PERSHING IS HONORED ON HIS BIRTHDAY

American Military Leader Receives Recognition On His 68th Birthday Today.

Washington, Sept. 13.—(AP)—General John J. Pershing today celebrated the 68th milestone of a life rich in adventure and accomplishment, crowned by leadership of the battalions that fought in America's greatest war.

Now fully retired after a long and fruitful service in the army, the man who, with Washington and a few others, rose to the high distinction of a full-ranked general, found on this birthday echoes of the acclaim which a grateful world bestows upon those it reveres.

At the War Department where General Pershing has a handsome office, although he is no longer actively connected with that branch of the government, time was set today so that the general might receive the four latest foreign decorations which admiring nations have conferred upon him.

Congress, which must consent before Americans may receive such decorations, acted favorably last winter, but Secretary Davis of the War Department postponed the presentation so that it might take place today.

The decorations were those conferred upon the general by the President of Czechoslovakia in 1926 and by the President of Peru, the President of Poland and the President of Venezuela in 1925.

Nearly in fact in the same building which was the setting for further honoring this American warrior, another department of the government was pursuing efforts by which the world might be brought into universal peace and in this effort General Pershing lent as full support as he did to bring victory to arms ten years ago.

For him to endorse the Kellogg-Briand peace treaty seemed to roll back the years for his friends to that day in Paris eleven years ago when he exclaimed:

"There must be no peace except a lasting peace."

For a man who has lived such a full life as General Pershing has, the changes that can come within a brief period may be accepted with total unconcern but his friends today found it difficult to reconcile the serenity of his 68th birthday with the tumult surrounding the anniversary ten years ago.

The great St. Mihiel drive had just come to a close. President Wilson had cabled the words symbolizing the gratitude of the American people. He was a soldier with the whole world speaking his name.

Then came the ensuing days of swift victory for the allied forces and ultimately the triumphal entrances into Paris, Brussels, Rome, London, New York and Washington. There were official honors from dozens of governments and from the French an honor given no other foreign general—the privilege of riding under the Arche De Triomphe.

General Pershing's birth sixty-eight years ago today was at Meadville, Mo., of his ancestry a biographer says:

"He was the son of John Fletcher Pershing and Elizabeth Thompson, a daughter of Kentucky. By coincidence, the man who led a great American army, who brought Alsece and Lorraine back under the French flag, was a descendant of an Alsatian—Frederick Pletschin, who emigrated to America, where the name became Pershing."

France Plot Against Spain

Paris, Sept. 13.—(AP)—Having crushed a wide-spread plot against the dictatorship of Primo de Rivera the Spanish government today appeared to have the situation well in hand. Some border advances place the number of persons under arrest as high as 2,000.

The plotters were stated by travelers from Spain to have intended to overthrow the government and arrest high officials for immediate trial and prompt deportation.

The Bordeaux newspaper, La Petite Gironde, said the Spanish police claimed liberals, republicans and communists joined in the plot. To high military officers were known to be involved.

The blow to overthrow the government was stated to have been prepared for tonight in connection with the fifth anniversary of the establishment of the Spanish dictatorship. It had been set originally for later in the autumn but the plotters took advantage of the absence of King Alfonso in Sweden.

Never Again For Fred.
New London.—Fred Stone has promised the Mrs. never again. He is to abandon the fascinating sport of flying.

SMITH PLANS LINE UP THE STATE OF N. Y.

Governor Is To Hold Conference With the Party Members at Albany Today.

Albany, N. Y., Sept. 13.—(AP)—The political situation in New York state, which Governor Smith's managers figure must line up for him in November if he is to win over Herbert Hoover, drew the attention today of the Democratic Presidential nominee as state party leaders gathered for a conference with him at the executive mansion.

The meeting, scheduled for late in the day, was set aside for a general discussion of plans already made and to be made with regard to organization preparatory to the state nominating convention at Rochester October 1 and 2 when a ticket will be named and a platform adopted. Gov. Smith has given no indication as to who he will favor for governor or any other post.

No other engagements were on the governor's calendar for the day. Last night he broke his long silence on what has been described as "whispering campaign" against him by issuing a formal statement for publication today, branding as "slander" an accusation that he was "disgracefully intoxicated" at the New York state fair at Syracuse on August 30.

Made public by the nominee at his offices at the state capitol, the statement was headed: "Mailing a lie in the whispering campaign." Interwoven with the statement were three letters and a telegram dealing with the incident which the governor had received from several persons, and the names of two women.

One from Syracuse and the other from Bakersburg, W. V. were mentioned in connection with circulation of the charge. It was said on behalf of both women in their home cities that they had nothing to say on the subject at the present time.

MR. COOLIDGE TO TAKE PART IN CAMPAIGN

Plans of President Probably Will Be Announced at Later Date.

Washington, Sept. 13.—(AP)—President Coolidge is to participate actively in the presidential campaign and his plans probably will be announced at the White House in the near future.

His part in the effort of the Republican party to retain control of the national government formed one of the subjects of a conference he had with Herbert Hoover at the executive offices late yesterday after his return from his summer vacation in the hills of northern Wisconsin.

The conference was of unusual duration, lasting for an hour and a quarter. There was no official announcement regarding the meeting, but it was stated that the chief executive was anxious to be helpful in the campaign. This naturally led to the surmise that on his forthcoming visit to New England, Coolidge will make one or more speeches in his home section of the country, in some portions of which the Republicans know they have to contend with rather stiff opposition.

American Relation With Russia Involved In Pact

Washington, Sept. 13.—(AP)—Just how Russo-American relations would be affected by formal ratification of the Kellogg-Briand anti-war treaty is a question constantly bobbing up in discussions of the peace pact and one that evidently will be raised when the covenant is placed before the senate.

Moreover, the stipulations made by Great Britain and France prior to their approval of the treaty seem due for a general threshing out on the basis of whether or not they, in themselves constitute reservations.

Should the Pact be ratified without qualification, an official document of Soviet Russia would be deposited for the first time in the State Department.

