort, he says, for 12 years has been to make those around him forget he is blind.

Back from the front, while the war went on, he started immediately to study law learning the Braille system to feel his way along the hard road of technical education.

He chose the hardest form of practice for a blind man, specialization in business law, where his pleadings deal with documents, figures, bills and correspondence. Often his notes for a case in court cover hundreds of pages. He has learned to memorize facts and to read Braille as readily as a seeing person reads type.

"He rides a bicycle, mounts a horse, swims and dives. 'I have lost nine-tenths of a man's chances for joy and happiness,' he admits, 'but my capacity for work is unimpaired.'"

Indian Towns Uncovered. Amarillo, Texas, (AP)—Indian burial grounds and traces of villages are revealed by excavations for the pipe lines which are to carry

natural gas from the Texas Panhandle to neighboring states. Oh, Boy! What a crowd there will be down to attend that week-end Beach Dance, at Pamlico Beach Saturday night, June 16th, 1928. Cool breezes, good floor. We present "The Domino Six,"—hot music—a big time for everybody. Visit us this week-end, and you'll visit us every one.

Essex Mirrors public choice

No matter where you hold your mirror to the cities, it will show, with slight variations, the same overwhelming Essex preference. It is a preference more outstanding than was ever held in the 6-cylinder field, in all automobile history.

## World's Greatest Value

altogether or part by part

To know the overpowering conviction of greatest value held by Essex owners is merely to see Essex beauty, to examine Essex quality, to sit inside and feel Essex comfort—to ride and know Essex performance.

Here is the simple and sovereign answer to the question of automobile satisfaction.

The ideal transportation achieved in the Greatest Essex Super-Six was long foreshadowed in the series of individual superiorities by which Essex towered above the field. Its vivid brilliance of performance reveals in a single ride a smoothness and quiet, a road-skimming ease and soaring exhilaration that is actually like flying.

Greater in power, more versatile in all performance, larger, roomier and more beautifully appointed, the New Essex Super-Six gloriously earns its richer reward in the 'greatest' popularity of Essex history.

# Market Report Cotton--Stocks--Grain

**NEW YORK COTTON**  
New York, June 14.—(AP)—The cotton market was less active today with irregular price movements. Early advances of 7 to 10 points on unfavorable weather advices and relatively firm Liverpool cables were followed by reactions under renewed realizing of liquidation and smaller domestic consumption figures than some traders had anticipated. After showing net declines of 12 to 18 points, offerings tapered off and the mid-afternoon market was steadier, active months ruling a point or two above yesterday's closing quotations. Futures closed very steady, 12-19 points higher; spot steady; mid-ling 21.00.

**CHICAGO GRAIN**  
Chicago, June 14.—(AP)—Buying on the part of houses with eastern and foreign connections lifted wheat values today after a decline that resulted from sympathy with corn weakness. Wheat closed firm 1-1/2 to 2-1/4 net higher; corn at the same as yesterday's finish to 1-1/8 up; oats unchanged to 1-4 to 3-4 higher and provisions varying from 7 to 10 decline to a rise of 5.

**STOCK MARKET.**  
New York, June 14.—(AP)—The rally in stock prices, which set in yesterday morning, encountered strong resistance late today after losses had been marked up 1 to 10 points in the morning trading. Selling came from two sources: the renewed short selling of "bear" traders, and profit-taking on the part of traders who bought stocks during Tuesday's drastic reaction. Many of the early gains were cut down and in some cases wiped out. Trading, which started off at a brisk pace, slowed down as the session progressed.

Call money held steady at 6 percent although that rate was again shaded in the "outside market." Easter credit conditions are looked for after the mid-month tax dividend and interest payments are out of the day. Preliminary estimates of the decrease in federal reserve brokers' loans to be announced after the close of the market range from \$100,000,000 to \$200,000,000.

Early buying orders were distributed over a broad list with the oil, copper, gas, chain store, food, drug and farm implements featuring. Fisher Brothers had acquired a large block of Texas corporation common stock stimulated the accumulation of the oil shares. Copper responded to the reduced volume of surplus stocks of the Red Metal and the maintenance of relatively firm commodity prices.

Russia Insurance scored an extreme gain of 10 1-2 points. Adams Express, 10, American Railways Express & Puriss Aeroplane 7 1-2, Atlantic Refining 7 3-8 and Radio, U. S. Cast Iron Pipe, Wright Aeronautical and Collins & Aikman, 5 to 6 points. Gimbel Bros. responded to reports of expanding earnings by climbing more than 3 points to a new record high at 59.

Western Union, International Telephone and General Electric were conspicuously heavy.

The closing was firm. Total sales approximated 2,800,000.

