STAGE IS SET FOR ADDRESS OF ERINGHAUS

Elizabeth City Man to Speak at Courthouse Tomorrow at 2:30 O'clock.

W. E. Hooks, of Ayden, chairman of the Pitt County Democratic Executive committee, was in Greenville today making preparations for the appearance here tomorrow of J. C. B. Eringhaus, of Elizabeth City, who will deliver the second political address of the campaign at the courthouse at 2:30 o'clock.

Mr. Hooks stated that more than passing interest was being manifested in the coming of the distinguished Elizabeth City man and that he expected the court room to be packed to capacity long before the hour set for the address. The first address of the campaign was delivered here several days ago by H. S. Ward, of Washington, former congressman of this district.

Although the subject of Mr. Eringhaus' address had not been announced today, it was stated he would confine himself mainly to a discussion of the splendid record of the Democratic party, both from its activities in the state and nation. He will also give considerable thought to efforts of the Republican party and like-warm Democrats to discredit the candidacy of Al Smith, Democratic nominee for the presidency.

Mr. Eringhaus, the county chairman, is one of the most eloquent speakers the party is sending out this year, and those who hear him may rest assured of receiving much food for thought concerning one of the most vigorous presidential campaigns in history. Mr. Eringhaus has been prominently mentioned for governor of North Carolina in 1932. He is a statesman of recognized ability and his appearance in this city in the midst of the vicious campaign will cause numbers to turn out to the speaker.

Members of the committee appointed Wednesday night to organize Democratic clubs in all precincts of the county, stated today that much progress was being made in this direction. Party members of the various communities are manifesting great interest in the plans and indications today pointed to complete organization within the next few days.

The next political speaker to appear here will be General Lawrence Tyson, of Greenville, Tenn., who will speak at the courthouse Monday night, September 24th, at eight o'clock. General Tyson is a native Pitt County man. He is well known throughout the county where he spent the days of his young manhood. Members of the committee are anticipating the largest crowd of the campaign when he speaks here and plans for his coming will be extensive.

Fear Violence As Result of False Rumors

London, Sept. 14.—(AP)—Advises to Jewish telegraphic agency from eastern Europe indicate that fear of violence prevails among the Jewish population because of the spreading of false rumors of ritual murders.

Jugoslavian authorities have arrested 40 persons in the province of Banat on charges of spreading anti-semitic propaganda inciting the population in connection with one rumor.

After the disappearance of Marguerite Takatch, a 15-year-old servant girl, from the village of Zentar, Jugoslavia, a rumor was spread that "in every Jewish synagogue, a Christian child is immured." The girl was found in a neighboring village, suffering from exhaustion.

A Belgrade dispatch states that the authorities took speed steps to prevent the spread of the rumor. Couriers with trumpets were sent throughout the villages of the province to proclaim the tale of ritual murder a silly invention and to announce that every person responsible for spreading it would be severely punished.

A Vienna dispatch, however, said that there was a suspicion that serious incidents had occurred in the Banat villages in connection with the rumor.

This supposition was based on Jugoslavian papers which arrived in Vienna containing details of outrages. The papers declared it was untrue that there had been a Pogrom in Banat and that Rabbi and several leading Jews of Petrovselo near Zentar had been murdered.

The newspapers added, however, that "agitation of the frenzied villagers against the Jews in the region continued."

Has Birthday

William Howard Taft, chief justice of the United States supreme court, celebrates his seventy-first birthday September 15.

YOUNG BANDIT CAPTURED IN A GUN BATTLE

One Officer Slain And Another Injured In Capture of Daring Paul Jaworski.

Cleveland, Sept. 14.—(AP)—Paul Jaworski, one of the country's most daring bandits of the last decade who has six murders and a host of robberies checked against his operations, was near death in a hospital today. The 27-year-old killer was captured after a gun fight in which one officer was slain and another probably fatally wounded late yesterday.

Jaworski trapped in an East Side residence, fought it out with a small army of policemen only to be brought down with tear gas bombs and shot gun slugs, just a year from the day he shot his way out of the Allegheny county jail at Pittsburgh, Pa., where he was awaiting sentence for murder.

With \$10,000 in rewards hanging over his head for his capture dead or alive, Jaworski had vowed he would never be taken alive. When a police squad located him in a restaurant yesterday, he fired without a moment's hesitation and killed Patrolman Anthony Wiczorek, 32. Another officer, George E. Efinger, was seriously wounded, and Benjamin Majstrek, 27, a bystander, stopped a stray shot in his groin.

Jaworski had been recognized in the restaurant by John Zaworski, Pittsburgh grocery clerk, from newspaper pictures. While Jaworski was shooting his way out of the cafe, his companion, John Wasbinder, 23, under death sentence for a killing in Pittsburgh, escaped through a rear door.

Still firing, Jaworski raced out the front door, over fences and down alleyways until he forced his way into an unoccupied residence.

Flying squads and motorcycle officers, however had hung on his trail and in a few moments had the house surrounded.

Five tear bombs forced him to come out and as he did so Patrolman Yaro Koubela let fire with a pump gun.

Jaworski had a long police record of killings and robberies in Pittsburgh and Detroit. He gained his greatest prominence in the dynamiting and \$194,090 robbery of an armored pay car of the Pittsburgh Terminal Coal Corporation at Coverdale in March, 1927.

Kelley Trial Nears End Today

Los Angeles, Sept. 14.—(AP)—With the State demanding the life of Leo P. Kelley for the alleged murder of Mrs. Myrtle Mellus, Kelley's trial neared an end today. Closing arguments have begun.

Deputy district attorney A. S. Colgrove, in his closing argument described the case as a "torture murder" and asked the jury to find the defendant guilty of first degree murder with out recommendation. Without recommendation and leniency by the jury, the death penalty under California law would be mandatory on conviction.

Heavy Damage Claimed By Tropical Hurricane At Porto Rico Today

New York, Sept. 14.—(AP)—The tropical islands of the West Indies were raked today by a devastating hurricane that caused steadily increasing destruction to property ashore, damage to ships at sea, and death of an undetermined number of people.

Reports from the zone of destruction were incomplete, but they were enough to show that the storm was of unusual fury, a whirling blast that would leave a wide wake of desolation.

Porto Rico, largest of the bodies of land in the storm's path, apparently was the victim of the full fury of the tempest. The winds, veering madly in the usual style of those storms as the air currents rush toward the moving vortex, reached 134 miles an hour. Then the wind gauge at San Juan broke, but the wind increased and some estimates placed its greatest rate at around 150 miles an hour.

An appeal for help was sent to the Associated Press by Thomas E. Benner, chancellor of the University of Porto Rico. He managed to survey the territory within seven miles of the city and reported that millions of dollars worth of property had been destroyed in that small area.

San Juan, Sept. 14.—(AP)—One vessel was on the rocks today, shipping was disrupted, houses were in ruins and other buildings were without roofs as the result of a tropical hurricane.

It was estimated that the damage in San Juan and vicinity would run as high as \$2,000,000. Transportation and communications were disrupted. The loss of life and injuries were undetermined.

The hurricane reached its greatest intensity at 2:30 o'clock yesterday afternoon. For six hours the wind was calculated by the weather bureau to have blown at an average of 100 miles an hour with occasional squalls at 150 miles an hour.

SEN. SIMMONS ADVISES VOTE FOR HOOVER

Tells A Wilmington Delegation He Does Not Promote Smith's Candidacy.

New Bern, N. C., Sept. 14.—(AP)—Prediction that a majority of Democrats in North Carolina, Kentucky, Tennessee, Oklahoma, West Virginia and Virginia will vote for Herbert Hoover, Republican presidential nominee, was made by Senator F. M. Simmons at his home here yesterday when visited by a delegation from Wilmington.

His visitors, made up of young men who are to vote for the first time this year, had made the call to ask North Carolina's senior senator, "How shall I vote?"

The senator replied, "If I had a son I would advise him not to vote for Governor Smith, the Democratic nominee for President."

