POOL ROOMS CLOSE DOORS IN THIS CITY

Aldermen Fail to Rescind Action Ordering Closing of Places at Midnight.

Pool rooms in the city of Greenville ceased to operate at midnight last night as result of the Board of Aldermen taking no action to rescind a former decision to give pool rooms until midnight last night to straighten their affairs and quit business.

The white way on Evans street in the future will burn until midnight instead of being partly cut off at 10 o'clock as in the past.

Several other matters were discussed and given attention at last night's meeting which was the shortest held since the beginning of the new year, July 1st.

The special license tax on palmists operating in the town of Greenville, which is now \$10 a day, for every day of operation, was amended so as to read, \$10 a day, or \$150 a year, for those who desire to buy a year's license. In either event no license is issued until an investigation, by and approval of the mayor.

W. H. Dail, representing the Pitt county fair, appeared before the board and asked that they appropriate the usual \$100 for decorating the city streets for the fair. A vote of four to four was broken when Mayor Lanier voted in favor of the motion.

A. O. Clark appeared before the board in behalf of the property owners and residents seeking curbing and gutter for Fourth street, from Rotary to Harding streets, and Harding street to Fifth street. He was advised to prepare a petition to this effect for presentation to the next session of the board.

A petition signed by property owners seeking curbing and gutter and sidewalks on Liberty street was received by the board. The board voted to defer action on the sidewalks, but to authorize the curb, gutter and grading along with other projects already pending as soon as funds for the work are available.

A. B. Corey, appearing in behalf of White's theatre, sought action to prevent parking alongside the Higgins building, opposite the Coast Line depot. Members of the board expressed no interest in the matter from a standpoint of the advertising sign-board, but in view of the fact that no sidewalk was provided on this side of the street, they authorized the city manager to mark off a five foot sidewalk, which, because of the narrowness of the street, will automatically carry with it a no parking provision for this spot.

Alderman John Ivey Smith suggested that the white way, which was now being cut out at 10 o'clock at night, be kept burning until midnight, and the board unanimously adopted a motion to this effect.

A. B. Corey, again appeared before the board seeking an extension of the time allowed for the operation of pool rooms in this city to January 1st. In the absence of any motion on the part of members of the board no action was taken, and under a former ruling ceased to exist at midnight last night.

J. H. Waldrop, chairman of the finance committee, reported to the board the following divisions of the \$150 tax rate adopted at the previous meeting:

- General fund, 45c. Sinking fund, 40c. School maintenance fund, 40c. School debt fund, 25c.

The school maintenance fund as set forth is five cents greater than last year, but the five cents was taken from the general fund in order not to increase the tax rate.

L. V. Johnston appeared before the board seeking settlement for damage to property on Ninth and Reed streets in season of land taken by the city in widening and paving that street more than a year ago. The matter was before last year's board during last fall but no settlement was ever reached, hence the matter was again taken up.

After considerable discussion of the various angles of the situation the board adopted a motion to petition the clerk of the court, according to law, to appoint three disinterested commissioners to assess the damage and report to the board in order that same might be settled satisfactorily.

The matter of re-purchasing the American LaFrance hose and chemical wagon recently traded in by the city on the purchase of a new fire truck was referred to the fire committee for action. In connection with the discussion, Fire Chief George Gardner appeared before the board and recommended favorable action on this matter, as he believed that if the truck could be purchased at a price the board would be willing to pay that same would be worth considerable to this city in the way of added fire fighting equipment making it possible to efficiently fight two fires in different parts of the city at the same time.

Lindsay Warren Declines Challenge Of Prescott To Engage In Joint Debates

Declaring that it is not the policy of Democratic nominees to debate Republicans, thereby furnishing audiences that other Republicans could not otherwise muster, Congressman Lindsay C. Warren of Washington, today declined to accept the challenge issued by Mr. Marion Butler Prescott of Ayden, Republican nominee for the office now held by Warren, for a series of debates throughout the district.

In his letter to Mr. Warren made public yesterday, Mr. Prescott challenged the Democratic nominee to a joint debate "upon the issues of prohibition, Al Smith's subservience to Tammany Hall, the alien influence advancing Al Smith, as a candidate for president, and your relation to all these as a supporter of Al Smith for president."

Congressman Warren's letter of reply to Mr. Prescott today was as follows:

Washington, N. C. September 7, 1928. Hon. Marion Butler Prescott, Ayden, N. C.

My Dear Mr. Prescott: I acknowledge your letter of September 5th, which you evidently gave out to the press before I received it. As the Re-

publican nominee for Congress in the First District you challenge me to a joint debate in each county in the district. Your invitation is declined. It is not the policy of Democratic nominees to debate with Republicans and thereby furnish you with audiences that you would not otherwise get.