Senator Borah of the Senate Foreign Relations committee, held a conference yesterday with Secretary Kellogg. He is in favor of the treaty and long has been a proponent of Russian recognition. After his discussion with Kellogg he declared that his views were unchanged, and although he declined to be drawn out with respect to the effect of the treaty on recognition of the Soviet government, he did say that he was "very well satisfied with the present situation". He expressed the opinion that the treaty would be ratified without reservation.

MRS. SMITH REGISTERS EARLY

Because she plans to accompany her husband on his tour of the west, Mrs. Alfred E. Smith went to the board of elections in New York city to register early so that she will be sure of her vote at the coming election. She is shown registering while Thomas Sheehan, clerk, looks on.

BIG PAGEANT TO BE GIVEN AT PITT FAIR

Local Talent to Present George Washington's Visit to Pitt County.

One of the outstanding attractions of the Pitt county fair this year will be a pageant, "George Washington's Visit to Pitt County," to be presented on the night of October 3rd. The pageant will be staged under auspices of Greenville Patriots chapter of the Daughters of the American Revolution, and will be one of the most elaborate historical plays ever attempted by local talent.

The pageant will be divided into four episodes, embracing preparations for arrival of Washington, arrival of guests, arrival of Washington and his reception by a committee of safety and the departure of the distinguished visitor. About one hundred characters will take part and will represent several communities of the county.

It is estimated that about half an hour will be required in presentation of the attraction. During that time numbers of dances reminiscent of the colonial period will be given. All characters will be dressed in costumes of the period represented by the pageant, and this alone will furnish much color to each of the episodes.

The pageant will take place shortly before the nightly fireworks program. It will be ushered in by a brilliant pyrotechnic display to furnish proper atmosphere for the preparation and arrival of the distinguished guest to the capital of Pitt.

An appropriate musical program will be furnished for each episode by members of Victor's band who will occupy the bandstand during the five days the fair is in progress.

Mrs. R. L. Smith, who has charge of the pageant committee, stated that there would be no extra charge and that the play would be a part of the regular fair program.

Alfonso In Talks.

New York.—With us is Alfonso XIII of Spain in the Talks, twirling his moustache between thumb and forefinger and saying in English that 400 years have elapsed since Columbus discovered America and it is high time the American tourist discovered Spain.

Seven Killed As Train Hits Car At Gary, Indiana

Gary, Ind., Sept. 13.—(AP)—Seven persons were killed and another was injured, probably fatally, when a westbound Grand Trunk freight train struck their automobile at a grade crossing on the edge of Gary early today.

D. S. Pollock, 59, Milburn, O. C. C. Mainord, 37, Matthews, Mo. Retta Mainord, 30, his wife. A baby girl, four months old, believed to be daughter of Mr. and Mrs. Mainord.

Mrs. Anna Jones, 27. Fred Jones, twenty months old, her son.

Howard Smith, 38, Dearborn, Mich. Ernest L. Jones, age 7, was injured seriously and is not expected to live. He is the son of Ernest L. Jones, who is employed in Flint, Mich.

WOMAN DIES AS RESULT OF SEVERE BURNS

Mrs. Clayton Everett of Vanceboro, Fatally Burned When Oil Can Explodes.

Mrs. Perle Everett, wife of Clayton E. Everett, died this morning at her home in Vanceboro at six o'clock as result of burns sustained while remaking a fire in the kitchen stove yesterday afternoon about five o'clock.

Funeral services will be conducted tomorrow afternoon at three o'clock at Gum Swamp Church, in Belvoir township, by Rev. J. H. Little of Winterville. Burial will follow in the churchyard.

She is survived by her father and mother, Mr. and Mrs. J. E. James, of Belvoir; her husband and six children; two brothers, Willie and Charlie James of Pitt county; five sisters, Mrs. Jesse Hathaway, Mrs. Jesse Everett of Belvoir; Mrs. Chester Weathersby, Robersonville; Mrs. Walter Harris of near Greenville. Mr. and Mrs. Everett moved from Pitt county to Vanceboro during the month of January, where he operated a sawmill and farm.

Mrs. Everett was fatally burned when she used a one gallon oil can to re-kindle a fire in the kitchen stove, preparatory to cooking supper. The fire had presumably gone out, but when she poured the oil into the stove the flame flashed up the stream of oil and exploded the can in her hands, saturating her body with flaming oil. Her husband, who was a short distance from the house, heard the explosion and rushed into the house and extinguished the fire by tearing the clothes from the body of his wife.

Mrs. Everett was badly burned about the head and body down to her knees. Her hair was practically burned from her head as were her eyelashes and eyebrows.

Red Arrow Train Runs Thru Switch; Nobody Injured

Detroit, Sept. 13.—(AP)—Passengers were shaken, but no one was reported injured when the Red Arrow Pennsylvania train, from New York to Detroit, ran through an open switch and crashed into two freight cars on a siding in Lincoln Park, Detroit suburb, today.

The freight cars were derailed but none of the coaches of the passenger train left the tracks.

Kills Boy Singer.

Chicago, Sept. 13.—(AP)—Annoyed by the singing boys below his window last night, Joseph Czahore blazed away with his shotgun, "to frighten them", as he told the police later.

Today he was held for the death of Joseph Kasowski, 17, one of the singers, whose body was found in the street in front of Czahore's home.

HOLD WOMAN IN THE CASE C. S. CARNES

Los Angeles Authorities Requested to Detain Mrs. Louise Pope For Inquiry.

Atlanta, Sept. 13.—(AP)—Los Angeles authorities today had a request from Atlanta police to detain Mrs. Louise Pope, one of the figures in a nation-wide search for Clinton S. Carnes, missing treasurer of the Southern Baptist Home Mission Board, whose accounts are \$1,000,000 short.

Meanwhile, Solicitor General John A. Boyking of Fulton county began a systematic search for the missing treasurer, basing part of his efforts on the story of a train conductor, that Carnes probably was a passenger on a New York bound train shortly after his disappearance here August 15th.

With the search under way in Los Angeles and New York, Solicitor Boyking explained that he wanted to question Mrs. Pope about a statement appearing in press dispatches from Los Angeles in which she advised authorities that they likely did not know that "only the surface had been scratched" in the investigation of Carnes' affairs.