"Boys," he said, in speaking of his own vote. "That's as far as my position will let me go. You know I am situated differently from you. I would not try to tell you how to vote, but from the various delegations which have gathered on my porch and from some 1,500 letters I have received I would feel safe in saying that the majority of North Carolina's Democrats are going to vote for Hoover. That is the impression I have as prevailing in North Carolina, Kentucky, Tennessee, Oklahoma, West Virginia and Virginia."

Charlotte Man Held For Death of Young Child

Charlotte, Sept. 14.—(AP)—T. A. Halthcock, Jr., son of D. T. A. Halthcock of Norwood, was released under \$5,000 bond today for his appearance here in county recorder's court tomorrow in connection with the death of Mary Burnett, 7, lawyer's road yesterday in an automobile accident.

Rural police and others related that the child was fatally injured when struck by the car driven by Halthcock, Jr., with his father as a passenger. The girl had just stepped from a school bus and was crossing the road when struck by the car.

ROBINSON TO BEGIN FIGHT AT SAVANNAH

Arkansas Senator Delivers A Broadside Against Republicanism In S. C.

By WALTER CHAMLIN (Associated Press Staff Writer)

Robinson Special Car, Enroute to Savannah, Ga., Sept. 14.—(AP)—After firing the first verbal broadside against Republicanism which South Carolina has heard from a candidate on the Democratic national ticket since the voice of William Jennings Bryan rang out in a century ago, Senator Joe Robinson today moved onward to Georgia for a speech at Savannah tonight.

In Columbia, the near geographical center of the Palmetto State which for years upon years has been Democratic about six to one, the Democratic vice presidential nominee last night accused Herbert Hoover of having attempted to hold down the price of American wheat while serving as food administrator under Woodrow Wilson, and delivered another attack on what he described as the whispering campaign.

Introducing to an audience which waved American flags, sang "Dixie" and listened to the playing of "Sidewalks of New York," by a man, Roach Stewart, who a few months ago moved to instruct the South Carolina delegates to Houston against Alfred E. Smith, Mr. Robinson said:

"No intimation has reached me that the defection which is noted in other portions of the country is of sufficient importance in South Carolina to require efforts to offset it."

He added that his visit to the State was "not because it is deemed necessary" to strengthen support of the party's ticket, but that he had stopped over in Columbia because the schedule of other speaking engagements had provided such an opportunity.

The senator during his stay in Columbia conferred with Governor John J. Richards, an opponent of Smith in the pre-convention fight, and last night the governor and the two South Carolina senators, E. D. Smith and Cole Blease, were among those on the speaker's platform.

He argued there was no difference between the Republican and Democratic platforms on immigration and that no "important distinction" could be made between the utterances on this subject by Smith and Hoover in their acceptance speeches.

The senator also said Hoover and his running mate, Senator Curtis, of Kansas, were in "disagreement" over how to tackle the farm problem, the former proposing another conference, and the latter suggesting turning the work over to a joint congressional committee.

LEAVE CHINA RESORT TOWN

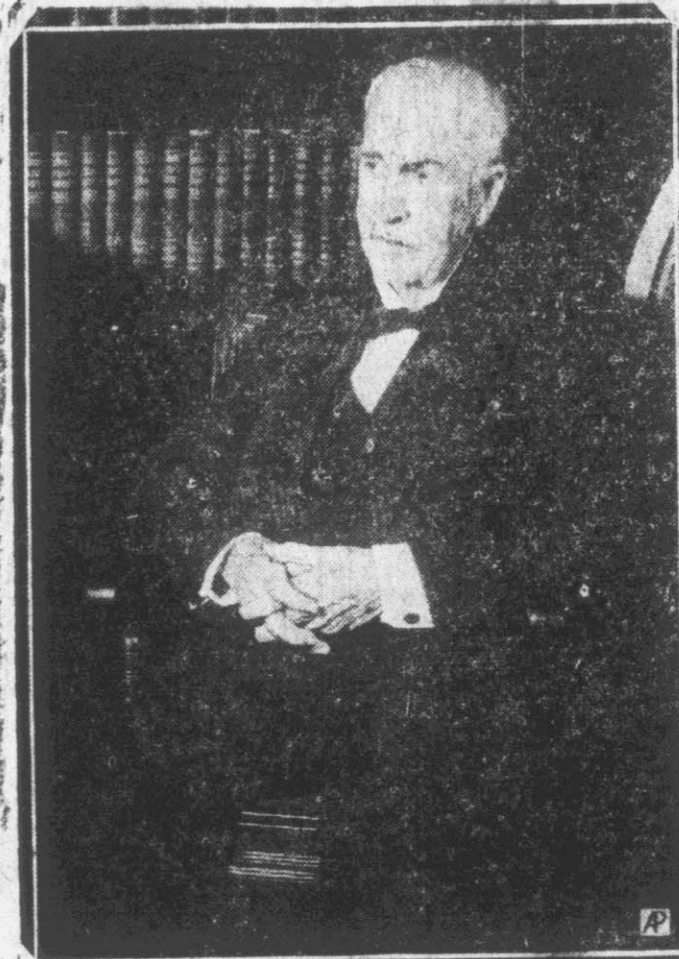

Americans Abandon Pehtaino As Result of Hostilities of the Troops.

Shanghai, China, Sept. 14.—(AP)—All Americans have left Pehtaino, the North China summer resort on the coast, according to United States naval advisers, the exodus was the result of the hostilities between Nationalist troops and the Recalcitrant Northerners of Chihli and Shantung who are fighting along the Peking-Mukden railway between Tientsin and the Great Wall.

It is presumed here that the Americans from the coast resorts are proceeding toward Tientsin. The entire area between the Lu-an River and the Great Wall has now been cleared of Americans except four at Chin Wang-Tao and seven at Changli on the Peking-Mukden railway southwest of Pehtaino. They refused to evacuate their homes. Their identity was not stated in the advice.

Five hundred soldiers of the fifth United States Infantry are scattered along the railway. The Italian and French have withdrawn their troops which had been stationed at Shan-Hai-Kwan, the gateway of the Great Wall between the battle district and Manchuria.

EDISON TO MAKE RADIO SPEECH

Latest photograph of Thomas A. Edison who will deliver his first radio address September 17, opening a radio fair at Madison Square Garden. Although his voice has twice been put on the air, once answering questions and once reciting a poem, he has yet to make his first radio address. It will be broadcast by a network of stations.

FRESH TRAILS UNCOVERED IN CARNES CASE

Miss Lois Griffin, Film Protege, Furnishes Sidelights On Secretary.

Atlanta, Sept. 14.—(AP)—Fresh but mystifying trails were disclosed today in the nation-wide search for Clinton S. Carnes, missing treasurer of the Southern Baptist Home Mission Board, as a grand jury sought information from a man identified only as a "prominent Atlanta physician."

The latest "leads" in the hunt for the man whose disappearance led to the discovery of a 1,000,000 shortage in his church accounts were furnished yesterday in Los Angeles by Miss Lois Griffin, film protegee of Carnes. She told the authorities that it would be advisable to question an Atlanta physician whose name she did not know completely.

Solicitor General John A. Boykin issued the subpoena here on the strength of her statement, declining to identify the man further. Los Angeles dispatches had quoted Miss Griffin as saying the physician had accompanied her and Mrs. Louise Pope, formerly of Atlanta, to Boston and New York early in 1927.

At that time Miss Griffin was under contract to Carnes, whereby she was to give him part of her earnings after she had "arrived" in the movie in return for advance sums, which over a period of 22 months totaled over \$5,000 by her own admission.

Mrs. Pope, also in Los Angeles as chaperone and business manager for Miss Sonia Nordlie, who is also a Carnes film protegee, made no definite assertions about the physician named by Miss Griffin, who no longer is associated with Mrs. Pope. The chaperone was questioned by District Attorney Asa Keyes in Los Angeles on the basis of her statement that "only the surface had been scratched in the Carnes case."

Carnes vanished here on August 15 after telling his chauffeur he had been called to Raleigh, N. C., on business. Although several reports had him in several cities since that time, none of them proved to be valuable.