**FLORIDA PLAYERS ACQUITTED**  
OF VIOLATION OF BLUE LAWS  
Tampa, Fla., June 14.—(AP)—It took a Tampa jury five minutes to acquit 18 players of the Tampa and Savannah clubs of the Southeastern League here last night after a two-day trial on charges that the Florida blue law was violated by a Sunday game recently.

Similar charges against Roy Elam and Ray Schmidt, managers of the two teams, were nolle prossed earlier in the day.

The Tampa management announced that Sunday baseball will be resumed by the club "in the near future," following the verdict.

**"I Wish We Could Get Out of Debt"**

Many families voice this complaint, month after month, and yet keep right on saying "Charge it" instead of, "I'll pay for it now."

Being free from debt, and able to look the future squarely in the face, is a big factor in success. No one does good work when they are worried about over-due payments, and if unemployment comes it can be faced much more easily when there are no bills coming in.

That is one of the most important ways a J. C. Penney Company Store serves the community. We can save you a small sum on every purchase, and keep you out of debt at the same time.

# R. W. STEWART IS ACQUITTED EARLY TODAY

## Oil Magnate Not Guilty of Refusing to Answer Charges Oil Committee.

Washington, June 14.—(AP)—Robert W. Stewart, chairman of the board of the Indiana Standard Oil Company, was acquitted today by a jury in the District of Columbia Supreme Court of charges of refusing to answer questions of the Senate oil committee concerning Liberty bond oil profits of the Continental Trading Company.

Stewart arose as the jury filed into the court room after being out since 1:05 yesterday afternoon. As the foreman pronounced him "Not guilty," a smile wreathed his face and he walked over and shook hands with each of the eight men and four women who had cleared him of the charges.

The wealthy oil man was charged with a misdemeanor for alleged violation of section 102 of the criminal code which provides punishment for a regularly summoned witness to refuse to answer pertinent questions asked by a Congressional committee. Stewart maintained the questions asked last February by the committee were not pertinent.

Acquittal of the charge does not entirely clear Stewart of charges that resulted from his appearance before the Senate committee. His testimony on the occasion of his first and last appearance was certified to the District Attorney and presented to the grand jury. An indictment on a charge of perjury was asked of the grand jury which is expected to return its decision to the court within a few days.

United States Attorney Rover declined to make any comment upon the verdict of the jury.

Frank J. Hogan, counsel for Stewart, declared:

"This is another case of the citizens of the District of Columbia resenting in an unqualified manner the era of political persecution born in senatorial investigation committees and sent to the courts with senatorial orders to convict. It is time that the Walshes, Nyes and Norrises should learn that procedure of that kind cannot prevail in this capital city.

"The defense did not challenge a man or woman on the jury. The jury was picked by the court and the case was picked by the Senate. Notice should be taken by the Senate and everyone that you cannot railroad innocent men in this district."

Stewart, called as a witness during the committee's investigation of the \$3,000,000 Liberty Bond oil profits of the Continental Trading Company last February, declined to say whether he had discussed the bonds with Harry F. Sinclair or whether he knew of any one who had taken part in the bond transactions. Appearing in April, after Sinclair had been acquitted of charges of conspiring with Albert H. Fall to defraud the government in the Teapot Dome oil lease, Stewart said he had received 750,000 in Liberty bonds from H. S. Oeler, president of the Continental Company.

The Chicago II Executive, however, said he had immediately turned the bonds over to a trust fund created for his company or the Sinclair Crude Oil Purchasing Company, owned jointly by the Indiana Standard and the Sinclair Consolidated Oil Corporation.

### TERRIBLY ILL

Kentucky Lady's Health Was Very Bad. Had Severe Pains and Could Not Sleep.

Lexington, Ky.—Mrs. J. H. Nichols, who lives at 513 Elm Tree Lane, this city, says that Cardui has been of valuable assistance to her on two occasions, which she tells about below:

"Some few years ago, my health was bad. I had very severe pains in my sides. My nerves were in a terrible condition. I could not rest. The lower part of my body was very sore. I could hardly stoop over to lace my shoes. I would have to put my foot on a chair. I did not feel like eating, and did not sleep well at all at nights.

"A friend of mine recommended Cardui. I began taking it and saw quite an improvement in my condition. I kept it up until I felt strong and well."

About a year ago, Mrs. Nichols says, she found herself in a nervous, run-down condition. "I took Cardui again," she adds, "and it helped me wonderfully. It is a splendid tonic."

Thousands of women have written to tell how Cardui helped them to get rid of pain and suffering.

Cardui is a mild, medicinal tonic, made from purely vegetable ingredients. At all drug stores. NC-199

### G. O. P. PLATFORM PLEDGES TO MAINTAIN POLICIES OF PRESIDENT CALVIN COOLIDGE

(Continued from page one) ment, and for the appointment of officials of unquestioned integrity, the platform deplored "the fact that any official has ever fallen from this high standard and that certain American citizens of both parties have so far forgotten their duty as citizens as to traffic in national interests for private gain."