You are right in your statement that I am supporting the candidacy of Governor Alfred E. Smith for president, and I shall exert every effort to further his cause and that of all other candidates on the Democratic ticket. I assume that you are supporting the candidacy of Herbert Hoover and the entire Republican state ticket, and I trust that you will offer satisfactory explanation to the voters why a party which has shown an utter lack of decency and honor should again be entrusted with the presidency, and that you will advance a single plausible reason why a party which debauched North Carolina the last time it was in control should again be permitted to place its hand on the throat of the State.

With best wishes, I am, Sincerely yours, LINDSAY C. WARREN.

FOUR DEATHS RESULT FROM HEAVY RAINS

North and South Carolina Lowlands Are Flooded; Nothing Serious Expected.

Charlotte, Sept. 7.—(AP)—The Carolinas today emerged from six days of almost steady rain, with rivers high, lowlands flooded in many places and four known deaths. There was no likelihood, however, that the situation would become serious, although damage in the lowlands will run well into six figures.

All of the deaths occurred in South Carolina where J. F. Rat-taree, D. B. Poore and J. E. Glenn, trainmen, were killed when a Southern Railway passenger train ran into a washout near Columbia and John Trimble, a farmer living near Columbia was drowned.

In South Carolina some fifty state highways were reported still closed this morning with small bridges carried away and fills washed out but with waters expected soon to start receding.

In North Carolina all main highways were open and there had been no reports to indicate that any had been closed by highwaters. In the mountains, where landslides put numerous highways out of commission during the heavy rains some two weeks ago, all roads were reported in good condition.

The waters of all rivers in both states were reported high with the Cape Fear river at Fayetteville expected to reach the 52 foot stage before it subsides. Much damage to crops particularly cotton ready to pick in the lowlands was expected with some places reporting heavy damage already done. The Tar river was a foot out of its banks this morning at Rocky Mount and rising slowly.

JAPAN HAPPY OVER BRITAIN FRANCE PACT

Ambassador Tells the League Of Nations Assembly Country Favors Peace.

Geneva, Sept. 7.—(AP)—Because anything which tends to break the naval disarmament deadlock is helpful to the cause of peace, Japan is happy over the Franco-British naval accord, said Mineichi-ro Adachi, Japanese Ambassador to France, in addressing the assembly of the League of Nations today.

He did not reveal the Japanese views on the two-power agreement but he emphasized that it was imperative for the naval powers to negotiate further.

"For that reason," he said, "an accord on the naval problem between any of them is likely to be effective in accelerating the reduction of armaments. From this standpoint I rejoice over the Franco-British accord."

The Japanese statesman cited the Four-Power Pacific Ocean Pact concluded at Washington as an example of treaties affording security to particular regions. He urged a general adoption of model treaties of arbitration and non-aggression but emphasized that these should take account of regional needs.

Economic peace, he believed, would further prompt disarmament. He concluded with a warm tribute to the United States and France for having initiated the Kellogg-Briand pact.

Nicholas Politis, former foreign minister of Greece, also spoke of the Kellogg pact in glowing phrases.

"Skeptics who say this pact has only moral value are sadly mistaken," he said. "They do not give sufficient weight to the increasing public opinion in favor of peace. Violators of the Paris Pact will always have that opinion against them."

Mendez Pereira, delegate from Panama, drew the attention of the League to the privileged geographical situation of his country for the diffusion of new ideas throughout the Americas. He described it as a plan for creating an international University at Panama as a complement to the work of the League and urged member countries to relieve from postal dues all scientific or educational volumes intended for the libraries of the Panama institution.

One Killed When Airplane Crashes

Rockford, Ill., Sept. 7.—(AP)—The sister ship of Bert Hassell's monoplane The Greater Rockford, today was submerged in the Rock River. A world war veteran was killed and four Rockford men seriously injured when its motor failed at a height of 200 feet and toppled over a wire into the river yesterday.

M. E. Headley, the pilot, who served overseas with the 28th pursuit squadron, was instantly killed. The injured, all passengers, were: Richard Ives, who may die of a fractured skull, broken leg and internal injuries; Horace H. Tuck, broken ribs; Dean Pringley, broken jaw and Paul Charn, bruises.

OVER MILLION POUNDS LEAF IN CITY TODAY

Price Situation Is Reported More Favorable Than Any Other Time of Week.

There was about 1,250,000 pounds of tobacco on the local market today, but indications at the noon hour pointed to prompt completion of sales. The market showed slightly more strength than any other day this week.

Tobaccoists today were urging the growers to give more attention to their offerings and not to market tobacco containing strings or which has been exposed to rain. A considerable part of the offerings all the week was composed mainly of poor grades that were wet and in bad condition.

Sales were light on the market yesterday with 302,934 pounds comprising the day's offerings. The total amount paid out was \$38,751.68 at an average of \$12.79.