Mrs. Pope made the remark to police investigators who questioned her about Carnes' patronage of two girls seeking careers in the movies in Hollywood. Mrs. Pope said Carnes had sent money to her and Sonnie Norlie, but that she did not know of a Miss Lois Griffin who, Carnes' private records indicated, had received about \$5,000 from the Atlanta layman. Lois Griffin, however, found later, said she went to Hollywood with Mrs. Pope and admitted receiving over \$5,000 from Carnes on a contract basis. The contract, one similar to one held by Miss Norlie, stipulated that Carnes was to share in the earnings of the girls after they had "arrived".

W. D. UPSHAW IS DEFEATED IN GEORGIA

Verdict Went for Al Smith in State Primary Held During Yesterday.

Atlanta, Sept. 13.—(AP)—The verdict went for Smith in the only major race of Georgia's Democratic primary which had the presidential candidacy of the New York governor as an outstanding issue. Congressman Leslie J. Steele, who stood unequivocally behind the party ticket from Smith on down, overwhelmingly defeated W. D. Upshaw, bitter foe of the national standard bearer for nomination as Fifth District national representative, embracing Atlanta and contiguous territory.

Representative Steele, who wrested the Fifth District seat in the national house from Upshaw two years ago, on the basis of the popular vote, carried four of the five counties of the district.

Congressman Steele apparently had carried Atlanta. Upshaw's home town, Steele is a resident of Decatur.

The Fifth Congressional District vote in 76 precincts out of 90 gave Steele a popular vote of 9,554 against 7,110 for Upshaw in unofficial returns. This meant Steele had 16 county unit votes, the actual basis of nomination, to two for Upshaw.

If a candidate has a majority of the popular vote in a county, the complete unit vote for that county goes to him. The unit vote is twice the number of state legislators from that county.

On the basis of incomplete returns, Governor Harman had an indicated unit vote of 288 to 112 for his opponent.

Five Seamen Killed In Blast On Tanker

Southport, Sept. 13.—(AP)—The charred hulk of the tanker Shreveport, anchored off Frying Pan Shoals, bore mute evidence today to another grim tragedy of the sea.

Five seamen were dead as the result of an unexplained explosion on board the craft yesterday, which came with stunning and terrifying abruptness, tore away the bridge and midship housings and incapacitated the vessel's radio facilities. Almost immediately, the ship was enveloped in flames.

Four members of the crew were injured and with 25 other survivors they were brought into Southport by the Spanish steamer Aldecoa, which was attracted to their rescue by the smoke pouring upward from the blazing vessel. The injured men were expected to recover.

SALES SOME LIGHTER ON LEAF MARKET

About Million Pounds of Tobacco Reported On the Local Market Today.

The Greenville tobacco market yesterday sold 1,162,858 pounds of tobacco for \$162,232.07, according to information made public this morning by K. W. Cobb, secretary of the Greenville Tobacco Board of Trade. The market averaged \$13.94 per hundred pounds.

Sales were reported to be light today with about a million pounds in the floors of the nine warehouses. It was stated that sales would be finished during the afternoon.

FALL FASHION SHOW HERE ON SEPTEMBER 18

Merchants of City to Display Latest Creations of Market for One Evening.

The public is looking forward with increased interest to formal opening next Tuesday evening from 7:30 to 9:30 of the latest offerings of Dame Fashion which event will be presented under the auspices of the Merchants Association by the various firms affiliated with that organization.

This, the fourth such annual showing, has promise of eclipsing any of the previous displays as the merchants are putting forth special efforts to that end. The event is not confined to the merchants, who operate stores in handling of wearing apparel for men and women, but every firm whose wares are affected by the styles will be ready or the shoppers with an unusual display of merchandise its equal of which will not be shown in Eastern Carolina this fall season.

Since the first of these occasions four years ago each succeeding season shows increased interest being manifested and among the visitors in attendance are hundreds of women—a radius of more than fifty miles of Greenville.

In addition to their regular showing, many of the local stores have rushed buyers to the northern markets to make purchases to supplement their already complete showing.

SMITH CLUBS TO BE FORMED OVER COUNTY

Plans looking to the organization of Al Smith clubs in each precinct of the county was the outstanding feature of a meeting of the Pitt County Democratic Executive Committee held at the courthouse last night. Several other matters were taken up including appointment of a committee for arranging speaking dates for prominent members of the party while the campaign is in progress.

The committee appointed to organize Smith clubs in each precinct of the county was headed by H. W. Whedbee, recently elected judge of the Pitt county court. It was understood that organization would get under way immediately and that plans would begin functioning for the promotion of the presidential campaign.

The committee to arrange for speaking dates was composed of E. G. Flanagan, M. K. Blount and W. E. Hooks. It was stated that numbers of well known speakers had already offered their services for stumping the county, including several lawyers of this city.

Relative to engagement of out-of-the-county speakers, it was stated that Hon. Josephus Daniels of Raleigh, former secretary of the navy under the administration of Woodrow Wilson, would address the voters of Bethel on September 20, during the daytime.

Josiah William Bailey, well known political leader of Raleigh, will speak at Farmville, September 21, at eight o'clock.

The second of political addresses in Greenville will be delivered at the court house here Saturday afternoon at 2:30 o'clock by J. C. B. Bringham of Elizabeth City. Mr. Bringham is considered an orator of unquestioned ability and his appearance here is expected to attract numbers of Democrats from surrounding communities.

"The situation is critical but not hopeless," Dr. Charles E. Maddy, general secretary of the State Baptist convention, said in announcing he had called the meeting.

THAW PLANE CRASHES AT DECATUR

Non-Stop Entrants In Cross Country Derby Receive Minor Injuries Today.

Decatur, Ind., Sept. 13.—(AP)—Col. William Thaw and Captain John P. Morris, both of Pittsburgh, in a Lockheed-vega plane in the non-stop air race were forced down on a farm 15 miles south of Decatur, Ind., at 12:30 o'clock this morning, by a broken oil line.