Crew And Mails Of Seaplane Safe

Penzance, Cornwall, England, Sept. 14.—(AP)—The crew and the mails from the seaplane of the French liner Ile De France were landed at Newlyn, a small port near here this afternoon. One member of the crew was left in charge of the mail bags which were intact.

The other member of the crew was suffering from exposure, but probably will be able to depart tomorrow. The crew of the French Seaplane consisted of Commander Louis Demouget, pilot, and Marcel Monrousseau, radio operator.

GOEBEL FAILS TO COMPLETE LONG FLIGHT

Fliers In the Non-Stop Cross Country Trip Forced Down Before Reaching Goal.

Mines Field, Los Angeles, Sept. 14.—(AP)—The elements today stood victor in the non-stop transcontinental air derby, feature event of the national air race meet in progress here, and \$22,500 posted for the first four finishers in the event remained with the race officials.

None of the nine planes which hopped from Roosevelt field New York Wednesday reached their goal without a stop, though for a time yesterday it was thought Art Goebel, holder of the west-to-east non-stop record, had won first prize. Goebel, winner of the "dole" air race from Oakland to Hawaii last August, was the sole pilot to reach Mines Field, landing here at 3:20 p. m., Pacific standard time, amid a great outburst of applause from the crowd.

Following the outburst, however, and confusion attendant with his rather bumpy landing, Goebel revealed he had been disqualified by a landing at Prescott, Ariz., earlier in the day, when he grounded to adjust a faulty carburetor and to take on additional gas.

He brought a story of a bitter battle over the Rocky Mountains, during which his White Lockheed-Vega monoplane met fierce headwinds, rain and sleetstorms. The craft, "The Yankee Doodle" bore evidence of the violence of the storm, one cabin being torn away.

Goebel landed 27 hours and 50 minutes after his takeoff in New York, which time, despite the hour and ten minutes he was on the ground in Arizona was 3 hours better than the post-war non-stop record of 30 hours, 50 minutes, set 2-5 seconds by Lt. Col. Kelly K. Kelly and John A. Mearns in 1923.

He was the favorite of the big derby because of that performance of his "Yankee Doodle," and was expected to have serious opposition only from Col. William Thaw's Lockheed-Vega and Nick Maner's Ruhl-Sesqui planes, both forced down earlier.

Captain George Haldeman, Ruth Elder's pilot on her attempted trans-Atlantic flight, was the last plane-Atlantic in the derby, coming to earth at 5:05 p. m., mountain time yesterday at Albuquerque, N. M., on account of gasoline shortage following a long fight with headwinds.

A single accident marred the race when John P. Morris, pilot, and Col. William Thaw II, navigator, both of Pittsburgh, crashed into a fence after a broken oil line had forced their Lockheed-Vega plane down at Decatur, Ind., yesterday morning. Both men were seriously hurt.

Pilot Mamer, in his orange Ruhl-Sesqui plane, was the only one of the contestants to choose the northern route, and ran into ugly weather over Wyoming that brought him down after he had assumed a strategic lead in the flight.

A leaky valve on an emergency gas tank forced Lieut. Jack Iseman of the Rockaway naval air station, flying Charles A. Levine's trans-Atlantic Bellanca plane, "The Columbia," to descend at Amarillo, Texas. Although he had considerable gasoline in his tanks, he stated he did not think there was enough to finish the race.

Emil "Hard Luck" Burgin of Mineola, N. Y., who has earned his nickname by winning against similar odds as the one encountered in this race, had the same kind of misfortune as Haldeman and landed his Bellanca in a cornfield at Willard, N. M.

Lone Robber Hoids Up Fast Train Near Glendale, Calif.

Los Angeles, Sept. 14.—(AP)—Description of the lone highwayman who late last night held up and robbed 50 passengers on a San Francisco bound train of between \$800 and \$900 lullied with the description of the central figure in a similar robbery two weeks ago, and police today believed the same man responsible for both robberies.

The passengers in the car of the "Lark" Southern Pacific Limited to San Francisco, were lined up by the masked bandit as the train neared Glendale, a suburb. One passenger was compelled to pass the hot. The man lifted a vestibule door and dropped from the train as it slowed up coming into Glendale.

The whole police department of Glendale was put on the trail on the theory that the robber had an accomplice waiting in an automobile nearby. He was believed the same man who robbed a pullman on a Los Angeles-Chicago Santa Fe train about two weeks ago when an undetermined loot was obtained. Names of the passengers robbed on "The Lark" were not given.

PRICES STILL SOAR UPWARD IN THIS CITY

Tobacco Market Yesterday Made Highest Average of the Season.

The Greenville tobacco market yesterday averaged \$15.08 per hundred pounds, according to official figures made public this morning by K. W. Cobb, secretary of the Tobacco Board of Trade. This was the highest average of the season and resulted mainly from an improvement of the quality of the offerings.

The total sales of the market yesterday was given at 1,026,958. The amount paid out was \$154,905.10. A considerable quantity of tobacco was on the nine warehouse floors this morning, but indications pointed to completion of sales during the afternoon hours.

With many improvements to the warehouses and redrying plants the Greenville market this season is capable of handling a million, seven hundred thousands pounds of tobacco daily. This has virtually eliminated the possibility of delay in the disposition of offerings of farmers who sell here from day to day throughout the season and enables them to return home the same day they bring their tobacco to market.

Negro Held For Shooting White Woman

Memphis, Sept. 14.—(AP)—While Miss Rosebud Sykes, 26, daughter of a prominent Mississippi family, lay at the point of death with a bullet wound in her breast, Benny Allen, 22 year old negro, was in jail here today having confessed, police said, to shooting the woman when she resisted his attentions.

Allen is alleged to have held up Miss Sykes and Pierre Caldwell, early yesterday while the two were riding. Caldwell told police the negro made him leave the car and "run down the road" after he held them up. Allen then robbed Miss Sykes of a ring, according to his alleged confession and attempted to force his attentions on her. She resisted and asked him to shoot her, the negro told police officials and he did.

He was arrested late yesterday near his home here. Miss Sykes' family live at Duck Hill, Miss., and her father formerly was a state senator.

One Killed When Two Planes Crash 8,000 Feet In Air

San Antonio, Texas, Sept. 14.—(AP)—Cadet Gaynor Tostegin, crashed to his death and Cadet Sheldon C. Yoder jumped to safety with his parachute when their planes collided at an altitude of 8,000 feet, twenty miles west of here today. Both were students of the advanced flying school at Kelly Field.

SHIP TAKES TANKER TO CHARLESTON

Boat Disabled By Explosion at Sea Taken In As Salvage Find Off Wilmington.

Charleston, S. C., Sept. 14—(AP)—The tanker Shreveport, manned by a salvage crew from the American steamer Mariner's Harbor, arrived here under her own power this morning. The vessel was abandoned by her regular crew off Frying Pan Shoals Wednesday morning after an explosion on board that killed four members of the crew immediately and injured several others.

Shortly before the vessel's arrival the death toll from the explosion was increased to five when John Wolfinger, the boatswain, died in a local hospital. His death was attributed to injuries received at the time and to exposure suffered as he clung to a life ring at sea for more than 12 hours before he was picked up by the Clyde Liner Mohawk.

Norfolk, Va., Sept. 14—(AP)—The American tanker, Shreveport, four of whose crew were killed and several others injured in an explosion two days ago at sea, was reported in advices received by coast guard headquarters here to be enroute to Charleston, S. C., in charge of a prize crew put aboard by a passing vessel.

The tanker was found abandoned yesterday off Frying Pan Shoals on the North Carolina coast by the American steamer Mariner's Harbor and the latter's commander, Capt. J. F. Swenson, sent part of his crew aboard to man her. Swenson advised the coast guard that he was taking the tanker to Charleston as a salvage find.

During the day also one of the members of the Shreveport's crew, Boatswain John Wolfinger, said to be from Camden, N. J., who had been listed among the dead, was picked up by the Clyde Line steamer Mohawk, after drifting about on a life ring for more than twelve hours. The Mohawk brought Wolfinger to Charleston where he was placed in a hospital and was said to be in a serious condition from his burns in the explosion and sunburn, shock and exposure suffered while clinging to the life preserver.