Wilson Sales Light. Wilson, N. C., Sept. 7.—(AP)—After a week of continuous rains the skies cleared late yesterday and quantities of tobacco flowed into the city throughout the night, making today's offerings the second largest amount since the first week of the 1928 tobacco season. Sales today probably will exceed half a million pounds and may reach three quarters of a million.

Official sales figures yesterday disclosed that 388,374 pounds of the bright leaf brought \$50,897.21 for an average price of \$13.05 per hundredweight. Prices being paid today were estimated to be on about the same level as those paid on previous days.

Sales for the first week of the season, the market week ending on Thursday, amounted to 2,137,640 pounds for which an average price of \$13.19 was paid. Gross receipts totaled \$281,861.90.

G. O. P. Keynote Fails To Agree With Mr. Hoover

New Haven Conn., Sept. 7.—(AP)—The keynote of the Connecticut Republican state convention disagrees with Herbert Hoover on prohibition.

Congressman Schuyler Merritt, of Stamford, said in a convention speech last night: "I do not agree with Mr. Hoover because in my opinion special social legislation should have no place in the constitution."

Merritt said he felt prohibition had not worked out well, but added "its abandonment must be left to further experience and to public opinion." He said he hoped a "searching investigation of acts and causes of the abuses will develop means for carrying on the great experiment without disregarding other and more basic sections of the constitution, such as for example, as the Fourth Amendment."

Governor Smith's observations on prohibition, Merritt said, "are interesting," but so far as having any effect on prohibition and the Eighteenth Amendment, "he might as well discourse on astronomy or any abstract question."

Ruth Elder Will Not Attempt to Prevent Divorce

Hollywood, Cal., Sept. 7.—(AP)—Ruth Elder will not contest the divorce suit filed against her in Balboa by Lyle Womack.

"If he wants a divorce there must be a good reason," she said, in announcing she would not oppose his move.

Miss Elder in answer to Womack's charge of neglect of her home, asserted he had provided no home. She expressed surprise that her husband had not informed her previous to taking action against her.

EARL ROWLAND STILL LEADING BIG AIR RACES

Wichita Flier Reaches Oklahoma City; Other Class Races Postponed.

Oklahoma City, Okla., Sept. 7.—(AP)—Earl Rowland, of Wichita, Kan., again set the pace for the Class A transcontinental racers on the Wichita-Oklahoma City leg, bringing his Cessna monoplane across the finish line at the municipal airfield here at 10:47 a. m. today.

Wichita, Kans., Sept. 7.—(AP)—Earl Rowland, Wichita pilot, led the Class A fliers in the transcontinental air derby into his home airport here today, landing at 8:36 a. m.

Rowland, who has been leading the race since its start at Roosevelt Field, New York, Tuesday, flew his Cessna A monoplane from Kansas City to Wichita in one hour and 36 minutes, unofficial time.

An enthusiastic crowd greeted Rowland as he zoomed over the field to a perfect landing and climbed out of his ship to report to the judges. His plane had been performing perfectly, he said.

Rowland's official landing time was announced as 8:35:40 a. m. Robert Dake of Pittsburgh, who took off from Kansas City in his American Moth plane at 7:01 o'clock landed at 8:50:33.

Dake's plane side slipped somewhat as it came to earth.

Clear skies greeted the flier, but the leaders reported stormy weather this side of Kansas City, and stiff head winds in the higher altitudes.

Rowland had increased his margin of lead to 51 minutes and 53 seconds over Dake on the basis of unofficial time.

The planes made a 30-minute stop here before taking off for the next stop, Oklahoma City, in today's flight to Fort Worth, the third night contest.

Following Rowland and Dake in landing at the Wichita airport, in order of their arrival were S. L. Wittman of Byron, Wis., in his Pheasant; Dale G. Jackson, St. Louis; Swallow; Arthur W. Killips, Chicago; Waco; James S. Charles, Richmond, Va.; Eagle Rock; Geo. W. Hopkins, Detroit; Stinson, Jr.; Eugene Detmer, Tarrytown, N. Y.; Travelair; W. N. Emery, Jr., Bradford, Pa.; Travelair; and Theodore W. Kenyon, Boston, Challenger.

Woman Confesses Killing Mother

Chicago, Sept. 7.—(AP)—They are holding Miss Adelaide Bradley, 43, for the slaying of her 70-year-old mother, Mrs. Constance Bradley.

"Voices at the window told me mother was to be killed," the daughter told police. "I didn't want anyone to kill her, so I killed her."

Robinson Attacks Record Of Republican Party In A Speech at Nashville, Tenn.

Nashville, Tenn., Sept. 7.—(AP)—The eight year record of Republicanism at Washington came in for attack by Senator Robinson in opening a three day speaking drive through Tennessee—the one southern state so far selected by Herbert Hoover for a campaign address.