Col. Thaw's hip was dislocated and both were badly bruised. They were unable to summon aid and lay in the wreckage until found by a farmer at 6 o'clock this morning. They were brought to a hospital here.

When the fliers discovered their oil line was broken they dropped a flare in an effort to locate a field for landing. The flare was extinguished, however, before the plane reached the ground and it struck a fence. The plane was demolished.

Thaw was the biggest man in the race, weighing more than 200 pounds, and his plane had the most powerful engine in the race. His Lockheed-vega was similar to the Yankee Doodle of Art Goebel, the favorite, but it had a Pratt and Whitney 500 horsepower motor, 100 horsepower more than Goebel's Wasp.

Before the takeoff some aviators expressed the opinion that Thaw's engine was too heavy for the ship and considered it possible that the vibration might shake loose gasoline or oil lines.

Thaw himself took little heed of the talk of danger, merely remarking when asked about his chances in case of accident, "Well, I'm fat and I'll bounce."

The Thaw ship had a black body with orange wings and was marked with race number 13. The fuselage was the "pear shape" of all Lockheed Vegas.

Morris was one of the two pilots to take off yesterday in such expert style that the watching crowds were not given at least a moment of trepidation, the other being Goebel. And this despite the fact that he took off after dark on a field that has no flood lights. Most of the pilots went down the runway with numerous bumps and breath-taking hops but Goebel and the Thaw ship soared from one end to the other with the smoothness of a bird's flight and took the air with all a bird's grace.

Baptist Ministers To Meet In Raleigh

Raleigh, N. C., Sept. 13.—(AP)—Baptist ministers of Eastern and Central North Carolina will meet at Meredith College here next Thursday to discuss the situation confronting the Home Mission Board as a result of the recent defection of Clinton S. Carnes' treasurer.

"The situation is critical but not hopeless," Dr. Charles E. Maddy, general secretary of the State Baptist convention, said in announcing he had called the meeting.

Injured Woman Getting Along Nicely Today

Miss Mary Louise Bailey, of Elizabeth City, injured in an automobile wreck near Bethel yesterday, was reported to be getting along as well as could be expected at the Pitt Community Hospital today, although her condition was still precarious.

The extent of Miss Bailey's injuries have not been determined, but it is understood that her lower limbs were badly crushed.

The wreck occurred during a driving rain storm as Miss Bailey, with her father, two brothers and two women companions, were headed for Greensboro, where the injured young woman was to have entered school. None of the others were injured.

Estranged Husband Attempts to Slay An Entire Family

New Orleans, Sept. 13.—(AP)—Insane jealousy over estrangement of his bride of three months, who was afraid to marry him and afraid not to, was blamed for the attempt of James Guerra, 25-year-old night watchman, to slay an entire family.

Guerra last night located his wife, 17-year-old Nora Muller Guerra living with her family in the old French quarter of New Orleans with the hope of evading him. Failing at reconciliation Guerra shot the girl down on the front porch of the home, turned upon the rest of the family and then sent a bullet crashing into his own brain.

Estranged Husband Attempts to Slay An Entire Family

New Orleans, Sept. 13.—(AP)—Insane jealousy over estrangement of his bride of three months, who was afraid to marry him and afraid not to, was blamed for the attempt of James Guerra, 25-year-old night watchman, to slay an entire family.

Guerra last night located his wife, 17-year-old Nora Muller Guerra living with her family in the old French quarter of New Orleans with the hope of evading him. Failing at reconciliation Guerra shot the girl down on the front porch of the home, turned upon the rest of the family and then sent a bullet crashing into his own brain.

The second to fall was Mrs. Louise Muller, 68, mother of the girl, who was shot as she jumped up screaming from a porch chair. Guerra then sent a bullet into the head of John Muller, his 21-year-old brother-in-law, before he took his own life.

Mrs. Muller died almost instantly under the attacker's steady aim. John Muller was reported dying in a hospital, while Mrs. Guerra had a chance to recover.

Jones Wins Over Gorton At Newton

By BRIAN BELL (Associated Press Sports Writer)

Newton, Mass., Sept. 13.—(AP)—Bobby Jones today remained a member of the cast of the national amateur golf championship—reduced to eight—thanks to the world's worst drive. Ray Gorton, the champion's second round opponent, stood on the 18th tee at Braeburn in the dismal dusk of a rainy September and looked through a gate left wide open by Bobby.

Bobby and Gorton, a home bred who knows every blade of grass and every heel print in the bunkers of the teasing Braeburn layout, were all square going home. The three times king of the Simon Pures had had his turn on the tee and made a mess of it. His drive had carried over a dangerous 200 yards from the tee but rested in tough grass far off the fairway to the right, with no chance to go for the green and par.

If Gorton could get on the green 437 yards away, in two strokes, the match was his and with the victory the distinction of being the second man to win a match from Jones in the last four years of amateur championship play. The champion could not hope for better than a five from his lie in the trouble.

Bad as was Bobby's drive, his opponent's was worse. It might have modeled on one of Joe Kirkwood's trick efforts, the one he calls his "Sunday morning shot," where the ball instead of going forward shoots at a right angle from the tee. The difference was that Gorton's went to the left, deep into the forest and behind a wood pile, with all hope gone for a win. The home player showed his great heart by setting out to get the half and prolong the match. There were still records to be had. One was made. Jones had, for the first time in his brilliant career, played a round in the amateur championship in which he was never up on his opponent and never had been carried to an extra hole. Two great shots achieved the Braeburn star's second objective. He had to play toward the tee to escape the wood pile and of necessity his third was far short of the green. He sent his fourth well inside Bobby's third, perched on the green some 20 feet from the cup.

When the champion laid his ball dead, Gorton's approach to the hole was partly obscured. He curled his put—an eight footer—around the partial stymie and into the cup for a half.

He was still making trick shots from the tee, however, and on the extra hole he again lost control of his driver and sliced to another patch of trees. Jones, in spite of his lack of experience in playing extra holes, took an orthodox par four to settle the weird affair.