The rescue of Wolfinger reduced the death list of the tanker to four. The Mariner's Harbor crew found three men dead aboard the Shreveport. Second Mate Harold Hopkins died in a lifeboat just before his 29 shipmates were rescued by the Spanish steamer Aldecoa and taken to Southport, N. C.

When Wolfinger was found by the Mohawk, he was delirious and semi-conscious and it was with difficulty that the Clyde Liner's officers learned his name and the fate of his ship. His hands and feet were swollen badly and his throat parched from salt water.

The advices from Capt. Swenson said the tanker was damaged considerably but not beyond repair. The salvage crew was able to get up steam in her boilers and the advices declared she was headed for Charleston under her own power.

The Mariner's Harbor at the time was searching for the schooner Wellington bound with a coal cargo from Newport News to the West Indies which was abandoned off the North Carolina coast by her crew after a fire. No trace of the schooner was found and it is believed she had sunk.

With John Robinson's Circus

Holland's premier equestrians, Walter Guice and Company, are one of the international features with John Robinson's Circus, coming to Greenville for two exhibitions on Friday, Sept. 21. Guice and his riding companions arrived in this country last spring, being direct importations from Europe, the origin of practically all the great equestrians.

The Guice riders are only one of the equestrian combinations with the Robinson Circus, others being Rudy Rudyoff and his family from Austria and Johnny Correria's Troupe, America's premier artists. The majority of the circuses offer one riding act, but John Robinson believes in quantity as well as quality and keeps every ring in action at the same time.

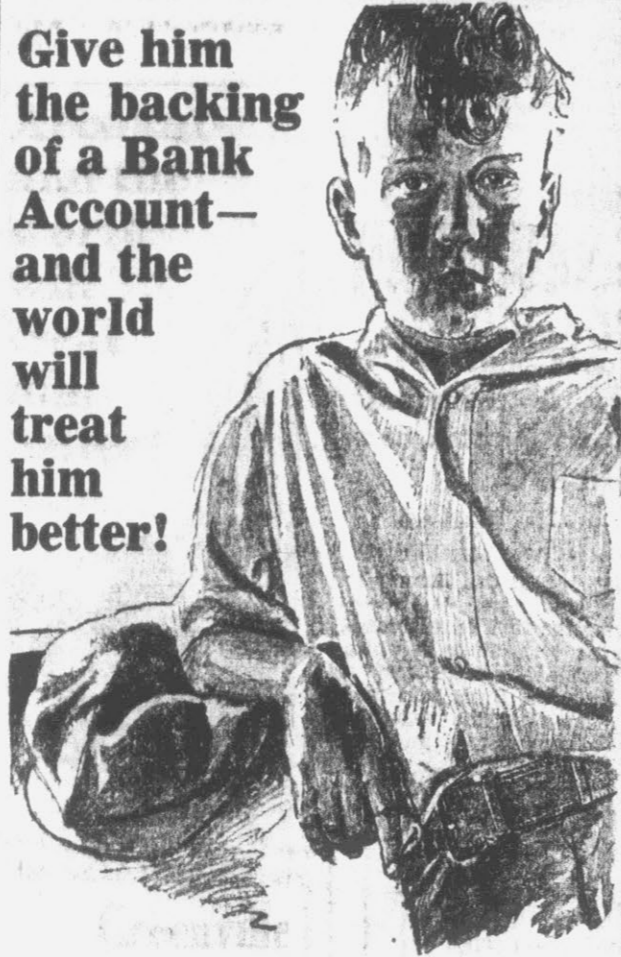

"King Solomon and the Queen of Sheba," a gorgeous and massive spectacle of ancient times will open the exhibitions.

EXCHANGE BETWEEH GIFTS IN JAPAN

Tokyo, Sept. 14—(AP)—Formal ceremonies in connection with the betrothal of Prince Chichibu, heir apparent, to Setsuka Matsudaira, daughter of the former Japanese ambassador to Washington, were begun today with an exchange of

gifts in accordance with age-old customs. The formal marriage will be celebrated on Sept. 28. The prince's gifts were conveyed to the residence of Setsuka's adopted father, Viscount Morio Matudaira. They included a classical style kimono, a sypress wood fan, a freshly caught sea bream and a cask of sake, or rice wine.

Give him the backing of a Bank Account—and the world will treat him better!

New Joyner Warehouse Market Report

Since the opening of the Greenville market prices on our floor have steadily increased. We sold Thursday, September 13th 228,568 pounds at an average of 15.58—represented by farmers from Pitt, Greene, Onslow, Jones, Cartaret, Pamlico, Edgecombe, Martin, Wilson, Halifax, Bertie, Hertford, North Hampton, Perquimus, Pasquotank, Lenoir, Pender, Duplin and Columbus counties. A large part of our offerings were of poor type.

While the general average of tobacco is very low as compared with the cost of production, our customers have left us feeling that they received the top of the market.

Good tobaccos are selling better. A number of our customers averaged between 20 to 28 cents. One of our friends sold one truck load with us yesterday for \$600.00.

We Have Everything A Warehouse Needs To Sell Tobacco

We are located in one of the largest, best lighted and best equipped warehouses on the Greenville market and we have an organization that cannot be excelled in the Bright Tobacco Belt.

We have recently secured the services of Mr. Will Moore who is well known throughout the Tobacco Belt of Eastern Carolina. Mr. Moore is an experienced warehouseman and will be active on our sales daily with O. L. Joyner and O. L. Joyner, Jr.

We know Tobacco and know how to sell it. We have first second sale Monday, September 17 and will very likely sell around noon; Tuesday, September 18, 1st sale; Wednesday, September 19, 2nd; Thursday, September 20, 1st; Friday 2nd.

Come to see us and let us show you that it will pay you to sell with us.

Social & Personal

Mrs. A. J. Moore spent today in New Bern.

Eli Bloom will leave tonight for Norfolk, Va., to spend the week-end holidays.

D. J. Holland of Bethel, was here today.

Dr. and Mrs. Dwight of Madison, Wisconsin, are the guests of their daughter, Mrs. R. M. Garrett.

Ronald Palmer left today for Raleigh to enter State College.

Miss Evelyn Hart left today for Greensboro to resume her studies at N. C. C. W.

Frank Taylor of Lakeland, Fla., is here visiting relatives.

Mrs. Batchelor Entertains.

Mrs. Edward Batchelor charmingly entertained at bridge yesterday afternoon and last evening at her home on East Ninth street. The home was prettily decorated with varied fall flowers.

At the afternoon party, a beaded necklace was awarded Mrs. N. O. Warren for high score. An attractive novelty went to Mrs. Richard C. Stokes, Jr., for low score. Mrs. Dwight of Madison, Wisconsin, an honored guest, was presented handkerchiefs.

The table prizes, colonial dames were cut by Mrs. James Ficklen, Mrs. Frank Park, Mrs. R. D. Harrington, Mrs. Knott Procter and Mrs. A. M. Moseley.

The hostess was assisted in serving a frozen salad course by Mrs. R. M. Garrett, Mrs. W. A. Darden and Mrs. Malcolm Thompson.

Last evening, Mrs. Batchelor entertained, honoring Mrs. D. M. Clark, a recent bride, Miss Ward Moore, making high score, was given a shouler corsage. An attractive novelty was won by Mrs. L. H. Bowling for low score. Mrs. Clark, the hostess, was remembered with a candy jar. After a number of spirited games, Miss Ward Moore and Miss Hennie Whitchard assisted in serving.

Cake and Candy Sale.

Circle No. 3 of Jarvis Memorial Methodist Church will have a cake and candy sale Saturday morning at ten o'clock, in Cullins' window, Evans street.

Called to South Carolina.

Mr. and Mrs. J. H. Waldrop left this morning for Orangeburg, S. C., to attend the funeral of Mrs. Waldrop's father, George V. Zeigler, who died last night.