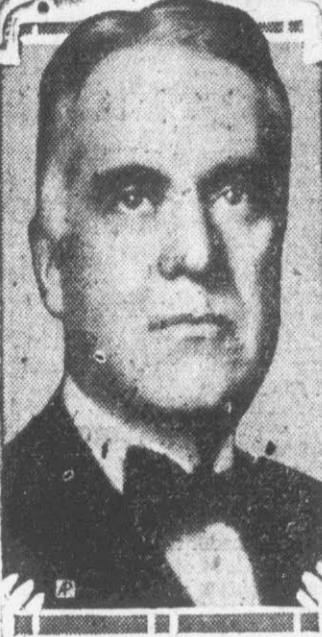

Using direct phraseology as was employed at Dallas and Cisco, Tex., the Democratic vice-presidential nominee said that he did not claim "sole credit" for all that was done by his party during the Wilson administration but that it had conducted the government "far better, more honestly and more efficiently" than the Republicans had under Harding and Coolidge.

After a journey to the Hermitage, home of Andrew Jackson and one of the shrines of democracy, Mr. Robinson in Ryman auditorium here last night declared that Gov. Smith, the party's 1928 presidential nominee, by his "utterances and official acts" was entitled to mention among the great leaders of the party once headed by Jackson.

"Governor Smith is a man of the people," he continued. "He loves plain folk, and they are drawn to him by the magic of his kindness and tender regard. It is doubtful if a more magnetic man ever led the Democratic party in all its history."

The Senator said that, while making "no attack on the personal character" of either Harding or Coolidge, he doubted if an "unprejudiced and reliable survey of the last eight years would arouse

HOOVER WILL DISCUSS FOUR BIG PROBLEMS

Republican Nominee to Talk Tariff and Business During the Campaigning.

Washington, Sept. 7.—(AP)—Business and economic conditions, the tariff, water power, industrial problems and labor will be the central themes of the four speeches that Herbert Hoover will deliver in his campaigning in the East and South.

Prohibition, generally regarded as the outstanding issue of the Presidential contest, may be treated in one of the addresses which the Republican candidate will deliver in his final drive as he swings back across the continent to his California home.

Meantime, however, a series of statements, dealing with this subject will be issued through Republican National headquarters here. The first of these will be made public this week under present plans.

Hoover's decision to limit to four the number of his speeches on the Atlantic seaboard has puzzled his party leaders and the public alike, but to those who know the man and his methods the explanation is comparatively simple.

It is not that he is adverse to public speaking and facing crowds; the answer is found in the time he devotes to the preparation of each address and his abiding conviction that it is better to speak infrequently and well than it is to speak frequently but not so well.

AL SMITH TO BEGIN DRIVE IN NEBRASKA

Democratic Nominee Will Devote Seven Weeks to Intensive Campaign.

By D. HAROLD OLIVER. Associated Press Staff Writer, Albany, N. Y., Sept. 7.—(AP)—A firm believer in a strong finish, Governor Smith will devote the seven weeks preceding election day to an extensive campaign for the Presidency.

Although he will not leave Albany until a week from Sunday to open his drive in the center of the corn belt at Omaha September 18, the Democratic Presidential nominee is expected to make up for the relatively late start by a series of speeches that will keep him on the jump right up to the last week before election.

Twenty, possibly thirty or more, are estimated as the number of addresses he will make before November 6. The smaller figure is based on the fact that three speeches will be delivered during the first week of his trip and on the theory that this average at least will be adhered to for the six weeks following. But if the nominee runs true to form, there are some who believe he will spend things up a bit later on in the campaign and probably make a speech a day, thereby running the total close to a score and a half.

From Omaha, home of "Jim" Dahlen, who, as a Democrat, has been elected mayor of that Nebraska city more times than the Democratic Presidential candidate has been chosen governor of New York, the campaign schedule carries him south into Oklahoma City for a speech September 30, and then on to Denver for a third address two days later.

Democratic leaders are of the opinion that all three states to be visited can be placed in Governor Smith's column, despite the fact that the former won out in Nebraska and Colorado four years ago.

The itinerary for the governor's invasion of the agricultural area and many states normally Republican was given out by John J. Rasch, chairman of the Democratic national committee, as the first of three campaign tours by the nominee.

The governor will speak at Omaha September 18, Oklahoma City on September 20; Denver on September 22; Helena, Montana, on September 24; Minneapolis on September 27, and Milwaukee on September 29. He will return to Rochester on October 1 for the Democratic state convention.

Agriculture, waterpower and prohibition are the chief subjects expected to be discussed by the nominee.

The itinerary: Sunday, September 16—Leave New York, arrive Albany; leave Albany Monday, September 17—Arrive Chicago; September 18—Arrive Omaha.