The match that almost wrecked the champion went from the ridiculous to the sublime and back again. The players were out with approximate medal scores of 42.

The 36 hole third round today found Jones pitted against John R. Beck, member of the British Walker Cup team, Harrison R. Johnston of St. Paul, playing Phillips Finlay, the long hitting Harvard student. Dr. Oscar F. Willing, Portland dentist, against George Voight the medalist; and Philip Perkins, the British amateur champion, contesting with John Dawson, crack Chicago amateur.

YANKS DROP FINAL GAME ATHLETICS

Thanks to Max Bishop, the Philadelphia Athletics have been saved from utter rout in the now famous battle of the Bronx.

After smashing the A's into defeat in the first three skirmishes of the crucial general engagement, Miller Huggins' Yankee brigade ran afoul of bishop's ninth inning home run in the fourth clash yesterday. That dramatic blow carried with it a 4 to 3 victory for the Mackmen and enabled them to beat a dignified if somewhat hasty retreat from the Yankee stadium.

The Yankees thus saw their American League lead clipped to a game and a half, a margin the Athletics hope will prove not impossible to overcome when the two clubs invade the west on Saturday for the closing games of the season. The Yanks have 15 games and the Athletics 13 west of the Alleghenies.

Bishop's game-winning punch into the right field bleachers was a fitting climax to a contest which saw the Yankees come within an ace of victory with another of the eighth inning rallies that enabled them to win the second and third games of the series.

Howard Ehmke, tall right hander of the Mackmen, entered this inning with a 3 to 2 lead. He had pitched a magnificent game but in this frame he got into difficulties. The champions loaded the bases with two out and Tony Lazzeri at bat. In delivering his first pitch to Lazzeri, Ehmke wrenched his knee so badly that he had to be removed. Ossie Orwoll went to the box and lost no time in walking Lazzeri, forcing home the typing run. With the bases still full, Mike Gazella filed out to end the frame and the Yankee's chances were gone.

Waite Hoyt had two men down in the Athletics ninth and had two balls and two strikes on bishop when the second baseman clouted the ball over Ruth's head and into the right field stands. Haas got a life on Lazzeri's fumble and Cochrane singled to put two men on base and Hoyt under the showers in the clubhouse. Pipgras ended the rally by fanning the danagerous Al Simmons. Taking no chances, Mack sent Rube Walberg to the mound to get rid of the Yankees in their last turn at bat and the left hander was quite equal to the occasion.

A crowd of 40,288 saw the end of the series, swelling the total attendance for the four games to 177,113.

While the New York Giants and the Chicago Cubs were idle, the St. Louis Cardinals stretched their National League lead to three games by defeating Cincinnati 2 to 1.

In the only other National League engagement of the day, the Brooklyn Dodgers beat the Phillies 6 to 1.

WORRIED A LOT

Run-Down, Nervous, Appetite Gone, Lady Shows Great Improvement After Using Cardui.

Waterloo, S. C.—"I took Cardui at intervals for three years, and have been in good health since last fall," says Mrs. Noble J. Hayes, who lives near here. "My improvement after taking a course of this medicine was really remarkable.

"I am much stronger and can accomplish so much more work now. My weight increased twenty pounds, and my color is fresh and good.

"For a long time I had been feeling poorly. Some days I dragged around the house and had not enough energy to do my housework.

"I worried a lot about myself. I did not seem like myself, and my nerves were all on edge. I did not sleep well, and my appetite left me.

"I found Cardui to be an excellent tonic. After I had taken it a few weeks, I began to pick up and to gain in weight and strength.

"Now I am in fine health. I have recommended Cardui to many of my friends, and shall continue to do so."

For over 50 years, Cardui has been used with success and recommended by thousands of women for weakness and similar ailments. Try it for your troubles! At all drug stores. NC-192

Asheville And Augusta Strike Thrilling Pace

Asheville and August furnished South Atlantic Association fans of the Tourist city with something to remember yesterday—they battled through ten scoreless innings with the home team finally running over a lone tally in the eleventh inning for victory.

In scoring their 1 to 0 verdict, the Tourists registered only seven hits off McClung, while the Tygers were getting eight safeties off of Smythe. Augusta had a perfect day afield while Asheville had two bobbles chalked.

Knoxville nosed out a victory at Charlotte, 11 to 9. The Snoktes slapped out 17 hits off Brown.

Macon won its third straight game from the shaky Greenville team 13 to 7. The Peaches drove cut 21 hits. Spartanburg and Columbia split a twin-bill. The Corners won the opener 9 to 0, but dropped the last game 4 to 2.

SPECTACULAR SUCCESS is proving it 'Chief of the Sixes' In the tremendous success which Pontiac Six is enjoying is ample reason for designating this great General Motors car 'Chief of the Sixes.' Never has any new car risen so rapidly in the estimation of motor car buyers for during the first six months of 1928, over 136,000 Pontiacs were sold—the largest volume ever achieved by any car during the first half of its third year in production! This great public acceptance tells more of what Pontiac offers at \$745 than even the most complete listing of such features as Fisher bodies, 186 cu. in. engine, the G-M-R cylinder head, cross-flow radiator, foot-controlled headlights, coin-cidental lock, etc., etc! Come in for a ride today and learn why its sales sweep ever upward! 2-Door Sedan, \$745; Coupe, \$745; Sport Roadster, \$745; Phaeton, \$775; Cabriolet, \$795; 4-Door Sedan, \$825; Sport London Sedan, \$875. Winterville School Will Open Monday

The opening date of the Winterville School has been set for Monday, September 17. An enrollment of around six hundred pupils is expected. The seating capacity of the building has been increased, transportation facilities have been improved, and two additional teachers have been employed in anticipation of the biggest year's work in the school's history.

Children who will be six years of age before January 1, 1929, will be permitted to enroll next Monday. Children between the ages of 7 and 13 years, inclusive, are required to enroll in school and attend regularly until they are legally excused.

Opening exercises will be held Monday at 8:45. Patrons and friends are invited to attend the opening so as to get important announcements concerning the school and community.

The teachers who will work in the Winterville system this year are:

Primary Department.