MRS. GARRETT ENTERTAINS FOR MRS. DWIGHT

Mrs. E. J. Garrett delightfully entertained two tables of bridge on Wednesday afternoon in honor of Mrs. Dwight of Madison, Wisconsin, who is the guest of her daughter, Mrs. R. M. Garrett. Garden flowers were effectively used for decorations.

Mrs. E. B. Ficklen and Mrs. A. J. Moore were awarded handkerchiefs for high score. Mrs. Dwight was remembered with silk hose.

A tempting salad course was served after a number of interesting progressions.

MRS. MOORE ENTERTAINS BRIDGE CLUB

Mrs. A. J. Moore was hostess to her bridge club and a few other friends yesterday afternoon at an enjoyable meeting.

The home was attractive with fall flowers.

Mrs. W. W. Phelps, winner of high score, was awarded a jar of candy. Mrs. B. S. Warren making low score, was also given candy.

The table prizes, miniature jars of candy, were won by Mrs. K. B. Pace, Mrs. J. J. Summerrell, Mrs. E. J. Garrett and Mrs. L. H. Bowling.

Little Miss Sarah Moore assisted her mother in serving a delicious salad course.

To U'vell Marker Sunday.

Cedar Camp, Woodmen of the World, of Shelburne, will unveil a marker to D. L. Bailey, at Bear Grass, Sunday, September 16th, at 11 o'clock, according to announcement made today by members of the organization.

Loyal Daughters Meet.

A delightful business and social hour was enjoyed by the Loyal Daughters class of the Christian Church which met with Miss Edith Quinerly, Thursday evening, September 13th.

The meeting was called to order by the president, Mrs. McGowan. The Scripture lesson was read by Mrs. C. J. Barr, followed by all repeating the Lord's Prayer. Then all sang, "Bless Be the Tie That Binds".

It was then decided to have our class meeting every first Thursday night in each month.

Mrs. Leo Burks gave a reading. We were then favored with several vocal numbers by Misses Carolyn and Agnes Fullilove, accompanied by Miss Lilah Glenn Nelson, and also favored with several violin numbers by Sam Quinerly and Earl Rouse. The hostess served delicious ice cream and cake.

The meeting adjourned to meet with Mrs. C. J. Barr, October 4th. REPORTED.

POLICE UNABLE TO LOCATE BOLD BURGLAR

The party or parties that entered the Credit Tire Stores, last week, were far above the average criminal because as yet Chief Whitchard and his force have been unable to make an arrest, but they have a number of very good clues and are expecting to make a favorable report soon. It is almost impossible to trace this party as almost one out of every three in this section are using G. & J. Tires, and this burglar would not have anything else from a big stock of almost all standard make tires but "good old G. & J." and Michline tires." He really left money in the Cash Register that he could have taken.

This is the second time that this store has been entered. It must be because these people do an enormous business on both tires and storage batteries, on a time payment plan, and are able to sell for much less than others as they operate a number of stores in Eastern Carolina.

Mr. Underwood said they also had the usual number of clowns, aerial acts, etc., that furnish an unending number of laughs and thrills

OLD CIRCUS TO FEATURE MANY ACTS

Advance Representative of John Robinson Tells of New Features of Show.

Charles Underwood, field representative of John Robinson's Circus, was in the city today making preparations for the appearance of the attraction here Friday, Sept. 21. Advertising matter was posted here several days ago and the visit of Mr. Underwood is to shape up final plans for the two engagements the circus will play in Greenville on the above date.

John Robinson's circus is altogether different from what it was last year, Mr. Underwood stated. Many new features have been added that make it unquestionably one of the most spectacular attractions of the kind on the road today.

One of the really outstanding features, he said, will be "King Solomon and Queen Sheba," a dazzling pageant depicting early days of the Bible. This is the first time this attraction has been revived for over a period of twenty years and its presentation by Robinson is both bewildering and dazzling in its oriental splendor.

Another act that has attracted profound wonderment in all sections of the country which the circus has visited this season is that of Mabel Stark, noted animal trainer, who is making her first appearance in the arena in several years. After retiring from Ringling Brothers several years ago, Miss Stark went to France where she spent quite a while at her villa at a quiet little French town.

Miss Stark will appear in her death-defying act with several Bengal tigers. She was in a hospital in Maine some time ago as result of being badly mangled by an unexpected attack from the beasts.

Mr. Underwood said they also had the usual number of clowns, aerial acts, etc., that furnish an unending number of laughs and thrills

Women Like To Be Admired.

New York (AP)—Senior Guillermo Fels, engineer of the Buenos Aires subway, is convinced that women would rather be admired than be comfortable. They tried cars for women only in the rush hours, tried them on each end of trains and in the middle. There were many vacant seats in them while the other cars were jammed.

ENDORSE STABILIZATION PLAN IN MISSISSIPPI

Summitt, Miss., Sept. 14.—(AP)—Told by S. Odenheimer of New Orleans, president of the Southwide Council, that the present price of cotton should be 22 to 24 cents instead of 19, farmers and business men of this section as a unit endorsed the stabilization plan sponsored by the council.

This conclusion of Mr. Odenheimer was based upon his statement that there was in sight a possible crop this year with an estimated need for a million more bales. There should be a minimum price of 20 cents, he said, with a maximum based upon the spinners consumption. The existing price, he asserted, was "fixed by the speculators".

The Council's plan to create a central agency of some thirty members in the cotton growing states to fix the price of cotton was endorsed in yesterday's meeting, the first of a series planned throughout the South.

OVERMAN TO SPEAK AT GREENSBORO TONIGHT

Greensboro, Sept. 14.—(AP)—U. S. Senator Lee S. Overman will open the Democratic campaign in Guilford county with an address at the county court house tonight. He will be introduced by Col. Frank P. Hobgood, Greensboro attorney, and a strong champion of Governor Alfred E. Smith for President.

To Whom It May Concern:

This is to notify all persons that I forbid them to hire or harbor my grandson, James German, age 15, who left my home about August 15th, 1928.

CHARLES HARRIS, Greenville, N. C. Route 1.

SMITH'S APPOINTMENTS

Without regard to the truth of his record, the talk continues that if elected to the presidency, Gov. Smith would fill all the important appointments from the Catholic faith to the detriment of the country. It was just yesterday that we again heard the remark that out of fourteen important appointments in New York State, Governor Smith had appointed eleven Catholics and only three Protestants. We immediately called the speaker's attention to the fact that if he was referring to the Governor's cabinet he had his figures almost exactly backwards, the correct status being ten Protestants, three Catholics and one Jew.

"Well," replied the speaker, "if it wasn't his cabinet it was judges or something or other," and his statement was another proof of a lot of "something or other" that a whole lot of people are glad to talk about but know little or nothing about.

In order that our people might know the facts in the case we reprint herewith an editorial from the Asheville Citizen based upon the latest available information as to Governor Smith's appointments in New York State:

Among the most preposterous of all the attacks upon the Democratic candidate for President is the argument that he would pack the Federal judiciary and fill his cabinet with Catholics and Tammany politicians. Obviously, Governor Smith could not do this if he wanted to do it. Nearly all the important appointments which the President makes are passed upon by the Senate and the Senate would not confirm these appointments if the appointees were not men of character and ability and standing. The Senate has refused to confirm a number of appointments made by President Coolidge. It could be depended upon to scrutinize those of Mr. Smith just as jealously if not more jealously.

There is, however, a more satisfactory guarantee than this that Mr. Smith's appointments as President would be high-grade in every respect and of a character to command wide public approval. That guarantee is found in the record of his appointments as Governor of the State of New York. A survey of

these appointments reveals not only the superior fitness of those whom Governor Smith has chosen for office in New York but also that a very small proportion of these appointees have been Catholics. Statistics which have just been compiled are summarized as follows:

"Members of the Cabinet, total 14; Catholic 3; Republican 8; Protestant 10; Democrat 4; Jewish descent 1; Independent 2.

"Other present State Department and major division heads, total 25; Catholic 11; Republican 8; Protestant 14; Democrat 14; Independent 3.

"Other present State officials, whose appointments are approved by the Governor, total 136; Catholic 33; Republican 72; Protestant 105; Democrat 53; Jewish descent 11; Independent 9, undesignated 17."