Wednesday, September 19—Leave Omaha. Thursday, September 20—Arrive Oklahoma City; speech.

Friday, September 21—Leave Oklahoma City; arrive Newton, Kans.; arrive Dodge City, Kans.; leave Dodge City.

Saturday, September 22—Arrive La Junta; leave La Junta; arrive Denver; speech. Sunday, September 23—Leave Denver; arrive Cheyenne, Wyo.; leave Cheyenne.

Monday, September 24—Arrive Billings, Mont.; leave Billings, Mont.; arrive Butte, Mont.; meet Butte to Helena for speech at state fair grounds.

Tuesday, September 25—En route from Butte through Montana to North Dakota. Wednesday, September 26—Arrive at Bismack and Fargo, N. D.; one hour stops. Thursday, September 27—Arrive at St. Paul and Minneapolis; speech at Minneapolis.

Friday, September 29—Speech at Milwaukee. Sunday, September 30—En route from Milwaukee to Rochester, N. Y. Monday, October 1—Arrive Rochester.

Two Contenders For Provisional Head of Mexico

Mexico City, Sept. 7.—(AP)—A civilian and a general today appeared to be the principal contenders for the office of provisional president.

One bloc of the congress, which will choose a successor to President Calles, is supporting Emilio Portes Gil, a lawyer, now secretary of the Interior and former governor of Tamaulipas. General Manuel Peres Treviño, governor of Coahuila, has the backing of other deputies.

Assassination of President-elect Alvaro Obregon has created a political situation subject to almost constant change and another contender may come forward at any moment.

Correction White's Theatre.

In the advertisement of White's theatre carried in yesterday's edition of the Reflector, it was stated that prices for last night's show, "Ladies' Night in a Turkish Bath," would be 10c and 25c. The first figure was correct but the last should have read 35 cents.

Miss Corey Entertains.

Miss Kara Lynn Corey entertained at bridge Tuesday evening from eight to eleven o'clock. The home was decorated in fall flowers and each of the seven tables were arranged in colors to form a very artistic decoration.

High score prize was won by Miss Blanche Staton and low score prize was presented to Miss Mary Tripp.

After the game a delicious ice course was served. Those assisting the hostess in serving were Miss Verna Dare Corey and Mrs. Arthur Corey.

Among those present was Miss Dorothy Breece of Wilmington.

BURGLARS AGAIN ENTER OUR STORE

Some time Tuesday morning a very discriminating high-toned burglar broke in the back window and from a big stock of all standard make tires and money in the cash register, he only carried away one set each of "Good Old G. & J." and Michelin tires, sizes to fit his two cars. He did use very poor judgment by breaking in right under Chief Whichard's night police's nose, when he could have come in the front door any time between 7 a. m. and 9:30 p. m. and paid a small down payment and convenient weekly payments, then his tires would have been insured for one year against everything.

We are not worrying about the tires because the police caught the last one that broke in and got our money back, and we are sure they will have our tires back soon. If we let this fellow keep these tires he will not break in our store again for at least a year and a half because these tires will last him that long, but if we get the tires back we will get a chance to sell this fellow again, for he will not have any other kind except G. & J. and Michelin.

ANNOUNCE ORDINATION OF REV. J. E. SAWYER

Announcement of the ordination of Rev. J. E. Sawyer as a minister of the Baptist church, was made today by members of a presbytery conducting the examination here last Sunday at Memorial Baptist church. It was the first ordination service ever held in the church during its 100 years of history, and the services were attended by numbers of ministers and deacons from surrounding towns. Rev. Mr. Sawyer was a former member of the Free Will Baptist church. He is at present superintendent of Ayden schools.

In Memoriam.

It is with a sad heart I attempt to write the death of my grandmother, Mrs. Nancy H. Stokes, wife of H. J. Stokes, Chiood, N. C., who died Sunday morning, August 26, at one o'clock, of a broken hip at the age of 81 years. She was sitting in her bedroom with her husband and daughter on Tuesday night, July 10, 1928, when she said, "I believe I will retire, as I am very sleepy." She started to get up from her chair when she fell. She was taken to the hospital the next day. The doctor made an x-ray picture of the hip and found that it was broken. In this dreadful condition she lay in the hospital nearly five weeks and at five two before the death angel called her.

The deceased is survived by a husband, H. J. Stokes and six children, one daughter, Mrs. S. A. Bright, and five sons, H. M., J. M., J. P., N. T., all of Greenville and Pitt county, and J. T. Stokes of Norfolk, Va. Two brothers, Dr. B. T. and J. D. Cox and one sister, Mrs. W. F. Carroll all of Winterville, N. C. Several grandchildren and a host of relatives and friends to mourn their loss, but we weep not as those who have no hope, for a true and noble woman has gone to her reward. She united with the Primitive Baptist Church for thirty years or more.