First grade: Miss Jennie D. Evans, Fayetteville, Miss Dorothy Bridgess, Lasker, and Mrs. L. N. Dempsey, Winterville.

Second grade: Miss Bertha Hart, Ayden, and Miss Jeanette Powell, Enfield.

Third grade: Mrs. Lydia P. Ross, Greenville, and Miss Eugenia Powell, Grifton.

Grammar Grades.

Fourth grade: Miss Janet Grier, Blakely, Georgia.

Fifth grade: Miss Geneva Exum, Greenville.

Sixth grade: Miss Ellen Lewis, Walstonburg, and Miss Maude Blackman, Smithfield.

Seventh grade: Miss Lucile Greenway, Bartow, Ga.

High School.

English: Miss Virginia Stevens, Richmond, Va.

French and history: Miss Ethel Burkhead, Candor.

Science: Miss Mary Ida McLawhorn, Winterville.

Mathematics: Miss Yetta D. Brook, Maysville.

Piano.

Miss Elizabeth Gaston, Aberdeen.

Mrs. Dixie McLawhorn, Ayden.

Celebrates Sixty-ninth Birthday.

On September the second, the children of Mrs. Martha A. Moye gave her a surprise birthday dinner at the home of her oldest daughter, Mrs. G. W. Harrington, honoring her sixty-ninth birthday.

Upon her arrival, the children began driving up bringing in many nice and useful birthday gifts.

After a number of interesting conversations and music were enjoyed, the children slipped out and spread dinner on the table on the lawn, which had been prepared.

The table was decorated with beautiful garden flowers, and a beautiful birthday cake draped with

white crape paper with sixty-nine pink candles, formed the centerpiece.

After they had enjoyed the nice dinner, the guests were all seated where they enjoyed the afternoon together.

Those enjoying the hospitality of Mrs. Moye were as follows: Her fourteen children, their husbands and wives; forty-three grandchildren, two of their husbands; nine great-grandchildren and several visitors.

The honoree left at a late hour declaring she had spent a most enjoyable day with all her children once more.

Baptist Courier Opposed to Smith

Greenville, S. C., Sept. 13—(AP)—The Baptist Courier, official organ of the denomination in this state, definitely announced its opposition to Governor Alfred E. Smith, Democratic presidential nominee, in the weekly issue published today.

The leading editorial quotes a letter from Major W. H. Lyles, of Columbia, protesting against the paper's editorial trend and asking if it had authority from the State Baptist convention "for converting the Courier into an organ of the Republican party."

To this the editor, Dr. Z. T. Cody, replied that "the question implies that which is not according to the facts". After quoting specific authorization for the publication's editorial position, he said the Courier intended "to oppose the election of Governor Smith with all the earnestness of our belief because he makes the prime plank in his platform the overthrow of prohibition as it is embodied in the Eighteenth Amendment".

The editorial added that "it could be that on this prohibition question the Baptist denomination is wrong and the Democratic party is right. But since it is a great moral issue we are persuaded that the denomination is a better guide, nearer the mind of Christ, than the party and we believe that our people generally will take that view".

Local Merchants Association Has Splendid Growth

The offices of the Secretary of the local Merchants Association announced today the addition of three new members to the organization. There were Drs. Skinner & Smith, Bloom's and Wilson's Dress Shop.

With the fiscal year only about half spent, the local organization has already experienced the biggest growth of any single year of its operation. While the prime object of the Association is to advance the cause of the mercantile interest of Greenville, its activities in no way stop there, because in every project promoted for the benefit of the city, the organization in the absence of a Commerce body is forced to take the initiative and assume the responsibility of its success.

The work the Merchants Association is doing is receiving recognition by the various interests of the city, and not only the retail merchants but the professional people as well as other businesses are lending their moral and financial support which will ultimately make the local organization one of the biggest and best in the State.

THE BOGUS KNIGHTS OF COLUMBUS OATH
 In view of the circulation in this section of the alleged oath of the Knights of Columbus, familiarly known as the "Bogus Knights of Columbus Oath," we feel it our duty in justice to all concerned to give herewith the true story of how this alleged oath became a part of the Congressional record and also the report of the findings of the Congressional Committee and a Masonic Committee of the State of California.

In the circulation of this bogus oath the claim is made that it comes from the Congressional Record, which is correct, but the full story of the Record is not told. As a matter of fact a candidate for Congress from Pennsylvania, Eugene C. Bonniwell, sought to unseat Thomas S. Butler before Committee of Elections No. 1, assigning as one reason that he had circulated this blasphemous and infamous libel (the Bogus K. of C. Oath) in order to discredit him, as he was a member of the order. The finding of the Congressional Committee on the matter was as follows:

"This committee cannot condemn too strongly the publication of the false and libelous article referred to in the paper of Mr. Bonniwell and which was the spurious Knights of Columbus Oath, copy of which is appended to the paper." (See Congressional Record, Vol. 49, Pt. 4, Feb. 15, 1913, pages 3216-3221.)

In 1914 a Masonic Committee of the State of California, composed of highest degree and most active Masons in that state investigated the Knights of Columbus and the report of their findings were presented to Congress by Congressman William Kettner of California, Thirty-third Degree Mason.