Nothing that practically all the war taxes have been eliminated, a pledge is given for further reductions as conditions permit. Reduction of the public debt by \$6,411,000,000 in seven years is cited with a declaration that the party will continue to reduce the debt.

The policy of the administration in Nicaragua and China is endorsed, with the assertion that American naval and military forces are being used in these countries to protect American lives and interests.

The platform approves the foreign policy of the President generally, making special reference to the course followed in the settlement of foreign debts. It also deems as satisfactory the solution of war claims, and reaffirms its opposition to membership in the League of Nations. It calls attention, however, to a policy of cooperation in "the humanitarian and technical work" of the league.

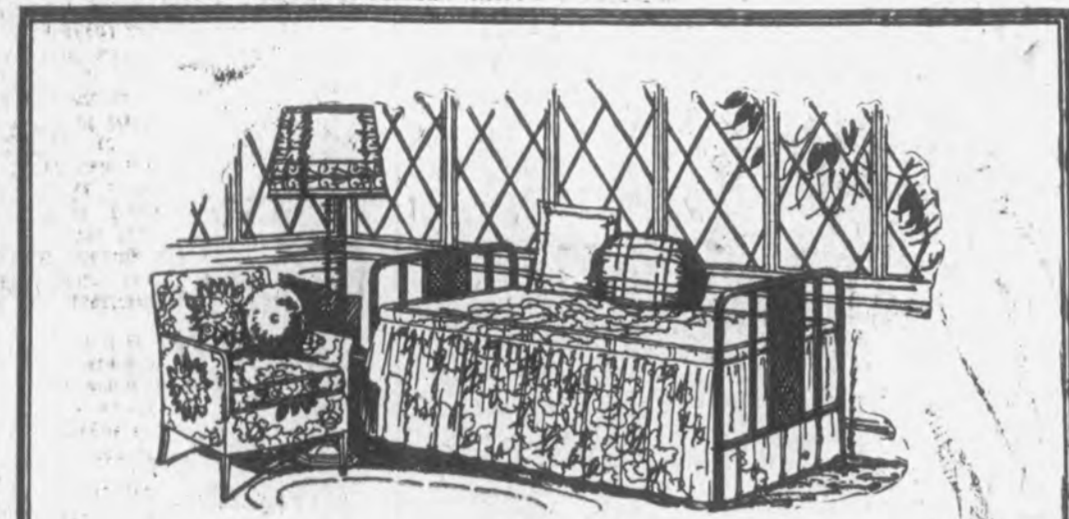

The tariff act of 1922 is declared to have justified itself in the expansion of foreign trade.

The government should make every effort to aid the coal industry by removing restrictions hampering its development, it declares, adding that the party is anxious to assist in any feasible plan for the stabilization of the industry which would work with justice to the miners, consumers and producers.

Praising the administration for meeting the Mississippi flood emergency in such a manner that "a great loss of life was prevented," the platform points to passage by Congress of a bill authorizing \$325,000,000 for the construction of works to prevent a recurrence.

The party goes on record in favor of the drafting of every resource, "which may contribute to success," in time of war, asserting that the

Belief is expressed that the present railroad regulatory laws are based on correct principles "the essence of which must always be preserved."

Support is pledged to continue appropriations "commensurate with our needs and resources" for highway, road and rail construction.

Administration of the radio facilities in such a manner as to insure the reception by every home of adequate and varied broadcast programs is advocated, with the assignment of communication channels in the best interest of the business man, farmer and public.

Continued development of inland and intra-coastal waterways is favored as an essential part of the transportation system.

## A STATEMENT RELATING TO THE FUTURE OF THE CHRYSLER CORPORATION and DODGE BROTHERS, INC.

The widespread public interest in recent events affecting the Chrysler Corporation and Dodge Brothers, Inc., deserves an authentic and official statement and an assurance regarding the future of these two corporations.

Subject to the approval of stockholders, Dodge Brothers, Inc., will be acquired by the Chrysler Corporation, the plan of amalgamation having been recommended by their respective boards of directors.

Each of these great institutions will retain its identity, and will continue, as heretofore, to produce and market its own product in accordance with the high and progressive standards from which motor car buyers the world over have previously benefited.

Each will benefit from the consummation of a plan which unites such tremendous resources in material, manufacturing facilities, financial power and manufacturing genius.

Dodge Brothers will continue to be Dodge Brothers, and Chrysler will be Chrysler. Their products will be separate and distinct and will be continued in production without interruption. Their sales organizations will be unrelated except as they shall mutually share in the advantages of the consolidation.

Both public and dealers may look forward to the greater benefits which the consolidation of such tremendous resources will produce—and the men identified with these businesses may be assured of a stable and definite future, inspired by the progressiveness which has been responsible for this uniting of two great companies.