Funeral services were conducted from her late home on Monday afternoon at 3:30 o'clock by Rev. Luther Joyner, primitive Baptist minister, and laid to rest in the family burying ground near the house. There to await the resurrection morn.

Dearest grandmother, thou has left us.

Left a world of pain and care, But thou art missed within the home.

And left a vacant chair, Sleep on, dear grandmother; take thou rest,

With God thou art supremely blest, Until the day we all shall rise, Hope to meet you in the skies.

—Written by her granddaughter, LILLIAN STOKES.

Executive Board of Woman's Club Meets.

The executive board of the Woman's Club held an important meeting Thursday afternoon at the home of Mrs. J. L. Fleming. The object of the meeting was to map out some of the preliminary work pertaining to the new club year. Much interest was shown by those present and a most successful club year was predicted. In the absence of Mrs. J. H. B. Moore the meeting was in charge of Mrs. Fleming.

Mr. J. S. Willard, Agent, Greenville, N. C.

Dear Sir:

I wish to thank you and your company for the promptness with which you handled my sick benefit claim. Just four days after I sent in my claim you handed me a check for \$80 which was entirely satisfactory. I shall take pleasure in recommending the Mutual Benefit Health & Accident Association whenever the opportunity presents itself.

Yours very truly,

MRS. HARRINGTON HOSTESS TO BRIDGE CLUB

Wednesday afternoon at her home on East Fifth street, Mrs. Walter Harrington was hostess at a most enjoyable meeting of her bridge club. The home was attractive with early fall flowers.

High score was made by Mrs. Graham Flanagan, who was given lingerie.

Miss Elizabeth Gaskins, who will be married in October, was remembered with a silver card-tray. Mrs. Bruce Williams, of Winston-Salem, and Miss Katherine Price, of Wilmington, were presented attractive handkerchiefs.

A tempting salad course with hot chocolate was served.

Miss Francis Morton Entertains.

Miss Francis Morton was hostess at one of the prettiest parties of the season last evening, when she entertained a number of the younger set in honor of her sixteenth birthday.

The decorations were very attractive, fall flowers were profusely used, carrying out a yellow and green color scheme. Attractive place cards and salted nuts in small yellow baskets decorated with green tulle marked each place. Coca Cola and cheese straws were served during the game.

A novelty necklace was won by Miss Emma Francis Hardee for high score. A trump indicator went to Miss Louise Winslow for low score. The table prizes were boxes of powder surmounted by Colonial games in the pastel shades. These were won by Misses Cotten Skinner, Hulda Nobles, Patry Davenport, Kara Lynn Corey

Blanche Staton, Katherine Utley and Margaret Ward.

A pretty ice course in yellow and green baskets was served by the hostess, assisted by her mother, Mrs. W. Z. Morton.

REAL G. O. P. STYLE

"I challenge you to debate the issues of prohibition, Al Smith's subservience to Tammany Hall, the alien influences advancing Al Smith as a candidate for president, and your relation to all these as a supporter of Al Smith for president," writes Marion Butler Prescott of Ayden, Republican nominee for Congress, in a letter to Congressman Lindsay C. Warren, the present Democratic incumbent and candidate, and in such a challenge we again see the true Republican campaign tactics.

On the face of it, such a challenge is absurd and, sensible citizens surely can read between the lines the ever-present effort of the Republicans to hide the real issues of the campaign by camouflaging them with a lot of non-essentials, wild imaginations about the outcome of prohibition because of Governor Smith's personal views on the question, and an effort to create enough religious prejudice against Governor Smith to blind life-long Democrats to the truth and cause them to vote for the Republican presidential candidate.

Of course, Congressman Warren will not accept the challenge for the debates, because, as set forth in his letter of reply today, it is not the purpose of Democratic nominees to gather audiences for Republican speakers, who on their own behalf, cannot muster a corporal's guard.

Even if this were not the policy of the Democrats, there is just and sufficient reason for Congressman Warren not to accept such a challenge. If Mr. Prescott was honest in his desire to meet the Democratic nominee in order that the people of the district might get at the real truth of the situation, why did he not challenge him to a series of debates unrestricted as to issues and wide open for a real discussion of the platform of the two parties, the records of the parties and the records of the men now representing the parties, and on such records the likelihood of fulfillment of promises made by the respective parties? Why does the Republican candidate not challenge the Democratic candidate to a debate on the real issues of the campaign, the power issue with a full discussion of the Republican record of yielding up that which belongs to the people to the power trusts; the farm situation and the unfulfilled promises made to the farmers of the country by the Republican party;

the flagrant violations of a public trust by the Republican party and the wholesale corruption in public office; Governor's Smith's record for honesty in the administration of the affairs of New York State as against Hoover's attitude and silence on the oil scandals in the Republican cabinet; and so on down the line, a full discussion of each plank of the platforms of the two parties?