The report of the Masonic Committee follows:

October 9, 1914.
 We hereby certify that by authority of the highest officer of the Knights of Columbus in the State of California, who acted under instructions from the supreme officers of the order in the United States, we were furnished a complete copy of all the work, ceremonies, and pledges used by the order, and that we carefully read, discussed and examined the same. We found that while the order is in a sense a secret association, it is not an oath-bound organization, and that its ceremonies are comprised in four degrees, which are intended to teach and inculcate principles that lie at the foundation of every great religion and every free State. Our examination of these ceremonies and obligations was made primarily for the purpose of ascertaining whether or not a certain alleged oath of the Knights of Columbus, which has been printed and widely circulated, was in fact used by the order, and whether if it was not used, any oath, obligation, or pledge was used which was or would be offensive to Protestants or Masons, or those who are engaged in circulating a document of peculiar viciousness and wickedness. We find that neither the alleged oath nor any oath or pledge bearing the remotest resemblance thereto in matter, manner, spirit or purpose is used or forms a part of the ceremonies of any degree of the Knights of Columbus. The alleged oath is

scurrilous, wicked and libelous, and must be the invention of an impious and venomous mind. We find that the order of Knights of Columbus, as shown by its rituals, is dedicated to the Catholic religion, charity and patriotism. There is no propaganda proposed or taught against Protestants or Masons or persons not of Catholic faith. Indeed, Protestants and Masons are not referred to directly or indirectly in the ceremonies and pledges. The ceremonial of the order teaches a high and noble patriotism, instills a love of country, inculcates a reverence for law and order, urges the conscientious and unselfish performance of civic duty, and holds up the Constitution of our country as the richest and most precious possession of a knight of the order. We can find nothing in the entire ceremonial of the order that to our minds could be objected to by any person.
MOTLEY HEWES FLINT,
 Thirty-third Degree Past Grand Master of Masons of California.
DANA REID WELLER,
 Thirty-second Degree Past Grand Master of Masons of California.
WM. RHODES HERVEY,
 Thirty-third Degree Past Master and Master of Scottish Rite Lodge
SAMUEL E. BURKE,
 Thirty-second Degree Past Master and Inspector of Masonic District

Thus is the true story of how the "Bogus Knights of Columbus Oath" came to be a part of the Congressional Record and of how the Congress of the United States and Members of the Masonic Order have branded the libelous article as a "Lie."
 It is also a matter of record that in Philadelphia in 1914, two publishers were convicted for printing and circulating the oath, while in Minnesota, the same year, two men were sent to jail for the same offense.
 Surely no thinking person can put any faith in any person or body of persons that will circulate or countenance the circulation of, in its behalf, such a piece of blasphemy as this "Bogus Knights of Columbus Oath."

ABOUT TOWN

"Information of the coming to this city of Senator Lawrence Tyson will be received with more than usual pleasure by his many friends in this section of the state, and especially since his coming has to do with promotion of the Democratic presidential campaign," declared a member of the party today.
 "General Tyson will speak at the courthouse September 24 on political issues as they affect the nation at this time. He comes under auspices of the Pitt County Democratic executive committee which has been quite active lately getting speakers lined up for the campaign.
 "General Tyson is a native Pitt countian. He spent his early life in this city, going later to the state of Tennessee where he became a power in the business and political life of the state. He is recognized as a speaker of ability, and his plea in behalf of democracy no doubt will be heard by hundreds of his friends to assemble here on the above date to hear him."

"Keep in mind the annual display of fashions to be held in the city Tuesday, Sept. 18," reminded a member of the Greenville Merchants Association today.
 "This is the fourth event of the kind held in Greenville, and from all indications, it is going to be the greatest. Numbers of merchants are already arranging their stocks and unpacking new goods for the showing. They say they have the most elaborate display in history of the city.
 "Countless numbers of people attended the event here last year. That the number will be greatly increased this time, I have not the slightest doubt in the world. The Greenville trade territory has in-

creased to no little extent the last few years and people will buy here this season who never did so before.
 "Keep the date firmly fixed in mind and visit the many stores between the hours of 7:30 and 9:30 Tuesday evening."

"The Rotary club is going to entertain members of the faculty of city schools next Monday night," stated a member of the club today, "and an exceptionally fine program has been arranged for the occasion."

"All members on the program committee are urged to leave nothing undone to make the affair truly the greatest in history of the club and in that way give Greenville's educators something to remember in years to come."

"September 15th instead of October 1st, has been declared open season for squirrel hunting," said a member of the Conservation Department today.

"Before the hunting season opens, however, sportsmen are urged to obtain their hunting license and insure themselves against violation of the law. Numbers of violations of this kind have taken place in several parts of the state the last several months, and the violators in numbers of cases were severely prosecuted. Be sure to get your licenses before going out this season."

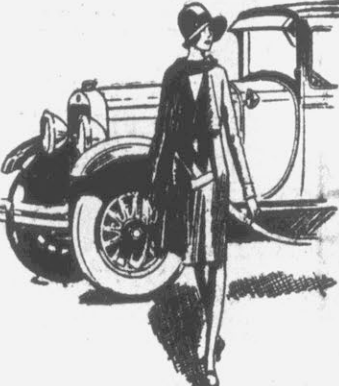

"With the tobacco market going at full blast, John Robinson's circus scheduled here the latter part of the month, and the opening of the Pitt county fair the first of next month, Greenville will certainly have something in the way of varied entertainment during the fall months," asserted a reader of the Reflector today.

"The coming of the circus alone has attracted more than passing interest. This season of the year really would seem natural were it not for the visit of the circus and the opening of the fair. Both seem to be a part of community life and it is difficult to settle down to actual business life of the winter until they have been witnessed.
 "Haywood Dail has assured us that the fair this year will be the greatest ever. He always says this, of course, but from some of the things which we have seen it is easily believable that he has not exaggerated the slightest bit."

 New Fall Hats Are Boyishly Bobbing Along.
 We have been informed that American women spent more on their hair last year than the government spent on new ships for the Navy.
 "But," asks someone, "what good would a Navy be if we had no good looking women to protect?"
 While barbers' shears clip—our new Fall hats are bobbing along—and if the man who reads this advertisement hasn't yet taken as good care of his overhead as the women in his family:

GOLDSBORO WINS FROM WILMINGTON

Wilmington, Sept. 12.—The Goldbugs regained their lost advantage this afternoon by defeating the Wilmington Pirates 8 to 5 in the wildest game of the series. All runs scored were earned. Today's game gives the Teagumers three wins against two for the Weathers. The sixth game of the series will be played in Goldsboro tomorrow. Patton continued his terrific hitting this afternoon, driving in four of the visitors' eight runs. His homer in the first with Smith, who had doubled, on second, apparently unnerved Newsome who was ranked in the fifth after being hit and in the preceding frame. Lovin, who relieved him, was effective but was removed later to make room for a pinch hitter during a Pirate rally in the sixth that saw Coltrane's departure. Newbury finished the game pitching fair ball.