This table does not include the judiciary and related appointments and appointments to county office to fill vacancies during the Governor's four terms to date. This information is now being tabulated, it is stated, and will be given out shortly. Of 32 Supreme Court, Court of Appeals and Court of Claims appointments made by the Governor, 15 were Catholics, 14 Protestants and three were of Jewish descent. Out of a total of 105 major appointments, 30 appointees were Catholics, 66 were Protestants and 9 were of Jewish descent.

We should think that if any criticism attached to Smith's appointments as Governor it would be on the ground that he has selected an extremely large number of Republicans to fill important offices under him; an explanation of this being that his main concern at all times has been to secure the best men available. When in his speech of acceptance he declared that as President he would "not be influenced in appointments by the question of whether he is rich or poor, whether he comes from the North, South, East or West, or by what church he attends in the worship of God" and that the sole standard of his appointments "will be the same as they have been in my governorship—integrity of the man or woman and his or her ability to give me the greatest possible aid in devoted service to the people," he has back of his pledge a record which gives it force and which carries conviction to any open mind.

ABOUT TOWN

"Igniting fires with oil has caused the death of two persons in this vicinity within the last few months," observed a reader of this paper today.

"People should use more discretion in lighting fires. If they are bound to use oil, the liquid should first be poured from the can into a small container and then applied to the fire. Standing over a stove and pouring oil into it from a can is extremely dangerous and persons who do so jeopardize their lives every time they do it."

"Pitt county Democrats are becoming quite active," mentioned a local politician today, referring to action taken a night or so ago towards organization of Smith clubs in all precincts of the county.

"This is the first time the county has been so intensively organized, and members of the party are expecting good results from their labors."

"Another man was fined in Greenville yesterday for violation of the hunting laws of the State," a member of the bar said today.

"This is the second case that has been prosecuted during the past week. Each offense was for shooting squirrels out of season."

"It certainly looks like men interested in the preservation of game would wait until the season opens before beginning their onslaught. The shortage of game is becoming acute in many communities and this will increase unless hunting laws are fully observed."

"Don't forget that Saturday is 'felt hat' day," reminded a local merchant today, speaking of the nation-wide movement to abandon

the use of straw hats on the above date.

"Greenville merchants have an extensive line of new hats for the public to choose from and it will not be their fault if Greenvilleans turn out Sunday with unseasonable headgear.

"See your furnisher, Mr. Citizen, and provide yourself with a hat while felt hat week is in progress."

"Tuesday, September 18th, is the date set for the fall fashion show in this city," members of the Merchants Association told their hundreds of patrons today through the columns of this paper.

"Come to Greenville and view one of the most elaborate displays of fall and winter fashions in history. Every store is prepared to show an extensive line of articles and the person that fails to pay them a visit on the evening of the eighteenth will be missing an opportunity of really seeing what the city has to offer."

"Fix the date firmly in mind and be on hand when the doors of all stores swing open at 7:30 and remain open until 9:30 o'clock."

"Come out to the fair grounds and see the high school football team in training for this season."

"The team is rapidly rounding into form and by the latter part of next week Coach Porter should be able to see his first string men all set for battle."

"We hope to be able to establish a better record this season than last season. Entrance to the championship series is the hope of every member of the club and should we get there we hope to stay until Chapel Hill is reached in the final series."

"The historical pageant to be presented under auspices of the Daughters of American Revolution at the Pitt County Fair promises to be one of the major attractions of Fair Week," confidently asserted members of the fair committee this morning.

"The pageant will depict the coming to this city of George Washington. Greenville at this era was nothing more than a straggling village and in the words of the father of his country, 'was a little tiny town on the banks of a river.'"

"The pageant will consist of our episodes, interspersed with colorful dance numbers, tuneful music and brilliant costumes, and should attract hundreds of people from all parts of the county."

"The attraction takes place on the evening of October 3. Keep the date in mind and get an idea of how Greenville and Pitt county people looked and acted on the visit of the distinguished visitor."

"Winterville is anticipating large attendance at the opening of schools next Monday," members of the faculty, visiting in Greenville, stated today.

"Attendance this year is expected to exceed that of last year, and we hope to be able to care for all students without congestion. We are looking forward to one of the most successful sessions in years."

A WASHINGTON BYSTANDER

By KIRKE L. SIMPSON
Washington—Two snow headed veterans who gave gallant service to the flag at the threshold of manhood still hold high place in active duty under that flag in Washington, although far past their allotted three score years and ten.

As it happens, both went through the grim battle days of '61-'65 in Massachusetts regiments and both men high honors for courage. Both, also, have toiled for more than a half century in the great field of civil life, under the great flag of the Republic. And both wear the flowing mustaches, whitened by the marching decades, that date them back to the brave old days and a generation all but vanished

in the shadowy mists of time. by the poet father whose name he bears to become a profound student of the law. Warren, with the restless spirit of adventure still on him, hardly paused before the frontier and life in the rough called him out to the Dakota territories and a leading political place in the making of the state of Wyoming. Not a decade after the runs on the ladder of political advancement; while Holmes, then and now, looked out on life by preference through his study windows.

Holmes and Warren.
The senior of this pair of old warriors whose heads are still unbowed by the years is Oliver Wendell Holmes, associate justice of the Supreme court of the United States, now in his eighty-eighth year; the junior, Francis Emory Warren, senior senator from Wyoming, three years younger. Warren wears a blue, white starred button of the Medal of Honor, won as an enlisted man at the siege of Fort Hudson; Holmes, a youngster lieutenant just out of Harvard in '61, was thrice breveted for gallantry and carries the scars of serious wounds received at Balls Bluff, at Antietam and at Marye Heights.

There is a fine flavor of the old days about both these Massachusetts lads who were tried and tempered in the furnace of war as their first test of manhood. Their pathways far diverged as the struggle ended. Holmes turned at once to the scholarly tastes bequeathed

heavily erect still and with shoulders wide as a barn door, shows a face seamed with the lines etched there by the lusty, hard fought life he has led; Holmes, in the solemn black robes of his office, reveals scarcely a trace of these furrows of time, for his has been the kingdom of a trained, thoughtful mind with little of harsh contacts with life.

Yet there is about Holmes as dean of the highest court, as Warren is dean of the senate, something that sets him far apart from the prosaic man of the law his life might have made him. There is an air of courtly, old world manner and charm despite his aloofness.

PIRATES AND BUGS BATTLE TO A 5-5 TIE

Goldsboro, Sept. 14.—(AP)—Batting to a 5-all tie here yesterday, the Goldsboro and Wilmington teams go today to Wilmington to stage the seventh game of the Eastern Carolina League championship series. The Goldsboro have three wins to their credit while the Pirates hold a pair of victories.

Yesterday's engagement was the most hectic of the series and ran through ten innings. It was called on account of darkness.

Stanley Johnson, Bug hurler, held the Pirates scoreless for the first five stanzas while the Teagumens were tucking away a four run lead. But the Weaverites came back in the first of the sixth to knot the score after Johnson weakened and Coltrane was sent in as relief.

For the next three innings both clubs went scoreless but in the fifth Roscoe pounded one over center field fence and a Pirate score was chalked up. The Bugs came to the bat to get a single and on a Pirate error again knotted the count.

Pointers Take Game Off Twins

Winston-Salem, Sept. 14.—(AP)—High Point snatched the initial game of the Piedmont League pennant series from Winston-Salem here yesterday 5 to 2. The teams meet for the second affair at High Point today.

A three run surge in the ninth against Cy Smith, veteran Twin hurler, placed the game on ice for High Point after Joe Acosta, Pointer mound ace, had battled into a 2 to 1 lead in the seventh. Two sensational catches by Chick Evans proved the outstanding features of the game.

Conklin is slated to hurl for the Pointers today while Perritt will likely draw the assignment from Manager Hearn.

AYDEN GRIDDERS ARE ROUNDING IN SHAPE

Ayden, Sept. 14.—The Ayden High Tornadoes are fast getting in trim. Twenty-one candidates answered the call of Coach Leary last Wednesday and today this number had grown to thirty-one, with several more expected with the opening of

school this week. Nine letter men have reported so far and at least an equal number of the remainder of the squad have had one or more years experience.