We ask why Mr. Prescott does not ask to debate these things, and as we see the situation, we furnish our own answer. It has been truthfully said that this is a whispering campaign against Governor Smith and the Republicans are endeavoring to poison the minds of the people of the nation against Governor Smith because of his religious beliefs, and by requesting a debate on "the alien influences advancing Al Smith as a candidate for president," Mr. Prescott makes it clear that he, too, is willing to help along this effort at stirring up religious prejudice and hatred. Nor are the other so-called issues set forth in his challenge, issues for despite Governor Smith's personal views, we all know that to carry out such a change in the prohibition laws is beyond the question and prohibition is not an issue. And even, for the sake of argument, granting that it is an issue, wouldn't Mr. Prescott or any other Republican, in the face of his party's miserable failure to enforce and its utter disregard of the prohibition laws be in a bad predicament to debate the question and hope to convince thinking people that there is any hope for prohibition enforcement under the Republican regime? And Mr. Prescott desires to debate the question of "Al Smith's subservience to Tammany Hall." Again granting, for the sake of argument, that Tammany Hall has its faults, do not the Vare, Mellon, Thompson

and other Republican political machines so far eclipse Tammany Hall in corruption as to make the latter utterly small and unimportant?

As stated at the outset, the challenge for the debates is absurd, but at least it has by its restrictions, served to show the thinking people of our section just how the Republican party is attempting to dodge issues and again fool the people. Surely, the tone and wording of Mr. Prescott's challenge rings true to Republicanism.

GOLDSBORO WINS FROM THE PIRATES

Goldsboro, N. C., Sept. 7.—(AP)—With Goldsboro having snatched the initial game of the post-season here yesterday 4 to 2 from the dangerous Wilmington Pirates, the two teams will meet this afternoon for the second fray on Pirate soil, weather permitting.

The affair of yesterday resolved itself from the start into a pitchers' battle with Carver doing duty for the Bugs and Powell for the Pirates. While Powell got somewhat the best of the argument so far as giving up hits was concerned, the Bugs made the four secured count for more. Pushing across a run in the third frame, Goldsboro followed this in the next with a couple of tallies and scored a fourth time in the eighth. The Wilmington came in the final inning in a batting rally.

Wrigley Prize Divided Among Swim Entrants

Toronto, Sept. 7.—(AP)—Lacking a legitimate winner, the \$35,000 prize offered in the Wrigley marathon swim, has been split up into portions of \$2,500 each and awarded to fourteen of the 199 entrants in Wednesday's grind.

Puzzled over what to do with the money when not one of the competitors was able to finish the 15-mile race, the Aquatic Committee of the Canadian National Exhibition decided to grant equal awards to the fourteen men they decided had distinguished themselves in the swim.

Thus Georges Michel of France, last of the field to succumb to the icy waters of Lake Ontario, gets no more, financially than does Harold L. Preston of Smithville, Ont., last of the 14 prize winners, who swam only five miles against more than 12 for the Frenchman.

Realizing the swim was unsatisfactory from a number of angles, the committee decided that a race of from two to five miles should be held tomorrow afternoon.

STRIBLING IS WINNER OVER JIM SQUIRES

New York, Sept. 7.—(AP)—W. L. (Young) Stribling of Georgia, has taken the first step on the long trail that leads to the now vacant heavyweight throne, and overcame a jinx to do it.

It wasn't a very big step but it was something. The southerner made his New York debut as a heavyweight at Madison Square Garden last night by battering Johnny Squires of South Africa, into technical knockout defeat in less than two rounds of fighting.

In his days as a light heavyweight, Stribling had a special genius for appearing as his worst in Metropolitan rings. He lost both of the major bouts he has had here previously, bowing to Paul Berlenbach and Tommy Leughran.

New York fans were not particularly keen about the southerner's style of fighting and were not at all slow in making him aware of that fact.

Last night he gave his critics no time to get into action, with a few sharp punches Stribling had Squires groggy in the first round, only the fact saving the South African from the ignominy of a one-round knockout. In the second round, Stribling sailed into his virtually helpless opponent and cut him down for good after only 44 seconds of fighting in that stanza.

ATHLETICS SHUTOUT BOSTON RED SOX

Boston, Sept. 7.—(AP)—Lefty Grove shut out the Red Sox with four hits and the Athletics took the first game of a double header from Boston today 1 to 0. Charley Ruffing had the other end of the pitcher's duel and gave Philadelphia only six hits but one of them combined with a walk and an error in the sixth gave the Athletics their run.

Three Workmen Die In Blast

San Francisco, Sept. 7.—(AP)—Three workmen were believed to have perished under a street of blazing hot tar spread over a portion of San Francisco Bay last night by an explosion. Three others were injured and the work of a \$2,000,000 pier under construction was badly damaged.