Final Six.

Baker's anxiety to hit in the sixth broke the spell that probably prevented his team from being the count. Schofield first up in that session, was hit by a pitched ball. Gordon singled to right, Schofield going to second. Roscoe singled filling the bases and Weafer hit safely scoring Schofield. Teague removed Coltrane at this time sending in Carver. He walked Robbins forcing in a run but Baker hit the first ball pitched to the infield and Gordon was caught at the plate. Kennedy, hitting for Lovin was passed and another run walked in. McCarty then out to deep right. Baker on a fielder's choice scoring after the catch. Schofield up again in the same inning retired the side with a strike-out.

September Presentation of Marathon Hats

Just in time for brisk September days comes this Feature Assemblage and Presentation of Marathon Hats. The name Marathon is to these Hats what Sterling is to Silverware and 14Ks to gold jewelry. Marathon tells you that these Hats are Foremost in Style—Four Square in Quality—and absolutely Unassailable as to Finish, Balance and Proportion. See them! Buy them! Wear them with Confidence! They have our unqualified recommendation!

"The Ace" \$2.98
 "The Ace" sounds the key-note of exceptional Style, Quality and Value at a real Low Price! This smart, snap-brim Fedora has the new triple-stitched edge in Pearl, Brown, Green and Slate.

"The Collegian" \$3.98
 "The Collegian" is representative of Young Men's ideas and preferences for the Cur-Brim Hat. It has three rows of stitching on brim and comes in Pearl, Elk and Nickel; full satin lined.

"The Pinnacle" \$4.98
 "The Pinnacle" is another Young Men's hat in snap brim; also at \$3.98.

"The Prize" \$4.98
 "The Prize" is styled to the second with force and vigor of design. A raw-edge, snap-brim Fedora. Expertly made and finished; reeded leather sweat-band; new September shades.

Let Us Be Your Hatter"

Values in Fall Suits
 Made to Meet Every Demand for Style and Service

The man who looks upon the purchase of a new suit as an investment in good appearance and satisfactory service is urged to look over our lines of Men's and Young Men's Suits before deciding. In quality of materials, finished workmanship and distinctive patterns our Fall Suits represent real outstanding values.

Single- and double-breasted models. Finished and unfinished worsteds, blue serges, chevrons, cassimeres are offered in a wide range of patterns in fancy stripe effects. We could not possibly describe within such a brief space all the varied details of our assortment. Drop in and look over our complete stock.

\$24.75
 Extra Pants if Desired at \$5.90
 Other models in variety of patterns and stripe effects at \$29.75 and \$34.75. Extra Pants to Match, \$6.90 and \$7.90.

ESSEX Super

See this special ESSEX chassis display and the costly car way it is built

The most important part of your car—is the part you never see! But now we are especially displaying an Essex chassis to show the costly, fine-quality way it is built.

If you could place it—first, beside a \$3,000 make of chassis—and then beside a chassis in the Essex price range—you would have dramatic, visual proof of the fine-car Essex construction, as distinguished from the practice of cars in its price field.

You would find the same steering wheel of hard rubber and steel core in Essex and the \$3,000 car. You would find the same Timken tapered wheel bearings, the same roller tappet bearings, the same use of five cross members in the rigid frame. Cars of Essex price class usually economize with mushroom tappet bearings, ordinary roller bearings in the wheels, and three cross members in the frame.

Aside from such self-evident superiorities as its brilliant performance, beauty and quality that you can see and feel in the very upholstery, the wheel you handle and the hardware you touch—please compare with any car—the advantages we have itemized here because they speak for the complete quality way in which the new Essex Super-Six is built—things seen or unseen.

Market Report Cotton--Stocks--Grain

COTTON MARKET

New York, Sept. 13.—(AP)—Renewed weakness today followed yesterday's rallies in the cotton market, on continued easiness of Liverpool and reports of favorable weather in the south. Southern selling was largely in evidence on the decline which carried prices 30 points or more below yesterday's closing quotations and into new low ground for the current movement.

Trading was moderately active, the mid-afternoon market showing net declines of 30 to 34 points.

Futures closed easy 35 to 48 points lower: spot quiet, middling 17.80.

GRAIN MARKET

Chicago, Sept. 13.—(AP)—Corn took the leadership of the grain markets today, and brought about an all-around upturn in prices.

September delivery of corn was in special demand from previous speculative sellers, and numerous orders to stop losses at various set limits were automatically forced into execution on the advance. Notice taken that United States wheat growers were being officially advised to hold back their wheat was a contributing bullish factor and so likewise were trade reports that frosts have reduced the quality of the Canadian wheat crop 1 to 2 grades on a third of the crop.

Corn closed irregular at 1 1/4 to 1 1/4 to 1 3/8 up; wheat varying from 3-8 decline to 1-8 gain; oats unchanged to 1-2 advance and provisions ranging from 5 setback to a rise of 35.

STOCK MARKET

New York, Sept. 13.—(AP)—The stock market displayed a complete reversal of form today, selling off sharply in the morning and then rallying briskly after mid-day. Early declines of 1 to 7 points in the general list, and 9 to 14 points in the amusement issues were cut down, or wiped out, and a long list of pool specialties bid up 1 to 5 points above yesterday's final quotation. Trading showed a tendency in turn out on the declines.

Early selling was inspired largely by the belief that the recent rapid advance had weakened the technical position of the market, and that a downward revision of prices was necessary. This was particularly true of the amusement stocks which had been bid up to fantastic levels on the strength of merger reports. Warner Bros. Common, broke 12 1/2 points and the "A" stock 14, but both rallied about six points from their low levels in the early afternoon rally. Fox Film dropped 6 points and recovered 4 and Stanley dropped nearly 6 and recovered 4. Curtiss was hammered down 4 points and Keith Albee, Victor Talking Machine, Briggs and Wright showed extreme gains of 3 points or more.

Several new leaders were brought forward in the afternoon. Standard commercial tobacco, directors of which have under consideration a 10 per cent stock dividend, in addition to the regular cash payment,