Only two of last year's letter men in the backfield are returning, Captain Edwards and Durham. However with the addition of Cox, Pierce, B. Colahan, W. McLohan, Madrid, H. Jolley and Dale, Ayden high school should have the fastest and heaviest backfield in recent years.

In the line the Tornadoes will have McClees, Worthington, Hart, Phillips, Harrington, Tripp, and Stocks, all letter men, while fifteen other candidates will make it hard sitting for last year's regulars.

With a backfield averaging 155 pounds, and most of the candidates seasoned players, the prospects are the brightest in the history of football here and gives promise of bettering its own record of having lost only three games of the seventeen played in the last two seasons.

SITUATION IN NATIONAL IS TENSE TODAY

By WILLIAM J. CHIPMAN
 Echoes of 1908 heard along the baseball stretch as the new season thunders on toward its finish look like the greatest dual of the memorable season and Verkle's failure to touch second base Detroit won Ban Johnson's pennant by half a game twenty years ago while the Cubs broke a tie in the standing with the Giants only by defeating the clan McGraw, 4 to 2, in a play-off the day after the regular season closed.

Hard campaigning in the next two weeks may loosen the 1925 races, but for the moment John Heydler's three contenders are more closely bunched than were the Giants, the Cubs and the Pirates at a corresponding stage of the 1908 struggle. The American League today has only two teams in the running against the four which battled twenty years ago, but the Yankees and the Athletics promise to make a pin drama what they lack in numbers.

The National League situation became even more tense yesterday when Sheriff Fred Blake led the Cubs to a 6 to 1 triumph over the pace-setting Cardinals as the Giants swept a third straight double header from under the nose of Rogers Hornsby at Boston. The clan McGraw's team took the opener easy behind Larry Benton's fine pitching, 12 to 2, and then fought to the finish for the second, 7 to 4.

This turn of events hauled the Giants up to within one and one-half games of the Cardinals, with the Cubs only half a game further down the list in third place.

The American League situation remained unchanged, of course, with both of the leaders idle and the Yankees on top by a margin of one and a half games.

In the remaining National League engagement yesterday, the Robins closed out their season's business in Philadelphia by winning, 10 to 0. The two teams have one more game against each other, the final day of the season in Brooklyn.

If the Giants can sweep their remaining double header against the Braves today they will have set a new major league record for all time in winning four consecutive bargain bills.

The Giant's chieftain always held that pennants were won not from rival contenders but from second division clubs whittled the victors their margin. On this basis, the Cardinals should take the flag, since they are certain to perform at least a shade better against the Braves and the Phils than the Giants have performed, but this may be one pennant to be decided on hand to hand fighting.

The Cards now face the pleasant prospect of five games in Philadelphia, but next must invade the Polo grounds for a double header on September 20 and a single game two days later.

Action in the American League yesterday was confined to the 6-4 victory of the Browns over the White Sox at St. Louis. The game was notable chiefly for Heinie Manush' batting spree, which netted him a perfect afternoon of a home run, a double and two singles. His average jumped four points to .371, one point above Gehrig and three behind Goslin, the leader.

George M. Loh, Jr. of Chicago, carries American's hope to return the national singles tennis title now held by Rene Lacoste of the United States. He and Henri Cochet of France are the favorites at Forest Hills.

TWO CHAMPS SLATED FOR GOLF TODAY

By BRIAN BELL
 Newton, Mass., Sept. 14—(AP)—At the semi-final stage today, the list of national amateur golf championship survivors was made of two champions and two who would like to be Bobby Jones, reigning monarch of amateur golf in the United States, who has won all the championships he has tried for except the British amateur, and Phil Perkins, holder of the British amateur cup, were the champions. George Voight and Phillips Finlay have their titles to win.
 Jones, after his narrow escape Wednesday, found his game with a vengeance in the third round and slaughtered John B. Beck, member of the British Walker cup, team, 14 and 13. No more crushing defeat has been administered in an amateur championship although there was one just like it 13 years ago. Jones was under par all day and his opponent from overseas was not able to win a hole. "I was not a good golfer under the circumstances," said Beck, "but I enjoyed watching your champion play."
 Voight outputted Dr. O. F. Willing, the Portland Ore., dentist, to win his third round. The other two contests were closer, each ending at the 35th green. Perkins defeated John Dawson, Chicago, playing in his first amateur title hunt 3 and 1, while Finlay advanced at the expense of "Jimmy" Johnson, St. Paul, 2 and 1.
 The match today between Jones and Finlay involved a clash of

master and student. Phil spent his last eastern vacation at Atlanta playing golf with Bobby and Watts Gunn. Close observers suggested that the collegians' long tee shots might not prove of great value against Jones as the champion would have the difference concealed in his long seconds.

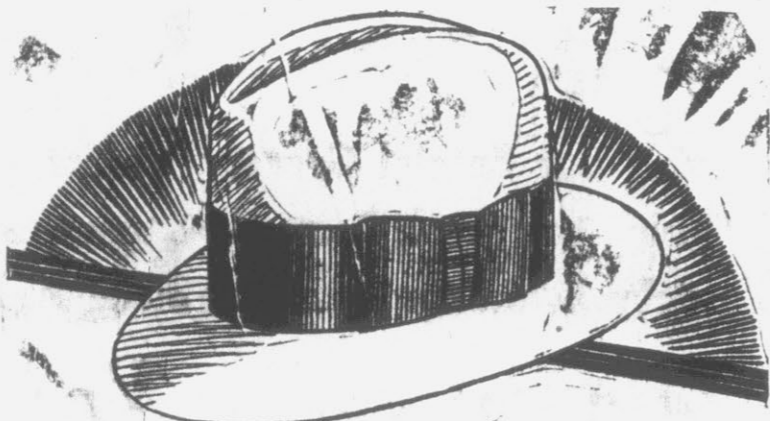

The Perkins-Voight setto was forecast as a battle of irons. The British and American stars have shown themselves masters of the approach shots as necessary to successful scoring at Brae Burn. Perkins is not the Perkins who was defeated 13 and 12 by Jones in the Walker cup play. He says so himself.

Fights Last Night

Chicago—Les Marriner, Chicago, knocked out Jack McCauliffe, Detroit (6); Haakon Hanson, Norway, knocked out Red Uhlan, Los Angeles (8).

HOOVER HAS DECIDED TO VISIT JERSEY

Republican Presidential Candidate Desires to Visit Several Towns.

By JAMES L. WEST
(Associated Press Staff Writer)

Washington, Sept. 14—(AP)—Herbert Hoover has decided to extend his itinerary in New Jersey so as to visit both Princeton and Trenton as well as more than a dozen towns in the general vicinity of Newark where he is to speak Monday night.

Leaving Newark early Tuesday afternoon after attending a lunch-

eon which Senator Walter E. Edge is to give there for State and county leaders, the Republican presidential candidate will motor to the State capital, stopping enroute at Elizabeth, Brunswick and Princeton. At Trenton Hoover will board his private train, arriving in Washington late Tuesday night.

Instead of spending Sunday night at the Robert Treat Hotel, as was his original plan, the Republican standard bearer will go to East Orange after the delivery of his speech, and will spend the night at the home of his friend, Thomas A. Edison. He will leave there early Tuesday for a motor trip to Jersey City, Hoboken, Weehawken and a number of other cities in Hudson and Bergen counties before going to Newark to have lunch with the New Jersey Republican leaders.

As will be the case in East Orange and other cities he is to visit Monday afternoon and Tuesday morning, Hoover will be welcomed by city officials in the towns he is to visit during his 45 miles of automobile touring from Newark to Trenton. He does not expect to make speeches in any of the cities, save possibly Trenton.

Americans See Fine Chance of Tennis Survival

Forest Hills, N. Y., Sept. 14—(AP)—With the youngsters of American tennis following the lead of the veteran, Francis T. Hunter, and giving the invading Frenchmen as good as they send, the American survivors in the national championship tournament, now in its crucial stages, today saw a chance of the first all-American final since the coming of the French in 1926.