The explosion occurred shortly before midnight while a crew of about 20 men was applying the heated tar to the pier. A blow torch ignited a cauldron of tar and the ensuing blast threw the fiery mixture in every direction.

Four men on a barge beneath the pier dived into the bay in their attempt to escape. Only one of these had been accounted for. The survivor, Paul Westen, who saved himself by swimming under water, said he believed his three fellow workmen had died under the blazing surface of the bay.

Unusual, Indeed!

New York—Benjamin Maekofsky was fined \$5 for violating a parking rule.

"Judge," he protested, "I'd rather leave the car."

"Four dollars."

"It's useless to the court. Sentence suspended."

Macon Defeats Asheville Club

Atlanta, Sept. 7.—(AP)—Butz Rough, ace of Macon's pitching staff, turned in his 25th victory of the season yesterday when he set Asheville, potential South Atlantic Association champion, down with only two hits.

While the peach hurler was breaking his curves around Tourists bats, Hal Lee was busy hitting two homers, a triple and a single to drive in five Macon runs. The final score was Macon, 7; Asheville, 0.

During the first seven innings only one Skylander reached first base and he on a free pass. Hamilton of Knoxville, practically batted his team to an 8 to 7 victory over Columbia. The Skokie second baseman tied up the game at five all when he homered with the bases loaded in the fourth inning and then knotted the count again in the eighth when his triple drove across two more runs.

Smith's single scored him with the winning counter.

Augusta batters pounded two Greenville boxmen for 18 hits and a 15 to 2 victory over the Spinners. Nine runs in the first inning caused Ormand's speedy exit but German was touched freely the rest of the way.

Charlotte at Spartanburg did not play due to wet grounds.

GORMAN'S MARKET REPORT

The sales have been light this week, except opening day and Friday. It looks now that today's (Friday's) sale will be an all day sale. From all reports Greenville led the state in opening day's average and Gorman's made the highest average in Greenville. It pays to sell in Greenville and at GORMAN'S. With clearing weather we look for large sales the coming week. Gorman's has first sale Monday; second Tuesday; first Wednesday; third Thursday, and first second Friday.

Work your tobacco dry as you can, keep the strings out, as one large buying concern has instructions from headquarters not to bid on tobacco in which strings have been left. Send your tobacco to GORMAN'S and you will go home satisfied that you have had the top of the market.

COTTON MARKET N. Y. STOCK LIST

New York, Sept. 7.—(AP)—The cotton market was generally higher today on continued unfavorable crop reports from the south and reports of increasing trade demand which inspired covering for over tomorrow's Government crop report. Slight early losses were recovered, active months selling well above yesterday's closing quotations. The mid-afternoon market was fairly active and steady at net advances of 8 to 12 points.

Futures closed steady 5 points higher to one lower; spot steady; middling 19.40.

GRAIN MARKET

Chicago, Sept. 7.—(AP)—Wheat traders spent a dull day on the Chicago board of trade but the small turnover was at a higher price average and the market tone was firmer. Unsettled weather northwest, with showers and a trace of snow in Canada, lent strength at Winnipeg through fear of delayed deliveries although receipts are being augmented daily. Liberal cash sales of corn had a buoyant effect on the current month's futures and September was more than 2 cents above the early figures, other months firming in sympathy.

Wheat closed firm, 1-4 to 3-4c higher; corn firm, unchanged to 1 3-4c up; oats strong, 1-2 to 1 1-4c up and provisions strong, ribs unchanged and lard and bellies 7 to 17c higher.

STOCK MARKET

New York, Sept. 7.—(AP)—A sweeping advance in prices, which carried nearly two score issues to record high levels on gains running from 2 to nearly 20 points, was Wall Street's response today to the unexpectedly small increase of \$54,000,000 in federal reserve brokers' loans. Trading was in enormous volume, with the ticker half an hour or more behind the market during the early part of the session.

Call money held steady at 7 1-2 per cent despite the calling of more than \$20,000,000 in bank loans. Easier call money rates were widely predicted for next week when the return flow of Sept. 1 dividends and interest payments is completed. The market apparently paid no attention to the relatively high rate of 4 1-2 per cent on the new U. S. Treasury financing, although it was generally construed as indicating relatively firm money rates for the next few months. The decline in sterling to a new low level for the year revived hopes of an easy resumption of gold shipments from abroad.

Briggs Manufacturing ran up to a new high on a tremendous turnover on reports of unusually large orders from Ford, Chrysler and other large automobile manufacturers. U. S. Steel common, attained a new peak at 158 and was accompanied into new high ground by Republic, Otis and Central Alloy Steels and McKeesport Tin Plate.

The close was strong. Total sales approximated 4,600,000 shares.