Perhaps inspired by the great victory of Hunter over Jean Borotra the previous day, Frank Shields, 18 year old junior champion of the United States, eliminated Jacques Brugnon of France, yesterday in a quarter final match, 7-5, 6-1, 6-0. Then Gregory Mangum of Newark, N. J., took the opening set from the great Cochet, favorite for the championship.

A shower came along about that time and halted play, but Mangum was leading by 6-4 and 9-1 in the second set.

Hunter, too, was headed for victory when rain interfered. He led Jack Crawford, the young Australian, 7-5, 3-6, 6-3. Play in these matches is to be resumed this af-

ternoon at 3 o'clock with the score as it was when interrupted. The semi-finals will be on Saturday with the final on Monday.

George Lott of Chicago, yesterday won from John Doe, 6-2, 6-2, 7-5.

Tourists Away Ahead In Sally

South Atlantic Association Clubs today were entering the last two days stand of the 1928 season with Asheville far away from the other clubs, speaking in figures of percentage.

The Tourists yesterday rolled over Macon 3 to 1. Having allowed the Peaches seven hits and held them scoreless until the ninth frame. His mates gave him perfect support in the field.

Charlotte won from Spartanburg, 7 to 0. Trippe allowing the Spartans only four hits.

Columbia had a walk-away with Knoxville, pounding out 18 hits for a 12 to 0 decision.

Augusta beat Greenville's rookie team, 3 to 0.

WANT ADS PAY

Asks Police Not To Help Hunt for Kidnapped Youth

Chicago, Sept. 14—(AP)—A police hunt for a kidnapped boy, conducted against the wishes and entreaties of the boy's father, was on today.

"I know you are my friends", A. Frank Ranieri, the father, told police, "but friends often may do more harm than good. I wish you would let me handle this alone."

But police, with their search for 10-year-old Billy Ranieri well under way, insisted on pushing their investigation.

"You may be able to arrange for the safe return of your son", Lieut. McGrath told Ranieri, "but there are other fathers and other boys, and if we stand idly by it will be an admission that kidnapping is a crime that men can commit without danger."

Ranieri replied: "I must do what seems best for the safety of my boy."

Police asked him for a picture of the kid, kidnapped a week ago. Ranieri would give them none.

"Perhaps, soon, you can take pictures of him yourself", the father said, quitting for the first time since demands for \$60,000 ransom

were made upon him.

Ranieri's return to apparent good humor after days of anxiety during which he sought to rally from friends the sum demanded by the kidnapers, led police to the conviction that Ranieri had been in communication with the men holding his son and that he may even have seen the boy. His refusal to aid the police inquiry was ascribed to fear that harm might befall the boy if officers were given any help.

ADD WARREN OUT OF RING FOR AWHILE

Asheville, N. C., Sept. 14—(AP)—Add Warren, North Carolina heavyweight, is expected to be out of the ring for sometime as the result of having fractured with Jack League, of San Antonio, Texas, here last night. The 200 pound Texan was awarded a technical knockout when Warren retired after the fifth round.

Warren broke his arm in the second round and complained of it hurting when he came to his corner. He, however, continued to fight through the fifth when a physician examined it.

The North Carolinian pounded solidly on League during the first two rounds but thereafter took the defensive and attempted to ward off his opponent with his left arm.

Consumption of Cotton Increases During August

Washington, Sept. 14—(AP)—Cotton consumed during August totaled 526,729 bales of lint and 68,165 bales of linters compared with 438,743 of lint and 62,921 of linters in July this year and 634,520 of lint and 76,210 in August last year, the Census Bureau announced today.

Cotton on hand August 31 was held as follows:

In consuming establishments, 782,068 bales of lint and 132,897 of linters compared with 1,007,017 and 159,894 on June 31 this year and 1,120,784 and 172,222 on August 31 last year. In public storage and at compresses 1,188,861 bales of lint and 38,097 of linters compared with 1,189,565 and 44,589 on July 31 this year and 2,172,945 and 44,687 on August 31 last year.

Cotton imported during August totaled 25,258 bales, compared with 28,041 in August last year. Exports totaled 259,489 bales including 6,862 bales of linters compared with 340,311 and 18,391 for August last year.

Cotton spindles active during August numbered 28,243,508 compared with 28,228,024 in July this

SHAKER COLONY HAS DISAPPEARED

Lebanon, O., Sept. 14—(AP)—The once famous and prosperous Shaker colony at New Union near here has passed into history with the death of its director and last survivor, James F. Fennessey.

Organized in 1805, the colony of religious communists prospered and grew to an enrollment of 3,000 members owning 4,500 acres of land in the latter part of the last century. Since then, however, membership has steadily dwindled.

Marriage did not exist in the colony. The only additions to the membership were by conversion to the faith. The belief was said to have originated in England, though the parent organization in the United States was the Shaker colony at Lebanon, N. Y.

To Pay Out Two Billion.
New York—(AP)—Uncle Sam will handle about two billion dollars extra cash tomorrow. He will pay out nearly half that in redeeming Third Liberty Loan 4-14 per cent bonds and take in about as much in income taxes and by selling certificates of indebtedness.

Market Report Cotton--Stocks--Grain

COTTON MARKET

New York, Sept. 14—(AP)—Larger domestic consumption figures for August than expected and uncertainty of the further course of the tropical storm, seemed responsible for extensive covering in the cotton market today. There was also some trade buying. Advances of 15 to 22 points were checked by realizing or southern selling, however, and business tapered off later, with the mid-afternoon market quiet and steady at reactions of 8 or 10 points from the best.

Futures closed steady, one point higher to four lower; spot quiet, middling 17.80.

GRAIN MARKET

Chicago, Sept. 14—(AP)—Wheat prices averaged higher today, helped by increasing attention being given to talk of a decided holding policy on the part of domestic spring wheat farmers. Friends of higher prices put special stress on reports of remarkably large numbers of storage tanks bought in the northwest for the purpose of holding wheat. In some quarters, it was asserted that such a course among United States farmers, combined with a holding policy by the Canadian growers' pool might result in at least moderately advancing prices from time to time. Export demand for wheat from North America today was better, totalling about 800,000 bushels.

Wheat closed firm, 1-2 to 7-8c net higher; corn 3-8 to 1 3-4c up; oats showing 1-2 to 3-8c advance, and provisions varying from 2c decline to a rise of 15c.

STOCK MARKET

New York, Sept. 14—(AP)—Speculation for the advance was resumed on a broad scale in today's stock market, which witnessed the establishment of nearly two score new high records. Buying embraced a wide list of issues, but the motors, motor accessories, oils, food and coppers gave the best demonstration of group strength. Extreme gains in the active issues ranged from 2 to 13 points, with the ticker again falling half an hour or more behind the market.

Despite bankers' predictions of continued high money rates this fall, operators for the advance went confidently ahead with their campaign in the belief that the resumption of gold shipments from Great Britain would ease the credit situation. Call money renewed at 7 per cent as against 7 1-2 yesterday, and loans in the "outside market" were reported at 6 3-4 and 6 1-2 per cent.

Coty and Motor Products were the spectacular individual feature, each soaring 13 points to new high records at 217 and 168, respectively. Adams Express climbed 11 1-2 points, Collins & Aikman 7 1-2, Curtiss Aeroplane 7, Johns-Manville 6, Commercial Solvents 5 1-2 and Wright Aeronautical 5. U. S. Industrial Alcohol, Republic Steel, Case Threshing Machine, Radio, Greene Cannanea Copper, Pressed

A Bit in Advance— The New Hats

THE new narrow brims, the tapering crowns, the pleasing and more practical shades of gray, tan, and slate green—the harmonizing effect of the band—these are the details you'll notice. Welt edges, snap-brims, Knox—they're all here in every correct variation for every type of face.

INITIALS FREE

Saturday, the 15th, is Felt Hat Day in Greenville. Invest in a Knox Hat and you will have no regrets.

Prices \$5.00 to \$10.00

Batchelor Bros.
